Credits

The 2012 Southeast Missouri Soccer Guide was written, edited and designed by Assistant Sports Information Director Chad Twaro. Cover design and additional graphics assistance provided by Tonya Wells and Krista Mayfield. Photography by Marcus Painton, Marc Mahnke, Keith Hente, Pat Patterson, Fred Lynch and Bill Barrett. Special thanks to opposing sports information directors for contributing information and images for the opponents section of this guide.

Credentials

Credentials are required for entrance to the press box or access to the field (for photographers). To request season or single-game credentials, please contact the Southeast Missouri Sports Information Office by phone at (573) 651-2933 or e-mail at ctwaro@semo.edu. Credentials can be picked up at the ticket booth on the south side of Houck Stadium.

Photographers

Please observe NCAA regulations and shoot from the designated areas. Photographers are not permitted to stand between the 25-yardlines and must display their credentials at all times.

Gameday Parking

There is no media parking at Houck Stadium. Radio and television affiliates should contact the Southeast Missouri Sports Information Office for unloading information.

Postgame Procedure

The Southeast Missouri sports information staff will make requested student-athletes available to the media at the conclusion of each game. Coach Samuel's first postgame responsibility after meeting with the team is his live radio show. Samuel and selected student-athletes will address the media in the Houck Field House conference room. For interviews with

opposing coaches and players, please make arrangements with the visiting sports information director before the end of the game.

Soccer E-Mail List

If you would like to be added to the Redhawk soccer e-mail list to receive breaking news about the team, please e-mail Chad Twaro. The official website, GoSoutheast.com, is the best source for up-to-date information about the team.

Interviews During the Week

Practice is generally open to the public and student-athletes are available during the week from Monday to Wednesday. Please let the sports information office know if you plan to attend practice.

Houck Stadium Press Box

Press facilities are in the Houck Stadium Press Box located on the top of the south side of the stadium. The press box is a two-level facility, so please use caution when walking up and down the stairs.

KFVS WebCast

KFVS12 will provide live webcasting for select Southeast Missouri's home soccer matches this season. Fans can watch all webcasts free of charge online at KFVS12.com.

When soccer was first introduced at Southeast, the team played its home matches at the Intramural Fields on the north end of campus with hopes of eventually moving to Houck Stadium.

On Oct. 10, 1999, Southeast hosted its first home soccer game at Houck Stadium vs. Tennessee Tech. The match marked the beginning of a successful history at the current home of the Redhawks.

Southeast has experienced great success in more than 11 seasons at Houck Stadium, posting a 50-15-4 record there. The stadium also played host to Southeast's shootout victory over Samford in 2007, which secured the Redhawks second-straight OVC Tournament crown and NCAA Women's Soccer Cup berth. Houck Stadium has also served as host to the 2001, 2002, 2007 and 2011 OVC Women's Soccer Championships.

Houck Stadium underwent a huge makeover, as a new Field Turf playing surface, state-of-the-art Daktronics video scoreboard and new lighting were installed prior to the 2011 season. The facility was also re-painted, giving the home to Redhawk Football a dazzling look.

The facility was built in 1930 at a cost of \$150,000 and it remains a beautiful and picturesque stadium today.

Houck Stadium was constructed on the site of an old rock quarry and was purchased in 1925 for \$11,000 at the recommendation of then-college President Joseph A. Serena.

Ten thousand bags of Portland Cement, 23,000 feet of Oregon Fir seat lumber and 150,000 feet of Yellow Pine Form lumber were used in the construction, according to an ad in the Houck Stadium dedication program. The original stadium included 5,240 seats on the south side of the field.

The field and stadium were named in honor of Louis Houck, who served 39 years as a Regent for the University and President of the Board for all but three of those years.

Seating on the north side of the stadium was added prior to the 1963 season. The press box was later constructed on the south side in 1979.

Approximately 400 chairback seats were added to a center section on the south side of the stadium in 1992.

In 2000, the initial Field Turf playing field was added and the exterior of the facility was resurfaced. Improvements were also made to the press box.

More upgrades took place in the fall of 2005. Those included a paved parking area adjacent to the east end zone and new parking and landscaping areas surrounding the outside of the stadium.

A state-of-the-art dormitory was added to the west end of Houck Stadium within the last three years. The ground floor of that building houses a locker room and athletic training room which the football program uses on gamedays.

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. Head Athletic Trainer Alfred Castillo directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through. There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not

only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to provid-

ing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

Training Principles for Southeast Athletes:

1. *Reduce the risk of injuries*
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
2. *Maximize athletic ability*
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

1. *Ground Based Movements*
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can

run and how high they can jump.

2. *Three-Dimensional Movements*
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/ dumbbells vs. machines).
3. *Multi-Joint Movements*
 - Very rarely in sport do athletes

isolate one single joint at a time. Athletes can train more muscle mass at the same time.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

The Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Associate Director of Athletics Brady Barke, with assistance from Director of Academic Services Sharon Burgard, Assistant Natalie Williams and Graduate Assistants Emily Matthews and Kelly Benacka.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. Last year, a school record 62.2 percent of Southeast's student-athletes achieved a 3.0 or better grade point average. Eleven of the Redhawks 15 intercollegiate athletic teams recorded a team GPA over 3.0. The gymnastics team posted the best overall mark with a 3.82. In all, 19 student-athletes recorded a perfect 4.0 GPA.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The

course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic

progress.

The Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

Recent Academic Highlights

- » A school record 62.2 percent of Southeast Missouri student-athletes achieved a 3.0 or higher grade point average during the 2011-12 academic year. Nineteen student-athletes had a perfect 4.0.
- » Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. The Redhawk gymnastics team had the best overall mark with a 3.82 GPA.
- » The Redhawk men's cross country and women's gymnastics teams received NCAA Division I Academic Progress Rate Public Recognition Awards. Both programs registered scores of 1,000 for the 2010-11 academic year.
- » Southeast Missouri's Department of Athletics earned a number of quality rankings in the NCAA's last Academic Progress Rate (APR) report. The Redhawk men's cross country, gymnastics, baseball, volleyball, women's tennis and softball teams exceeded the national average in the multi-year APR.
- » Thirty-Eight student-athletes were part of the largest graduating class in the history of Southeast Missouri State University last spring. A total of 1,322 students -- 1,052 undergraduates and 270 graduate students -- received degrees.
- » The Southeast gymnastics team was named the 2011 Academic National Champion by the National Association of Collegiate Gymnastics Coaches/ Women. The achievement marked the third time in four years that the team has garnered the coveted honor. The Redhawks team grade point average was an impressive 3.91 during the 2010-11 academic year. It tied the highest GPA for a team in the history of the award.
- » Three Redhawk student-athletes earned Academic All-District honors during the 2011-12 season. Volleyball's Paige Dossey also garnered Third-Team Capital One Academic All-American accolades. In addition, the men's and women's cross country teams each finished among the top-10 teams in the country in grade point average.

Twenty two Southeast Missouri soccer players earned Southeast Scholar-Athlete awards for maintaining a grade-point average of 3.0 or better in 2011-12.

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them. Redhawk soccer student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

The Southeast Missouri Department of Athletics entered into a five-year agreement with Nike on Oct. 6, 2010 -- the leading brand in collegiate athletics -- to be the official uniform, apparel and footwear provider for the Redhawks 15 sport programs.

Included in the deal are new home and away uniforms. The Redhawks wear the same model uniforms worn by Ohio State, Florida, Missouri and other Bowl Championship (BCS) Nike programs. Southeast donned its new uniforms for the first time in 2010.

The Beaverton, Ore. based company provides uniforms, practice and training gear, headwear and footwear for all Redhawk sports. This agreement provides a mid-six figure savings for the Southeast Department of Athletics over five academic years. LIDS Team Sports administers the agreement.

"LIDS Team Sports is thrilled to have the opportunity to share its vision of quality, competitive pricing and unmatched customer service to Southeast Missouri State University through this agreement," said Paul Brunelle, Director of LIDS Team Sports Impact U. "We value this relationship and are honored to be partnered with the Redhawks."

NIKE, Inc., based near Beaverton, Ore.,

is the world's leading designer, marketer and distributor of authentic athletic footwear, apparel, equipment and accessories for a wide variety of sports and fitness activities. Since 1999, Nike has owned the top spot in the Collegiate Licensing Company's (CLC) collegiate apparel and royalties rankings.

The high-quality performance product provided by Nike gives Redhawk teams a competitive advantage.

Dr. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced including the establishment of the College of Science, Technology, and Agriculture and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the eighth year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2012; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest public college campus in Missouri,

Militaryfriendlyschools.com lists Southeast among the top schools that embrace veterans as students, and recent freshmen survey data indicate that new students applied only to Southeast at a rate three times the national average.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,500 in 2011. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$300 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$58 million River Campus were constructed. Additionally, The Douglas C. Greene Center for Innovation and Entrepreneurship to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University

currently is in the midst of more than \$90 million in capital renovation for maintenance and repair projects including the renovation of the historic 106-year-old Academic Hall, the remodeling and upgrades to the Magill and Rhodes sciences complex and a new residence hall.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities, and is the senior member of the organization. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 U.S. public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, chaired the organization in 2010-2011, and currently serves on the executive committee as past chair of the AASCU Board. Also, for the past eight years, he has served as one of four faculty members for the week-long AASCU New Presidents' Academy, and currently chairs the Finance Committee of the American Academic Leadership Institute. He previously served three years as president of the Ohio Valley Conference and is currently a member of

the Conference finance subcommittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy Scouts of America, and in 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State, where in 2011, he was awarded the Alumni Leadership Award for the College of Education, Health and Human Services Annual Hall of Fame Awards. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a grandson, Lincoln Kenneth Dobbins.

Mark Alnutt, senior associate director for administration at the University of Missouri, was named director of athletics at Southeast Missouri State University.

The announcement was made April 19 during a news conference in the Aleen Wehking Alumni Center at Southeast.

Alnutt participated in an off-campus interview April 12 in St. Louis and was on campus for final interviews the day he was introduced as the Redhawks new director of athletics. He was among two finalists for the position following a national search conducted by a search committee including representatives from the Board of Regents, faculty, staff and the community.

Alnutt began his new duties at Southeast on May 21. He replaced John Shafer who retired last June. Cindy Gannon served as interim director of athletics since that time.

"Mark brings with him a tremendous breadth of experience and the caliber of credentials to move our program forward and into the future," said Kenneth W. Dobbins, president of Southeast Missouri State University.

Alnutt served as senior associate athletics director for administration at the University of Missouri after spending three years as the associate athletics director for administration.

Mike Alden, director of athletics at the University of Missouri, said, "I think Southeast Missouri State University is getting a terrific leader in Mark Alnutt. We will miss him here, but our loss is Southeast's gain and all of us here are very proud of Mark and all that he has

accomplished."

In his previous role, Alnutt served as the administrative liaison for football; supervised track and field, cross country, gymnastics and golf; spearheaded the department's project management team; served as the primary point person for the Athletic Department, overseeing all aspects of facility project master planning, development, management and implementation; and was involved with external department operations, including development, game operations, marketing, media relations, Mizzou Sports Properties and ticket operations.

Alnutt also managed postseason travel arrangements for each of the University of Missouri's 20 intercollegiate sport programs. He was in charge of Missouri's Nike contract, the Big Wheels and Flying Tiger programs and the department's relationship with Old Hawthorne Golf Club. In 2009, he oversaw a \$5 million video board project through the University of Missouri Sports Complex with the centerpiece being a new board at Faurot Field. He also oversaw the design and construction of the new Golden Girls/Gymnastics

practice facility completed last fall. Additionally, Alnutt was actively involved in the solicitation and stewardship efforts of capital gift giving.

Alnutt spent the previous six years at the University of Missouri as director of football operations, adding an assistant athletic director title prior to the 2005-06 season. In that role, his duties included coordinating the team's travel plans, oversight of the football budget, handling compliance issues, scheduling of facilities, assisting with the recruiting operations and managing the day-to-day operations of the football program.

