## MEDIA INFORMATION

### COVER THE REDHAWKS

*The 2022 Southeast Missouri women's gymnastics media guide is a source of information for the news media covering the Redhawks. News releases, clips, video footage, photographs and other information will also be available to accredited members of the media upon request.*

#### Strategic Communications

The Southeast Missouri Strategic Communications Office is always willing to assist the media with their coverage of Redhawk gymnastics. All media and credential requests should be made to Assistant Strategic Communications Director Eric Mueller. Should you need any information, feel free to call any time, day or night. Mueller can be reached at (573) 651-2294 (work) or (630) 267-5145 (mobile).

#### In-Season Interview Policy

All of Southeast Missouri's soccer student-athletes and coaches will be available to the media throughout the 2022 season. Interviews should be arranged through the Southeast Missouri Strategic Communications Office. Interviews with student-athletes and coaches will be conducted either by phone or in-person after practice. Please let the Strategic Communications Office know at least 24 hours in advance so interview arrangements can be made.

#### Credentials

Credentials are required for entrance to Houck Field House (for photographers). To request season or single-game credentials, please contact Assistant Strategic Communications Director Eric Mueller in the Southeast Missouri Strategic Communications Office by phone at (573) 651-2294 or email at [ejmueller@semo.edu](mailto:ejmueller@semo.edu). Credentials can be picked up at the ticket table at the entrance of Houck Field House.

Southeast Missouri follows the guidelines set forth by the NCAA governing the issuance of credentials. Press Row credentials will be issued to accredited sports writers of daily and weekly newspapers. Photo credentials will be issued to accredited members of the photo media working for newspapers and television stations.

All credential requests should come from sports editors, directors or anchors. Spouses, dates and minors will not be permitted on Press Row at Houck Field House. Any unauthorized use of credentials will result in revocation of credentials issued by Southeast Missouri State University and credential requests will not be honored for future SEMO athletic events.

#### Post Meet Interviews

The Southeast Missouri Strategic Communications staff will make student-athletes available to the media at the conclusion of each competition. Post meet interviews will be held on the competition floor at Houck Field House. Please contact Eric Mueller with any interview requests.

#### Photographers

Please observe NCAA regulations and shoot from the designated areas assigned at Houck Field House. Photographers are not permitted to shoot in the official team areas. Photographers must display their credentials at all times. Flash photography is strictly prohibited inside

### REDHAWKS & UNDER ARMOUR

## UNDER ARMOUR

### OFFICIAL OUTFITTER OF SEMO ATHLETICS

**S**outheast Missouri and Under Armour, Inc. (NYSE: UA, UAA) announced a partnership agreement. The Baltimore-based global leader in performance footwear, apparel and equipment became the official outfitter of Southeast Missouri Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

"We are extremely excited about our partnership with Under Armour and BSN SPORTS to outfit our student-athletes and coaches with the highest quality apparel in the market," said Director of Athletics Brady Barke. "Having two of the industry leaders in athletic apparel associated with us expands the

resources available to each of our teams and significantly benefit our student-athletes."

The new official outfitter agreement includes marketing entitlement that complements Under Armour's brand marketing campaigns through print and venue presence at the University.

Southeast Missouri's athletic programs include football, men's basketball, women's basketball, baseball, men's cross country, women's cross country, softball, women's tennis, volleyball, women's soccer, men's outdoor track & field, men's indoor track & field, women's outdoor track & field, women's indoor track & field and women's gymnastics.

The Redhawks compete at the NCAA Division I level and are part of the NCAA Football Championship Subdivision (formerly I-AA). Southeast first became a member of the Ohio Valley Conference when it moved

to NCAA Division I in 1991-92.

The Redhawks have won 57 OVC regular-season championships and 20 OVC tournament titles during their first 29 years in the league. Southeast also won seven Women's All-Sports trophies in that span.

Southeast Missouri joined the growing Under Armour roster of NCAA partners that includes the University of California, Los Angeles, University of California, Berkeley, University of Wisconsin, University of Notre Dame, Naval Academy Athletic Association, University of Maryland, Texas Tech University, Northwestern University, University of Cincinnati, Boston College, University of Utah, University of South Carolina and Auburn University.

#### About Under Armour

Under Armour, Inc., headquartered in Baltimore, Maryland is a leading innovator, marketer and distributor of branded performance athletic apparel, footwear and accessories. Designed to make all athletes better, the brand's innovative products are sold worldwide to consumers with active lifestyles. The company's Connected Fitness™ platform powers the world's largest digitally connected health and fitness community.

**S**outheast Missouri women's gymnastics captured the 2021 USA Gymnastics Women's Collegiate National Championship April 10, at the Show Me Center with a team-score of 195.025. Trailing Lindenwood 145.725-145.650 entering the final rotation, SEMO tied a program-best 49.375 on beam to secure the Championship.

"Today was magical," head coach Ashley Lawson said of the Championship. "It's hard to even put it into words. As a team this group set this goal back in August and to have it become reality today is nothing shy of amazing. Our beam team was stellar!! To know we were behind and they all had to hit, was a big task, but to exceed that expectation and knock it out of the park was phenomenal."

The beam mark Saturday matched the 2003 MIC

Championships (March 29, 2003) where Lawson (then Godwin) led SEMO on the event with a 9.975.

SEMO's gymnasts Saturday did not tally a beam score under 9.825. Anna Kaziska led the way with a personal-best 9.925 to tie for second overall in the SEMO record books on the event and improve on her career-best set in 2020. Freshman beam specialist Anna Speller added a career-best 9.900 to tie for sixth all-time in SEMO history. Molly Maxwell, Jolie Miller and Alana Fischer chipped in career-best 9.850s. Dahlia Solorzano-Caruso, the 2021 USA Gymnastics Women's Collegiate National All-Around Champion, earned a 9.825, which was dropped as the Redhawks lowest score.

