The 2020 Southeast Missouri Tennis Media Guide was written, edited and designed by Strategic Communications Graduate Assistant Eric Mueller. Additional assistance by Morgan Harding and Jeff Honza. Photography by Marc Mahnke, Charlie Balcom, Josh Russell, Heather Brown, Athlete's Eye Photography, Keith Hente, and Southeast Missouri Athletics.

SOUTHEAST MISSOURI

The 2020 Southeast Missouri tennis media guide is a source of information for the news media covering the Redhawks. News releases, clips, video footage, photographs and other information will also be available to accredited members of the media upon request.

Strategic Communications

The Southeast Missouri Strategic Communications Office is always willing to assist the media with their coverage of Redhawk athletics. All media and credential requests should be made to Strategic Communications Graduate Assistant Eric Mueller. Should you need any information, feel free to call any time, day or night. Mueller can be reached at (573) 651-2937 (work) or (630) 267-5145 (mobile).

Home Matches

All of Southeast Missouri's home matches are held at the Redhawks Tennis Complex. It is located on the north side of campus at the intersection of Bertling and North Sprigg.

Interview Policy

All of Southeast Missouri's student-athletes and coaches will be available to the media throughout the 2020 season. Interviews should be arranged through the Southeast Missouri Strategic Communications Office. In-person interviews will take place at the conclusion of the meet. Please let the Strategic Communications Office know if you plan to attend any practices. For interviews with opposing coaches and athletes, please make arrangements with the visiting media relations personnel before the end of the meet.

Credentials

Credentials are required for entrance to the Redhawks Tennis Complex (for photographers). To request season or single-game credentials, please contact Eric Mueller in the Southeast Missouri Strategic Communications Office by phone at (573) 651-2937 or email at ejmueller@semo.edu. Credentials can be picked up at the Redhawks Tennis Complex or prior to the competition day at the Southeast Athletic Administration building.

Southeast Missouri follows the guidelines set forth by the NCAA governing the issuance of credentials. Credentials will be issued to accredited members of the photo media working for newspapers and television stations.

All credential requests should come from sports editors, directors or anchors. Any unauthorized use of credentials will result in revocation of credentials issued by Southeast Missouri State University and credential requests will not be honored for future SEMO athletic events.

Redhawks on the Internet

Southeast Missouri's Official Athletics website can be found at the following address:

GoSoutheast.com

The website is updated daily and information on all 15 sports is available. Complete schedule, results, coaches and player bios and conference information can be accessed.

Redhawks on ESPN+

The Ohio Valley Conference and ESPN reached an extension of their media rights agreement, which includes a minimum of 600 conference events on ESPN+, the recently launched multi-sport, direct-to-consumer subscription streaming service from The Walt Disney Company Direct-to-Consumer & International segment and ESPN. All of Southeast Missouri's home and select away contests will air live on ESPN+. ESPN+ is the first-ever multi-sport, direct-to-consumer subscription streaming service from The Walt Disney Company's Direct-to-Consumer and International division in partnership with ESPN. It offers fans thousands of additional live events, on-demand content and original programming not available on ESPN's linear TV or digital networks. ESPN+ is an integrated part of the completely redesigned ESPN App. Already the leading sports app, the new ESPN App is the premier all-in-one digital sports platform for fans across mobile and tv-connected devices. ESPN+ is also available through ESPN.com.

Photographers

Please observe NCAA regulations and shoot from the designated areas assigned at the Redhawks Tennis Complex. Photographers must display their credentials at all times. Flash photography is prohibited.

Meet Results

Results will be available immediately following each meet. Statistics and other information will also be available to help with your coverage of Redhawks Tennis.

Tennis Email List

If you would like to be added to the Redhawk Tennis email list to receive breaking news about the team, please email Eric Mueller.

Facility Information

Home Facility Redhawks Tennis Complex
Courts8

SOUTHEAST MISSOURI

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by SEMO student-athletes.

A total of 229 individuals achieved a 3.0 or higher grade point average during the 2018-19 academic year equating to 67.7 percent of the entire student-athlete population.

Forty-five of those student-athletes recorded perfect 4.0 GPAs.

