NCAA Infractions Report

Southeast Missouri State University accepts the sanctions announced today by the National Collegiate Athletic Association (NCAA) Division I Committee on Infractions panel in its investigation into the Southeast men's basketball program during the 2015-2016 academic year.

Summary of the violations:

The case involved academic misconduct by a former assistant men's basketball coach at Southeast and centered on 1) knowingly arranging for the receipt of fraudulent academic credit for a prospective student-athlete; 2) providing false or misleading information during his interviews; and 3) failure to cooperate with the institution and enforcement staff's investigation.

Penalties prescribed by the panel include the following:

- Public reprimand and censure of the University
- A two-year extension of probation from the University's 2016 infractions case involving the women's basketball program, which will conclude on Feb. 11, 2019.
- A six-year show-cause period for the former coach from March 10, 2017, through March 9, 2023. Any NCAA school employing him in an athletically related role during that time can appear with him before a Committee on Infractions panel to determine if the former coach's athletically related duties should be limited.
- A \$5,000 fine (self-imposed by the University).

MEDIA INFORMATION

The Southeast Softball Complex will serve as the home of the Redhawks for the 19th year in 2018.

The complex contains three regulation softball fields, all of which have lights. The facility includes batting cages, an air-conditioned press box large enough to accomodate print and broadcast media, and bleacher seating for 600. In addition, there is a hill beyond the right field fence that provides fans with a unique view of the action.

Southeast played Northern Iowa in its first game at this facility on Mar. 6, 1999. Prior to that, the Redhawks played their home games at Parker Field, located in the heart of the Southeast Missouri campus.

The Southeast Softball Complex was constructed as part of Southeast Missouri's effort to improve its sports facilities. At the time, that project

also included new tennis courts, a FieldTurf artificial playing surface for the football and soccer teams, the resurfacing of the Abe Stuber track and new locker rooms for the volleyball, baseball and men's and women's basketball programs.

Recent renovations to the Southeast Softball Complex include a fenced backstop with concrete base and netting, reconfiguration of batting cages (including new turf and netting) and concrete under the bleacher areas.

A windscreen along the outfield wall, state-of-the-art scoreboard and protective fencing in front of both dugouts were other upgrades made to the Southeast Softball Complex in recent years

Directions

From Illinois:

From Route 146, cross bridge and make a right at the first stoplight onto Sprigg Street. Follow Sprigg Street past the Show Me Center. The Southeast Softball Complex will be on the left hand side 1/8 of a mile past the Show Me Center.

From Interstate 55:

Take Exit 99 (Kingshighway). Follow signs toward Cape Girardeau. Make left onto Lexington and follow for two miles. Make right onto North Sprigg (not Old Sprigg which will come first). Follow for 1/4 mile and complex will be on the right.

YOUR REDHAWKS

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks recorded for a 3.20 cumulative grade point average in the fall and spring semesters. Women's tennis paved the way with a 3.79 cumulative GPA, while women's cross country and women's soccer followed close behind with 3.75

and 3.70 marks, respectively.

In all, 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 at 3.5 or better. That total accounted for 64.2 percent of the entire student-athlete population.

During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA, including women's cross country (3.76), women's tennis (3.67), women's soccer (3.59), volleyball (3.52), softball (3.462), women's basketball (3.461), gymnastics (3.45), baseball (3.299) and women's track & field (3.296).

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at

Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss

academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

ACADEMIC EXCELLENCE

YOUR REDHAWKS

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk softball student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete development program by Building Responsible

Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

SOCIAL DEVELOPMENT

YOUR REDHAWKS

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which

cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

Training Principles for Southeast Athletes

1. *Reduce the risk of injuries*
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
2. *Ensure the athletes are optimally prepared to compete*
 - It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.
3. *Maximize athletic ability*
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

1. *Ground Based Movements*
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.
2. *Three-Dimensional Movements*
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).
3. *Multi-Joint Movements*
 - Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

COMPETITIVE SUCCESS

YOUR REDHAWKS

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex,

where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best

comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic

Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

SPORTS MEDICINE

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and systems engineering. He has continued to support the globalization of

the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University, where he also served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown,

Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. PRESIDENT VARGAS

Brady Barke is in his second year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before Southeast's season-opener.

