CREDITS

The 2019 Southeast Missouri Women's Tennis Information Guide was written, edited and designed by Strategic Communications Graduate Assistant Eric Mueller. Cover design and additional graphics assistance provided by Tonya Wells, Krista Mayfield, and Josh Russell. Photography by Eric Mueller, Marc Mahnke and Josh Russell. Other editorial assistance by Assistant Director of Athletics for Strategic Communications Jeff Honza and Strategic Communications Assistant Director Morgan Harding.

MEDIA

CREDENTIALS

Credentials are required for entrance to the Redhawks Tennis Complex (for photographers). To request season or single-meet credentials, please contact the Southeast Missouri Strategic Communications office by phone at (573) 651-2937 or email at ejmueller@semo.edu. Credentials can be picked up at the meet location or prior to competition day at the Southeast Athletic Administration building.

HOME MATCHES

All of Southeast Missouri's home matches are held at the Redhawks Tennis Complex. It is located on the north side of campus at the intersection of Bertling and North Sprigg.

PHOTOGRAPHERS

Please observe NCAA regulations and shoot from the designated areas at the Redhawks Tennis Complex. Photographers must display their credentials at all times. Flash photography is prohibited.

INTERVIEW POLICIES

Student-athletes and coaches are generally available after practice or upon request. Please provide the Strategic Communications office with at least 24 hours notice to coordinate interviews with student-athletes and coaches. Requests can be made by calling Eric Mueller at (573) 651-2937. Mueller can also be reached via email at ejmueller@semo.edu.

REDHAWKS

The Redhawks Tennis Complex serves as the home court for the Southeast Missouri women's tennis team.

The complex, which was built in 2000, features eight tennis courts, all of which are lighted. Recent upgrades include new windscreens on the featured courts and a new, on-site locker room facility.

The Redhawks Tennis Complex is located on the north side of campus at the intersection of Bertling and North Sprigg.

TENNIS COMPLEX

ACADEMIC

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks recorded a 3.21 cumulative grade point average in the fall and spring semesters. Women's

tennis paved the way with a 3.76 cumulative GPA, while gymnastics, women's cross country and women's soccer followed close behind with 3.70, 3.69 and 3.68 marks, respectively.

In all, 211 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 115 at 3.5 or better. That total accounted for over 64 percent of the entire student-athlete population.

During the spring semester alone, the Redhawks had nine programs post a 3.10 or better GPA, including women's tennis (3.87), women's cross country (3.66), women's soccer (3.65), gymnastics (3.60), softball (3.59), women's basketball (3.39), women's track & field (3.36), volleyball (3.29) and baseball (3.17).

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic

programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

EXCELLENCE

SOCIAL

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete

development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

DEVELOPMENT

COMPETITIVE

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is

able to accommodate larger teams or multiple teams training at the same time.

TRAINING PRINCIPLES FOR SOUTHEAST ATHLETES

1. Reduce the risk of injuries
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
2. Ensure the athletes are optimally prepared to compete
 - It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

3. Maximize athletic ability
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

EXERCISES FOR SOUTHEAST ATHLETES ARE BASED ON THE FOLLOWING PRINCIPLES:

1. Ground Based Movements
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.
2. Three-Dimensional Movements
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).
3. Multi-Joint Movements
 - Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

SUCCESS

SPORTS

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two

hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on

the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

MEDICINE

REDHAWKS AND

Southeast Missouri and Under Armour, Inc. (NYSE: UA, UAA) announced a new partnership agreement. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics beginning July 1, 2018.

As part of the multi-year agreement, Under Armour will provide on-field and training gear for 15 sports. Additionally, Under Armour will outfit members of the athletic department including coaches and staff.

"We are extremely excited to announce our partnership with Under Armour and BSN SPORTS to outfit our student-athletes and coaches with the highest quality apparel in the market," said Director of Athletics Brady Barke. "Having two of the industry leaders

in athletic apparel associated with us will expand the resources available to each of our teams and significantly benefit our student-athletes."

The new official outfitter agreement includes marketing entitlement that will complement Under Armour's brand marketing campaigns through print and venue presence at the University.

Southeast Missouri's athletic programs include football, men's basketball, women's basketball, baseball, men's cross country, women's cross country, softball, women's tennis, volleyball, women's soccer, men's outdoor track & field, men's indoor track & field, women's outdoor track & field, women's indoor track & field and women's gymnastics.