Solorzano-Caruso won the all-around crown with 39.225, which tied for 11th in SEMO history. Molly Maxwell finished fourth in the all-around with a total of

37.975.

"Dahlia had an amazing meet today," Lawson said of Solorzano-Caruso. "She consistently did her job on every event and the outcome was her season-high all-around score, and a National Championship."

SEMO opened the Championships with a 49.075 on floor. The SEMO floor score was the 13th best mark in school history.

The Redhawks then recorded a 48.900 on vault. The mark tied for the seventh-highest score in SEMO program history.

SEMO went to its third rotation bye with 97.975. The Redhawks posted a 47.675 on bars in the fourth rotation of the day.

Makenzie Marciniak was awarded the Mari Rae Sopper Spirit Award at the conclusion of the Championships. Lawson was also named the Ken Anderson USAG Coach of the Year for the

second-straight season and Andavea Alexander was selected as the USAG Assistant Coach of the Year.

SEMO earned 18 All American selections including 17 First Team nods.

Solorzano-Caruso was named a First Team All American for all-around, bars, beam and floor. Kaziska garnered First Team laurels for vault, beam and floor.

Miller was named a First Team All American for bars and beam.

Molly Maxwell was named to the First Team for all-around and beam and the Second Team for floor.

Sanders (vault), Gabrielle Adams (vault), Lindsey Bates (bars), Anna Speller (beam), Fischer (beam) and Jordan Jones (floor) were also awarded First Team honors.

### HOUCK FIELD HOUSE

**H**ouck Field House is the home of the Southeast Missouri volleyball and women's gymnastics teams. The 40,000-square foot building features a five-year old sports court as its playing surface. Houck Field House also has the ability to fit two regulation-size volleyball courts.

After the Show Me Center was completed, Houck Field House was renovated in 1987 and 1995 to better accommodate women's volleyball and gymnastics competitions.

Locker rooms for baseball, volleyball, soccer and softball, an indoor walking track, athletic training room, and offices for baseball, soccer, softball, volleyball and tennis are also housed in the facility.

Today, Houck Field House seats approximately 1,000 fans for numerous athletic events throughout the year.

Southeast Missouri set a new Houck Field House attendance record of 1,206 in the Second Annual Houck "FILLED" House on September 21, 2014 against regional rival Southern Illinois.

### ACADEMIC EXCELLENCE

## ACADEMIC EXCELLENCE

ALWAYS A STUDENT FIRST

**T**he Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Field. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by SEMO student-athletes.

Athletics achieved a 3.23 departmental GPA for the 2020-21 academic year. A total of 67 student-athletes graduated and 14 of SEMO's 15 sports finished with a team GPA of 3.0 or higher. There were 146 student-athletes on the President's List, including

78 in the fall and 68 in the spring. Additionally, 122 student-athletes made the Dean's List in the fall and 105 student-athletes earned that distinction during the spring.

Women's soccer (3.80) had the Department of Athletics' highest GPA in the fall and women's tennis (3.82) boasted the department's highest GPA in the spring. Women's soccer led the Department of Athletics with a 3.79 cumulative GPA during the 2020-21 academic year.

Maja Lundell (women's tennis) was one of five undergraduate students to receive the 2020-21 President's Spirit of Southeast Award. Lundell (4.0 GPA) was also the recipient of the Trombetta Award which is given to a graduating female student-athlete with the highest GPA for her career.

Morgan McCourt (women's soccer) received the Department of Economics' Outstanding

Overall Student Award from the Southeast Missouri State University Harrison College of Business.

Kate Daus (women's soccer) was awarded the Southeast Missouri State University Department of Communication Studies Public Advocacy Award and Trevor Falco (cross country/track & field, 3.80 GPA) received the Jewel Award. The Jewel Award is given each year to a male senior athlete with the highest GPA for his career.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at SEMO. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills

and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

**S**tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at SEMO.

SEMO student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete development program by Building Responsible

Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about SEMO's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist studentathletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

## 2022 SOUTHEAST MISSOURI GYMNASTICS GUIDE

### SPORTS PERFORMANCE

**S**outheast Missouri's Sports Performance program is committed to developing the total student-athlete through their experiences within a competitive training environment.

SEMO's main weight room is located in the Holcomb Success Center.

In 2019, a nutrition center was added to the facility which provides adequate space for teams to have meals. Student-athletes can visit the nutrition center for breakfast and other snacks daily to enhance their nutritional needs. The nutrition center is always equipped with

plenty of water, gatorade and milk (provided by Prairie Farms) so student-athletes can stay properly hydrated.

Prior to that, the Holcomb Success Center Weight Room received a major overhaul in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

## SPORTS MEDICINE

PROVIDING THE BEST CARE POSSIBLE

**S**outheast Missouri's sports medicine staff strives to provide the best care possible for its student-athletes.

On Aug. 14, 2019, SEMO and SoutheastHEALTH entered a collaborative partnership in which SoutheastHEALTH will serve as comprehensive providers of orthopedic and sports medicine services for the University's NCAA Division I athletics program, its intramural and club sport participants and for the University's performing arts students.

Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships for students.

SoutheastHEALTH orthopedists Dr. Anthony McPherron, Dr. Matthew Baker and Dr. Charity Jacobs, and SoutheastHEALTH sports medicine physician Andrew Lawrence serve as the official team physicians of SEMO.

