TRULY OUTSTANDING

Tyrell Taitt ranks as perhaps the most versatile NC State track and field athlete of all time. There is one distinction he does hold all to himself, and that is as the Wolfpack's only individual NCAA Champion.

Boasting he would before he went, Taitt captured the 1993 NCAA outdoor triple jump title in New Orleans.

Taitt earned three All-America citations during his career at NC State. He finished second in the triple jump at the NCAA Indoor Championships in 1993, won the outdoor crown in '94 and placed third outdoors in 1994.

During his career he owned the triple jump in the Atlantic Coast Conference, winning three indoor titles and outdoor crowns.

Taitt would compete in any event to help his team. Taitt relished competition and at the 1994 ACC Outdoor Championship he competed in four events—the high jump, long jump, triple jump and 100-meter dash.

Taitt had one second and two thirds in the ACC outdoor long jump and in 1993 placed sixth in the high jump, leaping 6'10.75".

Taitt was honored in 1993-94 with NC State's H.C. Kennett Award, which is given annually to the university's top student-athlete.

There was a time when Taitt's track career almost ended. Following his NCAA title in '93 he was diagnosed with two ruptured discs. He struggled to walk across campus and considered retiring from the sport. Taitt wore a back brace for three months to ward off surgery to fuse his vertebrae. But quitting, he said, went against his never-say-die philosophy.

LEADER OF THE PACK

NC State's Danny Peebles is one of just four athletes in ACC track & field history to win the ACC Championship's Most Outstanding Performer award in back-to-back years. In leading the Wolfpack to ACC titles in 1987 and 1988, Peebles was without a doubt the 'Leader of the Pack'.

Peebles, who also excelled as a wide receiver on the football squad, was nothing short of phenomenal as a trackster. Peebles was honored in 1988-89 with the Kennett Award, the university's top athletic accolade.

A Raleigh native, Peebles earned nine All-America citations during his career. He was a seven-time outdoor All-America and twice indoors. In 1987, he finished second outdoors in the 200 meters and in 1988 he was second at the 200 meters indoors and outdoors. Peebles was a strong leg on four Wolfpack All-America 4x100 meter relay teams, including the 1985 squad which captured the NCAA Championship.

On the football field, Peebles caught 65 passes for 1,086 yards and eight touchdowns. He ranks as one of the school's leaders in career yards, and played in the NFL for three seasons before a neck injury forced him to retire.

TRACK/FOOTBALL CONNECTION

NC State has enjoyed the success of many of its football players on the track and field program. The Wolfpack has one of the nation's strongest traditions of football athletes also being a part of the track and field program. Due largely to an outstanding amount of cooperation between track coach Rollie Geiger and the football coaching staff, Wolfpack football athletes with track potential are allowed to come out, stay in shape and help the track squad.
