NCAA Infractions Report

Southeast Missouri State University accepts the sanctions announced today by the National Collegiate Athletic Association (NCAA) Division I Committee on Infractions panel in its investigation into the Southeast men's basketball program during the 2015-2016 academic year.

Summary of the violations:

The case involved academic misconduct by a former assistant men's basketball coach at Southeast and centered on 1) knowingly arranging for the receipt of fraudulent academic credit for a prospective student-athlete; 2) providing false or misleading information during his interviews; and 3) failure to cooperate with the institution and enforcement staff's investigation.

Penalties prescribed by the panel include the following:

- Public reprimand and censure of the University
- A two-year extension of probation from the University's 2016 infractions case involving the women's basketball program, which will conclude on Feb. 11, 2019.
- A six-year show-cause period for the former coach from March 10, 2017, through March 9, 2023. Any NCAA school employing him in an athletically related role during that time can appear with him before a Committee on Infractions panel to determine if the former coach's athletically related duties should be limited.
- A \$5,000 fine (self-imposed by the University).

Abe Stuber Track Complex

Abe Stuber Track Complex is the home location for meets held at Southeast Missouri during the outdoor season. Considered one of the finest track facilities in the Midwest, it has been the host of the Ohio Valley Conference Outdoor Track & Field Championships six times and three NCAA Division II Championships. The facility is also home to the Joey Haines Invitational which is held during the first weekend of April every year.

Dedicated in the spring of 1980 and named after the late Abe Stuber - who coached the Southeast track squads from 1932-46 - the facility includes a press box and spectator seating for up to 2,000.

Recently, an \$800,000 update took place as all track and field runways were resurfaced, jumping areas were renovated and new fencing was added to the complex. Previous updates included a brand new hammer cage added in March, 2012 and an office/weight room adjacent to the track in 2002.

The 2,000-square foot building houses a weight room, coaches offices, restrooms and storage. The weight room is equipped with seven multipower racks and lifting platforms, containing nearly 5,000 pounds of free weights, 3,000 pounds of dumbbells and numerous weight training machines.

The Abe Stuber Track Complex is located on the north edge of campus off Sprigg Street and within walking distance to the University.

Student Rec Center

Southeast Missouri's North Student Rec Center is the home for the Redhawk's indoor track meets. All events are held in the east gym of the facility.

The Student Recreation Center is the headquarters of the Recreation Services Department and is the primary facility for recreation activity.

The indoor track is a four lane, 170 meter running/walking track (9 laps per mile). A work out "pit" is the main attraction of the building, containing 4252 square feet of free weight, plate loaded and cable system equipment

The facility also contains multiple levels of cardio machines, with one overlooking the track and basketball courts in the east gymnasium. The east gym also features a rock climbing wall, raquetball courts and secluded dumbell room.

The facility contains five basketball courts in total and plays host to both men's and women's basketball practices throughout the year.

OUR FUTURE

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has

enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.20 cumulative grade point average in the fall and spring semesters. Women's tennis paved the way with a 3.79 cumulative team GPA, while women's cross country and women's soccer followed close behind with 3.75 and 3.70 marks, respectively.

