NOTING THE HORNED FROGS

- TCU enters the final game of the 2026 regular season with an interim head coach in defensive coordinator **Andy Avalos**. Avalos replaces Sonny Dykes who led the Frogs for the past four-plus seasons (2022-26).
- Avalos arrived to coordinate the Frog defense for the 2024 season and has delivered consistent growth on that side of the football.
- Prior to arriving in Fort Worth, he spent two-plus seasons as the head coach at his alma mater, Boise State, where he posted a 22-14 record including an appearance in the 2022 Mountain West championship game.
- In year three under Avalos, the Horned Frog defense has been elite. The unit currently leads the Big 12 in **Scoring Defense** (17.3). Through 11 games, TCU's defense has allowed just **190 points**, the fewest by a TCU defense through 11 games since the 2017 Frogs allowed just 166 points.
- Quarterback **Jaden Craig** arrived in Fort Worth over the spring and **started 10 games** for the Frogs after a record setting career at Harvard. With the Crimson, he became the most accomplished quarterback in program history and left Cambridge with multiple **school records**.
- Last week, due to injury, sophomore quarterback **Adam Schobel** replaced Craig as the starter against No. 2 Utah. The Schobel legacy is strong at TCU. Father - Matt - and uncles Aaron and Bo all played for TCU in the early 2000s. **John Schobel,** Aaron's son, is Adam's cousin and a regular contributor on the defensive line this season.
- The Horned Frogs also have a new offensive play caller in **Gordon Sammis**. For the past two seasons, Sammis ran the offense at UConn, helping the Huskies post consecutive nine-win seasons for the first time in program history while **producing one of the nation's most efficient and explosive offenses**. During that span, UConn achieved the program's first-ever 3,000-yard passer, 1,000-yard receiver and 1,000-yard rusher in the same season.
- This season, TCU's offense has had a highly efficient tight end room, setting a program record for **receiving yards (863)** and **receptions (73)** and second in **touchdown receptions (8)**.

NOTING THE GAME

- The Frogs close out the regular season one game shy of bowl eligibilty at Texas Tech. It will be the 68th all-time meeting between the two schools in the **Battle for the Saddle** game that dates back to 1926.
- A victory would mean TCU has been bowl eligible 11 of the past 15 years.
- The saddle trophy returned to the game - previously the West Texas Championship - in 2017 after doing away in the early 1970s.
- Since the saddle trophy returned, the Frogs have won it in six of eight meetings.
- TCU was last led by an interim head coach at the conclusion of the 2021 season when Jerry Kill followed Gary Patterson. Kill led the Frogs through two games including a memorable upset over #12 Baylor in his first game.

TIGHT END PRODUCTIVITY

TCU has had a high level of productivity from its tight ends in the past three seasons, and their role has only increased under offensive coordinator Gordon Sammis. The Horned Frogs tight end group last year was in the top three of three major stat categories for the program since 1996.

This season has seen even more productivity from the TCU tight end room, with the unit in the top three of three major stat cateogries for the program through just seven games. Kari Ashley has shined in his first season as a Frog, putting up 668 yards and four touchdowns to lead the unit. Ka'Morreun Pimpton has posted 178 yards and four scores.

THE BUZZ

" The Horned Frogs thought they found something special in Craig when Josh Hoover transferred to Indiana. But sources have told On3 that TCU has walked away even more impressed with the Harvard transfer after the opening weeks of camp. Described as a "talented passer," TCU feels confidence in its quarterback ahead of a Week 0 matchup in Dublin versus North Carolina. Craig is Harvard's all-time leader in touchdown passes (52) and yards (6,074)." - *Pete Nakos (On3)*

"Small-college QB with big-college arm talent. Craig is built like Trey Lance but a tad shorter. Outstanding dual-threat athlete with three Ivy League championships in three years. He possesses tremendous arm strength and excellent mobility both in and outside the pocket. He can make all the throws and is confident in letting it rip. We love his demeanor and instincts. He's highly competitive and knows he's good. Craig gets the ball out of his hand quickly and with zip. He has made improvements in full-field progressions through his career and has Baker Mayfield-type gunslinger traits." - *Tom Luginbill (ESPN)*

