The 2021 Southeast Missouri Women's Tennis Media Guide was written, edited and designed by Strategic Communications Assistant Director Eric Mueller. Additional assistance by Jeff Honza. Photography by Marc Mahnke, Charlie Balcom, Josh Russell, Jacob Wiegand, Keith Hente, Eric Mueller and Southeast Missouri Athletics.

REDHAWK TENNIS

The 2021 Southeast Missouri women's tennis media guide is a source of information for the news media covering the Redhawks. News releases, clips, video footage, photographs and other information will also be available to accredited members of the media upon request.

Strategic Communications

The Southeast Missouri Strategic Communications Office is always willing to assist the media with their coverage of Redhawk athletics. All media and credential requests should be made to Strategic Communications Assistant Director Eric Mueller. Should you need any information, feel free to call any time, day or night. Mueller can be reached at (573) 651-2937 (work) or (630) 267-5145 (mobile).

In-Season Interview Policy

All of Southeast Missouri's tennis student-athletes and coaches will be available to the media throughout the 2021 season. Interviews should be arranged through the Southeast Missouri Strategic Communications Office. Due to the COVID-19 pandemic, interviews with student-athletes and coaches will be conducted virtually (via Zoom/Face Time) or by phone after practice during the season. Please let the Strategic Communications Office know at least 24 hours in advance so interview arrangements can be made. There will be no in-person interviews to ensure proper safety measures.

Credentials

Credentials are required for entrance to the Redhawks Tennis Complex (for photographers). To request season or single-game credentials, please contact Eric Mueller in the Southeast Missouri Strategic Communications Office by phone at (573) 651-2937 or email at ejmueller@semo.edu. Credentials can be picked up at the Redhawks Tennis Complex or prior to the competition day at the Southeast Athletic Administration building.

Southeast Missouri follows the guidelines set forth by the NCAA governing the issuance of credentials. Press Row credentials will be issued to accredited sports writers of daily and weekly newspapers. Photo and sideline passes will be issued to accredited members of the photo media working for newspapers and television stations.

All credential requests should come from sports editors, directors or anchors. Any unauthorized use of credentials will result in revocation of credentials issued by Southeast Missouri State University and credential requests will not be honored for future SEMO athletic events.

**Post Meet Interviews**

The Southeast Missouri Strategic Communications staff will make student-athletes available to the media at the conclusion of each meet. Due to the COVID-19 pandemic, post meet press conferences will be held virtually. Head coach Mary Beth Gunn and selected student-athletes will address the media via Zoom or via phone.

Photographers

Please observe NCAA regulations and shoot from the designated areas assigned at the Redhawks Tennis Complex. Photographers must display their credentials at all times.

Meet Results

Results will be available immediately following each meet. Statistics and other information will also be available to help with your coverage of Redhawks Tennis.

Tennis Email List

If you would like to be added to the Redhawk Tennis email list to receive breaking news about the team, please email Eric Mueller.

REDHAWK TENNIS

Redhawks on the Internet

Southeast Missouri's Official Athletics website can found at the following address:

GoSoutheast.com

The website is updated daily and information on all 15 sports is available. Complete schedule, results, coaches and player bios and conference information can be accessed.

Redhawks on ESPN+

The Ohio Valley Conference and ESPN have a media rights agreement, which includes a minimum of 600 conference events on ESPN+, the multi-sport, direct-to-consumer subscription streaming service from The Walt Disney Company Direct-to-Consumer & International segment and ESPN. All of Southeast Missouri's home and OVC games air live on ESPN+. ESPN+ offers fans thousands of additional live events, on-demand content and original programming not available on ESPN's linear TV or digital networks. ESPN+ is an integrated part of the completely redesigned ESPN App. Already the leading sports app, the new ESPN App is the premier all-in-one digital sports platform for fans across mobile and TV-connected devices. ESPN+ is also available through ESPN.com.

REDHAWK TENNIS

On July 1, 2020, Southeast Missouri State University unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs.

The redesign features an official brand font to complement the marks, and a focused emphasis on 'SEMO' as the preferred reference for the University in Athletics and less formal communications. These logos are the first update to the University's spirit branding since the Redhawk was introduced in 2005.

The new brand identity, which will allow SEMO's athletic teams to display consistent logos, lettering and numerals, is independent of the existing University marks featuring the depiction of the Academic Hall dome which remain un-

changed.

"We are excited to reveal our refreshed series of logos and wordmarks," said Director of Athletics Brady Barke. "Having a strong and recognizable brand is essential as we continue to elevate the profile of the University and Redhawk Athletics, and continue towards our vision of being the premier athletics program in the Ohio Valley Conference. These new marks complement our existing Redhawk logo and help us establish a strong regional and national identity by embracing the SEMO nickname."

SEMO started the process of creating its new brand identity following a 2018 brand refresh study completed by Ologie. A higher education branding and marketing firm based in Columbus, Ohio, Ologie helped launch the University's "Will to Do" brand

platform.

