This guide is an official publication of the the Southeast Missouri State University Sports Information Department. It was designed and edited by Nick Seeman, Jeff Honza, Chad Twaro the University Relations Department. Photography by Patrick Clark, Bo Bunton, Marcus Mahnke and Kent Phillips. Assistance provided by Phillip Buerck, Sean Stevenson. Special thanks to opposing sports information directors for contributing information and images for the opponents section of this guide.

Credentials

Credentials are required for entrance to the court (for photographers). To request season or single-match credentials, please contact the Southeast Missouri State Sports Information Office by phone at (573) 651-2294 or email at nseeman@semo.edu.

Photographers

Please observe NCAA regulations and shoot from the designated areas. Photographers are not permitted on the playing floor and must display their credentials at all times.

Volleyball E-Mail List

If you would like to be added to the Redhawk Volleyball e-mail list to receive breaking news about the team, please e-mail Nick Seeman. The official website, GoSoutheast.com, is the best source for up-to-date information about the team.

Interview Availability During the Week

Student-athletes and coaches are available upon request during the season. Team policy requires interviews to be conducted 30 minutes prior to practice time. Please let the sports information office know if you plan to attend practice.

Houck Field House is the home of the Southeast Missouri volleyball and women's gymnastics teams.

The 40,000-square foot building features a 4-year old sports court as its playing surface. Houck Field House also has the ability to fit two regulation-size volleyball courts.

After the Show Me Center was completed, Houck Field House was renovated in 1987 and 1995 to better accommodate women's volleyball and gymnastics competition.

Locker rooms for baseball, soccer and softball, an indoor walking track, athletic training room, and offices for baseball, soccer, softball, volleyball and tennis are also housed in the facility.

Today, Houck Field House seats approximately 1,000 fans for numerous athletic events throughout the year.

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. Head Athletic Trainer Alfred Castillo directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through. There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not

only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to provid-

ing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

Training Principles for Southeast Athletes:

1. *Reduce the risk of injuries*
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
2. *Maximize athletic ability*
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

1. *Ground Based Movements*
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can

run and how high they can jump.

2. *Three-Dimensional Movements*
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).
3. *Multi-Joint Movements*
 - Very rarely in sport do athletes

isolate one single joint at a time. Athletes can train more muscle mass at the same time.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

The Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with over 20 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Associate Director of Athletics Brady Barke, with assistance from Director of Academic Services Sharon Burgard, Assistant Natalie Williams and Graduate Assistants Emily Matthews and Kelly Benacka.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. Last year, a school record 62.2 percent of Southeast's student-athletes achieved a 3.0 or better grade point average. Eleven of the Redhawks 15 intercollegiate athletic teams recorded a team GPA over 3.0. The gymnastics team posted the best overall mark with a 3.82. In all, 19 student-athletes recorded a perfect 4.0 GPA.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The

course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic

progress.

The Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

Recent Academic Highlights

- » A school record 62.2 percent of Southeast Missouri student-athletes achieved a 3.0 or higher grade point average during the 2011-12 academic year. Nineteen student-athletes had a perfect 4.0.
- » Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. The Redhawk gymnastics team had the best overall mark with a 3.82 GPA.
- » The Redhawk men's cross country and women's gymnastics teams received NCAA Division I Academic Progress Rate Public Recognition Awards. Both programs registered scores of 1,000 for the 2010-11 academic year.
- » Southeast Missouri's Department of Athletics earned a number of quality rankings in the NCAA's last Academic Progress Rate (APR) report. The Redhawk men's cross country, gymnastics, baseball, volleyball, women's tennis and softball teams exceeded the national average in the multi-year APR.
- » Thirty-Eight student-athletes were part of the largest graduating class in the history of Southeast Missouri State University last spring. A total of 1,322 students -- 1,052 undergraduates and 270 graduate students -- received degrees.
- » The Southeast gymnastics team was named the 2011 Academic National Champion by the National Association of Collegiate Gymnastics Coaches/Women. The achievement marked the third time in four years that the team has garnered the coveted honor. The Redhawks team grade point average was an impressive 3.91 during the 2010-11 academic year. It tied the highest GPA for a team in the history of the award.
- » Three Redhawk student-athletes earned Academic All-District honors during the 2011-12 season. Volleyball's Paige Dossey also garnered Third-Team Capital One Academic All-American accolades. In addition, the men's and women's cross country teams each finished among the top-10 teams in the country in grade point average.

