On July 1, 2020, Southeast Missouri State University unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs.

The redesign features an official brand font to complement the marks, and a focused emphasis on 'SEMO' as the preferred reference for the University in Athletics and less formal communications. These logos are the first update to the University's spirit branding since the Redhawk was introduced in 2005.

The new brand identity, which will allow SEMO's athletic teams to display consistent logos, lettering and numerals, is independent of the existing University marks featuring the depiction of the Academic Hall dome which remain unchanged.

"We are excited to reveal our refreshed series of logos and

wordmarks," said Director of Athletics Brady Barke. "Having a strong and recognizable brand is essential as we continue to elevate the profile of the University and Redhawk Athletics, and continue towards our vision of being the premier athletics program in the Ohio Valley Conference. These new marks complement our existing Redhawk logo and help us establish a strong regional and national identity by embracing the SEMO nickname."

SEMO started the process of creating its new brand identity following a 2018 brand refresh study completed by Ologie. A higher education branding and marketing firm based in Columbus, Ohio, Ologie helped launch the University's "Will to Do" brand platform.

As part of the refresh, Ologie closely studied the use of "SEMO" vs. "Southeast". Through

extensive surveys and interviews, Ologie concluded that audiences like the personality, uniqueness and familiarity of "SEMO" when referring to the University and its athletic programs, except in official institutional communications. Their recommendations included embracing the SEMO acronym by establishing parameters for usage and creating the wordmark.

Following the study, the logos were designed by the University Marketing team, in collaboration with the Department of Athletics and campus leadership at no additional cost to the University.

"I want to thank Tonya Wells and her team in the University Marketing office for their hard work on this project," said Barke. "Working collaboratively over a number of months, I think we have developed something everyone associated with Southeast Missouri State can be proud of."

With the addition of an official brand font, sport-specific logos for each of SEMO's 15 Division I sports and sub-brand lock-ups can be used across the University. It also presents a more consistent branding over all platforms.

Along with the new logos, fans will notice a more frequent use of "SEMO" in reference to the University and its athletic teams on uniforms, apparel and other materials. Official social media usernames for Redhawk Athletics, including Facebook, Twitter and YouTube have all been changed from @GoSoutheast to @SE-MORedhawks.

The announcement signifies a local launch of the branding and refreshed spirit logos. Certain digital platforms, including University and athletic websites, and social media will adopt the new logos immediately. Signage and publications on SEMO's campus

will use the updated logo over the coming months. Athletic uniforms and apparel will reflect the updates as teams enter the next purchase cycle. Fully rebranding the campus and athletic facilities is a time-consuming and costly endeavor. Therefore, this process will be completed giving priority to highly visible locations and only as funding is identified.

"It's an exciting time for SEMO Athletics," said Southeast President Dr. Carlos Vargas. "We are entering the new school year as defending OVC champions in five different sports and we finished the COVID-19 shortened season at the top of the OVC Commissioner's Cup standings. We are Southeast Missouri's Division I athletics program and our refocused identity represents our institution's strong connection to serving our region."

What They Are Saying . . .

"I'm really excited about our new wordmark. When you think about Southeast Missouri State, you think about our region and our area, you think, 'SEMO.' SEMO is what makes us different. There is only one SEMO. We are the regional institution. I can't wait to see this new wordmark in the Fall."

Tom Matukewicz
Head Football Coach

"Remembering where you come from is an important part of shaping where you are going. Our campus identity as 'SEMO' is intrinsic to who we are. It is ingrained in Southeast Missouri State University's history. Much like SEMO's landmarks – the dome, cardiac hill and the gum tree – 'SEMO' is

unique to who we are and inspires an incredible sense of community. In terms of recruiting, the new SEMO logo is huge! We are the only NCAA athletic program in the nation with this acronym and it pinpoints our campus location. It is truly a unique identifier and the only wordmark that ties our present to our past. It also instills that sense of pride in remembering where we came from."

Heather Nelson
Head Women's Soccer Coach

"As a SEMO alumnus, it was exciting to work on this project alongside the team in University Marketing which did an amazing job developing the visual identity. The 'SEMO' nickname is truly unique in the college landscape and these new marks will help strengthen our brand locally and nationally."

Nate Saverino
Associate Director of
Athletics for External Affairs

"It's a great new look in comparison to the older logo. It shows a great depiction of the SEMO rebranding and how important the community is to helping SEMO become the best in the region."

Capaha Field is the home of Southeast Missouri Baseball. SEMO Baseball has called Capaha Field home since the program's inception in 1959.

Located just two blocks west of SEMO's campus, Capaha Field is owned and operated by the City of Cape Girardeau. It is also the home to wood bat Prospect League member Cape Catfish.

Prior to the 2020 season, SEMO opened a state-of-the-art baseball training facility adjacent to Capaha Field along the third base side.

The 4,000-square foot indoor facility can fit up to four batting cages, has portable pitching mounds and is equipped with HitTrax and Rapsodo technology which helps improve overall player performance.

The HitTrax system provides real-time statistics and

performance metrics. It measures exit velocity, launch angle and strike zone analysis.

Meanwhile, the Rapsodo program is designed to provide instant data on pitch velocity, spin rate and release angle. It also has strike zone analysis and can track progress over time with historical and statistical analytics.

SEMO's indoor hitting facility was built at a cost of \$400,000.

In summer 2019, Capaha Field received major upgrades that included new lights, freshly painted areas, chairback seating, a newly paved walking plaza and a home run deck located in right field.

Two years before that, Capaha Field received a \$1.8 million renovation that featured synthetic turf. Other upgrades to the facility included a scoreboard equipped with video capabilities, a new outfield fence, new bullpens and

additional cosmetic upgrades such as new paint and fencing all around the field.

The Capaha Field press box, completed for the start of the 2006 season, is equipped with televisions, kitchen/lounge areas and restrooms, and provides media and staff an excellent view behind home plate.

Capaha Field is nestled in historic Capaha Park, the oldest park in Cape Girardeau's park system. In addition to the ballpark, Capaha Park has playgrounds, a pond, picnic areas, a band shell, rose garden, splash pad and disc golf course.

Capacity of Capaha Field is 2,000 and dimensions are 330 down the lines, 375 to the alleys and 400 to straightaway center field. The outfield wall is nine feet high.

Fans enjoy cheering on the Redhawks from the hillsides

behind the first base dugout and beyond the left field wall.

SEMO consistently leads the Ohio Valley Conference in home attendance. Over 160,000 fans have flocked to Capaha Field to watch the Redhawks.

In their OVC Championship seasons from 2014-2016, the Redhawks had over 46,000 fans for an average of 750 per game, while posting a 47-16 home record in that span.

The Cape Capahas, the oldest amateur baseball team in America, also calls Capaha Field home.

ACADEMIC EXCELLENCE

Always a Student First

The Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by SEMO student-athletes.

Redhawk student-athletes overcame an enormous amount of adversity and disruption during the COVID-19 pandemic to cap a record 2019-20 academic year.

After recording a 3.39 grade point average in the fall, SEMO accumulated a Department of

Athletics record 3.53 spring semester GPA.

