## 2013 VOLLEYBALL GUIDE

# SOUTHEAST MISSOURI STATE UNIVERSITY

Houck Field House

## Houck Field House

**H**ouck Field House is the home of the Southeast Missouri volleyball and women's gymnastics teams.

The 40,000-square foot building features a 4-year old sports court as its playing surface. Houck Field House also has the ability to fit two regulation-size volleyball courts.

After the Show Me Center was completed, Houck Field House was renovated in 1987 and 1995 to better accommodate women's volleyball and gymnastics competition.

Locker rooms for baseball, volleyball, soccer and softball, an indoor walking track, athletic training room, and offices for baseball, soccer, softball, volleyball and tennis are also housed in the facility.

Today, Houck Field House seats approximately 1,000 fans for numerous athletic events throughout the year.

# SOUTHEAST MISSOURI STATE UNIVERSITY

**P**revention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. Head Athletic Trainer Alfred Castillo directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants.

The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through. There are currently five athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are four other satellite athletic training rooms, including one at Houck Field House, one off of Houck Field, one at Parker

Academic Building, and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by six orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

## Strength & Conditioning

**S**outheast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

Training Principles for Southeast Athletes:

*1. Reduce the risk of injuries*

- If a student-athlete is injured, he/she will not be able to compete at practice or games.

*2. Maximize athletic ability*

- We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

*1. Ground Based Movements*

- Athletes compete with their feet on the ground, and therefore, should train that way. The ability to

produce force against the ground determines how fast athletes can run and how high they can jump.

*2. Three-Dimensional Movements*

- Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

*3. Multi-Joint Movements*

- Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

# SOUTHEAST MISSOURI STATE UNIVERSITY

The Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Courtney Lawson and Graduate Assistants Emily Obergönnner and Caitlyn Bamberger.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. Last year, the Redhawks combined for a 3.12 cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Thirteen of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. The gymnastics team posted the best overall mark with a 3.85. In all, 16 student-athletes achieved a

perfect 4.0 GPA.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The

course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to

appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

**D**r. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced including the establishment of the College of Science, Technology, and Agriculture and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the ninth year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online

MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2013; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest public college campus in Missouri, Militaryfriendlyschools.com lists Southeast among the top schools that embrace veterans as students, and recent freshmen survey data indicate that new students applied only to Southeast at a rate three times the national average.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,700 in 2012. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$300 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$58 million River Campus were constructed. Additionally, The Douglas C. Greene Center for Innovation and Entrepreneurship to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University currently is in the midst of more than \$90 million in capital renovation for maintenance and repair projects including the renovation

of the historic 107-year-old Academic Hall, the remodeling and upgrades to the Magill and Rhodes sciences complex, a new residence hall on the north end of campus, and a new classroom/residence hall building at the River Campus.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities, and is the senior member of the organization. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 U.S. public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, chaired the organization in 2010-2011, and currently serves on the executive committee as past chair of the AASCU Board. Also, for the past nine years, he has served as one of four faculty members for the week-long AASCU New Presidents' Academy, and currently chairs the Finance Committee of the American Academic Leadership Institute. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcommittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy Scouts of America, and was elected by local council associates to serve on the National Council, Boy Scouts of America. In 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in

1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State, where in 2011, he was awarded the Alumni Leadership Award for the College of Education, Health and Human Services Annual Hall of Fame Awards. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and two grandsons, Lincoln Kenneth and Brady Larson Dobbins.

**T**he Southeast Missouri State University Department of Athletics is on the rise under the leadership of Mark Alnutt.

Alnutt begins his second year at Southeast after officially taking over as Director of Athletics on April 19, 2012.

When Alnutt speaks, you will often hear him say, “academic excellence,” “social development,” “competitive success,” and the “I-55 Corridor.” The first three are the core values of Southeast’s mission, and the latter is the stretch between St. Louis and Memphis which is so important from a branding, recruiting and fundraising standpoint. Alnutt successfully hit all of those areas among other things over the course of a productive 2012-13 campaign.

Academically, Southeast student-athletes combined for a 3.12 cumulative grade point average in the fall and spring semesters. A total of 192 individuals recorded a 3.0 or higher GPA, accounting for 60 percent of all student-athletes. Thirteen of the Redhawks 15 teams achieved a cumulative grade point average over 3.0, including all 10 women’s programs.

In line with academics, Alnutt constantly encourages Southeast coaches and student-athletes to be visible in the

community. Student-athletes logged over 1,000 hours of community service in such projects like Pink Up Cape, Feed My Starving Children, Project Homeless Connect and Cape Girardeau Adopt-A-Street last year.

Competition wise, the Redhawks placed third in the Ohio Valley Conference Commissioner’s Cup, earning their highest finish in history of the award. The women’s track & field team captured the OVC Indoor Championship and the volleyball team won the OVC West Division in 2012. Southeast’s men’s basketball team finished second in the OVC West Division and turned in its first winning season since 2004-05, as well.