As part of the refresh, Ologie closely studied the use of "SEMO" vs. "Southeast".

Through extensive surveys and interviews, Ologie concluded that audiences like the personality, uniqueness and familiarity of "SEMO" when referring to the University and its athletic programs, except in official institutional communications. Their recommendations included embracing the SEMO acronym by establishing parameters for usage and creating the wordmark.

Following the study, the logos were designed by the University Marketing team, in collaboration with the Department of Athletics and campus leadership at no additional cost to the University.

"I want to thank Tonya Wells and her team in the University Marketing office for their hard work on this project," said Barke.

"Working collaboratively over a number of months, I think we have developed something everyone associated with Southeast Missouri State can be proud of."

With the addition of an official brand font, sport-specific logos for each of SEMO's 15 Division I sports and sub-brand lock-ups can be used across the University. It also presents a more consistent branding over all platforms.

Along with the new logos, fans will notice a more frequent use of "SEMO" in reference to the University and its athletic teams on uniforms, apparel and other materials. Official social media usernames for Redhawk Athletics, including Facebook, Twitter and YouTube have all been changed from @GoSoutheast to @SEMORedhawks.

The announcement signifies

a local launch of the branding and refreshed spirit logos. Certain digital platforms, including University and athletic websites, and social media will adopt the new logos immediately. Signage and publications on SEMO's campus will use the updated logo over the coming months. Athletic uniforms and apparel will reflect the updates as teams enter the next purchase cycle. Fully rebranding the campus and athletic facilities is a time-consuming and costly endeavor. Therefore, this process will be completed giving priority to highly visible locations and only as funding is identified.

"It's an exciting time for SEMO Athletics," said Southeast President Dr. Carlos Vargas. "We are entering the new school year as defending OVC champions in five different sports and we finished the COVID-19 shortened season at the top of the OVC Commissioner's Cup standings. We are Southeast Missouri's Division I athletics program and our refocused identity represents our institution's strong connection to serving our region."

What They Are Saying . . .

"I'm really excited about our new wordmark. When you think about Southeast Missouri State, you think about our region and our area, you think, 'SEMO.' SEMO is what makes us different. There is only one SEMO. We are the regional institution. I can't wait to see this new wordmark in the Fall."

Tom Matukewicz
Head Football Coach

"As a SEMO alumnus, it was exciting to work on this project alongside the team in University Marketing which did an amazing job developing the visual identity. The 'SEMO' nickname is truly unique in the college landscape and these new marks will help strengthen our brand locally and nationally."

Nate Saverino
Associate Director of
Athletics for External Affairs

"Remembering where you come from is an important part of shaping where you are going. Our campus identity as 'SEMO' is intrinsic to who we are. It is ingrained in Southeast Missouri State University's history. Much like SEMO's landmarks – the dome, cardiac hill and the gum tree – 'SEMO' is unique to who we are and inspires an incredible sense of community. In terms of recruiting, the new SEMO logo is huge! We are the only NCAA athletic program in the nation with this acronym and it pinpoints our campus location. It is truly a unique identifier and the only wordmark that ties our present to our past. It also instills that sense of pride in remembering where we came from."

Heather Nelson
Head Women's Soccer Coach

"It's a great new look in comparison to the older logo. It shows a great depiction of the SEMO rebranding and how important the community is to helping SEMO become the best in the region."

Omarbrick Douglas

REDHAWK TENNIS

REDHAWKS TENNIS COMPLEX

The Redhawks Tennis Complex serves as the home court for the Southeast Missouri women's tennis team.

The complex, which was built in 2000, features eight tennis courts, all of which are lighted. Recent upgrades include new windscreens on the featured courts and a new, on-site locker room facility.

The Redhawks Tennis Complex is located on the north side of campus at the intersection of Bertling and North Sprigg.

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by SEMO student-athletes.

Redhawk student-athletes overcame an enormous amount of adversity and disruption during the COVID-19 pandemic to cap a record 2019-20 academic year.

After recording a 3.39 grade point average in the fall, SEMO accumulated a Department of Athletics record 3.53 spring semester GPA.

A total of 12 teams achieved a 3.21 or higher GPA during the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPA ever.

Women's tennis led the spring semester with a 3.88 GPA. Women's cross country (3.76), women's track & field (3.66), softball (3.60), volleyball (3.44), baseball (3.35), men's cross country (3.32) and men's track & field (3.21) completed the team GPAs in the spring term.

Tutors are available for all student-athletes as needed. In

addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at SEMO. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus

and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at SEMO.

SEMO student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a

comprehensive student-athlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

REDHAWK TENNIS

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

SEMO's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

SPORTS MEDICINE

Providing the Best Care Possible

Southeast Missouri's sports medicine staff strives to provide the best care possible for its student-athletes.

