# ANNUAL REPORT
## 2018-19

A total of 85 TCU student-athletes earned their degrees during the 2018-19 season.

# DEAR HORNED FROGS FANS,

We have so much to be excited for as we enter the new year. However, before we look ahead, this is a great time to reflect back on the past athletics season.

As this annual report will illustrate, 2018-19 was a flagship year for TCU Athletics with some noteworthy accomplishments and your support made it all possible. Between teams and individuals, we took great pride in winning five national championships and eight Big 12 Conference titles. We begin with Head Coach Karen Monez and her rifle program capturing a third national championship. In addition to the overall title, we were also NCAA smallbore champions while Kristen Hemphill and Elizabeth Marsh won individual titles in air rifle and smallbore, respectively. We then closed the year in style as Chengetayi "Du" Mapaya won the triple jump national title at the NCAA Men's Outdoor Track and Field Championships.

We had 18 of our 21 sports represented in postseason play. We also had 11 programs ranked nationally in the top 25. Among our sport highlights, soccer made its third consecutive NCAA Tournament appearance and won its first postseason match in program history. Men's tennis advanced to the NCAA Elite Eight, while Alex Rybakov reached the semifinals in singles. Men's golf made its 30th consecutive postseason trip and earned its third top 15 finish in the last five years. We also had another bowl win in football and our men's and women's basketball programs reached the semifinals of the NIT and WNIT, respectively.

Thank you for helping us accomplish one of Head Men's Basketball Coach Jamie Dixon's goals when he returned to his alma mater – a season-ticket sellout! Your passion for the Horned Frogs was also evident when we hosted ESPN's College GameDay for a second straight year. There's a reason ESPN chose to return to TCU and make history with its first show on a campus setting for a neutral-site game.

Our success in competition was mirrored in the classroom. A favorite day of the year for me is always commencement, and we saw 85 current and former student-athletes walk across the stage and shake Chancellor Boschini's hand as TCU graduates. On the day before graduation, we held a stoling ceremony and reception in which each individual received their student-athlete stole. We had 227 student-athletes named to the Spring 2019 Big 12 Commissioner's Honor Roll for recording a grade-point average of at least 3.0. We also had the Big 12 Scholar-Athletes of the Year in men's and women's golf with Hayden Springer and Annika Clark. Hayden was also the Big 12 individual champion.

Finally, one of our proudest moments in 2018-19 was partnering with TCU graduate, Trustee and Pro Football Hall of Famer LaDainian Tomlinson in the creation of The Tomlinson Student-Athlete Development Endowment Fund. In alignment with TCU's Vision in Action: Lead On strategic plan, the fund supports student-athletes from all 21 of TCU's sports programs to help prepare them for their lives and careers after graduation. Like all endowed funds, it will grow in value every year and provide more support in perpetuity. The Tomlinson Student-Athlete Development Endowment Fund shows LaDainian's focus on our current student-athletes being successful long after their time on campus.

On behalf of our coaches, staff and most importantly more than 500 student-athletes, we can't thank you enough for your support of TCU.

Go Frogs!

The Vapor Prime jerseys feature reflective twill outlined numbers and letters and laser perforated holes along the back of the jerseys and pants. ## BEACH VOLLEYBALL COURTS

TCU's Beach Volleyball courts went through a rebranding with padding around the perimeter and added graphics throughout the facility. The Horned Frogs won eight home matches, the most in program history.

## DIAMOND CREEK RANCH

TCU Equestrian has a new home in Diamond Creek Ranch, located less than 20 miles south of the TCU campus. The facility features a covered riding area and an outdoor Western arena, both with spectator seating, as well as 44 covered stalls for the program's horses.

# AMON G. CARTER STADIUM EXPANSION

With 22 luxury suites, 48 loge boxes, over 1,000 club seats, the $100 million premium seating expansion will be completed in time for the 2020 football season. New to Amon G. Carter Stadium in 2019 will be a new LED video board in the north end zone which will be 53 feet wider and 18 feet taller than the previous version.

On Feb. 11, 7,356 fans filled Schollmaier Arena on Big Monday to see the TCU take on No. 14 ranked Kansas. TCU recorded an average attendance of 6,562 during the regular season and sold out of its allotted 4,868 men's basketball season tickets, a program record.

The TCU Showgirls were once again featured on the national stage as TCU hosted ESPN's College Gameday for the third season. The Showgirls' uniform features custom design boots from Justin Boots Co. in Fort Worth and is one of five dance teams with a display in the College Football Hall of Fame.