The SEMO women's tennis team led the department with a 3.87 cumulative GPA and registered a 4.0 during the spring semester alone. Women's cross country (3.75), gymnastics (3.70), women's soccer (3.69), softball (3.67), women's track & field (3.62), volleyball (3.61), baseball (3.27), women's basketball (3.19) and men's cross country (3.16) followed as the other programs to post 3.16 or better GPAs.

During the spring semester, SEMO's Department of Athletics accumulated a 3.23 GPA. Women's tennis (4.0), softball (3.74), women's track & field (3.71), volleyball (3.68) and women's soccer (3.67) filled the top five GPAs over the spring term. The 3.23 GPA was

the Redhawks highest for any semester since 2014-15.

In all, 68 student-athletes received their degrees, including 18 in the fall and 50 in the spring.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic

preparedness and assigned to appropriate categories.

Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk tennis student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program

is to develop a comprehensive student-athlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

SOUTHEAST MISSOURI

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

SEMO's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting

platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

Prevention. Treatment. Rehabilitation.

Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

SEMO student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The SEMO athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

The SEMO Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes.

SOUTHEAST MISSOURI

**PRESIDENT
DR. CARLOS VARGAS**

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and

systems engineering. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as

acting president of Kutztown University, where he also served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university in 2003.

Dr. Vargas began his career in higher education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

DIRECTOR OF ATHLETICS
BRADY BARKE

Brady Barke is in his fourth year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During the 2018-19 season, the Redhawks finished fifth in the Ohio Valley Conference Commissioner's Cup standings, improving three spots from where they ranked the previous year. SEMO accumulated a total of 98.75 points in the overall scoring and was awarded 12.5 points for winning the softball OVC regular season and tournament titles. The Redhawks tacked on a combined 43 points between second-place finishes in women's cross country, women's outdoor track & field, football and men's outdoor track & field.

Academically, SEMO's athletic teams were once again strong in the classroom.

A total of 229 individuals achieved a 3.0 or higher grade point average during the 2018-19 academic year equating to 67.7 percent of the entire student-athlete population.

Forty-five of those student-athletes recorded perfect 4.0 GPAs. The women's tennis team led the athletics department with a 3.87 cumulative GPA and registered a perfect 4.0 in the spring semester. SEMO's 3.23 spring GPA was the department's highest in any semester over the last 10 years.

In all, 68 student-athletes received degrees, including 18 in the fall and 50 in the spring. Additionally, the women's cross country and volleyball programs earned NCAA Public Recognition awards based on their multiyear Academic Progress Rates for the fourth year in a row.

The upcoming 2019-20 campaign marks SEMO's second year with Under Armour. Barke reached a multi-year agreement with the Baltimore-based global leader

in performance footwear, apparel and equipment that made Under Armour the official outfitter of Southeast Missouri Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

Most recently, renovations have been made to the nutrition area that serves as a fueling station for SEMO student-athletes at the Holcomb Success Center. Construction for a new hitting facility at Capaha Field is underway and scheduled to be completed by the start of the upcoming 2020 baseball season.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri

State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before SEMO's season-opener.

On Feb. 3, 2017, SEMO formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Barke helped secure the Holcomb's gift, the largest single cash gift in SEMO Athletics history.

Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Fundraising continues to increase under Barke's leadership.

The 2018-19 campaign marked the fifth consecutive year of growth for the Redhawks Club general fund. It is the highest level of giving to the Redhawks Club general fund since 2003-04.

Barke also worked with donors to establish two new endowed scholarships for student-athletes and raised over \$60,000 to support the

SEMO football program and summer school scholarships.

More than \$250,000 in pledges for the Redhawks Club unrestricted booster fund has been raised with Barke as Director of Athletics. Over \$200,000 was raised in Sponsorship & Marketing contracts each of the last two years. The 2018-19 season was the fifth-consecutive year of Sponsorship and Marketing revenues.

Barke has also worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with

both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke, senior associate to the president and secretary to the Board of Regents at Southeast, officially began as Director of Athletics on July 1, 2016.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

MISSION STATEMENT

Southeast Missouri State University Athletics Mission

Southeast Missouri State University Athletics is committed to enhancing the University's educational mission by supporting student-athletes in their academic, athletic and personal development.

Our Vision

To be the premier athletics department within the Ohio Valley Conference, excelling academically and athletically, while preparing our student-athletes for life after sport.