On Feb. 3, 2017, Southeast formally dedicated Holcomb Success Center. To honor

the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in Southeast Athletics history.

Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills

development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Academically, Southeast's Department of Athletics recorded a cumulative 3.20 grade point average for the 2016-17 academic year. In all, 210 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 107 at 3.5 or better. That total reflects 64.2 percent of the entire student-athlete population. During the spring semester alone, the Redhawks had nine programs post a 3.25 or better GPA.

The Redhawks Club annual fund grew nearly 20 percent to more than \$230,000 under Barke's leadership in 2016-17. It was Southeast's highest single-year annual fund campaign in 12 years. Sponsorship and marketing revenues also increased 11 percent to a record-high of more than \$246,000.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, senior associate to the president and secretary to the Board of Regents at Southeast, officially began as Director of Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant

Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

**SEASON
PREVIEW**

Southeast Missouri State REDHAWKS

SEASON OUTLOOK

Southeast Missouri lost only three players from last season and is primed for success in 2018.

The Redhawks have plenty of depth across their 22-member roster that includes nine position starters and two starting pitchers.

"I am extremely optimistic and excited about the upcoming season," said fourth-year head coach Mark Redburn. "We have great depth at each position. I feel like this team is very talented and it is our goal to win the Ohio Valley Conference."

Sophomore Rachel Anderson and junior Mykaela Arellanes are the Redhawks returning All-OVC performers. Meanwhile, veteran Madeline Krumrey is back inside the circle giving Southeast a nice blend of experience.

"Those are the key leaders for us and we are going to rely on them heavily," said Redburn. "Rachel and Mykaela will be out there virtually every single day and we are going to utilize

Maddie as much as we can."

As a team, Southeast saw a +7 increase in the win column, finishing its 2017 campaign at 23-27 overall and ninth in the OVC at 8-14. Despite missing the OVC Tournament for the second year in a row, the 2017 Redhawks rated among the school's top 10 teams in slugging percentage (6th, .427), on-base percentage (5th, .356), triples (t4th, 21), home runs (9th, 31), total bases (9th, 567), stolen bases (2nd, 65), stolen base attempts (1st, 88), opponent batting average (7th, .282), strikeouts per seven innings (7th, 4.17), strikeouts (10th, 194), strikeouts looking (3rd, 61), fewest doubles allowed (8th, 49), fielding percentage (8th, .960), fewest errors (t7th, 59) and fewest stolen bases against (3rd, 38).

Additionally, the Redhawks 23 wins in 2017 were their most in a season since 2012.

Catcher

A pair of seniors in **Abby Tillotson (O'Fallon, Mo.)** and **Riley Hayes (Jefferson City, Mo.)** will handle the catching duties this spring.

Tillotson, who has the edge for the starting role, saw action in 33 games last season. She made 21 starts at catcher, hitting .234 with four runs scored, two doubles, three home runs and 12 runs batted in.

Hayes started 29 contests behind the plate a year ago. She hit .202 with seven runs, three doubles, a triple, home run and seven RBIs. Hayes had a hip issue that limited her in the last several weeks of the fall.

Sophomore **Rachael Donald (Dupo, Ill.)** should get increased innings behind Tillotson and Hayes at catcher in 2018.

Donald participated in just six games as a freshman.

Infield

All four of Southeast's infield starters are back this season.

Sophomore **Addison Barnouski (O'Fallon, Ill.)** is projected to start at third base.

Barnouski ranked fifth on the team in batting average with a .292 clip as a freshman in 2017. She scored 12 runs, had four doubles, hit three home runs and finished with 16 RBIs. Barnouski started 14 games at the hot corner.

Senior **Darby Pruett (Corning, Ark.)** logged 36 starts in front of Barnouski last season.

Pruett came off arm surgery in the fall and will need some time to ease back into things. She hit .262 and ranked second on the team with five home runs.

At shortstop, **Sarah Messex (Sullivan, Mo.)** returns for her third year as the Redhawks starter.

