2008 UTECK BOWL PREVIEW

Western Ontario. Calgary. Laval. Saint Mary's. The final four in 2008 CIS football reads like a who's who of the Canadian collegiate football world, with 17 Vanier Cups between the four schools. Three of the four teams are back from the 2007 Bowl games, with the glaring exception of the Vanier Cup champion Manitoba Bisons, and taking their place as Canada West representatives are the Calgary Dinos – who haven't been in this position in 13 seasons.

The last trip to a Bowl game for Calgary was in 1995, when they defeated Ottawa in the Churchill Bowl at home en route to the Dinos' fourth Vanier Cup championship. The program then fell into a dozen years of playoff futility and a seven-game post-season losing streak. But after a renaissance in 2008 with a litany of 'first time since...' performances, the Dinos are back on the national stage, one win away from a trip to Hamilton for the Desjardins Vanier Cup.

After their first 4-0 home season since 1995, their first Top 10 ranking since 2004, their first road win over Manitoba since 1998, their first No. 4 ranking since 1998, and their first Presidents' Award nominee since 1985 in linebacker Andrea Bonaventura, the Dinos finished 5-3 and earned the right to host their first playoff game since 2002. Calgary snapped its playoff losing skid with a 24-18 win over Regina in the conference semifinal – its first playoff win since the '95 Vanier Cup – then defeated Simon Fraser 44-21 to claim the Hardy Cup for the 10th time.

The final hurdle on the Dinos' journey, however, will certainly be a difficult one. Calgary, the CIS powerhouse of the 1980s, meets Laval, this decade's team to beat. The unbeaten Rouge et Or have been ranked No. 1 in the national media poll every week this season, and they will most definitely be a formidable opponent for the Dinos in the 2008 Uteck Bowl on Sunday at PEPS Stadium in Quebec City (10 a.m. MT, The Score, RDS, The FAN 960).

Sunday's game will be the first-ever contest between the Dinos and the Rouge et Or, the first-ever playoff game in the province of Quebec, and the first-ever game against a Quebec-based team. Calgary did play teams from the old Ontario-Quebec conference in the past, but all three of those teams the Dinos have played – Carleton, Ottawa, and Queen's – hail from the province of Ontario, and all are now members of the OUA.

While the program does not have a history with Laval, head coach Blake Nill and fifth year defensive lineman Josh MacDonald certainly do. As head coach at Saint Mary's from 1998 through 2005, Nill faced Laval seven times, posting a 2-5 record. Two losses were in Vanier Cups (2003, 1999), but Nill's Huskies were successful in the only Bowl game they played against the Rouge et Or, winning the 2001 Atlantic Bowl 48-8 in Halifax.

MacDonald played for three seasons at Concordia University in Montreal (2003-05) before transferring to Calgary for the 2007 season. He also played two seasons of CEGEP for Vanier College in Montreal before joining the Stingers. Fellow defensive lineman Deji Oduwole, linebacker Andrea Bonaventura, and defensive back Steve Truzak did play a game in 2005 against Laval in interlock play, but that game was played at Huskies Stadium in Halifax.

Calgary enters the Uteck Bowl on a high after their best all-around performance of the season in a 44-21 victory over Simon Fraser in the Hardy Cup. Quarterback Deke Junior led an offensive explosion for the Dinos, who put up 535 yards of total offence. Junior went 22-for-28 for 325 yards in the win, tossing four touchdowns against a single interception. The game completed the comeback of Anthony Woodson, who missed most of the season with a rib injury, as he hauled in two passes for 71 yards and added 47 yards on the ground, scoring two touchdowns – one on the ground, one through the air. Woodson was cleared to fly this week and will be able to join the team charter to Quebec – saving him a cross-country train trip.

Woodson, Junior, and the rest of the Calgary offence have their work cut out for them against a Laval defence that gave up more than 13 points just once this season – last week in the Dunsmore Cup against Concordia. The Rouge et Or has given up a miniscule 8.4 points per game this season, finishing first in the nation in allowing just 255 yards offence per game. A veteran defensive line led by Étienne Légaré, the Quebec nominee for the J.P. Metras trophy as CIS lineman of the year, allowed just 69 yards per game along the ground. They will go head-to-head with Woodson and Matt Walter, the Canada West Hec Crighton nominee, in the ground game Sunday afternoon.

The Dinos' defence has been their bread and butter all season, and they will need to bring an A effort against a potent Laval offence that averaged more than 515 yards per game. Quarterback Benoit Groulx is the QUFL nominee for the Hec Crighton after amassing 2,385 yards and a spectacular 75.2 per cent completion rate – a new CIS record. Meanwhile, running back Sébastien Lévesque put up a new conference playoff mark with 268 yards on 19 carries last week against Concordia in the Dunsmore Cup. With Laval's high-octane offence, coupled with the 15,000+ fans expected at PEPS Stadium on Sunday, the Calgary defence will get a chance to prove what it has maintained all year – that it is national contender-calibre.

The winner of the Uteck Bowl takes on the winner of the Mitchell Bowl, featuring Saint Mary's at Western Ontario, in the Desjardins Vanier Cup on Saturday, Nov. 22 at Ivor Wynne Stadium in Hamilton, Ont.

