The official website of Southeast Missouri Athletics.

he Redhawks Tennis Complex serves as the home court for the Southeast Missouri women's tennis team.

The complex, which was built in 2000, features eight tennis courts, all of which are lighted.Recent upgrades include new windscreens on the featured courts and a new, on-site locker room facility.

The Redhawks Tennis Complex is located on the north side of campus at the intersection of Bertling and North Sprigg.

# #LETSSOAR

he Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic

Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.20 cumulative grade point average in the fall and spring semesters. Women's tennis paved the way with a 3.79 cumulative team GPA, while

women's cross country and women's soccer followed close behind with 3.75 and 3.70 marks, respectively.

In all, 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 with a 3.5 or better. That total accounted for 64.2 percent of the entire student-athlete population.

During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA, including women's cross country (3.76), women's tennis (3.67), women's soccer (3.59). volleyball (3.52), softball (3.462), women's basketball (3.461), gymnastics (3.45), baseball (3.299), and women's track & field (3.296).

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is

### **2016-17 Notables**

- Southeast Missouri's Department of Athletics recorded a cumulative 3.20 GPA during the 2016-17 academic year.
- A total of 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 with a 3.5 or better. That total accounted for 64.2 percent of the entire student-athlete population.
- Southeast finished the year strong with nine programs achieving a 3.25 or better GPA in the spring semester alone. Women's cross country (3.76), women's tennis (3.67), women's soccer (3.59), volleyball (3.52), softball (3.462), women's basketball (3.461), gymnastics (3.45), baseball (3.299), and women's track & field (3.296) were those teams.
- Women's cross country and women's soccer were both honored with the OVC Team Academic Achievement Award.
- As a department, Southeast featured 26 OVC Medal of Honor winners while 128 appeared on the OVC Commissioner's Honor Roll in the 2016-17 year.

monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course. which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics. and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized

academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast studentathletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive studentathlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and

allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

outheast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which

cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

### **Training Principles for Southeast Athletes**

### Reduce the risk of injuries

If a student-athlete is injured, he/ she will not be able to compete at practice or games.

### **Ensure the student-athletes are** optimally prepared to compete

It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

### **Maximize athletic ability**

We challenge each athlete, both physically and mentally, in order to achieve optimal results.

### **Exercises for Southeast** Athletes are based on the **following Principles:**

### **Ground Based Movements**

Student-athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

### **Three-Dimensional Movements**

Student-athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

### **Multi-Joint Movements**

Very rarely in sport do athletes isolate one single joint at a time. Student-athletes can train more muscle mass at the same time.

# EING

revention. Treatment. Rehabilitation. Education.

Those are the four primary phases of athletic training. and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with studentathletes on a daily basis.

Southeast studentathletes are offered the best care possible by the athletic training staff. The Sports Medicine

department includes five full-time athletic trainers. six graduate assistants and several student assistants. The staff serves studentathletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest

physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by

four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its studentathletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards

of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

r. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities, and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student

persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and systems engineering. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students

on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area, and other community colleges.

During his first year in the presidency, Dr. Vargas' priority has been to listen and learn by visiting with all the University's constituencies, whether on campus, in the community, region, state, or throughout the United States and in foreign countries where Southeast alumni are located. Based on what he learned, President Vargas launched initiatives to marshal the resources, to leverage opportunities, and to address a variety of challenges and needs of Southeast Missouri State University.

Prior to assuming the presidency at Southeast, Dr.

Vargas served one year as acting president of Kutztown University. He served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on

electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National Autonomous University of Mexico (UNAM), from which he received a

Bachelor of Science degree in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

rady Barke is in his second year as Southeast Missouri's Director of Athletics. Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects. Nearly a month after Sawyers was hired, Southeast Missouri and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing,

and a digital scorebard in the outfield were added as part of the \$1.8 million project that was completed before Southeast's season-opener.

On Feb. 3, 2017, Southeast formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment, and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has

more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcomb's gift, the largest single cash gift in Southeast Athletics history.

Major improvements were also made to the second floor of the building where athletics academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising,

and academic progress toward degree requirements and NCAA eligibility.

Academically, Southeast's Department of Athletics recorded a cumulative 3.20 grade point average for the 2016-17 academic year. In all, 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 at 3.5 or better. That total reflects 64.2 percent of the entire student-athlete population. During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA.