He coordinated public relations and community service events for football, and oversaw all organizational aspects for the University of Missouri's trips to the 2003 and 2005 Independence Bowl games played in Shreveport, La. He also represented the football program as part of the design team that planned the \$16 million expansion and renovation project which turned the Tom Taylor Building into the Missouri Athletics Training Complex.

Alnutt was a three-year letterman for the University of Missouri as a linebacker

Mark Alnutt was introduced as Southeast Missouri's new director of athletics on April 19, 2012.

and tight end from 1993-1995 and was voted the team's champion of the year as a senior. He earned a degree in sociology in 1995 and went to work for Major Brands as a senior salesman in Kansas City from February 1996 to August 1997. Alnutt returned to the University of Missouri to pursue a master's degree in public administration with an emphasis on sports psychology. He joined the Missouri football staff in 1998 as an administrative/video graduate assistant. Alnutt completed his master's degree in May 2000 and took over as director of football operations that August.

A native of Kansas City, Alnutt served as president of the board of directors for Big Brothers/Big Sisters of Boone County and was selected to participate in the 2002-2003 NCAA Leadership Institute for Ethnic Minority Males. In June 2005, he was recognized by Columbia Business Times as one of Columbia's 40-Under-40 business leaders for his work in the community.

He has participated in the Division I-A Athletic Director's Institute, attended the NACDA Mentoring Institute and was

chair of the NCAA Women's Gymnastics committee. In 2010, he was the recipient of an Outstanding Chancellor's Staff recognition and the Barbara S. Uehling Award for Administrative Excellence at the University of Missouri.

Alnutt and his wife, the former Kate Hankins, are the parents of four children, Jaren, Kinleigh, Mason and Aidan.

The Southeast Missouri State University Department of Intercollegiate Athletics is an integral part of the University community and accordingly adheres to Southeast Missouri State University's overall institutional mission, one of providing a quality education and college experience for the students and communities we serve. The mission of the

Department of Athletics is to enhance the collegiate experience for all students through the development and operation of a sound intercollegiate athletics program. The Athletics Department is a NCAA Division I program, and therefore is committed to the highest standards of integrity in athletic and academic achievement. The athletic teams of the University

are committed to compete at the highest possible level in the Ohio Valley Conference or other conference affiliations. The Department of Athletics is committed to the principles of equitable access, diversity, student welfare, sportsmanship, ethical conduct, rules compliance, and the prudent management of resources in all endeavors.

2012 SEASON PREVIEW

IN THIS SECTION . . .

- » Season Outlook
- » Alphabetical/Numerical Roster
- » TV/Radio Roster
- » Roster Breakdown

Season Outlook

The 2011 season saw the Southeast Missouri soccer program move back to its familiar perch atop the Ohio Valley Conference standings.

Southeast captured its fourth regular season OVC title, posting an 8-1-0 conference record, while finishing with a 12-6-1 overall mark. The Redhawks were the OVC's highest scoring team (2.33 goals per game) in conference play and posted the league's best goals against average (0.84) overall.

In total, the Redhawks 12 victories were the most since the 2007 season and their eight OVC wins tied for the highest in the 13-year history of the soccer program. Six Southeast players earned All-OVC honors, five of which were first-team all-conference selections. The Redhawks boasted the OVC's Offensive Player of the Year (Jessie Crabtree), Freshman of the Year (Erin Shulman) and Coach of the Year (Heather Nelson).

The season ended on a sour note, however. After running away with the regular season title and hosting the OVC Tournament, Southeast suffered a heartbreaking semifinal loss to Morehead State. The Eagles rallied back from a 1-0 second-half

deficit and scored the game-winning goal with 52 seconds left to send the Redhawks season to a bitter end.

As players report to camp in the fall, the mood is undoubtedly to get the taste of last season's finale out of their mouths and continuing to be the standard of the OVC.

"Success can be fairly cyclical in the OVC," Southeast associate head coach Paul Nelson said. "We were blessed with six great seniors last year after going through a rebuilding phase for a few seasons. I thought we were getting it last year, the players worked hard and we were fortunate to add some good freshmen to the mix that helped it all come together."

Six starters return for the Redhawks this fall, each with higher expectations to develop as soccer players and as leaders. The Redhawks will be breaking in several new faces, with 11 newcomers making up the largest roster Southeast has ever had.

"Having more bodies helps as long as players realize that they may not play all the time," Nelson said. "There are several things that happen throughout a season that allows players a chance to play. When you have a lot of players, they have to

realize they need to step it up when they do get that opportunity to step on the field. The other benefit with those numbers is that you can organize a lot of 11-v-11 situations. When you look at teams that click well, it's because they can create those situations in practice."

Goalkeeper

The Redhawks defense was the best in the conference last season, posting a goals against average of 0.84, the only OVC school to allow less than one goal per contest.

Those numbers occurred primarily with Ashton Aubuchon serving as Southeast's last line of defense, allowing her to post some of the best numbers in program history as a sophomore.

Aubuchon went 12-5-1 with a 0.78 goals against average, eight shutouts and an .827 save percentage. She joined the record-setting Lindsay Pickering as the only Southeast keeper to post eight shutouts in a season. Her shutout total and save percentage each rank third in Southeast history while her wins and goals against average rank fourth on the single-season lists. Aubuchon's season totals led to a well-earned first-team All-OVC accolade.

Aubuchon started all but one of Southeast's matches a year ago, but there is reason to believe the goalkeeper spot will be much deeper this season.

Joining the mix in goal is senior Renee Kertz, a former high school standout at Notre Dame High School who starred for four seasons at third base and shortstop on the Southeast softball team, tying the school record with 132 career RBI.

"Ashton was dominant last year," Nelson said. "After a couple departures, we were left without a backup. Renee was a goalkeeper in high school and is a real specimen of an athlete. She is tall, quick, strong and agile. With some help from (assistant coach) Lindsey (Pickering), I think she could help us by pushing Ashton to perform at an even higher level."

