NCAA Infractions Report

Southeast Missouri State University accepts the sanctions announced today by the National Collegiate Athletic Association (NCAA) Division I Committee on Infractions panel in its investigation into the Southeast men's basketball program during the 2015-2016 academic year.

Summary of the violations:

The case involved academic misconduct by a former assistant men's basketball coach at Southeast and centered on 1) knowingly arranging for the receipt of fraudulent academic credit for a prospective student-athlete; 2) providing false or misleading information during his interviews; and 3) failure to cooperate with the institution and enforcement staff's investigation.

Penalties prescribed by the panel include the following:

- Public reprimand and censure of the University
- A two-year extension of probation from the University's 2016 infractions case involving the women's basketball program, which will conclude on Feb. 11, 2019.
- A six-year show-cause period for the former coach from March 10, 2017, through March 9, 2023. Any NCAA school employing him in an athletically related role during that time can appear with him before a Committee on Infractions panel to determine if the former coach's athletically related duties should be

MEDIA

CREDENTIALS

Credentials are required for entrance to the press box or access to the field (for photographers). To request season or single-game credentials, please contact the Southeast Missouri Strategic Communications office by phone at (573) 651-2294 or email at mharding@semo.edu. Credentials can be picked up at the ticket booth on the south side of Houck Field.

PRESS BOX DECORUM

The Houck Field Press Box is reserved for working media only. Seating is assigned by the Strategic Communications office. Professional conduct is expected at all times. Cheering or outward expression is inappropriate. Credentials must

be worn at all times. Failure to abide by these policies can result in credentials being revoked.

PHOTOGRAPHERS

Please observe NCAA regulations and shoot from the designated areas. Photographers are not permitted directly behind the nets and must display their credentials at all times.

WIRELESS INTERNET

The Houck Field press box is equipped with wireless Internet. Please see a member of the Southeast Strategic Communications staff for login information.

INTERVIEW POLICIES

Student-athletes and coaches are generally available after practice or upon request. Please provide the Strategic Communications office with at least 24 hours notice to coordinate interviews with student-athletes and coaches. Requests can be made by calling Morgan Harding at (573) 651-2294. Harding can also be reached via email at mharding@semo.edu.

SOCCER EMAIL LIST

If you would like to be added to the Redhawk Soccer email list to receive breaking news about the team, please email Morgan Harding. The official website, GoSoutheast.com, is the best source for up-to-date information about the team.

PRESS BOX

Press facilities are in the Houck Field press box located at the top of the south side of the stadium. The press box is a two-level facility, so please use caution when walking up and down the stairs.

POSTGAME PROCEDURES

The Southeast Missouri Strategic Communications staff will make requested student-athletes available to the media at the conclusion of each game. Anyone wishing to interview Head Coach Heather Nelson or a student-athlete must notify Morgan Harding prior to the end of each match. Student-athletes will be available to the media near the Redhawks bench. For interviews with opposing coaches and players,

HOUCK

Houck Field serves as the home field for the Southeast Missouri State University women's soccer program. In 20 years of Southeast women's soccer, the Redhawks are 105-47-25 in Houck Field.

Most recently, renovations were made to the press box before the 2015 season. Renovations included a new sound system, filming stations, and carpet among other things to enhance the overall interior and exterior look.

Prior to the 2011 season, Houck Field received a huge makeover, as a new FieldTurf playing surface, state-of-the-art Daktronics video scoreboard and new lighting (which meets television standards) was installed. The facility was also

repainted, giving the longtime home to the Redhawks a flashy look.

The first ever home Southeast Missouri women's soccer match was played at Houck Field on Oct. 3, 1999. The Redhawks defeated Morehead State 2-1 in the match in front of a crowd of 525.

The largest home crowd in women's soccer history was set during the 2016 season. 1,137 fans flocked Houck Field to watch the Redhawks take on Illinois Springfield on Aug. 21. Southeast won the contest, 3-1. It is the lone crowd of a thousand or more in SEMO soccer history at Houck.

Houck Field was built in 1930 at a cost of \$150,000 and remains a beautiful and picturesque stadium today.

Houck Field was constructed on the site of a former rock quarry and was purchased in 1925 for \$11,000 at the recommendation of then-Southeast Missouri State University President Joseph A. Serena.