"Jaden Craig is an upgrade: The Horned Frogs brought in the high-quality transfer from Harvard, and early reports out of camp have been positive. During a standout run with the Crimson, Craig threw for 6,074 yards and 52 touchdowns while averaging 8.5 yards per attempt. In TCU's pass-happy offense under Sonny Dykes, Craig could quickly prove himself as one of the best in the conference." - *Shehan Jeyarajah (CBS)*

TRADITIONS AT TCU

Whether it's throwing up a peace sign and curving your fingers, chanting along with Riff Ram, or just hanging out in Funky Town, TCU is home to a number of unique traditions and rivalries

» A PEACE SIGN, BUT FUNKIER

Cheerleader Chad Schrotel '82 helped our gesture of unity catch on with the crowds in 1980. Appropriately, it's like a peace sign with slightly curled fingers, symbolizing the horns of our tiny, mighty mascot, the horned frog.

» WON'T YOU TAKE ME TO FUNKY TOWN?

Since the 1980s, denizens of Fort Worth have leaned into calling their home **Funky Town**. The nickname stems from the popular 1980s song "Funkytown" by Lipps Inc. and the promotion of the city by the local soul radio station KKDA (K-104) as a place to "get down" and "get funky".

"Gotta make a move to a town that's right for me
Town to keep me movin', keep me groovin' with some energy "

Sounds like Fort Worth to us.

» THE FROG FOUNTAIN

Situated at the center of campus commons, one of the most popular landmarks on campus is Frog Fountain. The fountain features four lily pads that are positioned to be different heights that signifies the flow of knowledge from our seniors (represented by the tallest lily pad) all the way to our first-years (the shortest lily pad).

» RAISE HELL, PRAISE DALE!

What was, during our membership in the league, the oldest cheer in the Southwest conference, **Riff Ram** is over 100 years old and frequently chanted by students and fans on game day at TCU.

Riff, Ram, Bah Zoo

Lickety, Lickety, Zoo, Zoo

Who, Wah, Wah, Who

Give 'em Hell, TCU!

Riff Ram could have faded away had it not been for the efforts of alumni cheerleaders to revive the yell. **Dale Young** '66 (MA '68), the former director of student teaching and career services for the College of Education who retired in 2013, was instrumental in reviving the cheer.

"For awhile, cheerleaders didn't even do it, they thought it was beneath their dignity," according to Young, who cheered for TCU in the 1960s and later served as the squad adviser. "But back in 1975, they let alumni cheerleaders come back, and we kept it alive."

» THE FROG HORN

Every home game, every time the Horned Frogs scored a touchdown, there it is.

Hhwaaaaaaaaaah!

The Frog Horn - a gift from Burlington Northern Railroad - was unveiled in 1994 and signals to everyone in the Metroplex that the Horned Frogs just put six on the board.

THE FUTURE

TCU's 2025 recruiting class was No. 1 in the Big 12 by 247Sports.com for the first time in program history. Boasting six four-star and 25 three-star recruits, the class figures to be a high-impact group for years to come.

ALL IN

With the settlement of the House v. NCAA class-action lawsuit, TCU has announced that it will fully participate at the maximum level in the permissible revenue sharing plan with its student-athletes.

THE GIFT

In August 2024, Sonny Dykes and his wife Kate made a $1 million donation to TCU Athletics which was split between honoring former TCU offensive lineman Jamal Powell with his name in the weight room in the new Mike and Brenda Harrison Football Performance Center as well as recognizing Shirley Enis, late wife of TCU Trustee Hunter Enis, with an endowment in her name to support women's athletics at TCU.

Powell was a three-year letterman (2000-02) for the Horned Frogs, earning First-Team All-Conference USA honors his senior year. He then began a collegiate coaching career with Dykes hiring Powell as his offensive line coach at SMU in 2018. They worked together for three years until Powell's passing in April 2021 at the age of 39.