On Aug. 14, 2019, SEMO and SoutheastHEALTH entered a collaborative partnership in which SoutheastHEALTH will serve as comprehensive providers of orthopedic and sports medicine services for the University's NCAA Division I athletics program, its intramural and club sport participants and for the University's performing arts students.

Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic

training supplies, as well as scholarships for students.

SoutheastHEALTH orthopedists Dr. Anthony McPherron, Dr. Matthew Baker and Dr. Charity Jacobs, and SoutheastHEALTH sports medicine physician Andrew Lawrence serve as the official team physicians of SEMO.

The sports medicine staff begins treatments and rehabilitation starting as early as 6 a.m., and is available until the last student-athlete is through.

There are currently four sports medicine facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

REDHAWK TENNIS

UNDER

Southeast Missouri and Under Armour, Inc. (NYSE: UA, UAA) announced a partnership agreement. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

"We are extremely excited about our partnership with Under Armour and BSN SPORTS to outfit our student-athletes and coaches with the highest quality apparel in the market," said Director of Athletics Brady Barke. "Having

two of the industry leaders in athletic apparel associated with us expands the resources available to each of our teams and significantly benefit our student-athletes."

The new official outfitter agreement includes marketing entitlement that complements Under Armour's brand marketing campaigns through print and venue presence at the University.

Southeast Missouri's athletic programs include football, men's basketball, women's basketball, baseball, men's cross country, women's cross country, softball, women's tennis, volleyball, women's soccer, men's outdoor track & field, men's indoor track & field, women's outdoor track & field, women's indoor track & field and women's gymnastics.

The Redhawks compete at the NCAA Division I level and are part of the NCAA Football Championship Subdivision (formerly I-AA) in football. Southeast first became a member of the Ohio Valley Conference when it moved to NCAA Division I in 1991-92. The Redhawks have won 57 OVC regular-season championships and 20 OVC tournament titles during their first 29 years in the league. Southeast also won seven Women's All-Sports trophies in that span.

Southeast Missouri joined the growing Under Armour roster of NCAA partners that includes the University of California, Los Angeles, University of California, Berkeley, University of Wisconsin, University of Notre Dame, Naval Academy Athletic

Association, University of Maryland, Texas Tech University, Northwestern University, University of Cincinnati, Boston College, University of Utah, University of South Carolina and Auburn University.

About Under Armour

Under Armour, Inc., headquartered in Baltimore, Maryland is a leading innovator, marketer and distributor of branded performance athletic apparel, footwear and accessories. Designed to make all athletes better, the brand's innovative products are sold worldwide to consumers with active lifestyles. The company's Connected Fitness™ platform powers the world's largest digitally connected health and fitness community.

ARMOUR

REDHAWK TENNIS

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and systems engineering. He

has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University, where he also

served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university in 2003.

Dr. Vargas began his career in higher education at the National Autonomous University of Mexico (UNAM),

from which he received a Bachelor of Science in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast. They have a son, a daughter, and two granddaughters.

REDHAWK TENNIS

BRADY BARKE

Director of Athletics

Brady Barke is in his fifth year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During the 2019-20 season, the Redhawks were on pace to have one of their best campaigns in the school's athletics history. SEMO won four Ohio Valley Conference titles with women's soccer and football claiming regular-season crowns and women's volleyball and basketball securing OVC Tournament championships. The Redhawks also recorded a school record 44 conference victories between the fall and winter sports.

At the time the 2019-20 season ended due to the COVID-19 pandemic, SEMO was

first in the OVC Commissioner's Cup race with 80.75 points.

Academically, SEMO's athletic teams were again strong in the classroom.

Student-athletes overcame an enormous amount of adversity and disruption to close out the 2019-20 academic year with a Department of Athletics record 3.53 spring grade point average.

That mark was the highest GPA of any semester for the Redhawks who had a total of 12 teams achieve a 3.21 or higher GPA in the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPAs ever.

The upcoming 2020-21 campaign marks SEMO's third year with Under Armour. Barke reached a multi-year agreement with the Baltimore-

based global leader in performance footwear, apparel and equipment that made Under Armour the official outfitter of SEMO Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

Barke also secured bids to host SEMO's first home football playoff games. Additionally, he helped the University reach a collaborative partnership with SoutheastHEALTH. Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships

for students.

Most recently, new state-of-the-art Formetco digital video scoreboards were installed at both Houck Field and the Southeast Softball Complex under Barke's leadership.

A brand new 4,000-square foot baseball training facility was completed prior to the 2020 season. The \$400,000 indoor facility can fit up to four batting cages. There are portable pitching mounds as well as HitTrax and Rapsodo technology that helps improve overall player performance.

Barke hired Brad Korn as the Redhawks head men's basketball coach on Mar. 24, 2020, while navigating through the unprecedented times during the COVID-19 pandemic. Korn was the third head coach Barke hired during his tenure as Director of Athletics.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks

head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before SEMO's season-opener.

