JEFF COOK
HEAD COACH
 FIFTH SEASON
 BATES COLLEGE '89

Bringing more than 25 years of collegiate and professional coaching success to Penn State, Jeff Cook enters his fifth year at the helm of the storied men's soccer program in 2022. He was named the 12th head coach in program history on Jan. 2, 2018.

As a collegiate head coach, Cook has led his teams to 11 NCAA Tournament appearances and six conference championship titles. He has coached 74 all-conference selections, seven All-Americans, and eight Scholar All-Americans. Cook picked up his 200th career win as a collegiate head coach on Feb. 23, 2021 as the Nittany Lions defeated Rutgers, 2-1, on the road. He now holds a career record of 220-160-57 (.569).

Cook led Penn State to an historic season in 2021 on the back heels of a successful spring campaign played during the COVID-19 pandemic. The Nittany Lions captured both the Big Ten Regular Season and Big Ten Tournament championship crowns and advanced to their third-straight NCAA Tournament for the first time since 1993-95. For that, Cook was named the 2021 Big Ten Coach of the Year, and the staff earned 2021 United Soccer Coaches North Region Staff of the Year nods.

The Nittany Lions' Big Ten Tournament title was the program's first since 2005 after advancing to their second-straight title game for the first time since 2010-11. The defense shut out every team in the three games en route to the trophy, while the offense outscored opponents 7-0 for the largest goal margin in tournament history.

Cook coached sophomore Peter Mangione to earn Big Ten Offensive Player of the Year honors, the program's first conference Offensive Player of the Year nod since Connor Maloney in 2014. It marks the second Big Ten Player of the Year honor under Cook's tutelage, joining Aaron Molloy's Midfielder of the Year award in 2019. Four other players earned All-Big Ten honors, including redshirt senior defender Brandon Hackenberg's third consecutive first-team nod to become the first defender in program history to do so.

The team also finished ranked No. 24 in the final rankings from United Soccer Coaches. It marked the first time since at least 1996 with three consecutive top-25 finishes.

In an unprecedented 2020 season postponed and played in spring 2021 due to the COVID-19 pandemic, Cook kept the Nittany Lions prepared as the team continued to grow its presence in the national spotlight. Cook's squad finished with a 9-2-2 overall record and a 6-1-1 record in Big Ten Conference play for their second-straight runner-up finish.

The Nittany Lions advanced to their first Big Ten Tournament championship game since 2011, narrowly losing the title to Indiana on penalty kicks. Penn State then earned an at-large bid to the NCAA Tournament for its second consecutive appearance, eventually defeating UMass in the second round, 4-1, to advance to its first Sweet Sixteen since 2013.

Offensively, the Nittany Lions scored 28 goals in the shortened season for an average 2.15 per game, a mark that was first in the

conference and 13th nationally. The team concluded the 2020-21 season ranked No. 11, the program's highest final-season ranking since 2005.

Cook coached redshirt senior midfielder Pierre Reedy and junior forward Danny Bloyou to third team All-America status in 2020-21, as well as first team All-Big Ten honors. Reedy was also named a Big Ten Medal of Honor recipient, the conference's most exclusive award. Cook also helped redshirt senior defender Brandon Hackenberg to his second-straight first team All-Big Ten nod while Hackenberg was drafted 22nd overall in the first round of the 2021 MLS SuperDraft to Orlando City SC.

In the classroom, the 2020-21 roster saw a program-record 19 student-athletes earned Academic All-Big Ten honors. Reedy, Hackenberg and junior midfielder Seth Kuhn all earned Scholar All-America accolades from United Soccer Coaches, a first for the program since 2004. Reedy was also named as a CoSIDA First Team Academic All-American, the program's first since 2009.

Cook started to bring the Nittany Lions back into the national spotlight during the 2019 season with a 12-4-3 overall record and a second-place 6-1-1 Big Ten Conference record.

Penn State made its first NCAA Tournament appearance since 2014 and earned a first-round bye with a No. 15 national seeding. The team concluded the 2019 season ranked No. 18, the first final-season ranking since 2013.