Dr. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced including the establishment of the College of Science, Technology, and Agriculture and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the eighth year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2012; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest public college campus in Missouri,

Militaryfriendlyschools.com lists Southeast among the top schools that embrace veterans as students, and recent freshmen survey data indicate that new students applied only to Southeast at a rate three times the national average.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,500 in 2011. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$300 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$58 million River Campus were constructed. Additionally, The Douglas C. Greene Center for Innovation and Entrepreneurship to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University

currently is in the midst of more than \$90 million in capital renovation for maintenance and repair projects including the renovation of the historic 106-year-old Academic Hall, the remodeling and upgrades to the Magill and Rhodes sciences complex and a new residence hall.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities, and is the senior member of the organization. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 U.S. public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, chaired the organization in 2010-2011, and currently serves on the executive committee as past chair of the AASCU Board. Also, for the past eight years, he has served as one of four faculty members for the week-long AASCU New Presidents' Academy, and currently chairs the Finance Committee of the American Academic Leadership Institute. He previously served three years as president of the Ohio Valley Conference and is currently a member of

the Conference finance subcommittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy Scouts of America, and in 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State, where in 2011, he was awarded the Alumni Leadership Award for the College of Education, Health and Human Services Annual Hall of Fame Awards. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a grandson, Lincoln Kenneth Dobbins.

Mark Alnutt, senior associate director for administration at the University of Missouri, was named director of athletics at Southeast Missouri State University.

The announcement was made April 19 during a news conference in the Aleen Wehking Alumni Center at Southeast.

Alnutt participated in an off-campus interview April 12 in St. Louis and was on campus for final interviews the day he was introduced as the Redhawks new director of athletics. He was among two finalists for the position following a national search conducted by a search committee including representatives from the Board of Regents, faculty, staff and the community.

Alnutt began his new duties at Southeast on May 21. He replaced John Shafer who retired last June. Cindy Gannon served as interim director of athletics since that time.

"Mark brings with him a tremendous breadth of experience and the caliber of credentials to move our program forward and into the future," said Kenneth W. Dobbins, president of Southeast Missouri State University.

Alnutt served as senior associate athletics director for administration at the University of Missouri after spending three years as the associate athletics director for administration.

Mike Alden, director of athletics at the University of Missouri, said, "I think Southeast Missouri State University is getting a terrific leader in Mark Alnutt. We will miss him here, but our loss is Southeast's gain and all of us here are very proud of Mark and all that he has

accomplished."

In his previous role, Alnutt served as the administrative liaison for football; supervised track and field, cross country, gymnastics and golf; spearheaded the department's project management team; served as the primary point person for the Athletic Department, overseeing all aspects of facility project master planning, development, management and implementation; and was involved with external department operations, including development, game operations, marketing, media relations, Mizzou Sports Properties and ticket operations.

Alnutt also managed postseason travel arrangements for each of the University of Missouri's 20 intercollegiate sport programs. He was in charge of Missouri's Nike contract, the Big Wheels and Flying Tiger programs and the department's relationship with Old Hawthorne Golf Club. In 2009, he oversaw a \$5 million video board project through the University of Missouri Sports Complex with the centerpiece being a new board at Faurot Field. He also oversaw the design and construction of the new Golden Girls/Gymnastics

practice facility completed last fall. Additionally, Alnutt was actively involved in the solicitation and stewardship efforts of capital gift giving.

Alnutt spent the previous six years at the University of Missouri as director of football operations, adding an assistant athletic director title prior to the 2005-06 season. In that role, his duties included coordinating the team's travel plans, oversight of the football budget, handling compliance issues, scheduling of facilities, assisting with the recruiting operations and managing the day-to-day operations of the football program.

He coordinated public relations and community service events for football, and oversaw all organizational aspects for the University of Missouri's trips to the 2003 and 2005 Independence Bowl games played in Shreveport, La. He also represented the football program as part of the design team that planned the \$16 million expansion and renovation project which turned the Tom Taylor Building into the Missouri Athletics Training Complex.

Alnutt was a three-year letterman for the University of Missouri as a linebacker

Mark Alnutt was introduced as Southeast Missouri's new director of athletics on April 19, 2012.

and tight end from 1993-1995 and was voted the team's champion of the year as a senior. He earned a degree in sociology in 1995 and went to work for Major Brands as a senior salesman in Kansas City from February 1996 to August 1997. Alnutt returned to the University of Missouri to pursue a master's degree in public administration with an emphasis on sports psychology. He joined the Missouri football staff in 1998 as an administrative/video graduate assistant. Alnutt completed his master's degree in May 2000 and took over as director of football operations that August.

A native of Kansas City, Alnutt served as president of the board of directors for Big Brothers/Big Sisters of Boone County and was selected to participate in the 2002-2003 NCAA Leadership Institute for Ethnic Minority Males. In June 2005, he was recognized by Columbia Business Times as one of Columbia's 40-Under-40 business leaders for his work in the community.

He has participated in the Division I-A Athletic Director's Institute, attended the NACDA Mentoring Institute and was

chair of the NCAA Women's Gymnastics committee. In 2010, he was the recipient of an Outstanding Chancellor's Staff recognition and the Barbara S. Uehling Award for Administrative Excellence at the University of Missouri.

Alnutt and his wife, the former Kate Hankins, are the parents of four children, Jaren, Kinleigh, Mason and Aidan.

