SETTING THE SCENE

Colgate continues ACC action on Monday night when the Raiders face NC State at PNC Arena. The last time the Raiders were in Raleigh, they took the Wolfpack to the wire in a 77-74 decision (Nov. 13, 2021). There were 12 lead changes, including two in the final minute. Colgate is coming off a similar game at Syracuse, only this time Colgate couldn't cash in on the final possession of a hard-fought 74-72 loss to the Orange. This will be the third meeting between the two teams. NC State leads the series 2-0.

LAST GAME TAKEAWAYS

Colgate overcame a 13-point second-half deficit to tie the game at 72-72 before Syracuse made a contested layup for the final points of the game with 46 seconds left in regulation. The Raiders had three possessions down 74-72 but couldn't cash in. Jalen Cox starred on the court with a career-high 21 points to go with six rebounds and three assists.

PRESEASON FAVORITES

Colgate was picked first in the Patriot League preseason poll for the fourth consecutive year, receiving 14 of a possible 18 first-place votes. Head Coach Matt Langel is 13-for-13 in either tying or beating the preseason ranking but has an unfamiliar task this season, leading a team that does not return an All-Patriot League selection for the first time since the 2017-2018 season.

COLGATE PLAYER TO WATCH

Sophomore Jalen Cox emerged as a key role player in Colgate's championship run last season. He will need to be more of a scorer this season serving as the team's top point guard. Last season he averaged 4.2 points per game but showed glimpses of his impact when he drilled four treys and scored 14 of his 15 points in the second half of a comeback win over Bucknell in the PL semifinals.

RAIDER WEEKLY RUNDOWN

Colgate continues its tough road stretch to start the season. Monday's game is the third in a stretch of seven consecutive games away from home, which also features a three-game tournament at UNC-Wilmington during Thanksgiving break. Colgate does not return home again until a matchup with intrastate rival Cornell on Wednesday, Dec. 4.

ROSTER BREAKDOWN

Colgate's young team features nine underclassmen with four first years, five sophomores, two seniors and one fifth-year. The first years will look to have an early impact on the 2024-25 squad. Colgate returns two regular starters from last year's team, which does not include fifth-year center Woodward who has played in more than 100 games in his career.

WOODWARD FINDING RHYTHM

Fifth-year senior Jeff Woodward, who split time with All-League center Keegan Records for the past four years, returns this season as the team's primary center. He's playing nearly 30 minutes per game through three games this season, averaging 12.3 points, 6.3 rebounds, and 3.0 assists.

JALEN COX COMMANDING THE POINT

Sophomore Jalen Cox is filling the stats sheet early in his role as the starting point guard. Through the first three games of the season, Cox is averaging 13.3 points, 5.7 rebounds, 2.7 assists, and 2.3 steals per game. He is coming off a career-best performance against Syracuse, where he finished with 21 points, six rebounds, and three assists.

CHANDLER BAKER, THE THREE-POINT MAKER

Senior guard Chandler Baker scored 15 points on 4-of-9 from behind the arc at Syracuse on Tuesday. Baker, in his career, is knocking down three-point shots at a 42.4 percent clip, which would rank inside the Patriot League's top five all-time for career three-point field goal percentage.

WITH A WIN THE RAIDERS WOULD...

- ...have their first win over an ACC opponent since Nov. 15, 2022, at Syracuse (80-68)
- ...notch their first November true road win since Nov. 15, 2022, at Syracuse (80-68)
- ...record their first-ever victory over NC State, improving to 1-2 all-time against the Wolfpack

The last **six** Patriot League championship games have been played at Cotterell Court.

BACK, TO BACK, TO BACK, TO BACK CHAMPS

Colgate capped off its fourth consecutive Patriot League championship with a 74-55 victory over Lehigh. The Raiders' run of historic success continued with their seventh consecutive league championship game appearance (sixth straight championship game at home), fourth straight championship, and fifth title in six years.