Our Commitment to Diversity and Cultural Competence

Southeast Missouri State University Athletics strives to create an environment that fosters collaboration and facilitates an open exchange of the unique perspectives that each individual brings. These experiences will enrich the learning environment and better prepare our coaches, staff and student-athletes to make thoughtful contributions in our diverse society. Southeast Missouri State University prohibits all forms of discrimination on the basis of race, color, ethnicity, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability, or protected veteran status. The Department of Athletics is dedicated to this guiding principle and is committed to attracting and retaining coaches and staff who reflect the diversity of our student-athlete population.

TENNIS

#LETSSOAR

SEASON PREVIEW

SEASON

After a historic 2019 season that saw Southeast Missouri women's tennis finish as semifinalists at the Ohio Valley Conference Championship, the 2020 Redhawks will look to build upon that success.

The pieces are there as SEMO's seven returners include five who heavily contributed to Southeast's first OVC Championship match victory in 16 years.

"When we beat Belmont last year in the tournament, I was most excited about the win because I knew five of the six starters would be back again next year," head coach **Mary Beth Gunn** said of that experience. "It's a huge advantage to have that many starters return for the next season because they know what it feels like to compete at this tournament, and they are hungry to get back there again and finish stronger than the previous year."

Those returners include senior **Kseniya Zonova** (Kharkiv, Ukraine), junior **Maja Lundell** (Stockholm, Sweden) along with sophomores **Romana Tarajova** (Dolný Kubín, Slovakia), **Manuela Barriga** (Bogotá, Colombia), **Sneha Sinha** (Germantown, Tennessee), **Teona Velkoska** (Prilep, Macedonia) and **Grace Powderly** (Cape Girardeau, Missouri). Southeast also added two freshmen in **Vivian Lai** (Taipei, Taiwan) and **Lera Valeeva** (Ekaterinburg, Russia).

"We have a large sophomore class that is very close with one another," Gunn said of the makeup of this squad. "Now that they have a year of experience, I am excited to see their growth this season. Kseniya has proven herself on the court; she has had an impressive career here and she showed up to preseason training ready to play. Our two freshmen are both very strong players and our leaders have done a great job teaching them what it means to be a Redhawk."

Southeast registered a 12-10 record last season while posting a .500 mark during OVC play (4-4) in Gunn's fourth season. Their goals for the 2020 campaign encompass their stability at the helm as well as on the court.

"Now that our program has begun to see some continuity, we have been able to build our culture and belief in ourselves," Gunn said. "We have a strong base of talent, experience, and pride in our program. These elements make us a formidable threat to other teams in the conference. Our main objective is to play each match with focus, intensity, and energy. We have the experience to handle the big moments which make us a contender for the OVC title this year. Our focus is on growth and how we can get just a little better each day so when it comes to conference play, we are ready for the challenge."

Besides two new freshmen, Gunn has also added graduate assistant **Phoebe Boesch** to her staff. Boesch helped Missouri State capture the 2018 Missouri Valley Conference Championship and was the fifth-ranked tennis player in the state of Missouri coming out of high school, according to TennisRecruiting.net.

"Adding Phoebe to our coaching staff has made an immediate positive impact on our program," Gunn said. "She has high level playing experience and a conference title, so she knows what it takes to win a conference championship. She is very knowledgeable about tennis and having her coach on court is making us better at being able to read plays and find solutions in match play. She is also an asset in recruiting future talent with her experience and connections to this region."

Southeast enters the 2020 dual season after strong tournament play this past fall. Velkoska and Lai along with Tarajova

and Barriga each captured doubles titles while Lai also won a singles championship. At the Intercollegiate Tennis Association (ITA) Ohio Valley Regional Championship, Tarajova and Zonova each tallied singles wins over Power Five schools.

"We were fortunate to get in a lot of tournament play this fall," Gunn said. "It was a time to try new plays, work on some new doubles teams, and get the valuable match experience we need going into the spring season. It was also a great confidence builder since we were able to earn wins over Power Five schools and win multiple tournament titles."

PLAYERS

Zonova returns to SEMO for her senior season. The 2018 All-OVC performer led the Redhawks in singles (14-7, 6-2 OVC, no. 2) in 2019 and played doubles (10-6, 4-2 OVC) at the second position with Sneha. Zonova who possesses a 37-20 career singles record was also selected eighth in her second straight OVC preseason watchlist ahead of this season.