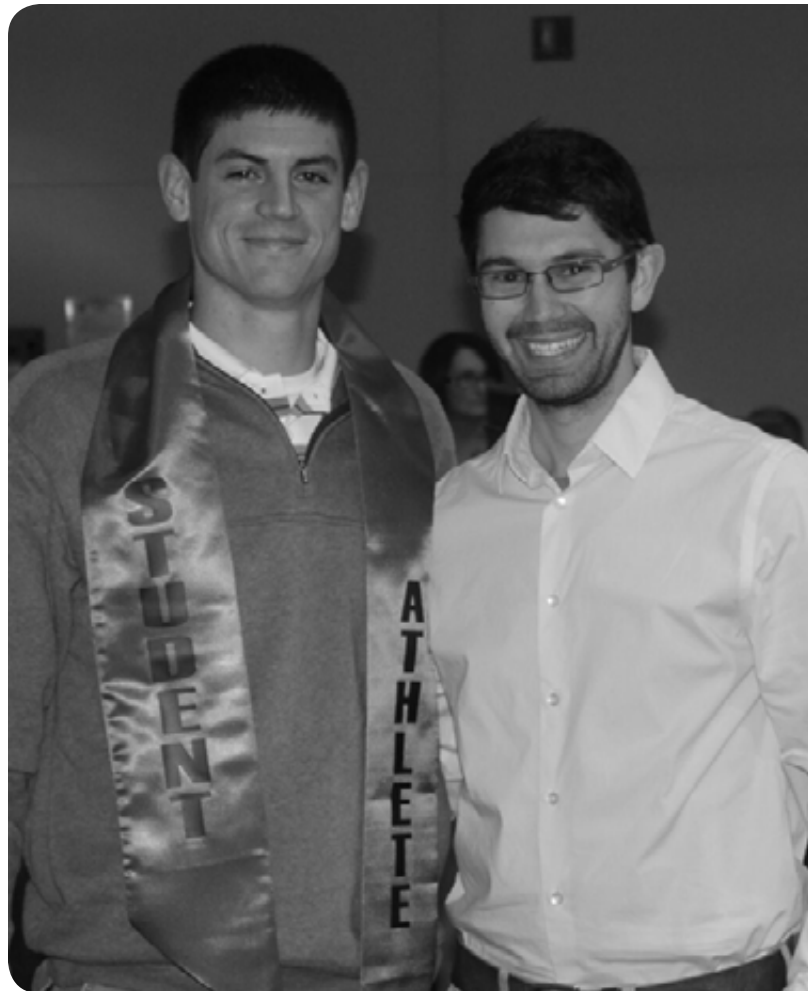

In all, 210 student-athletes finished with a 3.0 or higher

cumulative GPA, including 12 with a 4.0 and 107 with a 3.5 or better. That total accounted for 64.2 percent of the entire student-athlete population.

During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA, including women's cross country (3.76), women's tennis (3.67), women's soccer (3.59), volleyball (3.52), softball (3.462), women's basketball (3.461), gymnastics (3.45), baseball (3.299), and women's track & field (3.296).

2016-17 Notables

- Southeast Missouri's Department of Athletics recorded a cumulative 3.20 GPA during the 2016-17 academic year.
- A total of 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 with a 3.5 or better. That total accounted for 64.2 percent of the entire student-athlete population.
- Southeast finished the year strong with nine programs achieving a 3.25 or better GPA in the spring semester alone. Women's cross country (3.76), women's tennis (3.67), women's soccer (3.59), volleyball (3.52), softball (3.462), women's basketball (3.461), gymnastics (3.45), baseball (3.299), and women's track & field (3.296) were those teams.
- Women's cross country and women's soccer were both honored with the OVC Team Academic Achievement Award.
- As a department, Southeast featured 26 OVC Medal of Honor winners while 128 appeared on the OVC Commissioner's Honor Roll in the 2016-17 year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get student-athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity

for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

OUR COMMUNITY

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always

encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through

interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

OUR STRENGTHS

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

Training Principles for Southeast Athletes

Reduce the risk of injuries

If a student-athlete is injured, he/she will not be able to compete at practice or games.

optimally prepared to compete

It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

Ground Based Movements

Student-athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

Three-Dimensional Movements

Student-athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

Multi-Joint Movements

Very rarely in sport do athletes isolate one single joint at a time. Student-athletes can train more muscle mass at the same time.

OUR WELL-BEING

Prevention. Treatment. Rehabilitation. Education.

Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine

department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest

physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by

four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards

of Professional Practice.

Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

OUR PRESIDENT

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities, and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student

persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and systems engineering. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students

on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area, and other community colleges.

During his first year in the presidency, Dr. Vargas' priority

has been to listen and learn by visiting with all the University's constituencies, whether on campus, in the community, region, state, or throughout the United States and in foreign countries where Southeast alumni are located. Based on what he learned, President Vargas launched initiatives to marshal the resources, to leverage opportunities, and to address a variety of challenges and needs of Southeast Missouri State University.