The sports medicine staff begins treatments and rehabilitation starting as early as 6 a.m., and is available until the last student-athlete is through.

There are currently four sports medicine facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

**S**outheast Missouri's vision of winning the Ohio Valley Conference Commissioner's Cup became a reality when the Redhawks claimed the league's ultimate symbol of overall athletic excellence in Conference-sponsored championships for the first time in school history.

In 2018, SEMO developed a comprehensive strategic plan designed to guide the athletics department into the future which included the following objective as it relates to competition.

"Win the OVC Commissioner's Cup within the next five years and compete annually thereafter."

Mission accomplished.

In 2020-21, SEMO accumulated a total of 119 points, 7.5 points ahead of second-place Belmont (111.5). While competing in the middle of a COVID-19 pandemic, the Redhawks celebrated a dominating spring season bolstered by first-place finishes in

women's tennis, women's track & field, softball and baseball, and a second-place finish in men's track & field. The Redhawks also posted third-place finishes in women's basketball, soccer and volleyball.

"This is truly a team effort. Winning the Commissioner's Cup takes everyone. From the University administration, to the coaches and staff, to the student-athletes, to our supporters. We couldn't have achieved this level of success without all of these groups buying into our vision," said SEMO Director of Athletics Brady Barke.

The Redhawks storybook season came a year after they were on track to win the OVC Commissioner's Cup. In 2019-20, SEMO was in first place following the winter championships before the remainder of the year was canceled and the honor was not awarded due to COVID.

"Not having the opportunity to finish what we started in 2019-20,

makes this year's achievement extra special," added Barke. "We felt we were poised to win the Commissioner's Cup a year ago, so it was great to be able to carry that momentum into the 2020-21 academic year and achieve our goal."

Prior to 2020-21, SEMO finished no higher than third in the OVC Commissioner's Cup standings. Jacksonville State (110.5), Murray State (109.5), Austin Peay (95.0), Morehead State (92.5), UT Martin (88.5), Eastern Kentucky (86.5), Tennessee Tech (80.0), Eastern Illinois (79.5), SIU Edwardsville (75.0) and Tennessee State (33.0) completed this year's scoring.

Since the start of the 2019 calendar year, the Redhawks have won 11 conference championships, most in the OVC. Five of those titles came during this spring alone. SEMO completed its unprecedented 2020-21 campaign with a 93-42-1 (.688) record in conference regular-season play

for its highest OVC regular-season winning percentage in school history. The Redhawks were the only OVC school that qualified for every conference championship event this season. Additionally, SEMO became the first school in OVC history to win a regular-season championship in baseball, softball and women's tennis in the same year.

**PRESIDENT DR. CARLOS VARGAS**

# DR. CARLOS VARGAS

## SOUTHEAST MISSOURI STATE PRESIDENT

**D**r. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

Since becoming president, Dr. Vargas has launched initiatives to marshal the resources, leverage opportunities and address a variety of challenges and needs of Southeast Missouri State University. He has set as primary goals for the institution the support for student persistence and retention.

He has encouraged and supported the identification and development of innovative academic programs, including bachelor's degrees in Unmanned Aircraft Systems, Geographic Information Science, and industrial and systems engineering. He has continued to support the globalization of

the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouragement of students on campus and abroad to explore cultural interaction. He has championed the work of the President's Task Force on Diversity Education and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations have been solidified, including several joint initiatives with Three Rivers, Mineral Area and other community colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University, where he also served as the provost and vice president for academic and student affairs.

Prior to his tenure at Kutztown,

Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research and interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the

university in 2003.

Dr. Vargas began his career in higher education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science in physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and two granddaughters.

## 2022 SOUTHEAST MISSOURI GYMNASTICS GUIDE

**DIRECTOR OF ATHLETICS BRADY BARKE**

**S**outheast Missouri Athletics has reached unprecedented success under the leadership of Brady Barke.

In 2020-21, SEMO claimed its first-ever Ohio Valley Conference Commissioner's Cup, the league's ultimate symbol of overall athletic excellence in Conference-sponsored championships.

While competing in the middle of a COVID-19 pandemic, the Redhawks won five OVC titles and one national championship. Women's tennis (regular-season), softball (regular-season), women's outdoor track & field and baseball (regular-season and tournament) all celebrated OVC championships, and gymnastics won the 2021 USA Gymnastics Women's Collegiate National Championship.

All that success came after the Redhawks were on track to win the OVC Commissioner's Cup the previous year. In 2019-20, SEMO was in first place following the winter championships before

the remainder of the year was canceled and the honor was not awarded due to COVID.

Since the start of the 2019 calendar year, the Redhawks have won a total of 11 conference championships, most in the OVC. SEMO completed its remarkable 2020-21 campaign with a 93-42-1 (.688) record in conference regular-season play for its highest OVC regular-season winning percentage in school history. The Redhawks were also the only OVC school that qualified for every conference championship event in 2020-21, the best season in SEMO's NCAA Division I history.

Barke looks forward to keeping the momentum going as he begins his sixth year as SEMO's Director of Athletics.

Barke served as the Interim Director of Athletics since July, 2015, before being named to the permanent position of Director of Athletics on June 7, 2016.

He has built a culture that thrives on academics just as much as it does on competitive success.

Academically, SEMO's athletic teams are strong year-in and year-out.

Athletics achieved a 3.23 departmental GPA for the 2020-21 academic year. Fourteen of SEMO's 15 sports finished with a team GPA of 3.0 or higher.