The Southeast Missouri State University Department of Intercollegiate Athletics is an integral part of the University community and accordingly adheres to Southeast Missouri State University's overall institutional mission, one of providing a quality education and college experience for the students and communities we serve. The mission of the

Department of Athletics is to enhance the collegiate experience for all students through the development and operation of a sound intercollegiate athletics program. The Athletics Department is a NCAA Division I program, and therefore is committed to the highest standards of integrity in athletic and academic achievement. The athletic teams of the University

are committed to compete at the highest possible level in the Ohio Valley Conference or other conference affiliations. The Department of Athletics is committed to the principles of equitable access, diversity, student welfare, sportsmanship, ethical conduct, rules compliance, and the prudent management of resources in all endeavors.

2012 SEASON PREVIEW

IN THIS SECTION . . .

- » 2012 Season Preview
- » 2012 Roster Breakdown

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Season Preview

Julie Folliard is in her second season as head coach at Southeast Missouri.

In 2011, Folliard led the Redhawks to their first Ohio Valley Conference Tournament since 2008 and first postseason win since 2006.

Southeast finished the 2011 season with an overall record of 14-19 and an 11-9 mark in OVC play.

The Redhawks entered the year ranked ninth in the OVC Preseason Poll and finished fourth in the regular-season, qualifying for the league's postseason tournament for the first time in three years. Southeast later earned its first win at the OVC Tournament since beating Murray State and Jacksonville State in 2006.

Southeast's roster features 13 players, including 11 returnees. The Redhawks also bring back five starters headlined by All-OVC honoree Emily Coon. Also back this season is Brittney Kalinoski, who led the team in kills.

Middle Blockers

Junior Emily Coon (Imperial, Mo.) is the top returnee in the middle for Southeast.

The All-Conference selection led the league with 141 blocks and ranked fourth in hitting percentage (.301) last season. Coon's .619 clip against Eastern Illinois (Oct. 4) was a conference-best.

"Emily has great volleyball awareness which makes her very impressive," said Folliard.

Sophomore Kelsey Keeve (La Grange, Ill.) is coming off a strong freshman campaign. She added 110 kills and 40 blocks last season.

"Kelsey worked hard changing the way she blocked this summer," commented Folliard.

Freshman Halle Brown (Charleston, S.C.) is Southeast's lone true freshman this year. The South Carolina native will add depth in the middle.

"Halle is learning our system and has tremendous potential," said Folliard.

Taylor Masterson (St. Louis, Mo.) is also a freshman, but she comes to Southeast after redshirting at the University of Alabama last season.

Masterson led St. Joseph's High School to a pair of 4A State Championships (2008, 2010) before her stint at Alabama.

"Taylor has some amazing natural abilities and is very smart on the court," quoted Folliard.

Outside Hitters

Senior Brittney Kalinoski (Overland Park, Kan.) looks to lead the Redhawk offense against this season.

Kalinoski led the team with 328 kills, while adding 251 digs and 67 blocks as a strong two-way player.

"Brittney is a smooth player and we are excited to have her back," said Folliard.

Junior Colleen Yarber (Freeburg, Ill.) ranked fourth on the team in kills (192) and was among the top-10 OVC leaders in kills per set (10th, 3.24) against league foes. Yarber recorded a career-high 18 of her kills against Eastern Kentucky (Oct. 14).

"Everyone in the conference knows that Colleen can put the ball away," commented Folliard.

Junior Andrea Baylin (Dublin, Ohio) will miss the 2012 season due to injury. Baylin had 67 kills and ranked fourth on the team with 16 service aces a year ago.

Rightside Hitters

Moving from outside to rightside hitter this fall is senior Karlee Lursen (Apple Valley, Minn.).

Lursen was second on the team with 2.67 kills per set in 2011. She was equally impressive defensively,

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Season Preview

ranking second among Redhawk leaders in digs per set (2.67).

"Karlee is explosive and we want her to be flexible on offense," explained Folliard.

Sophomore Meredith Stranges (Dublin, Ohio) could also see playing time on the right side this season after seeing limited action in 2011.

Setters

Preseason All-OVC selection Julie Shives (Grove City, Ohio) is the top setter.

A junior, Shives led the Redhawks and ranked eighth in the OVC with 1,180 assists last season. In addition, she notched a team-high 391 digs and registered 21 double-doubles and one triple-double.

"Julie is the most offensive setter in the OVC by far," praised Folliard.

Shives enters the 2012 campaign ranked eighth among Southeast's all-time career leaders with 2,131 assists.

Liberos

Southeast has a first class presence at the libero spot with senior Samantha Lowman (Lincoln, Ill.).

Lowman ranked second on the team in digs (291) and added 15 service aces a year ago. She won the Southeast Missouri State University Student Live Achievement Recognition Award which goes to a student, faculty and staff member who demonstrated outstanding achievement in building community at Southeast.

"Samantha is a great leader both on and off the court," said Folliard.