THE STREAK

TCU is currently riding the **second-longest scoring streak in NCAA history**, having scored in 432 consecutive games. Only Florida has a longer streak.

STEPPING UP

In defensive coordinator **Andy Avalos'** first season with the Frogs (2024), TCU enjoyed a defensive revival of sorts, allowing 62.7 fewer yards in 2024 than in 2023. It represented the **18th largest margin of improvement** in the country last season and second largest improvement among Big 12 schools (BYU).

It was also the first time since 2020 that TCU posted a top-50 defensive ranking. The success continued in 2025, as TCU posted consecutive seasons holding opponents under 400 yards per game for the first time since the 2019-20 seasons.

The Frogs have kept it rolling in 2026, currently allowing just 304.4 yards per game which ranks 22nd in the nation.

Year	Yards Per Game Allowed (Rank)
2020	350.9 (30)

THE TURNOVER STORY

Since 2022, TCU is **33-5** when ahead or even in turnover margin and **8-18** when on the negative side.

TCU is also **7-0 when generating three or more turnovers** since 2022, those games being wins over North Carolina, Colorado, and Baylor in 2025, Oklahoma State and Cincinnati in 2024, and Iowa State (2022) and the 2022 College Football Playoff victory against Michigan.

Since joining the Big 12, TCU is **92-25 when ahead (60-12) or even (32-13)** in turnover margin and **23-49** when on the negative side.

LET KARI COOK

In his first season at TCU, Tight End Kari Ashley has exceled, posting numbers that put him as one of the best tight ends in college football.

AMONG POWER FOUR TIGHT ENDS

PFF Receiving Grade	3rd (85.3)
Yards	1st (697)
Yards per Route Run	3rd (11.4 - *min. 50 rec.*)
1st Downs	2nd (32)
Yards after Catch	1st (409)

CAN COUNT ON CHANCE

Punter John Hoyet Chance - who also handles kickoffs - has been a weapon for TCU this fall.

His 91.4 PFF grade is No. 2 in the Power 4, and he's doing it on the back of incredible control.

28 of his 52 (53.8%) punt attempts have been downed inside the 20-yard line - the second-highest rate in the country (Everitt, Iowa, 58.1%)

FAMILIAR FACES IN AND OUT

TCU's offense is tasked with replacing **146 combined starts** at skill positions, but returns Cade Bennett (33) and Ben Taylor-Whitfield (23) to anchor the offensive line with experience.

Defensively, the Horned Frogs return **97 combined starts**, led by Jamel Johnson (24). The major loss defensively was at the linebacker position, as Kaleb Elarms-Orr (23) and Namdi Obiazor (39) went to the NFL.

Notes and TIDBITS

DEPENDABLE DWYER

Jordan Dwyer has 12 100-yard receiving games in his collegiate career (six at Idaho, six at TCU). Only one active FBS player has more.

SPREADING AROUND THE ROCK

TCU - regardless of quarterback - has been kind with the ball, getting the rock to six different receivers in **47 consecutive games,** between the game at Kansas on Nov. 20, 2021 and the Baylor game in 2025. The streak was snapped against Baylor as only five receivers caught a pass in the victory.

MAKING THE JUMP

Quarterbacks like **Jaden Craig** to have dominant FCS campaigns and then move to an FBS program the following season have fared well over the past 30 years.

There have been five quarterbacks, including Craig, to post 25-plus passing touchdowns and a 150.0-or-better quarterback rating at their FCS school who then moved up to the FBS.

Quarterback	FCS	FBS
Shedeur Sanders	'22 Jackson St.	'23 Colorado
Cam Ward	'21 UIW	'22 Wazzu
Dakota Prukop	'15 Montana State	'16 Oregon
Vernon Adams Jr.	'14 E. Washington	'15 Oregon

These four players combined to average a 66.2 completion percentage, 2580 pass yards, 21 passing touchdowns and a 149.3 QB rating in the first year after the FCS to FBS transition. Sanders, Ward, and Adams Jr. all finished within the Top 35 in FBS in passing touchdowns that first season.