Ten thousand bags of Portland Cement, 23,000 feet of Oregon Fir seat lumber and 150,000 feet of Yellow Pine Form lumber were used in the construction, according to an ad in the Houck Field dedication program. The original stadium included 5,240 seats on the south side of the field.

The field and stadium were named in honor of Louis Houck, who served 39 years as a Regent for the university and President of the Board for all but three of those years.

Seating on the north side of the stadium was added prior to the 1963 season. The press box was later constructed on the south side in 1979. Approximately 400 chairback seats were added to a center section on the south side of the stadium in 1992.

In 2000, the first FieldTurf playing field was installed and the exterior of the facility was resurfaced. Improvements were also made to the press box.

More upgrades took place in the fall of 2005. Those included a paved parking area adjacent to the east end zone and new parking and landscaping areas surrounding the outside of the stadium.

FIELD

A state-of-the-art dormitory was built on the west end of the facility in 2009. The ground floor of that building houses a locker room and athletic training facility, which the soccer and football teams use on game days.

ACADEMIC

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks recorded a 3.21 cumulative grade point average in the

fall and spring semesters. Women's tennis paved the way with a 3.76 cumulative GPA, while gymnastics, women's cross country and women's soccer followed close behind with 3.70, 3.69 and 3.68 marks, respectively.

In all, 211 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 115 at 3.5 or better. That total accounted for over 64 percent of the entire student-athlete population.

During the spring semester alone, the Redhawks had nine programs post a 3.10 or better GPA, including women's tennis (3.87), women's cross country (3.66), women's soccer (3.65), gymnastics (3.60), softball (3.59), women's basketball (3.39), women's track & field

(3.36), volleyball (3.29) and baseball (3.17).

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program,

EXCELLENCE

SOCIAL

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk soccer student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program

is to develop a comprehensive student-athlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

DEVELOPMENT

COMPETITIVE

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is

able to accommodate larger teams or multiple teams training at the same time.

TRAINING PRINCIPLES FOR SOUTHEAST ATHLETES

1. *Reduce the risk of injuries*
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
2. *Ensure the athletes are optimally prepared to compete*
 - It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

3. *Maximize athletic ability*
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

EXERCISES FOR SOUTHEAST ATHLETES ARE BASED ON THE FOLLOWING PRINCIPLES:

1. *Ground Based Movements*
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.
2. *Three-Dimensional Movements*
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).
3. *Multi-Joint Movements*
 - Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

SUCCESS

SPORTS

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last

student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships

with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-

athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Southeast Missouri and Under Armour, Inc. (NYSE: UA, UAA) announced a new partnership agreement. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics beginning July 1, 2018.

As part of the multi-year agreement, Under Armour will provide on-field and training gear for 15 sports. Additionally, Under Armour will outfit members of the athletic department including coaches and staff.

"We are extremely excited to announce our partnership with Under Armour and BSN SPORTS to outfit our student-athletes and coaches with the highest quality apparel in the market," said Director of Athletics Brady

Barke. "Having two of the industry leaders in athletic apparel associated with us will expand the resources available to each of our teams and significantly benefit our student-athletes."

The new official outfitter agreement includes marketing entitlement that will complement Under Armour's brand marketing campaigns through print and venue presence at the University.

Southeast Missouri's athletic programs include football, men's basketball, women's basketball, baseball, men's cross country, women's cross country, softball, women's tennis, volleyball, women's soccer, men's outdoor track & field, men's indoor track & field, women's outdoor track & field, women's indoor track & field and women's gymnastics.

The Redhawks compete at

the NCAA Division I level and are part of the NCAA Football Championship Subdivision (formerly I-AA) in football. Southeast first became a member of the Ohio Valley Conference when it moved to NCAA Division I in 1991-92. The Redhawks have won 53 OVC regular-season championships and 18 OVC tournament titles during their first 26 years in the league. Southeast also won seven Women's All-Sports trophies in that span.

Southeast Missouri joins the growing Under Armour roster of NCAA partners that includes the University of California, Los Angeles, University of California, Berkeley, University of Wisconsin, University of Notre Dame, Naval Academy Athletic Association, University of Maryland, Texas Tech University, Northwestern

University, University of Cincinnati, Boston College, University of Utah, University of South Carolina and Auburn University.