Gymnastics Coach Ashley Lawson was Barke's other hire. Lawson orchestrated a huge turnaround for SEMO women's gymnastics during her first seasons as head coach.

On Feb. 3, 2017, SEMO formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South. Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in SEMO Athletics history. Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Additional renovations have been made to the nutrition area that serves as a fueling station for SEMO student-athletes at the Holcomb Success Center.

Fundraising has steadily increased under Barke's direction.

The 2018-19 campaign marked the fifth consecutive year of growth for the Redhawks Club general fund. It is the highest level of giving to the Redhawks Club general fund since 2003-04.

Barke also worked with donors to establish two new endowed scholarships for student-athletes and raised over \$60,000 to support the SEMO football program and summer school scholarships.

More than \$250,000 in pledges for the Redhawks Club unrestricted booster fund has been raised with Barke as Director of Athletics. Over \$200,000 was raised in Sponsorship & Marketing contracts each of the last two years. The 2019-20 season was the sixth-consecutive year of Sponsorship and Marketing revenues.

Barke has worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk Country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

On July 1, 2020, SEMO unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs. The new brand identity will allow SEMO's athletic teams to display consistent logos, lettering and numerals, and is independent of the existing University marks.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue

its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletics Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

Southeast Missouri State University Athletics Mission

Southeast Missouri State University Athletics is committed to enhancing the University's educational mission by supporting student-athletes in their academic, athletic and personal development.

Our Vision

To be the premier athletics department within the Ohio Valley Conference, excelling academically and athletically, while preparing our student-athletes for life after sport.

Our Commitment to Diversity and Cultural Competence

Southeast Missouri State University Athletics strives to create an environment that fosters collaboration and facilitates an open exchange of the unique perspectives that each individual brings. These experiences will enrich the learning environment and better prepare our coaches, staff and student-athletes to make thoughtful contributions in our diverse society. Southeast Missouri State University prohibits all forms of discrimination on the basis of race, color, ethnicity, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability, or protected veteran status. The Department of Athletics is dedicated to this guiding principle and is committed to attracting and retaining coaches and staff who reflect the diversity of our student-athlete population.

2021

SEASON PREVIEW

SEASON PREVIEW

SEASON OUTLOOK

The Southeast Missouri women's tennis team was poised to continue its upward trajectory in 2020 before the season was cut short due to the COVID-19 pandemic. In 2021, SEMO returns a majority of that squad and has retooled in its pursuit of a championship run at the Ohio Valley Conference Tournament.

"We are hoping to have the opportunity to compete," head coach Mary Beth Gunn said of the upcoming campaign. "We realize that it is a privilege to get to step on the court with our Redhawk gear, and we want to represent SEMO with pride. We have a team with a lot of playing experience and we are hungry to get back out on the courts and compete."

That playing experience includes eight returners keyed by All-OVC players Kseniya Zonova and Romana Tarajova, the 2019 OVC Freshman of the Year. Maja Lundell, Manuela Barriga, Grace Powderly and Teona Velkoska join Zonova and Tarajova as returning members from the 2019 team that finished as semifinalists at the OVC Championship. Sophomores Vivian Lai and Lera Valeeva round out the returnees while the team also includes newcomers in freshman Daniela Hláciková and sophomore Nevada transfer Ksenia Shikanova.

"We have great team chemistry this year, and we have some strong leaders on the team who are helping get everyone ready for the spring season," Gunn said. "We are fortunate that we have a majority of our players on roster who had the experience of playing in the OVC semifinals match in 2019. The juniors and seniors have done a great job helping the underclassmen understand the foundations of SEMO Tennis with how we operate and maintaining a healthy team culture. Daniela [Hláciková], our new freshman, has fit into the team well and has demonstrated her high playing level and academic skill."

The 2021 Redhawks have high expectations on and off the court after ousting Belmont in 2019 for the team's first OVC Championship match victory in 16 years.

"Every year we go into the season with the goal of winning the OVC Championship," Gunn said. "We also have high academic goals as well. We also want to continue to serve our community with community service projects. I think that we are strong in all three areas: athletics, academics, and community service. We want to continue to make these three areas a priority with our program."

In the small sample size that was the 2020 season, SEMO fashioned a 4-6 non-conference dual mark with victories over Saint Louis, Lipscomb, Missouri State and Kansas City. Lai was named the OVC Women's Tennis Athlete of the Week prior to the cancellation. Alongside Lai, Valeeva also earned dual match experience.

"Both Vivi [Vivian Lai] and Lera [Valeeva] were able to get in some competition in the Spring 2020 season, and this has helped them know what to be prepared for this upcoming season," Gunn said of her returning sophomores. "They haven't played a conference match yet, but they have felt match pressure and match atmosphere from our non-conference matches last year."