SAMMIS SIDENOTES

UConn's offense saw an impressive uptick in production following Gordon Sammis' arrival in Storrs, running the offensive line his first two seasons (2022-23) and coordinating the offense in his final two (2024-25). TCU will look for a similar transition here in Fort Worth.

» Since 2022, among schools with at least 1,500 pass attempts, the Huskies' 60 sacks allowed were the second fewest behind Oregon (50).

» Was one of six FBS teams to allow no more than 20 sacks in any of the last four seasons (Air Force, Army, BYU, Kansas, Northern Illinois)

» One of only seven FBS teams to have 1000+ more passing yards last season than in 2024. One of only two schools to do it with the same quarterback – along with Vanderbilt and Diego Pavia.

PREP TIME

TCU is **12-4 since 2022** when they have ample time to prepare for an opponent. Below is a breakdown of games that included at least one extra week of preparation.

BIG PLAY FROGS

TCU has consistently dialed up big plays in conference play, ranking among the nation's best in **big plays and big play touchdowns** since 2022 (P4 only).

School	Plays	School	TDs
USC	241	Arizona	58
Kansas	240	Oregon	57
Oregon	238	Texas	57
Texas	224	**TCU**	**54**
TCU	**221**	Duke	54

The success relating to big plays was not limited to the offense, as TCU's defense did a very good job last season preventing explosive runs. The Horned Frogs **allowed just 3.0 percent of runs** to go for 15-plus yards, which was the fourth-fewest in the FBS behind Georgia, Notre Dame and Texas Tech.

POINTS FOR PUPS

During the 2026 season, the TCU football specialists will donate to the **Humane Society of North Texas**

» **$5** for every point
» **$10** for every touchback
» **$15** for every field goal
» **$20** for every downed punt inside the 20.

So far this season, the unit has donated **$1,140** and counting.

The CARTER

AMON G. CARTER STADIUM

Capacity: 46,000

The 2012 season opener against Grambling State marked the re-opening of TCU's Amon G. Carter Stadium after a $164 million rebuild to the site completely funded through donor support.

On Aug. 16, 2010, TCU announced an initial $105 million renovation of the west side and north end zone of Amon G. Carter Stadium to better enhance the football fan experience, upgrade amenities and transform the historic Fort Worth icon into the "Camden Yards" of collegiate football stadiums. With the addition of the east side renovation one year later, the total cost of the project rose to $164 million.

Construction began immediately following TCU's final 2010 home game versus San Diego State on Nov. 13, 2010. The historic south tower structure was first removed prior to the implosion of the iconic west side upper deck of the stadium during the morning of Dec. 5, 2010. Following construction, Amon G. Carter Stadium's seating capacity stood at 45,000.

TCU began examining the possibility of renovating its football stadium in 2006 when Luther King, chairman of TCU's Board of Trustees, appointed Clarence Scharbauer, vice chair of the board, to lead a stadium renovation committee. The committee's invaluable work, along with that of TCU administrators, led to a stadium renovation that lifted the historical icon to a level of national visibility on par with the University's championship-winning football team.

It was the first major renovation to Amon G. Carter Stadium, built in 1930, since the upper deck was added in 1956.

2026 **RULE CHANGES**

Each offseason, college football's rules and regulations are reviewed. The below are three changes that will be in place for the 2026 season.

Fair Catch Kick

The Fair Catch Kick will now allow a receiving team to attempt an uncontested field goal after making a fair catch on an opponent's kick. The head coach must select the Fair Catch Kick before the ball is ready for play, and the decision cannot be changed. The kick will be taken from the spot of the fair catch, with the opposing team lined up 10 yards away. If the kick goes through the uprights, three points will be awarded. If the fair catch occurs as time expires, the team may still attempt the kick as an untimed down.