Defense

Southeast hopes new blood and lineup shuffling can effectively replace departed seniors Nikki Edwards (first-team All-OVC) and Shona Goodwin

(OVC All-Tournament Team) on what was the OVC's top defense a year ago. Edwards left the school as the program's all-time leader in starts (69) and minutes played (5,924) after playing a team-high 1,725 minutes. Goodwin started 17 contests last fall.

While two accomplished players left the defensive backfield, the Redhawks bring two senior starters back in Hayley Abbott and Meg Herndon. Abbott earned first-team All-OVC honors in 2009 and 2010 while also landing a spot on the OVC All-Tournament Team a year ago. She has started all 55 matches in her career and she will break the school's career minutes played record if she matches or surpasses last year's 1,536 minutes.

Herndon was one of four Redhawks to start all 19 contests last fall and logged 1,498 minutes while helping Southeast post 10 shutouts. Those numbers were all career highs for Herndon, who also chipped in two assists offensively.

"Both Megan and Hayley combine an awful lot of experience and determination," Nelson said. "They are prototypical defenders. They will do anything they can to win a ball and stop the opposition from attacking. They are both pretty confident on the ball and make good decisions when distributing to the attack. They both bring a grittiness and hardness to the back line."

In an effort to add experience to the back line, Southeast moved senior Ali Bauer from midfield to defense during the spring season. Bauer started 15 matches at midfield a year ago, where she tallied two goals and four assists. During the month-long spring exhibition season, Bauer showed the aptitude to give the coaching staff full confidence in her ability to help anchor the defense.

"We moved Ali to center back because she is very good in the air and has no problem generating an attack from that position," Nelson said. "In the spring, she proved to us that there would be no problem at all with playing that spot."

With seniors at three of the back positions, Southeast has a couple options for the right side. Junior Rachel Compton has starting experience and freshman Amy Harrington is also getting a close look for that spot.

Hayley Abbott

Season Outlook

"We have a lot of experience at three of the starting spots," Nelson said. "Rachel entered camp a little banged up. Amy can play the right side and she is in line to get significant minutes there at the moment."

The Redhawks also have sophomore Ellie Hight along with freshmen Storm French and Paige Luehmann to battle for minutes. Hight played in one match in 2011 while French won Missouri Defensive Player of the Year twice in high school. Freshman Tenealle Hay, while primarily a midfielder, also has the ability to move to the backfield.

Midfield

The Redhawks have several players capable of playing midfield and they will be asked to replace two accomplished starters, first-team All-OVC performer Lauren Bozesky and second-team All-OVC pick Vanessa Hart.

In addition to those two losses, senior Ali Bauer will move to the back line to help Southeast's defense, leaving sophomore Torey Byrd as the lone returning starter at this spot.

Byrd started 18 of 19 matches during her freshman campaign last fall, tallying seven points on two goals and three assists. Her 1,555 minutes played were the second most of all Redhawks and the most among all returners.

Joining Byrd is her sister, Taylor, who started 11 contests as a freshman in 2010 but missed all of last season due to injury. The lineup will also be bolstered by the return of junior Stephanie Palmer, who has seen significant playing time in her first two seasons, including a four-goal freshman campaign in 2010.

"We will be very competitive at center midfield," Nelson said. "We have two returning players who played at that spot in Torey and Stephanie. Torey's sister, Taylor, is coming to camp supremely fit already and nobody works harder than her."

Also in line for minutes are Australian newcomers Jenna Collingridge and Tenealle Hay, who both boast national team experience down under. Senior Sarah Uptmor, who appeared in eight matches a year ago, will bolster the lineup depth at midfield.

Forward

Up front, the Redhawks return OVC Freshman of the Year Erin Shulman. The dynamic freshman was a nightmare for opposing back lines and tied for the team lead with nine goals despite missing five matches due to injury. She will once again be counted on to be that consistent force on the attack.

Southeast lost leading scorer and OVC Offensive Player of the Year Jessie Crabtree, who tallied nine goals and 22 points in her one season with the Redhawks. The task of replacing Crabtree up top won't come from any one player, but a collection of Redhawks expected to pick up the slack.

Senior Courtney Luehmann, a first-team All-OVC selection in 2010, is likely to move up front, where the Redhawks hope she can recapture her junior year form. Luehmann scored five goals in 2010, but was slowed by an injury early last season.

The Redhawks have three more returners who could make a significant impact up front in juniors Jacey Boyko and Amy Ward, and sophomore Kasey Crowden. Boyko finished fourth on the team in scoring with eight points last year and Ward saw action in 10 matches. Crowden, who also played 10 matches, was one of the team's most improved players in the spring exhibition season.

"We probably lost the most up front because of the experience we had in the lineup there," Nelson said. "However, we have Erin returning and I don't think she will fall into any kind of sophomore slump. We have Jacey, who got significant minutes last year and is a completely different player than her freshman year. Both of them have tons of pace to their games. We also have Kasey, who was very good for us in the spring and is probably the biggest surprise for us up top. Then, there's Amy Ward, who is going into her junior year and has progressed to the stage where she is in the mix for a starting spot."

The Redhawks also have a talented freshman in Ashley Geist, who has the potential to break into the starting lineup as well.

"Ashley plays with the pace of Erin and is a very strong player on the ball," Nelson said. "She'll give us great work rate and grittiness up top."

While she won't be able to break

Erin Shulman

into the lineup this year due to transfer rules, Southeast may have gotten ahead of another gem in Breana Beine. Beine was named the Missouri Valley Conference's Freshman of the Year in 2010 and will have two years of eligibility when she finally takes the field in 2013.

Schedule

Last season, the Redhawks challenged themselves with a non-conference schedule which featured four opponents that finished the season in the top 100 of the NCAA RPI rankings, a slate that included a win over Missouri Valley Conference Champion Illinois State. Those difficult matchups paid dividends for the Redhawks in conference play, allowing them to get off to a strong start and finish atop the regular season standings.