A total of 12 teams achieved a 3.21 or higher GPA during the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPA ever.

Women's tennis led the spring semester with a 3.88 GPA. Women's cross country (3.76), women's track & field (3.66), softball (3.60), volleyball (3.44), baseball (3.35), men's cross country (3.32) and men's track & field (3.21) completed the team GPAs in the spring term.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at SEMO. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a

mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

SOCIAL DEVELOPMENT

Giving Back & Serving the Community

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk baseball student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at SEMO.

SEMO student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete development

program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

COMPETITIVE SUCCESS

Strength & Conditioning

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

SEMO's weight room renovations at the Holcomb Success Center were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which

cost \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

Brian Robbett
Strength & Conditioning Coach

SPORTS MEDICINE

Providing the Best Care Possible

Southeast Missouri's sports medicine staff strives to provide the best care possible for its student-athletes.

On Aug. 14, 2019, SEMO and SoutheastHEALTH entered a collaborative partnership in which SoutheastHEALTH will serve as comprehensive providers of orthopedic and sports medicine services for the University's NCAA Division I athletics program, its intramural and club sport participants and for the University's performing arts students.

Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships for students.

SoutheastHEALTH orthopedists Dr. Anthony McPherron, Dr. Matthew Baker and Dr. Charity Jacobs, and SoutheastHEALTH sports medicine physician Andrew Lawrence serve as the official team physicians of SEMO.

The sports medicine staff begins treatments and rehabilitation starting as early as 6 a.m., and is available until the last student-athlete is through.

There are currently four sports medicine facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

Then Southeast Missouri players have gone on to play Major League Baseball.

Left-handed pitcher Joey Lucchesi is presently the only former SEMO player on an active MLB roster.

Lucchesi was a two-time Ohio Valley Conference Pitcher of the Year, who was drafted by the San Diego Padres in the fourth round of the 2016 MLB Draft.

A native of Newark, California, Lucchesi made his Major League debut on Mar. 30, 2018 at Petco Park against the Milwaukee Brewers. He started the game and worked 4.2 innings. Lucchesi did not receive a decision.

In three-seasons with the Padres, Lucchesi started 58 games and holds a career record of 18-19 with a 4.14 ERA and 303 strikeouts in 293.2 innings.

On January 19, 2021, Lucchesi was traded to the New York Mets

and will head to spring training with his new club.

Former Redhawk reliever Shae Simmons was selected by the Atlanta Braves in the 22nd round of the 2012 MLB Draft.

Simmons was invited to spring training with the Braves in 2014. He was called up to the major leagues for the first time on May 30, 2014. A day later, Simmons made his MLB debut striking out the only hitter he faced against the Miami Marlins.

Simmons was expected to enter the 2015 season competing for the primary setup role to closer Craig Kimbrel, but received unfortunate news when an MRI revealed a tear in the Ulnar Collateral Ligament (UCL) of his throwing elbow, causing him to miss that entire season. Simmons underwent successful Tommy John surgery and began pitching again in May 2016.

On January 11, 2017, Simmons was traded to the Seattle Mariners and later signed a one-year contract with the Chicago Cubs on February 14, 2018. He was placed on waivers on June 26, 2016 and was outrighted on June 27, but rather than accept the assignment, he chose free agency.

SEMO has had a total of 30 players drafted since 1966. Lucchesi is the highest draft pick

out of the Redhawks baseball program when he went in the fourth round in 2016.

Left-handed pitcher Galen McSpadden and first baseman Matt Tellor are SEMO's other two Top-10 draft picks. McSpadden was a sixth-round selection by the Padres in 1974 and Tellor was a 10th-round pick by the Braves in 2014.

BRADY BARKE
Director of Athletics

Brady Barke is in his fifth year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During the 2019-20 season, the Redhawks were on pace to have one of their best campaigns in the school's athletics history. SEMO won four Ohio Valley Conference titles with women's soccer and football claiming regular-season crowns and women's basketball and volleyball securing OVC Tournament championships. The Redhawks also recorded a school record 44 conference victories between the fall and winter sports.

At the time the 2019-20 season ended due to the COVID-19 pandemic, SEMO was first in the OVC Commissioner's Cup race

with 80.75 points.

Academically, SEMO's athletic teams were again strong in the classroom.

Student-athletes overcame an enormous amount of adversity and disruption to close out the 2019-20 academic year with a Department of Athletics record 3.53 spring grade point average.

That mark was the highest GPA of any semester for the Redhawks who had a total of 12 teams achieve a 3.21 or higher GPA in the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPAs ever.

The upcoming 2020-21 campaign marks SEMO's third year with Under Armour. Barke reached a multi-year agreement with the Baltimore-based global

leader in performance footwear, apparel and equipment that made Under Armour the official outfitter of SEMO Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

Barke also secured bids to host SEMO's first home football playoff games. Additionally, he helped the University reach a collaborative partnership with SoutheastHEALTH. Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships for students.

Most recently, new state-of-the-art Formetco digital video scoreboards were installed at both Houck Field and the Southeast Softball Complex under Barke's leadership.

A brand new 4,000-square foot baseball training facility was completed prior to the 2020 season. The \$400,000 indoor facility can fit up to four batting cages. There are portable pitching mounds as well as HitTrax and Rapsodo technology that helps improve overall player performance.

Barke hired Brad Korn as the Redhawks head men's basketball coach on Mar. 24, 2020, while navigating through the unprecedented times during the COVID-19 pandemic. Korn was the third head coach Barke hired during his tenure as Director of Athletics.

During his first year in 2016-17, Barke introduced Andy Sawyers

as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before SEMO's season-opener.

Gymnastics Coach Ashley Lawson was Barke's other hire. Lawson orchestrated a big turnaround in SEMO women's gymnastics during her first two years as head coach.

On Feb. 3, 2017, SEMO formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South. Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in SEMO Athletics history. Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Additional renovations have

been made to the nutrition area that serves as a fueling station for SEMO student-athletes at the Holcomb Success Center.

Fundraising has steadily increased under Barke's direction.

The 2018-19 campaign marked the fifth consecutive year of growth for the Redhawks Club general fund. It is the highest level of giving to the Redhawks Club general fund since 2003-04.

Barke also worked with donors to establish two new endowed scholarships for student-athletes and raised over \$60,000 to support the SEMO football program and summer school scholarships.

More than \$250,000 in pledges for the Redhawks Club unrestricted booster fund has been raised with Barke as Director of Athletics. Over \$200,000 was raised in Sponsorship & Marketing contracts each of the last two years. The 2019-20 season was the sixth-consecutive year of Sponsorship and Marketing revenues.

Barke has worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk Country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

On July 1, 2020, SEMO unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs. The new brand identity will allow SEMO's athletic teams to display consistent logos, lettering and numerals, and is independent of the existing University marks.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched

the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

2021

PREVIEW

Southeast Missouri was starting to establish its identity when a global COVID-19 pandemic struck. The Redhawks were 9-8 overall and 2-1 in the Ohio Valley Conference when their 2020 season came to a screeching halt. SEMO has over 60 percent of its roster back from last year and is primed to have a big 2021 campaign.