ABOUT UNDER ARMOUR

Under Armour, Inc., headquartered in Baltimore, Maryland is a leading innovator, marketer and distributor of branded performance athletic apparel, footwear and accessories. WHAT DRIVES

Southeast Missouri's women's soccer program has incorporated What Drives Winning into its daily operations.

What Drives Winning was created by Brett Ledbetter in 2015. It is a conversation on how to repurpose sports to build character.

Head Coach Heather Nelson has incorporated this into her team for the past couple of seasons. After a brief program explaining What Drives Winning and its importance to the program, she asks all her athletes to choose their performance and moral skills.

These skills each have their own definition that is set by the author, yet can be altered towards one's program.

The skills that the athlete chooses are five performance

skills and five moral skills. These skills are those that the athlete wants to build and be known for during the upcoming year.

This program focuses on bettering the athlete as a person and helps improve their characteristics.

Each SEMO Soccer player was asked to choose their own What Drives Winning skills for the season. These words can be found in the player profiles section of the media guide.

PERFORMANCE SKILLS

Hardworking: Paying the price with effort. **Competitive:** Striving to be your best.

Positive: Good and useful thinking. **Focused:** Eliminating distractions. **Accountable:**

Taking responsibility for your actions. **Courageous:** Operating outside of your comfort zone.

Humble: Distributing credit.

Patient: Tolerating delay or struggle. **Loyal:** Showing allegiance. **Trustworthy:** Being reliable. **Trustwilling:** Relying on others. **Encouraging:** Giving confidence and support.

Socially Aware: Understanding signals sent and received.

Caring: Investing in the person. **Empathetic:** Sharing the feelings of others.

WINNING

PRESIDENT

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and

industrial and systems engineering. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr.

Vargas served one year as acting president of Kutztown University, where he also served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the

university in 2003.

Dr. Vargas began his career in higher education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

Brady Barke is in his third year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

Most recently, Barke reached a multi-year agreement with Under Armour. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour will provide on-field and training gear for 15 sports. Additionally, Under Armour will outfit members of the athletic department including coaches and staff.

Academically, Southeast's athletic teams recorded a 3.21

cumulative grade point average in 2017-18. Women's tennis paved the way with a 3.76 cumulative GPA, while gymnastics, women's cross country and women's soccer followed close behind with 3.70, 3.69 and 3.68 marks, respectively.

In all, 211 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 115 at 3.5 or better. That total accounted for over 64 percent of the entire student-athlete population.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were

added as part of the \$1.8 million project that was completed before Southeast's season-opener. More improvements are in the works at Capaha Field.

On Feb. 3, 2017, Southeast formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in Southeast Athletics history.

Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

More than \$240,000 in pledges for the Redhawks Club unrestricted booster fund has been raised under Barke's leadership. It is the largest total since the 2003-04 school year. More than \$266,000 was raised in Sponsorship & Marketing contracts for FY18 marking the fourth-consecutive year of Sponsorship and Marketing revenues.

BARKE

Football and volleyball ticket sales revenue were the second-highest total in the last 12 years.

Barke has also worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, senior associate to the president and secretary to the Board of Regents at Southeast,

officially began as Director of Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member

of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

MISSION STATEMENT

SOUTHEAST MISSOURI STATE UNIVERSITY ATHLETICS MISSION STATEMENT

The mission of Southeast Missouri State University Department of Athletics is to provide a first class, student-athlete centered collegiate experience emphasizing the core values of **ACADEMIC EXCELLENCE, SOCIAL DEVELOPMENT**, and **COMPETITIVE SUCCESS**.

The Department of Athletics strives to compete at the highest possible level in the Ohio Valley Conference and other conference affiliations. The principles of integrity, student welfare, sportsmanship, ethical conduct, rules compliance, equity and diversity, and the prudent management of resources are the foundation on which we operate.

Season Preview

2018 SEASON

Head Women's Soccer Coach Heather Nelson and her husband, Associate Head Coach Paul Nelson, embark on their 20th season together at the helm of the Southeast Missouri women's soccer program in 2018.