"Kseniya is a huge reason why our team has grown and been successful since her arrival in Cape in Fall 2015," Gunn said of Zonova. "She is a strong leader on the court and her energy and will to win urges her teammates to keep going in the hard matches. She is a threat to any team that we will play this semester."

Lundell rounds out the upperclassmen on the 2020 team.

"Maja's game has good variety and this makes her tough to beat on the court," Gunn said of Lundell. "She has a big serve and she can play big spin balls from the baseline and she can come in. As a junior she does a great job helping the underclassman grow and get better because she always is wanting the team to do well, not just herself."

PREVIEW

Tarajova leads the returning five-member sophomore class. In her inaugural collegiate campaign, she was named OVC Freshman of the Year and earned First-Team All-OVC honors. Tarajova was second on the team with a 13-5 singles record (5-3 OVC) at the top spot and competed at no. 3 doubles with Barriga (9-5, 4-1 OVC). She was also selected fourth in the OVC Preseason Top 10 Players List.

"Romana is a powerhouse player who had an amazing year in 2019 and we are looking to build on that this year," Gunn said of Tarajova. "Now that she has more dual match and OVC tournament experience, she is mentally prepared for the big matches that she has ahead of her. She has also been working hard in doubles to contribute in this area as well as her singles game."

Sinha was third on the team in 2019 with a 12-6 singles record (5-3 OVC), playing at the fifth and sixth slots. In doubles, she appeared in the second position, teaming up with Zonova for a 10-6 mark (4-2 OVC).

"Sneha is a tough player to beat because she plays very smart tennis and knows how to use her weapons to her advantage," Gunn said of Sinha. "She's not afraid to come in and take the ball aggressively, and this sets her apart from some of her opponents. She also brings a great energy to her matches which intimidates her opponents."

Velkoska was fourth on SEMO, fashioning a 11-8 singles mark (6-2) in the fourth and fifth lineup spots. In doubles with Isabella Krupa, she paced the Redhawks with a 13-8 record (4-3 OVC) primarily in the second position.

"Teona is a fighter on the court, and she brings passion to the court every day," Gunn said of Velkoska. "She has improved her serve and it really helped her get some big wins this fall. She was a big asset for

us in doubles and singles last year, and I'm excited to see what all she will accomplish this year."

Powderly who is a local from Cape Girardeau is the fifth and final sophomore. The daughter of Southeast alumni, Powderly, is the lone Missourian on the roster.

"Grace does a great job pushing her teammates to be their best every day," Gunn said of Powderly. "She is the hardest working player I have ever coached. She has focused a lot on adding power and variety to her serve and it's starting to pay off for her. She is an energy leader for our program, and she brings intensity and integrity to our team."

Lai had a strong fall in preparation for the 2020 dual schedule. The freshman from Taipei, Taiwan, led the Redhawks with an 11-4 singles record and a 9-4 doubles mark. Lai also won a pair of doubles titles with Velkoska along with a singles championship.

"Vivian has done a fantastic job of transitioning from junior tennis to Division I tennis," Gunn said of Lai. "She has a good sense about doubles positioning and this helps her cover a lot of ground. From the fall tournaments, she has proved that she is a high level player who is ready to compete in dual matches and make an immediate impact for our program."

Valeeva signed with the Redhawks in December ahead of the 2020 dual season. The Ekaterinburg, Russia native, graduated from Gymnasium 5 in 2019 and her arrival increased the SEMO roster to nine student-athletes.

"Lera is a great addition to our program, both on the court and in the classroom," Gunn said of Valeeva. "She brings in a big lefty game and added with her height, she has a big serve that is difficult to return. Our focus is to help her learn and

grow as much as she can before we start conference matches."

Southeast opens its 2020 campaign on Sunday, Jan. 26 with a doubleheader at Louisville. The season includes 19 matches. SEMO hosts three-straight OVC contests from March 27 through April 4 against Austin Peay, Murray State and Jacksonville State at the Redhawks Tennis Complex.

PRESEASON POLL

"The conference has several teams this year that are at a similar talent level and we are looking forward to the close matchups," Gunn said. "We are a team that can fly under the radar and create some big upsets this season."