PREVIEW

Southeast Missouri was just getting started when its 2020 season ended 17 games in due to a global COVID-19 pandemic that rocked college athletics.

The Redhawks were 9-8 overall and 2-1 in the Ohio Valley Conference at the time play was cancelled. SEMO heated up to win seven of its final nine contests during its shortened campaign.

SEMO was establishing its identity in the early going of 2020. The Redhawks were making significant strides with their starting pitching, playing excellent defense and reaping the benefits from an offense built around power and speed.

Statistically, the Redhawks concluded competition ranked first in the OVC in batting average (.314), hits (188), triples (9), stolen bases (36) and fielding percentage (.976). SEMO was also second in slugging percentage (.513), on-base

percentage (.404), runs scored (129), RBI (121) and home runs (21). Nationally, the Redhawks were sixth in hits, eighth in triples and 11th in both batting average and slugging percentage.

As the COVID-19 pandemic rages on, the Redhawks must now put their thoughts of what might have been behind them and set their sights on the upcoming 2021 campaign. SEMO's initial preparation started with a productive fall semester.

"We were fortunate to get almost all of our team stuff in during the fall," said Andy Sawyers who begins his fifth year as SEMO's skipper. "We were able to get virtually all but the last four days of our team practices in. I felt like we got a really good evaluation of our personnel and went uninterrupted for the most part. The only thing we didn't get was our traditional one-on-one skill instruction."

If there was any positive that

came from all the uncertainties and challenges brought on by the COVID-19 pandemic right in the middle of SEMO's season last spring, it was that the NCAA Division I Council later decided to allow schools to provide spring-sport student-athletes an additional season of competition and an extension on their period of eligibility. In other words, everyone redshirted.

Over 60 percent of the Redhawks 2020 roster is back. SEMO's 2021 squad consists of 38 players, including 19 returnees, six position starters and three starting pitchers.

When asked to share his overall thoughts on this year's roster, Sawyers had this to say.

"I think our pitching is going to continue to get better. Offensively, we have a lot of weapons. We were one of the top teams in our conference and are working to build on the success we had last spring. Defensively, we led the league in fielding percentage and have the tools to be strong in that area again."

Here is a complete breakdown of the 2021 Redhawks:

Catcher

Sophomores **Wade Stauss (Wildwood, Mo.)** and **Andrew Keck (St. Louis, Mo.)** are among the top catchers in the OVC and it will be fun to see how Sawyers uses them in his lineup again this year.

Stauss started 11 games behind the plate and hit .254 with 13 runs, six doubles, four home runs and 14 RBI last season, while Keck was the Redhawks third-leading hitter with a .400 batting average in six starts at catcher.

Stauss and Keck are similar in a lot of areas and Sawyers loves

all the options the talented duo give him.

"Wade and Andrew will share starting duties," said Sawyers. "With them, I don't feel like we have a No. 1 and a No. 2, but rather a 1a and 1b behind the plate. Because of Andrew's athleticism and versatility, you will probably see more of Wade in that starting catcher role. When Andrew is not catching, he will DH and play left field some."

Stauss is coming off a fall which saw him improve tremendously from a defensive standpoint.

"Wade had an unbelievable fall and was magnificent behind the plate," added Sawyers. "I am proud of his development. He also led us in home runs in the fall."

Last summer, Stauss was among the top three position players in the Carshield Collegiate League where a lot of St. Louis area players get a chance to compete. It was the only summer league that went on in this part of the country during the pandemic.

Infield

Starters **Tyler Wilber (Los Alamitos, Calif.)**, **Connor Basler (Ste. Genevieve, Mo.)** and **Austin Blazevic (Plainfield, Ill.)** are all back on SEMO's infield.

Wilber (shortstop) and Basler (second base) return up the middle and Blazevic is back at first base.

Wilber, a First-Team All-OVC selection in 2019, rounded out his quick 2020 campaign rated among D1 Baseball's top 40 junior hitters. He is the Redhawks top returning hitter after boasting a .406 clip a year ago.

Wilber led his conference in runs scored (26) and ranked second in doubles (9), total bases (48) and total plate appearances (85). He chose to remain at SEMO after turning down free agent offers from a couple of different professional teams last summer.

"I think Tyler is the best offensive player in the OVC and we are very fortunate to have him back," commented Sawyers.

Basler made 16 starts, including eight at both second and third base in 2020. He scored 11 runs, had six RBI and was a perfect 3-of-3 in stolen bases.

"Connor is our best baserunner and really knows how to play the game," said Sawyers. "He is a good defender and instinctive player."

Combined, Wilber and Basler have played in 250 games, logged 245 starts and accumulated 189 runs scored, 257 hits, 54 doubles, seven triples, five home runs, 113 RBI, 125 walks and 46 stolen bases as one of the more experienced middle infield tandems in the OVC.

Blazevic started 16 games at first base, hitting .266 with eight runs scored, two doubles and 12 RBI. He reached base in his last 15 games and wrapped up the 2020 season on a five-game hitting streak.

"Austin was our top hitter with runners in scoring position. He has grown into a verbal leader who is playing with a lot of confidence," quoted Sawyers.

"Austin was already a fifth-year senior and now he gets that extra sixth year due to COVID."

Freshman **Peyton Leeper (Mokane, Mo.)** is expected to fill out the infield as SEMO's starting third baseman.

Leeper played in 12 games and made three starts at the hot corner last spring. He started at third on opening day in 2020.

"Peyton is skilled and can flat out defend," said Sawyers. "He has the ability to play shortstop too if the need arises."

Freshman **Lincoln Andrews (Canon City, Colo.)** will challenge Blazevic at first and sophomore **Danny Sperling (Wauconda, Ill.)** will battle for playing time at second base.

Andrews, like Leeper, was in the opening day lineup a year ago.

Sperling joins the Redhawks from McHenry County College, where he played the last two seasons.

Outfield

Senior **Danny Wright (Dardenne Prairie, Mo.)** is SEMO's only returning starter in the outfield.

In 2020, Wright started all 17 games in center field, hitting .359 with 12 runs scored, four doubles, a triple, two home runs and 16 RBI. He tied for first in the OVC in hits (29) and concluded the season on an eight-game hitting streak.

"Danny will again be our starting center fielder. He has played every day since he's been on campus," said Sawyers.

At the corner outfield spots, the Redhawks lost starters Justin Dirden in right field and Caleb Feuerstake in left. Dirden signed as an undrafted free agent with the Houston Astros following the 2020 campaign.

Keck, freshman **Noah Jacobsen (Potosi, Mo.)** and sophomore **Jevon Mason (West Des Moines, Iowa)** are the leading candidates for those positions.

Jacobsen initially joined the

team as an infielder and did not see action last season.

Mason played two years at Iowa Western Community College. He wrapped up his junior college career hitting .353 with 24 runs scored, 24 hits, six doubles, one home run and 16 RBI in 24 games a year ago.

"Noah is a big and physical kid. He covers a lot of ground and can play either of the two corner outfield spots. Jevon knows how to hit with two strikes, has excellent speed and can drive runners in," said Sawyers.