Southeast will once again pit itself against some of the top teams in the country during its non-conference schedule. The Redhawks face four teams who qualified for the NCAA Tournament last fall, including defending Missouri Valley Conference Champion Illinois State (Aug. 17), Round of 16 qualifier Louisville (Aug. 31), defending Conference

USA Champion Memphis (Sept. 14) and defending OVC Tournament Champion UT Martin (Sept. 16). The Redhawks also face Kentucky (Sept. 2) and Nebraska (Sept. 8), who both finished 2011 ranked in the top 100.

The 2012 season starts with four-straight home matches on Aug. 17. Eleven home contests highlight the loaded 20-match slate. With the addition of Belmont, there are a conference record 11 teams in the Ohio Valley Conference, which will give Southeast a school-record 10 conference matches this fall.

"I was impressed by our play this spring," Nelson said. "We played without several key players from last year for a large portion of the games, but we played very well. I think that will carry over this year. We have a few freshmen that will contribute a huge amount to the squad. It will be difficult to replace what we lost, but we will be a very competitive team this year."

The regular season OVC Champion will host every match of the 2012 OVC Tournament, which takes place Nov. 1-4. The winner of the tournament earns an automatic berth in the NCAA Tournament.

Coaching Staff

"Head Coach" "14th Season" "Saskatchewan, 1992"

Heather Nelson is the only hand that has guided the Southeast Missouri soccer program since it began competing in 1999.

In 13 years, Nelson has reeled off 10 winning seasons and has compiled a 130-78-26 record at Southeast.

Beyond the overall record, she led the Redhawks to four Ohio Valley

Conference regular-season championships (2001, 2002, 2007, 2011) and a pair of OVC Tournament crowns (2006, 2007). Nelson also led Southeast to NCAA Women's Soccer Cup appearances in 2006 and 2007.

Nelson's Redhawks are coming off an immensely successful 2011 season in which they claimed their fourth OVC regular season title with a 12-6-1 record and an 8-1-0 mark in the OVC. The eight league wins tied the conference record which Southeast and Samford set back in 2007. Nelson was named OVC Coach of the Year for a record

fourth time in her career while Jessie Crabtree earned OVC Offensive Player of the Year in her lone season at Southeast and Erin Shulman claimed OVC Freshman of the Year honors.

After the program's inaugural season in 1999, Nelson guided Southeast to 10 wins the next year, a figure that was matched or surpassed in each of the next eight seasons and nine times total in the following 12 years.

By year three, she helped guide Southeast to back-to-back OVC regular-season championships (2001, 2002), which saw the Redhawks go undefeated in conference play during each of those years.

In 2001, Southeast stormed onto the scene when it went 16-2 overall and 5-0 in league play. The Redhawks posted a .889 winning percentage, which currently stands as the best in school history.

That team, which claimed the program's first-ever OVC title, boasted the nation's lowest goals against average (0.44) and the country's top shutout percentage (0.72). The Redhawks allowed only eight goals and posted 13 shutouts in 18 matches. Not to mention, Southeast also ranked 10th in the nation with 2.67 points per game. The Redhawks set conference records for wins in a season and goals allowed (zero in OVC matches only), as well.

Southeast repeated as the league's regular-season champion in 2002. The Redhawks posted an overall record of 14-4-2 and 6-0-0 in conference play, while leading the league in shots, goals allowed, goals against and shutouts.

Nine players earned All-OVC honors from the 2002 squad, including Valerie Henderson and Jenny Hamilton, who were named OVC Player and Defender of the Year, respectively.

Despite the dominant records and accolades, an OVC Tournament title eluded the Redhawks in those seasons as Eastern Illinois pulled off upsets in the tournament championship match of both seasons.

The Redhawks finally broke through in postseason play during the 2006 OVC Tournament. After a fourth-place regular season finish, Southeast knocked off top-seeded Samford and shutout Morehead State in the OVC Tournament finals to secure its first NCAA Tournament berth in 2006.

The Redhawks drew nationally-ranked Illinois in their first NCAA Tournament game and stifled the Illini offense for much of the first period, before falling by a score of 2-0.

Southeast turned that momentum from the 2006 run into a memorable 2007 season that saw Southeast go 12-2-4 and an unbeaten 8-0-1 in OVC play. The Redhawks won their second consecutive OVC Tournament, blanking

UT Martin in the semifinals and outlasting Samford in penalty kicks to return to the NCAA Tournament. Southeast returned to postseason play against in-state rival Missouri. The Redhawks made history in the 43rd minute of that clash when Courtney Alexander scored the program's first goal in an NCAA Tournament. The contest went to penalty kicks where Missouri advanced and ended Southeast's run.

Nelson earned her third OVC Coach of the Year honor in 2007, marking the most of any women's soccer coach in league history. The Redhawks swept the OVC postseason awards that year with Alexander claiming OVC Player of the Year, Lindsay Pickering earning OVC Defensive Player of the Year and Ashley Runion nabbing the program's first OVC Freshman of the Year award.

In her 13 seasons at Southeast, Nelson has coached four OVC Players of the Year, four OVC Defensive Players of the Year and two OVC Freshman of the Year winners. Additionally, Nelson has coached 61 players which have earned either OVC First-Team, Second-Team, Third-Team, Honorable Mention or All-Newcomer accolades since 1999.

Nelson's teams have also performed extremely well in the classroom. Her student-athletes have earned CoSIDA/ESPN the Magazine Academic All-District VII honors on seven occasions. She has also coached 21 OVC Medal of Honor recipients. Nelson's 2011 team won the National Soccer Coaches Association of America (NSCAA) Academic Award with a 3.45 grade point average.

Prior to building the Redhawks soccer program, Nelson coached at Florida State from 1995-98, helping lay the foundation for the Seminoles in an extremely competitive Atlantic Coast Conference. Nelson's 1996 and 1997 FSU teams finished with the ACC's second-highest GPA.

Nelson coached the 1986 age group Missouri Olympic Development Program (ODP) team to the 2003 Midwest Region II Championship and represented Region II at the 2004 ODP National Championship.