Before that, student-athletes overcame an enormous amount of adversity and disruption brought on by a global COVID-19 pandemic to close out the 2019-20 academic year with a Department of Athletics record 3.53 spring grade point average.

That mark was the highest GPA of any semester for the Redhawks who had a total of 12 teams achieve a 3.21 or higher GPA in the spring term alone.

Also, five different programs, including gymnastics (3.82), women's soccer (3.78), women's basketball (3.42), men's basketball (3.26) and football (2.94) registered their highest semester GPAs ever.

The upcoming 2021-22 campaign marks SEMO's fourth

year with Under Armour. Barke reached a multi-year agreement with the Baltimore-based global leader in performance footwear, apparel and equipment that made Under Armour the official outfitter of SEMO Athletics on July 1, 2018.

As part of the multi-year agreement, Under Armour provides on-field and training gear for 15 sports. Additionally, Under Armour outfits members of the athletic department including coaches and staff.

Barke also secured bids to host SEMO's first home football playoff games. Additionally, he helped the University reach a collaborative partnership with SoutheastHEALTH. Under the agreement, SoutheastHEALTH orthopedic and sports medicine physicians provide orthopedic, primary medical care, athletic training and physical therapy services, and invest in the University by providing diagnostic equipment and athletic training supplies, as well as scholarships for students.

### DIRECTOR OF ATHLETICS BRADY BARKE

More recently, new state-of-the-art Formetco digital video scoreboards were installed at both Houck Field and the Southeast Softball Complex under Barke's leadership.

A 4,000-square foot baseball training facility was completed prior to the 2020 season. The \$400,000 indoor facility can fit up to four batting cages.

Barke hired Brad Korn as the Redhawks head men's basketball coach on Mar. 24, 2020, while navigating through the challenging times during the COVID-19 pandemic. Korn was the fourth head coach Barke hired during his tenure as Director of Athletics.

During his first year in 2016-17, Barke introduced Andy Sawyers as the Redhawks head baseball coach and worked tirelessly on two major renovation projects.

Nearly a month after Sawyers was hired, Southeast Missouri State and the City of Cape Girardeau officially broke ground on Capaha Field. New synthetic turf, new fencing and a digital scoreboard in the outfield were added as part of the \$1.8 million project that was completed before SEMO's season-opener.

Gymnastics Coach Ashley Lawson orchestrated a big turnaround in SEMO women's gymnastics during her first three years as head coach.

Women's Tennis Coach Mary Beth Gunn was Barke's other hire.

Sawyers, Lawson and Gunn each claimed Coach of the Year honors in 2021. SEMO's baseball team won the OVC regular-season and tournament titles, and made the NCAA Tournament under Sawyers. The gymnastics team won the USA Gymnastics Women's Collegiate National Championship with Lawson at the helm. And, Gunn led the women's tennis team to its first OVC regular-season title in program history.

On Feb. 3, 2017, SEMO formally dedicated Holcomb Success

Center. To honor the long-time service and philanthropy of Dr. John and Judy Holcomb, the University named the facility the Holcomb Success Center located in the Student Recreation Center-South. Indoor turf, weights, equipment and lifting platforms were added as part of the renovation at a cost of \$500,000. The facility now has more space and equipment to handle SEMO's larger teams or multiple teams training at the same time. Barke helped secure the Holcombs gift, the largest single cash gift in SEMO Athletics history. Major improvements were also made to the second floor of the building where athletic academic services are housed. This space provides student-athletes with places to study and features a computer lab with 30 work terminals and rooms for group meetings. Staff members assist student-athletes with life skills development, academic advising and academic progress toward degree requirements and NCAA eligibility.

Additional renovations have been made to the nutrition area that serves as a fueling station for SEMO student-athletes at the Holcomb Success Center.

Fundraising continues to increase under Barke's direction.

The 2018-19 campaign marked the highest level of giving to the Redhawks Club general fund in 15 years.

Barke also worked with donors to establish two new endowed scholarships for student-athletes and raised over \$60,000 to support the SEMO football program and summer school scholarships.

More than \$250,000 in pledges for the Redhawks Club unrestricted booster fund has been raised with Barke as Director of Athletics.

Improved branding has been a priority. Redhawk banners, S-E! M-O! billboards, Welcome to Redhawk Country and Redhawks yard signs are prominently

displayed all over Cape Girardeau.

On July 1, 2020, SEMO unveiled refreshed spirit marks, including a new primary logo, wordmark and variations for its 15 athletic programs. The new brand identity will allow SEMO's athletic teams to display consistent logos, lettering and numerals, and is independent of the existing University marks.

A year later on July 1, 2021, SEMO partnered with Affinity Licensing to manage its trademark licensing program. As part of the agreement, Affinity Licensing will act as the exclusive agency to manage the University's consumer products licensing relationships with manufacturers and retailers.

Barke helped develop the Redhawks Trivia Night & Auction, a sold out event that generated over \$200,000 in net revenue over five years. In addition, he launched the Redhawks BRIDGE program which provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics.

Barke served as Interim Associate Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

## 2022 SOUTHEAST MISSOURI GYMNASTICS GUIDE

**ASHLEY LAWSON**

# ASHLEY LAWSON

HEAD COACH

FOURTH YEAR // SOUTHEAST MISSOURI STATE, 2005

**T**he 2022 season marks Ashley Lawson's fourth year as Head Coach of the Southeast Missouri Women's Gymnastics Team. Lawson coaches the vault and floor teams.

In their first year competing as a team and hosting, the Redhawks secured the 2021 USA Gymnastics Women's Collegiate National Championship April 10 at the Show Me Center with a team score of 195.025. Trailing Lindenwood 145.725-145.650 entering the final rotation, SEMO tied a program-best 49.375 on beam to secure the Championship.