Prior to assuming the presidency at Southeast, Dr.

Vargas served one year as acting president of Kutztown University. He served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on

electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National Autonomous University of Mexico (UNAM), from which he received a

Bachelor of Science degree in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

OUR LEADERSHIP

Brady Barke is in his second year as Southeast Missouri's Director of Athletics. Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects. Nearly a month after Sawyers was hired, Southeast Missouri and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing,

and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before Southeast's season-opener.

On Feb. 3, 2017, Southeast Southeast formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment, and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has

more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcomb's gift, the largest single cash gift in Southeast Athletics history.

Major improvements were also made to the second floor of the building where athletics academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising,

and academic progress toward degree requirements and NCAA eligibility.

Academically, Southeast's Department of Athletics recorded a cumulative 3.20 grade point average for the 2016-17 academic year. In all, 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 at 3.5 or better. That total reflects 64.2 percent of the entire student-athlete population. During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA.

The Redhawks Club annual fund grew nearly 20 percent to

more than \$230,000 under Barke's leadership in 2016-17. It was Southeast's highest single-year annual fund campaign in 12 years. Scholarship and marketing revenues also increased 11 percent to a record-high of more than \$246,000.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provided student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, a senior associate to the president and secretary to the Board of Regents at Southeast, officially began as Director of Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and

Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree

in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

Season Recap

Southeast Missouri women's cross country had another solid overall season in 2017. Their season featured one first-place finish as well as two more top-five finishes. They finished better than many ranked teams at a number of meets including beating the (then ranked 12th) University of Illinois in their opening Walt Crawford Open. The women's team also beat three regionally ranked opponents at the Bradley Pink Classic, finishing better than Missouri, Kansas State, and Illinois State. At the OVC Championships, the women placed fourth, falling

behind Belmont, Eastern Illinois and reigning champion Eastern Kentucky.

Kaitlyn Shea highlighted the women's squad, having her best season yet as a Redhawk. Shea began the season with a first-place finish at the Walt Crawford Open, following that with another win at the Forest Park Cross Country Festival. Those wins marked her first ever first-place finishes in her college career. In the remainder of the races Shea remained dominant, finishing in the number one spot for SEMO in all

but one race. At the OVC championships, Shea placed 12th, earning her All-OVC second team honors for the season.

Graduate Student Angie Sumner had a very solid year for the Redhawks as well, placing inside the top five in multiple races and finishing as the second-best runner for the Redhawks in every race she competed in. Southeast was without former number one runner Sydney O'Brien for the whole season, who opted to redshirt to recover from an IT band injury.

OUR FLIGHT CREW

2017-18 Coaching Staff

Eric Crumpecker

Role: Head Coach **Years:** Ninth Season **Alma Matter:** Missouri S&T

Eric Crumpecker is in his ninth year as head coach of the Southeast Missouri men's and women's track and field teams. Crumpecker is in his 25th year at Southeast, having served 17 years as an assistant under legendary head coach Joey Haines.

Last Year, Crumpecker won his third OVC Outdoor Coach of the Year honor as the Redhawks earned their eighth outdoor championship, marking back to back years Crumpecker has taken home both awards. It marked the eight time the men have won conference in program history. Zach Gordon was named Men's Championship MVP after a stellar performance earning second in the 100m and winning the 200m dash.

In 2016, along with earning both Coach of the Year and leading the men to an outdoor championship he helped coach Kevin Farley towards his second championship MVP performance as Farley took gold in the shot put, discus and hammer throw. Farley's success continued at the NCAA Outdoor Championships, earning first-team All-America honors in discus in eighth place and second-team All-America in shot put in 10th.

In 2015, Crumpecker led the Southeast men's program to its second consecutive OVC indoor title and earned his second OVC Men's Indoor Coach of the Year award. During the conference meet, 10 Redhawk athletes brought home gold medals. Following the victory, Reggie Miller and Blake Smith qualified for the NCAA Indoor Championships in the triple jump and 60-meter dash, respectively. Smith finished 10th in the nation at 6.66 seconds during the preliminary race at nationals, falling short of the NCAA's final group of eight by just 0.05 seconds.

