MONTANA ATHLETIC STAFF

CLYDE W. "CAC" HUBBARD --- ATHLETIC DIRECTOR.

Dean of Montana University's Athletic Department is hardworking, ever tireless Clyde W. "Cac" Hubbard. Cac came to Montana in March of 1949 to assume the Head Athletic administrative job after serving in the college coaching field for almost 30 years. At Oregon State College, he won 9 letters in varsity sports, earning them in Football, Basketball, and Baseball. Made All-Conference in both Football and Basketball his senior year. Upon graduation in 1921 Cac turned down a Pro contract in Baseball and accepted an assistant Coaching position at his alma mater and for the next 28 years his career was devoted to tutoring College Athletes. In 1927 Hubbard moved to the College of Puget Sound at Tacoma as Director of Athletics and Head Coach. The San Francisco Olympic Club was his next stop where he remained from 1929 until 1932 as Head Coach and Director of Physical Education. In 1932 Cac accepted the Head Basketball and Assistant Football Coaching job at Denver University. In the next 17 years at D. U. he coached all the sports at one time or the other, winning many Baseball, Basketball and Golf Championships. As Head Football Coach and Athletic Director, Cac, in 1945, won Denver's first Football Conference title in 37 years and took the Pioneer team to play in the Sun Bowl. For many years in the Rocky Mountain Area he was heralded as the Czar of Coaches. Retiring from the Coaching profession and devoting his drive and unbounding energy to Directorship, Hubbard has made monumental gains in developing and strengthening Athletics at Montana University. The most recent achievement, he was the most active member, was the culmination of events that led to the change of Athletic conference for Montana and the consequence of athletic competition on a more equal footing.

A veteran of two world wars, Cac holds a Lt. Colonel rank in the United States Air Force. Married and has two children, Dick, a halfback on the Grizzly Football squad, and Nen, a freshman in College this fall.

TED SHIPKEY --- HEAD FOOTBALL COACH

In his third year at the helm of the Grizzly Football team is Mr. Ted Shipkey. The popular Montana University mentor received his degree from Stanford University in 1927, where he climaxed three outstanding varsity years as first string End, on a great Stanford team, by being chosen as an All-American. Ted played under the great Glen "Pop" Warner who credits him with being the greatest pass snagging End he ever coached.

Shipkey started his coaching career in 1927 at Sacramento Junior College, changed allegiance to Arizona State at Tempe in 1930. Moved to New Mexico University in 1937 and remained until 1946, except for a three-year period with the United States Air Force from which he was discharged a Captain. At New Mexico Ted won two Border Conference school Championships and a Sun Bowl game. From New Mexico Ted went on to join the Los Angeles Dons Coaching Staff in 1946 and remained with the Dons until 1949, when he accepted the Head Coaching job at Montana. Since arriving at Montana, he has coached three Montana Athletes on to the All-Time All-Star Grizzly Team. Placed

one on the All Pacific Coast Conference Team in 1949 which hadn't happened in a decade. Henry Ford, Tackle 1949, Ray Bauer, End, and Tommy Kingsford, Quarterback, 1950, are his three proteges. Progressive and tireless in his efforts to build a Football Team, Shipkey has done a trojan job in the last two seasons which has won him the support and admiration of all Grizzly Sport followers.

Shipkey, 46 years old, was born Sept. 28, 1904 at Great Falls, Montana. He is married and has three sons, Ted, Jr. 16, Tom 14, and Jim 11.

FRED ERDHAUS -- LINE COACH; SWIMMING COACH.

Coaching the line for the Grizzlies is Fred Erdhaus. A graduate of Arizona University in 1939, Erdhaus is also in his third year at Montana. Fred holds the honor of being one of the very few athletes in college who has ever won 12 varsity letters. He lettered thrice in each Football, Basketball, Swimming, and Baseball. Erdhaus is still rated on the Arizona campus as one of their all-time all-around great athletes. Before coming to Montana Fred was Head Coach for the Los Angeles Bulldogs for three years. His Bulldogs won two out of three title games in the Pacific Coast-Hawaii Pro-League, 1946, '47 and '48. Erdhaus played with San Diego Navy Eleven during the war; was assistant coach at Loyola University in Los Angeles 1944; Coached Santa Monica, Calif. high school team, 1939-43; and played on the Pro Bulldogs and San Diego Bombers.

