Inside the Trip to the Big Dance

- TCU is making its fourth NCAA Tournament appearance and first since 2016. The jaunt to Madison marks TCU's sixth postseason trip.
- The Horned Frogs were one-of-five Big 12 teams to receive NCAA Tournament berths.
- Jason Williams joined Jill Kramer as one-of-two first-year head coaches to guide TCU to the NCAA Tournament in their inaugural year at the helm.
- TCU is 2-3 all-time in the NCAA Tournament. The Horned Frogs achieve Round of 64 wins over Rice in 2009 and Wichita State in 2016.
- TCU is riding its first-ever five-match Big 12 winning streak into Madison. A total of 35 days have passed since TCU last lost on the court, marking their longest uninterrupted stretch of days without a loss in program history. TCU has won eight of its last 10 contests.
- TCU and Washington have never met on the volleyball court. The teams are nearly identical in the NCAA RPI. UW boasts the No. 37 ranking while TCU checked in at No. 39 following the final regular season update.
- Should they meet on Saturday, the Horned Frogs and Badgers will be no strangers to each other. TCU and Wisconsin have opened the 2021 and 2022 regular seasons opposite one another as a part of the Big Ten/Big 12 Challenge.

Frog Focus

- After being tabbed to place seventh in the Big 12 Volleyball Preseason Poll, TCU finished third outright in the Big 12 standings for the first time in 11 years of conference membership. The Horned Frogs also set a program record for most Big 12 wins in a season (11).
- TCU enjoyed the largest win improvement of any Power Five conference program in 2022. The Horned Frogs were the only team across the Power Five ranks to double their overall win total and quintuple their conference victories from 2021. TCU's nine-win improvement in conference play was also the best of any program in the 64-team NCAA Tournament field.
- TCU finished undefeated at home in conference play for the first time ever. TCU joined No. 1 Texas as one of only two teams to emerge from their 2022 Big 12 home slate unblemished.
- The Horned Frogs concluded the regular season ranked second only to the Longhorns in the Big 12 in assists per set (12.49) and opponent hitting percentage (.202). TCU also finished among their conference peers third in kills per set (13.23) and service aces per set (1.36).
- TCU is no stranger to comeback success. Eight of the Horned Frogs first 11 victories came in come-from-behind fashion, three of which were reverse sweeps. The Horned Frogs are 6-0 in five-set affairs.
- Williams' debut schedule undoubtedly leant an assist to TCU's RPI and postseason prospects. TCU played 17 of its 25 matches against teams ranked in both the top-100 of the AVCA Division I Ranked Teams List and NCAA RPI.
- The Horned Frogs arrive in the Badger State having won four of their last five road contests.
- Audrey Nalls has led TCU in kills in 17 of its last 19 outings. TCU is 7-1 when the 6-2 outside hitter exceeds 20 kills. She concluded Big 12 play as the conference's leader in kills (266), kills per set (4.36), points (293) and points per set (4.80).
- TCU switched to a 5-1 rotation and inserted Sabrina Sustala at libero ahead of its match vs. Iowa State on Sept. 24. TCU went on to win 11 of its final 14 matches following the schematic and personnel change.
- Callie Williams leads TCU with 12 double-doubles. TCU is 10-2 when she posts a double-double and 11-1 when she dishes out 40-plus assists.

JUST TCU, PLEASE

Though the TCU Department of Intercollegiate Athletics is a proud and integral part of Texas Christian University, it desires to be recognized simply as TCU (acronym only) Athletics. Ditto regarding references to its sports teams: TCU volleyball, TCU basketball, TCU football, etc.

In all sports-related media references, we respectfully request that the university's teams be identified with an appropriate appellation—TCU. In subsequent references of the same presentation the team may be referred to by nickname - Horned Frogs. A shorter version of the nickname, Frogs, is acceptable in later usage.

THE BEST FIRST-YEAR COACH IN PROGRAM HISTORY

Jason Williams has already made good on his promise to take TCU volleyball heights it has never seen just 11 months into his TCU tenure.

-He led TCU to its first NCAA Tournament appearance since 2016 and fourth in the program's 27-year history.

-TCU finished third outright in the Big 12 Conference for the first time ever.

-The Horned Frogs set a program record for Big 12 wins.

-Williams guided TCU to its first winning record both overall and in conference play for the first time since 2015

-Williams is the first head coach in program history to win 10-or-more conference matches and notch a top-three finish in conference play in his first year on the job.

-The Horned Frogs' 10 home victories are the most in a season with a first-year head coach at the helm.

-Williams also guided TCU to a 7-0 home record in Big 12 play, marking the Horned Frogs first undefeated Big 12 home record

-With Williams at the helm, TCU drew 24,629 spectators to Schollmaier Arena across 13 home dates, marking the second-highest cumulative single-season attendance figure in program history.

-The Horned Frogs concluded the regular season with the No. 39 ranking in the NCAA RPI, their highest-ever mark.

-Williams produced two postseason All-Big 12 award recipients, which are tied for the most in a season in TCU's 11 years of Big 12 membership. Audrey Nalls and Callie Williams garnered All-Big 12 first team accolades.

-TCU played 18 of its 26 matches on Williams' inaugural schedule opposite teams ranked in the top-100 of the AVCA Division I Ranked Teams List and NCAA RPI

-The Horned Frogs notched 12 victories over teams who spent multiple weeks ranked in the top-100 of the NCAA RPI. Under Williams' leadership, TCU obtained seven victories over teams who have been featured in the top-70 of the rankings for multiple weeks (Baylor, Kansas, Texas Tech x2, Iowa State, K-State x2).

-Williams led TCU to a program-changing victory over then-No. 10 Baylor on Nov. 12. TCU took down the Bears in four sets, signifying the program's first victory over a ranked opponent in six years and third all-time.

AUDREY NALLS, CALLIE WILLIAMS NAMED TO ALL-BIG-12 FIRST TEAM

Nalls was one of five unanimous selections.