Messex, who started every game in her college career to date, hit .243 with 17 runs scored, five doubles, two home runs and 17 RBIs. Southeast's season-opener against South Dakota State (Feb. 9) marks the 100th start for Messex.

Junior **Parker Bandy (Springfield, Ill.)** returns at second base.

Bandy hit .276 with 18 runs scored, nine doubles, three triples, two home runs and 22 RBIs in her first year with the Redhawks in 2017.

Freshman **Kaylee Anderson (Warrenton, Mo.)** will challenge.

Anderson ended her Warrenton High School career by hitting .420 with 14 home runs and 94 runs batted in. As a senior, she hit .478 with eight home runs and 39 RBIs. Anderson helped lead WHS to two Class 3 state titles and was named first-team all-conference, all-district and all-state in multiple seasons.

Sophomore **Ashley Ellis (Arnold, Mo.)** resumes starting duties at first base.

Ellis started 47 games and hit .242 with five runs, nine doubles, two triples, four home runs and 20 RBIs as a freshman. She ranked third on the team in home runs.

Returnees **Madison Harris (Imperial, Mo.)**, **Mackenzie Long (Lee's Summit, Mo.)** and **Randi Dae Conway (Morganfield, Ky.)**, and newcomer **Danina Marton (Northridge, Calif.)** complete the infielders.

Outfield

Two of Southeast's top three hitters return in the outfield.

Sophomore **Rachel Anderson (Edwardsville, Ill.)** is back in center field following a stellar rookie season.

Anderson led the Redhawks in batting average (.412), at-bats (153), hits (63), doubles (10), triples (8), home runs (7), RBIs (33), total bases (110), slugging percentage (.719), on-base percentage (.483), multi-hit games (21), multi-RBI performances (10) and games started (50). She ranked third in the nation in triples and seventh in triples per game. Anderson finished the year on an 11-game hitting streak. She was named First-Team All-OVC, the league's Freshman of the Year, OVC All-Newcomer and NFCA Second-Team All-Region.

Alongside Anderson in right field is junior **Mykaela Arellanes (Foristell, Mo.)**.

Arellanes joined Anderson on the league's All-Newcomer Team last season. She was Southeast's third-leading hitter with a .322 average. Arellanes led the team with 36 runs scored, 16 stolen bases and 22 walks.

Senior **Claire Wernig (Imperial, Mo.)** and sophomore **Claudia Gallo (Arnold, Mo.)** will split time in left field. Both made 19 starts there a year ago.

Wernig tallied 11 hits, four runs scored, seven RBIs and three walks, while Gallo hit .236 with eight runs scored, two triples, two walks and nine RBIs.

Sophomore **Brooke Rheinecker (St. Louis, Mo.)** widens the outfield depth.

Rheinecker started 27 of 44 games as a freshman. She ranked second on the team

with a .340 batting average. Rheinecker had 33 hits, 18 runs scored and six RBIs, and ranked second on the team with 10 stolen bases in 13 attempts.

Pitching

Southeast's pitching staff will again be led by **Madeline Krumrey (Wildwood, Mo.)**, who looks to end her career with a huge senior season. She enters the year 24 strikeouts away from 300 in her career.

A four-year starter, Krumrey ranks among the school's all-time career leaders in opposing batting average (7th, .282), strikeouts per seven innings (6th, 4.24), wins (t10th, 33), saves (t5th, 4), appearances (t7th, 90), games started (6th, 75), innings (9th, 456) and strikeouts (7th, 276).

In 2017, Krumrey went 14-8 with a 2.38 ERA in 28 appearances and 25 starts. She threw 11 complete games and four shutouts, and struck out 96 in 141 innings. Krumrey ranked 10th in the OVC in innings pitched, eighth in batters struck out looking (37), ninth in wins and 10th in games started.

Sophomore **Alexis Estes (Lane, Ill.)** is Southeast's No. 2 starter inside the circle.

Estes started 16 games in her first year with the Redhawks in 2017. She compiled a 6-10 record with 65 strikeouts in 96.2 innings of work. Estes tossed three complete games and combined on two shutouts. She started the season with a 5-0 record and tied for first on the team with two saves.

Junior **Haley Thogmartin (St. Louis, Mo.)** is another option.