Gregarious Fred carries a halo of cheerfulness with him which makes it easy for him to make friends and keep them. He immediately won the admiration and respect of the Grizzly linemen which did much in building one of the strongest Montana lines in years, last season. Erdhaus is the co-pilot of the Grizzly grid machine and a top notch one. He is married and has two young sons.

HARRY ADAMS -- HEAD TRACK COACH; ASSISTANT FOOTBALL COACH.

Celebrating 30 years as a member of Montana University's coaching staff is invaluable Harry Adams. A graduate of Montana in 1921, Harry accepted an assistant Football, Basketball and Head Track Coach position with the University in the fall of '21 and has remained ever since. He has had a hand in tutoring some of the greatest athletes that have ever put on a Grizzly uniform. Noted mostly for his outstanding Track teams, Adams is the man behind the scenes when it comes to planning and winning Football games. Head Scout for many years, it has been his careful and methodical study of the forthcoming opposition that has been the deciding factor in many games that spelled victory for the Silvertips. While in school, Harry spiked the cinder path under the tutelage of Bernie Bierman. Adams was a member of the mile relay foursome which at one time held the world's record. Also starring in football and basketball as an undergraduate, Harry is one of the Grizzly Greats of Old. Some of his track products are Jack Emigh and Ole Ueland in the sprints and middle distances; Al Eiselein and James Seyler in the hurdles and jumps, and most recent is Dick Doyle, the Nation's No. 1 discus thrower.

GEORGE P. "JIGGS" DAHLBERG --- HEAD BASKETBALL COACH, AND ASSISTANT FOOTBALL COACH.

It would take all day to name the many attributes of hardworking, dependable Coach Dahlberg. "Jiggs," as he is known to his public, assists in Football until early October, when it's time to trot his Basketball squad out on the hardwood, and from then on it's a lot of Basketball for the ever hustling Dahlberg. Jiggs not only continues to run **his** basketball teams in high gear and assists in football, but handles the freshmen baseball team when spring rolls around and is also the Athletic Department's top proselytor. His friendly, humorous nature makes him a natural in meeting the public.

Dahlberg graduated from Montana in 1925 not only with athletic honors but with scholastic honors as well. After graduation, Jiggs went to Miles City for four years during which time he chalked up two state championships. Hoquaim, Washington prep school was second stop on Dahlberg's tour and here he piloted the Hoquaim lads to 10 victories in 11 games for two seasons, and captured the Southwest Washington title in basketball. Jiggs moved to Anaconda for a year, then went back to Puyallup for four years. Just before coming back to his alma mater in 1937, Dahlberg was at Chehalis, Washington, for a season. Jiggs was basketball mentor and assisted with football until 1942 when he was called into the Army. He coached Fort Lawton baseball team in Washington State to a semi-pro championship along with putting out some fine basketball teams. He returned to Montana in 1945 and in 1949 developed the Grizzlies greatest basketball squad; they broke 12 of the 20 existing University records that season. Jiggs is married and has two young children.

EDDIE CHINSKE -- ASSISTANT COACH

Versatile Eddie is starting his fifth year as a member of the Grizzly Athletic Staff. Before moving into the College Coaching Circle in 1946, Ed spent 16 years tutoring high school athletic teams with the greatest success of any Montana High School Coach in history. His coaching victories have netted him as much prestige around the state of Montana as any conquering general. At Miles City and Missoula County High Schools his teams won, both in Football and Basketball, more than a lion's share of championships. His ability and success quickly caught the eye of the University Coaching Staff and in 1946 he was hired as Assistant Football and Basketball Coach and Varsity Baseball mentor. Eddie was a Grizzly athlete himself and captain of the 1928 Football squad and recently named as a member of the All-Time All-Star Basketball Team. Married and has four children.

