LAND ACKNOWLEDGMENT

We acknowledge the land that Fort Lewis College is situated upon is the ancestral land and territory of the Nuuchiu (Ute) people who were forcibly removed by the United States Government. We also acknowledge that this land is connected to the communal and ceremonial spaces of the Jicarilla Abache (Apache), Publes of New Mexico, Hopi Sinom (Hopi), and Diné (Navajo) Nations. It is important to acknowledge this setting because the narratives of the lands in this region have long been told from dominant perspectives, without full recognition of the original land stewards who continue to inhabit and connect with this land. Thank you for your attention and respect in acknowledging this important legacy.

THE MUSKET GAME SERIES

The Springfield .45-70 military issue rifle that serves as the traveling trophy between Fort Lewis College and Adams State University was donated in 1966 to the two athletic departments by Mahlon "Butch" White, who was involved with the First National Banks in both Alamosa and Durango, in memory of William White. The rifle is to be retained by the winning school at their annual football game. Traditionally, seniors from the winning team get to fire the rifle at the conclusion of the game. The Musket Game Series was put on pause prior to the 2021 season. No game was held in 2020 due to the COVID-19 Pandemic.

Adams State leads the Musket Game series, 36-17-1. Adams State leads the overall series with Fort Lewis, 40-18-1.

The longest a school has retained the rifle is eight consecutive years (Adams State, 1987-94 & 1988-2005).