Thogmartin started six of her

14 appearances, recording eight strikeouts in 23.2 innings. She finished with a 1-2 record and did not allow a walk in eight of her games. Thogmartin had a productive fall campaign.

Freshmen Kaylee Anderson (Warrenton, Mo.) and **Rachel Rook (Republic, Mo.)** are the newest pitchers.

Anderson posted a 33-4 record as a pitcher during her prep career at Warrenton High School. She went a perfect 19-0 with a 0.64 ERA and 183 strikeouts in 121 innings as a senior. Anderson was named the St. Louis Post-Dispatch Fall Pitcher of the Year in 2016. Also a First-Team All-Conference, All-Region and All-State honoree, Anderson led Warrenton to two Class 3 state titles.

Rook started all four years at Republic High School. She was a First-Team All-Conference, All-District and All-Region selection. Rook capped her high school career with a 20-7 record, 1.22 ERA and 272 strikeouts in 154.2

innings. She also earned All-State accolades and was named her conference's Player of the Year each of her junior and senior seasons.

2018 Schedule

Southeast plays a 51-game schedule with 16 contests at the Southeast Softball Complex this season.

The Redhawks participate in four tournaments, including the Northern Iowa Dome Classic (Feb. 9-11, Cedar Falls, Iowa), Chattanooga Frost Classic (Feb. 23-25, Chattanooga, Tenn.), Kentucky John Cropp Classic (Mar. 3-4, Lexington, Ky.) and Memphis Tiger Classic (Mar. 16-18, Memphis, Tenn.). Southeast has four non-conference games against power five schools (at Kentucky, Mar. 3-4; vs. Missouri, Mar. 21).

Southeast opens its 22-game OVC slate with a home doubleheader against Tennessee Tech on Mar. 24.

COACHES

MARK REDBURN

The 2018 season marks the fourth year for Southeast Missouri head coach Mark Redburn.

Mark Redburn has the Southeast Missouri softball program moving in the right direction entering his fourth year at the helm.

Redburn coaches the 42nd team in Southeast softball history in 2018.

Last season, Southeast increased its win total by a +7 margin as the Redhawks went 23-27 overall and finished ninth in the Ohio Valley Conference with an 8-14 mark.

Redburn coached his first OVC Freshman of the Year and third First-Team All-OVC selection in Rachel Anderson. Anderson, also a National Fastpitch Coaches Association Second-Team All-Region pick, led the team in batting average (.412), at-bats (153), hits, doubles (10), triples (8), home runs (7), RBIs (33), total bases (110), slugging percentage (.719), on-base percentage (.483), multi-hit games (21), multi-RBI performances (10) and games started (50). Anderson ended her freshman campaign on an 11-game hitting streak, helping lift the Redhawks to victory in six of their final nine contests of 2017.

The 2017 club finished among

the school's top single-season teams in slugging percentage (6th, .427), on-base percentage (5th, .356), triples (t4th, 21), home runs (9th, 31), total bases (9th, 567), stolen bases (2nd, 65), stolen base attempts (1st, 88), opponent batting average (7th, .282), strikeouts/7 innings (7th, 4.17), strikeouts (10th, 194), strikeouts looking (3rd, 61) fewest doubles allowed (8th, 49), fielding percentage (8th, .960), fewest errors (t7th, 59) and fewest stolen bases against (3rd, 38).

Pitcher Madeline Krumrey surpassed 200 career strikeouts for Redburn's 2017 squad. Krumrey sets to begin her fourth and final season as the Redhawks top starting pitcher this year.

Redburn picked up his 200th career victory when Southeast beat Austin Peay, 7-4, on Apr. 30, 2016. His 2016 club ranked among the school's top-10 teams in doubles (6th, 69), stolen bases (3rd, 58), walks (8th, 138), home runs (6th, 35) and slugging percentage (6th, .412). Additionally, Redburn coached one All-OVC pick (Savannah Carpenter) that year.

In his first season, Redburn led the Redhawks to an overall record of 19-27 and 12-12 in OVC play during the 2015 campaign. His 19 victories came after Southeast won no more than 15 games in each of the previous two seasons. Redburn's first

club at Southeast also had 12 OVC wins, a +9 increase from the 2014 campaign. In addition, the Redhawks made the OVC Tournament, snapping a streak of three years where they missed the event.