The Raiders finished the season with 25 wins (25-10), which tied for the second most wins in program history and only one shy of the record set during the 2022-23 NCAA tournament team that finished 26-9 and set the Patriot League record with 17 league wins (17-1). Since 2018-19, Colgate has a remarkable 87-15 Patriot League record which has included five 20-win seasons - the program's only five such campaigns in their 124-year history.

Head Coach Matt Langel was named the Patriot League Coach of the Year for the fifth time in a seven-year span. Last year he became the only coach in Patriot League history to earn the award four times before repeating in 2023-24. Langel's five PL championships are the most of any men's basketball head coach in league history, and in his 14th season he has tied the PL record for the most tournament wins of any head coach (21). Colgate's seven Patriot League championships are the most by any team in the league. Five of them have come in the last six years under head coach Matt Langel, who is already the winning coach in program history.

Colgate has appeared in seven consecutive Patriot League championship games, hosted the last six Patriot League title games, reached the NCAA tournament five times since 2018-19 with with five Patriot League championships, five regular season titles, and five 20-win seasons. Before 2018-19 the Raiders had only reached the NCAA tournament twice ever, back-to-back years in the mid-90s, and they had never enjoyed a 20-win season.

Colgate's historic run started in 2018-19 when the Raiders won their first Patriot League title in 23 years by defeating Bucknell in the championship game, 94-80, on March 13, 2019. That was only the beginning of what has grown into one of the most respected stretches of success in the nation. Colgate's run of five consecutive NCAA tournament appearances ranks sixth nationally, tied with Baylor. The only programs with longer active NCAA tournament streaks include Kansas, Michigan State, Gonzaga, Purdue, Tennessee, and Houston.

PATRIOT LEAGUE LEADER

With five PL championships in six years Colgate has vaulted to the top of the league in total titles (7), surpassing Bucknell and Holy Cross who both have six. The Raiders have eight regular season championships, which only trails Bucknell's 13 for the most in the conference.

COLGATE HONORS LATE FACULTY LIASION

The Colgate men's basketball team honored its late faculty liaison, Ephraim Woods, with a 3-on-3 basketball tournament on campus for the campus community. Woods, who passed away in February 2023, was the program's long-time faculty liaison and lifelong basketball fan. The proceeds from the tournament raised awareness for the American Brain Tumor Association in his memory.

ABOUT COLGATE UNIVERSITY

Colgate is a distinctive, leading American university known for its intellectual rigor, world-class professors, campus of stunning beauty, and alumni famously loyal to their alma mater. Through its curriculum, the engagement of the faculty, and life on the campus, Colgate challenges students to be enlightened thinkers and prepares them to be global citizens who will thrive in life and in work.

ABOUT THE PATRIOT LEAGUE

The Patriot League is in its fourth decade of academic and athletic achievement, continually demonstrating that student-athlete can excel at both academics and athletics without sacrificing high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.

RAIDERS AMONG NATION'S BEST ACADEMICALLY

Colgate University student-athletes continue to set a national standard in the classroom, posting a 97 percent graduation success rate according to the new NCAA Graduation Success Rate (GSR) data. Colgate's 97 percent GSR remains a leader among its peers and ranks alongside contemporaries such as Stanford and Vanderbilt. Colgate was the only top 25 liberal arts institution in the 2023-24 NCAA tournament, according to U.S. News & World Report.

LUCKY NUMBER 13

Colgate considers 13 to be its lucky number. The University celebrates Colgate Day every Friday the 13th. In 1817, 13 men met in the frontier settlement of Hamilton, N.Y., to found the Baptist Education Society of the State of New York. They are said to have backed up their experiment in education with 13 dollars and 13 prayers, which is why 13 is considered a lucky number at Colgate. The 13 stripes as a graphic element pay homage to those student-athletes who have come before, and to those who earned their stripes competing for championships.