PLAYERS

Zonova returns to SEMO for her senior season (fifth year). The 2018 All-OVC performer posted a 3-5 dual singles record in 2020, playing at the top two positions. In doubles, she teamed up Tarajova at the top slot (4-5 in 2020). In 2019, Zonova led the Redhawks in singles (14-7, 6-2 OVC) in 2019 and played doubles (10-6, 4-2 OVC) at the second position.

"Kseniya has been a key component to our success over the past years," Gunn said of Zonova. "We are fortunate to have her expertise and energy back on court this season. She shows great leadership on the court. She has seen great success on the court every year that she has played here, and I think she will continue this trend for this season. She has a lot of playing experience at the top level and knows how to handle a variety of match situations."

Lundell is the other senior on the 2021 team and has proven to be a strong leader for SEMO on and off the court.

"Maja does a great job of sensing what is going on during matches," Gunn said of Lundell. "She is one of the smartest students on campus, and she uses her intellect on the court. You can see this when she plays, and she also does a great job helping her teammates during their matches as well."

SEASON OUTLOOK

SEASON PREVIEW

Tarajova, the 2019 OVC Freshman of the Year and First-Team All-OVC performer, leads a four-member junior class. Last season, she notched a 3-5 dual singles record, playing at the top two positions. In doubles, she teamed up with Zonova at the top slot (4-5 in 2020). As a freshman, Tarajova was second on the team with a 13-5 singles record (5-3 OVC) at no. 1 singles.

"Romana has proved that she is one of the top players in the conference, and I see her remaining in this position for this season," Gunn said of Tarajova. "She has added some elements to her game that has made her a more well-rounded player. She has a lot of options on the court which makes her able to beat a variety of players."

Barriga has proven to be a strong doubles player in her two seasons as a Redhawk. As a freshman, she compiled a 9-5 doubles dual mark (4-1 OVC) playing at the third position with Tarajova. In singles, Barriga was perfect in the OVC (3-0), totaling a 5-3 record at the sixth position. Last season, she solidified the singles lineup at no. 6 (3-2 record) and played doubles with Valeeva, Lai and Velkoska.

"Manuela is a very fit player; no one will outlast her on the court," Gunn said of Barriga. "I know that if she can take her opponent to a third set, she can take the match with

her fitness level. We had the opportunity to really work with her individually this fall on her game to make her a stronger player, and she has seen some improvements to her game."

Velkoska is another tough, solid doubles player who really gelled with Lai last season. With Lai, she registered a 10-8 record in the fall and then a 1-4 mark at the middle spot during the 2020 dual season. In 2019, Velkoska posted a 13-8 doubles mark at no. 2 and finished the season with an 11-8 (6-2 OVC) singles mark at the fourth and fifth slots.

"Teona is a great tennis player," Gunn said of Velkoska. "I love watching her play and seeing which plays she chooses to run against her opponents. She does very well at reading pattern plays and executing ones that get her more points. She has been a big help for us in the doubles lineup; she is an aggressive player who reads the ball well on when to poach."

Powderly, a Cape Girardeau, Missouri native, rounds out the junior class. She was awarded the 2019-2020 SEMO Civic & Global Engagement Award.

"Grace has been a great leader on our team, and really contributes to the positive culture our team has," Gunn said of Powderly. "She brings energy to every practice and every match. She has grown

her serve, and she is getting good speed and placement on it. She has also been working hard on her physical fitness and strength which has made her a stronger player on the court."

Of the sophomore class, Lai has the most collegiate experience. As a freshman, she led the Redhawks in 2020 in singles (5-2, third and fourth) and earned OVC Player of the Week honors.

"Vivi is ready to be back out on court for the spring season," Gunn said of Lai. "She loves to play and compete. She is quick on the court and knows how to frustrate her opponents. Every time she steps onto the court, no matter who the opponent is, she competes hard and until the end."

Valeeva joined the SEMO team prior to the 2020 season and was thrown into the competitive fire immediately.

"Lera came in January last year and had to compete with limited practice with us," Gunn said of Valeeva. "Having this fall time to practice, she has shown a lot of growth in her game. She has a big lefty serve and forehand which is difficult to defend against when she gets set up. I think she will be more comfortable this spring during competition since she knows how matches look like and she had a full fall practice schedule to prepare."

Shikanova is the third and final sophomore and comes to SEMO after transferring from Nevada. As a member of the Wolf Pack, she played at the top two singles positions, tallying a 4-4 mark. Shikanova, a Nizhny Novgorod, Russia native, also posted a 4-2 doubles dual mark this past spring.

"Ksenia is a very strong tennis player," Gunn said of Shikanova. "Her playing experience at Nevada will be an asset to her on the court for this season. She is someone who loves tennis and loves to compete. She will be a top player in the conference."

Hláciková who hails from Banská Bystrica, Slovakia, is the lone freshman and final newcomer on the 2021 team. She joins fellow countrywoman Tarajova on the squad.