As the team prepares to begin the 2018 campaign, the staff and players look to replace missing pieces after last season. The Redhawks are losing their starting goalkeeper, Kindra Lierz, as well as multiple forwards and two defenders. Maddy Cornell, Paige Blankenheim and Maggie Pike will be missed as vital parts of the offense. Shay Darga and Shelby Beussink join Lierz as crucial losses on the defensive side.

With renewed energy, every small detail is being re-evaluated when it comes to both preparing and peaking for Ohio Valley Conference play. With a strong emphasis on growing character skills, trusting the process and getting better every day, the Redhawks couldn't be more excited to tackle the challenges ahead.

The OVC will be as competitive as ever this season with three teams earning first-place consideration in the Predicted Order of Finish. At this point in her career, Nelson said she doesn't get too bent out of shape by the preseason poll, but takes a tie for fourth place as somewhat of a compliment especially since SEMO lost many key players in the offseason.

In 2017, the league introduced an extended postseason which included more teams and an additional round in the tournament. Coach Nelson liked the eight-team format and thought it benefited the game as a whole to have more teams included.

"More kids get to experience the drama and opportunity to be a conference tournament winner," Nelson said. "In previous years, there have been some good teams that did not make the tournament."

The 2018 roster features 24 student-athletes, 17 of which return from the 2017 OVC Tournament Semifinalist team.

Goalkeepers

Southeast will look for Maddie Gleeson to assume the role of starting goalkeeper. Redhawks are working to replace Lierz, who was the first player in OVC history to earn Freshman of the Year and Defensive Player of the Year honors in 2014. Lierz's played nearly every game during her four years as a Redhawk.

Gleeson recorded nine saves in 320 minutes in net over five games. Also returning is redshirt-freshman Kayla Byrd, who adds depth to the goalkeeping position. Byrd has a solid skill set and strong desire, and is a welcome addition to the Redhawk lineup.

PREVIEW

“Maddie will take over for Kindra in goal,” Paul Nelson said. “She has spent the last two years preparing for this moment. Players respect her (Gleeson) ability and work ethic. It’s always difficult to replace a player of Lierz’s stature. But like all good goalkeepers, they have a presence about them and Maddie certainly has that.”

Defenders

The Redhawks’ back line will have some underclassmen stepping up as it lost multiple players as well. SEMO will look to senior Maddi Karstens to lead the defenders. Karstens appeared in every game last season and even recorded a goal. Other, returners include redshirt sophomores Jordan Nelson, Lexie Hacker, Bri Caccavale, and Katie Wegmann.

Caccavale appeared in 19 games last season, while Wegmann appeared in three before injury. Nelson and Hacker did not appear in any games in the 2017 season, but Hacker had an impressive 2016 season with the Redhawks as she appeared in all 19 games with an assist.

“Lexie returns from a year’s absence and her performance during her freshman year will put her in a category of key returners,” Paul Nelson said. “Maddi has been a constant back there and she will be relied on to control the back line.”

Midfielders

Nelson calls her midfield the “engine room” of the team. SEMO lost formidable midfielders in Pike and Blankenheim after last season, but return many excellent athletes.

“Her ability to see the right ball almost always was impressive,” Paul Nelson commented about Blankenheim. “We did bring in two midfielders who have a great vision and playmaking ability, so I think along with our returners, we will be able to fill those shoes.”

One of the returnees is junior Esmie Gonzales. Gonzales is expected to reprise her role as attacking center-mid this season as she did in the past seasons. During her rookie campaign, Gonzales earned Second Team All-OVC and All-Newcomer honors. In her career at SEMO, Gonzales has 20 goals and five assists. Gonzales has not missed a game since she initially put on the Redhawks jersey.

Another notable returnee is senior Lauren Kaempfe. Kaempfe will bring experience and leadership to the Redhawks squad as she has appeared in every game where she logged six goals, four assists and 55 shots in her career at SEMO.

Other returners include Jermima Job who transferred from Darton State prior to the 2017 season. Job recorded 10 shots last season. Hannah Compennolle and Amanda Orlando are also notable returnees.