Sophomores **Braxton Zivic (Magnolia, Del.)** and **Brett Graber (Sacramento, Calif.)**, and freshmen **Ty Stauss (Wildwood, Mo.)**, **Ryan Malzahn (O'Fallon, Mo.)** and **Adonis Forte (Omaha, Neb.)** round out the outfielders.

Zivic played two years at Rend Lake College and boasted a .444 on-base percentage and .846 slugging percentage during

his final year there in 2020.

Graber, also a transfer, comes to SEMO from Cosumnes River College. He started 20 games and scored 18 runs, had 27 hits, posted four doubles, smacked two home runs and finished with 15 RBI last season. Graber will back up Wright in center.

Stauss, the younger brother of catcher Wade Stauss, also has the potential to make an immediate impact. A gifted left-handed hitter, Stauss concluded his prep career at Lafayette High School hitting .354 with 25 runs, seven doubles, a team-high six triples, four home runs and 19 RBI.

Malzahn attended Living Word Christian High School, where he was a two-time First-Team All-Conference and All-District performer.

Meanwhile, Forte, who is out of Omaha Central High School, will likely redshirt.

Pitching

Left-handers **Dylan Dodd (Danville, Ill.)** and **Noah Niznik (St. Louis, Mo.)**, and right-hander **Collin Wilma (Tinley Park, Ill.)** are back as SEMO's weekend starters.

Dodd started all four of his appearances and fashioned a 2-1 record with a team-best 3.38 ERA among starting pitchers last season. He led the team with 36 strikeouts and 26.2 innings, and allowed just seven walks. Three weeks into the 2020 season, Dodd was named one of Collegiate Baseball's National Pitchers of the Week after striking out 15 in a win over Ohio.

Niznik, SEMO's number two starter, posted a 3-0 record and 3.52 ERA with 15 strikeouts in 23 innings a year ago. He ranked second behind Dodd in strikeouts, ERA and innings pitched to go along with his team-best three victories.

Wilma is projected to be at

the No. 3 spot in the rotation after going 1-0 with 19 strikeouts in 18.1 innings over four games and three starts last season.

"I think we have the best three starters in our conference," said Sawyers. "While our starting pitching has improved significantly, the thing I'm even more excited about is that we have a chance to have some stuff at the end of games."

The one weakness of SEMO's 2020 club was its bullpen and the Redhawks have a nice blend of pitchers that can shore things up in that area.

Probably the biggest arms out of the bullpen this year include newcomer **Branden McCabe (RHP, Boynton, Fla.)** and returnees **Austin Williams (RHP, Judsonia, Ark.)** and **Ryan Vogt (Ava, Ill.)**.

McCabe was at Rend Lake College in 2020, but initially committed to Miami (Fla.) before later committing to LSU. He is a low to mid-90s pitcher with a

good breaking ball.

Williams and Vogt did not see action last season, but have the potential to be impact relievers.

Fellow returnee **Bryce Grossius (RHP, St. Louis, Mo.)** is another who continues to get better.

Grossius was consistently hitting 92-93 mph in the fall. He made seven relief appearances for the Redhawks in 2020.

"These four guys have above average stuff and I feel much better about our bullpen heading into this season," commented Sawyers. "I thought our bullpen was the difference last year."

Sophomore **Blake Cisneros (Fenton, Mo.)** also looked good in the fall after striking out 11 in seven games out of the pen last season.

Freshman left-hander **Jon Sawyers (Chesapeake, Va.)**, freshman right-hander **Kyle Miller (Eureka, Mo.)** and sophomore left-hander **Josh Hoffmann (Ballwin, Mo.)** strengthen the bullpen.

If the season were to start today, Sawyers would be SEMO's midweek starter and pitch in the weekend rotation during a four-game series. He struck out 17 in two relief appearances at Rend Lake College a year ago.

Miller did not pitch at Eureka High School in 2020 due to COVID-19 guidelines.

Hoffmann was at Southeastern Community College in West Burlington, Iowa for the last two seasons. He pitched in seven games as a reliever in 2020.

In terms of a closer, Sawyers, without a doubt, said it will either be Williams, McCabe or Grossius. "Each one has the

ability to be a good closer in the OVC," Sawyers said.

Jeb Callaghan (LHP, Yakima, Wash.), Rance Pittman (RHP, West Linn, Ore.), Joseph Karall (RHP, St. Albert, Alberta, Canada), Fischer Rausch (RHP, St. Louis, Mo.), Anthony Klein (RHP, St. Louis, Mo.), Connery O'Donnell (RHP, Milliken, Colo.), Joey Kossina (LHP, Belleville, Ill.), Hunter Ralls (RHP, Anna, Ill.), Hayden Malenfant (RHP, Whitby, Ontario), Matt Perego (RHP, Ballwin, Mo.) and **Noah Stone (RHP, St. Louis, Mo.)** complete the pitching staff.

Coaching Additions

SEMO baseball great Trevor Ezell and former Rend Lake College assistant Drew Millwood join the Redhawks coaching staff this season.

Ezell is the team's Director of Offensive Player Development and Millwood is Director of Analytics. Both will handle various administrative duties and assist with stat compilation, analytical breakdown, video analysis and scouting.

A native of Bryant, Arkansas, Ezell returns to Cape Girardeau following a two-year stint in Minor League Baseball. He was signed by the Tampa Bay Rays during the summer of 2019 after making a trip to the College World Series at the University of Arkansas.

Ezell wrapped up his college career with the Razorbacks after spending four years at SEMO. He earned both First-Team and Second-Team All-Ohio Valley Conference honors. Ezell started 181 games and accumulated 251 hits, 194 runs, 128 RBI, 48 stolen bases and 45 doubles in his career. He also hit .336, boasted

a .495 slugging percentage and held a .967 fielding percentage during his time as a Redhawk.

"Trevor is a unique young man and he is such a high functioning human being," said Sawyers. "He's a great guy to have back in our program and it's amazing how much respect and credibility he has in our locker room."

Millwood worked as an assistant coach at Rend Lake College. He was responsible for the hitters and was the Warriors recruiting coordinator. His only season at Rend Lake was cut short due to COVID-19.

Before Rend Lake College, Millwood was both Head Coach and Athletic Director at Wayne City High School and was Head Baseball Coach at Webber Township High school. He helped grow and develop the baseball team and enhanced the overall athletic programming for both schools in those roles.

Millwood first started coaching when he was the owner and operator of one of the largest sports training facilities in Southern Illinois. While in that position, he worked with a diverse population of athletes ranging from kids and weekend warriors to Division I collegiate athletes and Cross-Fit and OCR competitors.

"We are excited to welcome Drew to our Redhawk Family," commented Sawyers. "Drew's relational skills are outstanding and he is an excellent communicator."

2021 Schedule

Southeast Missouri has 51 games scheduled with 25 at Capaha Field this upcoming 2021 season.

SEMO starts the spring at home with a four-game series against Milwaukee on Feb. 19-21.

The Redhawks head to Southeastern Conference power Arkansas (Feb. 25-28) for a four-game set the following week. The Razorbacks made the College World Series in each of the 2018 and 19 campaigns.