Williams was one of three setters to receive the recognition. She is the first setter in TCU's Big 12 era to nab postseason all-conference honors.

Tuesday's announcement marks the first time since 2018 that TCU has produced multiple All-Big 12 First Team honorees. Nalls and Williams joined Yvonne Igodan (2013), Natalie Gower (2016), elan McCall (2018) and Anna Walsh (2018) as one of six players in program history to be recognized across the All-Big 12 First Team landscape.

Nalls notched a conference-leading eight performances with 20-or-more kills, seven of which came at the expense of Big 12 opposition. TCU went 6-1 in conference play when Nalls exceeded the threshold.

Nalls sits nine kills shy of reaching 400 for the season ahead of TCU's match vs. No. 25 Washington on Friday in the first round of the NCAA Tournament. Should Nalls land kill No. 400 against the Huskies, she will become the eighth player in program history and first since 2011 to hit the milestone.

She is averaging 3.8 kills per set as TCU readies for its return trip to the Big Dance. Her kill per set average will rank sixth on TCU's individual single season records list once the Horned Frogs' postseason run concludes.

Williams strung together 10 consecutive double-doubles — all of which came in Big 12 play — from Oct. 8-Nov. 19, helping the Horned Frogs to an 8-2 record in that span.

The Horned Frogs went 11-1 in the regular season when Williams dished out 40-plus assists and were 10-2 when she achieved a double-double.

Williams finished second in Big 12 play in total assists with 623. Her 10.21 assist-per-set average was fourth-best among all setters. She also ranked 10th in the Big 12 in digs per set (2.69).

Williams will become TCU's first Big 12 setter to record 1,000 assists in a season should she land 35 more in the Horned Frogs' first round match vs. Washington.

AUDREY NALLS MAKES HISTORY AS FOUR-TIME BIG 12 OFFENSIVE PLAYER OF THE WEEK HONOREE

Audrey Nalls continues to imprint her name on both the TCU and Big 12 record books ahead of the NCAA Tournament.

Nalls was tabbed Big 12 Offensive Player of the Week for the fourth time this fall on Tuesday.

She became the lone player in 2022 and just the ninth in Big 12 history to receive the honor four times in a season.

A senior from Waxahachie, Texas, Nalls received the recognition for the week of Nov. 21-27. She guided TCU to a sweep of Oklahoma in the Horned Frogs' regular season finale on Nov. 26, tallying 18 points behind 12 kills, five service aces and a block. Nalls led all players in points, kills and service aces. Nalls' five service aces matched her career high.

Nalls, 6-2, proved invaluable in staking TCU to a 1-0 match lead. She landed six kills and four service aces in the opening frame. The Horned Frogs used a 9-0 run — their largest of the season — to transform a 15-12 deficit into a four-point lead and eventual 25-22 set win. Nalls accounted for five of TCU's points during its decisive run, landing three kills and a pair of aces. She closed the match by landing three kills apiece in sets two and three.

Nalls' performance on Saturday marked the 18th time she has led TCU in kills and points this season. She has led the Horned Frogs in both categories in 17 of the team's last 19 outings.

Her effort in the Sooner State further erased any doubt as to who the top offensive player in Big 12 play was in 2022. Nalls closed conference play ranked No. 1 in kills (266), kills per set (4.36), points (293) and points per set (4.80). Her 266 kills were 53 more than any player.

Earlier in November, Nalls earned the distinction of being the first player in program history to receive multiple sets of weekly Big 12 accolades in a season. She was crowned Big 12 Offensive Player of the Week for Sept. 19-25, Oct. 3-9 and Nov. 7-13.

TCU also joined No. 1 Texas as one of just two programs to garner Big 12 Offensive Player of the Week honors on five separate occasions. Callie Williams claimed the crown for Oct. 31-Nov. 6, meaning that Tuesday's announcement signifies the third time in the last four weeks the award has made the short drive west to Fort Worth.

ACROSS THE NCAA RPI

TCU's rise up the NCAA RPI undoubtedly leant an assist in its return to the NCAA Tournament:

- TCU checked in at No. 81 in the first set of rankings on Oct. 3 and has risen 41 spots over the last seven weeks.

- The Horned Frogs jumped 17 spots to No. 64 on Oct. 10 after squaring off with No. 1 Texas and defeating then-No. 35 Texas Tech in four sets. TCU climbed to No. 58 on Oct. 17 following its split in the Sunflower State against Kansas and Kansas State. The Horned Frogs inched two spots ahead to No. 56 on Oct. 23 after taking down Oklahoma 3-1 two days prior.

- TCU moved up six more spots to No. 50 on Oct. 30 after taking down then-No. 21 Kansas and squaring off with No. 27 Iowa State during the week of Oct. 24-30.

- The Horned Frogs held steady at No. 50 with its four-set win over then-No. 48 Texas Tech on Nov. 5 in Lubbock.

- The Horned Frogs made their most significant leap in the rankings on Nov. 14, jumping from No. 50 to No. 40 and into the NCAA Tournament picture with their four-set takedown of then-No. 13 Baylor on Nov. 12.

- The Horned Frogs inched further ahead during the final week of the regular season, moving from No. 40 to No. 39 on the strength of their sweep of Oklahoma on Nov. 26 in Norman.

- TCU is the fifth-highest ranked Big 12 team at No. 39, behind only No. 1 Texas, No. 16 Baylor, No. 28 Kansas and No. 31 Iowa State.

- The Horned Frogs' No. 39 overall ranking is the highest in program history.

- Seventeen of TCU's 26 matches came against teams currently ranked in the top-100 of the NCAA RPI, six of which came against teams featured in the top-25 (Texas, Minnesota, Wisconsin, Kansas x2, Baylor x2) in the latest update.

- TCU owns seven victories over teams who have been featured in the top-70 of the rankings for multiple weeks (Baylor, Kansas, Texas Tech x2, Iowa State, K-State x2).