In 2014, Southeast Missouri won the men's indoor title followed by sweeping the outdoor championships for the first time since 2006. It was the first men's indoor championship since 1996. Crumpecker was awarded OVC Men's Coach of the Year following both the indoor and outdoor seasons. The 2014 indoor season featured Farley as Indoor Field Athlete of the Year, Indoor Freshman of the Year Chris Martin and Smith earning OVC Athlete of the Championship. The outdoor season featured Female Field Athlete of the Year Kayla Gutierrez. His student-athletes combined to win 10 individual OVC titles during the season. Gutierrez brought home gold in the indoor weight throw and outdoor discus events. Farley won the indoor shot

put and outdoor hammer throw. In his first season with the Redhawks, Shon Kyle won the shot put and discus events at the outdoor championship. Courtney Gapelu took gold in both the indoor and outdoor shot put.

In 2013, the Redhawks won their first team OVC title under Crumpecker. The women snagged the team crown at the OVC Indoor Championships, using a balanced effort that featured only one individual conference champion, but three runner-up finishes and several strong supporting performances. Crumpecker was voted the OVC Women's Coach of the Year following the team title, marking the first time he has been voted the league's top coach. The Southeast men continued to knock on the door for a team title, finishing second at both the indoor and outdoor meets.

Southeast has also experienced tremendous postseason success individually under Crumpecker's guidance. The Redhawks sent three competitors to the NCAA Outdoor Track and Field Championships in 2013, the most individuals from the program since 2006. Farley took seventh in the shot put, breaking the school record with a throw of 61' 11¾" to become the first Redhawk to earn first-team All-American honors since Miles Smith in 2008. Craig Robinson and Gapelu also qualified for the NCAA West Region prelims. Southeast also got second-team All-American performances from Blake Carter in both the indoor and outdoor long jump while Miller earned honorable mention All-American in the outdoor high jump for the second consecutive year.

The Redhawks totaled three second-place team finishes at the OVC Indoor and Outdoor Championships during the 2011-12 season. Both the men and women finished as runner-up during the outdoor meet while the men posted another second-place point total indoors. Crumpecker works closely with the throwers group that combined for three conference titles. Josh Uchtman, the 2012 Male Field Athlete of the Year during the indoor season, claimed the shot put indoors. Brian Grote and Robinson won gold in the javelin and shot put, respectively, at the outdoor meet. In total, the Redhawks won nine individual OVC titles in 2011-12.

In addition to the three individual conference champion throwers, Farley was named the OVC Male Freshman of the Year during the outdoor season.

During Crumpecker's tenure as head coach, the Redhawks have finished in the top three in all but one OVC indoor or outdoor meet. The men have finished second eight times while the women have been runner-up seven times.

Individually, he has mentored 82 individual OVC champions, 38 regional qualifiers and seven NCAA National Championships qualifiers. Redhawks student-athletes have won OVC Field Athlete of the Year 12 times, Track Athlete of the Year once, Athlete of the Year twice and Freshman of the Year seven times.

The Redhawks have also been stellar in the classroom under Crumpecker. Both the men's and women's track and field programs have earned All-Academic Team recognition from the US Track and Field and Cross Country Coaches Association (USTFCCCA) in six of his seven years as head coach. Jill Schnurbusch and Farley were both placed on the USTFCCCA's All-Academic team in 2012-13. Additionally, Alex Zisser earned third-team Academic All-America honors from the College Sports Information Directors of America (CoSIDA) while Farley and Joel Krause joined Zisser on the Academic All-District team.

During his time as an assistant coach working primarily with the field events, Crumpecker was a part of 20 OVC team titles, coached 81 OVC individual champions, 131 All-OVC performers, six OVC Track Athletes of the Year, four NCAA national finalists, 12 NCAA

provisional qualifiers, 26 NCAA regional qualifiers and five regional finalists. He guided Southeast student-athletes to 11 school records and three OVC marks.

