Game Day Services

An athletic trainer will be present for all NCAA sponsored home events. A team physician will be present for all high risk and moderate risk (AMCIA) home events in Men's Basketball, Women's Basketball, Football, Men's Soccer, Women's Soccer, Lacrosse, Acrobatics & Tumbling and Volleyball. A physician will be on call for all low risk (AMCIA) including Bowling, Rowing, Swimming and Diving, Triathlon, Golf, Men's and Women's Track and Field/ Cross Country, and Men's and Women's Tennis. Should you need any special physician or other medical services prior to the event, please coordinate with your sport athletic trainer in advance. EMS will be on site or on call as per A10 and NCAA rules for all home sponsored games.

Emergency Action Plan: Arthur J. Rooney Field and Keller Field House

Address: 1123 Bluff Street, Pittsburgh, PA 15282

GPS Coordinates: 40.43817, -79.992422

Lightning/Severe weather safety location: Mellon Hall, Towers Hall, College Hall

- **Lightning/Severe weather safety location**

- **EMS Arrival**

Receiving Facility:

UPMC Mercy
1400 Locust St
Pittsburgh, PA 15219
412-232-7893 (ER)

Roles of Emergency Personnel

1. First Responder provides immediate care of the injured athlete
 - a. Evaluate level of consciousness
 - b. Evaluate Cardiorespiratory status via checking CAB's
 - c. Maintain C-Spine neutral alignment if a head/neck injury is suspected
 - d. Control any excessive bleeding by direct pressure
 - e. Determine what emergency equipment is required for situation
2. Activation of EAP and additional medical personnel. Call Duquesne Police: **412-396-COPS (2677)**
3. Emergency equipment retrieval
4. Direct an individual to meet, or "flag down" arriving EMS at **EMS Arrival location**

Venue Directions

Arthur J. Rooney Athletic Field and Keller Fieldhouse are located on Bluff Street. Upon entering campus on Bluff Street, the Rooney athletic field and fieldhouse will be on the right hand side. EMS access is at **EMS Arrival location** on the map.

Emergency Personnel

In the event of a medical emergency, first responders (FR) may include physicians, athletic trainers, athletic training students, coaches, athletic department staff, campus police, and/or EMS depending on the situation. The FR should be the most medically trained person and the individual directing care during the emergency situation. In most cases, the FR will be the athletic trainer.