- Six of TCU's 11 nonconference opponents were featured in the top-100 of the rankings as of Nov. 26 (Wisconsin, Minnesota, Texas A&M, Texas State, NC State, Indiana).

NICHOLS-AND-DIMING THE OPPOSITION

Setter **McKenzie Nichols** has already solidified her place among the all-time greats at her position in program history and is in the process of adding additional layers to her legacy. Nichols is 340 assists shy of reaching 3,000 career assists. She ranks fifth in assists in TCU's program record book (2,663) as her senior year nears its conclusion. Nichols will become just the fifth player in school history to reach 3,000 career assists should she utilize the NCAA's COVID-19 eligibility waiver in 2023 and accomplish the milestone. The Southlake, Texas native returned from a two-week injury absence in style on Sept. 16 vs. Alabama, finishing with 16 assists and 11 digs to register her 25th career double-double in purple and white. Nichols is also one 30-plus assist match away from having 50 such performances in her four-year run in Fort Worth. Her 68 assists vs. Tarleton on March 18, 2021 were an individual match record in TCU's Big 12 era.

CALLIE WILLIAMS CROWNED BIG 12 OFFENSIVE PLAYER OF THE WEEK ON NOV. 8

Callie Williams took home weekly Big 12 accolades for the first time in her six-year college career when she was named Big 12 Offensive Player of the Week on Nov. 8.

Williams was the catalyst behind the Horned Frogs' 3-1 rout of Texas Tech on Nov. 5. She assisted on 60 of TCU's season-high 70 kills — the most in a four-set match by any Big 12 team in 2022 — while passing at a .435 clip.

With Williams orchestrating TCU's 5-1 offensive rotation, the Horned Frogs connected at a .311 hitting percentage and finished with an 81-58 edge in points. Williams came one assist shy of matching her career high (81), which she attained in TCU's four set triumph over the Red Raiders on Oct. 8.

She tallied 10 digs to notch her seventh straight double-double and ninth-of-12 this fall.

1,000 "ADAMS-BOMBS" IN DFW

Senior **Julia Adams** entered rarefied TCU Volleyball air in set four of TCU's 3-2 victory at Kansas State on Oct. 13, becoming the 12th player in school history and second in the Horned Frogs' Big 12 era to reach 1,000 career kills. She is the first player since 2016 to reach the mark. Adams landed 20 kills on a season-best .410 hitting percentage in her milestone match and help TCU earn the victory.

- Adams is in sole possession of eighth on TCU's individual career records list in career kills (1,082).
- She moved from 11th to 10th on TCU's individual career records list in the category with a 10-kill effort on Nov. 12 to help TCU knock off No. 10 Baylor.
- Adams tallied five kills in TCU's 3-1 defeat of K-State on Nov. 19 to force a tie with Ashley Smith (2013-2016) for ninth on TCU's individual career records list.
- The Plano, Texas native snapped a gridlock for ninth with a nine-kill effort in Norman in TCU's sweep of the Sooners on Nov. 26.
- She reached 300 kills for the first time in a single season in TCU's victory at West Virginia on Nov. 16.
- The 6-3 middle blocker landed 285 kills in 2021 and has led TCU in the category the last two seasons. Adams currently ranks second on the 2022 squad in kills with 316.
- Adams is likely to continue climbing TCU's career kills list. The four-year letter winner has expressed her intent to utilize the NCAA eligibility waiver granted to student athletes during the truncated 2020-21 season and return for a fifth tour of duty in 2023.

VICTORY-LAPPING THE BIG 12

Callie Williams was coaxed out of "retirement" in July by Jason Williams, her father and TCU volleyball head coach, for one final tour of duty in Fort Worth. The 5-8 setter has proven invaluable in helping foster a competitive culture change within the program and is enjoying statistically the best season of her six-year collegiate career.

- On Nov. 28, Williams earned the distinction of being the first setter to ever receive postseason All-Big 12 credentials.
- On Nov. 8, she became the first setter on record to receive Big 12 Offensive Player of the Week honors for TCU
- Williams joined Nichols in the 2,000-assist club during the first set of TCU's 3-1 win over Alabama on Sept. 16.
- She dished out her 2,500th career dime at Texas Tech on Nov. 5. It was her first of 60 assists in the four-set win.
- Williams boasts 2,702 career assists ahead of her fifth trip to the NCAA Tournament.
- Her 965 assists have well-surpassed her previous cumulative season-high (599), which she attained at Baylor in 2019.
- Williams is on pace to become the first player in TCU's Big 12 era to dish out 1,000 assists in a single season
- Her assist per set average would rank ninth in single-season history for TCU if the season were to conclude today
- She leads TCU with 12 double-doubles, 10 of which have correlated with Horned Frog victories
- Williams' 253 digs are tops on the team.
- Williams dished out a career-high 61 assists — the most in a match by any Big 12 player this season — in TCU's four-set win against Texas Tech on Oct. 8. She nearly matched the mark in the Horned Frogs' second go-around vs. the Red Raiders four weeks later, assisting on 60 of TCU's season-high 70 kills in a 3-1 win.
- TCU has won 11 straight matches when Williams finishes with 40-or-more assists
- Williams' 632 assists were the third-most in the Big 12 in conference-only

matches. She ranked fourth in assists per set (10.19).

BIG MYK

The 2022 season cemented **Mykayla Myers'** name on multiple sections of TCU's program record book.