The Redhawks compete at the NCAA Division I level and

are part of the NCAA Football Championship Subdivision (formerly I-AA) in football. Southeast first became a member of the Ohio Valley Conference when it moved to NCAA Division I in 1991-92. The Redhawks have won 53 OVC regular-season championships and 18 OVC tournament titles during their first 26 years in the league. Southeast also won seven Women's All-Sports trophies in that span.

Southeast Missouri joins the growing Under Armour roster of NCAA partners that includes the University of California, Los Angeles, University of California, Berkeley, University of Wisconsin, University of Notre Dame, Naval Academy Athletic Association, University of Maryland, Texas Tech University, Northwestern University, University of Cincinnati,

Boston College, University of Utah, University of South Carolina and Auburn University.

ABOUT UNDER ARMOUR

Under Armour, Inc., headquartered in Baltimore, Maryland is a leading innovator, marketer and distributor of branded performance athletic apparel, footwear and accessories. Designed to make all athletes better, the brand's innovative products are sold worldwide to consumers with active lifestyles. The company's Connected Fitness™ platform powers the world's largest digitally connected health and fitness community. For further information, visit www.uabiz.com.

PRESIDENT

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial

and systems engineering. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting

president of Kutztown University, where he also served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university in 2003.

Dr. Vargas began his career in

higher education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

BRADY

Bradly Barke is in his third year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

Most recently, Barke reached a multi-year agreement with Under Armour. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour will provide on-field and training gear for 15 sports. Additionally, Under Armour will outfit members of the athletic department including coaches and staff.

Academically, Southeast's athletic teams recorded a 3.21

cumulative grade point average in 2017-18. Women's tennis paved the way with a 3.76 cumulative GPA, while gymnastics, women's cross country and women's soccer followed close behind with 3.70, 3.69 and 3.68 marks, respectively.

In all, 211 student-athletes finished with a 3.0 or higher cumulative GPA, including 12 with a 4.0 and 115 at 3.5 or better. That total accounted for over 64 percent of the entire student-athlete population.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were

added as part of the \$1.8 million project that was completed before Southeast's season-opener. More improvements are in the works at Capaha Field.

On Feb. 3, 2017, Southeast formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in Southeast Athletics history.

Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

More than \$240,000 in pledges for the Redhawks Club unrestricted booster fund has been raised under Barke's leadership. It is the largest total since the 2003-04 school year. More than \$266,000 was raised in Sponsorship & Marketing contracts for FY18 marking the fourth-consecutive year of Sponsorship and Marketing revenues.

Football and volleyball ticket

BARKE

sales revenue were the second-highest total in the last 12 years.

Barke has also worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, senior associate to the president and secretary to the Board of Regents at Southeast, officially began as Director of

Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

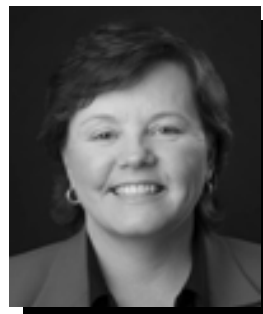

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors.

He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

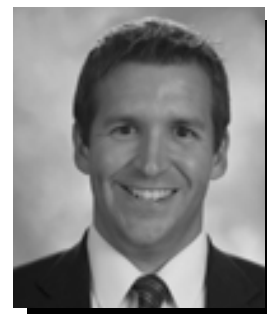

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

MISSION STATEMENT

Southeast Missouri State University Athletics

Mission Statement

Southeast Missouri State University Athletics is committed to enhancing the University's educational mission by supporting student-athletes in their academic, athletic and personal development.

Our Vision

To be the premier athletics department within the Ohio Valley Conference, excelling academically and athletically, while preparing our student-athletes for life after sport.

SEASON PREVIEW

SEASON

Even though the 2017-18 season didn't finish as Southeast Missouri women's tennis would have hoped, this season's team is poised for the 2019 dual campaign.

In her fourth season at the helm of Southeast, head coach **Mary Beth Gunn** has high expectations for her team after a 7-11 (3-6 OVC) mark in 2017-2018.

"I am very impressed with the work ethic and drive of our team," Gunn said. "The ladies are hungry to prove what we can do this season. We have an opportunity this season to make history with our program. We are aiming to capture an OVC [Ohio Valley Conference] title this season."

The 2018-19 Redhawks roster features two seniors in **Isabella Krupa** and **Anais Emelie**, junior **Kseniya Zonova**, sophomore **Maja Lundell** along with five newcomers.