SEMO's beam score matched the program-record set at the 2003 MIC Championships (March 29, 2003) where Lawson (then Godwin) led SEMO on the

event with a 9.975. SEMO also recorded a 48.900 on vault at the 2021 USAG Championship, which tied for the seventh-highest score in SEMO program history.

Dahlia Solorzano-Caruso won the 2021 USA Gymnastics All-Around crown with 39.225. The score tied for 11th in SEMO history. Solorzano-Caruso posted a 9.750 on vault, 9.800 on bars, 9.825 on beam and 9.850 on floor.

Makenzie Marciniak was awarded the Mari Rae Sopper Spirit Award at the conclusion of the 2021 USA Gymnastics Championships and assistant coach Andavea Alexander was selected as the 2021 USAG Assistant Coach of the Year. Lawson was also named the Ken Anderson USAG Coach of the Year for the second-straight

season.

SEMO earned 18 USA Gymnastics All-American selections in 2021. Lawson coached Anna Kaziska who secured the 2021 USA Gymnastics Women's Collegiate National Beam Championship with a 9.912 to win the event title after finishing as the runner-up at the 2019 edition of the Championships. She also finished as the runner-up on floor at the 2021 USAG Championship with a 9.875 for Silver after also earning second at the 2019 USAG Championships. Alana Fischer tied for second on beam, compiling a career-best matching 9.850 in her third career USAG Individual Event appearance, for Silver.

SEMO registered a team score of 194.825 to take third at

the 2021 MIC Championships. Eight Redhawks earned All-MIC honors for their performances at the Championships and head coach Ashley Lawson was named the MIC Coach of the Year for the second-straight season.

Dahlia Solorzano-Caruso paced the Redhawks with five All-MIC team honors and finished as the runner-up in the all-around competition with 39.150. Solorzano-Caruso and Anna Speller also tied for Bronze at the Championships on beam with 9.825.

Anna Kaziska represented the Redhawks at the 2021 NCAA Salt Lake City Regional. Kaziska registered a 9.900 on floor to tie for second in the session and third overall at the Regional. She also recorded a 9.875 on beam, which tied for ninth overall at

the Regional.

SEMO averaged a team score of 193.498 in 2021 including six-straight marks of 194 or higher to conclude the season. The Redhawks season-high of 195.150 achieved against Illinois State and Lindenwood on Senior Day (March 12) ranks 10th all-time in SEMO program history. The Redhawks also averaged a 48.000 plus on every event this season including a 48.555 on beam, 48.527 on floor, 48.236 on vault and 48.180 on bars. The SEMO season-best floor score of 49.225 posted on March 12 ranks ninth in the school's record books.

Anna Kaziska captured 11 event including the 2021 USAG Beam title. Dahlia Solorzano-Caruso was second on the team with 10 titles including the 2021 USAG All-Around title. Jolie Miller won a pair of titles on bars in 2021 and Alana Fischer captured her first career event title on beam.

Four Redhawks earned MIC Weekly honors in 2021. Anna Kaziska earned two laurels with MIC Gymnast of the Week and MIC Performance of the Week while Dahlia Solorzano-Caruso was named MIC Gymnast of the Week twice. Jolie Miller garnered MIC Performance of the Week honors and Ashley Albrecht was tabbed MIC Newcomer of the Week.

In the classroom, 13 Redhawks earned USA Gymnastics Women's Collegiate Nationals Scholar Athlete honors and 17 of the SEMO gymnasts were awarded Midwest Independent

Conference Scholar-Athlete laurels. Southeast Missouri ranked 13th among the nation's top Women's Collegiate Gymnastics Association (WCGA) academic teams for the 2020-21 season. SEMO posted a 3.78 GPA with 18 of its student-athletes named Academic All-Americans. Over 94 percent of the 2021 Redhawks roster registered a 3.5 or higher GPA.

In Lawson's third season at SEMO, the Redhawks hash tag was #ERUPT which stood for Empathy, Resilient, Unity, Perseverance and Trust. Lawson also stressed Agape during the campaign, which referred to unconditional love, the highest form of love and charity.

Lawson engineered an epic turnaround in her second season at the helm of SEMO, which earned her three individual postseason awards. She was named the 2020 Women's Collegiate Gymnastics Association Region 4 Coach of the Year, USA Gymnastics Ken Anderson Coach of the Year and Midwest Independent Conference Head Coach of the Year.

Lawson was also inducted into the Southeast Missouri Athletics Hall of Fame on Feb. 7, 2020 at the Show Me Center for her athletics career at SEMO after the 2020 Redhawks overcame Lindenwood, 193.925-193.600.

Lawson prided herself on changing the culture and stressing the importance of The Team in her first year. In her

second season, she aimed to put SEMO back on the women's gymnastics map with the hash tag #weBAC (Being as One, Adjust and Adapt, Confidence is Key).

After going winless in competition in 2019, SEMO registered 10 wins and went on a five-competition win streak from Jan. 31 to March 1. The 2020 Redhawks compiled a Team NQS score of 193.780 for third in the MIC. SEMO also notched a team score of 193.000 or higher in each of their final five meets to conclude the season.

Lawson coached the Redhawks to a 195.800, their

second-highest team score in school history on Feb. 28 against Northern Illinois at the Tennessee Collegiate Classic. The mark was the highest for a USA Gymnastics school (Division I, II and III programs with less than seven-and-a-half full scholarships) in 2020. SEMO also posted season highs on vault (49.075), bars (49.050) and beam (48.775) in addition to the team score during the historic meet. The vault mark ranks first in SEMO program history and surpassed the record set against Seattle Pacific in 1995 (2/18, 49.000).