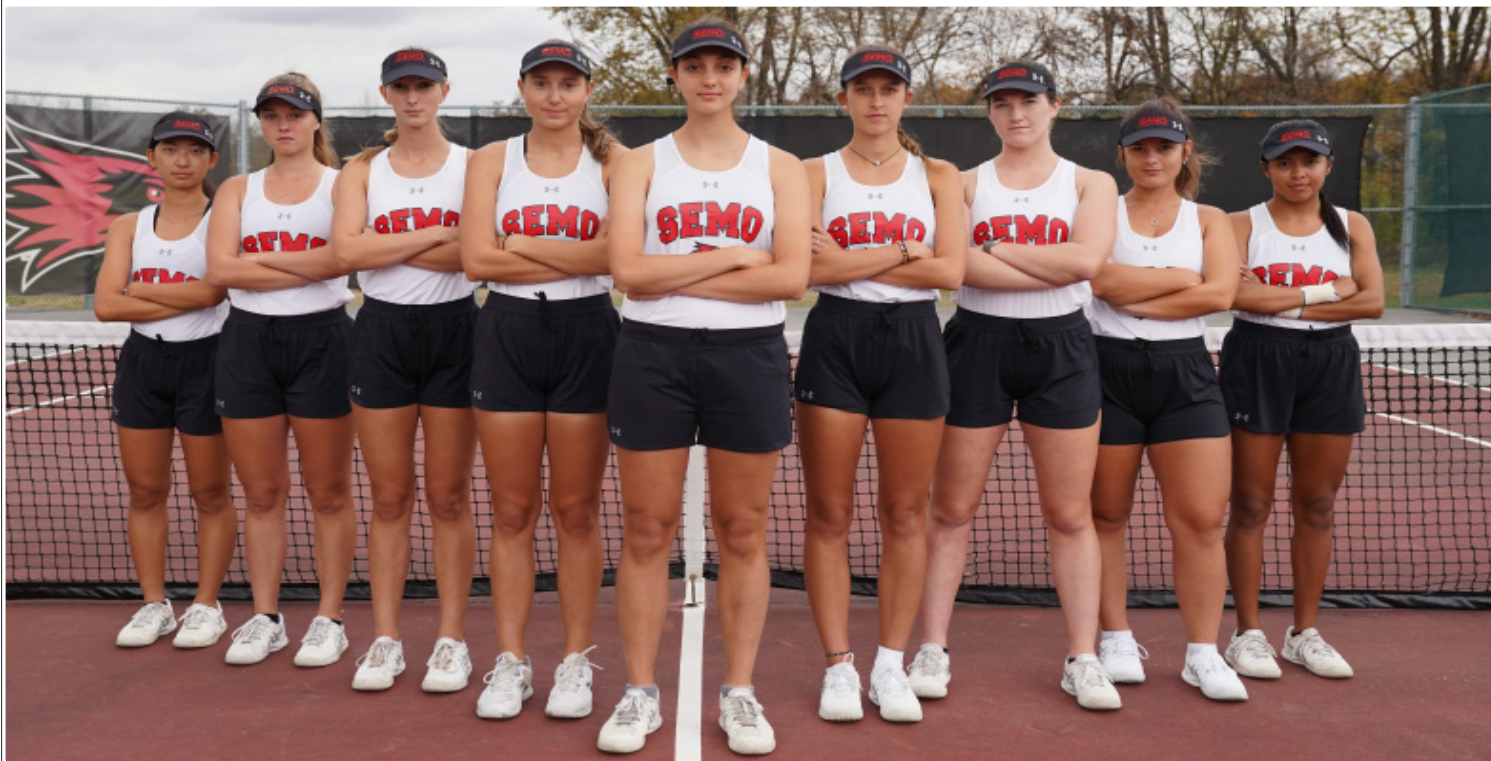

"Daniela is a very talented player," Gunn said of Hláciková. "She has fit right in with our program, and we are glad to have her be a part of our program. I have been impressed with how she practiced this fall and how she competed at intrasquad matches. She is a tough player on the court, and I think she will see a lot of success on court this season."

MARY BETH GUNN

HEAD COACH

SIXTH YEAR // UT MARTIN, 2008 & 2011

The 2020-21 season marks the sixth for Mary Beth Gunn as the head coach of the Southeast Missouri women's tennis team.

Gunn coached the Redhawks to a 4-6 mark before the 2020 dual season was shortened due to the COVID-19 pandemic. Freshman Vivian Lai earned OVC Women's Tennis Athlete of the Week on March 11 and led SEMO with a 5-2 dual singles record in 2020.

During the fall tournament season, SEMO captured a pair of doubles championships with Teona Velkoska and Lai winning the Austin Peay Fall Invitational (9/13-14) and Romana Tarajova and Manuela Barriga teaming up at the Central Arkansas

(UCA) Fall Invitational (9/28-29). Lai also won a singles championship at the UCA Fall Invitational.