A former member of Canada's national team pool, Nelson was a four-year starter at the University of Saskatchewan. After earning her Physical Education degree in 1992, Nelson went on to get her "B" license and coaching diploma at the National Coaching Institute at the University of Victoria in 1993. At the time, Nelson held the distinction of being one of only five Canadian female coaches qualified to coach at the national team level.

Nelson, and her husband, Southeast associate head coach Paul Nelson, have four children, Jordan (14), Taylor (10), Justi (6) and Chase (3).

Coaching Staff

"Associate Head Coach" 14th Season

Paul Nelson enters his 14th season with the Southeast Missouri soccer program and his sixth as the team's associate head coach.

Nelson has drawn on his extensive playing and coaching experience from every level -- juniors to professional -- providing plenty of valuable guidance along the way.

He helped lead the Redhawks to

Ohio Valley Conference regular season championships in 2001, 2002, 2007 and 2011. Southeast also registered back-to-back OVC

Tournament titles and NCAA Women's Soccer Cup appearances in 2006 and 2007.

Prior to Southeast, Nelson spent four seasons as an assistant coach at Florida State and two years at the Canadian western-based National Training Center. In addition, he was an assistant coach for Canada's Olympic team in 1994.

Nelson first entered the professional ranks in 1977 and enjoyed 13 competitive seasons at that level. He played in the once-heralded North American Soccer League (NASL) during both the indoor and outdoor seasons, and competed in the Irish Premier Division. Nelson signed with the NASL's Vancouver Whitecaps at the age of 18, where he had the opportunity to play with and against some of the best players in the world, including Pele, Beckenbauer and Cryuff.

In 2011, Nelson and his teammates

and staff from the Whitecaps were inducted into The Soccer Hall of Fame and Museum as the 1979 Whitecaps earned the 2011 Team of Distinction Award. The Whitecaps went 20-10 that season and claimed the NASL's Soccer Bowl with a 2-1 win over the Tampa Bay Rowdies in front of 66,843 fans at Giants Stadium in New York.

As a staff coach for British Columbia Soccer, Nelson boasted one of the best amateur soccer coaching records in Canada. His coaching successes have included two gold medals, the first in the 1991 Western Canadian Championships and the second in the 1993 Canada Matches.

In 1999, Nelson served as coach of the American Soccer League's Vancouver 86ers reserve team.

Coaching Staff

"Assistant Coach" "Fifth Season" "Southeast Missouri, 2008"

After rewriting the Southeast Missouri record books as a player, Lindsay Pickering has helped maintain the Redhawks' standard of excellence in goal for the past four seasons.

Pickering, who was a three-year starting goalkeeper at Southeast, works with that position. She also assists with several administrative responsibilities, including travel, recruiting and academic progress.

Last fall, Pickering's tutelage led to sophomore Ashton Aubuchon earning first-team All-Ohio Valley Conference honors

after leading the OVC with a 0.78 goals against average and eight shutouts. As a team, the Redhawks posted a league-best 0.82 goals against average and recorded a conference-high 10 shutouts. In 2009, Pickering led the Redhawk goalkeepers to a 0.84 goals against average. That mark ranked second in the Ohio Valley Conference and 55th in the nation.

Pickering was a two-time OVC Defensive Player of the Year and First-Team All-Conference selection (2005, 2007). In addition, she earned Second-Team All-OVC honors in 2006.

She finished her playing career ranked first at Southeast in career shutouts (28), wins (34), goals against average (0.72), saves (228), matches in goal (58) and time in goal (5236:05).

Pickering garnered additional coaching experience as the goalkeeping trainer

for the Southeast Missouri Soccer Club. Additionally, she worked as a student assistant with the Redhawks during the 2008 spring semester.

A native of St. Charles, Mo., Pickering was also a four-year starting center fielder for Southeast's softball team. She earned Second-Team All-OVC honors in 2006 and made the league's All-Tournament Team twice.

Pickering, a former Southeast Scholar-Athlete and OVC Commissioner's Honor Roll honoree, graduated from Southeast with a Bachelor of Science degree in Elementary Education and concentration in Physical Education in December, 2008. She also completed her Master of Arts in Higher Education in May, 2012.

About the OVC

Now in its 65th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which begins competition in the 2012-13 academic year. The addition of Belmont gives the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 64 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns (including sharing the title in 2011),

which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns and Jacksonville State has three, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri (which captured its first crown in 2010), UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 20 FCS playoff appearances are the second for the most all-time (behind only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and

Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired following 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in four of the past six seasons.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 35 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Con-

About the OVC

ference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North

Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at Flyer Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three-hour drive from Morehead for the game. The Eagles season would come to an end three days later when they lost to No. 1 overall seed Louisville, despite playing the Cardinals close for a majority of the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a

minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

The OVC has now won NCAA Tournament games in four-straight seasons, something that has never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC is one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Through its 64 years, 12 teams have won or shared the league's regular season men's basketball

About the OVC

title. Murray State heads the list with a Conference-record 23 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (who won its first in 2008-09) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2012-13 season with 363 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09) and Morehead State's Kenneth Fariel (2009-10, 2010-11).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals

in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (IAIW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 17 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 21 times in the past 31 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 13 of the last 19 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and repeating as champions in 2012. Austin Peay leads the group with seven crowns including four-straight from 2000-03 and back-to-back titles in 2009 and 2010, while Tennessee State, Eastern Kentucky, Murray State and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or IAIW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill

Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. Inman came out of retirement to take the Tennessee State job and will be in his first year with the TSU program in 2012-13.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; and Murray State's Ashley Hayes.

Bozeman finished her collegiate career in 2010-11 by winning her second consecutive OVC Player of the Year award. Her 2,170 points ranks her eighth all-time in OVC history, her 377 made career 3-pointers is first in OVC history and sixth in NCAA history and her 1,096 career 3-point attempts ranks first in OVC history and second in NCAA history.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 64 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic

About the OVC

athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 29 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammtree (1988-89), Southeast Missouri's Tuba

Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would win its record 20th OVC Championship and later qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi finished 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time

in 2001 with Paducah, Ky. and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tenn. and Pringles Park - the home of the Seattle Mariner's Class AA affiliate - hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before failing to host Oregon in the regional final. In marked the first-time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season. Overall OVC teams have won at least one game in the NCAA regional round in four of the last six years.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrner who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

In 2010 a record 13 OVC baseball players were selected in Major League Baseball's First-Year Player Draft.