Cook led senior midfielder Aaron Molloy to an outstanding final collegiate season in 2019. Molloy was named Big Ten Midfielder of the Year, first team All-Big Ten, second team All-American, and MAC Hermann Trophy Semifinalist. He was then drafted 16th overall in the first round of the 2020 MLS SuperDraft to the Portland Timbers. Cook also coached freshman forward Liam Butts and redshirt junior Brandon Hackenberg to first team All-Big Ten honors.

The roster for the 2019-20 school year earned a Team Academic Award from United Soccer Coaches for the second-straight year under Cook's tutelage and 10th all-time.

In his first season at Penn State in 2018, Cook led the Nittany Lions to a 6-9-2 record and a 3-3-2 record in Big Ten play. The Nittany Lion defense posted six clean sheets in 2018, the most since the 2015 season.

Cook coached junior midfielder Aaron Molloy to second team All-Big Ten honors as well as third team All-North Region honors from United Soccer Coaches.

The 2018 roster saw success academically with a cumulative 3.32 team grade-point average in the fall semester under Cook, the top men's team GPA at Penn State.

Cook came to Happy Valley with 27 years of coaching experience, including the previous four-plus years coaching professionally with the Philadelphia Union Academy and Bethlehem Steel FC.

A native of Springfield, Mass., Cook was recruited by the Philadelphia Union of Major League Soccer (MLS) in April 2013 to assist in running its youth development program, with the goal of producing homegrown professional soccer players. While at the Union, Cook also served as the first assistant coach of the Union's United Soccer League (USL) affiliate and development team, Bethlehem Steel FC, and as the head coach of the U-19 Union Academy team.

As the first assistant coach with Bethlehem Steel FC, Cook was responsible for match preparations, designing and executing training sessions, video analysis and coordinating player movement between the U.S. Soccer Development Academy, the USL squad and the Union first team. Cook was instrumental in the development of the club's first two "homegrown players" since the founding of the full-time academy program.

As the club's U-19 head coach, Cook guided the squad to the 2016-17 USSDA Atlantic Division title and a third-place finish in the national standings. Cook was also the head coach of the club's U-17 squad that finished second in the 2015-16 national standings and qualified for the Elite stage of the MLS Youth Cup that season.

Prior to coaching professionally, Cook spent 17 years as a Division I head coach, leading Dartmouth College for 12 seasons (2001-12), in addition to five years as the head coach at the University of Cincinnati (1996-2000).

Cook directed Dartmouth to five Ivy League Championships (2002, '04, '05, '08, '11) and seven NCAA Tournament appearances, advancing to the Sweet Sixteen in 2008 and 2010. The Big Green were among only 12 programs nationally to qualify for five consecutive NCAA Tournaments and earned No. 16 national seeds in 2005 and 2008.

Cook led the coaching and development of 53 All-Ivy players, two All-Americans and a trio of Scholar-Athlete All-Americans at Dartmouth. He also directed the men's soccer student-athletes to numerous academic achievements, including earning the National Soccer Coaches Association of America's Team Academic Achievement Award for five consecutive seasons and seeing the Big Green lead all the Division I programs one year with a 3.46 GPA.

From 1996-2000, Cook served as the head coach at Cincinnati, guiding the Bearcats to their first NCAA Tournament berth in 1998 and posting the program's most wins since 1989 (12). That season, Cincinnati upset top-ranked SMU and went 5-1 in its last six regular-season matches.

The 1997 Conference USA Coach of the Year, Cook had three selections on the C-USA All-Freshman Team, which included two-time All-American and Cincinnati Athletics Hall of Fame inductee Andrew Kean.

Academic excellence was a focus for Cook and his Bearcat program as he also developed Cincinnati's first NSCAA Scholar-Athlete All-American.

A graduate of Bates College, Cook began his coaching career as an assistant coach at the University of Massachusetts. He then led Wheaton College as head coach from 1991-93, posting records of 13-6-1 and 12-6-2 his last two seasons and earning ECAC Tournament berths. Cook served as a Dartmouth assistant coach in 1994-95 before matriculating to Cincinnati as head coach.