Junior Berkley Idel (Wildwood, Mo.) and sophomore Erica Beck (West Bend, Wisc.) are other key returnees.

Idel was third on the team with 283 digs, 256 of which came in OVC play. She had a career and team-high 28 digs twice last season.

Meanwhile, Beck turned in 10 digs against Memphis and was later the recipient of the Southeast Missouri volleyball Coach's Choice Award.

"Berkley had a great season for us and she is good at serve and receive. Erica is a hard worker who is adjusting well to what we expect from this position," said Folliard.

Schedule

Southeast will play host to nine home dates as part of its 32-match docket this season.

The Redhawks open the season with 16-straight contests away from the friendly confines of Houck Field House.

"We will face a tough road schedule early on, but our players will be able to handle it with their maturity and experience," said Folliard.

Southeast hosts UT Martin in its first home match of the season on Sept. 25. The Redhawks play a 16-game OVC schedule, with UT Martin, Austin Peay (Oct. 5), Murray State (Oct. 6), Belmont (Oct. 12), Tennessee State (Oct. 13), SIU Edwardsville (Oct. 26), Eastern Illinois (Oct. 27) and Tennessee Tech (Nov. 10) coming to Cape Girardeau.

2012 OVC Preseason Poll

The Redhawks were picked third in the 2012 OVC Preseason Poll.

Southeast received 192 points and two first-place votes in the overall voting by the league's head volleyball coaches and sports information directors.

Morehead State, the defending OVC Champion, was tabbed the preseason favorite with 242 points and 22 first-place nods.

Belmont, the newest OVC member, was second with 198 points after winning the Atlantic Sun Conference in 2011. Southeast, UT Martin (167 pts.) and Tennessee State (130 pts.) rounded out the top-five.

Junior middle blocker Emily Coon and junior setter Julie Shives garnered Preseason All-OVC honors for the Redhawks this year.

Coaching Staff

Head Coach Julie Folliard Second Season

Wisconsin-Milwaukee

Julie Folliard is in her second season as head coach at Southeast Missouri State. Folliard came to Southeast after serving as associate head coach for five seasons at Southern Illinois University in Carbondale, Ill.

In her first season at the helm, Southeast finished the 2011 campaign with a 14-19 overall record and an 11-9 record in the Ohio Valley Conference.

Southeast was picked ninth in the OVC Preseason Poll and finished the regular season in fourth place qualifying for the OVC Tournament for the first time since 2008.

The Redhawks added a win in the first round of the OVC Tournament, their first since 2006 as they defeated Eastern Kentucky in the quarterfinals.

Emily Coon was Folliard's first All-OVC selection after leading the league in blocks in 2011.

Senior Paige Dossey garnered Third-Team Capital One Academic All-American.

Folliard began her time at Southern Illinois in 2006. She was recruiting coordinator for the Salukis. Folliard also served as the coordinator of the team's defense, as well as coach of the outside and rightside hitters where she mentored four-time All-Missouri Valley Conference player Jennifer Berwanger.

In addition, Folliard was in charge of scouting, equipment, team travel, video breakdown and analysis. She served as manager of home match management at SIU, as well.

Prior to SIU, Folliard spent two seasons at Georgia State in Atlanta, Ga., serving as the top assistant coach for the Panthers. At Georgia State, Folliard coached the outside hitters and handled team travel, tape exchange and equipment. Folliard also assisted in the recruiting, scouting and practice planning. While at Georgia State, Folliard earned her master's degree in sports administration.

Folliard is a 2002 graduate of the University of Wisconsin-Milwaukee earning a bachelor's degree in business administration with a focus in finance and human resource management.

During her time at the University of Wisconsin-Milwaukee, Folliard was a steady performer for the Panthers volleyball team from 1998-2001. During Folliard's time she was part of the winningest class in school history going 93-23 in her four seasons. Folliard, excelled in the classroom earning Horizon League All-Academic Team in 1999 and 2001.

Folliard is a native of Waukesha, Wisc. She attended Catholic Memorial High School and was a standout volleyball player leading her team to a WISAA State championship as a senior. Folliard was also part of the Milwaukee Sting Volleyball Club from 1996-1998.

She is married to Steven Folliard.

Head Coach Julie Folliard

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Coaching Staff

Assistant Coach Kayani Turner Second Season

Kayani Turner is in her second season as assistant coach at Southeast Missouri. She serves as the primary coach for the outside hitters and is the team's recruiting coordinator. Turner also assists in the scouting of opponents, film breakdown and practice planning.

Turner helped lead the Redhawks to their first Ohio Valley Conference Tournament since 2008 in her first season at Southeast.

The Redhawks improved their hitting percentage by over 50 points last season under Turner last season. Southeast also averaged 12.03 kills per set an improvement of over one kill per set from the previous year.

Turner came to Southeast after serving as graduate assistant coach at Western Illinois University (2009-2010). She was in charge of pregame and postgame administrative duties for the Leathernecks. Turner additionally, served as the scout for Western Illinois' serve receptions and opponents' serving tendencies.