GRIZZLIES 1951 OUTLOOK

As the 1951 Football warfare is about to begin, Montana faces the Mountain States Conference as one of the pre-season favorites for a first division berth and, if judged by the experienced personnel returning, they easily could be. Twenty-three letter winners from the 1950 squad will be on hand along with some excellent Junior College transfers and a few promising sophomores. This season's Grid picture is far brighter than in many previous years. If the weak positions develop and improve as the season progresses, and barring excessive injuries, the Grizzlies will be stiff challengers for the Crown. This could be the best Montana Team since 1937.

The 1951 Squad is the heaviest in years, will have veterans at almost every position with some strong reserves backing them up. The team will be minus 11 men with the principal loss being Quarter-back Tommy Kingsford and End Ray Bauer; however, returning lettermen should offset the loss in easy manner. Briefly, the situation summed up on paper indicates that chances are bright for a good season, and better yet for a campaign surpassing last year's results. One weak spot in the line is at center, but Coach Ted Shipkey has promising candidates here. The Montana squad should have more speed on offense, improved on defense, Ends and Tackles stronger and the whole line heavier. Other departments kicking and blocking should be at the same high while passing is still a slight question mark. In whole the Grizzly team will be compact and reinforced with good reserve power.

This fall Coach Shipkey has some outstanding backs who with the right combination could be the running power that will spell the difference in the win-loss columns. Right Halfback Bob Byrne's running last fall stamps him as the man "here to stay." Playing first string ball since a sophomore, Bob has led the Grizzly offensive punch game after game. He is a definite candidate for ALL-CONFERENCE HONORS. Paul Wold will be the left halfback

starter, whose love for the game and his drive and determination make him another most feared back. Closely follows Byrne for offensive ground gaining. George Vucurovich and Dick Heath will be vieing for the Quarter-back job. Though inexperienced both appear as excellent prospects. To keep competition for the back positions keen are such up and coming contenders as Bob Graves, Hal Sherbeck and Lloyd Thomas.

Fullback is no problem for the head mentor as five hard-charging and experienced men are on hand. Fred Mirchoff looks like the No. 1 boy offensively. Bo Laird, Gene Carlson, Milt Wikert and Carol Matye are more than outstanding replacements.

The Grizzly line, defensively good to great last fall, should be just as or even better and heavier. All posts except center are well stacked with returning lettermen. Graduation swept Ray Bauer, Gordon Stewart, Bob Hansen and Ken Campbell regulars. The addition of Chuck Sitton, 6' 4" , 210 pound end, and Milt Lewis, 215 pound tackle, will add power to the line. Harold Maus ranks high at the other End berth. Bob Lamley and Dave Miller are two huge tackles returning with first string training. Bob Antonich and Gordon Jones a great pair of guards who could make any coach's first team. Jim Murray, switched from tackle, and Joe Roberts will be stiff contenders at center. Marshall Murray and Jim Wilson should be fashionable replacements.

THUMBNAIL SKETCHES OF 1951 GRIZZLIES

* Denotes Letters.

ENDS.

ED ANDERSON--Sophomore, Missoula, 6'2", 195 pounds, age 18. Ed earned a letter on Coach Eddie Chinske's cub squad last fall. Was one of Montana high schools' top Ends in his senior year. Will play mostly reserve roles this fall. Expected to be a good college end. His favorite sport is baseball. Also earned a numeral in basketball. Major: Physical Education.

JOHN HOLLAND--Junior, Fergus Falls, Minn., 6'4", 205 pounds, age 20. John plays mostly defense. Alternates between tackle and end. A good quality performer. Showed a lot of improvement in spring drill. Adds strength to depth at ends. Major: Forestry.

*DON GERLINGER--Junior, Chicago, 6'1", 200 pounds, age 20. The Grizzlies well trained specialist in kickoffs and point after touchdown attempts. Because of his value in these departments he is seldom used in play. Broke Montana's P.A.T. record last season when he converted 26 points with his educated toe in 32 attempts. Previous record was held by Bill Prueninger set at 25 in 1947. Major: Physical Education.

*HAROLD MAUS--Junior, Hamilton, 6'4", 200 pounds, age 21. Montana's most outstanding defensive man last season. Was great in every game. Harold will play both offensive and defensive this fall. Has the making of being another "Ray Bauer" in pass snagging ability. A definite candidate to watch for All-Conference. Major: Physical Education.