Cook and his wife, Christina, have two sons, Liam, who graduated from the University of Pennsylvania in 2019, and Kieron, who is a junior at Penn State.

GREG DALBY
 ASSOCIATE HEAD COACH
 FIFTH SEASON
 NOTRE DAME '07

Greg Dalby enters his fifth season on the men's soccer staff in 2022 after being hired by head coach Jeff Cook in February 2018. Dalby was promoted to Associate Head Coach in February 2020 after serving as an assistant coach for the previous two seasons.

At Penn State, Dalby helps with all aspects of the program including, but not limited to: recruiting, session planning, individual player development, form management and camp planning.

In 2021, Dalby helped continue the momentum and success the team had from the spring COVID season into an historic fall by leading the Nittany Lions to a Big Ten "double", capturing the regular season title for the first time since 2013 and the tournament crown for the first time since 2005. Penn State also advanced to the NCAA Tournament for the third-straight season for the first time since 1993-95.

Dalby coached midfielders Andrew Privett, Pierre Reedy and Seth Kuhn to All-Big Ten Second Team honors, while also helping striker/midfielder Peter Mangione, the Big Ten Offensive Player of the Year. Dalby and the staff were named the 2021 United Soccer Coaches North Region Staff of the Year.

In his first season as associate head coach and his third season overall, Dalby once again guided Penn State to a runner-up finish in the Big Ten and its second-straight NCAA Tournament appearance and first Sweet Sixteen since 2013.

Dalby coached midfielders Pierre Reedy and Seth Kuhn to All-Big Ten honors on the first team and second team, respectively. He also helped Reedy and forward Danny Bloyou to Third Team All-America status.

Under Dalby's guidance, the Nittany Lion offense in 2020-21 scored 28 goals in a shortened season for an average 2.15 per game, a mark that was first in the conference and 13th nationally.

In 2019, Dalby helped lead the Nittany Lions to their first NCAA Tournament appearance since 2014 after a 12-3-3 regular-season record.

He assisted in coaching senior Aaron Molloy to be Big Ten Midfielder of the Year, First Team All-Big Ten, Second Team All-American, and Mac Hermann Trophy Semifinalist.

Dalby came to Happy Valley after being the lead assistant coach at Davidson College from 2015-17. At Davidson, Dalby was responsible for recruiting and talent development among a wide range of other duties. Prior to his time at Davidson, Dalby served as the assistant coach of his alma mater, Notre Dame, where he helped the squad to a 2013 NCAA Championship as well as a

2012 Big East Tournament Championship and back-to-back ACC regular-season championships in 2013 and 2014.

Dalby spent seven years as a professional soccer player, starting his career in the Belgian Premiere League at Royal Club Sporting Charleroi before moving on to the Colorado Rapids Major League Soccer Club where he played for two seasons. Dalby closed his professional career at the Charlotte Eagles where he spent two seasons as co-captain. Throughout his time in professional soccer, Dalby served on the U.S. Soccer Athlete Council where he contributed to the drafting and implementation of new legislature to benefit the athletes.

As an NCAA student-athlete, Dalby played four years at Notre Dame where he was a two-year team captain, leading the Fighting Irish to back-to-back Big East regular-season championships in 2003 and 2004. Dalby was a NSCAA first-team All-American as well as a MAC Hermann Trophy semifinalist in 2005 and 2006. He was also named Big East Midfielder of the Year and garnered first-team All-Big East honors twice.

Dalby earned Big East Academic All-Star team honors for three seasons and was captain of the United States U-20 men's national team in the FIFA Youth World Cup in 2005. Dalby served as the men's soccer Student-Athlete Advisory Council representative and was awarded Notre Dame's prestigious Byron V. Kanaley Award, recognizing senior athletes who excelled as both students and leaders.

Dalby and his wife, Stacey, have three children, Addilynn, Miles and Brayden.

