## 2023 OUTDOOR TRACK AND FIELD CHAMPIONSHIPS HOSTED BY MARIAN UNIVERSITY

# WELCOME

## TO THE 2023 CROSSROADS LEAGUE CHAMPIONSHIPS

Dear Friends, Family and Fans,

On behalf of Marian University and its President, Daniel J. Elsener, along with Director of Athletics Steve Downing, and his outstanding staff, we would like to officially welcome you to the 2023 Crossroads League Outdoor Track and Field Championships. We are thankful you are here!

Our athletes are some of the finest in the world and have trained hard for this very moment. To have friends, families and fans encourage them in this moment is inspiring and a tribute to the commitment they have made to their team, this sport and you. We hope that you will enjoy your time at St. Vincent Field, and the meet hosted by Marian. Marian University is one of 10 universities that make up the Crossroads League and we encourage you to visit our website at [www.crossroadsleague.com](http://www.crossroadsleague.com) to learn more about our conference and the outstanding universities within it.

In the Crossroads League, we are not shy about sharing our love, commitment and desire to serve our Lord and Savior Jesus Christ in all we do. There is a tremendous emphasis of faithful competition and we strive to glorify God with the talents He has provided. I hope that you will join me in congratulating these outstanding men and women and their accomplishments this season. As it says in 2 Timothy 4:7, "I have fought the good fight, I have finished the race, I have kept the faith." That is what makes our league special, as we have fought the good fight all fall, we are going to finish this race today and we have kept His faith.

Please join me in congratulating these outstanding athletes as they compete for the 2023 Crossroads League Outdoor Track and Field Championships today!

In His service,

Larry DeSimpelare  
Commissioner

# CROSSROADS LEAGUE OUTDOOR TRACK & FIELD CHAMPIONSHIP RECORD BOOK

## Notes from the Compiler

In the 100, 200, and the 100/110 hurdles, athletes can record two top-10 marks in the same year, because you run prelims on day 1 and finals on day 2. Those are two distinct competitions; your prelim time can get you INTO the finals, but it can't win you a final.

In the horizontal jumps and throws, an athlete can only record one top-10 mark in a year, because your mark is the best of the six throws you get across the prelims and finals. In other words, you can (and people do) win the meet with one of your first three throws.

Former members of the conference and their corresponding abbreviations:

CSC - Concordia (left conference in 1972, closed in 1977)

IT - Indiana Tech (left conference in 1978)

TSU - Tri-State (left conference in 1981, now in Division III and known as Trine)

Field event marks are ranked by their IMPERIAL distances, to the full inch in the discus, hammer and javelin and the quarter-inch elsewhere. This is because we have several top-10 marks that are old enough to have been recorded when the imperial marks were official and it did not feel right to have them get passed on the basis of how things round when they are converted. NAIA qualification standards, and performance lists, however, are set on the basis of the METRIC mark.

There are no results available for the men's and women's hammer throw in 2002.

Past team scores are in a separate document (tabs did not play nicely when transferred from Word to Google Docs). We have results archived since 2001 and host sites since 1988.