## 2022 SOUTHEAST MISSOURI GYMNASTICS GUIDE

**ASHLEY LAWSON**

The bars score is the third highest in the Redhawks record books and the beam score ties for 11th overall in the record books. SEMO also posted a season-high floor mark of 49.025 at home against Illinois State, which ranks 11th in SEMO program history.

In 2020, Lawson coached three All-MIC gymnasts, two USA Gymnastics First-Team All-Americans and a USAG Senior All-Star. Dahlia Solorzano-Caruso, Anna Kaziska and Jordan Jones were each awarded All-MIC honors. Kaziska, the 2020 MIC Gymnast of the Year, and Dahlia Solorzano-Caruso both were named USAG First-Team All-Americans while Mackenzie Slee was selected to the inaugural USAG Senior All-Star Team.

Kaziska (three-time MIC Gymnast of the Week) and Solorzano-Caruso (two-time MIC Newcomer of the Week) also combined for five MIC

Weekly awards.

Solorzano-Caruso etched her name in the Redhawks record books twice in 2020 with a career-best 9.900 on beam (t-5th) and a personal-best all-around mark of 39.350 (t-5th).

Five Redhawks also captured individual event titles in 2020 including Kaziska, Solorzano-Caruso, Lindsey Bates and freshmen Jones and Jolie Miller.

In the classroom, a total of 18 SEMO gymnasts were named 2020 MIC Scholar-Athletes. Eight Redhawks were also listed as 2020 USAG Scholar Athletes and 10 were named to the Ohio Valley Conference Commissioner's Honor Roll.

SEMO ranked 13th among the nation's top WCGA academic teams for the 2019-20 school year after accumulating a 3.76 GPA. Seventeen of its student-athletes were named Academic All-Americans, good for fifth-most among the 74 women's gymnastics academic teams.

In 2019, Lawson coached freshman standout Anna Kaziska who was named MIC Newcomer of the Year and All-American (all-around, beam, floor and bars) after she was the runner-up on beam and floor at the 2019 USA Gymnastics Women's Collegiate National Championships. Kaziska also represented SEMO at the NCAA Baton Rouge Regional.

Lawson also helped four Redhawks qualify for the 2019 USA Gymnastics Women's Collegiate National Championships including All-Americans Mackenzie Slee, Gabrielle Adams and Kaziska. Slee was also crowned the MIC Vault Champion at the conference meet.

In the classroom, SEMO ranked 13th overall for team grade-point averages (GPAs) in the Women's Collegiate Gymnastics Association (WCGA) after they registered a 3.67 GPA during the spring and had a cumulative GPA of 3.65 for the 2018-19 academic year. Eleven members of the 2019 Redhawks team earned WCGA Scholastic All-America Awards.

Lawson was previously an assistant coach at Lindenwood University in 2018 and was named the MIC Assistant Coach of the Year. There, she was the balance beam coach, helping lead the Lions to their fourth-straight Midwest Independent Conference title. Lindenwood also finished second in the team finals of the 2018 USA Gymnastics Women's Collegiate National Championships.

She also served as

a member of the Southeast Missouri women's gymnastics coaching staff during the 2009-10 season. As an assistant coach at SEMO, Lawson was the head balance beam coach and helped three gymnasts qualify for the 2010 NCAA Regionals. Also, while acting as the head balance beam coach, Lawson turned the Redhawks weakest event into its second-best event in just six months.

Prior to her time at SEMO, Lawson was a gymnastics coach for three years at Suncoast Gymnastics Academy out of New Port Richey, Florida, and three years at Southern Starz Gymnastics out of Cape Coral, Florida. Her time at Suncoast was spent coaching levels 5-9 on all events and teaching beginner gymnastics to children ages three to seven. At Southern Starz, Lawson coached levels 4-10 on all events as well as coordinated strength and conditioning exercises for the gymnasts.

From 2001-2004, Lawson competed on the Redhawks gymnastics squad at Southeast Missouri. She holds the school record in four of the five individual event titles. She holds the bars (9.925), beam (9.975), floor (10.000), and all-around (39.550) records. She is one of just three gymnasts in school history to record a perfect 10.000 in an individual event.

Lawson was a MIC Champion four times in her career, winning the uneven bars in 2002 and the balance beam, floor exercise and all-around in 2003. She was an NCAA Regional qualifier in the

all-around each of her final three seasons at SEMO (2002, 2003, 2004). Lawson's highest NCAA Regional finish was an 11th-place showing in 2002.

During her time at Southeast Missouri as a gymnast, she earned the team's Most Valuable Gymnast all four seasons, and was named the Southeast Missouri State University Female Athlete of the Year in 2004. Lawson was inducted into the Southeast Missouri Athletics Hall of Fame on Feb. 7, 2020.

Lawson graduated from Southeast Missouri in 2005 with a Bachelor's degree in Exercise Science. She and her husband, David, a former Southeast Missouri baseball player, have two sons, Chase and Bryce.

**ANDAVEA ALEXANDER**

# ANDAVEA ALEXANDER

ASSISTANT COACH

SECOND YEAR // LINDENWOOD, 2019

The 2022 season marks the third for Andavea Alexander as a member of the Southeast Missouri Gymnastics coaching staff. Alexander served as the Volunteer Assistant in 2020 and was promoted to head coach Ashley Lawson's top assistant on Sept. 28, 2020. Alexander is the Redhawks bars and beam coach and choreographer.

