**MEET THE MAVERICKS:**

The Colorado Mesa Mavericks have competed in tough games this season, leading them to a 1-4 overall record thus far. Most recently the Mavericks suffered a 48-21 home loss to No. 21/8 Colorado School of Mines. The Mavericks posted all 21 points in the opening two quarters, being held scoreless in the second half by a strong Orediggers defense. It would have been just a three-point contest had Colorado Mesa not allowed Mines to score a massive 24 points in the second quarter by way of 64-yard receiving touchdown, 10-yard rushing touchdown, 20-yard field goal, and a 27-yard pick-six just before the half.

On offense the Mavericks are averaging a powerful 384.4 yards of total offense on the back of 267.8 average yards per game in the air. Karst Hunter has been nothing short of deadly at the quarterback position, completing 53% of his passes for 1,236 yards and ten touchdowns. To the Skyhawks advantage however, Hunter has thrown six interceptions in his 176 attempts.

On defense 18 different Mavericks are all in double-digit tackles. Siaosi Finau leads the squad, picking up 35 total tackles thus far and making two for a five-yard loss. Hudson Metcalf has Colorado Mesa's single interception of the season to pair with a forced fumble, fumble recovery, a pass breakup, and a pair of quarterback hurries. Bryce Stevenson, Jordan Battles, and Dagan Rienks have each added forced fumbles as well.

**LAST TIME OUT:**

Fort Lewis is set to make the trip to Colorado Mesa after a tough conference loss at home to Chadron State College last weekend. The Eagles nearly all but eliminated the Skyhawks offense, holding FLC to just -11 net rushing yards and just 127 passing yards on 17 receptions. Chadron State produced 592 yards of total offense, throwing for 309 yards in the air and another 283 yards rushing. Skyhawks quarterback Braden Wingle was able to keep a clean sheet, completing 17 passes on 32 attempts without an interception or touchdown. Wingle was sacked three times in Saturday's contest. Josiah Flores led the FLC defense with 13 total tackles. Flores made nine solo tackles alongside four assisted tackles, and made a single tackle for a one-yard loss as well.

**Johnny Cox**  
**Head Football Coach**

**1st Season at FLC - 0-5 overall**

**Previous - UNG Pembroke (2014-21)**

**North Carolina AST (2012-14)**

**Jacksonville Jaguars (2009-11)**

One of the FLC football program's all-time greats, Johnny Cox returned to Durango on January 10, 2021 when he was hired as the 16th head coach in program history.

A 28-year coaching veteran, Cox is a 1994 graduate and two-time All American at FLC. He rejoins the Skyhawks after spending eight seasons at the University of North Carolina at Pembroke; a NCAA Division II program competing in the Mountain East Conference.

Inducted into the FLC Athletics Hall of Fame in 1999, Cox was a four-year star for FLC at the wide receiver position from 1990-93. Cox earned First Team All-American honors in 1992 and 1993 while being named the Rocky Mountain Athletic Conference (RMAC) Player of the Year for the 1993 season. Cox still owns FLC school records in receiving yards (3,611) and receiving touchdowns (33), while his 220 career catches are the second most in program history. His dominance on the field made him a two-time finalist for the Harlan Hill Trophy, which is awarded to the best player in NCAA Division II football.

He'd continue his playing career in 1994-95 when he was invited to training camp with the Green Bay Packers in 1994. Cox also played one season with the Orlando Predators of the Arena Football League in 1995. Cox made his NFL coaching debut as a part of former Dallas Cowboys defensive coordinator Monte Kiffin's defensive staff (quality control) with the Tampa Bay Buccaneers for the 2008 season. He also spent time as both the wide receivers and offensive quality control coach for the Jacksonville Jaguars under defensive coordinator Jack Del Rio's staff from 2009-11.

## **LAND ACKNOWLEDGMENT**

We acknowledge the land that Fort Lewis College is situated upon is the ancestral land and territory of the Nuuchiu (Ute) people who were forcibly removed by the United States Government. We also acknowledge that this land is connected to the communal and ceremonial spaces of the Jicarilla Abache (Apache), Pueblos of New Mexico, Hopi Sinom (Hopi), and Diné (Navajo) Nations. It is important to acknowledge this setting because the narratives of the lands in this region have long been told from dominant perspectives, without full recognition of the original land stewards who continue to inhabit and connect with this land. Thank you for your attention and respect in acknowledging this important legacy.