A native of Union, Mo., Crumpecker is a USATF Level 1 certified coach. He earned a bachelor's degree in History from Missouri S&T and a master's in Higher Education Administration from Southeast. As a collegiate athlete, Crumpecker was a starting lineman for the Miners football team and earned All-MIAA honors in the shot put and discus for the track team.

Crumpecker and his wife, Amy, reside in nearby Jackson, Mo. They are parents of a daughter, Ella, and son, Jake.

Ryan Lane

Role: Asst. Coach/Head XC Coach **Years:** Eighth Season **Alma Matter:** SEMO

Ryan Lane is in his eighth season at Southeast Missouri as the head cross country coach, while also serving as the assistant track coach specializing in distance running. Over his first six, the Redhawks' cross country team has posted six top-three finishes at the OVC Championships.

The 2017 season was highlighted by a fourth place finish from the women at the OVC Championships. Kaitlyn Shea led the Redhawks on the season with two first-place finishes and a second team All-OVC selection.

During the 2016 season, the women placed second in conference and 16th at regionals. Megan Parks and Sydney O'Brien became the first Southeast duo to finish in the top 50 at Regionals since 1998. The programs have combined for 17 All-OVC performers, including six first-team runners while under Lane. In 2015, the women's team placed third in the Ohio Valley Conference. Megan Parks earned Second Team All-Conference honors with a 12th place finish at the OVC Championships. Newcomer Kaitlyn Shea was named Female Freshman of the Year and was the first female in program history to win the award.

The 2014 season saw the end of Rebekah Lawson's cross country career. Lane saw Lawson through her career for four seasons. Lawson is the only Redhawk in Division I history to earn First Team All-OVC honors all four years of their career. The women's team capped a great 2014 season with a fourth-place finish at the OVC Championships. The men finished sixth at the event. In 2011, both the men and women had one first-team and one second-team All-OVC finisher. Nate Shipley's third-place finish garnered him a spot on the all-conference first team while Brent Collins earned second team all-conference on the men's side. Rebekah Lawson took sixth as a freshman to earn the first team nod while fellow freshman Jenny Govero made second team All-OVC.