In their first year competing as a team and hosting, the Redhawks secured the 2021 USA Gymnastics Women's Collegiate National Championship April 10 at the Show Me Center with a team score of 195.025. Trailing Lindenwood 145.725-145.650 entering the final rotation, SEMO tied a program-best 49.375 on beam to secure the Championship.

SEMO's beam score matched the program-record set at the 2003 MIC Championships (March 29, 2003) where Lawson (then Godwin) led SEMO on the event with a 9.975. SEMO also recorded a 48.900 on vault at the 2021 USAG Championship, which tied for the seventh-highest score in SEMO program history.

Dahlia Solorzano-Caruso won the 2021 USA Gymnastics All-Around crown with 39.225. The score tied for 11th in SEMO history. Solorzano-Caruso posted a 9.750 on vault, 9.800 on bars, 9.825 on beam and 9.850 on floor.

Alexander was selected as the 2021 USAG Assistant Coach of the Year while head coach Ashley Lawson was named the Ken Anderson USAG Coach of the Year. Makenzie Marciniak

was also awarded the Mari Rae Sopper Spirit Award at the conclusion of the 2021 USA Gymnastics Championships.

SEMO earned 18 USA Gymnastics All-American selections in 2021. Alexander helped coach Anna Kaziska who secured the 2021 USA Gymnastics Women's Collegiate National Beam Championship with a 9.912 to win the event title after finishing as the runner-up at the 2019 edition of the Championships. She also finished as the runner-up on floor at the 2021 USAG Championship with a 9.875 for Silver after also earning second at the 2019 USAG Championships. Alana Fischer tied for second on beam, compiling a career-best matching 9.850 in her third career USAG Individual Event

appearance, for Silver.

SEMO registered a team score of 194.825 to take third at the 2021 MIC Championships. Eight Redhawks earned All-MIC honors for their performances at the Championships.

Dahlia Solorzano-Caruso paced the Redhawks with five All-MIC team honors and finished as the runner-up in the all-around competition with 39.150. Solorzano-Caruso and Anna Speller also tied for Bronze at the Championships on beam with 9.825.

Anna Kaziska represented the Redhawks at the 2021 NCAA Salt Lake City Regional. Kaziska registered a 9.900 on floor to tie for second in the session and third overall at the Regional. She also recorded a 9.875 on beam, which tied for ninth overall at the Regional.

SEMO averaged a team score of 193.498 in 2021 including six-straight marks of 194 or higher to conclude the season. The Redhawks season-high of 195.150 achieved against Illinois State and Lindenwood on Senior Day (March 12) ranks 10th all-time in SEMO program history. The Redhawks also averaged a 48.000 plus on every event this season including a 48.555 on beam, 48.527 on floor, 48.236 on vault and 48.180 on bars. The SEMO season-best floor score of 49.225 posted on March 12 ranks ninth in the school's record books.

Anna Kaziska captured 11 event titles including the 2021 USAG Beam title. Dahlia Solorzano-Caruso was second on the team with 10 titles including the 2021 USAG All-Around title. Jolie Miller won a pair of titles on bars in 2021 and Alana Fischer captured her first career event title on beam.

Four Redhawks earned MIC Weekly honors in 2021. Anna Kaziska earned two laurels with MIC Gymnast of the Week and MIC Performance of the Week while Dahlia Solorzano-Caruso was named MIC Gymnast of the Week twice. Jolie Miller garnered MIC Performance of the Week honors and Ashley Albrecht was tabbed MIC Newcomer of the Week.

In the classroom, 13 Redhawks earned USA Gymnastics Women's Collegiate Nationals Scholar Athlete honors and 17 of the SEMO gymnasts were awarded Midwest Independent Conference Scholar-Athlete

laurels. Southeast Missouri ranked 13th among the nation's top Women's Collegiate Gymnastics Association (WCGA) academic teams for the 2020-21 season. SEMO posted a 3.78 GPA with 18 of its student-athletes named Academic All-Americans. Over 94 percent of the 2021 Redhawks roster registered a 3.5 or higher GPA.

In her first year with SEMO, Alexander helped the team compile 10 wins, including a five-competition win streak from Jan. 31 to March 1. The 2020 Redhawks notched a Team NQS score of 193.780 for third in the MIC. The Redhawks also registered a team score of 193.000 or higher in each of their final five meets to conclude the season.

As an assistant, Alexander coached the Redhawks to a 195.800, their second-highest team score in school history on Feb. 28 against Northern Illinois at the Tennessee Collegiate Classic. The mark was the highest for a USA Gymnastics school (Division I, II and III programs with less than seven-and-a-half full scholarships) in 2020. SEMO also posted season highs on vault (49.075), bars (49.050) and beam (48.775) in addition to the team score during the historic meet. The vault mark ranks first in SEMO program history and surpassed the record set against Seattle Pacific in 1995 (2/18, 49.000). The bars score is the third highest in the Redhawks record books and the beam score ties for 11th overall in the record

books. SEMO also posted a season-high floor mark of 49.025 at home against Illinois State, which ranks 11th in SEMO program history.

In 2020, Alexander coached three All-MIC gymnasts, two USA Gymnastics First-Team All-Americans and a USAG Senior All-Star. Dahlia Solorzano-Caruso, Anna Kaziska and Jordan Jones were each awarded All-MIC honors. Kaziska, the 2020 MIC Gymnast of the Year, and Dahlia Solorzano-Caruso both were named USAG First-Team All-Americans while Mackenzie Slee was selected to the inaugural USAG Senior All-Star Team.