Turner has a strong coaching background in the club volleyball ranks, as head coach of the Prime Time Volleyball Club in Champaign, Ill. She served as a camp coach at the University of Illinois Volleyball Camps from 2005-11. Turner worked as a camp coach at Precision Volleyball Camp during the summer of 2009.

Prior to her time at Western Illinois, Turner was a standout volleyball player at Illinois. During her sophomore season in 2006 she led the Illini in kills with 391, which ranked fifth in the Big Ten Conference.

After sitting out her junior season due to injury, Turner returned to the court and played in 21 matches, helping lead the Illini to the Sweet 16 in the NCAA Tournament. She appeared in 72 matches and recorded 642 kills in her three seasons at Illinois.

Turner was a standout prep player at John Carroll High School in Baltimore, Maryland. She led John Carroll to a 38-1 combined record in her junior and senior seasons. Turner led the Baltimore metro area in kills during her junior and senior campaigns.

Turner is a graduate of the University of Illinois majoring in communication. She recently earned her master's degree in sports management from Western Illinois.

Assistant Coach Kayani Turner

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Coaching Staff

Assistant Coach Nikki Buchholz Third Season

Franklin Pierce

Nikki Buchholz begins her third season as an assistant coach at Southeast Missouri. Buchholz coaches the middle blockers and is in charge of team travel, tape exchange and equipment and also assists with scouting opponents, film breakdown, and practice planning.

Buchholz helped lead the Redhawks to their first Ohio Valley Conference Championship Tournament since 2008 in her second season as an assistant coach.

Under Buchholz, Southeast ranked second in the OVC in blocks during conference play with an average of 2.17 per set after averaging just 1.66 per set in 2010.

In 2011, Buchholz mentored All-OVC selection Emily Coon who led the OVC in blocking. Coon also ranked fourth in the OVC in attack percentage (.301).

Prior to Southeast, Buchholz worked as a graduate assistant coach at East Stroudsburg University in Pennsylvania during the 2009 season.

Buchholz graduated from Franklin Pierce University, a Division II school in New Hampshire, where she was a four-time All-Northeast 10 Conference player.

During her junior year, she was named to the All-Region Second-Team in 2007. She was the first player ever to be named to an All-Region Team in the history of the Franklin-Pierce volleyball program.

Her 159 total blocks led the Northeast-10 Conference, as did her 1.26 blocks per game.

At the completion of her four-year career at Franklin Pierce, Buchholz guided the Ravens to four consecutive Northeast-10 Conference Championship appearances. She was also named conference player of the week five times and set the school's career record for kills with 1,271 and blocks with 493.

Aside from her statistics being atop the record books, Buchholz was also a top-notch leader. She was a two-time captain of the Franklin Pierce team which won 35 matches in two years.

Buchholz also excelled in the classroom, as she graduated cum laude with a Bachelor of Arts degree in Mass Communications. She was a three-time First-Team Academic All-Conference selection.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Record Book

Tuba Meto 1994-1997

The starting setter for Southeast from 1995-1997, Meto led the Redhawks to a record of 105-43 during the span including a 62-6 record in OVC play. Southeast won the OVC title in each of her four seasons and made two NCAA Tournament appearances. She was the OVC Player of the Year in 1996 and 1997 and continues to play professionally in Turkey. She holds a spot in seven different Top-10 categories, including assists, and digs. She holds the All-Time assists record in a match with 82.

Krista Haukap 1997-2000

Krista Haukap was inducted into the Southeast Missouri State Hall of Fame in 2010 after a dominate career in the late 90's. She recorded 36 kills against North Carolina in the NCAA Tournament, which is a Redhawk record. She owns the top spot in kills and total attempts in a career with 2,070 and 4,921, respectively. Uncoincidentally, the Redhawks went undefeated in the OVC in 2000, and had the winningest season in school history during her tenure.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Dig For Life

Thanks to the efforts of the Southeast Missouri State University volleyball team and other fundraising partners, the Dig for Life campaign continues to fight breast cancer and provide mammograms to women throughout the region.

The Redhawks presented a check to Dig for Life at halftime during the February 15, 2012 basketball game between Southeast and Murray State at the Show Me Center. The campaign has raised more than \$73,000 since August. Thanks to Dig for Life, more than 800 mammograms have been provided to local

women who otherwise could not afford this critical breast cancer screening.

This season marks the 13th year where Southeast will team up with Saint Francis Medical Center for this great cause.

The annual campaign runs during the month of October and coincides with National Breast Cancer Awareness Month. Members of the Southeast volleyball team secure pledges per dig that are tallied over all home matches at Houck Field House throughout October. The money raised is then allocated to Saint Francis Medical Center for the campaign's purpose of educating women in the Southeast Missouri area about breast cancer awareness, while providing early detection opportunities and improving prevention efforts.

