he #2-seeded Southeast Missouri women's volleyball team swept #4 Morehead State, 26-24, 25-19, 28-26, at the Pete Mathews Coliseum to capture the 2019 Ohio Valley Conference Tournament Championship on Nov. 23, 2019. The title was the sixth for SEMO and first since 2006. With the victory, SEMO earned an automatic qualification to the 2019 NCAA Division I Women's Volleyball Championship where it faced #9-ranked Kentucky on Dec. 6, 2019.

SEMO also matched the 2000 Redhawks that totaled 23 wins (23-9, 16-0 OVC) with the victory on Nov. 23, 2019. Laney Malloy, Mikayla Kuhlmann and Claire Ochs were each named to the 2019 OVC All-Tournament Team. Ochs was selected as the tournament MVP. The trio are the first Redhawks awarded OVC All-Tournament Team honors since Colleen Yarber garnered the distinction in 2012.

Malloy led the Redhawks offense with 16 kills and 10 digs for the double-double on a .267. Kuhlmann chipped in 12 on a .417 hitting clip. Annie Wehrheim finished with seven kills (.300) and Maggie Adams had five kills and four total blocks. Ochs dished out 32 assists with eight digs and five kills. Tara Beilsmith led the SEMO defense with a matchhigh 18 digs.

SEMO concluded the 2019 campaign with a 23-11 record, finishing 12-4 in OVC play (second in the regular season).

CHAMPS

n July 1, 2020, Southeast Missouri State University unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs.

The redesign features an official brand font to complement the marks, and a focused emphasis on 'SEMO' as the preferred reference for the University in Athletics and less formal communications. These logos are the first update to the University's spirit branding since the Redhawk was introduced in 2005.

The new brand identity, which will allow SEMO's athletic teams to display consistent logos, lettering and numerals, is independent of the existing University marks featuring the depiction of the Academic Hall dome which remain un-

changed.

"We are excited to reveal our refreshed series of logos and wordmarks," said Director of Athletics Brady Barke. "Having a strong and recognizable brand is essential as we continue to elevate the profile of the University and Redhawk Athletics, and continue towards our vision of being the premier athletics program in the Ohio Valley Conference. These new marks complement our existing Redhawk logo and help us establish a strong regional and national identity by embracing the SEMO nickname."

SEMO started the process of creating its new brand identity following a 2018 brand refresh study completed by Ologie. A higher education branding and marketing firm based in Columbus, Ohio, Ologie helped launch the University's "Will to Do" brand

platform.

As part of the refresh, Ologie closely studied the use of "SEMO" vs. "Southeast".

Through extensive surveys and interviews, Ologie concluded that audiences like the personality, uniqueness and familiarity of "SEMO" when referring to the University and its athletic programs, except in official institutional communications. Their recommendations included embracing the SEMO acronym by establishing parameters for usage and creating the wordmark.

Following the study, the logos were designed by the University Marketing team, in collaboration with the Department of Athletics and campus leadership at no additional cost to the University.

"I want to thank Tonya Wells and her team in the University Marketing office for their hard work on this project," said Barke. "Working collaboratively over a number of months, I think we have developed something everyone associated with Southeast Missouri State can be proud of."

With the addition of an official brand font, sport-specific logos for each of SEMO's 15 Division I sports and sub-brand lock-ups can be used across the University. It also presents a more consistent branding over all platforms.

Along with the new logos, fans will notice a more frequent use of "SEMO" in reference to the University and its athletic teams on uniforms, apparel and other materials. Official social media usernames for Redhawk Athletics, including Facebook, Twitter and YouTube have all been changed from @GoSoutheast to @SEMORedhawks.

The announcement signifies

a local launch of the branding and refreshed spirit logos. Certain digital platforms, including University and athletic websites, and social media will adopt the new logos immediately. Signage and publications on SEMO's campus will use the updated logo over the coming months. Athletic uniforms and apparel will reflect the updates as teams enter the next purchase cycle. Fully rebranding the campus and athletic facilities is a time-consuming and costly endeavor. Therefore, this process will be completed giving priority to highly visible locations and only as funding is identified.

"It's an exciting time for SEMO Athletics," said Southeast President Dr. Carlos Vargas. "We are entering the new school year as defending OVC champions in five different sports and we finished the COVID-19 shortened season at the top of the OVC Commissioner's Cup standings. We are Southeast Missouri's Division I athletics program and our refocused identity represents our institution's strong connection to serving our region."

What They Are Saying ...

"I'm really excited about our new wordmark. When you think about Southeast Missouri State, you think about our region and our area, you think, 'SEMO.' SEMO is what makes us different. There is only one SEMO. We are the regional institution. I can't wait to see this new wordmark in the Fall."