Not only did Redburn earn his 100th career NCAA Division I win in his inaugural season with the Redhawks, but he coached three All-OVC selections and one NFCA All-Region honoree.

Statistically, Southeast finished among the top-five OVC teams in batting average (3rd), slugging percentage (5th), on-base percentage (5th) and hits (5th). The 2015 Redhawks also broke two single-season records with Kayla Fortner establishing new marks in home runs and walks. Southeast tied the OVC single-game mark and set a single-game school record with six home runs, as well. Academically, the Redhawks accumulated a 3.35 grade point average during the 2014-15 academic year as a total of nine players earned NFCA All-

America Scholar-Athlete status for achieving a 3.5 or higher GPA.

The fourth head coach in Redhawk softball history, Redburn won 90 games in five years as head coach at the University of Evansville before accepting the job at Southeast on June 26, 2014.

In 2014, Redburn coached a UE team with five starters that were underclassmen, including four freshmen and one sophomore. The Purple Aces achieved their highest batting average since 2007. Additionally, UE had a freshman lead the team in stolen bases and home runs.

Despite a season that allowed 53 games, the 2013 team had its best season in Redburn's five years at UE. Entering the Missouri Valley Conference Tournament as the No. 7 seed, the Purple Aces beat the No. 6, No. 3 and No. 2 seeds to make their first MVC Championship appearance since 2003. UE finished second with

three players garnering All-Tournament team honors.

The 2013 campaign resulted in the most overall wins in a season since 2008 and the best regular-season and conference tournament finish since Redburn's arrival. UE continued its aggressive baserunning with 89 stolen bases, ranking second in the MVC. The pitching staff also rated fourth in the conference.

Redburn's 2012 club saw improvement as well, winning more games than it had the previous season. The Purple Aces stole 79 bases and had two all-conference and one National Fastpitch Coaches Association All-Region selection that year. In 2011, Redburn exposed a young and inexperienced team to some of the top programs in the nation as UE played one of its most difficult schedules. Tennessee, Georgia Tech, Missouri, Ohio State, Texas Tech, South Alabama and Chattanooga were among the stiff competition.

Redburn quickly started to transform the UE program during his first year in 2010. The Purple Aces secured a berth in the MVC Tournament after winning 10 conference games. UE led the MVC with 31 doubles and hit 36 home runs, while producing two all-conference picks.

Academically, Redburn's teams consistently enjoyed success. In fact, each of his last four UE teams accumulated a 3.1 or higher grade point average. He had several student-athletes obtain over a 3.5 GPA and earn academic recognition along the way.

Prior to UE, Redburn spent three years as an assistant coach at the University of Missouri working primarily

with the pitchers and catchers, and serving as recruiting coordinator.

He was part of a coaching staff that compiled an overall record of 137-53. The Tigers registered a school record for victories (50), won the Big 12 Conference Tournament, won their Regional and defeated host UCLA in the Super Regional to advance to the College World Series in 2009. Overall, Redburn coached four all-conference pitchers, including USA National Team Pitcher Chelsea Thomas at Missouri.

Redburn began his collegiate coaching career as head coach at St. Charles (Mo.) Community College from 2001-04. He led the 2003 team to its first Region 16 championship and a seventh-place finish at the National Junior College Athletic Association Division I National Tournament. His 2004 squad set a school record with 33 victories.

Following his stay at St. Charles CC, Redburn spent two seasons as head coach of the new softball program at Jefferson College. In the program's first year of competition, 2006, he led Jefferson to a 49-16 record, Region 16 championship and ninth-place finish at the NJCAA Division I National Tournament. Redburn was honored as the Midwest Community College Athletic Conference Coach of the Year following that season. A native of St. Charles, Missouri, Redburn graduated from the University of Missouri-St. Louis in 1993 and received his master's degree in Athletics/Activities Administration from William Woods University.

He and his wife, Tracy, have two sons, Joe and Jack.

BRIE CARMACK

Aubrie (Brie) Carmack is in her second year as an assistant coach at Southeast Missouri.