The Redhawks Club annual fund grew nearly 20 percent to

more than \$230,000 under Barke's leadership in 2016-17. It was Southeast's highest singleyear annual fund campaign in 12 years. Scholarship and marketing revenues also increased 11 percent to a record-high of more than \$246,000.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provided student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, a senior associate to the president and secretary to the Board of Regents at Southeast, officially began as Director of Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis. and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

### **Southeast Missouri State University Athletics Mission Statement**

The mission of Southeast Missouri State University Department of Athletics is to provide a first class, student-athlete centered collegiate experience emphasizing the core values of

### ACADEMIC EXCELLENCE, SOCIAL DEVELOPMENT, and COMPETITIVE SUCCESS.

The Department of Athletics strives to compete at the highest possible level in the Ohio Valley Conference and other conference affiliations. The principles of integrity, student welfare, sportsmanship, ethical conduct, rules compliance, equity and diversity, and the prudent management of resources are the foundation on which we operate.

fter making the Ohio Valley Conference Championship for the first time in a decade, the Southeast Missouri women's tennis team is optimistic and eager for the arrival of the 2018 season.

"We are trying to improve each day that we step onto the court," head coach Mary Beth Gunn said. "Now that the returners have had a chance to go to the OVC tournament, they are hungry to get back there again and make it farther than we did last year. As a team we are trying to build on our success from last season and continue to grow in confidence."

Gunn enters her third season with the Redhawks after leading a huge turnaround in her second year. Southeast posted a 13-7 overall record in 2017 with a 5-4 mark in the OVC after going 1-19 and 0-10 in league play the previous season.

Sophomore Oleksandra Doroshenko garnered OVC Freshman of the Year honors and was also named to the Second-Team All-OVC. Doroshenko is only the second Redhawk to win the OVC Freshman of the Year award after Elizabeth Nyenwe recorded the feat in 2011.

The 2018 team features four returners with juniors Isabella Krupa and Anais Emelie along with sophomores Doroshenko and Kseniya Zonova. Freshmen Maja Lundell, Alessandra Maya Thompson and Kelly Sicha round out the sevenmember team.

"It's true that we don't have any seniors on the team, but our juniors and sophomores come in with a lot of successful match experience," Gunn said of the team's makeup. "They have done a great job helping the freshmen on the court by encouraging them and leading by example. Our freshmen class is tremendously talented; the more they continue to grow, they will be a threat in the OVC."

Krupa leads the way for the group of returnees. In 2017, the junior from Kissimmee, Florida recorded five wins at the top singles position. In doubles, she totaled a 14-6 record at no. 1 doubles with Doroshenko which is tied for fourth most wins in a single season at Southeast.

"Isabella is one of the leaders on our team," Gunn said of Krupa. "She has done a fantastic job leading the lower classmen on and off the court. She encompasses and understands what it takes to be a Redhawk and how to be a part of a winning culture. I see her playing at the top of the lineup again this year in singles and doubles. Last year she had very close matches with some of the best players in the conference. I think the OVC coaches are going to be impressed with how much she has improved."

Emelie also returns for her third season at SEMO. The junior Palaiseau, France native had 10 singles wins and 10 doubles victories with Zonova in 2017. Emelie was third on the team this past fall with seven total wins.

"Anais is a very solid tennis player and one of the most athletic players on our team," Gunn said of Emelie. "She is very physical and quick on the court. She also has a mind for doubles and is fearless at the net. Anais has continued to improve during her time here as a Redhawk. Last year she was clutch for us and had some big wins against conference rivals. She has the determination and will to win to be a major player for us again this year."

After a breakout freshman season, Doroshenko (Kharkiv, Ukraine) will look to continue her success for Southeast in 2018 as a sophomore. She compiled a 16-5 singles record in 2017 for sixth all-time in SEMO history for single-season records. Doroshenko also added a 14-6 mark at no. 1 doubles with Krupa en route to OVC Freshman of the Year and All-OVC honors. This past fall, Doroshenko had 14 total wins with two victories over Minnesota of the Big Ten Conference.

"Sasha continues to improve with each match," Gunn said of Doroshenko. "She has a big serve and big forehand which help her dictate play at the top of the lineup. I most definitely see her as one of the best players in the conference for the upcoming season. She has been working on her mental toughness on the court and this has led to some big wins for her this past fall. She will have mostly tough matches this spring, and she is up to the challenge."