Dig for Life was started in 2000 by former Redhawks volleyball coach and current Senior Associate Di-

rector of Athletics/Senior Woman Administrator Cindy Gannon. The Southeast Department of Athletics continues to embrace the Dig for Life campaign as other sports, including gymnastics, softball and baseball have joined the volleyball team's efforts during their respective seasons.

"I am so thankful to Saint Francis Medical Center and the Southeast volleyball team for all their

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

Dig For Life

efforts in the Dig for Life campaign,” said Gannon. “This program began in memory of my mother and thanks to the hard work and generosity of so many people, her memory lives on and we are potentially saving the lives of many women. I feel very fortunate to be associated with such

wonderful and caring individuals.”

In 2012, Saint Francis Medical Center began accepting donations for the Dig for Life campaign online through its website, www.sfmc.net. As a result, numbers increased due to the online fundraising.

Additionally, the Southeast

volleyball team won the NCAA Champs/Life Skills Award every year since its inception. The Redhawks have donated half of their \$1,000 prize for winning this award back to the Dig for Life cause.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

This Is The OVC

Now in its 65th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which begins competition in the 2012-13 academic year. The addition of Belmont gives the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 64 years, 15 teams have

won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns (including sharing the title in 2011), which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns and Jacksonville State has three, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri (which captured its first crown in 2010), UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKV was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKV; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKV's 20 FCS playoff appearances are the second for the most all-time (behind

only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired following 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in four of the past six seasons.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differ-

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

This Is The OVC

ences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the post-season bowl system (the 35 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at Flyer Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three-hour drive from Morehead for the game. The Eagles season would come to an end three days later when they lost to No. 1 overall seed Louisville, despite playing the Cardinals close for a majority of the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round

of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

The OVC has now won NCAA Tournament games in four-straight seasons, something

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

This Is The OVC

that has never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC is one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Through its 64 years, 12 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 23 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (who won its first in 2008-09) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2012-13

season with 363 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09) and Morehead State's Kenneth Faried (2009-10, 2010-11).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids

the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 17 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 21 times in the past 31 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 13 of the last 19 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and repeating as champions in 2012. Austin Peay leads the group with seven crowns including four-straight from 2000-03 and back-to-back titles in 2009 and 2010, while Tennessee State, Eastern Kentucky, Murray State and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. Inman came out of retirement to take the Tennessee State job and will be in his first year with the TSU program in 2012-13.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilyn Harper, Cheryl Taylor,

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

This Is The OVC

Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; and Murray State's Ashley Hayes.

Bozeman finished her collegiate career in 2010-11 by winning her second consecutive OVC Player of the Year award. Her 2,170 points ranks her eighth all-time in OVC history, her 377 made career 3-pointers is first in OVC history and sixth in NCAA history and her 1,096 career 3-point attempts ranks first in OVC history and second in NCAA history.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 64 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player

Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former ECU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 29 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and

received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The ECU men would win its record 20th OVC Championship and later qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi finished 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first ECU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Ky. and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tenn. and Pringles Park - the home of the Seattle Mariner's Class AA affiliate - hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS VOLLEYBALL

This Is The OVC

contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Gobs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Gobs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. In marked the first-time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season. Overall OVC teams have won at least one game in the NCAA regional round in four of the last six years.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrner who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

In 2010 a record 13 OVC baseball players were selected in Major League Baseball's First-Year Player Draft.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning

a spot on the Commissioner's Honor Roll.

Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 211 student-athletes honored with the award, including 32 over the last three years (2009-10, 2010-11, 2011-12).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men,

and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

*The college experience of a lifetime. The job of your dreams.
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic, with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.

2009—*InsideCollege.com* reports single out our honors program as an effective way to make large school seem smaller with a more personal approach to learning.

2010—Computer science receives prestigious national accreditation.

**Safest
Campus
in Missouri**

StateUniversity.com

2010—Southeast is named the safest campus in Missouri and among the safest in the nation by StateUniversity.com.

2010—Consumer watchdog group GetItDone.com ranks Southeast #1 on its list of "Top 10 Ranked Best Values Online MBA's - AACSB Accredited!"

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

We have...

- ▶ Small classes with 56 percent of courses having fewer than 30 students
- ▶ Faculty with PhDs—some teaching assistants—who teach most classes
- ▶ More than 200 areas of study
- ▶ Woodland wireless classrooms and best-of-class technology
- ▶ Internships and real-world learning offered in 100 percent of programs
- ▶ Study abroad opportunities that take you almost anywhere

We are....

- ▶ NCAA Division I athletics
- ▶ Listed among the Midwest's top universities
- ▶ One of the select college campuses in the nation
- ▶ Conveniently located 175 miles south of St. Louis
- ▶ A medium-sized university with more than 11,000 students
- ▶ Composed of ten colleges and schools

We provide...