"We have strong leadership in our upperclassmen," Gunn said of the nine-member team. "They have done a great job teaching the freshmen about Redhawk tennis, our standards, our expectations, and how to operate on an elite level. Our five incoming freshmen have really integrated into the team and they brought a lot of energy to our program."

Gunn will look to build upon a strong fall 2018 season that saw her freshman capture multiple tournament titles.

"We had a lot of positive results this fall and learned a lot from getting to play high level matches," Gunn said. "We should go into dual match play with confidence from these wins and with some experience to know that we can pull out the close ones. I am especially pleased with how our doubles teams have gelled together this fall."

Krupa is one of two seniors on the 2018-19 squad. The Kissimmee, Florida native, had one dual singles win in 2018 and was 4-4 in dual doubles. She led the team in 2017 with a 14-6 doubles record at the no. 1 spot.

"Isabella is eager to compete this spring, especially since she missed match play last spring due to injury," Gunn said. "She is a fighter on the court and a true team player. Her big serve and forehand make her a tough player to beat. When paired with Velkoska this past fall, the duo has proven to be a tough team."

Emelie rounds out the senior class. The Palaiseau, France native, had six dual singles wins (4-4 OVC) in 2018 and played at the third, fourth and fifth position.

"As a senior Anais has a lot of match experience; she has a variety of plays in her repertoire which help her beat different types of players," Gunn said of Emelie. "Her athleticism and speed are big attributes for her on the court. She also does a great job supporting and encouraging her teammates."

Junior **Kseniya Zonova** is the top returner for SEMO and led the team with a 10-6 dual singles record and a 6-3 OVC mark in 2018 going 9-4 at the no. 2 slot to earn Second-Team All-OVC laurels.

"Kseniya was a key player for us last year at #2 singles," Gunn said of Zonova. "I see her continuing to play at the top of the lineup this spring. Time and time again she has pulled out some big wins for our program. She continues to improve each year."

Lundell who hails from Stockholm, Sweden is the fifth and final returner this season. The sophomore totaled three singles dual wins (2-6 OVC) playing at the fifth and sixth singles positions in her inaugural collegiate tennis season.

"Maja has continued to improve during her time as a Redhawk," Gunn said of Lundell. "Her serve is powerful and she has a big net game. Right now we are focusing on her growth as a player and developing an all-court game."

Freshman **Romana Tarajova** led Southeast this past fall in singles with seven wins (7-3) and doubles with seven wins (7-2). The Dolný Kubín, Slovakia native, captured two doubles tournaments with **Manuela Barriga** and advanced to the Round of 32s at the 2018 ITA Central Regional after earning a first round bye.

PREVIEW

“Romana had a terrific fall season in singles and in doubles with Manuela [Barriga],” Gunn said of Tarajova. “This freshmen duo has had a quick learning curve to become a strong doubles team. For singles, Romana had some big wins this fall and looks to be one of the top players in our conference.”

Sneha Sinha also made an impact for SEMO during the fall season, with a team best seven singles wins (7-5). She advanced to the Flight B Singles Championship Final at the season-opening Austin Peay Fall Invitational. Sneha, who hails from Germantown, Tennessee, also had a 3-4 doubles record with Zonova.

“Sneha has had a big fall season,” Gunn said of Sinha. “She is a calm and collected player and can follow play instructions very well. She has the potential to be a game changer for us this spring. I am excited to watch her game continue to grow.”

Barriga made a splash in doubles with Tarajova during the fall with a team best seven doubles wins (7-2). The Bogotá, Colombia native, also posted a 5-5 singles record while winning two doubles tournaments.

“Manuela has been a big doubles player for us,” Gunn said of Barriga. “She came in with a good knowledge of doubles and has continued to expand and grow in this role. Her and Romana [Tarajova] work well together as a doubles team.”

Teona Velkoska registered a 6-6 singles record and a 5-4 mark in doubles this past fall. Velkoska, a Prilep, Macedonia native, is ranked third in Macedonia.

“Teona played some high level opponents this past fall, and although she did not win every match, she always competed and kept the matches close,” Gunn said of Velkoska. “I am proud of how she fights on the court. As a freshmen she has really bought into SEMO Tennis and loves being a part of the team. I anticipate her being a big singles player for us this spring.”

Grace Powderly, a Cape Girardeau, Missouri native rounds out the freshmen class with some local flavor. The daughter of two Southeast alumni had one singles and one doubles win during the fall season while appearing in three tournaments.