SEMO's other two non-conference series will be at home vs. Illinois State (Mar. 5-7) and at Missouri State (Apr. 23-25). Both of those series will consist of four games, as well.

As far as midweek games go, SEMO will visit Saint Louis (Mar. 16), UT Martin (Apr. 13) and Austin Peay (Apr. 28), and host longtime rival Southern Illinois (Mar. 23) and Missouri State (Mar. 30). SEMO's midweek matchups with fellow Ohio Valley Conference schools UT Martin and Austin Peay will not count toward the league schedule.

SEMO will play a 30-game OVC slate. Each three-game series will be played over two days with a single game on Friday and a doubleheader on Saturday with the exception of the Redhawks home series with UT Martin (May 20-21) which will be contested on Thursday and Friday.

In addition to UT Martin, Austin Peay (Mar. 19-20), Jacksonville State (Apr. 2-3), Tennessee Tech (Apr. 16-17) and Eastern Kentucky (May 7-8) come to Cape Girardeau this year.

Meanwhile, the Redhawks

road series in conference play are at SIU Edwardsville (Mar. 12-13), Eastern Illinois (Mar. 26-27), Murray State (Apr. 9-10), Belmont (Apr. 30-May 1) and Morehead State (May 14-15).

The Redhawks will open OVC play on the road at SIUE.

Redhawks Fifth in OVC Preseason Poll

Southeast Missouri was picked to finish fifth in the 2021 Ohio Valley Conference Preseason Poll selected by OVC Head Baseball Coaches and Communications Directors.

SEMO received one first-place vote and a total of 131 points in the balloting.

Belmont is this year's preseason favorite with 188 points and 14 of the possible 22 first-place votes.

Jacksonville State (176 points), Murray State (136 points) and Austin Peay (132

points) were also selected ahead of SEMO.

Eastern Kentucky (117 points), SIU Edwardsville (78 points), Eastern Illinois (73 points), Morehead State (67 points), Tennessee Tech (66 points) and UT Martin (45 points) completed this year's poll.

Shortstop Tyler Wilber and pitcher Dylan Dodd landed a spot on this year's 16-member Preseason All-OVC Team.

In 2019, Wilber hit a team-high .383 with 80 hits, 43 runs, 19 doubles and 40 RBI, while Dodd went 4-5 with 77 strikeouts in 76 innings over 14 starts.

Tennessee Tech outfielder Jason Hinchman was tabbed Preseason OVC Player of the Year and Belmont right-hander Joshua South was selected Preseason OVC Pitcher of the Year.

COACHES

Andy Sawyers has coached in eight NCAA Regionals, two NCAA Super Regionals and two College World Series during his two decades coaching college baseball. Sawyers begins his fifth year as Southeast Missouri's head coach.

COACHES

ANDY SAWYERS

HEAD COACH

FIFTH YEAR // NEBRASKA, 1998

Andy Sawyers enters his fifth year as Southeast Missouri's head coach in 2021.

SEMO had an overall record of 9-8 and a 2-1 mark in Ohio Valley Conference play when its 2020 season was abruptly cut short due to a global COVID-19 pandemic. The Redhawks heated up to win seven of nine contests prior to the end of competition.

The Redhawks led the OVC in batting average (.314), hits (188), triples (9), plate appearances (707), at-bats (598), hit by pitch (26), stolen bases (36), fewest walks allowed (54) and fielding percentage (.976), and rated second in slugging percentage (.503), on-base percentage (.404), runs (129), RBI (121) and home runs (21) at the time their 2020 campaign came to a close. SEMO also ranked among the top 10 teams in the nation in hits

(6th) and triples (8th).

Individually, Justin Dirden led the conference in slugging percentage (.900), RBI (26), home runs (9), hits (29), total bases (63) and stolen bases (9) before signing as an undrafted free agent with the Houston Astros.

Shortstop Tyler Wilber topped the OVC in runs (26) and center fielder Danny Wright tied a league-high with 29 hits when play was suspended.

Pitching wise, left-handers Dylan Dodd (2-1, 36 Ks) and Noah Niznik (3-0, 15 Ks) were a combined 5-1 with 51 strikeouts and two complete game shutouts through four starts in 2020.

Nineteen returnees are back for Sawyers to mentor again this spring as the Redhawks return over 60 percent of last year's roster.

None of those players lost any

eligibility after the COVID-19 pandemic influenced the NCAA Division I Council's decision to allow schools to provide spring-sport student-athletes an additional season of competition and an extension on their period of eligibility.

Before they took the field last spring, the Redhawks ushered in a state-of-the-art hitting facility adjacent to Capaha Field. The 4,000-square foot facility can fit up to four batting cages and is equipped with portable pitching mounds. It also had HitTrax Rapsodo technology which is used to enhance overall player performance through real-time stats and performance metrics.

In Sawyers' last full season of competition, SEMO went 23-32 during an injury-riddled 2019 campaign. The Redhawks played without five of their position starters for much of the season.

Despite the misfortune with injuries, SEMO had a pair of All-OVC performers in Wilber and Niznik.

A First-Team selection, Wilber led the OVC with a .383 batting average and was the Redhawks leader in hits (80) doubles (19), triples (3), RBI (40), slugging percentage (.531) and on-base percentage (.480).

Niznik, who landed a spot on the All-Newcomer Team, started 13 games as a freshman. He led the team with a 3.63 ERA, ranked second in innings (62) and third in both strikeouts (49) and wins (3).

The year before that, Sawyers guided the 2018 squad to the program's 13th consecutive OVC Tournament berth as the Redhawks finished 27-30 overall and second in the conference with a 20-10 record.

That team produced three First-Team All-OVC performers,

including Carlos Vega, Trevor Ezell and Dirden.

Sawyers was hired as the sixth head coach in program history on July 29, 2016.

In his first year as an NCAA Division I head coach in 2017, Sawyers led the Redhawks to a winning season (29-26 overall, 16-14 OVC). He also picked up his first career OVC Tournament win along the way.

First-Team pick Dan Holst, Second-Team selections Brian Lees, Chris Osborne, Justin Murphy and Clay Chandler, and All-Newcomer Team member Danny Wright formed a group of six All-OVC players in Sawyers' debut season as a Division I head coach.

In all, Sawyers has two decades worth of collegiate coaching experience.

Prior to arriving in Cape Girardeau, he worked two seasons as the Associate Head Coach/Offensive Coordinator at Big 12 Conference member Kansas State. There, Sawyers oversaw the hitters and catchers, while helping coordinate recruiting efforts.

Sawyers has coached in two College World Series, two NCAA Super Regionals and eight NCAA Tournaments during his coaching tenure. He has mentored 39 Major League Baseball draft picks, including two first-round selections and eight top-10 round picks.

The Wildcats ranked fourth in the Big 12 offensively with a .284 team batting average in 2016. K-State's offense registered a .400 slugging percentage and .372 on-base percentage, scored 335 runs, had 550 hits, belted 100 doubles, notched 17 triples, and finished with 30 home runs

and 300 RBI.