Carmack coaches first base and oversees Southeast's outfielders.

A native of Monroe, Michigan, Carmack joined the Redhawks prior to the 2017 campaign after spending one season at Bucknell University. Before that, she worked as an assistant coach at Division III member of the USA South Athletic Conference Covenant College. Carmack also worked at fellow Ohio Valley Conference foe Eastern Illinois as a graduate assistant for two years. During her time at EIU, the Panthers won the 2013 OVC title and finished the 2014 campaign with a 38-17 overall record.

Carmack began coaching as a student assistant at her alma mater, Jacksonville University. The Dolphins finished an outstanding 2011 campaign with a 15-game winning streak to capture both the Atlantic Sun regular-season and tournament titles. JU set new program records for wins (44) and home victories (22), and competed in the Gainesville, Florida NCAA Regional versus UCLA,

Bethune-Cookman, and the host Gators.

As a student-athlete at JU, Carmack was able to put together two successful seasons for the green and gold despite battling injuries during her athletic career. Her best season came in 2009 as the infielder finished second on the team in doubles (6) and third in RBI (17) through 44 games.

Utilized mainly as a pinch-hitter in 2010, Carmack saw action in 32 contests, and off the field, received A-Sun all-academic honors twice and NFCA all-academic team accolades.

As a prep, Carmack was a three-year starter at Florence Christian High School in Florence, South Carolina under coach John Brown, where she helped the Eagles win consecutive state championships during her sophomore and junior seasons. She also nabbed first-team all-state and all-region honors as a senior.

Carmack graduated with a bachelor's degree in exercise science from JU in 2011. She is presently working on her master's in sports administration.

She also wrote and published press releases, while managing the conference's day-to-day social media accounts.

Jones first joined the Peach Belt Conference as a New Media & Programming Intern, a position she held from January 2012-June 2014. She then moved to full-time status in July 2014.

She received her bachelor's degree in kinesiology at Augusta State University in 2012 and earned her master's degree at Georgia Regents University in 2014.

Jones was a graduate assistant softball coach at Georgia Regents, where she primarily worked with the hitters. She helped with scouting, recruiting and other duties as assigned.

She enjoyed a successful playing career at Augusta State, garnering National Fastpitch Coaches Association Second-Team All-America and NFCA & Daktronics First-Team All-South Region honors in 2011. In addition, Jones was a two-time First-Team All-Peach Belt Conference selection (2010, 2011).

OVC HISTORY

Now in its 70th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 17 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signaled

a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 69 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has six, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC

team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 21 FCS playoff appearances are the second most all-time (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members

of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games in 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division

I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 40 NCAA-licensed events which includes the College Football Playoff).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat

OVC HISTORY

in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998). Garoppolo was a part of Patriots teams that won Super Bowls in 2015 and 2017.

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to

North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks - FBS or FCS - to achieve those numbers during the year).

Jenkins would conclude his career in 2016 with 3,796 rushing yards, the seventh-most ever by a FCS quarterback. Jenkins, who was named OVC Male Athlete of the Year in back-to-back seasons, capped his career with 11,448 yards of total offense, second-most in OVC history (behind only Garoppolo).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if

APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the 2009 Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked

Southeast Missouri State REDHAWKS

OVC HISTORY

the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC

all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegelInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2017-18 OVC men's basketball teams have at least one national postseason tournament victory in nine-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim

Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for

the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games but lost in Game 7 of the Finals. A year later, Clark was part of the Warriors team that topped Cleveland to win the 2017 NBA Championship, becoming the first OVC player to win the crown since 1970-71 (Murray State's Dick Cunningham and Western Kentucky's Greg Smith with the Milwaukee Bucks).

Belmont's Evan Bradds finished his career in 2016-17 with a 66.7 career field goal percentage, tops in OVC history and fourth all-time in Division I history. Bradds capped his career with back-to-back OVC Player of the Year awards in addition to being named 2016-17 OVC Co-Male Athlete of the Year.

