Roger Kelly

Alex G. Spanos

Al Marinai, an offensive lineman on the Cal Poly football teams of the late 1950s and a survivor of the 1960 plane crash in Toledo, Ohio, passed away June 25, 2019, at St. Mary's hospital in San Francisco. Marinai was 79. Inducted into the Cal Poly Athletics Hall of Fame in 2000 as an individual and also in 2006 with the entire 1960 football team, Marinai was considered one of Cal Poly's best offensive linemen from 1958-60 before his career was cut short by the plane crash. Marinai also was a member of the Cal Poly wrestling team. After recovering from the accident, he attended ITC Technical school and became a draftsman and worked for Standard Oil in San Francisco. He also learned to play the guitar, both bass and acoustic. For many years from the 1970s through the 80s, he enjoyed getting musicians together to play at weddings and parties.

Roger Kelly, a survivor of the 1960 plane crash who went on to become one of the most influential coaches in Tulare County football history, died on Monday, May 27, 2019, in Sheridan, Wyoming. In three varsity seasons at Cal Poly, Kelly rushed for 273 yards on 73 carries, scoring three touchdowns. He also caught 35 passes for 586 yards and five more scores. Kelly averaged 22.6 yards on 13 kickoff returns and intercepted three passes. After brief coaching stints at Bakersfield High (assistant coach), Bakersfield College (offensive line coach) and North High in Bakersfield (head coach), Kelly was head coach at Paso Robles High School from 1966-68, compiling a 12-15-1 record in his three seasons with the Bear-cats. He then coached at Redwood High School in Visalia from 1969-88 before taking over the head coaching duties at College of the Sequoias (1989-2004). Kelly directed Redwood to four CIF-Central Section titles (1973, 1982, 1983, 1988) while compiling a 148-72-2 record.

Former Cal Poly standout running back **Perry "The Jet" Jeter**, inducted into the Minor Pro Football Hall of Fame in 2015, passed away on May 18, 2019, one day after his 88th birthday, in Steubenville, Ohio, due to the effects of Alzheimer's. Jeter, a graduate of Steubenville High School, attended San Bernardino Valley College in San Bernardino, Calif., before transferring to Cal Poly, where he played football from 1953-55. He was drafted by the Chicago Bears in the 26th round in 1955. He also was an outfielder on Cal Poly's 1954, 1955 and 1956 baseball teams. Jeter held or shared numerous school rushing and scoring records at the time and was a member of the 1953 team that posted a perfect 9-0-0 record. He rushed for 543 yards in 1953, 877 yards in 1954 and 320 yards in 1955 for a career total of 1,740 yards on 261 carries (6.7 average per carry) and 28 touchdowns. He scored 203 points in 29 games.

Marijon Ancich, California's second-winningest high school football coach and former Cal Poly standout who used innovation and discipline during his days at St. Paul High School in Santa Fe Springs, died Dec. 8, 2018, in Whittier, Calif., at the age of 81 or 82. A graduate of San Pedro High in 1955 and Cal Poly in 1961, Ancich had a 360-134-4 career record at St. Paul and Tustin high schools, second only to former De La Salle coach Bob Ladouceur. Ancich was a four-year varsity letterman (fullback, defensive back and linebacker) and a two-year varsity letterman in track while attending Cal Poly. The two-time All-CCAA selection earned his bachelor's degree at Cal Poly in 1961 and a master's degree at Azusa Pacific in 1980.

Alex G. Spanos, Cal Poly alumnus and a longtime supporter and philanthropist for the university and, more recently, longtime owner of the National Football League's Los Angeles Chargers, passed away on October 9, 2018, at age 95. Alex's relationship with Cal Poly began during his time as a student in the aerospace engineering program in 1941-42. Alex was a member of the men's swimming team and, with his brother Danny, was a member of the Men's Glee Club and served as a drum major for the marching band. Alex's $8 million donation in 2004 to renovate the university's football stadium is one of the most significant gifts in the history of Cal Poly Athletics. The Spanoses also donated $1.5 million to the university in 2003 to help fund the remodel of the Cal Poly Theatre — now named the Alex and Faye Spanos Theatre — a significant part of the Performing Arts Center complex on campus.