Sawyers coached freshman Josh Rolette who garnered Louisville Slugger Freshman All-American honors in 2016. He also helped mentor Jake Scudder who was named Big 12 Newcomer of the Year. The Wildcats had three student-athletes on the All-Big 12 Teams that season.

The 2015 and 2016 campaigns were Sawyers' second stint at K-State.

He previously served as an assistant coach for the Wildcats in 2009 and 2010. Sawyers helped lead K-State to an 80-30-1 record and the first two NCAA Regional appearances in school history over that span.

The 2009 season was a year of power for the Wildcats under Sawyers. The team hit 22 triples and 58 home runs, most in both categories since 1997. The offense shined when it came to stolen bases as the 149 steals were second-most in the nation and just two shy of breaking the Big 12 record. Overall, the team finished among Big 12 leaders in on-base percentage (2nd, .399), runs scored (2nd, 458), hits (2nd, 675), RBI (2nd, 420), doubles (3rd, 123), and fewest strikeouts (4th, 393).

Six Wildcats claimed All-Big 12 honors in 2009, including outfielder Nick Martini, who also garnered Louisville Slugger Freshman All America honors, and Justin Bloxom and Carter Jurica, who finished fourth and eighth, respectively, in the Big 12 in batting average.

The 2010 squad matched the success of 2009 by also reaching the NCAA postseason, and the offense topped the previous season totals in

COACHES

batting average (.323 in 2010; .317 in 2009), runs per game (7.6 vs. 7.4) and OBP (.426 vs. .399).

Before K-State, Sawyers spent four seasons as Associate Head Coach at Texas A&M (2011-14). Those four seasons at Texas A&M represented the end of Sawyers' five-year stint with the Aggies after he spent 2008 as a volunteer assistant coach.

In each of those five seasons, Sawyers helped Texas A&M reach an NCAA Regional while also winning a pair of Big 12 championships. In addition, he coached standouts Tyler Naquin - 2011 Big 12 Player of the Year, All-American and a first round pick by the Cleveland Indians in 2012 - and Krey Bratson, a 2011 Freshman All-American.

Before his appointment at Texas A&M in 2008, Sawyers worked with current Aggie head coach Rob Childress as an assistant coach and recruiting coordinator at Nebraska from 2003-07.

While in Lincoln, he helped the Huskers earn four trips

to the NCAA Tournament, including an appearance at the 2005 College World Series. Sawyers, who lettered two years at Nebraska, worked with 12 Huskers who were selected in the MLB Draft, including Alex Gordon, a two-time Big 12 Player of the Year. In 2005, Gordon won five National Player of the Year awards before being taken as the second overall pick by the Kansas City Royals.

Sawyers took on all hitting coach responsibilities at Nebraska beginning with the 2006 season when the team hit .310 - its best mark in four years - and ranked in the top three of the Big 12 in home runs, stolen bases, on-base percentage and slugging percentage.

Sawyers served as the academic coordinator and worked with the catchers during his time at Nebraska, as well. He also had a hand in the Huskers recruiting their then-highest-rated class in school history, as the 2004 recruiting class was ranked 16th nationally by

COACHES

Collegiate Baseball.

After working as the volunteer assistant at Nebraska in 2000, Sawyers worked the 2001 and 2002 seasons as head coach at Hutchinson Community College, compiling an 87-30 record and two postseason berths. In 2001, the Dragons went 40-16 and won the Jayhawk West Sub-Regional, while the 2002 squad set a school record with 47 wins and was ranked as high

as seventh by the NJCAA.

Sawyers’ coaching career began at Northwestern (La.) State in 1999 as a volunteer assistant coach, helping the Demons finish second in the Southland Conference.

He first played collegiately at Point Loma (Calif.) Nazarene College in 1994. Following a year off, he played at Mendocino (Calif.) Junior College in 1996 before finishing up his playing

career at Nebraska.

A native of Willits, California, Sawyers received his bachelor (1998) and master’s (2000) degrees from Nebraska. He is married to the former Dena Lindeblad and the couple have two sons, Andrew James (A.J.) and Alex.

Southeast Missouri, Pitching Coach, 2019-pr.

COACHES

Matthew Kinney is in his fourth year at Southeast Missouri and third as the Redhawks pitching coach.

During SEMO’s 2020 campaign that was shortened to 17 games due to COVID-19, Kinney oversaw a pitching staff that led the Ohio Valley Conference in fewest walks allowed (54). Left-handers Dylan Dodd and Noah Niznik were among league leaders in multiple statistical categories. Both return for the Redhawks this year.

In 2019, Kinney helped guide Niznik to OVC All-Newcomer honors his freshman year. Niznik started 13 games and led the team with a 3.63 ERA, ranked second in innings (62) and third in both strikeouts (49) and wins (3) that season.

Kinney first joined the SEMO coaching staff as Volunteer Assistant and Director of Operations. On the field, his primary responsibilities included pitching, while assisting with hitting and outfield defense. He was also instrumental in organizing the team’s baseball camps.

Prior to that, Kinney played for the Cotuit Kettleers in the Cape Cod League in 2015,

and returned as the pitching coach of the Kettleers in 2016. Kinney mentored 14 pitchers who went on to play professionally. He also worked as an assistant with the East Cobb Astros in Atlanta, Georgia in 2013.

A native of Alpharetta, Georgia, Kinney wrapped up his playing career as a left-handed pitcher at Florida State. He went 3-0 with a 2.49 ERA in 27 appearances in 2016. The Seminoles secured a NCAA Super Regional berth with Kinney pitching out of the bullpen that year. He was among candidates on the Collegiate Baseball Writers Association Stopper of the Year List.

Kinney began his playing career at fellow OVC member Belmont. He pitched as a freshman in 2012 before medically redshirting the next year. After returning to play 31 games in the outfield in 2014, Kinney transitioned to a full-time pitcher where he struck out 62 and posted a 1.80 ERA in 35 relief appearances in 2015.

He earned his bachelor’s degree in Finance from Belmont 2015 and Master’s in Sport Management from Florida State in 2016.

2021

OVC

Southeast Missouri enters its 30th year as a member of the Ohio Valley Conference. Since joining the league in 1992, the Redhawks have won four OVC regular-season titles, three tournament crowns and made three NCAA Tournament appearances.