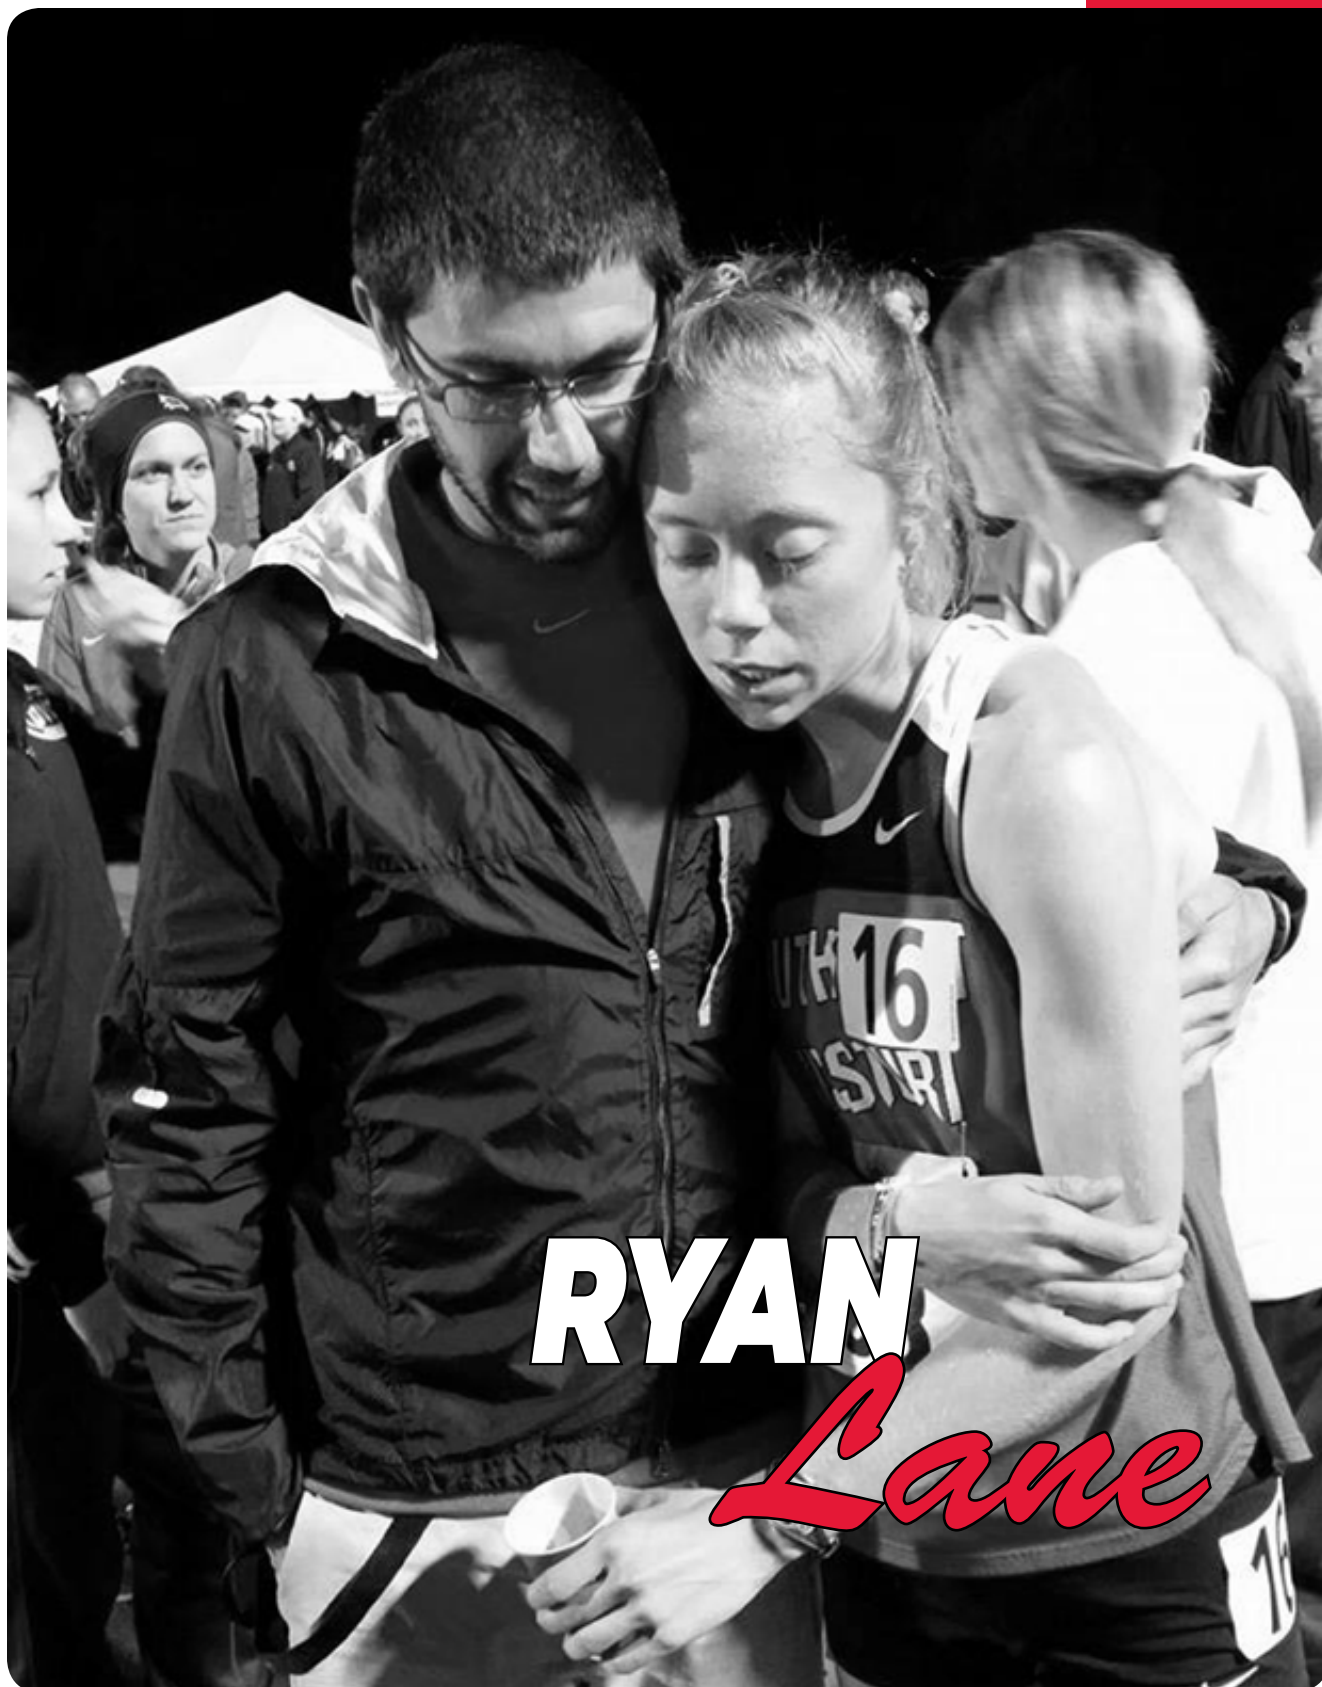

The Redhawks have also excelled in the classroom under Lane. In 2013, both the men's and women's programs earned All Academic honors from the United States Track & Field and Cross

Country Coaches' Association (USTFCCCA). Southeast's women posted a 3.72 team GPA, the fifth-highest mark in the nation, while the men's 3.48 GPA was good for 11th. The achievement marks the fourth-straight year at least one of the cross country programs earned academic recognition under Lane. Lane's success with the distance runners has carried over to the track as well. Lawson notched a runner-up finish in the 5000m indoors to earn second-team All-OVC honors in 2013. During the outdoor season, Charles Johnson garnered second-team All-OVC recognition for his runner-up finish in the steeplechase.

The 2012 season saw Jessica Bollinger win an OVC title outdoors in the 10,000m while Lawson finished runner-up in both the 5000m and 10,000m. On the men's side, Mohammed Souleiman won an OVC title in the 800m while Chris Loseman earned second-team All-OVC honors after finishing runner-up in the 10,000m. Lane's athletes have combined for 10 All-OVC selections and three OVC titles in his first three seasons. Lane returned to the Southeast program in which he interned as coach in 2008-09. That season, the Redhawk cross country teams recorded top-three finishes at the Ohio Valley Conference Championships. During that time, he received his Master's in Higher Education, finishing with a 4.0 GPA.

Prior to his coaching internship at Southeast, Lane worked as an assistant coach for the Cape Central High School cross country and track programs. He also served as an assistant coach at his alma mater, Francis Howell North High School (2006-07). In all, Lane coached 41 All-State performers at the prep level. Lane competed as a member Southeast cross country and track teams from 2002-2003, before an injury cut his career short. He received his undergraduate degree from Southeast in 2006, graduating with a magna cum laude distinction in Education. An accomplished marathon runner, Lane placed ninth at the St. Louis Marathon in 2008 and 147th at the Boston Marathon in 2009.

In the national championships that year, she finished sixth in the finals after going into the meet with the second-best time in the nation at 55.8, a time that remains outstanding even today. She followed that performance by anchoring the 1600m relay that achieved All-American status by also finishing sixth. While Hudson was an outstanding individual competitor in the 400m dash and long jump, she was versatile and indispensable as a member of all the relay teams. **OUR
LEAGUE**

This is the OVC

Now in its 70th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 17 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial

segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in

**INSPIRING EXCELLENCE
SINCE 1948**

1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years.

Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and

softball in 1994 and women's soccer in 1998.