### **#LETSSOAR**

Zonova (Kharkiv, Ukraine) is the fourth and final returner and compiled a 13-7 singles record as a freshman. She also added a 10-6 doubles record with Emelie at no. 2 doubles. This past fall, Zonova was a semifinalist in the consolation bracket at the ITA (Intercollegiate Tennis Association) Central Regional Championship with a win over lowa. She led the team with 15 total wins and a 10-4 singles mark.

"I think that Kseniya was underrated as a player last year," Gunn said of Zonova. "She is a top player in the conference and she is ready to prove it this spring. When she gets "in the zone" on the court, she blows good players off the court. Making it to the consolation semifinals at the ITA regional tournament, was a huge accomplishment and should be a big confidence boost to her that she can play and beat ranked players."

Lundell, a Stockholm, Sweden native, led the freshmen class with nine wins this past fall and is the 28th ranked player in Sweden. She recorded a 3-3 doubles record with Emelie and won the Flight E singles draw at the SIUE Indoor Invitational.

"Maja is a firecracker on the court; she plays with passion and has a very offensive game," Gunn said of Lundell. "Right now we are working on building her game and finding ways where she can use her aggressiveness to win points. She has a big serve and this is going to help us in our doubles lineup especially."

Maya Thompson, the 85th-ranked player in the Spanish Open from Barcelona, Spain, picked up six total wins this past fall. She competed in doubles with Doroshenko and Zonova.

"Aless is working on getting acclimated to the hard court game," Gunn said of Maya Thompson. "She let nervousness get to her in some matches, so we have been working on mental toughness and how to handle pressure points. Once she gets the mental aspect settled, she is going to be very tough to beat."

Sicha rounds out the freshmen class and will join the team in January. She comes to SEMO after graduating from Pamer High School in Lima, Peru. Sicha is currently the fifth ranked tennis player in Peru.

"For Kelly, our first goal is to get her acclimated to life at Southeast and make her feel at home. We have a few non-conference matches scheduled before we start conference matches, so our focus will be to work on things in these matches that get us ready for conference play. She is very smart and I think she will pick up learning how to adjust to college tennis quickly."

The Redhawks open the 2018 season against in-state foe, Missouri, on Jan. 20 at 11 a.m. in Columbia, Missouri.

### 2018 SCHEDULE

Date	Opponent	Location
Jan. 20	Missouri	Columbia, Mo.
Jan. 21	Central Arkansas	Columbia, Mo.

#### **PERSONAL**

Born March 25, 2000...Daughter of Eduardo Sicha and Sonia Ticona...Full name is Kelly Maricielo Sicha Ticona...Majoring in Industrial and Systems Engineering.

**I MARY BETH GUNN HEAD COACH THIRD SEASON UT MARTIN, 2008** 

ary Beth Gunn sets to begin her third year as head coach of the Southeast Missouri women's tennis team in 2017-18

Gunn led SEMO to a remarkable turnaround in her second season. After going 1-19 overall and winless in the Ohio Valley Conference the year before, the Redhawks went 13-8 and finished fifth in the OVC with a 5-4 mark in 2016-17. SEMO advanced to its first OVC Tournament in 10 years as its fifth-place conference finish was the Redhawks best in 20 seasons.

SEMO ended a string of 10-consecutive losing seasons with its winning campaign a year ago, the program's first since 2005-06 (12-11). The Redhawks also celebrated their first OVC winning record since 1996-97 (6-4).

Gunn coached the 2017 OVC Freshman of the Year in Oleksandra Doroshenko. Doroshenko. who also earned Second-Team All-OVC accolades, became only the second player in program history to win the coveted award. She led the Redhawks with 16 singles victories and 14 wins in doubles play. Doroshenko ended her 2017 spring by tying the fifth-most singles victories and fourth-most doubles wins in a season at SEMO. She was named OVC Female Athlete of the Week twice and became the first SEMO player to beat an SEC opponent during her stellar rookie campaign.

SEMO's spring success followed a tremendous fall season. The Redhawks finished their 2016 fall campaign with a 56-47 (.544) singles record and 36-25 (.590) mark in doubles play. SEMO accumulated its most wins and best winning percentage in any fall season of competition.