THIS IS THE OVC

OVC HISTORY

OVC HISTORY

THIS IS THE OVC

Now in its 73rd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 20 years. The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences. The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC. In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member

Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans. After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998. Through the past 72 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied with Massachusetts for the second-most in Football Championship Subdivision history (trailing only Grambling's 25 SWAC titles). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10 and Jacksonville State, Murray State and former

member Western Kentucky with eight apiece. Eastern Illinois has seven crowns while Austin Peay, Morehead State, Southeast Missouri, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. UT Martin and former member Youngstown State have one title apiece. Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS). The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning

him a spot in the College Football Hall of Fame. EKU's 21 FCS playoff appearances are the second most all-time (behind only Montana's 24 berths). In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games in 29 seasons. A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history

when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05). The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 40 NCAA-licensed events which includes the College Football Playoff). In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would

lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995). For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown). In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark. In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns

(fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998). Garoppolo was a part of Patriots teams that won Super Bowls in 2015 and 2017. In 2020 Garoppolo became just the eighth quarterback who played in the FCS (which began in 1978), to start a Super Bowl, taking the snaps for the San Francisco 49ers in Super Bowl LIV against the Kansas City Chiefs. The Chiefs would win, preventing Garoppolo from becoming only the fourth FCS quarterback to start and win a Super Bowl. The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record. In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to

North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks - FBS or FCS - to achieve those numbers during the year). Jenkins would conclude his career in 2016 with 3,796 rushing yards, the seventh-most ever by a FCS quarterback. Jenkins, who was named OVC Male Athlete of the Year in back-to-back seasons, capped his career with 11,448 yards of total offense, second-most in OVC history (behind only Garoppolo). In 2017, Jacksonville State senior defensive end Darius Jackson became the first OVC player to win the Buck Buchanan Award, given to the FCS National Defensive Player of the Year. Jackson tallied 51 tackles, 19.0 tackles-for-loss, 7.0 sacks, 19 quarterback hurries, 3 forced fumbles and 2 fumbles recoveries in 11 regular season games. 2017 also saw the third OVC coach named the winner of the Eddie Robinson Award as the FCS National Coach of the Year. The honor went to Austin Peay second-year coach Will Healy who orchestrated a tremendous turnaround for the Govs program. After going 0-11 during his initial season and starting 2017 with back-to-back losses to FBS opponents, the team's losing streak had reached 29 games and overall the team had won just one of its previous 48 games overall. But a win during week three catapulted the team to an 8-4 record and 7-1 OVC record and second-place league finish. The eight wins matched

the school record, while the seven Conference wins established a new school record. Along the way the team snapped a 21-game OVC losing streak and a 45-game road losing streak and finished the year with four road victories, which was more than the program won in the previous nine years combined.

The OVC made it back-to-back Buck Buchanan Award winners in 2018, as Southeast Missouri junior linebacker Zach Hall took home the prestigious award. He finished the season with 168 tackles, the most of any FCS player and a new Southeast Missouri single-season record, while leading his team to just in second-ever playoff appearance.

In 2019, Austin Peay won a school record 11 games, claimed its first OVC Championship since 1977 and appeared in its first-ever FCS Playoffs, advancing to the quarterfinals. The Govs would finish the year ranked No. 8 in the national polls.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest

upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the 2009 Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and

included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989 and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best)

and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition, the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2017-18 OVC men's basketball teams have at least one national postseason tournament victory in nine-straight postseasons, an all-time league

record.

For just the second time in league history (the other being 1987), the OVC placed two teams in the NCAA Tournament in 2019, as Murray State won the OVC Tournament crown for the second-straight season and Belmont earned an at-large bid after going 26-5 overall (16-2 OVC) with a NET ranking of 47. As a No. 11 seed, Belmont would top Temple in the Opening Round in Dayton (its first-ever NCAA Tournament victory) before narrowly falling to Maryland in the next round, while No. 12 seed Murray State crushed Marquette 83-64 in the first round (the second-biggest margin of victory ever by a 12 seed over a No. 5 seed in tournament history) before losing to Florida State. It marked the first time since 1971 that the OVC had two wins in the same NCAA Tournament and marked the first time two different OVC teams won a tournament game in the same year.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year, Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim

Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/ game during the event including a 37-point, 21-rebound and 30-point, 16-rebound performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won an NBA record 73 regular season games but lost in Game 7 of the Finals. A year later, Clark was part of the Warriors team that topped Cleveland to win the 2017 NBA Championship, becoming the first OVC player to win the crown since 1970-71 (Murray State's Dick Cunningham and Western Kentucky's Greg Smith with the Milwaukee Bucks).

Belmont's Evan Bradds finished his career in 2016-17 with a 66.7 career field goal percentage, tops in OVC history and fourth all-time in Division I history. Bradds capped his career with back-to-back OVC Player of the Year awards in addition to being named 2016-17 OVC Co-Male Athlete of the Year.

Murray State guard Ja Morant put together arguably the greatest season in League history in 2018-19, earning first-team consensus All-American honors (only the third player in OVC history to achieve

that feat joining WKU's Clem Haskins in 1967 and WKU's Jim McDaniel in 1971) while becoming the first player since the NCAA began officially tracking assists (1983-84) to average 20-plus points (24.5) and 10-plus assists (10.0) in the same season. Morant, who won the Bob Cousy Award as the nation's top point guard, finished the year with 331 assists, the sixth-most in NCAA single-season history. During the year he had three triple-doubles (including just the ninth in NCAA Tournament history) and became the first Division I player in 20 years to record 40 points, 11 assists and five steals in a regulation game.

Morant was picked No. 2 overall by the Memphis Grizzlies in the 2019 NBA Draft, equaling the highest-ever draft pick in OVC history (tied with Eastern Kentucky's Jim Baechtold who went No. 2 in 1952). Overall he was just the third NBA Lottery Pick (which began in 1985) in OVC history. Belmont senior Dylan Windler was selected by the Cleveland Cavaliers No. 26 overall in the 2019 NBA Draft, giving the OVC two First Round picks in the same draft for only the second time in history (Western Kentucky's Tom Marshall and Jack Turner were selected with the seventh and eighth picks of the First Round in 1954). Overall Morant and Windler were the 10th and 11th players in OVC history to be First Round NBA Draft Picks.

Through its 72 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 27 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Tennessee Tech (7), Eastern Kentucky (6), Belmont (6), former member Middle Tennessee (5), Tennessee State

(2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men’s basketball have been Western Kentucky’s E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men’s basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Following the 2016-17 season, Austin Peay’s Dave Loos retired as the winningest coach in OVC history (he passed Luther for that crown in 2009-10). Loos, a five-time OVC Coach of the Year, finished his career with 420 wins in 27 years at Austin Peay (including a 258-194 OVC record) and 502 total wins in 31 years as a head coach. Loos was inducted into the OVC Hall of Fame in 2018. Belmont’s Rick Byrd retired following the 2018-19 season with 805 career victories in 38 seasons (33 with the Bruins). In seven seasons in the OVC Byrd compiled a 168-62 record (97-19 in conference play) and won five OVC regular season crowns, two tournament titles and four OVC Coach of the Year awards (second all-time only to Loos).

There have been an equal number of great players including Western Kentucky’s Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Coach of the Year honors twice: Western Kentucky’s Jim McDaniels (1969-70 and 1970-71), Murray State’s Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones

(1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay’s Otis Howard (1976-77, 1977-78), Middle Tennessee’s Jerry Beck (1980-81, 1981-82), Akron’s Joe Jakubick (1982-83, 1983-84), Tennessee State’s Carlos Rogers (1992-93, 1993-94), UT Martin’s Lester Hudson (2007-08, 2008-09), Morehead State’s Kenneth Faried (2009-10, 2010-11) and Murray State’s Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation’s leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State’s Brett Roberts (28.1 ppg), Murray State’s Popeye Jones (14.4 rpg) and Tennessee Tech’s Van Usher (8.8 avg).