Tom Matukewicz Head Football Coach "As a SEMO alumnus, it was exciting to work on this project alongside the team in University Marketing which did an amazing job developing the visual identity. The 'SEMO' nickname is truly unique in the college landscape and these new marks will help strengthen our brand locally and nationally."

Nate Saverino Associate Director of Athletics for External Affairs

"Remembering where you come from is an important part of shaping where you are going. Our campus identity as 'SEMO' is intrinsic to who we are. It is ingrained in Southeast Missouri State University's history. Much like SEMO's landmarks - the dome, cardiac hill and the gum tree - 'SEMO' is unique to who we are and inspires an incredible sense of community. In terms of recruiting, the new SEMO logo is huge! We are the only NCAA athletic program in the nation with this acronym and it pinpoints our campus location. It is truly a unique identifier and the only wordmark that ties our present to our past. It also instills that sense of pride in remembering where we came from."

Heather Nelson Head Women's Soccer Coach

"It's a great new look in comparison to the older logo. It shows a great depiction of the SEMO rebranding and how important the community is to helping SEMO become the best in the region."

rady Barke is in his fifth year as Southeast Missouri's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

During the 2019-20 season, the Redhawks were on pace to have one of their best campaigns in the school's athletics history. SEMO won four Ohio Valley Conference titles with women's soccer and football claiming regularseason crowns and women's volleyball and basketball securing OVC Tournament championships. The Redhawks also recorded a school record 44 conference victories between the fall and winter sports.

At the time the 2019-20 season ended due to the COVID-19 pandemic, SEMO was first in the OVC Commissioner's Cup race with 80.75 points.

Academically, SEMO's athletic teams were again strong in the classroom.

Student-athletes overcame an enormous amount of adversity and disruption to close out the 2019-20 academic year with a Department of Athletics record 3.53 spring grade point average.

That mark was the highest GPA of any semester for the Redhawks who had a total of 12 teams achieve a 3.21 or higher GPA in the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPAs ever.

The upcoming 2020-21 campaign marks SEMO's third year with Under Armour. Barke reached a multi-year agreement with the Baltimorebased global leader in performance footwear, apparel and equipment that made Under Armour the official outfitter of SEMO Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, **Under Armour outfits members** of the athletic department including coaches and staff.

Barke also secured bids to host SEMO's first home football playoff games. Additionally, he helped the University reach a collaborative partnership with SoutheastHEALTH. Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships

for students.

Most recently, new state-ofthe-art Formetco digital video scoreboards were installed at both Houck Field and the Southeast Softball Complex under Barke's leadership.

A brand new 4,000-square foot baseball training facility was completed prior to the 2020 season. The \$400,000 indoor facility can fit up to four batting cages. There are portable pitching mounds as well as HitTrax and Rapsodo technology that helps improve overall player performance.

Barke hired Brad Korn as the Redhawks head men's basketball coach on Mar. 24, 2020, while navigating through the unprecedented times during the COVID-19 pandemic. Korn was the third head coach Barke hired during his tenure as Director of Athletics.

During his first year in 2016-17, Barke introduced Andy

Sawyers as the Redhawks

head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before SEMO's season-opener.

Gymnastics Coach Ashley Lawson was Barke's other hire. Lawson orchestrated a huge turnaround for SEMO women's gymnastics during her first seasons as head coach.

On Feb. 3, 2017, SEMO formally dedicated Holcomb Success Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South. Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in SEMO Athletics history. Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Additional renovations have been made to the nutrition area that serves as a fueling station for SEMO student-athletes at the Holcomb Success Center.

Fundraising has steadily increased under Barke's direction.

The 2018-19 campaign marked the fifth consecutive year of growth for the Redhawks Club general fund. It is the highest level of giving to the Redhawks Club general fund since 2003-04.

Barke also worked with donors to establish two new endowed scholarships for student-athletes and raised over \$60,000 to support the SEMO football program and summer school scholarships.

More than \$250,000 in pledges for the Redhawks Club unrestricted booster fund has been raised with Barke as Director of Athletics. Over \$200,000 was raised in Sponsorship & Marketing contracts each of the last two years. The 2019-20 season was the sixth-consecutive year of Sponsorship and Marketing revenues.

Barke has worked hard to enhance Redhawks branding around the community. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk Country and Your Redhawks yard signs are prominently displayed all over Cape Girardeau.

On July 1, 2020, SEMO unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs. The new brand identity will allow SEMO's athletic teams to display consistent logos, lettering and numerals, and is independent of the existing University marks.