Targeting Penalties

All targeting fouls that are upheld will include a disqualification for the current game, but the rule will now eliminate the carryover disqualification for fouls in the second half. If a player receives a second targeting foul within the same season, that player is disqualified for the remainder of that game and the first half of the team's next scheduled game within that season. If a player receives a third or subsequent targeting foul within the same season, disqualification for the remainder of the game and that player will receive an automatic one-game suspension in their team's next scheduled game of that season.

Offensive Pass Interference

The penalty for offensive pass interference is being adjusted from 15 yards to 10 yards. The rules reserve 15-yard penalties primarily for Personal Fouls and Unsportsmanlike Conduct. Defensive pass interference will remain a spot foul, with a maximum of a 15-yard penalty.

Unsportsmanlike Conduct Rule

The Unsportsmanlike Conduct rule is being adjusted to give officials more flexibility while continuing to penalize actions that interfere with game administration, taunt opponents, or are abusive, threatening, or demeaning to the game. The list of automatic unsportsmanlike conduct fouls will be reduced to five actions that will be consistently penalized, including gun-violence gestures, throat-slashing or nose-wipe signals, removing a helmet after the ball is dead (with exceptions), dead-ball contact fouls that are unrelated to the game action, and forcibly pushing or pulling an opponent off a pile after the ball is dead.

Human Performance CENTER

TCU'S HUMAN PERFORMANCE CENTER

Situated around the brand new Mike and Brenda Harrison Football Performance Center (above) which includes the Jamal Powell Strength Room as well as the Simpson Family Restoration Center (right), TCU's brand new Human Performance Center is a $50 million, 50,000-square-foot symbol of our relentless pursuit of excellence.

As Coach Dutch Meyer said...

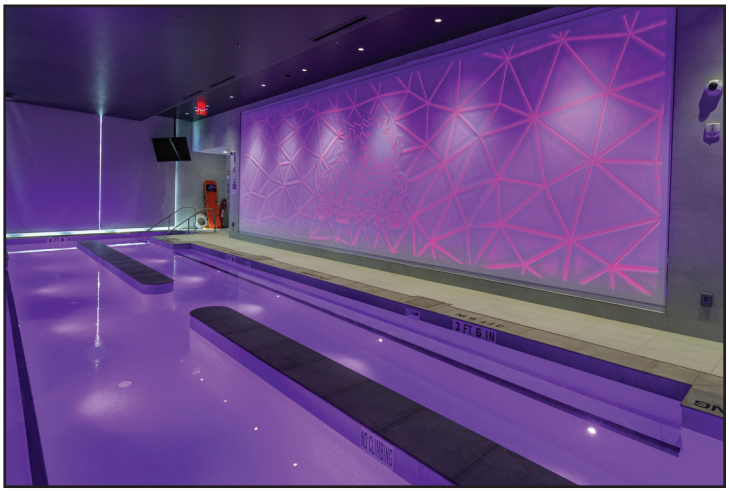

Fight 'em till hell freezes over.
Then fight'em on the ice!

Inside the **Harrison Performance Center,** TCU football players have access to the latest in weight room technology engineered for efficiency and intensity. Outside, the Horned Frog Fuel Station fuels performance while the Lunar iDXA machine and DEXA scanners provide data-backed performance insights. The center also features an indoor track and heated yoga studio.

The Simpson Family Restoration Center is where the Horned Frogs begin their post-practice recovery at the hydrotherapy "lazy river" which is kept between 45 and 55 degrees for a walking lap path immediately off the practice field. The car wash preps each player after their practice equipment has been removed.

Fitting to Coach Meyer's famous rallying cry, the restoration center also includes a recovery room that houses hydro massage pods, a traditional steam sauna, infrared therapy beds, and the only **Snow Room (right)** in north America. Each day, the room fills with snow to provide the most unique contrast therapy experience anywhere in collegiate or professional sports.

It must been seen and experienced to be believed.