“The returning three of Lauren, Esmie and Jermima will be the backbone of our midfield,” coach Paul Nelson said. “They logged a significant number of minutes last year and again will be relied on to anchor our unit.”

Abby Tremain and Kate Daus look to make a splash on the field with their freshness to the position and team.

Forwards

SEMO’s forwards are clearly the most experienced on the 2018 roster. After only losing one forward, Cornell, the Redhawks add two fresh faces to their roster.

Jen Brien returns for her third season with the Redhawks. Brien has 27 shots with one goal and two assists. Katie Lever has a set of goals and an assist after two seasons. Sophomore Lexi Grote has two goals on seven shots and three assists in her first season at SEMO.

Emily Holten transfers to SEMO after spending one season at Southeastern Conference’s Ole Miss. Holten was strong in the exhibition match against Memphis with multiple shots on goal.

“Emily brings previous Division I experience to our program, while Jen, Katie and Lexi are players looking to increase the team’s goal production from a year ago,” coach Paul Nelson said. “Experience and attitude are key in the forward position, and with the three being juniors, they should provide great leadership up top.”

2018 Schedule

The 2018 non-conference schedule features a total of six games, two on the road and four at Houck Field. There will also be an exhibition game at the University of Memphis.

Regional home matches include the season opener against Evansville, Illinois-Springfield and Missouri State. All these teams appeared on SEMO’s schedule the past two years.

The Redhawks will hit the road to take on Arizona and Arizona State at the end of August. Both games will be played at Arizona State in a two-day extravaganza. Lever has family in Phoenix and she spent her summer playing in the Women’s Premiere Soccer League out in Arizona. She has played with several girls the team will face in those games.

Oral Roberts will make the trip to Houck Field in the final game before conference play.

HEATHER

Heather Nelson is the only head coach that has guided the Southeast Missouri soccer program since its inception in 1999. In 19 years under her guidance, the Redhawks have posted 14 winning seasons and compiled a 182-121-48 record. Nelson has coached five Ohio Valley Conference regular season champion teams (2001, 2002, 2007, 2011, and 2014) and back-to-back OVC Tournament championship squads (2006-07) that earned berths in the NCAA Tournament.

Championship Culture

Since the inaugural 1999 season for Southeast Missouri women's soccer, no Ohio Valley Conference school has captured more than the five regular season championships Nelson's program has earned. After the inaugural season in 1999, Nelson guided Southeast to 10 wins the following year, a figure that was matched or surpassed in each of the next eight seasons and nine times total in the following 13 years. By year three, she helped guide Southeast to back-to-back OVC regular season championships (2001, 2002), which saw the Redhawks go undefeated in conference play during each of those years.

In 2001, Southeast stormed onto the scene with a 16-2 overall record and 5-0 mark in league play. The Redhawks posted an .889 winning percentage, which currently stands as the best in school history. That team, which claimed the program's first-ever OVC title, boasted the nation's lowest goals against average (0.44) and the country's top shutout percentage (0.72). The Redhawks allowed only eight goals and posted 13 shutouts in 18 matches. Southeast also ranked 10th in the nation in points per game (2.67). The Redhawks set conference records for wins in a season and goals allowed, posting shutouts in all OVC contests. Southeast repeated as the league's regular-season champion in 2002, posting an overall record of 14-4-2 and 6-0 mark in conference play while leading the league in shots, goals allowed, goals against, and shutouts. Following the 2002 season, nine players earned All-OVC honors, including Valerie Henderson and Jenny Hamilton, who were named OVC Player and Defensive Player of the Year, respectively. Despite the dominant records and accolades, an OVC Tournament title eluded the Redhawks in each of those seasons. Eastern Illinois pulled off upsets in the tournament championship match of both campaigns.