Barke created the Redhawks Trivia Night & Auction, a sold out event that generated over \$40,000 in net revenue its first year. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletics Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

COACHES

he 2020 season marks the 10th season for Julie Yankus at the helm of the Southeast Missouri women's volleyball program. Through nine seasons as the head coach of the Redhawks, Yankus has compiled an Ohio Valley Conference record of 77-70.

Yankus' teams have competed at the OVC Championship Tournament in eight of nine seasons under her instruction. She has mentored 14 All-OVC Team selections, two OVC All-Newcomer Team selections, and five All-OVC Tournament Team honorees.

In 2019, Yankus led the Redhawks (23-11, 12-4 OVC) to their first OVC Tournament Championship since 2006 and sixth overall in school history. The team matched the 2000 Southeast Missouri team that totaled 23 wins (23-9, 16-0 OVC). As the second seed, the Redhawks overcame #7 Tennessee Tech (3-1), #3 Murray State (3-2) and #4 Morehead State (3-0) en route to the Championship.

Laney Malloy, Mikayla
Kuhlmann and Claire Ochs
were each named to the 2019
OVC All-Tournament Team.
Ochs was selected as the
tournament MVP. The trio are
the first Redhawks awarded
OVC All-Tournament Team
honors since Colleen Yarber
garnered the distinction in
2012.

Yankus also coached four All-OVC players in 2019 in middle blocker Maggie Adams (First), outside hitter Laney Malloy (First), setter Claire Ochs (Second) and libero Tara Beilsmith (Second). Southeast last had four selections to the All-OVC Team in 1999 when Angie Aschoff, Krista Haukap, Amy Henken and Lea Beckenmeyer earned the nod.

As OVC Tournament Champions, Southeast represented the conference in the First Round of the 2019 NCAA Women's Volleyball Championship. The Redhawks fell to #9-seed Kentucky in three sets to conclude their historic season.

Yankus led the 2018 Redhawks to a fifth place finish in the OVC while earning her 100th career win on the bench, a 3-2 victory over Murray State on September 22. Southeast started the season with five straight victories which matched the start of the 1986 SEMO team that finished 37-9. In 2018, SEMO registered its highest win total (16) and conference win total (8) in the past five seasons.

Yankus coached three OVC weekly award winners in Claire Ochs (Newcomer), Laney Malloy (Newcomer) and Annie Wehrheim (Newcomer and Offensive) in 2018. Wehrheim and Haley Bilbruck both earned Second-Team All-OVC honors for their seasons at Southeast.

In 2017, she coached Krissa Gearring who was one of 27 NCAA Division I volleyball players and one of two players in the OVC to reach 1,000 career kills and 1,000 career digs. Yankus also coached Haley Bilbruck who

COACHES

became the first player in Southeast program history to attend a USA Volleyball Tryout (March 2-4, 2018) at the U.S. Olympic Training Center in Colorado Springs, Colorado.

In 2012, her second season at the helm of the Redhawks, Yankus guided the Redhawks to an OVC West Division crown. The Redhawks finished 21-13 overall with a 12-4 record in conference play. 2012's record was the best record by Southeast since the 2007 season. Southeast Missouri was picked third in the preseason poll and finished the season first in the West Division and qualified for the OVC Tournament.

Yankus mentored former Redhawk Emily Coon for three of Coon's four years at Southeast. Coon was an All-OVC performer in each of her four seasons at Southeast Missouri. Coon, along with her teammate Colleen Yarber. eclipsed the 1,000-kill mark during their senior season. Fellow teammates Berkley Idel and Julie Shives also reached significant milestones their senior season. Idel, a libero, recorded over 1,500 career digs while Shives, a setter, reached 4,500 assists in her four-year career.

Yankus recruited Missouri native Taylor Masterson to Southeast Missouri after Masterson spent a redshirt season at the University of Alabama. Masterson picked up OVC All-Newcomer Team accolades after a breakout rookie season in 2012. Masterson, a middle blocker, earned All-OVC honors as a head coach for five seasons at Southern Illinois University in Carbondale, Illinois.

Academically, Yankus' teams have garnered American Volleyball Coaches Association (AVCA) Academic Honors each of her nine seasons. During the 2013-14 academic year, the Redhawks volleyball team boasted a 3.39 team cumulative GPA. Most notably, former Redhawk Paige Dossey garnered Third Team Capital One Academic All-America status in 2011.