CLINT LONG
ASSISTANT COACH
 THIRD SEASON
 CAL STATE STANISLAUS '14

Clint Long enters his third season as a men's soccer assistant coach in 2022 after being hired by head coach Jeff Cook in March 2020. Long is specifically in charge of the Nittany Lion goalkeepers and works closely with the team's defending unit.

In addition, Long helps with all aspects of the program including, but not limited to: recruiting, session planning, individual player development, camp planning, and Nike gear ordering and management.

Long helped Penn State to a historic 2021 campaign as the Nittany Lions captured both the Big Ten regular season and tournament crowns. He and the staff were named the 2021 United Soccer Coaches North Region Staff of the Year.

During the title run, Long coached the backline and junior goalkeeper Kris Shakes to four-straight shutouts to raise both trophies in Happy Valley. Penn State's 7-0 goal margin in the Big Ten Tournament was the largest margin in tournament history. The Nittany Lions' 3-0 shutout of Indiana in the championship match also marked the first time since 2008 a team has shut out the Hoosiers in a conference tournament.

Long also assisted backline veteran Brandon Hackenberg to his third-straight first team All-Big Ten honor, the first Nittany Lion defender to ever garner three first-team nods in his career.

In his first season with the Nittany Lions, Long guided sophomore goalkeeper Kris Shakes to a second team All-Big Ten honor and a Big Ten Co-Defensive Player of the Week nod during the unprecedented spring 2021 season. Shakes held a 0.96 goals-against average during conference play with a .793 save percentage, along with three clean sheets. He finished with the second-best save percentage in the league and one that stood top 50 nationally.

Long also assisted in backline leader Brandon Hackenberg's second-straight first team All-Big Ten plaudit, and helped coach and develop two Third Team All-Americans in 2020-21 in midfielder Pierre Reedy and forward Danny Bloyou.

Long matriculated to Penn State from Oregon State where he was an assistant coach for the Beavers during the 2018 and 2019 seasons. The Beavers finished back-to-back seasons with Long on staff with winning records for the first time since 2002-03.

He managed all aspects of goalkeeping at Oregon State and helped the defensive unit by planning and executing training curriculum. The Beavers posted four shutouts during the 2018 season with a 1.12 goals against average. The defense had five shutouts and a 1.14 goals against average in 2019.

HEAD COACH PROFILES

JEFF COOK

2018-Present

PSU Record: 40-22-8 (.571)

Cook led Penn State to an historic season in 2021 on the back heels of a successful spring campaign played during the COVID-19 pandemic. The Nittany Lions captured both the Big Ten Regular Season and Big Ten Tournament championship crowns in 2021 and advanced to their third-straight NCAA Tournament for the first time since 1993-95. For that, Cook was named the 2021 Big Ten Coach of the Year, and the staff earned 2021 United Soccer Coaches North Region Staff of the Year nods.

As a collegiate head coach, Cook has led his teams to 11 NCAA Tournament appearances and six conference championship titles. He has coached 74 all-conference selections, seven All-Americans, and eight Scholar All-Americans. Cook picked up his 200th career win as a collegiate head coach on Feb. 23, 2021 as the Nittany Lions defeated Rutgers, 2-1, on the road. He now holds a career record of 220-160-57 (.569).

BOB WARMING

2010-2017

PSU Record: 78-60-18 (.583)

In 2014, Warming led PSU to its second-straight NCAA Tournament, carrying a 13-6-1 record and tying for second in the Big Ten. In 2013, he led Nittany Lions to a 13-6-2 record, a second-straight Big Ten title and the NCAA Sweet 16. Warming won his second-straight Big Ten Coach of the Year honor following the team's Big Ten title in 2012, PSU's first in seven years. In his first year in Happy Valley, Bob Warming, the third winningest active NCAA Division I coach, led Penn State to a 14-8-1 record and to the third round of the NCAA Tournament. The 2010 Nittany Lions featured the nation's leader in goals and points (Corey Hertzog) and assists (Matheus Braga).

