LUCKY NUMBER 13

- Colgate was founded in 1819 by 13 men with 13 dollars and 13 prayers, who set down 13 articles for Colgate's constitution. The articles written for the Baptist Education Society of the State of New York have since transformed into Colgate University, but our penchant for the number 13 has endured.
- The University celebrates Colgate Day every Friday the 13th. Students, faculty, staff, alumni, and families around the world don their Colgate regalia and celebrate the university and its community.