At the Intercollegiate Tennis Association (ITA) Ohio Valley Regional Championship (10/17-19), Tarajova and Kseniya Zonova each tallied singles wins over Power Five schools. Tarajova bested Nikol Dobrilova of the Big Ten's Purdue and Zonova overcame Kylie Duckworth of the SEC's Tennessee.

In the classroom, the team was recognized as an Intercollegiate Tennis Association All-Academic Team for the sixth consecutive season as all nine Redhawk student-athletes earned ITA Scholar-Athlete awards. SEMO accumulated a 3.88 cumulative grade point

average during the 2020 school year. The Redhawks also captured an NCAA Public Recognition Award after posting an Academic Progress Rate score in the top 10 percent of the sport.

Maja Lundell, Grace Powderly, Manuela Barriga and Kseniya Zonova each were awarded OVC Academic Medals of Honor after notching perfect 4.0 GPAs for the 2019-20 academic year. Seven total Redhawks tennis players were listed on the OVC Commissioner's Honor Roll.

Zonova and Powderly were both selected as recipients of 2019-2020 Southeast Student Life & Leadership Awards. Zonova earned the President's Spirit of Southeast Award and Powderly garnered the Civic &

Global Engagement Award.

During the 2020 season, Gunn led the Redhawks to their first OVC Championship win in 16 years. As the fifth seed, Southeast overcame #4 Belmont, 4-1, in the first round to finish as semifinalists at the 2019 conference tournament.

Gunn also coached her second OVC Freshman of the Year at SEMO in Romana Tarajova. Tarajova became the third Southeast player to win the award and second in three years as Oleksandra Doroshenko garnered the award in 2017. Tarajova was also named to the First-Team All-OVC after she fashioned a 13-5 mark at the top singles position.

The team posted a 3.87 GPA during the 2018-19 school

year to be recognized as an ITA All-Academic Team. Each player was selected to the OVC Commissioner's Honor Roll and earned the distinction of ITA Scholar-Athlete.

Six members of the 2018-19 squad earned the OVC Academic Medal of Honor for registering a perfect 4.0 grade point average during the academic year. The team also garnered an OVC Team Academic Achievement Award as the tennis program with the greatest percentage of its eligible student-athletes who achieved a 3.25 grade point average or higher.

Gunn coached two All-OVC players in 2018. Oleksandra Doroshenko was named to the First-Team All-OVC and Kseniya Zonova garnered Second-Team All-OVC honors. The duo was the first pair of Redhawk players to be named to All-OVC Teams since Nikole Novikova and Elizabeth Nyenwe both claimed First-Team All-OVC laurels in 2011.

Gunn led SEMO to a remarkable turnaround in her second season. After going 1-19 overall and winless in the Ohio Valley Conference the year before, the Redhawks went 13-8 and finished fifth in the OVC with a 5-4 mark in 2016-17. SEMO advanced to its first OVC Tournament in 10 years as its fifth-place conference finish was the Redhawks best in 20 seasons.

SEMO ended a string of 10-consecutive losing seasons

with its winning campaign in 2016-17, the program's first since 2005-06 (12-11).

The Redhawks also celebrated their first OVC winning record since 1996-97 (6-4).

Gunn coached OVC Freshman of the Year Oleksandra Doroshenko. Doroshenko was also a Second-Team All-OVC performer after she led the Redhawks with 16 singles victories and 14 wins in doubles play. Doroshenko ended her 2017 spring by tying the fifth-most singles victories and fourth-most doubles wins in a season at SEMO. She was named OVC Female Athlete of the Week twice and became the first SEMO player to beat an SEC opponent during her stellar rookie campaign.

SEMO's spring success followed a tremendous fall season. The Redhawks finished their 2016 fall campaign with a 56-47 (.544) singles record and 36-25 (.590) mark in doubles play. SEMO accumulated its most wins and best winning percentage in any fall season of competition.

Gunn was hired as SEMO's ninth head women's tennis coach on November 10, 2015.

Prior to joining the Redhawks, Gunn coached at Western Illinois, Limestone College and fellow OVC member UT Martin.

She was the head women's tennis coach at WIU and served as an assistant coach at both Limestone College (2014-15) and UT Martin (2009-13).

Gunn was on coaching staffs for two conference championship teams. She helped lead UTM to the OVC Women's Tennis Championship in 2010-11 and Limestone College to a Conference Carolinas women's tennis title in 2014-15. Gunn was named the Intercollegiate Tennis Association Assistant Coach of the Year in 2015.

Gunn earned both her bachelor's degree in English and History (2008) and master's degree in Education (2011) from UTM. She was a standout tennis player at UT Martin, earning All-OVC honors with the Skyhawks in 2007.