BARRY GORMAN

1988-2009

PSU Record: 266-158-42 (.616)

Barry Gorman, the program's all-time winningest coach with 266 career victories, led Penn State to three Big Ten Conference Championships and two Atlantic 10 Conference Championships, and earned three NSCAA Regional Coach of the Year awards. Gorman coached seven All-Americans, 22 first-team All-Big Ten honorees and 21 All-Region honorees.

WALTER BAHR

1974-87

PSU Record: 185-66-22 (.718)

During his distinguished career, Bahr led Penn State to 12 NCAA Championship appearances and to an Atlantic 10 Conference Championship in 1987. He was named Regional and National Coach of the Year in 1979 and is an NSCAA Hall of Fame inductee. Bahr coached five All-America selections, two Soccer America Freshman All-America honorees, a Hermann Award winner, two Olympians and 16 All-Mid-Atlantic Region honorees.

HERB SCHMIDT

1968-73

PSU Record: 38-21-8 (.627)

Schmidt guided Penn State teams that earned four NCAA Championship field berths in his six-year tenure, including the program's first appearance in an NCAA championship (1970). He coached six All-Mid-Atlantic Region honorees during his career.

KEN HOSTERMAN

1953-67

PSU Record: 72-60-5 (.544)

Hosterman owns Penn State's third-longest head coaching tenure. He coached two consecutive ISFA championship teams, three All-America selections, three Olympians and three All-Mid-Atlantic Region players.

BILL JEFFREY

1926-52

PSU Record: 153-24-29 (.813)

Penn State's sixth head coach, Jeffrey is Penn State's all-time coaching leader by percentage and possesses the program's longest coaching tenure at over a quarter of a century. His teams outscored their opponents 689-184 and captured seven ISFA championships. His 1933 team posted Penn State's first perfect season, amassing a 6-0-0 record. Jeffrey led the U.S. Soccer team to a momentous 1-0 win over England in the 1950 World Cup.

RALPH LEONARD

1924-25

PSU Record: 9-1-1 (.864)

Over Leonard's two seasons leading the program, the Lions outscored their opponents by an impressive 29-6 margin.

LARRY LONGHURST

JIM CROWELL

1916-17, 1919-20

Penn State's historic mission of teaching, research, and public service — launched under the most modest of circumstances more than 150 years ago — now reaches into virtually all parts of Pennsylvania. Consider, for example, that the University now has 24 campuses across the Commonwealth, putting a Penn State education within practical reach of nearly every Pennsylvanian. In fact, more than 95 percent of Pennsylvania residents live within a 30-mile radius of a Penn State campus and about 70 percent of Penn State's undergraduates are Pennsylvania residents.

Penn State is Pennsylvania's largest nongovernmental employer and has employees and expenditures in every one of its 67 counties. The University generates a total economic impact across the Commonwealth that surpasses \$11.6 billion annually and is consistently ranked among the top 1% of the world's universities.

Part of that impact is derived from Penn State's research program, which brought more than \$633 million in federal funds to Pennsylvania last year, and an additional \$101 million from private industry. In addition, as part of its Invent Penn State initiative, the University has funded 21 innovation hubs, designed to bolster entrepreneurship and economic development in communities surrounding its campuses across Pennsylvania.

Penn State's outreach and online programs — ranging from 4H to Cooperative Extension, from summer camps to public broadcasting — provide educational and service programs to more than a million Pennsylvania households annually.

The University's presence throughout Pennsylvania today contrasts sharply with its humble beginnings. Chartered as a college of scientific agriculture, the institution was located in rural Centre County after James Irvin, a partner in the Centre Furnace iron works (remains of which can be seen today along East College Avenue), offered to donate 200 acres of farmland for a campus.

Founding President Evan Pugh wanted the fledgling institution to embody a new approach to higher education that blended classical studies with subjects that had practical value. He joined similar visionaries in other states in convincing Congress to pass the Morrill Land-Grant Act in 1862. The act gave individual states tracts of federal land to sell; the proceeds supported colleges that agreed to include engineering, science and the liberal arts as well as agriculture in their course of studies. In 1863, the Pennsylvania legislature designated Penn State the Commonwealth's sole land-grant institution. The lawmakers in effect bestowed on the privately incorporated college a public character. In return for state support, the institution assumed obligations of teaching, research and service that are normally associated with publicly owned land-grant universities in other states.