*DICK MOOMAW--Junior, Santa Ana, California, 6'1", 185 pounds, age 21. A member of the first string defensive unit last year. Hard-charging and fast, Dick is one of the most aggressive squad members. Will again play mostly on the defense this season. The defense comes natural to the MooMaw boys; his brother was one of the top men of the Pacific Coast Conference for U.C.L.A. in tackles last fall. Major: Fine Arts.

DICK PENSENOULT--Junior, Missoula, 6'1", 185 pounds, age 19. Up and coming new man on the Grizzlies. Needs more experience. Will be a good reserve man. Above average pass receiver and improving in speed. Major: Business Administration.

*JACK ROTHWELL--Senior, Billings, 6'2", 190 pounds, age 22. Jack plays all defense. Alternated in first string duties last season. Very good in breaking up plays before they get started. Will be hard to keep out of starting honors. Major: Business Administration.

CHUCK SITTON--Sophomore, Santa Ana, Calif., 6'3", 210 pounds, age 20. A transfer from Santa Ana Junior College where he was outstanding at end. Looked very good in spring practice. Will be starting for the Grizzlies. Excellent pass catcher. Good in blocking. Was All-Eastern JC Conference in Football last year. Air Force veteran of 15 months. Major: Business Administration.

DON TALCOTT--Junior, Great Falls, 6'1", 185 pounds, age 20. Inexperienced but with a lot of determination. Will add greatly to depth. Plays mostly offensive ball. Major: Physical Education.

TACKLES.

- DAN BARTSCH--Sophomore, Livingston, 6', 200 pounds, age 19. With the Grizzlies having good tackles with experience, Dan will be playing on the third string. A good looking prospect for the next two years. All-State his senior year in high school. Major: Physical Education.
- **BOB LAMLEY--Senior, Kenton, Ohio, 6'2", 205 pounds, age 23. Hard-hitting Bob was the starting offensive tackle last season. Big, tough, and loves to play hard. Can play both offensive and defensive and may be used the full game. A veteran of two years in the Navy, Bob is a transfer from Ohio State. Major: Forestry.
- *BOB LEONARD--Junior, Santa Ana, Calif., 6', 190 pounds, age 21. Changed from end to tackle in this spring practice. Bob is a good scrappy lineman. Will see plenty of action this fall. Transferred from Santa Ana JC last year where he made All-Eastern Conference. Married. Major: Sociology.
- LYNN LULL--Junior, Helena, 6'4", 230 pounds, age 25. Lynn was one of the brightest prospects from the 1947 Grizzly Frosh teams. Big, fast, and tough, he stood out as a future Grizzly great. In fall of 1948 in pre-season practice, Lynn injured his knee which required an operation. This fall will mark his return to football for the first time since his injury. Will be one of the brightest lights in the tackle position if the old injury is healed. All-State his senior year in high school. Major: Business Administration.
- *EARL MERRILL--Junior, Selma, Calif., 6', 210 pounds, age 21. A transfer from Santa Ana Junior College last season, played mostly reserve role. If improved in speed, Earl will challenge the best. Major: Education.
- *DAVE MILLER--Junior, Santa Monica, Calif., 6'2", 240 pounds, age 21. Nicknamed "Moose." Big and aggressive, Moose is one of the most powerful Grizzlies to ever don a football suit. Can move anything in front of him. Played mostly defensive ball last year. A transfer from Santa Monica JC where he was on the 2nd team chosen by sport writers for the Metro Conference. Major: Sociology.
- WESLEY MORRISON--Senior, Lincoln, Nebr., 6'1", 250 pounds, age 23. Was turned out for football last fall and won himself a place on the traveling squad. Determined to improve, he made probably the greatest gains of any team mate. Moves his 250 pounds with grace and speed. Will play mostly reserve roles. Received 2 years experience playing in the Coast Guard. Major: Forestry.
- ***DICK REED--Senior, Miles City, 6', 205 pounds, age 25. One of the starting offensive tackles last season. A hard, vicious tackler who showed a lot of improvement even in spring drill. Will be one of the greatest threats in the line to the opposition this fall. An Air Force Veteran of 3 years. Major: Physical Education.