Kaziska (three time-MIC Gymnast of the Week) and Solorzano-Caruso (two time-MIC Newcomer of the Week) also combined for five MIC Weekly awards.

Solorzano-Caruso etched her name in the Redhawks record books twice in 2020 with a career-best 9.900 on beam (t-5th) and a personal-best all-around mark of 39.350 (t-5th).

Five Redhawks also captured individual event titles in 2020 including Kaziska, Solorzano-Caruso, Lindsey Bates and freshmen Jones and Jolie Miller.

Alexander came to Southeast Missouri after a standout gymnastics career at Lindenwood in St. Charles, Missouri. At Lindenwood, she was a member of the bars, beam and floor lineups. As a Lion, she was coached by current Redhawks head coach Ashley Lawson who was an assistant on the team in 2018.

Alexander helped Lindenwood win their fifth consecutive Midwest Independent Conference Championship and third USA Gymnastics Collegiate National Championship in the last five years in 2019. She also competed with Lindenwood, a Division II program, in the school's first ever NCAA Regional.

Individually, she is a seven-time USA Gymnastics All-American and a seven-time All-MIC performer. In 2018, Alexander captured the MIC bars championship with a mark of 9.850.

Academically, she is a four-time MIC Scholar Athlete and a three-time USA Gymnastics Scholar-Athlete.

Alexander graduated from Lindenwood with a B.S. in Athletic Training in 2019.

A Carrollton, Georgia native, Alexander was a member of the Carrollton Gymnastics club.

# PAIGE WILLIAMS

**GRADUATE ASSISTANT** FIRST YEAR // MINNESOTA, 2020

**T**he 2022 season marks the first for Paige Williams as the graduate assistant on the Southeast Missouri Gymnastics coaching staff.

Williams came to SEMO after a stellar gymnastics career at Minnesota. The Wylie, Texas, native was a four-year letter winner for the Gophers and earned First Team All-Big Ten honors in 2019. Williams was also the runner-up on floor at the 2019 Big Ten Championships with a score of 9.925.

She notched career-bests of a 9.975 on floor, a 9.900 on vault and a 9.800 on beam. Her 9.975 on floor ranks tied for first in the Minnesota record books.

Williams was named Big Ten Freshman of the Week once and Big Ten Event Specialist of the Week twice as a Gopher.

In the classroom, she was named Academic All-Big Ten. Williams graduated from Minnesota with a B.S. in

Business Marketing Education in the spring of 2020.

Williams was also a member of Metroplex Gymnastics. She finished first on both floor and in the all-around competition at the 2014 Junior Olympics.

# BRING YOUR BIG IDEAS.

**And make  
them count.**

Your big ideas will be in good company here. Whatever you choose to study, chances are the program is at the head of its class. And if you're at the head of yours, you can join our honors program and elevate your learning experience even further.

**SOUTHEAST MISSOURI**  
STATE UNIVERSITY • 1873

**SOUTHEAST BOASTS 20+ NATIONALLY  
AND INTERNATIONALLY ACCREDITED  
PROGRAMS, INCLUDING:**

- / ATHLETIC TRAINING
- / BUSINESS
- / CHEMISTRY
- / COMPUTER SCIENCE
- / DIETETICS
- / EDUCATION
- / ENGINEERING PHYSICS
- / INTERIOR DESIGN
- / MASS COMMUNICATION

**Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:**

/ Boston Conservatory of Music  
/ Carnegie Mellon University  
/ Harvard University  
/ Pennsylvania State University  
/ Purdue University  
/ Texas A&M University  
/ Tulane University  
/ University of Florida  
/ University of Michigan  
/ Vanderbilt University  
/ Yale University

**COME HERE  
AS A STUDENT.**

**And go  
anywhere  
as a

# ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

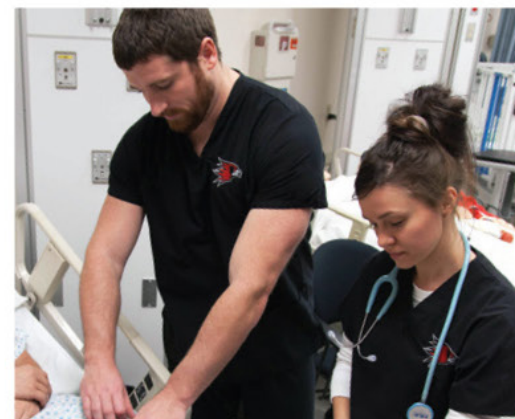

**YOUR NEXT BIG IDEA** could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our **student-run idea incubator** and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

**THE BEST PLACE TO LEARN ABOUT U.S. POLICY** is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

## INTERNSHIPS

# RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

## SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

# 21

## SOCIAL FRATERNITIES AND SORORITIES

**Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.**

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

## 180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

**We honor our heritage by sticking to our traditions.**

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

## Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

on the banks of the Mississippi,  
River Campus is the only one in  
ouri dedicated entirely to the  
But you don't have to be a student  
e Holland School of Visual and  
orming Arts to appreciate it.  
e catch a performance. Explore  
atest exhibits. Or just enjoy the  
htaking river views.

Five venues for exhibiting your  
talent — including theatres, a  
recital hall and galleries — set  
the stage for

more than  
a hundred  
different  
events  
each year.

Among our student-produced  
musical performances, you'll hear  
everything from the classics to the  
contemporary — including Brahms'  
*Double Concerto in A Minor* and  
Andrew Lipka's *The Addams Family*.

Southeast makes it  
affordable to do what  
you dream of doing,  
and we're recognized  
as one of the country's  
institutions with  
the least indebted  
students.