The Redhawks have won a few tournaments under Yankus including tournaments at lowa and Butler in 2012, Mississippi State in 2013 and Troy in 2018. In 2012, Southeast defeated lowa for the first victory over a Big 10 team since 2002 as well as a win over South Florida, the first time Southeast defeated a Big East team since 1998. Southeast also knocked off SEC opponent Mississippi State in 2013. The Redhawks nearly defeated Mississippi State again in 2014 but fell in the final points in the fifth set at the Indiana University Tournament.

Yankus guided the Redhawks to their first OVC Tournament berth since 2008 in the 2011 season, her first year at Southeast.

Yankus came to Southeast after serving as associate head coach for five seasons at

Southern Illinois University in Carbondale, Illinois.

Yankus began her time at Southern Illinois in 2006. She served as recruiting coordinator for the Salukis during her time at Southern Illinois. Yankus also served as the coordinator of the team's defense, as well as coach of the outside and rightside hitters where she coached four-time All-Missouri Valley Conference player Jennifer Berwanger.

Yankus was also in charge of scouting, equipment, team travel, and video breakdown and analysis. She also served as manager of home match management at SIU.

Prior to SIU, Yankus spent two seasons at Georgia State in Atlanta serving as the top assistant coach for the Panthers. At Georgia State, Yankus coached the outside hitters and handled team travel, tape exchange and equipment. Yankus also assisted in the recruiting, scouting and practice planning. While at Georgia State, Yankus earned her master's degree in Sports Administration.

SEMO HALL OF FAME

RECORDS

Pam Kirsch 1990-93

Kirsch was the first Southeast student-athlete to be named Ohio Valley Conference Female Athlete of the Year. She was a GTE Academic All-American in 1993 and was First-Team All-OVC in both 1992 and 1993.

Angie Aschoff 1996-99

Aschoff earned All-Ohio Valley Conference honors all four seasons she was a member of the SEMO volleyball team. She garnered First-Team All-OVC accolades in 1998 and 1999, Second-Team laurels in 1997 and was an All-Newcomer selection in 1996. Aschoff won a total of seven OVC Player of the Week awards during her career. She finished her SEMO career ranked among the school's all-time career leaders in hitting percentage (6th, .332) and block assists (9th, 347). Aschoff also owns the school's individual match records in block assists (11) and total blocks (12). She was named American Volleyball Coaches Association All-Region in 1999 and was part of the 1996 volleyball team which is already in the Southeast Athletics Hall of Fame. That team was the first to go undefeated in conference play in the program's history, going 28-8 overall and a perfect 18-0 in the OVC en route to its fourth straight league title.

Tuba Meto

1994-97

The starting setter for Southeast from 1995-97, Meto led the Redhawks to a record of 105-43 during the span, including a 62-6 record in OVC play. Southeast won the OVC title in each of her four seasons and made two NCAA tournament appearances. She was the OVC Player of the Year in 1996 and 1997 and continued her career as she played professionally in Turkey. She holds a spot in seven different Top-10 categories, including assists, and digs. She holds the All-Time assists record in a match with 82.

Lea Beckemeyer

1998-2000

Lea Nenninger (Beckemeyer) garnered Second-Team All-Conference accolades in 1999 and claimed First-Team All-OVC and OVC Tournament MVP honors in 2000. She also earned ACA All-Region accolades as a senior. Beckemeyer finished her career ranked sixth all-time in kills (1,405) and seventh in attack attempts (3.452). She was named OVC Player of the Week on three occasions. Beckemeyer led Southeast's 2000 volleyball team to an OVC Tournament title and berth in the NCAA Tournament, the only team in program history to reach the second round of a NCAA Tournament. The 2000 volleybal team was inducted into the Southeast Athletics Hall of Fame in 2014.

The 1996 volleyball team was the first to go undefeated in conference play in the program's history. The team went 28-8 overall and a perfect 18-0 en route to its fourth-straight OVC Championship. Southeast Head Coach Cindy Gannon was named OVC Coach of the Year and setter Tuba Meto was the league's Player of the Year. Four others, including Leanne Huffman, Theresa Sebacher, Erin Willrich and Angie Aschoff earned All-OVC honor. Southeast hosted Valparaiso in the NCAA play-in game and secured its first NCAA Tournament berth with a 3-1 win. Southeast later ended its season with a 3-0 loss at USC in the first round of the tournament. Southeast set seven team records which still stand. Susie Thompson, Huffman, and Sebacher all finished their careers with over 1,000 kills, marking the first time in NCAA history that had been done.