GUARDS

*BOB ANTONICH--Junior, Butte, 6', 205 pounds, age 20. A top quality performer since donning a Grizzly suit, Bob was first string offensive guard last year as a sophomore. He, along with his team mate Gordon Jones, make up one of the best guard combinations in Montana's history. He was all-state from Butte Central in 1948. Will be playing both offensive and defensively this fall. Major: Physical Education.

JAMES BURKE--Sophomore, Livingston, 6', 175 pounds, age 20. Up from the Cub team, Jim will add good reserve strength to the guard positions. He graduated from Livingston High School. Picked in his senior year on the first string All-Eastern Division Team. Also a future Grizzly basketball player. Needs experience. Major: Business Administration.

JAMES HOFFMAN--Sophomore, Wibaux, 5'10", 190 pounds, age 20. Another member of last year's Cubs who will be gaining experience as a sub on this season's varsity. With a year's training, he should develop into a first flight guard. Major: Business Administration.

*MEL INGRAM--Senior, Billings, 5' 10", 185 pounds, age 22. Small, scrappy Mel is one of Montana's best defensive guards. Was out part of last season with a bad knee. If the old injury is healed, he could be the biggest help awarded the Grizzlies. Major: Business Administration.

*GORDON JONES--Junior, Butte, 6', 200 pounds, age 21. The other boy of the terrible twin combination at guard for Montana. Gordy held down one offensive guard spot last year while Antonich controlled the other. A graduate of Butte Public High School, he made the All-State First Team in 1948. A definite candidate for All-Conference this fall. Major: Physical Education.

MILT LEWIS--Sophomore, Hanford, Calif., 6' 2", 215 pounds, age 21. A transfer of last spring from Santa Ana Junior College, Milt was All-Conference in both football and basketball at Santa Ana last year. Received a knee operation this spring so should be ready to play football this autumn. Big and aggressive, will see plenty of action. Major: Business Administration.

DON ORLICH--Junior, Butte, 6', 195 pounds, age 19. Better known for his boxing ability, Don will add that strong reserve strength which is always needed. His size and determination could carry him a long way. Major: Education.

BOB STEWARD--Junior, Billings, 6', 200 pounds, age 20. Younger brother of last year's outstanding tackle Gordon Stewart. Bob has improved a great deal in the last year. Plays mostly defense. Needs more varsity experience. Major: Business Administration.

**FRED VOLK--Senior, Great Falls, 6', 190 pounds, age 20. A rugged lad from Great Falls. Quick to sense plays and spill interference, will be vieing for a first string berth. Has been slowed up by injuries the past two seasons. Major: Business Administration.

CENTERS.

*JIM MURRAY---Junior, Anaconda, 6'2", 205 pounds, age 20. One of last year's most aggressive defensive tackles, has been switched over to center. With graduation and Military taking all of Coach Shipkey's pivotmen, the change was decided. Though needing some training at center. Murray may be the answer. Was named by both AP and UP on their All-State High School team in 1948. Major: Physical Education.

MARSHALL MURRAY---Sophomore, Kalispell, 5' 10", 200 pounds, age 18. Up from the Cubs. Lettered two years in high school. With more experience and increasing of speed, could develop into a top flight center. Major: Pre-Law.

JOE ROBERTS---Junior, Butte, 6', 190 pounds, age 21. Joe dropped out of football last fall because of heavy academic studies. Will be back this year ready to go. Shipkey has changed him over from end to center. If both Murray and Roberts produce, the center position will cease to be a worry. Major: Education.

JIM WILSON---Junior, Laurel, 6', 195 pounds, age 19. Also dropped out of football last year to have more time for a rough academic load. Jim has had five years of experience at center. Plays his best on the defense. Is a potential threat if he improves in speed. Major: Physical Education.

QUARTERBACKS.

DICK HEATH---Sophomore, Miles City, 5' 11", 180 pounds, age 19. An up and coming star who will be vying for the starting honors. Above average passer and an intelligent signal caller. Looked much improved during the spring training period. Dick hails from Miles City, where he lettered in football, basketball, track, baseball, and boxing. A veteran of the Navy. A boy to watch in the games to come. Major: Physical Education.