The Redhawks finally broke through in postseason play during the 2006 OVC Tournament. After a fourth-place regular season finish, Southeast knocked off top-seeded Samford and blanked Morehead State in the OVC Tournament finals to secure its first NCAA Tournament berth in 2006. The Redhawks drew nationally-ranked Illinois in their first NCAA Tournament game and stifled the Fighting Illini offense for much of the first period before eventually falling by a score of 2-0. Southeast turned that momentum from the 2006 run into a memorable 2007 season that saw the Redhawks finish 12-2-4 in the regular season with an unbeaten 8-0-1 record in OVC play. Southeast won a second-consecutive OVC Tournament, blanking UT Martin in the semifinals and outlasting Samford in penalty kicks in front of a home crowd at Houck Stadium to earn a return berth to the NCAA Tournament. Southeast drew in-state rival Missouri and made history in the 43rd minute of that clash when Courtney Alexander scored the program's first NCAA Tournament goal. The contest went to penalty kicks, where Missouri prevailed despite a valiant effort from the Redhawks.

Nelson earned her third OVC Coach of the Year honor in 2007, marking the most of any women's soccer coach in league history. Southeast swept the OVC postseason awards with Alexander claiming OVC Player of the Year, Lindsay Pickering earning OVC Defensive Player of the Year and Ashley Runion collecting the program's first OVC Freshman of the Year honor. Nelson's Redhawks won their fourth regular season title in 2011 with a 12-6-1 record and 8-1-0 finish in the OVC. The eight league wins tied the conference record, which was set by Southeast and Samford in 2007. Nelson was named OVC Coach of the Year for a record fourth time. Jessie Crabtree earned OVC Offensive Player of the Year honors in her lone season at Southeast while Erin Shulman claimed OVC Freshman of the Year honors.

The 2012 season was one of adversity for the Southeast soccer program as the team overcame numerous hardships and a tragedy that impacted the entire university and Cape Girardeau community. Nelson was injured in an accident over the summer and spent time away from the sidelines recovering during the first month of the season. In early September, senior defender Meg Herndon was involved in an accident that tragically cut her life short. Equal parts a captain, friend, sister and teammate, Herndon displayed tenacity as a driven defender on the field and was admired by the countless lives she touched in competition and her personal life. Herndon's No. 2 jersey was retired one year later during a celebration of her life prior to the annual alumnae match. During the event, Herndon's mother, Cindi Silvey, presented a check for the newly-formed Meghan Herndon Memorial Scholarship.

"It's amazing knowing that Meg's legacy is going to live on through her scholarship," Nelson said. "Her family has been so wonderful as we've honored her. It reminds me of my relationship with Meg and how pleasant it was to work with her."

The 2012 Redhawks overcame many obstacles to finish 7-10-4 overall and 5-3-2 in OVC play to place fourth in the conference. Southeast closed the season by going 4-0-1 and qualified for the OVC Tournament for the third consecutive year. The momentum continued during the tournament as the Redhawks defeated Belmont for the program's first postseason victory since 2007. The memorable run ended in a 1-0 loss to UT Martin, the eventual OVC champions. Haley Abbott became the fifth player under Nelson to earn OVC Defensive Player of the Year.

2013 marked the 11th winning season in Nelson's career. Southeast went 8-7-3 overall and 6-2-2 in the OVC to finish third in the conference standings. The Redhawks earned a berth in the OVC Tournament for the fourth year in a row. Ashton Aubuchon was named OVC Defensive Player of the Year, marking the sixth time in Nelson's tenure that a Southeast player received the accolade and second time that Southeast has claimed the award in back-to-back seasons (Jenny Hamilton, 2001-02).

2014 saw the Redhawks claim their fifth and most recent OVC regular season championship. The Redhawks finished the season 11-6 overall and 8-2 in league play. Southeast defeated SIUE in the regular season finale to win a share of the OVC title with the Cougars. With that win, Southeast earned the right to host the postseason tournament and earn a bye as the No. 1 seed. Freshman Kindra Lierz made history as the first player in the OVC to be named OVC Defensive Player of the Year and Freshman of the Year. Lierz was also named First Team All-OVC and All-Newcomer Team. Aside from Lierz, the Redhawks had four others earn postseason honors following the 2014 campaign.