- Myers currently leads the team in hitting percentage among qualified players. She can become the first player Horned Frog since Anna Vaughn (2003-2006) to lead TCU in hitting percentage in three straight seasons should she finish the 2022 season atop TCU's cumulative season stats sheet.
- Ahead of Friday's match, the 6-0 senior owns a .310 hitting percentage, tops on the squad among qualified players.
- Myers landed a season-high 13 kills against a .667 clip - the best hitting percentage in a match among qualified players - at Iowa State on Oct. 28
- She posted the 10th-best single-game hitting percentage in school history when she connected at a .714 clip with 10 kills in TCU's four-set win over Western Carolina on Sept. 8
- Myers has recorded 10 total blocks on three separate occasions since 2021. She can ascend into a tie for second alongside teammate Madi Cole on TCU's individual match records list should she increase her single-game career high to 12.
- TCU is 4-1 when Myers lands seven-or-more blocks
- The Horned Frogs are 8-4 when Myers connects at-or-above a .350 hitting percentage
- Prior to 2021, Myers became the first Horned Frog to eclipse triple figures in blocks since 2017 when she stuffed 105 attacks. Her 1.11 blocks per set average was good enough for 10th in school history.

LOCKING DOWN LIBERO

TCU has identified two possible replacements for Dani Dennison, the program's school record holder for digs (1,611), at libero in freshman **Keagan Polk** and senior **Sabrina Sustala**.

Polk started 13 straight matches, including an exhibition vs. College of Charleston on Aug. 19, at the position to begin the year

- Polk, 5-8, tallied 15 digs vs. two top-five foes in Wisconsin and Minnesota in her first collegiate matches on Aug. 26-27.
- She then notched consecutive double-digit dig performances vs. Coastal Carolina and Memphis on Sept. 2-3, finishing with 15 and 24 digs, respectively, in the twin bill.
- Polk's 132 digs are fifth on the squad
- Polk's 15-dig effort at No. 15 Baylor was her sixth double-digit dig performance of the fall

Sustala has proven invaluable as a defensive and serving specialist for TCU this fall

- She has earned the starting nod at libero in TCU's last 14 matches.
- TCU is 11-3 with Sustala donning the libero jersey
- Sustala has reached double figures in digs in eight of TCU's last 13 outings
- Her 20-dig effort at Texas Tech on Nov. 5 marked her seventh time reaching double figures in the category this season
- Sustala matched her career-high in digs (20) vs. the Red Raiders. She reached the 20-dig threshold for the second time this fall at Iowa State on Oct. 28.
- Sustala led TCU with 20 digs in its five-set triumph over WVU on Sept. 29. The performance was five-days removed from an 11-dig effort in TCU's victory over Iowa State.
- Playing as TCU's primary three-row defender vs. Indiana on Sept. 9, Sustala notched 18 digs while passing at a .263 clip.
- One day prior, she earned her first career start in purple and white against Western Carolina. She rewarded the coaching staff's confidence by leading TCU in digs for the first time in her career with 14.

THANK YOU, SMILEY

Senior outside hitter **Afedo "Smiley" Manyang** was lost for the season following TCU's match at Kansas on Oct. 12 due to a lingering knee injury she sustained during the 2021 season.

Manyang underwent successful surgery during the week of Oct. 17-23 and is on track to make a full recovery.

The Fort Worth native battled through persistent knee pain to appear in 13 of TCU's first 18 matches. She tallied 27 kills and 14 total blocks in 36 sets played.

Manyang, who arrived at TCU in 2019 from Everman HS, concludes her tenure in purple and white with 503 kills, 19 total blocks and 85 digs. She played in 258 sets across 78 career matches, earning 42 starts.

SAY HELLO TO SYLVESTER

With TCU trailing 1-0 vs. Memphis on Sept. 3, head coach Jason Williams pivoted to middle blocker **Sarah Sylvester** in search of a spark at the net. He inserted the 6-3 freshman into TCU's starting six. Since that moment, the Livonia, Michigan native has put together one of the top defensive seasons TCU has borne witness to by a freshman middle blocker.

At present, Sylvester is on track to finish the 2022 campaign with the best single-season hitting percentage and blocks per set average by a freshman in school history

Her cumulative hitting percentage (.349) would rank seventh on TCU's individual career records list while her 1.13 blocks per set average is on track to finish as the ninth-best individual single-season mark in school history

Sylvester's debut season in purple and white has featured a number of highlights:

- She finished her collegiate debut vs. Memphis with six kills and five blocks
- Following the contest, Williams rode with Sylvester in full, starting her at middle blocker opposite MyKayla Myers later that evening vs. Texas A&M. She tallied six more kills on a team-high .455 hitting clip to pair with three blocks.
- Subsequently, Sylvester earned the starting nod in six consecutive matches
- Sylvester ranks fourth on TCU in total blocks (42) despite only playing in 14 of the Horned Frogs' 23 matches
- She currently ranks eighth and leads all Big 12 freshman in blocks per set (1.13)
- Sylvester hit at-or-above .333 in each of her first four matches played
- The Michigan native recorded a season-high nine rejections as a part of TCU's 18.5-block effort in a 3-1 win against Alabama on Sept. 16. Sylvester also tallied seven kills on a career-best .600 hitting clip
- Sylvester has stuffed five-or-more spikes four times
- She landed a career-high eight kills in TCU's four-set win over Western Carolina on Sept. 8
- Sylvester secured match point in a four-set win against Texas Tech on Oct. 8 with her 39th block of the fall
- Sylvester hit .600 for the second time in her career in TCU's five-set win at Kansas State on Oct. 15
- With TCU trailing 12-11 in the fifth set of its 3-2 win at West Virginia on Nov. 16 Sylvester notched back-to-back blocks off the bench to give the Horned Frogs the lead for good. TCU went on to win the fifth set 15-13.

ANTHEM FOR THE UNDERDOG

Fourth-year junior **Madi Cole** has overcome multiple scoliosis and other health challenges since she was age-13 to become one of the top defensive

middle blockers in the Big 12.

She was featured in an "Inspired Underdogs" video story by Clearcover in June. TCU Athletic Communications also authored a 500-word feature on Cole's recovery in September. Check out the full Inspired Underdogs interview at Clearcover.com and visit GoFrogs.com to read more about Cole's story.

WELCOME BACK, TAY

6-0 junior **Taylor Raiola** recorded the eighth double-double of her TCU career with an 11-dig, 10-kill five-block effort vs. Iowa State on Sept. 24 in her first full match played following a month-long injury absence.