DICK SHADQAN---Junior, Billings, 5' 11", 165 pounds, age 20. Out all of last season with a broken hand, Dick will be an invaluable assistance to the depth of the quarterback position, comes fall. Intelligent, fast and deceptive in executing plays, will come in plenty handy when he gains more experience. Major: Law.

*GEORGE VUCUROVICH---Junior, Butte, 5'11", 185 pounds, age 21. Transferred to Quarter from Fullback. Rugged and deceptive. Most outstanding man on the field during the spring intra-squad tussle. Is likely to be the starting quarterback. Played QB in high school where he received honorable mention his senior year. Major: History.

FULL BACKS.

*GENE CARLSON--Junior, Great Falls, 5' 11", 185 pounds, age 20. A hard-running back who is very fast and hard to bring down. Played alternate first string last season as a sophomore. With a year of varsity experience past, Gene could easily develop into a first class fullback. Will see a lot of action this year. Outstanding high school star who lettered in football, basketball and baseball. Is Montana's No. 1 hurler on the diamond. Major: Physical Education.

*BO LAIRD--Junior, Miles City, 5' 11", 190 pounds, age 20. The powerful line plunging type of back. Will bear watching as a future Grizzly Great. Bo also plays on the Grizzly baseball squad. If improves in speed will be pushing the best for starting role. An honor roll student. Major: Business Administration.

***CAROL MATYE--Senior, Sand Coulee, 5' 10", 180 pounds, age 29. Carol plays defensive linebacker only. One of the hardest tacklers on the team. Conscientious and hard-working senior who was injured part of last season. Major: Physical Education.

FRED MIRCHOFF--Sophomore, Long Beach, Calif., 5' 11", 185 pounds, age 24. Another Santa Ana Junior College Transfer who arrived in Missoula last spring quarter. Probably one of the best prospects that Montana has had in many years. Fast and hard-charging, Fred is presently the Grizzlies' No. 1 Fullback. Is very good as a linebacker and may play both offense and defense. A definite boy to watch as a potential great player. Major: Physical Education.

MILTON WIKERT--Sophomore, Santa Ana, Calif., 6', 205 pounds, age 19. A natural linebacker and a good offensive speedster. Comes to Montana from Santa Ana Junior College. Made the All-Sunset Leagues in both football and baseball, first team his senior year in high school. Showed outstanding form all during spring drill. Milt could develop into the hard-running type of back which will fit into the T-formation. Major: Physical Education.

LEFT HALF BACKS.

*BOB GRAVES--Junior, Billings, 5' 11", 170 pounds, age 22. A first string halfback for three years in high school, Bob is the fastest man on the Silvertips team. An excellent open field runner. Will do some of Montana's punting. Another boy to be watched in the next two years. Major: Education.

DICK HUBBARD--Senior, Missoula, 5' 11", 170 pounds, age 21. Dick transferred to Montana in 1949 from Oregon State College. Stayed out one year on eligibility and dropped from the squad last season because of heavy academic load. Was one of the best quarterbacks for 3 years in the All-Denver high school league. Will add depth and strength to the Grizzly backfield. Son of Athletic Director Cac Hubbard. Major: Business Administration.

*HAROLD SHERBECK--Junior, Big Sandy, 6', 175 pounds, age 23. One of the Grizzlies most versatile athletes. Played first string Safety on last year's team. Elected Captain of the 1951-1952 basketball team after a season of outstanding ball playing. Also lettered in baseball, holding down

Left Half Backs, Cont'd.

the short-stop position. Hal is fast and deceptive. Will play both offensive and defensively this autumn. Major: Physical Education.

**PAUL "SONNY" WOLD---Senior, Laurel, 5' 7", 170 pounds, age 21. Co-Captain elect for 1951. Sonny has all the heart and determination that any football player has ever possessed. Although small, he ranks second to no one in halfback material for the Grizzlies. Runs close to the ground, which makes him a tough would-be target. Noted mostly for his long break-away runs. Averaged 4.4 yards per try in rushing for 1950. Major: Business Administration.

RIGHT HALFBACKS.