- ▶ Choices in the University Studies (general education) classes
- ▶ Some of the newest residence halls in Missouri
- ▶ 160 organizations that keep you busy after class
- ▶ Each student with two advisors—academic and career
- ▶ Fraternities and sororities that are productive and fun
- ▶ One-of-a-kind student aquatic center in one of our two recreation centers

2011—U.S. News & World Report names Southeast a "Best Midwestern Regional University."

2011— Princeton Review again names Southeast as one of the "Best in the Midwest," representing only about 15 percent of the nation's four-year colleges.

2011—For seven consecutive years, Princeton Review includes Southeast College of Business on its list of "Best Business Schools."

2012—U.S. News & World Report lists both nursing and communication disorders on its list of top graduate programs in health.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

Donald L. Harrison College of Business

Our increasingly popular business programs have made us one of the major colleges of business in the Midwest. The Donald L. Harrison College of Business is accredited by AACSB International—the gold standard of business school accreditation—an honor held by only 5 percent of institutions offering business degrees worldwide.

- ▶ Employees and students value our stress-free environment. It's a combination of all nationally known business programs, Southeast ranked in the top 1 percent in learning to use and manage technology.
- ▶ Our entrepreneurial studies programs Missouri's most comprehensive, offering options for undergraduate and graduate degrees. The Douglas C. Givens Center for Innovation and Entrepreneurship is one of the most comprehensive entrepreneurship focused university centers in the Midwest.
- ▶ Southeast students have gone for more than 50 international exchange and study abroad opportunities in London, Paris, Spain, Portugal and Rio de Janeiro.
- ▶ Our hands-on approach for students allows the opportunity to participate in internship programs with companies nationwide.
- ▶ Students can participate in many learning experiences with classrooms that have Internet, cable TV, direct satellite feed and interactive presentation capability.
- ▶ St. Louis employers rate the "St. Louis Interview Day" as the best recruiting event in which they participate in the Midwest.
- ▶ Our accounting curriculum prepares students for the Certified Public Accountant (CPA) and Certified Internal Auditor (CIA) designations. Students may go to work directly into an accounting field or go on to complete the 150-hour requirement Missouri and other states require for the CPA examination. Our first-time pass rate on the CPA exam continues to be well above the national average.
- ▶ Business programs are housed in Enterprise Hall, a wireless classroom environment featuring an electronic presentation lab and more than 800 networked computers with the latest software.

College of Education

If you are considering teaching as a profession, you are looking at a bright university. For more than a century Southeast has been preparing and certifying some of the nation's brightest and best teachers. Moreover, we have a record of accomplishment to prove it.

- ▶ Most importantly our education program is fully accredited by the National Council of Teacher Education (NCTE), which sets the highest standards for teacher education programs nationwide.
- ▶ The Missouri Department of Elementary and Secondary Education approved 10 initial teacher preparation programs and 11 graduate programs.
- ▶ Because of our long-standing relationships with classrooms, during your first year you accumulate more teaching practice and knowledge than graduates from other universities.
- ▶ The College of Education maintains classroom observation through a rigorous online process from 11 specialized professional associations.
- ▶ Our counseling programs have earned national recognition for accreditation by the Council for the Accreditation of Counseling and Related Educational Programs.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

College of Health and Human Services

Although there are diverse academic offerings in the College of Health and Human Services, all programs potentially lead to a career that significantly and positively impacts the lives of individuals and families.

- ▶ All nursing programs (nurse and nurse practitioner) are accredited by the Commission on Collegiate Nursing Education.
- ▶ The recreation program is accredited by the Canadian Association for Recreation, Park Resources and Leisure Services.
- ▶ The Communications Disorders program allows students to gain clinical experience with children and adults who have speech, language or hearing disorders.
- ▶ Aerospace Studies offers a path to citizenship for those intending to pursue officer positions in the United States Air Force. During a summer field training course for the Professional Officer Corps, students experience aerial training, aircraft and air crew orientation, physical training and the crew operation of an Air Force base.
- ▶ The nationally accredited social work program requires students to complete 400 hours of field education under the supervision of experienced social workers.
- ▶ Southeast has a strong connection with the Law Enforcement Academy and has more than 30 years of partnership in all branches of criminal justice at the federal, state and local levels. Our students intern with the U.S. Marshals Service, the FBI, the U.S. Secret Service, Federal Probation, Missouri Division of Probation and Parole, Missouri Health Services and other law enforcement agencies.
- ▶ The dietetics program is accredited by the American Dietetic Association Commission. Our graduates have a success rate of nearly 100 percent on the national exam to become registered dietitians.

College of Liberal Arts

An education in the liberal arts gives you broad-based training for careers in business, the arts, media, education and the legal profession.