PHOEBE BOESCHEN

GRADUATE ASSISTANT

SECOND YEAR // MISSOURI STATE, 2019

The 2020-21 season marks the second for Phoebe Boeschen as the Graduate Assistant for the Southeast Missouri women's tennis team.

Boeschen came to Southeast after a four-year tennis career at Missouri State. Boeschen helped the Bears capture the 2018 Missouri Valley Conference Tennis Championship.

In her junior season at Missouri State, she earned MVC Doubles Team of the Week honors with Anelisse Torrico Moreno after sweeping Northern Iowa and Drake to close the regular season.

In the classroom, Boeschen has been named to the Intercollegiate Tennis Association Scholar-Athlete Team and recognized by both Missouri State and the Missouri Valley Conference for her academics. She was awarded the MVC President's Council Academic Excellence Award in 2017.

Boeschen graduated from Missouri State in 2019 with a Bachelor's in Middle School Mathematics.

Boeschen is currently pursuing her Master's in Higher Education Administration with an emphasis in Sports Management at Southeast.

2021

THE OVC

THE OVC

HISTORY

Now in its 73rd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 20 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky,

first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the

Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Over its 72 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve

Hamilton (Morehead State) to present-day standouts like basketball players Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball player Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country team earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The ECU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior

Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first ECU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the ECU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 ECU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. ECU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2017, the Eastern Kentucky

women's team earned its first national ranking as well as becoming the first OVC women's team to qualify for the NCAA Championship. The Colonels finished 23rd at the National Championship meet.

Following the 2017-18 season, long-time coaches Tom Akers (Eastern Illinois) and Rick Erdmann (Eastern Kentucky) retired. The duo combined for 118 OVC Championships and 115 OVC Coach of the Year Awards.

In March 2020 due to the COVID-19 public health emergency, spring sports were canceled across the OVC and the NCAA (including all winter and spring NCAA Championships).

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 296 student-athletes honored with the award (including 51 over the past five years).

Through the early years

of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley

Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

**2021 OVC TENNIS CHAMPIONSHIP**

The 2021 OVC Women's Tennis Championships will be held April 24-25, 2021 at a to-be-determined site.

The women's championship will be contested for the 45th time (it was first held in 1977) in 2021.

In 2019, the Austin Peay women capped a perfect season to win its first title since 2010.

SEMO

BRING YOUR BIG IDEAS.

**And make
them count.**

Your big ideas will be in good company here. Whatever you choose to study, chances are the program is at the head of its class. And if you're at the head of yours, you can join our honors program and elevate your learning experience even further.

SOUTHEAST MISSOURI
STATE UNIVERSITY • 1873

**SOUTHEAST BOASTS 20+ NATIONALLY
AND INTERNATIONALLY ACCREDITED
PROGRAMS, INCLUDING:**

- / ATHLETIC TRAINING
- / BUSINESS
- / CHEMISTRY
- / COMPUTER SCIENCE
- / DIETETICS
- / EDUCATION
- / ENGINEERING PHYSICS
- / INTERIOR DESIGN
- / MASS COMMUNICATION
- / MUSIC
- / NURSING
- / SOCIAL WORK
- / THEATRE

**GETTING INTO MEDICAL
SCHOOL ISN'T EASY —
WE JUST MAKE IT LOOK
THAT WAY. SOUTHEAST'S
PRE-MED STUDENTS ARE
ACCEPTED TO**

**medical
school well
above the
national
average.**

Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

- / Boston Conservatory of Music
- / Carnegie Mellon University
- / Harvard University
- / Pennsylvania State University
- / Purdue University
- / Texas A&M University
- / Tulane University
- / University of Florida
- / University of Michigan
- / Vanderbilt University
- / Yale University

**COME HERE
AS A STUDENT.**

**And go
anywhere
as a
teacher.**

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21

**lead most classes, not
teaching assistants —
starting with freshman year.**

**THE DONALD L. HARRISON
COLLEGE OF BUSINESS
CONSISTENTLY MAKES THE
PRINCETON REVIEW'S LIST OF
top business
schools.**

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

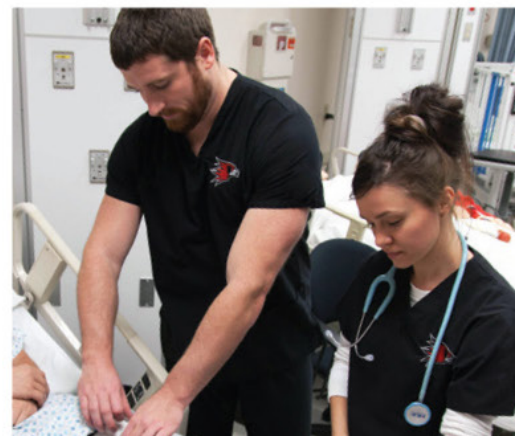

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home. And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on
a campus
that's equally
inspiring.