**ROBERT "LEFTY" BYRNE---Senior, Billings, 5' 9", 180 pounds, age 21. Bob has played the last two seasons as the Grizzlies first string right halfback. Led the Silvertips in ground gaining last year with 6.8 yards per try. Second in scoring with 36 points. Second in passing with 60% average. Second in pass receiving with 15 for 298 yards and 3 TD's. Co-Captain elect along with Wold to lead the 1951 Montana's. This year's candidate for All-Conference Honors from the Grizzlies backfield. Rated by many Montana Sport writers as her greatest all around back in many years, Bob has won two letters in each basketball and baseball. Major: Business Administration.

RUDY FIRM---Sophomore, Klein, 5' 10", 175 pounds, age 20. Rudy will be used mostly on the defense as a linebacker. Fast and very capable of filling up holes made in the line, will add greatly to defensive backfield depth. Major: Business Administration.

MIKE FLEMING---Senior, Livingston, 5' 10", 175 pounds, age 22. Noted for his great speed and power on the track. Skyline "8" top half miler last spring. Coach Shipkey hopes to put Fleming's speed and strength to good use in his backfield this fall. It will be the first time Mike has been out for football. Major: Physical Education.

**LLOYD THOMAS---Junior, Santa Ana, Calif., 6', 190 pounds, age 22. Lloyd played defensive back in 1950. In spring practice he showed a lot of drive and improved blocking so Coach Shipkey expects to use him on both teams this fall. Made the All-Sunset League in football and basketball in high school. Transferred to Montana from Santa Ana Junior College in 1950. Major: Physical Education.

ROBERT YURKO---Junior, Great Falls, 5' 8", 170 pounds, age 23. Had a very impressive high school record. Played on the 1949 Cub team as first string fullback. Dropped out because of a heavy academic load last fall. Looked very good in spring drill. Believed by Coach Shipkey as another great back in the making. Major: Pharmacy.

Montana will use the following position numbering system this year to aid player identification by spectators. Positions will be numbered in the following series:

Ends - 50 - 59 Tackles - 40 - 49 Guards - 30 - 39 Centers - 20 - 29
Quarterbacks - 60 - 69 Left Halfbacks - 70 - 79 Right Halfbacks - 90 - 99

SQUAD SUMMARY BY POSITIONS

ENDS:--Stronger--Even with the loss of Montana's great End Ray Bauer by graduation, the Grizzly wing positions will be stronger than last season. Four lettermen will be returning along with an outstanding Junior College transfer and three capable boys from the Frosh team. Harold Maus and Charles Sitton will be the offensive twosome and Jack Rothwell and Dick MooMaw were both good on defense last year and will be hard to stop this fall.

Losses: Ray Bauer, Andy Kafentzis, Ed Nearing.

TACKLES:--Improved--Graduation took two top flight tackles but the tackle spot is not hurting. Dick Reed, Dave "Moose" Miller, Bob Lamley, Bob Leonard, and Earl Merrill are all back with that added experience which is needed. These five will be used as the strong nucleus. Beyond them no encouraging prospects.

Losses: Bob Hansen, Gordon Stewart.

GUARDS:--Outstanding--Bob Antonich and Gordon Jones, the two powerful guards from last year, will be the mainspring both offensive and defensively. They are strong 60-minute players and rated by Coach Shipkey as top calibre men. Mel Ingram and Fred Volk are two good relief men who also lettered last year. Another top prospect is Milt Lewis, a Santa Ana Junior College transfer.

Losses: None.

CENTERS:--Inexperienced--The transfer of a tackle and end to center this fall may be the answer to Ted Shipkey's problem as to this position. Jim Murray and Joe Roberts are being tried to see if they can strengthen the pivot place. Marshall Murray and Jim Wilson will be good reserves, but the Grizzlies lack outstanding material.

Losses: Ken Campbell, Henry Watt, Bob Anderson.

QUARTERBACKS:--Inexperienced--At this position, Coach Shipkey will be relying upon George Vucurovich, who has been transferred from fullback, and upon Dick Heath, an outstanding prospect from the Frosh team. Both Heath and Vucurovich looked especially good in spring drill, and Ted feels that he may have two natural T-formation signal callers in the making. This station should steadily improve as the season progresses.

Losses: Tommy Kingsford, John White.