In 2018, the OVC once again served as host for the NCAA Division I Men’s Basketball Championship First and Second Rounds at Bridgestone Arena in Nashville. It marked the fourth-time the OVC served as hosts of the event (2000, 2005, 2012 and 2018).

Tennessee Tech has won or shared 18 regular-season women’s basketball championships in addition to nine OVC Tournament crowns; both are tops in OVC history. UT Martin added its name to the list of championship by capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles, while Belmont joined that club after winning its fourth-straight title in 2019 (2016-19).

Several coaches have made their mark in the history of OVC women’s basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in

NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers’ program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Inman once again retired following the 2016-17 season, with 545 career victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State’s Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky’s Kim Mays; Southeast State’s Ashley Hayes; UT Martin’s Heather Butler and Jasmine Newsome; and Belmont’s Darby Maggard.

Morehead State center Brittany

Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games, which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA’s San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women’s Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 and 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the

semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

In 2017-18, Belmont completed its second-straight undefeated league season, increasing its winning streak in Conference games (both regular season and tournament) to 46 games. The Bruins were ranked in both the USA Today Coaches Poll and Associated Press Poll during the year, becoming the first OVC team to be nationally-ranked since 1992-93. The Bruins finished the year ranked No. 23 in the AP poll.

Belmont guard Darby Maggard capped her career in 2018-19 by earning her fourth-straight first-team All-OVC honor in addition to earning her fourth-straight OVC All-Tournament honors. She became the first player in NCAA history to make at least 400 3-pointers and dish out at least 650 assists in a career while her 92.4 percent career free throw percentage ranks first in NCAA history, her 2.77 assist-to-turnover ratio is third and her 430 made 3-pointers is fourth. She was one of just 19 players in OVC history to reach 2,000 career points (2,031) and she finished her career third in OVC history for assists (683). After the season Maggard finished as the national runner-up at the College 3-Point Championship.

Over its 72 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State’s Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State’s Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead

State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football’s Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball’s Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball players Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball player Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

The OVC’s first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six-straight tournament crowns. Former ECU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers’ recognition multiple times with four awards each.

Throughout the last 37 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990’s, including five straight from 1993-97. The Redhawks have also won six tournament crowns

(1994, 1996, 1998, 1999, 2000, 2019). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league’s first NCAA victory since 2000.

Following the 2007 season, Jacksonville State’s Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. She was later joined by Murray State’s Scottie Ingram who won three-straight awards from 2014-16. Four other individuals - Eastern Kentucky’s Angela Boykins (1985-86), Morehead State’s Dayle Hammontree (1988-89), Southeast Missouri’s Tuba Meto (1996-97) and Morehead State’s Amy Almond (2001-02) – were back-to-back winners of the award.

Morehead State won its fourth-straight OVC volleyball regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky’s Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men’s cross country team earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls

began in the early 1980s. The ECU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women’s side Eastern Kentucky senior Lydia Kosgei became the first ECU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the ECU men’s cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 ECU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. ECU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky’s Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford’s Lauren Blankenship in 2007).

In 2017, the Eastern Kentucky women’s team earned its first national ranking as well as becoming the first OVC women’s team to qualify for the NCAA

Championship. The Colonels finished 23rd at the National Championship meet.

Following the 2017-18 season, long-time coaches Tom Akers (Eastern Illinois) and Rick Erdmann (Eastern Kentucky) retired. The duo combined for 118 OVC Championships and 115 OVC Coach of the Year Awards.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

In 2016 SIUE turned in a major upset in the first round of the NCAA Division I Soccer Championship, advancing on penalty kicks 5-4 over No. 11-ranked Notre Dame. The Cougars became just the second OVC team to advance to the second round (joining Samford who topped Vanderbilt on penalty kicks in 2005).

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In

2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format.

In April 2016 Danny Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters' history to win the event in his first or second start and just the second Englishman to win the event.

Prior to 2018, no female women's golf had earned an at-large spot in the NCAA Regionals field. That changed when Jacksonville State junior Valentina Giraldo and Eastern Kentucky junior Elsa Moberly earned two of the 24 at-large spots in the NCAA field.

Another first for women's golf came in 2019 as Murray State senior Linette Holmslykke became the first OVC female golfer to qualify for the National Championship after finishing second at the Auburn Regional with a three round total of 211 (-5). Holmslykke finished 54th at the National Championship in addition to winning the NCAA's Elite 90 Award for having the highest G.P.A. among those competing at the Championship.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional

(beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/ NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama.

In 2018 Eastern Kentucky won its first OVC softball regular season championship since 2004 and earned a berth in the National Invitational Softball Championship, where they hosted and won the Richmond Regional to make them one of four teams to advance to the championship round in Los Angeles.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) – hosting the event for the first time in 2010. The championship moved to Choccolocco Park in Oxford, Alabama for two years (2017-18) before agreeing to a stay at Rent One Park in Marion, Illinois (home of the Frontier League Southern Illinois Miners).

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama

in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his

team's success during the year, setting the NCAA single-season record for saves (23 – a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2017 the league could have been named the "Offensive Valley Conference" as teams combined for 753 home runs during the season, the most in league history. That was highlighted by a record 50 combined home runs being hit in 13 games at the OVC Tournament. Included in that was Morehead State sophomore Niko Hulsizer who hit his 27th home run of the season, establishing a new OVC single-season record.

In 2018 Tennessee Tech had a 28-game winning streak in becoming a consensus nationally-ranked team across the six major Division I polls (reaching as high as No. 10, an all-time high rank by an OVC team). The Golden Eagles won a record 27 OVC games after losing in the OVC Tournament Championship game, became the first OVC team to earn an at-large berth into the NCAA Baseball Championship. Tech would go on to win three-straight elimination games in the Oxford Regional (including back-to-back games on the same day against host and No. 4 national seed Ole Miss) to become the first OVC team to reach the Super Regionals. The Golden Eagles would win game one against Texas before eventually losing two-straight to the Longhorns. Tennessee Tech finished the season with an OVC record 53 overall victories.

In 2018, a record 16 OVC players were selected in the Major League Baseball First-Year Player Draft (breaking the previous record of 12). Among the 16 players were

eight Tennessee Tech players, a new record for an OVC school in a single-season.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrler who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

In March 2020 due to the COVID-19 public health emergency, spring sports were canceled across the OVC and the NCAA (including all winter and spring NCAA Championships).

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 294 student-athletes honored with the award (including 49 over the past five years).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did

decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country,

golf, soccer, softball, tennis, track, volleyball and beach volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on a campus that's equally inspiring.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Built on the banks of the Mississippi, our River Campus is the only one in Missouri dedicated entirely to the arts. But you don't have to be a student in the **Holland School of Visual and Performing Arts** to appreciate it. Come catch a performance. Explore the latest exhibits. Or just enjoy the breathtaking river views.

Five venues for exhibiting your talent — including theatres, a recital hall and galleries — set the stage for

more than a hundred different events each year.

Among our student-produced musical performances, you'll hear everything from the classics to the contemporary — including Brahms' *Double Concerto in A Minor* and Andrew Lipka's *The Addams Family*.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