Raiola earned the starting nod in TCU's home victories over Iowa State and West Virginia.

The Horned Frogs are 5-1 when Raiola plays at least three sets.

She chipped in 10 digs off the bench in TCU's four-set triumph at Texas Tech on Nov. 5.

DON'T MESS WITH TEXAS

The Dallas-Fort Worth Metroplex and state of Texas at large is arguably the most fertile volleyball recruiting ground in the country, and first-year head coach Jason Williams has made retaining the region's top prep prospects a priority since day one. The Horned Frogs' 2022 roster composition and returning production reflects the imperative.

- 84 percent of the roster (16-19) calls the Lone Star State home
- Of the 16 Horned Frogs referenced above, nine hail from the DFW area
- Eight of the 10 members of Williams' inaugural recruiting class prepped at a TX UIL high school
- Three of TCU's top-four returners in career kills — Julia Adams, Audrey Nalls, Afedo Manyang and MyKayla Myers — are DFW residents.
- The quartet accounted for exactly two-thirds of TCU's total kills (803-1,191) in 2021
- TCU's returning leaders in kills (Adams — Plano, TX), hitting percentage and blocks (Myers — Coppell, TX), assists and aces (McKenzie Nichols — Southlake, TX), and digs (Cecily Bramschreiber — Lucas, TX) are all from the Metroplex
- Among the newcomers, second-year freshman and libero Keagan Polk joins Nichols as one-of-two Southlake Carroll HS Dragons-turned-TCU Horned Frogs

CHAMPIONSHIP PEDIGREES COME TO COWTOWN

A trio of freshmen in Williams' inaugural recruiting class cemented their legacies as being among the indisputable best to ever suit up for their high schools by guiding their teams to state titles in 2021.

San Antonio natives Jalyn Gibson and Carlee Pharris memorably led Brandeis High School to its first-ever TX UIL 6A Volleyball State Championship in November. With the tandem leading the way, the Broncos concluded the fall with a 47-2 overall record and finished No. 3 overall in the PrepVolleyball.com National HS Rankings. Both players were the epitome of stat sheet stuffers. Gibson concluded her senior campaign with 737 digs, 641 kills, 64 blocks and 44 aces. Pharris' swan song in the Alamo City was every bit as impressive, as she totaled 1,261 assists, 361 digs, 73 aces and 63 blocks.

Up north, 6-1 middle blocker Sarah Sylvester steered Marian High School to Michigan High School Activities Association Volleyball State Championships from 2020-2021 and the No. 2 overall mark in the PrepVolleyball.com National HS Rankings

ACROSS THE PRESEASON AWARDS AND ACCOLADES SPECTRUM

The Horned Frogs cleaned up their fair share of All-Tournament accolades during nonconference play. Five players - Julia Adams, Cecily Bramschreiber, Madi Cole, Zoe Hall and Keagan Polk - received All-Tournament recognition at least once.

- Julia Adams earned back-to-back-to-back sets of All-Tournament honors at the Big 10/Big 12 Challenge, "Fight in the Fort" and the Horned Frog Invitational. Adams led TCU with 19 kills vs. Texas A&M and averaged 14 per match during "Fight in the Fort". She led all players with 17 in the Horned Frogs' win over the Chanticleers. Facing two top-five programs in Minnesota and Wisconsin, Adams amassed a combined 22 kills over the two-day Big 10/Big 12 Challenge. She led all players with 13 kills vs. No. 3 Wisconsin on Friday and landed a team-high nine vs. the Golden Gophers. She amassed 48 kills over the Horned Frog Invitational and hit over .300 in all three matches.

- Cole was named Best Defender following the Horned Frog Invitational as voted on by opposing head coaches.

- Hall joined Adams and Cole in garnering All-Tournament credentials for the Horned Frog Invitational

- Bramschreiber picked up her first career set of All-Tournament recognition following "Fight in the Fort." She nearly recorded her first double-double vs. Texas A&M with a nine-kill, nine-dig effort and amassed 40 kills over the three-match affair.

- Polk's All-Tournament honor from "Fight in the Fort" was well-deserved. The second-year freshman posted consecutive double-digit dig performances for the first time in her career vs. Coastal Carolina and Memphis.

A NEW ERA AND VISION FOR TCU VOLLEYBALL

TCU Director for Intercollegiate Athletics Jeremiah Donati tabbed Jason Williams as the fourth head coach in TCU volleyball history on Dec. 20, 2021. Williams arrived in Fort Worth following a seven-year run at Big 12 rival Baylor. The Plano, Texas native climbed the ranks from volunteer assistant in 2015 to full-time assistant in 2016 and then associate head coach in 2020.

"Jason is a perfect fit for TCU and Fort Worth," Donati said during Williams' introductory press conference.

Williams' credentials certainly support the sentiment.

- His last six years in Waco saw the Lady Bears post six consecutive 20-win seasons

- Baylor made three straight Sweet 16 appearances in the NCAA Tournament, including a memorable run to the Final Four in 2019, in Williams' final three years as an assistant coach

- He was instrumental in helping Baylor enjoy by far its best season in school history in 2019. With Williams serving as associate head coach, the Lady Bears posted a 29-2 overall record, held the top spot in the AVCA Poll for six weeks and earned the No. 1 overall seed in the Big Dance for the first time in school history.

- The veteran coach knows a thing or two about developing the top amateur volleyball talent in the country. While at Baylor, Williams coached six players at Baylor to All-America honors, including 2019 AVCA National Player of the Year and five-time All-American Yossiana Pressley. He has also been an assistant coach and scout for the USA National Team Development Program.