HALFBACKS:--Stronger--Five lettermen return to take up where they left off last fall. Co-Captains Bob Byrnes and Paul Wold will be the No. 1 offensive twosome who carried these same duties last year. Both are fast and constant break-away threats. Top defensive men are Hal Sherbeck and Lloyd Thomas. Bob Yurko and Bob Graves are good hard-running reserves. Injuries could prove very damaging for lack of good reserves.

Losses: Don Campbell, Jack King, Charles Murphy, Bill Baker.

FULLBACKS:--Excellent--The Grizzlies' power in rushing will be handled by Fred Mirchoff, potentially one of the most dangerous runners that the Silvertips have had at fullback in many falls. Gene Carlson and Bo Laird are juniors who will be tough to overlook. Milt Wikert is a bright prospect.

Losses: None

DERIVATION OF "GRIZZLIES" AND "TRADITIONS"

(By John T. Campbell, an old Montana hand, who is Director of Sports and Ace Sportscaster for Radio Station K X L L.)

Montana's first football team was organized in 1898 and the sideliners appropriately dubbed the pioneer eleven the "varsity." This was the name of Montana grid teams for more than ten years. Somebody liked the name "Bruins" so it was tacked on in 1909, but it was brief-lived. When Montana played Utah University on October 31, 1912, a sports writer called the marauding Montanans the "Grizzlies." Since then until the time Montana entered the Pacific Coast conference, Montana football teams bore the names Bruins, Grizzlies or Bears, -- it didn't make any difference. However, it made a difference to two California schools, as the University of California and University of California at Los Angeles, also carrying portions of the bear phylum, demanded that the situation be cleared. California was therefore given the title "Bears" which it later changed to "Golden Bears," UCLA adopted "Bruins" and Montana was plenty satisfied with "Grizzlies." Of the three types, the Grizzly is the most ferocious, strongest and smartest -- according to a man named Webster.

"THE LITTLE BROWN STEIN"

It has come to be a sacred, coveted thing, something cherished by the school holding it, for it represents superiority in football between two intense rivals for at least one year. Where Montana and Idaho grid players struggled for glory in the past, they now battle each other for the handsome wooden-shaped trophy, shaped like a large brew container which symbolizes prestige and honor for their school. Idaho captured the traditional Stein the first year in 1938. It has changed hands many times since then, the most recent being when the Montana Grizzlies marched to Moscow last fall and brought it back to Missoula where it now rests, pending the outcome of another clash this fall. The Stein will go on the block again October 13 on Homecoming Day when Montana Grizzlies invite Idaho Vandals in for tea.

1915	Cecil Vance	Back	Jack O'Loughlin	1949
1915	Alfred "Ribs" Robertson	Back	Robert Starsberry	1933

(Editor's Note: I have asked Mr. Ray T. Rocene, Sports Editor of the Daily Missoulian, to pick out and name Montana University's greatest football players, as to position. Ray has divided the 51 years of football at Montana in two groups. The first group is up to and including the year 1930 and the second period is from 1931 through 1950. Five backs have been chosen for each period.

Mr. Rocene, who has been covering Grizzly sports as a member of the working press for over 30 years and observing Montana Grid-iron Gladiators many years previous, is probably the only living person who has watched, with a college professor's analytical eye, every Montana gridder who has ever put on a Grizzly Football suit and gone into battle. TO RAY A GREAT BIG THANKS.)

The first game of football was played on November 13, 1869, between Rutgers and Princeton. The score: Rutgers 6 goals, Princeton 0.

#

The first All-American team was selected by Caspar Whitney and appeared in Harper's Weekly in 1889.

#

Walter Camp, a great halfback at Yale from 1876 to 1881, took Whitney's idea, perfected and developed it and continued to pick his All-American teams until he died in 1924. He was early dubbed as the "Glorifier of the American Boy" and since has become known as the "Father of Football."

#

In 1924 the All-American Board of Football was formed to carry on Camp's great work. This Board is composed of outstanding coaches throughout the United States. It is a football player's most cherished desire to be selected by these great men as a member of that honored first team and to be heralded as an All-American.

#

Montana University's Head Football Coach, Ted Shipkey, Stanford, 1923-1927, was selected by the All-American board as a First String All-American End in 1926.