Through the past 69 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece.

Eastern Illinois has claimed seven football crowns and Jacksonville State has six, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the

1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray

dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. ECU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at ECU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. ECU's 21 FCS playoff appearances are the second most all-time (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games in 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim

Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 40 NCAA-licensed events which includes the College Football Playoff).

In 2010 Southeast Missouri

State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 – Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The

quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998). Garoppolo was a part of Patriots teams that won Super Bowls in 2015 and 2017.

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA

National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks – FBS or FCS – to achieve those numbers during the year).

Jenkins would conclude his career in 2016 with 3,796 rushing yards, the seventh-most ever by a FCS quarterback. Jenkins, who was named OVC Male Athlete of the Year in back-to-back seasons, capped his career with 11,448 yards of total offense, second-most in OVC history (behind only Garoppolo).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the

Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the 2009 Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling

fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for

an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2017-18 OVC men's basketball teams have at least one national postseason tournament victory in nine-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male

Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore

in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Gobs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games but lost in Game 7 of the Finals. A year later, Clark was part of the Warriors team that topped Cleveland to win the 2017 NBA Championship, becoming the first OVC player to win the crown since 1970-71 (Murray State's Dick Cunningham and Western Kentucky's Greg Smith with the Milwaukee Bucks).

Belmont's Evan Bradds finished his career in 2016-17 with a 66.7 career field goal percentage, tops in OVC history and fourth all-time in Division I history. Bradds capped his career with back-to-back OVC Player of the Year awards in addition to being named 2016-17 OVC Co-Male Athlete of the Year.

Through its 69 years, 13 teams have

won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (4), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Following the 2016-17 season, Austin Peay's Dave Loos retired as the winningest coach in OVC history (he passed Luther for that crown in 2009-10). Loos, a five-time OVC Coach of the Year, finished his career with 420 wins in 27 years at Austin Peay (including a 258-194 OVC record) and 502 total wins in 31 years as a head coach.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81,

1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

This year the OVC will once again serve as host for the NCAA Division I Men's Basketball Championship First and Second Rounds at Bridgestone Arena in Nashville. It will mark the fourth-time the OVC has served as hosts of the event (2000, 2005, 2012 and 2018).

Tennessee Tech has won or shared 18 regular-season women's basketball championships in addition to nine OVC Tournament crowns; both are tops in OVC history. UT Martin added its name to the list of championship by capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship, a feat it repeated in 2017.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady

Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Inman once again retired following the 2016-17 season, with 545 career victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both

Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games, which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 69 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the

sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six-straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four

awards each.

Throughout the last 34 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. She was later joined by Murray State's Scottie Ingram who won three-straight awards from 2014-16. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC volleyball regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American

twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing

only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

In 2016 SIUE turned in a major upset in the first round of the NCAA Division I Soccer Championship, advancing on penalty kicks 5-4 over No. 11-ranked Notre Dame. The Cougars became just the second OVC team to advance to the second round (joining Samford who topped Vanderbilt on penalty kicks in 2005).

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater

(Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) – hosting the event for the first time in 2010. The

championship moved to Choccolocco Park in Oxford, Alabama in 2017.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Gavs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Gavs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Gavs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Gavs earned the No. 2 seed in the NCAA Bloomington Regional,

becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Gavs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 – a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2017 the league could have been named the "Offensive Valley Conference" as teams combined for 753 home runs during the season, the most in league history. That was highlighted by a record 50 combined home runs being hit in 13 games at the OVC Tournament. Included in that was Morehead State sophomore Niko Hulsizer who hit his 27th home run of the season, establishing a new OVC single-season record.

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying the all-time record established in 2010; overall the OVC has had 85 players selected over the past eight years (2010-17).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler

Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 261 student-athletes honored with the award, including 67 over the last seven years (2010-17).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most

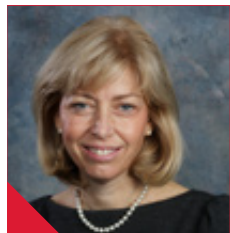

recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.