Through its 69 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (4), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired

with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Following the 2016-17 season, Austin Peay's Dave Loos retired as the winningest coach in OVC history (he passed Luther for that crown in 2009-10). Loos, a five-time OVC Coach of the Year, finished his career with 420 wins in 27 years at Austin Peay (including a 258-194 OVC record) and 502 total wins in 31 years as a head coach.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

This year the OVC will once again serve as host for the NCAA Division I Men's Basketball Championship

First and Second Rounds at Bridgestone Arena in Nashville. It will mark the fourth-time the OVC has served as hosts of the event (2000, 2005, 2012 and 2018).

Tennessee Tech has won or shared 18 regular-season women's basketball championships in addition to nine OVC Tournament crowns; both are tops in OVC history. UT Martin added its name to the list of championship by capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship, a feat it repeated in 2017.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since

1995. Inman once again retired following the 2016-17 season, with 545 career victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games, which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where

she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 69 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only

athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six-straight tournament crowns. Former EKV skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 34 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. She was later joined by Murray State's Scottie Ingram who won three-straight awards from 2014-16. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC volleyball regular season championship in 2013. Over that four-year period (2010-13) the

Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKV men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKV woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the EKV men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKV qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its

fifth-straight bid and finished 17th overall. EKV is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

In 2016 SIUE turned in a major upset in the first round of the NCAA Division I Soccer Championship, advancing on penalty kicks 5-4 over No. 11-ranked Notre Dame. The Cougars became just the second OVC team to advance to the second round (joining Samford who topped Vanderbilt on penalty kicks in 2005).

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the

three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA

affiliate) - hosting the event for the first time in 2010. The championship moved to Choccolocco Park in Oxford, Alabama in 2017.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than

OVC HISTORY

a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2017 the league could have been named the "Offensive Valley Conference" as teams combined for 753 home runs during the season, the most in league history. That was highlighted by a record 50 combined home runs being hit in 13 games at the OVC Tournament. Included in that was Morehead State sophomore Niko Hulsizer who hit his 27th home run of the season, establishing a new OVC single-season record.

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying the all-time record established in 2010; overall the OVC has had 85 players selected over the past eight years (2010-17).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrner who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league

also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 261 student-athletes honored with the award, including 67 over the last seven years (2010-17).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

Southeast Missouri State REDHAWKS

2018 OVC TOURNAMENT

The 2018 Ohio Valley Conference Softball Championship will be held May 9-12 at Choccolocco Park in Oxford, Alabama.

It marks the 25th time the Championship has been held and the sixth year it has featured eight teams. It will be the third-straight year it has been held at the neutral site in Oxford instead of at the site of the No. 1 seed.

Last year Jacksonville State topped SIUE in the title game for the second-straight year to claim its sixth overall OVC Championship Crown.

Southeast Missouri made its last Ohio Valley Conference Tournament appearance in 2015.

GETTING INTO MEDICAL SCHOOL ISN'T EASY — WE JUST MAKE IT LOOK THAT WAY. SOUTHEAST'S PRE-MED STUDENTS ARE ACCEPTED TO

medical school well above the national average.

Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

- / Boston Conservatory of Music
- / Carnegie Mellon University
- / Harvard University
- / Pennsylvania State University
- / Purdue University
- / Texas A&M University

THE DONALD L. HARRISON COLLEGE OF BUSINESS CONSISTENTLY MAKES THE PRINCETON REVIEW'S LIST OF top business schools.

COME HERE AS A STUDENT.

And go anywhere as a teacher.

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21
faculty-student ratio

Full-time faculty

lead most classes, not teaching assistants — starting with freshman year.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our **student-run idea incubator** and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home. And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+

student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on a campus that's equally inspiring.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Built on the banks of the Mississippi, our River Campus is the only one in Missouri dedicated entirely to the arts. But you don't have to be a student in the **Holland School of Visual and Performing Arts** to appreciate it. Come catch a performance. Explore the latest exhibits. Or just enjoy the breathtaking river views.

Five venues for exhibiting your talent — including theatres, a recital hall and galleries — set the stage for

more than a hundred different events each year.

Among our student-produced musical performances, you'll hear everything from the classics to the contemporary — including Brahms' *Double Concerto in A Minor* and Andrew Lipka's *The Addams Family*.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