2000 Volleyball Team

After going undefeated (16-0) in Ohio Valley Conference play, the 2000 team won the OVC Tournament Championship to earn a berth in the NCAA Tournament. The 2000 team is the only team in Southeast volleyball history to advance to the second round of the NCAA Tournament. Southeast defeated North Carolina in five sets in the first round, but fell at Florida in the second round. That season, Southeast earned multiple conference honors, including Player of the Year (Krista Haukap), Rookie of the Year (Emily Scannell), OVC Tournament MVP (Lea Beckemeyer), three All-Tournament Team selections, two First-Team All-OVC picks, one Second-Team All-OVC honoree, and one All-Freshman/Newcomer team accolade.

On November 30, 2000 against North Carolina in the first round of the NCAA Tournament, Haukap had 36 kills in the match, a record that still stands. She holds the record for career kills (2,070) and total attempts (4,921), while Beckemeyer is sixth in career kills (1,405) and total attacks (3,452).

Krista Haukap 1997-2000

Krista Haukap was

Krista Haukap was inducted into the Southeast Missouri State Hall of Fame in 2010 after a dominate career in the late 90's. She recorded 36 kills against North Carolina in the NCAA Tournament, which is a Redhawk record. She owns the top spot in kills and total attempts in a career with 2,070 and 4,921, respectively. Uncoincedentally, the Redhawks went undefeated in the OVC in 2000, and had the winningest season in school history during her tenure.

/ 16 YEARS OF COACHING EXCELLENCE

indy Gannon's dedication and commitment to SEMO Athletics was unparalleled. Gannon was inducted into the Southeast Athletics Hall of Fame in February 2020 for her accomplishments as a coach and administrator.

Before becoming Senior Associate Athletic Director, Gannon coached the Redhawks' volleyball program for 16 seasons, winning a program-record 366 matches, eight Ohio Valley Conference regular season titles, and five OVC Tournament Championships. Gannon garnered OVC Coach of the Year four times throughout her career (1993, '95, '96, '99). Gannon mentored five OVC Players of the Year and one Freshman of the Year. In all, 51 of Gannon's players earned All-OVC honors during her 16-year tenure.

Academically, Southeast Missouri earned seven American Volleyball Coaches Association (AVCA) Academic Honors under Gannon. Individually, Southeast featured two CoSIDA Academic All-Americans and three Academic All-District honorees.

Gannon moved to Southeast's administration in 2005 and has served as the Redhawks Director of Athletics on an interim basis in 2007-08 and 2011-12.

In 2018, Gannon retired from SEMO after serving as the sport administrator for the Southeast volleyball, soccer, softball, tennis, track, and gymnastics programs. She also oversaw event management and sports information and was responsible for the athletic department's equity and diversity programs and departmental policies and procedures.

During her time at Southeast, Gannon founded and served as director for the Annual Walk for Women's Athletics, an event that provides scholarship funds for the Redhawks Legacy program. The event was changed to the Cindy Gannon Walk for Women in 2017.

THE OVC

SINCE 1948

THE OVC

HISTORY

ow in its 73rd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 20 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky,

first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black midsouthern institutions to accept a black student. In 1958 Marshall Banks earned athleticallyrelated aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned allconference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the

Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Over its 72 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State) and Tony Romo (Eastern Illinois), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve

Hamilton (Morehead State) to present-day standouts like basketball players Kenneth Faried (Morehead State) and Robert Covington (Tennessee State), football player Jimmy Garoppolo (Eastern Illinois) and baseball player Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and an NBA Championship Series (Los Angeles Lakers).

In 2007, Eastern Kentucky's Jacob Korir won his fourthstraight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country team earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior

HISTORY

THE OVC

Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet to earn All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourthstraight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other).

In 2016, Eastern Kentucky's Charlotte Imer finished 31st at the NCAA Championship, the second-highest finish ever by an OVC female (trailing only a 24th place finish by Samford's Lauren Blankenship in 2007).

In 2017, the Eastern Kentucky

women's team earned its first national ranking as well as becoming the first OVC women's team to qualify for the NCAA Championship. The Colonels finished 23rd at the National Championship meet.

Following the 2017-18 season, long-time coaches Tom Akers (Eastern Illinois) and Rick Erdmann (Eastern Kentucky) retired. The duo combined for 118 OVC Championships and 115 OVC Coach of the Year Awards.

In March 2020 due to the COVID-19 public health emergency, spring sports were canceled across the OVC and the NCAA (including all winter and spring NCAA Championships).

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes. while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 296 studentathletes honored with the award (including 51 over the past five

Through the early years

of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State studentathlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

COME HERE AS A STUDENT.

And go anywhere as a teacher.

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21 faculty-student ratio

Full-time faculty

lead most classes, not teaching assistants starting with freshman year.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our studentrun idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES

And do it on a campus that's equally inspiring.

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