By the 1890s Penn State was making its mark. It ranked among the nation's 10 largest undergraduate engineering schools, a distinction it still holds. It established one of the nation's first collegiate agricultural experiment stations, and Professor Whitman Jordan's pioneering research on using fertilizers for soil enrichment had global impact on crop yields.

Penn State in 1871 became one of the first land-grant schools in the Northeast to admit women, graduated its first international student in 1890, and its first African-American student in 1905. Today, Penn State draws more than 9,000 students from around the world to study at its campuses, and the international students, researchers and scholars who come to Penn State represent more than 140 countries.

In the early 1900s, President Edwin E. Sparks supported a number of efforts to "carry the college to the people," as he liked to say. Technical institutes were established in various

locations statewide for engineering education, beginning with an evening school in Allentown in 1910. In 1912, Penn State helped create a system of county agents in agriculture and home economics. Today, the Penn State World Campus, which offers one curriculum at multiple access points to meet people where they are, builds on that outreach tradition.

But undergraduate education remained foremost. Enrollment surpassed 5,000 students by 1936, including those attending several undergraduate centers that were created for students who, in the depths of the Great Depression, could not afford to leave their hometowns to get a college education. The centers offered the first year of baccalaureate studies and were the predecessors of today's statewide system of campuses. Thanks to this innovative approach to higher education, Penn State in the 1930s became Pennsylvania's largest single source of baccalaureate degrees, a distinction it holds to this day.

Following World War II, Penn State underwent unprecedented expansion, first to meet the needs of returning military veterans and later to accommodate the Baby Boom generation. Total enrollment at all Penn State campuses climbed to 40,000 by 1970.

The University also emerged on the national scene as a research powerhouse in fields as diverse as dairy science, acoustics, psychology and diesel engineering. The expansion of research went hand in hand with a steady increase in the number of graduate students. The University awarded its first graduate degree — a master's degree in scientific agriculture — in 1862, and the Graduate School was established in 1922. But overall graduate enrollment remained modest until the 1950s, then swelled steadily. The Graduate School has awarded to date approximately 130,000 master's, doctoral and other advanced degrees.

The University Park campus is Penn State's administrative and research hub. In addition, there are 19 primarily undergraduate campuses; Penn State Health Milton S. Hershey Medical Center and the College of Medicine; the Pennsylvania College of Technology; Penn State Law; Dickinson Law; the Penn State Great Valley School of Graduate Professional Studies; and the Penn State World Campus.

To date, Penn State has awarded more than 909,000 degrees, hallmarks of an educational experience second to none in quality. In addition, Penn State alumni — including 371,000 in Pennsylvania alone — have job- and social-networking opportunities that no other college or university in the Commonwealth can surpass.

DR. PAT KRAFT
VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS
 INDIANA UNIVERSITY (B.A.), (M.S.), (PHD)

An accomplished administrator with a 15-year career in intercollegiate athletics, Dr. Patrick Kraft began his tenure as the Vice President for Intercollegiate Athletics on July 1, 2022. Kraft came to Penn State after spending two years as the director of athletics at Boston College. Believing the foundation and future success of an athletics department is based on developing and caring for the whole person, Kraft has a long history of a strong commitment to student-athlete development on and off the playing surface while being an advocate for coaches and staff.

Penn State President Neeli Bendapudi introduced Kraft as the new leader of the Nittany Lions on April 29, 2022.

“Pat is an exceptional and inspiring leader with the vision, experience and drive to excel in this role and to build upon our tradition of intercollegiate athletic success,” said Bendapudi. “Along with having a bold vision for excellence and an impressive record of achievement, Pat values teamwork and cares above all about the success and development of student-athletes and coaches on and off the field. With Pat at the helm of our athletics department, the possibilities of what we can accomplish ahead are unlimited.”

Kraft’s career includes leadership roles at Boston College, Temple University, Loyola University Chicago and Indiana University. In addition, he has taught business, sports marketing, and management courses throughout his career and is a former Big Ten football student-athlete.