- Williams feels right at home in Fort Worth. Before making the move to the collegiate coaching ranks, he was among the most successful club volleyball coaches in the Lone Star State and nationally. In the 10 years prior to his time in Waco, Williams led his club teams to annual top-20 national rankings with eight of those squads in the top 10. In 2014, Williams' 16s team won the AAU National Championship and the JVA World Challenge. He led three teams to the finals of the USA Junior National Championships in the open division and five top-five finishes. Williams also had four teams finish in the top 10 of the final year-end national rankings on PrepVolleyball.com.

TCU EARNS PROGRAM-CHANGING WIN OVER NO. 10 BAYLOR

TCU very well may have punched its ticket to the Big Dance with its upset win over Baylor on Nov. 12, perhaps signaling a changing of the guard across the Big 12 landscape in the process.

- The 10th-ranked Bears were the third-highest-ranked team TCU has ever defeated.

- TCU earned its first ranked win in six years and third victory over an AVCA top-10 opponent in program history. The Horned Frogs' other top-10 wins came against No. 2 Texas on Oct. 28, 2015, and No. 8 North Carolina on Sept. 17, 2017.

- Nearly six years had passed since TCU last took out Baylor prior to the result. Prior to the upset, TCU's most recent win over the Bears was Nov. 16, 2016.

- The Horned Frogs garnered their first win over a team featured in the top-20 of the NCAA RPI in seven years with the result. Baylor was ranked 13th ahead of the match. TCU jumped from No. 50 to No. 40 in the rankings with the win.

TCU SWEEPS SEASON SERIES VS. TEXAS TECH

The volleyball iteration of the Saddle Trophy is firmly in possession of TCU following the Horned Frogs' season sweep of the Red Raiders — its first since 2016 — on Nov. 5 in Lubbock.

TCU downed its west Texas rival in four sets, 25-15, 27-29, 25-16, 27-25, in lopsided fashion.

TCU hammered home a season-high 70 kills on .311 hitting — the same clip it connected at vs. the Red Raiders in October — while matching its season-bests in digs (70) and assists (68). The Horned Frogs outscored the Red Raiders 81-58. The 23-point margin of victory was TCU's second-largest of the 2022 season.

On the other side of the net, Texas Tech had nothing to offer the Horned Frogs. TCU stifled the Red Raiders to 48 kills — their fewest in a four-set match this season — against a .143 hitting percentage. The Horned Frogs held Texas Tech to nine kills and under .100 hitting in sets one and three.

The dominant effort was made even more gratifying by the fact that TCU bussted to Lubbock shorthanded. The Horned Frogs were just days removed from a flu outbreak that forced the cancellation of their match vs. No. 1 Texas on Nov. 2.

Four players finished with 10-or-more kills for the first time this season.

Audrey Nalls again proved to be Texas Tech's bogeyman. She led all players with 20 kills to run her season total against the Red Raiders to 46. Nalls, who leads the Big 12 in total kills, total points and kills per set, now has seven matches with 20-plus kills this fall.

Zoe Hall and Julia Adams each laced home 15 kills of their own. They were the most efficient players on the court. Hall committed just one error on 21 swings to notch a .667 hitting percentage. The sophomore's kill tally and hitting percentage both were career-highs. Adams hit .333 — her 10th match hitting .300-or-better in 2022.

Jalyn Gibson earned her fifth consecutive start at outside hitter and contributed 12 kills to the tune of .391 hitting. TCU is 4-1 since inserting the freshman into its starting rotation.

Callie Williams assisted on 60 of TCU's kills. The performance marked her second 60-plus assist of the match this fall, both of which have come at the expense of Texas Tech.

Williams also contributed 10 digs to post her seventh straight double-double and ninth of the fall.

She was one of four players to finish in double figures in digs. Libero Sabrina Sustala finished with a match-leading 20. McKenzie Nichols pitched in 13 while Taylor Raiola had 10 of her own.

TCU used a 9-1 run to begin the match to separate from the Red Raiders in set one.

The Horned Frogs closed set three on a 7-0 run.

In set four, TCU led 19-13 only for Texas Tech to regain the lead 22-21. Following a 23-23 tie, TCU scored four of the match's final six points to ride out of the desert on a positive note.

ALL THEY ARE IS DUST IN THE WIND

TCU's latest reverse sweep - a 3-2 stunner over Kansas on Oct. 26 inside Schollmaier Arena - was perhaps the most thrilling of the Horned Frogs' litany of comeback wins this fall.

The Horned Frogs matched the 2015 squad for best start to Big 12 play in school history with the result.

The comeback was without question a boon to the Horned Frogs' prospects of securing the program's first at-large bid to the NCAA Tournament since 2016. Kansas entered the game ranked No. 21 in the NCAA RPI. Four of the Horned Frogs' last five wins have come against teams featured in the top-70 of the rankings.

Any thoughts of the Big Dance, though, were far from the collective conscience through the first two sets. Kansas never trailed in either set, landing a combined 25 kills on .444 hitting.

But in set three, TCU regained control of the net and from there, turned the match on its ear. The Horned Frogs lit up the Jayhawks for 37 kills against just four errors for a combined .458 hitting percentage over the final three frames. TCU also notched eight blocks, helping limit the Jayhawks to just eight kills per set and two blocks total.

Audrey Nalls again proved to be the most dominant outside hitter on the court, leading all players with 22 kills. The performance marked her sixth 20-plus kill match of the season. TCU is now 5-1 when Nalls, a two-time recipient of Big 12 Offensive Player of the Week accolades, exceeds 20 kills.

Nalls had a partner in crime. Before the match, head coach Jason Williams implored the Horned Frogs outside hitters to take control of the pins. Freshman Jalyn Gibson delivered on the imperative.

She finished with a career-best 15 kills — more than any other Jayhawk — against a .367 hitting clip. Gibson also led all players with seven blocks. The San Antonio native has started TCU's last three matches at outside hitter, averaging 10.7 kills per contest in that stretch.

Callie Williams fed both players all evening. She dished out a match-high 46 assists to pair with a team-best 13 digs to notch her fifth straight double-double and seventh of the fall.