2020 OVC PRESEASON POLL

1. Austin Peay (6 first-place votes) – 62
2. Murray State (2 first-place votes) – 55

Personal:

Born on November 16, 2001...Daughter of of Zulfiia Valeeva...Majoring in Financial Economics at Southeast.

MARY BETH GUNN

Mary Beth Gunn sets to begin her fifth season as head coach of the Southeast Missouri women's tennis team in 2019-20.

This past season, Gunn led the Redhawks to their first OVC Championship win in 16 years. As the fifth seed, Southeast overcame #4 Belmont, 4-1, in the first round to finish as semifinalists at the 2019 conference tournament.

Gunn also coached her second OVC Freshman of the Year at SEMO in Romana Tarajova. Tarajova became the third Southeast player to win the award and second in three years as Oleksandra Doroshenko garnered the award in 2017. Tarajova was also named to the First-Team All-OVC after she fashioned a 13-5 mark at the top singles position.

In the classroom, the team was recognized as an Intercollegiate Tennis Association All-Academic Team for the fifth consecutive season as all nine Redhawk student-athletes earned ITA Scholar-Athlete awards. The team posted a 3.87 GPA during the 2018-19 school year and each player was selected to the OVC Commissioner's Honor Roll.

Six members of the 2018-19 squad earned the OVC Academic Medal of Honor for registering a perfect 4.0 grade point average during the academic year. The team also garnered an OVC Team Academic Achievement Award as the tennis program with the greatest percentage of its eligible student-athletes who achieved a 3.25 grade point average or higher.

Gunn coached two All-OVC players in 2018. Oleksandra Doroshenko was named to the First-Team All-OVC and Kseniya Zonova garnered Second-Team All-OVC honors. The duo was the first pair of Redhawk players to be named to All-OVC Teams since Nikole Novikova and Elizabeth Nyenwe both claimed First-Team All-OVC laurels in 2011.

Gunn led SEMO to a remarkable turnaround in her second season. After going 1-19 overall and winless in the Ohio Valley Conference the year before, the Redhawks went 13-8 and finished fifth in the OVC with a 5-4 mark in 2016-17. SEMO advanced to its first OVC Tournament in 10 years as its fifth-place conference finish was the Redhawks best in 20 seasons.

SEMO ended a string of 10-consecutive losing seasons with its winning campaign a year ago, the program's first since 2005-06 (12-11). The Redhawks also celebrated their first OVC winning record since 1996-97 (6-4).

Gunn coached OVC Freshman of the Year in Oleksandra Doroshenko. Doroshenko, who also earned Second-Team All-OVC accolades, became only the second player in program history to win the coveted award. She led the Redhawks with 16 singles victories and 14 wins in doubles play. Doroshenko ended her 2017 spring by tying the fifth-most singles victories and fourth-most doubles wins in a season at SEMO. She was named OVC Female Athlete of the Week twice and became the first SEMO player to beat an SEC opponent during her stellar rookie campaign.

SEMO's spring success followed a tremendous fall season. The Redhawks finished their 2016 fall campaign with a 56-47 (.544) singles record and 36-25 (.590) mark in doubles play. SEMO accumulated its most wins and best winning percentage in any fall season of competition.

Gunn was hired as SEMO's ninth head women's tennis coach on November 10, 2015.

Prior to joining the Redhawks, Gunn coached at Western Illinois, Limestone College and fellow OVC member UT Martin. She was the head women's tennis coach for four months at WIU and served as both an assistant coach at both Limestone College (2014-15) and UT Martin (2009-13).

Gunn helped with recruiting, administration, fundraising, organizing tournaments and other duties as assigned during her stints as an assistant coach.

While at UTM, Gunn also served as the Director of the Skyhawk Tennis Camp from 2009-15 and was an Academic Counselor in the Department of Athletics from 2011-13.

Gunn was on coaching staffs for two conference championship teams. She helped lead UTM to the OVC Women's Tennis Championship in 2010-11 and Limestone College to a Conference Carolinas women's tennis title in 2014-15. Gunn was named the Intercollegiate Tennis Association Assistant Coach of the Year in 2015.

Gunn earned both her bachelor's degree in English & History (2008) and master's degree in Education (2011) at UTM.