KEY

In an attempt to modernize our roster to provide more clarity about the makeup of the Horned Frogs, we have added four columns to the traditional layout of a roster. The key for those additions is below.
*Additionally, the roster format follows the NCAA's new **age-based classification system** as: Fr., So., Jr., Sr., 5th.*

1st: 1st Semester in College | **TCU:** 1st Season at TCU

DUBLIN, Ireland – After scoring on the opening two possessions, TCU failed to score for the remainder of the game in a 15-10 loss to North Carolina on Saturday night at Aviva Stadium in Ireland.

In his first game as a Horned Frog, Jaden Craig threw for 175 yards and was 20-32. Jeremy Payne led the rushers with 142 yards on 25 attempts.

Max Carroll had a standout game, leading the team with nine tackles defensively along with forcing two fumbles, while Ansel Din-Mbuh added two sacks.

TCU scored a field goal on its first drive before taking it down the field to score a touchdown and give the Frogs a 10-3 lead in the first quarter.

From that point forward, nothing was going for the TCU offense, and UNC slowly creeped ahead.

On its final possession, the Horned Frogs could not connect on fourth down in the red zone and UNC was able to hold the ball for the remainder of the game.

FORT WORTH – In the first home game of 2026, the TCU football team rolled to a 63-7 victory over Grambling State on a scorching Saturday night at Amon G. Carter Stadium.

Quarterback Jaden Craig controlled the game, throwing for 391 yards and four touchdowns with a 77% completion percentage. He found seven receivers, with Kari Ashley leading the way with 119 yards and two scores, both career highs.

On the ground, TCU had eight different rushers total 285 yards on 37 carries. Leading the way was Jeremy Payne with 70 yards on nine attempts, and Craig was right behind him with 53 yards on eight rushes.

Defensively, the Horned Frogs stymied the Tigers' offense, holding them to 210 yards and just 20 yards on the ground. A host of defensive players got involved in the action, with 13 Frogs recording multiple tackles.

TCU opened up the game by waltzing down the field and ending their opening drive with a Major Everhart rush to open up the scoring.

Both teams would have scoring threats in the first, with TCU blocking a GSU chip-shot field goal and the Tigers forcing running back Jeremy Payne to fumble into the end zone, keeping the score at 7-0 after one.

The Frogs' offense found some footing in the second quarter, finding the end zone three times to extend the lead at half to 28-7.

From there, the Horned Frogs continued rolling by tacking on two touchdowns in the third to put the game out of reach.

To add to the final total, TCU would score three fourth quarter touchdowns to post its highest point total since 2017.

ORLANDO – TCU couldn't get much going offensively and were setback by penalties and turnovers in a 21-13 loss to UCF on Saturday afternoon at Acrisure Bounce House.

Jaden Craig was 25-40 for 310 yards, but threw two interceptions. Jordan Dwyer made his return for the Frogs and eclipsed 100 yards in the loss. On the ground, TCU mustered just 33 yards.

The defense played well and were led by Jamel Johnson who had 10 tackles. The Knights were held under 300 yards and just posted 160 through the air.

UCF opened the scoring by taking advantage of an opening drive fumble by the Frogs to take a 7-0 lead. TCU wouldn't waste much time to generate a response though, quickly moving down the field thanks to a deep ball to Jordan Dwyer and Payne punched it in to tie it.

After the defenses stood tall for the ensuing possessions, the Frogs were finally able to gain the lead by way of a field goal midway through the second quarter.

The TCU advantage was short-lived, however, as the Knights moved right down the field to find the end zone and the lead.

In the third quarter, TCU controlled 9:45 of game action on a 15-play drive that ended in a field goal to cut the lead to just one entering the fourth.

Following with the theme of the game, UCF found a response by finding the end zone early in the final stanza to extend its lead to eight.

Driving late but facing a third-and-long, an errant pass from Craig ended up in the hands of the UCF defender to all-but-seal the contest.

FORT WORTH – On a rainy Saturday night at Amon G. Carter Stadium, TCU played alongside No. 9 BYU for all four quarters but ultimately fell 17-10 in a defensive battle.