HIGH MARKS ON THE MIDTERM REPORT CARD

TCU carried its first 5-3 start to Big 12 play in seven years into the halfway point of the 2022 campaign with its four-set victory over Oklahoma on Oct. 21.

The Horned Frogs eased past the Sooners in set scores of 25-23, 25-19, 19-25, 25-17.

TCU also obtained its first 4-0 start to its home conference schedule in more than a decade. The Horned Frogs last won four straight conference home games in 2009 — the year of the program's first NCAA Tournament appearance.

The Horned Frogs finished with a 57-42 advantage in kills and also held the cumulative edge in assists (56-39) and digs (52-38).

Defensively, TCU stifled the Sooners (11-9, 1-7 Big 12) to a season-worst .153 hitting percentage. TCU held the Sooners to less than 10 kills and under .100 hitting in sets two and four.

Whereas the Oklahoma attack waned throughout the afternoon, TCU ratcheted up its offensive efficiency as the match progressed. The Horned Frogs hit .303 over the final two frames. TCU also passed at a season-best clip of .463.

Audrey Nalls landed 10 of her match-high 16 kills in sets three and four. The two-time Big 12 Offensive Player of the Week also finished with 12 digs to post her fifth double-double of the fall.

Callie Williams joined Nalls on the double-double wagon to continue her torrid October. Williams paired a match-best 45 assists with 12 digs. She has recorded four consecutive double-doubles and leads the team with six.

Sabrina Sustala donned the libero jersey for the seventh consecutive match and led TCU in digs with 13.

TAKING A BITE OUT OF THE LITTLE APPLE

TCU's five-set thriller over Kansas State on Oct. 15 featured a handful of individual and collective high points:

- TCU was superior in every facet of the game. The Horned Frogs had a 67-48 advantage in kills—39 of which came in sets three through five. TCU also finished with the edge in digs (66-50) and assists (62-43)
- Audrey Nalls led all players with 24 kills. She landed seven in a third frame that saw TCU find open court 16 times and hit .560 — by far its best clip in a set in 2022. Nalls accounted for six of TCU's nine strikes in set five
- Fellow senior Julia Adams had 20 kills of her own, with 13 coming in the final two sets. The fourth frame was particularly memorable for Adams, as she recorded her 1,000th career kill midway through the set to stake TCU to a 13-9 lead. Adams became the 12th player in program history and just the second in TCU's Big 12 era to achieve the milestone
- Callie Williams fed the two outside hitters all night, as she tallied a match-high 57 assists and 20 digs to record her third straight double-double and fifth of the fall
- Sabrina Sustala joined Williams in double figures for digs with 13 — her fifth double-digit dig effort of the season
- TCU matched its largest margin of victory in a set this season in the fifth-and-final frame. The Horned Frogs held Kansas State to just one kill on 16 swings for a .188 hitting percentage. On the other side of the net, TCU took advantage of a tight bunch block to find open court with regularity, racking up nine kills while going a perfect 6-6 on side out plays
- McKenzie Nichols landed consecutive aces in sets four and five to punctuate a pair of decisive 7-0 runs
- The Horned Frogs embodied Williams' "Frog Fast" offensive ideology in set three. TCU racked up 16 kills — all of which were assisted on — and registered a .760 side out percentage

OPERATION: RAIDER DOWN

TCU treated the second-largest crowd in program history (3,129 fans) to a signature victory on Oct. 8.

The Horned Frogs defeated Texas Tech for the first time in two years via a four-set offensive blitz, 26-24, 26-24, 22-25, 29-27.

The Horned Frogs lit up the Red Raiders (13-4, 2-2 Big 12) to the tune of 69 kills — 68 of which were assisted on — against a .311 hitting percentage. All three figures were season-highs. Collectively, TCU passed at a .456 clip — also a season-best. TCU outscored Texas Tech 87.5-67.

Audrey Nalls landed a career-high 26 kills, nine of which came in the decisive fourth set, on .300 hitting.

Julia Adams was every bit as good. She notched 20 kills while hitting .326.

Callie Williams dished out 61 assists — her most in a match in her five-year collegiate career and the most by any Big 12 player this fall — to pair with 10 digs, three blocks and three kills.

- MyKayla Myers concluded the match with eight kills against a .333 hitting percentage

- Williams gave freshmen Jalyn Gibson and Gabi Maas their first career starts. Gibson rewarded the first-year head coach's confidence, landing five kills on a .375 hitting clip

- The win gave TCU its first win in the Sunflower State since a 2018 triumph over the Wildcats in Manhattan

ZOE ZINGS THE MOUNTAINEERS BACK TO MORGANTOWN

Zoe Hall helped lead TCU to a five-set win over West Virginia on Sept. 29 behind her best career performance in purple and white.

- She notched career-highs in points (15.5), kills (11), hitting percentage (.429) and total blocks (seven) to help TCU stage a comeback win over West Virginia on Thursday
- Hall led all players in hitting percentage and blocks
- She played as both an outside hitter and middle blocker throughout the match
- The sophomore landed four of her team-high five blocks in set four to help turn the tide defensively in the match. WVU held a 9-5 edge in blocks through the first three sets. TCU finished the match with a 15-13 advantage in blocks.
- Hall is now averaging 10.3 kills per match vs. the Mountaineers for her career following the performance

FROGS CLAIM SHARE OF NC STATE CLASSIC TOURNAMENT TITLE

TCU claimed its first team accolade of the fall in the Tar Heel State after posting a 2-1 mark at the NC State Classic on Sept. 8-9.