The playing field is not the only place where OVC

About the OVC

athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 211 student-athletes honored with the award, including 32 over the last three years (2009-10, 2010-11, 2011-12).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

*The college experience of a lifetime. The job of your dreams.
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.

2009—InsideCollege.com experts single out our honors program as an effective way to make a large school seem smaller with a more personal approach to learning.

2010—Computer science receives prestigious national accreditation.

**Safest
Campus
in Missouri**

StateUniversity.com

2010—Consumer watchdog group GetEducated.com ranks Southeast #1 on its list of "Top 10 Ranked Best Values Online MBAs—AACSB Accredited."

2010—Southeast is named the safest campus in Missouri and among the safest in the nation by StateUniversity.com.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

We have...

- ▶ Small classes with 98 percent of courses having fewer than 50 students
- ▶ Faculty with PhDs—not teaching assistants—who teach most classes
- ▶ More than 200 areas of study
- ▶ Wired (and wireless) classrooms and best-of-class technology
- ▶ Internships and real-world learning offered in 100 percent of programs
- ▶ Study abroad opportunities that take you almost anywhere

We are...

- ▶ NCAA Division I Athletics
- ▶ Listed among the Midwest's top universities
- ▶ One of the safest college campuses in the nation
- ▶ Conveniently located 115 miles south of St. Louis
- ▶ A medium-sized university with more than 11,000 students
- ▶ Comprised of ten colleges and schools

We provide...

- ▶ Choices in the University Studies (general education) classes
- ▶ Some of the newest residence halls in Missouri
- ▶ 150 organizations that keep you busy after class
- ▶ Each student with two advisors—academic and career
- ▶ Fraternities and sororities that are productive and fun
- ▶ One of a kind student aquatic center in one of our two recreation centers

2011—U.S. News & World Report names Southeast a "Best Midwest Regional University."

2011—For seven consecutive years, Princeton Review includes Harrison College of Business on its list of "Best Business Schools."

2011—Princeton Review again names Southeast as one of the "Best in the Midwest," representing only about 25 percent of the nation's four-year colleges.

2012—U.S. News & World Report lists both nursing and communication disorders on its list of top graduate programs in health.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

Donald L. Harrison College of Business

Our increasingly popular business programs have made us one of the major colleges of business in the Midwest. The Donald L. Harrison College of Business is accredited by AACSB International—the gold standard of business school accreditation—an honor held by only 5 percent of institutions offering business degrees worldwide.

- ▶ Employers and students value our techno-savvy environment. In a recent survey of 98 nationally known business programs, Southeast ranked in the top 7 percent in learning to use and manage technology.
- ▶ Our entrepreneurial studies program is Missouri's most comprehensive, offering options for both BSBA and MBA degrees. The Douglas C. Greene Center for Innovation and Entrepreneurship is one of the most comprehensive entrepreneurship-focused university centers in the Midwest.
- ▶ Southeast students have access to more than 30 international exchange and study abroad opportunities in London, Paris, Spain, Portugal and North Africa.
- ▶ One hundred percent of our students have the opportunity to participate in internship programs with companies nationwide.
- ▶ Doctoral level professors make learning interactive with classrooms that have Internet, cable TV, direct satellite feed and electronic presentation capability.
- ▶ St. Louis employers rate the "St. Louis Interview Days" as the best recruiting event in which they participate in the Midwest.
- ▶ Our accounting curriculum prepares students for the Certified Public Accountant (CPA) and Certified Internal Auditor (CIA) designations. Students may go to work directly into an accounting field or go on to complete the 150 hours required by Missouri, and other states, to sit for the CPA examination. Our first-time pass rates on the CPA exam continue to be well above the national average.
- ▶ Business programs are housed in Dempster Hall, a wireless Internet environment featuring an electronic presentation lab and more than 400 networked computers with the latest software.

College of Education

If you are considering teaching as a profession, you are looking at the right university. For more than a century, Southeast has been preparing and sustaining some of the nation's brightest and best teachers. Moreover, we have a record of accomplishment to prove it.

- ▶ Most importantly, our education program is fully accredited by the National Council of Teacher Education (NCATE), which sets the highest standards for teacher education programs nationwide.
- ▶ The Missouri Department of Elementary and Secondary Education approved 28 initial teacher preparation programs and all 12 graduate programs.
- ▶ Because you begin assisting and observing in area classrooms starting in your first year, you accumulate more teaching practice and knowledge than graduates from other universities.
- ▶ The College of Education maintained national recognition through a rigorous review process from 11 specialized professional associations.
- ▶ Our counseling program is now one of only three in Missouri to be accredited by the Council for the Accreditation of Counseling and Related Educational Programs.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

College of Health and Human Services

Although there are diverse academic offerings in the College of Health and Human Services, all programs potentially lead to a career that significantly and positively impacts the lives of individuals and families.

- ▶ All nursing programs (nurse and nurse practitioner) are accredited by the Commission on Collegiate Nursing Education.
- ▶ The recreation program is accredited by the Council on Accreditation for Recreation, Park Resources and Leisure Services.
- ▶ The Communications Disorders program allows students to receive clinical experience with children and adults who have speech, language or hearing disorders.
- ▶ Aerospace Studies offers a path to leadership for those intending to pursue officer positions in the United States Air Force. During a summer field training course for the Professional Officer Corps, students experience survival training, aircraft and air crew orientation, physical training and the inner operations of an Air Force base.
- ▶ Our nationally accredited social work program requires students to complete 480 hours of field education under the supervision of experienced social workers.
- ▶ Southeast has a strong connection with the Law Enforcement Academy and has more than 30 years of partnerships in all branches of criminal justice at the federal, state and local levels. Our students intern with the U.S. Marshals Service; the ATF; the U.S. Secret Service; Federal Probation; Missouri Division of Probation and Parole; Missouri Youth Services and other law enforcement agencies.
- ▶ The dietetics program is accredited by the American Dietetic Association Commission. Our graduates have a success rate of nearly 100 percent on the national exam to become a registered dietitian.