- ▶ Southeast's mass communication program is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC). Only one other institution in Missouri has this elite accreditation. Our public relations program is one of only 38 institutions — none in Missouri — that hold certification by the Public Relations Society of America (PRSA). Only 13 other institutions in the world have recognition from both ACEJMC and PRSA for their mass communication programs.
- ▶ Students can work at four campus radio stations (NPR affiliate KRCR 90.5 FM and KRCR 105.7), the campus student newspaper and "132" cable television station.
- ▶ Our certified teacher preparation program is one of a few U.S. programs that offers a four-year degree and is among a small number to have full membership in the National Council for Professional Education.
- ▶ During the last five years, Southeast's pre-law students have exceeded the national LSAT average score, and their placement rate in law school approached 100 percent.
- ▶ Students majoring in philosophy have a 100 percent acceptance rate to graduate and law school.
- ▶ Our students make politics come alive by working on political campaigns and by serving as interns. Each year approximately 10 students from around the university travel to Washington, D.C. to conference with some of the nation's top scholars at the Center for Strategic and International Studies.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

College of Science, Technology and Agriculture

The foundation of success in Southeast's College of Science, Technology and Agriculture lies in faculty of teacher-scholars supported by well equipped laboratories and the latest technology which offer our students personalized study and research opportunities during their undergraduate studies.

- ▶ Our popular computer science bachelor's program is nationally accredited by the Computing Accreditation Commission of the International Board of Engineering Technology.
- ▶ Our popular marine biology program is one of the only inland programs in the U.S., creating an opportunity for students to combine a traditional college experience with the study of marine life because of our collaboration with the Gulf Coast Research Laboratory in Ocean Springs, Miss.
- ▶ Southeast's pre-med curriculum prepares students for the MCAT (Medical College Admission Test). Our students are accepted to medical school at a rate that is well above the national average.
- ▶ Our chemistry graduates consistently score at or above the 70th percentile on the Major Field Achievement Test in Chemistry.
- ▶ Our engineering/physics program is nationally accredited by the Accrediting Board of Engineering and Technology (ABET), the sole accrediting body of engineering programs, which means that graduates of the program are eligible to take state engineering professional engineers.
- ▶ All of the bachelor of science programs in the Department of Industrial and Engineering Technology are nationally accredited.
- ▶ In addition to a \$23-acre BioVISTA, Barton Agriculture Research Center, Agriculture students study at a 110-acre site incorporating a non-irrigated turk place crop and a modern soil fertility laboratory.
- ▶ The School of Horticulture Studies operates the 11,000-square-foot, climate-controlled Charles F. Barton Horticulture Greenhouse.
- ▶ Our non-traditional programs are the only one of its kind in Missouri. The U.S. Department of Labor estimates there will be 135,000 new jobs in this field by 2018 - a 21 percent increase in Missouri alone.
- ▶ The innovative sustainable energy program management major responds to world needs to address global warming, air pollution and resource destruction.
- ▶ Southeast's pre-veterinary medicine program prepares students for admission to the College of Veterinary Medicine at the University of Missouri - Columbia.
- ▶ Mathematics faculty are actively involved in research and design projects of interest to students.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS ATHLETICS

Earl and Marge Holland School of Visual and Performing Arts

Classic beauty and modern technology converge at Southeast's River Campus—Missouri's only campus dedicated exclusively to art, dance, music and theater. Encompassing the Illinois Opportunity, a Cultural Arts Center and transformed Seminary Building are now home to the Earl and Marge Holland School of Visual and Performing Arts. With the opening of this magnificent facility, the number of new students planning to major in the visual and performing arts doubled in one year.

- ▶ Art students have three interconnected art studios for painting, drawing, printmaking, film and digital practices; computer lab rooms, as well as two galleries for the exhibiting traditional & computer-generated work; the latest hardware and software available.
- ▶ Students find internships and professional experience at the Berkshire Theater Festival, the Lucille Lortel Theater in New York, the Midwood Summer Theater at the University of Connecticut Summer Theater and more.
- ▶ In 2008, the Golden Eagles Marching Band performed at the Edinburgh Military Tattoo, it's a tradition uniquely the second American university marching band to perform there twice.
- ▶ In addition to performances throughout the season, featuring world famous guest artists, the Southeast Missouri Symphony Orchestra exchanged music as well as culture in China where they performed concerts in Shanghai and Beijing in 2009.
- ▶ The River Campus gives students the opportunity to show their work in state-of-the-art venues: the 600-seat Donald C. Beffel Performance Hall is a premium theater with spacious stage and backstage areas. The 300-seat Family Theater East Flexible Theater can be configured in infinite ways for "black box" productions. The 300-seat Robert F. and Gertrude L. Shook Music Recital Hall features nearly perfect acoustics. A student/faculty art gallery features technology that allows for the display of 3-D animation, as well as painting, prints, ceramics and sculpture. The Rosemary Beffel and Mary L. Craig II Museum has an interactive educational theater, an gallery for changing exhibitions, and a permanent display featuring southeast Missouri.

Living on Campus

Southeast offers students 11 residence halls from which to choose. Each room has Internet access and cable TV. Room dining areas are available with a variety of options, and, with no entrance fees or non-organization fees, students find plenty of opportunities to get involved.