“Grace gives 100 percent at every practice and match,” Gunn said of Powderly. “She has such a high drive as a person and pushes everyone on the team to be better. She is one of the major energy leaders on our team. She has a big serve and backhand. We are working on developing the consistency and power balance in her game.”

The Redhawks open the 2019 season in Columbia, Missouri, with a pair of dual meets. Southeast faces Arkansas State on Friday, Jan. 25 at 5 p.m. before facing Missouri Saturday, Jan. 26 at 1 p.m.

PRESEASON POLL

“Being picked to be in the top 4 is a milestone for this program,” head coach Mary Beth Gunn said of the preseason poll. “Now it’s up to us to prove we belong there. I am excited to see what this program can achieve.”

2019 PREDICTED ORDER OF FINISH

(voted on by the league’s head coaches and sports information directors)

- T1. Austin Peay (6) – 58
- T1. Murray State (3) – 58
- 3. Jacksonville State – 43

4. Southeast Missouri – 40

MARY BETH GUNN

Mary Beth Gunn sets to begin her fourth season as head coach of the Southeast Missouri women's tennis team in 2018-19.

Gunn coached two All-OVC players in 2018. Oleksandra Doroshenko was named to the First-Team All-OVC and Kseniya Zonova garnered Second-Team All-OVC honors. The duo was the first pair of Redhawk players to be named to All-OVC Teams since Nikole Novikova and Elizabeth Nyenwe both claimed First-Team All-OVC laurels in 2011.

Gunn led SEMO to a remarkable turnaround in her second season. After going 1-19 overall and winless in the Ohio Valley Conference the year before, the Redhawks went 13-8 and finished fifth in the OVC with a 5-4 mark in 2016-17. SEMO advanced to its first OVC Tournament in 10 years as its fifth-place conference finish was the Redhawks best in 20 seasons.

SEMO ended a string of 10-consecutive losing seasons with its winning campaign a year ago, the program's first since 2005-06 (12-11). The Redhawks also celebrated their first OVC winning record since 1996-97 (6-4).

Gunn coached OVC Freshman of the Year in Oleksandra Doroshenko. Doroshenko, who also earned Second-Team All-OVC accolades, became only the second player in program history to win the coveted award. She led the Redhawks with 16 singles victories and 14 wins in doubles play. Doroshenko ended her 2017 spring by tying the fifth-most singles victories and fourth-most doubles wins in a season at SEMO. She was named OVC Female Athlete of the Week twice and became the first SEMO player to beat an SEC opponent during her stellar rookie campaign.

SEMO's spring success followed a tremendous fall season. The Redhawks finished their 2016 fall campaign with a 56-47 (.544) singles record and 36-25 (.590) mark in doubles play. SEMO accumulated its most wins and best winning percentage in any fall season of competition.

Gunn was hired as SEMO's ninth head women's tennis coach on November 10, 2015.

Prior to joining the Redhawks, Gunn coached at Western Illinois, Limestone College and fellow OVC member UT Martin. She was the head women's tennis coach at WIU and served as an assistant coach at both Limestone College (2014-15) and UT Martin (2009-13).

Gunn was on coaching staffs for two conference championship teams. She helped lead UTM to the OVC Women's Tennis Championship in 2010-11 and Limestone College to a Conference Carolinas women's tennis title in 2014-15. Gunn was named the Intercollegiate Tennis Association Assistant Coach of the Year in 2015.

Gunn earned both her bachelor's degree in English & History (2008) and master's degree in Education (2011) at UTM.

* Prior to 2006, the OVC Tournament Champion was declared the only champion of the season. Beginning in 2006, the Conference also awarded a regular-season championship in addition to the tournament championship. Southeast last made the OVC Tennis Tournament in 2017. Prior to that was the 2007 season.

THIS IS THE OVC

Now in its 71st year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 18 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart,

football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Over its 70 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track

State) to present-day standouts like basketball player Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six-straight tournament crowns. Former EKV skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 35 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its

OHIO VALLEY

the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in

and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead

eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. She was later joined by Murray State's Scottie Ingram who won three-straight awards from 2014-16. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead

State's Amy Almond (2001-02) – were back-to-back winners of the award.

Morehead State won its fourth-straight OVC volleyball regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 275 student-athletes honored with the award, including 81 over the last eight years (2010-18).

Through the early years of the league, administrators wrestled with fan behavior

has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown

significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

Updated June 2018

CONFERENCE

due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference

top business
schools.**

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run **Idea Incubator** and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS)** in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home. And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on
a campus
that's equally
inspiring.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.
