Head Coach Profile

Chris Pfau

Pfau took over the Purple Aces women's soccer program for the second time in December of 2019, after serving as head coach from 2005-07. In the first go-around at UE, Pfau orchestrated the seventh-best turn around in the country in 2005, while putting together three 10-win seasons and advancing to the MVC Tournament finals in his second season as head coach.

The 2025 campaign, Pfau's sixth in his second stint as UE head man, saw the Aces reach their highest win total since the 2021 season. The Aces scored 20 goals on the year, their most since 2021, and saw four student-athletes land on All-Missouri Valley Conference teams.

The 2021 season, the second of Pfau's second session as head coach, saw a return of UE to the MVC Tournament finals, while posting the highest victory total in nearly a decade. Pfau led Evansville to its best start in program history, while helping UE earn a regional-ranking for three-straight weeks. In fact, UE was ranked as high as fifth in the United Soccer Coaches Midwest Region poll during the 2021 season.

Pfau's first season back in white and purple saw his side put up impressive statistics on the defensive side. In the eight-match spring season, the Aces recorded five shutouts and only allowed three goals. Evansville's three goalkeepers were outstanding, each seeing time between the posts with all three recording at least one shutout.

Evansville finished inside the top three in the nation in both save percentage (.936) and goals-against average (.342) and concluded the season in 15th in NCAA DI in shutout percentage (.625). The Aces three goals allowed put them tops in The Valley in the category. Goalkeeper Michaela Till finished her fourth season at UE as one of the best goalkeepers in the nation statistically. Till ended the spring third in save percentage (.929) and fifth in goals against (.367) in the nation.

During his nine total years as head coach of the Purple Aces, Pfau's student-athletes have received numerous accolades including four All-Region players, 29 MVC All-Conference selections, nine MVC All-Freshman Team selections, and 26 conference players of the week. In 2006, Pfau and his assistants were named the MVC Coaching Staff of the Year. Overall, he has fashioned a 51-60-37 record in nine seasons as head coach of the Purple Aces.

Pfau's extensive head coaching resume includes stops as head coach at Akron (2008-12) where he earned back-to-back undefeated seasons against MAC East Division foes and won the MAC East for the first time in school history, and Houston (2012-17), leading the Cougars to their first postseason berth since 2010.

He also brings a wealth of coaching experience from various avenues in the soccer field. As an assistant at Princeton from 2003 through 2005, he helped his team earn a berth in the College Cup Final Four. Prior to his that, his coaching experience includes the director of coaching for the Junior Irish Soccer Club (2002-03), head women's coach at St. Mary's College (2002-03), head men's coach at Mount Mary College (1999-02), assistant for the Cincinnati River Hawks of the A-league from 1997 through 1999 and the head coach of the Cincinnati United Soccer Club (1995-99). In his final stop before coming back to Evansville, Pfau was an assistant coach at Valparaiso from 2017-19.