2015 was the Redhawks' third consecutive winning season, a feat that hadn't been done since Southeast had eight straight winning campaigns between 2000 and 2007. Southeast finished the 2015 season going 9-6-7 overall and 3-2-5 in league play. Southeast's seven draws were a program record. Following a pair of road losses to Austin Peay and Murray State, the Redhawks went on to finish the regular season undefeated, going 2-0-4 in the final six matches. Carrying the No. 6 seed into the OVC Tournament, the Redhawks drew No. 3 Jacksonville State in the opening round. The Redhawks played the Gamecocks to a 1-1 draw in a double overtime thriller and it was Southeast who advanced in the to the semifinals following penalty kicks. Southeast took on No. 2 Tennessee Tech and the OVC Defensive Player of the Year in the semis in Murray, Kentucky. The Redhawks took down the Golden Eagles 2-0 to advance to the Championship round for the first time since 2007. The season came to an end following a 1-0 loss to top-seeded Murray State in the Championship match. The Redhawks and Racers played to a scoreless draw in regulation but Murray scored the winning goal with 53 seconds left in the first overtime to capture the OVC title.

The 2016 season was highlighted by a season-opening victory over Southeastern Conference opponent by way of a 1-0 shutout. The win sparked a 6-0-1 start to the campaign. The win over Tennessee was the third over an SEC foe in the history of Nelson's program and the first since 2004.

Developing Standout Student-Athletes

In her 18 seasons at Southeast, Nelson has coached four OVC Players of the Year, seven OVC Defensive Players of the Year and three OVC Freshman of the Year honorees. Additionally, Nelson has coached 78 players who have earned either OVC first-team, second-team, third-team, honorable mention or all-newcomer accolades since 1999. The Redhawks also earned regional recognition in 2012 as defender Hayley Abbott earned third-team all-region honors from the National Soccer Coaches Association of America (NSCAA). For the second time in three seasons, a Southeast player received NSCAA recognition as defender Nikki Edwards earned honorable mention all-region honors in 2010. Nelson's teams have also performed extremely well in the classroom, posting a 3.3 point grade point average or higher in each of her 18 years leading the program. For the 2013-14 academic year, the Redhawks posted a 3.72 cumulative grade point average as a team, ranking second nationally out of 323 NCAA Division I soccer programs. It also marked the highest total in the 18-year program history. The Redhawks posted the third-highest Division I GPA the year prior. Nelson's student-athletes have earned CoSIDA Academic All-District VII honors on seven occasions. She has also coached 37 OVC Medal of Honor recipients. The Redhawks have earned the National Soccer Coaches Association of America (NSCAA) Team Academic Award in each of the last seven seasons.

Before Southeast

Prior to building the Redhawks soccer program, Nelson coached at Florida State from 1995-98, helping lay the foundation for the Seminoles in an extremely competitive Atlantic Coast Conference. Nelson's 1996 and 1997 teams finished with the ACC's second-best GPA. Nelson coached the 1986 age group Missouri Olympic Development Program (ODP) team to the 2003 Midwest Region II Championship and represented Region II at the 2004 ODP National Championship.

A former member of Canada's national team pool, Nelson was a four-year starter at the University of Saskatchewan. After earning her Physical Education degree in 1992, Nelson went on to get her "B" license and coaching diploma at the National Coaching Institute at the University of Victoria in 1993. At the time, Nelson held the distinction of being one of only five Canadian female coaches qualified to coach at the national team level. Nelson and her husband, Paul, Associate Head Coach at Southeast, have four children, Jordan, Taylor, Justi and Chase. Their daughter Jordan is a sophomore at Southeast.

PAUL NELSON

Paul Nelson enters his 20th season with the Southeast Missouri women's soccer program and his 12th year as the team's associate head coach. Paul and his wife Heather, head coach of the Southeast women's soccer team, has built the Redhawk women's soccer program from the ground up since its inception in 1999.

Nelson has drawn on his extensive playing and coaching experience from every level – juniors to professional – providing plenty of valuable guidance along the way.

Together with his wife, the Nelsons have built a program on the foundation of quality student-athletes. In 19 seasons, the Redhawks have compiled a .587 winning percentage going 182-132-48. Southeast's Ohio Valley Conference record is an even more impressive 83-45-29 (.621).

He helped lead the Redhawks to Ohio Valley Conference regular season championships in 2001, 2002, 2007, 2011, and 2014. Southeast also registered back-to-back OVC Tournament titles and NCAA Women's Soccer Cup appearances in 2006 and 2007.