Jaden Craig had 187 yards through the air, and Jeremy Payne led the Horned Frogs with 77 yards on the ground. Kari Ashley posted 108 yards receiving to lead TCU once again.

Defensively, TCU held BYU to just 216 total yards and 62 yards through the air. Hudson Hooper led all Frogs with eight tackles, and Paul Oyewale posted six.

The game started slow on both sides in a consistent drizzle of rain as both defenses stood strong and held the other side scoreless in the first quarter. BYU was able to be the first to break through, capitalizing off a long interception return to find the end zone and take the early lead.

TCU's offense finally found some life late in the second, embarking on a 76-yard drive that ended in an Ashley 13-yard reception to tie the game going into halftime.

In the third quarter, the defense's continued to shine, but BYU was able to add a field goal to hold a three-point lead entering the fourth.

The Frogs' offense continued to struggle, missing opportunities in solid field position to seize the game. BYU added a late touchdown, and TCU failed to recover the onside kick after a field goal to end the game.

WACO, Texas – In the latest edition of the most played rivalry in Texas, TCU took down Baylor, 17-6, on Saturday night at McLane Stadium.

TCU would strike first in the opening quarter with a 25-yard connection from Craig to Small. Small and Dwyer would each go on to record over 40 receiving yards apiece in the first quarter.

A pair of Baylor field goals in the second quarter brought the game to a 7-6 ledger in favor of the Frogs heading into the half.

To open the third quarter, TCU would only need three plays to quickly march down the field and score, as a 67-yard pass from Craig to Dwyer set up an eight-yard touchdown by Ka'Morreun Pimpton to increase the lead to 14-6.

The next offensive drive for TCU saw a 25-yard field goal by Nate McCashland to push the advantage to 17-6.

The Frog defense put the closing finishes on the second-half shutout performance by causing two consecutive turnovers on downs in the final 10 minutes of play for the Bear offense.

FORT WORTH – TCU lost its fourth one-score game of the season on Saturday afternoon, falling to West Virginia, 24-20, at Amon G. Carter Stadium.

The Horned Frogs (3-4, 1-3 Big 12) had an opportunity in the red zone late to win the game, but a WVU strip sack sealed it for the road team.

After holding West Virginia to a field goal on their first possession, TCU marched right down the field, led by a perfect drive from Craig, to score on its opening possession once again to take a 7-3 lead.

The Horned Frog defense was excellent against the pass in the first half, holding Michael Hawkins Jr. and the West Virginia offense to 45 passing yards and a 50% completion rate. Offensive mistakes by the Frogs, including a missed field goal and an interception, kept the score tight as the game was tied at the half at 10.

TCU continued to find ways to limit the West Virginia passing game in the second half but struggled to find an answer for WVU's two-headed rushing attack.

The Frog offense continued to show flashes throughout the second half and were able to move the ball efficiently early in drives, but more costly turnovers and the inability to finish in the West Virginia half of the field, ended late-game scoring threats.

FORT WORTH – Behind a gritty defensive effort and a couple of game-changing plays, TCU stormed back to take down Kansas on a Halloween afternoon at Amon G. Carter Stadium.

Kansas broke the deadlock with a field goal late in the first quarter. With a second field goal and a touchdown for the Jayhawks in the second quarter, the Frogs trailed 13-0 at half.

TCU's defense got it rolling in the start of the third quarter. Carroll stuffed the Jayhawks on a quarterback keeper at the one-yard line along with teammate Zach Chapman. The very next KU drive, Carroll picked off Ballard and returned it 60 yards for the score to get TCU on the board at 13-7.

The offense would carry that momentum, capping a five-play, 72-yard drive with a 28-yard touchdown run by Ace Theus. Kansas was able to respond though, knocking a field goal through in the red zone to go up by two with just five minutes remaining in the game.

Looking to answer, the Frogs orchestrated a 13-play, 84-yard drive to retake the lead. Craig took over on the ground, rushing for 37 yards, while converting key third downs through the air with a 17-yard completion to Small and a seven-yard strike to Dwyer. Just when TCU moved into field goal range, Craig broke loose on a 17-yard touchdown run and found Dwyer for the two-point conversion to put the Frogs up 22-16 with 1:04 to play.