College of Liberal Arts

An education in the liberal arts gives you broad-based training for careers in business, the arts, media, education and the legal profession.

- ▶ Southeast's mass communication program is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC). Only one other institution in Missouri has this elite accreditation. Our public relations program is one of only 28 institutions—none in Missouri—that holds certification by the Public Relations Society of America (PRSA). Only 12 other institutions in the world have recognition from both ACEJMC and PRSA for their mass communication program.
- ▶ Students can work at two campus radio stations (NPR affiliate KRCU 90.9 FM and KDMC 103.7), the *Arrow* student newspaper and "U2" cable television station.
- ▶ Our certified historic preservation program is one of a few U.S. programs that offer a four-year degree and is among a small number to have full membership in the National Council for Preservation of Education.
- ▶ During the last five years, Southeast's pre-law students have exceeded the national LSAT average score, and their placement rate in law school approaches 100 percent.
- ▶ Students majoring in philosophy have a 100 percent acceptance rate to graduate and law school.
- ▶ Our students make politics come alive by working on political campaigns and by serving as interns. Each year approximately 30 students from a variety of majors around the University travel to Washington, D.C. to conference with some of the nation's top scholars at the Center for Strategic and International Studies.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

College of

Science, Technology and Agriculture

The foundation of success in Southeast's College of Science, Technology and Agriculture is a faculty of teacher-scholars supported by well equipped laboratories and the latest technology, which offer our students personalized study and research opportunities during their undergraduate studies.

- ▶ Our popular computer science bachelor's program is nationally accredited by the Computing Accreditation Commission of the Accreditation Board of Engineering Technology.
- ▶ Our popular marine biology program is one of the only inland programs in the U. S., creating an opportunity for students to combine a traditional college experience with the study of marine life because of our collaboration with the Gulf Coast Research Laboratory in Ocean Springs, Miss.
- ▶ Southeast's pre-med curriculum prepares students for the MCAT (Medical College Admission Test). Our students are accepted to medical school at a rate that is well above the national average.
- ▶ Our chemistry graduates consistently score at or above the 70th percentile on the Major Field Achievement Test in Chemistry.
- ▶ Our engineering physics program is nationally accredited by the Accrediting Board of Engineering and Technology (ABET), the sole accrediting body of engineering programs, which means that graduates of the program are eligible to become registered professional engineers.
- ▶ All of the bachelor of science programs in the Department of Industrial and Engineering Technology are nationally accredited.
- ▶ In addition to a 252-acre David M. Barton Agriculture Research Center, Agriculture students study at a 110-acre rice research station, a new irrigated turf plot facility, and a modern soil fertility laboratory.
- ▶ The School of Polytechnic Studies operates the 11,000-square-foot, climate-controlled Charles L. Hutson Horticulture Greenhouse.
- ▶ Our new cybersecurity program is the only one of its kind in Missouri. The U.S. Department of Labor estimates there will be 135,000 new jobs in this field by 2018—a 21 percent increase in Missouri alone.
- ▶ The innovative sustainable energy systems management major responds to world needs to address global warming, air pollution and ecosystem destruction.
- ▶ Southeast's pre-veterinary medicine program prepares students for admission to the College of Veterinary Medicine at the University of Missouri-Columbia.
- ▶ Mathematics faculty are actively involved in research and design projects of interest to students.

Graduates in
science and mathematics
enjoy a nearly
100%
placement rate.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

Earl and Margie Holland School of

Visual and Performing Arts

Classic beauty and modern technology converge at Southeast's River Campus—Missouri's only campus dedicated exclusively to art, dance, music and theatre. Overlooking the Mississippi River, a Cultural Arts Center and transformed Seminary Building are now home to the Earl and Margie Holland School of Visual and Performing Arts. With the coming of this magnificent facility, the number of new students planning to major in the visual and performing arts doubled in one year.

- ▶ Art students have five interconnected art studios for painting, drawing, printmaking, fibers and design plus two computerized looms, as well as two presses in the printmaking studio and a computer design lab with the latest hardware and software available.
- ▶ Students find internships and professional experience at the Berkshire Theatre Festival, the Lucille Lortel Theatre in New York, the McLeod Summer Theatre or the University of Connecticut Summer Theatre and more.
- ▶ In 2008, the Golden Eagles Marching Band performed at the Edinburgh Military Tattoo in Scotland becoming only the second American university marching band to perform there twice.
- ▶ In addition to performances throughout the season, featuring world famous guest artists, the Southeast Missouri Symphony Orchestra exchanged music as well as culture in China when they performed concerts in Shanghai and Beijing in 2009.
- ▶ The River Campus gives students the opportunity to show their work in a variety of first-class venues: the 950-seat Donald C. Bedell Performance Hall is a proscenium theatre with spacious stage and backstage areas. The 200-seat Wendy Kurka Rust Flexible Theatre can be configured in unlimited ways for "black box" productions. The 200-seat Robert F. and Gertrude L. Shuck Music Recital Hall features nearly perfect acoustics. A student/faculty art gallery features technology that allows for the display of 3-D animation, as well as painting, prints, ceramics and sculpture. The Rosemary Berkel and Harry L. Crisp II Museum has an interactive educational theatre, art gallery for changing exhibitions and a permanent display featuring southeast Missouri.

Living on Campus

Southeast offers students 11 residence halls from which to choose. Each room has Internet access and cable TV. Nine dining areas are available with a variety of options. And, with more than 150 diverse organizations, students find plenty of opportunities to get involved.

FREE ONLINE MARKETING SEMINAR

Attend a free Yellowbook360 online marketing seminar to learn smart strategies for local business success. Discover local search engine optimization techniques, pay per click advertising strategies, website design best practices, the value of internet yellow pages, online video opportunities and more. Attendees receive a personalized website and visibility analysis and online marketing consultation.

If you're looking to get the internet working for your business, you can't afford to miss this FREE seminar.