Gunn was hired as SEMO's ninth head women's tennis coach on November 10, 2015.

Prior to joining the Redhawks, Gunn coached at Western Illinois, Limestone College and fellow OVC member UT Martin. She was the head women's tennis coach for four months at WIU and served as both an assistant coach at both Limestone College (2014-15) and UT Martin (2009-13).

While at UTM, Gunn also served as the Director of the Skyhawk Tennis Camp from 2009-15 and was an Academic Counselor in the Department of Athletics from 2011-13.

Gunn has also coached summer camps at Stanford, UCLA and Pepperdine.

Gunn was on coaching staffs for two conference championship teams. She helped lead UTM to the OVC Women's Tennis Championship in 2010-11 and Limestone College to a Conference Carolinas women's tennis title in 2014-15. Gunn was named the Intercollegiate Tennis Association Assistant Coach of the Year in 2015.

Gunn earned both her bachelor's degree in English & History (2008) and master's degree in Education (2011) at UTM.

As a student-athlete at UTM, Gunn was a member of both the 2005 and 2006 OVC Women's Tennis Championship teams. She earned All-OVC accolades in 2007.

Evansville

Now in its 70th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 17 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first nontraditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide

educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall

## INSPIRING EXCELLENCE **SINCE 1948**

strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 69 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has six, while Morehead State, Tennessee State and former members Evansville and East

Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA"

lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was

coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 21 FCS playoff appearances are the second most alltime (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle

Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games in 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still

defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 40 NCAAlicensed events which includes the College Football Playoff).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC

Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC guarterback ever selected (and first since 1998). Garoppolo was a part of Patriots teams that won Super Bowls in 2015 and 2017.

The 2013 season saw the OVC snap a 19game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks – FBS or FCS - to achieve those numbers during the year). Jenkins would conclude his career in 2016

with 3,796 rushing yards, the seventh-most ever by a FCS quarterback. Jenkins, who was named OVC Male Athlete of the Year in backto-back seasons, capped his career with 11,448 vards of total offense, second-most in OVC history (behind only Garoppolo).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a onepoint lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed. Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the

closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently. Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the 2009 Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11.346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the instate foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98: in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2017-18 OVC men's basketball teams have at least one national postseason tournament victory in nine-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson

became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles. second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2.000-plus career points (2.009) and 1.600plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a firstteam All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and

earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games but lost in Game 7 of the Finals. A year later, Clark was part of the Warriors team that topped Cleveland to win the 2017 NBA Championship, becoming the first OVC player to win the crown since 1970-71 (Murray State's Dick Cunningham and Western Kentucky's Greg Smith with the Milwaukee Bucks).

Belmont's Evan Bradds finished his career in 2016-17 with a 66.7 career field goal percentage, tops in OVC history and fourth all-time in Division I history. Bradds capped his career with back-to-back OVC Player of the Year awards in addition to being named 2016-17 OVC Co-Male Athlete of the Year.

Through its 69 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions

include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6). Tennessee Tech (5). former member Middle Tennessee (5), Belmont (4). Tennessee State (2). former member East Tennessee State (2), Southeast Missouri State (1). UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle. who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Following the 2016-17 season, Austin Peay's Dave Loos retired as the winningest coach in OVC history (he passed Luther for that crown in 2009-10). Loos, a five-time OVC Coach of the Year, finished his career with 420 wins in 27 years at Austin Peay (including a 258-194 OVC record) and 502 total wins in 31 years as a head coach.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71). Murray State's Les Taylor (1971-72. 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg),

Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

This year the OVC will once again serve as host for the NCAA Division I Men's Basketball Championship First and Second Rounds at Bridgestone Arena in Nashville. It will mark the fourth-time the OVC has served as hosts of the event (2000, 2005, 2012 and 2018).

Tennessee Tech has won or shared 18 regular-season women's basketball championships in addition to nine OVC Tournament crowns; both are tops in OVC history. UT Martin added its name to the list of championship by capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship, a feat it repeated in 2017.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regularseason titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009. won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament

Championship since 1995. Inman once again retired following the 2016-17 season, with 545 career victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games, which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of soldout crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 69 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six-straight tournament

crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 34 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the thirdstraight season, becoming the first player in OVC history to accomplish that feat. She was later joined by Murray State's Scottie Ingram who won three-straight awards from 2014-16. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-toback winners of the award.