With the game on the line, the Frogs' defense stood tall and refused Kansas a potential game-winning drive to close out the victory for TCU.

TUCSON, Ariz. – In a game that came down to the end, TCU Football dropped a contest to 22nd-ranked Arizona Friday night at Casino Del Sol Stadium.

Arizona was rolling early in the game, taking a 10-0 lead in the first quarter. After the defense started to generate some stops, TCU's offense responded and marched down the field to cut the lead to three after a Craig touchdown scramble.

With the game needing a break, the Frogs found one by way of a 93-yard pick six by Hudson Hooper, and TCU took the lead heading into the intermission.

The two teams would exchange blows in the third quarter, each scoring a touchdown. Following a Wildcat score midway through the quarter, TCU embarked on a five-minute drive to regain the lead entering the fourth quarter. After an Arizona field goal, the Frogs were able to control the ball and take it down the field culminating in a Craig rushing touchdown to put the road team up eight with under seven minutes to play.

With its backs against the wall at numerous points in the drive, Arizona would not be denied, eventually finding the end zone with under two minutes remaining to cut the lead to two after a failed two-point conversion.

On the following kickoff, the Wildcats attempted a pooch kickoff that was fumbled by the Frogs and recovered by Arizona. The home team would proceed to make a field goal to take the lead with just over 30 seconds remaining in the ballgame. Needing to get into field goal range, Craig threw an interception on the first play of the TCU drive to end the game.

FORT WORTH – Facing off against fellow Big 12 foe Kansas State, TCU managed to hold onto a wire-to-wire lead, securing their third conference win of the season.

After both teams punted on their first drive, Hayward forced a fumble and gave TCU the ball deep in Kansas State territory. The first touchdown of the day against the Wildcats would come shortly after the turnover when Kari Ashley took the snap and made multiple defenders miss on his way to a 19-yard score.

Kyle Lemmerman would make a 29-yard field goal to open the second quarter and push TCU to a 10-0 lead. After the score, both teams had two drives each that resulted in punts as TCU would keep the advantage heading into halftime.

To begin the second half, the Frogs marched down the field on a clinical 9-play 75-yard drive that was capped off by a Jacobe Hayes 5-yard touchdown catch, which marks the first of his career.

Kansas State responded to this touchdown with a 55-yard field goal that was just snuck inside the right upright to make it a 17-3 game.

The Wildcats scored again in the third quarter when they connected on a 53-yard touchdown strike to bring the ledger to17-10.

On the first drive of the final frame, TCU responded as they made their way into Kansas State territory to kick a 36-yard field goal and extend the lead back to two possessions.

Right before the two-minute timeout, the Frogs sealed the game with a forced fumble by Kaden McFadden that was recovered by Markis Deal.

FORT WORTH – Despite a second-half rally, the TCU football team came up short against No. 2 Utah on Saturday night at Amon G. Carter Stadium.

The Utes' first 10 points of the game were set up by short fields, as they scored on two drives that started inside the redzone.

Utah tacked on another score to make it 17-0 when they completed a long touchdown pass with under two minutes left in the first half.

The page would flip to start the second half, as TCU would storm back and score 17 unanswered points to bring the game to a 17-17 ledger with under 10 minutes to play.

The run would get started when Jeremy Payne broke off an explosive 43-yard rushing touchdown to put TCU on the board.

The Frogs would turn Utah over on downs on defense before the offense embarked on a 67-yard drive that was capped off by Payne's second rushing touchdown of the game.

The next offensive drive, Adam Schobel would then connect with Jordan Dwyer on a 28-yard strike to help get the Frogs into field goal range for a game-tying 33-yard field goal to make the score 17-17.

The Utes responded to TCU's surge by scoring a touchdown on a 75-yard drive to put them back in front, 24-17. Two more touchdowns were added on from Utah in the final three minutes of action.