Prior to Southeast, Nelson spent four seasons as an assistant coach at Florida State and two years at the Canadian western-based National Training Center. In addition, he was an assistant coach for Canada's Olympic team in 1994.

Nelson first entered the professional ranks in 1977 and enjoyed 13 competitive seasons at that level. He played in the once-heralded North American Soccer League (NASL) during both the indoor and outdoor seasons and competed in the Irish Premier Division. Nelson signed with the NASL's Vancouver Whitecaps at the age of 18, where he had the opportunity to play with and against some of the best players in the world, including Pele, Beckenbauer and Cryuff.

In 2011, Nelson, his teammates and staff from the Whitecaps were inducted into the Soccer Hall of Fame and Museum as the 1979 Whitecaps earned the 2011 Team of Distinction Award. The Whitecaps went 20-10 that season and claimed the NASL's Soccer Bowl with a 2-1 win over the Tampa Bay Rowdies in front of 66,843 fans at Giants Stadium in East Rutherford, New Jersey.

As a staff coach for British Columbia Soccer, Nelson boasted one of the best amateur soccer coaching records in Canada. His coaching successes include gold medals from the 1991 Western Canadian Championships and the 1993 Canada Matches.

In 1999, Nelson served as coach of the American Soccer League's Vancouver 86ers reserve team.

He and his wife, Heather, have four children, Jordan, Taylor, Justi and Chase.

HALL OF FAME

Class of 2015

Lindsay Pickering (Soccer, 2005-2007 / Softball, 2004-2007) was a two-sport athlete at Southeast Missouri, excelling as a member of the women's soccer and softball teams.

In soccer, Pickering was a two-time OVC Defensive Player of the Year, winning the coveted honor in 2005 and 2007. She earned First-Team All-OVC accolades each of those seasons and was a second-team pick in 2006. A three-year starting goalkeeper, Pickering rated as Southeast's career leader in shutouts (28), wins (34) and minutes played (5,233).

In softball, she was a four-year starting outfielder from 2004-07. Pickering was named Second-Team All-OVC in 2006 and landed a spot on the All-OVC Tournament Team in both 2004 and 2005.

She is the first soccer player and 18th multiple sport athlete to be inducted into the Hall of Fame.

Paul and Heather Nelson pose with Southeast Missouri Hall of Fame member Lindsay Pickering, the first soccer player inducted into the Hall of Fame.

Lindsay Pickering was inducted into the Southeast Missouri Hall of Fame on February 20, 2016 at the Show Me Center.

The OVC**

OHIO VALLEY

Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Over its 70 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed

in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

In 2016 SIUE turned in a major upset in the first round of the NCAA Division I Soccer Championship, advancing on penalty kicks 5-4 over No. 11-ranked Notre Dame. The Cougars became just the second OVC team to advance to the second round (joining Samford who topped Vanderbilt on penalty kicks in 2005).

The playing field is not the only place where OVC athletes are working hard. The league

Now in its 71st year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 18 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at

CONFERENCE

also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 275 student-athletes honored with the award, including 81 over the last eight years (2010-18).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement

of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

**This Is
Southeast**

BRING YOUR BIG IDEAS.

**And make
them count.**

Your big ideas will be in good company here. Whatever you choose to study, chances are the program is at the head of its class. And if you're at the head of yours, you can join our honors program and elevate your learning experience even further.

SOUTHEAST MISSOURI
STATE UNIVERSITY • 1873

**SOUTHEAST BOASTS 20+ NATIONALLY
AND INTERNATIONALLY ACCREDITED
PROGRAMS, INCLUDING:**

- / ATHLETIC TRAINING
- / BUSINESS
- / CHEMISTRY
- / COMPUTER SCIENCE
- / DIETETICS
- / EDUCATION
- / ENGINEERING PHYSICS
- / INTERIOR DESIGN

average.**

Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

- / Boston Conservatory of Music
- / Carnegie Mellon University
- / Harvard University
- / Pennsylvania State University
- / Purdue University
- / Texas A&M University
- / Tulane University
- / University of Florida
- / University of Michigan
- / Vanderbilt University
- / Yale University

**COME HERE
AS A STUDENT.**

**And go

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run **Idea Incubator** and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS)** in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home. And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on
a campus
that's equally
inspiring.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.