Morehead State won its fourth-straight OVC volleyball regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the

OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the secondstraight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its firstever win at the event.

In 2016 SIUE turned in a major upset in the first round of the NCAA Division I Soccer Championship, advancing on penalty kicks 5-4 over No. 11-ranked Notre Dame. The Cougars became just the second OVC team to advance to the second round (joining Samford who topped Vanderbilt on penalty kicks in 2005).

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that

accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010. The championship moved to Choccolocco Park in Oxford, Alabama in 2017.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2017 the league could have been named the "Offensive Valley Conference" as teams combined for 753 home runs during the season, the most in league history. That was highlighted by a record 50 combined home runs being hit in 13 games at the OVC Tournament. Included in that was Morehead State sophomore Niko Hulsizer who hit his 27th home run of the season, establishing a new OVC single-season record.

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds. setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying

the all-time record established in 2010; overall the OVC has had 85 players selected over the past eight years (2010-17).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 261 student-athletes honored with the award, including 67 over the last seven years (2010-17).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-

athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sportspecific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

#### **2018 OVC TENNIS CHAMPIONSHIP**

TThe 2018 OVC Men's and Women's Tennis Championships will be held April 20-22 at the Centennial Sportsplex Tennis Center in Nashville. It marks the fourth-straight year the event has been held at the venue.

The men's championship will be held for the 70th time (it was first held in 1949) while the women's championship will be contested for the 42nd time (it was first held in 1977) in 2018.

Last season the Tennessee Tech men and SIUE women claimed the team championships.

#### 2018 OVC Championship Schedule

First Round: Friday, April 20, 2018

Match 1: #3 Seed vs. #6 Seed Match 2: #4 Seed vs. #5 Seed

#### Semifinals: Saturday, April 21, 2018

Match 3: #2 Seed vs. Winner of Match 1 Match 4: #1 Seed vs. Winner of Match 2

Championship: Sunday, April 22, 2018

Match 5: Semifinal Winners

# 2018 Ohio Valley Conference Women's Tennis Championship April 20-22, 2018 – Nashville, Tenn.

## **/**Ohio Valley Conference Office Staff

**Beth DeBauche** Commissioner

**Kate Barnett** Assistant Commissioner Championships and Compliance

Stephanie Castera Assistant Commissioner for Institutional Services/Senior Woman Administrator

**Brian Pulley** Assistant Commissioner for External Affairs

them count

Your big ideas will be in good company here. Whatever you choose to study, chances are the program is at the head of its class. And if you're at the head of yours, you can join our honors program and elevate your learning experience even further.

SOUTHEAST BOASTS 20+ NATIONALLY AND INTERNATIONALLY ACCREDITED PROGRAMS, INCLUDING:

- / ATHLETIC TRAINING
- / BUSINESS
- / CHEMISTRY
- / COMPUTER SCIENCE
- / DIETETICS
- / EDUCATION
- / ENGINEERING PHYSICS
- / INTERIOR DESIGN
- / MASS COMMUNICATION
- / MUSIC
- / NURSING
- / SOCIAL WORK
- / THEATRE

GETTING INTO MEDICAL SCHOOL ISN'T EASY — WE JUST MAKE IT LOOK THAT WAY. SOUTHEAST'S PRE-MED STUDENTS ARE ACCEPTED TO

medical school well above the national average. Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

- / Boston Conservatory of Music
- / Carnegie Mellon University
- / Harvard University
- / Pennsylvania State University
- / Purdue University
- / Texas A&M University
- / Tulane University
- / University of Florida
- / University of Michigan
- / Vanderbilt University
- / Yale University

THE DONALD L. HARRISON
COLLEGE OF BUSINESS
CONSISTENTLY MAKES THE
PRINCETON REVIEW'S LIST OF

top business schools.

COME HERE AS A STUDENT.

## Andgo anywhere as a teacher.

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world. 1:21 faculty-student ratio

# Full-time faculty

lead most classes, not teaching assistants starting with freshman year.

# ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

# RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

# SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

### SOCIAL FRATERNITIES AND SORORITIES

### Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

# 180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

### We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

# MAKE ART THAT INSPIRES

And do it on a campus that's equally inspiring.

## Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the River Campus.

In addition to a residence hall, dining facilities and contemporary classrooms, the Cultural Arts Center offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