PHOEBE BOESCHEN

Phoebe Boeschen enters her first season as the Graduate Assistant for the Southeast Missouri women's tennis team in 2020.

Boeschen comes to Southeast after a four-year tennis career at Missouri State. Boeschen helped the Bears capture the 2018 Missouri Valley Conference Tennis Championship.

In her junior season at Missouri State, she earned MVC Doubles Team of the Week honors with Anelisse Torrico Moreno after sweeping Northern Iowa and Drake to close the regular season.

In the classroom, Boeschen has been named to the Intercollegiate Tennis Association Scholar-Athlete Team and recognized by both Missouri State and the Missouri Valley Conference for her academics. She was awarded the MVC President's Council Academic Excellence Award in 2017.

Boeschen graduated from Missouri State in 2019 with a Bachelor's in Middle School Mathematics.

Coming out of high school, she was the fifth-ranked tennis player in the state of Missouri in the class of 2014-15, according to TennisRecruiting.net. At Rock Bridge High School in Columbia, Missouri, Boeschen was a member of two Class 2 State Championship Teams as a freshman and senior. As a sophomore, she won the doubles state championship. Boeschen also helped the Bruins to runners-up finishes as a sophomore and junior at the state tournament.

Boeschen is currently pursuing her Master's in Higher Education Administration with an emphasis in Sports Management at Southeast.

#LETSSOAR

THIS IS THE OVC

OHIO VALLEY

the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Over its 71 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track

and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball players Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball player Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country team earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC

Now in its 72nd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 19 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart,

CONFERENCE

team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2017, the Eastern Kentucky women's team earned its first national ranking as well as becoming the first OVC women's team to qualify for the NCAA Championship. The Colonels finished 23rd at the National Championship meet.

Following the 2017-18 season, long-time coaches Tom Akers (Eastern Illinois) and Rick Erdmann (Eastern Kentucky) retired. The duo combined for 118 OVC Championships and 115

OVC Coach of the Year Awards.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 287 student-athletes honored with the award (including 53 over the past five years).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

Updated June 2019

2020 OVC OVC TENNIS CHAMPIONSHIP

The 2020 OVC Women's Tennis Championships will be held April 17-19 at the Adams Tennis Complex in Murfreesboro, Tennessee. It marks the first time the event has been held at the venue.

The venue features 24 outdoor courts in addition to eight indoor tennis courts, two electronic scoreboards, pro shop, and lounge area with a mezzanine for spectator viewing. The Murfreesboro Parks and Recreation Department operate the facility.

The women's championship was contested for the 45th time (it was first held in 1977) in 2019.

Last season the Austin Peay women capped a perfect season to win its first title since 2010.

2020 OVC Championship Schedule

First Round: Friday, April 17, 2020

Match 1: #3 Seed vs. #6 Seed, TBA

Match 2: #4 Seed vs. #5 Seed, TBA

Semifinals: Saturday, April 18, 2020

Match 3: #2 Seed vs. Winner of Match 1, TBA

Match 4: #1 Seed vs. Winner of Match 2, TBA

Championship: Sunday, April 19, 2020

Match 5: Semifinal Winners, TBA

**GETTING INTO MEDICAL
SCHOOL ISN'T EASY —
WE JUST MAKE IT LOOK
THAT WAY. SOUTHEAST'S
PRE-MED STUDENTS ARE
ACCEPTED TO**

**medical
school well
above the
national
average.**

Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

- / Boston Conservatory of Music
- / Carnegie Mellon University
- / Harvard University
- / Pennsylvania State University
- / Purdue University
- / Texas A&M University
- / Tulane University
- / University of Florida
- / University of Michigan
- / Vanderbilt University
- / Yale University

**COME HERE
AS A STUDENT.**

**And go
anywhere
as a
teacher.**

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21

student
ratio

**Full-time
faculty**

lead most classes, not
teaching assistants —
starting with freshman year.

**THE DONALD L. HARRISON
COLLEGE OF BUSINESS
CONSISTENTLY MAKES THE
PRINCETON REVIEW'S LIST OF
top business
schools.**

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run **Idea Incubator** and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS)** in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home. And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on
a campus
that's equally
inspiring.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

on the banks of the Mississippi,