In his two years as the director of athletics at Boston College, Kraft guided 31 varsity teams, oversaw numerous fundraising efforts, renovated spaces which would have the greatest impact on student-athletes, and was responsible for expanding the department’s mental health and reporting resources. Under his leadership, the Eagles excelled in the classroom and in competition with 70% of all student-athletes earning a 3.00 GPA or better in the 2021 fall and spring semesters and five teams being ranked in the top 25 nationally. Among the other accomplishments for Kraft during his time at Chestnut Hill included Boston College earning its sixth NCAA Championship, and the first for the women’s lacrosse team, the first postseason victory for women’s volleyball, and two bowl game qualifications for the football program.

Under Kraft, Boston College met fundraising goals to support efforts for a future practice facility for the men’s and women’s basketball programs, fully endowed head coach positions for ski and women’s ice hockey, support athletics scholarships and financial aid, and more. He led \$84 million in fundraising and completed more than 11 capital projects. The Student-Athlete Academic Advising space was renovated to support student-athletes in their pursuit of academic excellence, and construction was completed on a new football locker room and training room, as well as the Barry Gallup Sports Medicine Facility, which offers a state-of-the-art saltwater therapy room, new hydrotherapy pools, recovery rooms, nutrition centers and rehabilitation spaces, during Kraft’s tenure.

Kraft also led the department into a new apparel and footwear partnership, the largest financial footwear and apparel agreement in Boston College Athletics history.

Prior to his tenure at Boston College, Kraft served as the director of intercollegiate athletics at Temple University after spending two years as the university’s deputy athletic director.

During his five years at the helm at Temple, Kraft oversaw a department of 180 employees with 19 sports and more than 500 student-athletes. He was responsible for all facets of athletics administration, including academics, NCAA Title IX compliance, diversity and finances, and led the hiring of new head coaches in football, men’s basketball, men’s and women’s soccer, and field hockey. Along with significant program milestones for women’s lacrosse, fencing, gymnastics, men’s crew and women’s rowing under Kraft’s leadership, the football team won the 2016 American Athletic Conference Championship (AAC) and made five-straight bowl appearances for the first time in school history, the men’s basketball team won the 2015-16 regular season AAC title and the women’s basketball team made the 2017 NCAA Tournament for the first time in five years.

With a focus on student-athlete academic performance, career development and mental health, at Temple, Kraft also led an effort to improve classroom performance resulting in an NCAA Academic Performance Rate (APR) that ranked fourth among Division I FBS institutions in 2018-19, followed by a school record 90% Graduation Success Rate for 2019. He also oversaw planning and fundraising efforts for more than \$55 million in construction and renovation projects, including the Temple Sports Complex for men’s and women’s soccer, field hockey, women’s lacrosse and track & field, as well as enhancements to locker room facilities for all 19 sports, an all student-athlete lounge, multiple student-athlete nutrition centers and updated practice facilities for several sports.

Kraft is a current or former member of several committees, including the NCAA Football Oversight Committee, NCAA Football Competition Committee, NCAA Women’s Basketball Committee, NCAA Strategic Vision and Planning Committee, LEAD1 working group on student-athlete time demands, Collegiate Athletic Leadership Symposium faculty member and AAC finance committee. He served as vice chair of the Athletic Directors of the AAC and has been an invited speaker at the National Association of Collegiate Directors of Athletics annual convention.

Kraft was recognized by Sports Business Journal as “one of the top 40 sports executives under the age of 40” and the Philadelphia Business Journal as “one of the top Business Executives in Philadelphia under the age of 40.” His scholarly work has been published in the International Journal of Sports Marketing and Sponsorship, International Journal of Sport Management and Marketing, Sport Marketing Quarterly and Branding in Sport Business.

A native of Libertyville, Illinois, Kraft earned a bachelor’s degree in sport marketing management, master’s degree in sport marketing administration and doctoral degree in sport management, all from Indiana University.

Kraft and his wife, Betsy, have a daughter, Annabelle, and son, Joseph.
