COLGATE COACHING CAREER

Most recently, Vaughan led Colgate to an 18-18-4 record during the 2021-22 season, helping the team reach the ECAC Hockey semifinals in Lake Placid. Colgate defeated Yale in the first round of the conference playoffs and then upset No. 18 Cornell on the road in the quarterfinals. The regular season also saw the Raiders take down the #11/13 Big Red 2-1 in overtime. Colgate picked up a sweep against Vermont in a non-conference weekend series and also swept its season series against Yale.

The Raiders advanced to the ECAC Semifinals in the 2020-21 campaign behind six wins, including ones over No. 8/9 Clarkson, No. 13 Clarkson, and No. 10/11 Quinnipiac.

The Raiders garnered a 12-16-8 overall record in the 2019-20 campaign, along with an 8-9-5 mark in the ECAC regular season. Colgate finished with the No. 8 seed for the ECAC Tournament, earning home ice for the First Round. The Raiders swept Brown behind a 3-0 shutout and a 3-2 overtime win, before the cancellation of the ECAC Tournament. It had marked the first time the Raiders swept a playoff series since the 2014-15 season.

The 2018-19 season featured four wins over nationally ranked opponents. Although Colgate held the only all-rookie goaltending group in the nation, the Raiders held its opponent scoreless on the power play 16 times and earned three weekend sweeps. In a 3-2 overtime win on Jan. 26, Colgate earned its first victory over Cornell since Feb. 8, 2014 while it also marked the first win in Ithaca since Jan. 27, 2012.

Vaughan led the Raiders to their 24th ECAC Hockey Tournament appearance in 2017-18. It was a season where Vaughan tallied his 400th career win by a 2-1 final at Brown. The previous 2016-17 season was highlighted by Vaughan guiding the Raiders to the 1,000th win in program history, becoming the 23rd team in college hockey history to do so. His 961 games at the helm of the program is the third-longest tenure in college hockey behind Rick Gotkin (Mercyhurst, 31), and Bob Daniels (Ferris State, 27).

During his tenure, Vaughan has graduated 99 percent of his players and since 2002, his athletes have been named to the ECAC Hockey All-Academic Team 200 times.

The Raiders began the 2015-16 season being ranked in the top-20 of the USCHO.com Preseason Poll for the second straight year after a standout 2014-15 campaign. That year, the Raiders advanced to the ECAC Championship for the second straight season. Colgate was nationally ranked for majority of the year as it reached as high as No. 4 in both polls.

Vaughan had previously led Colgate to a highly successful 2013-14 season that featured the Raiders first NCAA Tournament berth in nine seasons by an at-large record of 20-14-5. Piloting a youthful lineup of 17 underclassmen, Colgate recorded eight victories against ranked teams, before ending the season at No. 13. The same year, Colgate claimed the Mariucci Classic title in Jan. 2014 when it recorded a shootout win against No. 1 Minnesota and a shutout of No. 2 Ferris State.

Vaughan's 15th season was a special one, as on Feb. 16, 2008, he became the school's all-time winningest coach as Colgate blanked Union 8-0. During the 2005-06 campaign, Vaughan continued to lead Colgate to new heights, as the Raiders captured their second ECAC Hockey Regular Season title in three years, and won 20-plus games for the third consecutive season, a first in program history. The year prior, Vaughan recorded the most wins in his tenure, as he led the Raiders to 25 victories and a berth in the 2005 NCAA Tournament.

AWARDS

Vaughan's effort in leading his team to 24 victories and a final ranking of No. 9 in the 1999-20 season earned him his first ECAC Coach of the Year accolade.

As the Raiders excelled to a second place finish in the ECAC in 2013-14, Vaughan was recognized as ECAC Hockey Coach of the Year for the second time in his career.

In 2004, Vaughan was presented with a Silver Puck Award for his work with the Raider hockey program, before being honored with a Maroon Citation for his service to the University. On Nov. 11, 2007, President of Colgate University Rebecca S. Chopp announced the creation of the Donald F. Vaughan Endowed Coaching Chair for Men's Ice Hockey.

OTHER ORGANIZATIONS

Vaughan stepped away from the ice during the 2003-04 academic year to serve as the university's interim athletics director, where five teams won conference championships, six coaches were honored as league coaches of the year, and the Raider football team advanced to the NCAA Division I-AA national championship game. Vaughan continues to serve Colgate in an administrative capacity as an assistant athletics director.

An active member of the American Hockey Coaches Association, Vaughan is a former chair of the group's Division I Committee, and previously a member of the NCAA Rules Committee from 1998-02. He currently serves on the NCAA Division I Men's Hockey Committee.

BEFORE COLGATE

Vaughan began his coaching career as a player/coach with the Enschede Lions of the Dutch Professional Hockey League from 1984-85, before returning to serve as a graduate assistant coach at St. Lawrence during 1985-86, where he specialized in coaching special teams, served as the recruiting coordinator, and as head coach of the junior varsity team. SLU earned a berth into the NCAA Tournament for the first time since Vaughan was a player.

Vaughan next went to Cornell, where they reached the ECAC Final Four both seasons he was with the program. His personal string of Final Four appearances extended to six as he completed his second stint as an assistant coach at St. Lawrence, where he earned his second ECAC Tournament Title and made his third trip to the NCAA Tournament.

A 1984 graduate of St. Lawrence, Vaughan played three seasons of varsity hockey for the Saints after earning All-America status in his only season at Canton College. While with the Saints, Vaughan tallied 41 goals and 49 assists for 90 points in 96 games as a center. In 1983, Vaughan and St. Lawrence earned an NCAA Tournament appearance and first-place finish in the ECAC's West Region. He graduated from St. Lawrence in 1984 with a bachelor's degree in economics, later earning a master's degree in general studies in 1987.