2008 University of Calgary Dinos Football

COACHING STAFF**BLAKE NILL***HEAD COACH*

A new era of Dinos football began on February 23, 2006 when Blake Nill was appointed the fifth Head Coach in the school's history. An alumnus of the University of Calgary, Blake played football for the Dinos from 1980 through 1982 before turning professional with Montreal in 1983 after being selected 19th overall. He played in the CFL from 1983 through 1988 with Montreal, Hamilton and Winnipeg.

A native of Hanna, Alberta, Nill has 24 years of football experience as an athlete and as a coach.

Blake joined the Dinos after coaching at Saint Mary's University in Halifax, Nova Scotia. While coaching the Saint Mary's Huskies he posted a regular season record of 49 wins and 15 losses (77%) and post-season record of 12 wins and five losses (71%). During that time the Huskies were Vanier Cup Champions in 2001 and 2002 and were finalists on two other occasions. He coached the Huskies to a record six consecutive Atlantic University Sport Championships (1999-2004).

Nill won the Frank Tindall Trophy as Canadian Interuniversity Sport Coach of the Year in 1999 and was a finalist in 2000, 2001, and 2003.

He is actively involved in the Canadian University Football Coaches Association (CUFCA), serving as President since December 2004. Blake was instrumental in the implementation of the interlocking schedule between the AUS and the Quebec Conference.

Blake started his coaching career in August 1992 as the Defensive Coordinator for St. Francis Xavier, a position he held until joining Saint Mary's in February 1998. From April 1990 through July 1992 Nill served as a youth care worker in Montreal and Calgary, with the Shawbridge Youth Centre and the Alberta Solicitor General respectively.

Nill took undergraduate courses at the University of Calgary in both Physical Education and Economics graduating with Bachelor of Arts degree from Concordia University in 1989. He graduated from St. Francis Xavier University with a Bachelor of Science and a Masters of Education. In addition, Blake has attained his Level III National Coaching Certification (NCCP).

Blake served as a guest coach with the Calgary Stampeders in 1997 and 1998, the Ottawa Renegades in 2002 and 2003, and the Edmonton Eskimos in 2007. In addition he served as a member of the coaching staff for the Canadian Under-19 team at the Global World Football Challenge held in conjunction with Super Bowl XLI in Florida this past January. He led a young Dinos team to a 2-6 record in his first season at the helm in Calgary, highlighted by a CIS Rookie of the Year nod for standout quarterback Dalin Tollestrup, and posted a 4-4 record his second year, leading the Dinos back to the playoffs.

He is married to wife Maura McGowan and they have two children, Taylor – a receiver for the Dinos in 2008 – and Bryce.

Stevens joined St. Francis Xavier University in Antigonish, Nova Scotia in 1986 as an assistant coach, becoming head coach in 1992 and serving in that position for ten years. He coached the X-Men to a Vanier Cup appearance in 1996, losing to Saskatchewan. In 1997 he was named CIS Coach of the Year and was 3M Coach of the Year. He was named Atlantic University Sport Coach of the Year in 1994 and 1997 and on three occasions coached the X-Men to the AUS final. He also served as President of the Canadian University Football Coaches Association (CUFCA) for two years.

During his tenure at St. Francis Xavier he served as both offensive coordinator and defensive coordinator.

In addition to his varsity coaching experience, John has been a Guest Coach at both the Saskatchewan Roughriders and Calgary Stampeders training camps. He has completed his National Coaching Certification Program (NCCP) Level IV Certification.

A native of Quincy, Massachusetts, John graduated with a Bachelor of Arts degree in physical education in 1979 from Acadia University. He was a three-time AUS all-star defensive lineman. In 1979 he was Atlantic Bowl MVP and a member of Acadia's Vanier Cup championship team.

John was a member of the coaching staff for the CIS East-West Bowl for the West team in 2004, 2005, and 2007. In August 2008, John was a guest coach at the Indianapolis Colts' NFL training camp.

Stevens and his wife Poly have two daughters, Kristyn and Jessica.

**GREG VAVRA***OFFENSIVE COORDINATOR*

A graduate of the University of Calgary with two degrees, a Bachelor of Commerce and Bachelor of Law, Greg returned to the coaching staff last season after a year away.

Vavra brings an impressive list of football credentials. He quarterbacked the Dinos to their first Vanier Cup in 1983 and became the first University of Calgary player to win the Hec Crighton Trophy as the Most Outstanding Player in Canadian college football. He was the Canada West all-star quarterback from 1980 to 1983 and was the All-Canadian quarterback in 1983.

Vavra is the school's all-time leading passer and the only member of the Dinos' football team to have his number retired (#17). He was also inducted into the school's Athletic Hall of Fame in the inaugural induction in 1996.

After graduating from the University of Calgary, Greg played in the Canadian Football League for five seasons with the Calgary Stampeders, Edmonton Eskimos, and British Columbia Lions before retiring to pursue his law degree and enter the private sector in the oil and gas industry.

Greg is currently employed in the oil and gas industry in Calgary. He is active in the Dinos Fifth Quarter Alumni Association and enters his fifth season as part of the coaching staff.