- The Horned Frogs earned a share of the tournament title, splitting the honor with the host Wolf Pack
- The result signified the first tournament victory in the Jason Williams era
- TCU set a number of early-season statistical highs in its 3-1 victory over Western Carolina to begin the tournament. The Horned Frogs registered a season-high 13 blocks to pair with season-bests in kills (62) and hitting percentage (.307). It marked the first time this fall the Horned Frogs averaged more than three blocks per set, eclipsed 60 kills and hit over .300.
- Match two vs. Indiana saw the Horned Frogs' mettle tested in full. TCU appeared poised to sweep the Hoosiers back to Bloomington after claiming the first two sets in scores of 26-24 and 25-20. The Hoosiers then rallied to extend the match to a decisive fifth set, claiming the third and fourth frames 27-25 and 25-11B.
- TCU scored six of the final eight points to claim set five 15-13 against Indiana after trailing by three points as late as 12-9 in the frame.
- The win vs. the Hoosiers was TCU's first victory over a Big Ten opponent in 11 years. It was also TCU's first nonconference triumph over a Power Five foe since a five-set victory over Auburn on Sept. 15, 2019.

NALLS KNUCKLES DOWN IN NORTH CAROLINA

Without question, the Horned Frogs success at the NC State Classic does not materialize without one of the program's best offensive performances in the Big 12 era by Audrey Nalls against Indiana.

- The four-year senior finished with 28 points and 25 kills - both of which were career-highs - along with 13 digs vs. Indiana. Nalls' 25 kills are the most in a match by any Big 12 player three weeks into the 2022 campaign.
- Her 25 kills are tied for second in single-match history in TCU's Big 12 era
- She also racked up 13 digs vs. the Hoosiers to record her first double-double of the fall and sixth of her career
- For the weekend, Nalls tallied 49 kills and 33 digs

NEWCOMERS LEAD THE "FIGHT"

A handful of new faces maximized extended playing time during TCU's "Fight in the Fort" nonconference tournament on Sept. 2-3.

- Fellow freshman Riley Weigelt reached double figures in digs for the first time vs. Memphis, as she tallied 10 while appearing in all four sets

- Texas A&M transfer Sabrina Sustala showed out vs. her former squad, as the defensive specialist landed two service aces vs. the Aggies. Sustala also posted a TCU career-high in digs (nine) in the Horned Frogs victory over Coastal Carolina
- Williams amassed 124 digs over three matches
- Polk tallied 41 digs en route to All-Tournament honors

STARTING OFF A NEW ERA IN STYLE

- The Horned Frogs could not have scripted their unofficial 2022 debut - and the start of the Jason Williams era - any better.
- TCU swept C of C in an exhibition match at TD Arena on Aug. 19 in set scores of 25-18, 25-22 and 25-11
- The Horned Frogs led by as many as 14 points in the contest while never trailing
- All 18 players who dressed entered the contest
- The Horned Frogs utilized a 5-1 formation to statistical success, as they led the match in nearly every statistical category, including kills, blocks, assists, digs and service aces
- The victory pushed TCU's all-time mark - including exhibition affairs - vs. Colonial Athletic Association squads to 8-1 and increased its all-time edge vs. C of C to 2-0

TCU ANNOUNCES "SCALED TO SUCCEED" NIL PROGRAM

- TCU Athletics announced its comprehensive name, image, likeness (NIL) program, which includes a unique partnership with the TCU Neeley School of Business Institute for Entrepreneurship and Innovation.
- The program called "Scaled to Succeed" is comprised of two main pillars: TCU's partnership with Opendorse and its Ready program and the new "Neeley NIL" offering.
- Neeley NIL will be conveniently located in the Moncrief Club in the south end zone of Amon G. Carter Stadium, and feature athlete-centered workshops that are voluntary, flexible on the student-athletes' schedule and 100 percent NIL focused.
- Content offered focuses on brand management, contract management, business formation, opportunity recognition, taxation and legal information as well as financial literacy.
- A summer course is offered with 3-hour class credits that count towards an entrepreneurship minor, as well as virtual workshops to best accommodate student-athletes.
- TCU has partnered with Opendorse since 2016 and announced its commitment to the Opendorse Ready NIL solution in August of 2020.
- The Ready program, which is located on the Opendorse app for all student-athletes, is a four-pronged approach: Understand, Build, Protect and Monetize.
- By joining forces with one of the nation's top business schools and the continuing partnership with Opendorse, TCU is providing the tools of brand activation, protection, education and innovation to help its student-athletes take their brands to the next level and optimize earning potential.

ATTENDANCE FACTS AND FIGURES

SHOWING OUT IN SCHOLLMAIER ARENA

It has not taken long for the Frog faithful to embrace a move over to Ed and Rae Schollmaier Arena. TCU has drawn four of its six largest crowds in program history since crossing the street to 'Scholl, which underwent a \$72 million renovation in 2015-2016, last fall.

Four of TCU's seven highest-attended matches in the 26-year history of the program have come in 2022. The Horned Frogs set an attendance record when 4,012 spectators packed the 'Scholl for a five-set thriller vs. Baylor on Nov. 13, 2021. The 2022 rematch of the contest on Nov. 12 drew 3,236 spectators to signify the second-largest crowd in TCU volleyball history. TCU nearly matched the attendance mark five weeks prior when a total of 3,129 fans packed the purple seats on Oct. 8 vs. Texas Tech. The Horned Frogs' 2022 season-opener saw 2,431 fans - the sixth-most in program history - support the Horned Frogs as they battled reigning NCAA Volleyball Champion Wisconsin on Aug. 26. TCU's match vs. No. 5 Minnesota on Aug. 27 was the seventh highest-attended match in program history (2,427 fans).

FAREWELL TO RICKEL GYM

TCU Volleyball officially outgrew its former home inside the Univeristy Recreation Center after 24 seasons of competition. The Horned Frogs sold out the stadium in every regular season home match in 2019, leading to the move over to Schollmaier Arena during the 2020-2021 season.

The Rickel held an official capacity of 1,250, yet TCU packed over 2,000 fans into the arena 17 times from 2011-2019. By contrast, Schollmaier Arena seats 6,800.

In its final season at the Rickel, TCU set an attendance record with four Big 12 matches eclipsing 2,000 fans, setting an overall attendance record with 26,672.