Alnutt was the driving force behind securing the first-ever NCAA football game at the new Busch Stadium in St. Louis. Longstanding regional-rivals Southeast Missouri and Southern Illinois will meet in that matchup on Sept. 21, 2013.

Total giving to athletics also increased by more than 12 percent under Alnutt. As a result, the department raised over \$350,000 through various fundraising

initiatives.

Alnutt launched the inaugural Redhawks Road Trip which served as a series of outreach events to give fans, alumni, supporters and community members the opportunity to meet coaches, student-athletes and administration from Southeast Athletics. Stops were made to a number of different locations along the “I-55 Corridor” from May to June.

Prior to accepting his first job as Director of Athletics, Alnutt served as the Senior Associate Athletics Director at the University of Missouri.

Alnutt was the administrative liaison for football; supervised track and field, cross country, gymnastics and golf; spearheaded the department’s project management team; served as the primary point person for the Athletic Department, overseeing all aspects of facility project master planning, development, management and implementation; and was involved with external department operations, including development, game operations, marketing, media relations, Mizzou Sports Properties and ticket operations.

Alnutt also managed postseason travel

arrangements for each of the University of Missouri's 20 intercollegiate sport programs. He oversaw Missouri's Nike contract, the Big Wheels and Flying Tiger programs and the department's relationship with Old Hawthorne Golf Club. In 2009, he managed a \$5 million video board project through the University of Missouri Sports Complex with the centerpiece being a new board at Faurot Field. He also oversaw the design and construction of the new Golden Girls/Gymnastics practice facility in the fall of 2011. Alnutt was actively involved in the solicitation and stewardship efforts of capital gift giving, as well.

Alnutt spent six years at the University of Missouri as director of football operations, adding an assistant athletic director title prior to the 2005-2006 season. In that role, his duties included coordinating the team's travel plans, overseeing the football budget, handling compliance issues, scheduling of facilities, assisting with recruiting operations and managing the day-to-day operations of the football program.

He coordinated public relations and community service events for football, and oversaw all organizational aspects for the University of Missouri's trips to the 2003 and 2005 Independence Bowl games played in Shreveport, La. He also represented the football program as part of the design team that planned the \$16 million expansion and renovation project which turned the Tom Taylor Building into the Missouri Athletics Training Complex.

Alnutt was a three-year letterman for the University of Missouri as a linebacker and tight end from 1993-1995 and was voted the team's champion of the year as a senior. He earned a degree in sociology in 1995 and went to work for Major Brands

as a senior salesman in Kansas City from February 1996 to August 1997. He returned to the University of Missouri to pursue a master's degree in public administration with an emphasis on sports psychology. He joined the Missouri football staff in 1998 as an administrative/video graduate assistant. Alnutt completed his master's degree in May 2000 and took over as director of football operations that August.

A native of Kansas City, Alnutt served as president of the board of directors for Big Brothers/Big Sisters of Boone County and was selected to participate in the 2002-2003 NCAA Leadership Institute for Ethnic Minority Males. In June 2005, he was recognized by Columbia Business Times as one of the Columbia's 40-Under-40 business leaders for his work in the community.

He has participated in the Division I-A Athletic Director's Institute, attended the NACDA Mentoring Institute and chaired the NCAA Women's Gymnastics committee. In 2010, he was the recipient of an Outstanding Chancellor's Staff recognition and the Barbara S. Uehling

Award for Administrative Excellence at the University of Missouri.

More recently, Alnutt was selected to serve a four-year term on the NCAA Minority Opportunities and Interests Committee, effective Sept. 1, 2013.

The NCAA Minority Opportunities and Interests Committee (MOIC) was formed by the Association in January 1990 to review issues related to the interests of ethnic minorities and women. These issues focus on the education and welfare of minority student-athletes, as well as the enhancement of opportunities for ethnic minorities and women in coaching, athletics, administration, officiating and the NCAA governance structure.

Alnutt and his wife, the former Kate Hankins, are the parents of four children, Jaren, Kinleigh, Mason and Aidan.

**J**ulie Yankus is in her third season at the helm of the Southeast Missouri volleyball team. In 2011, she led the Redhawks to their first Ohio Valley Conference Tournament since 2008 and their first win since 2006. In 2012, the Redhawks clinched the OVC West Division crown.

Southeast finished the 2012 campaign with a 21-13 overall record and a 12-4 record in the Ohio Valley Conference. Southeast was picked to finish third in the OVC Preseason Poll and finished the season atop the West Division, second overall in the standings. With the No. 2 seed going into the OVC Championship Tournament, the Redhawks picked up a first-round win over Jacksonville State but fell to No. 3 Belmont in the second round. Belmont would go on to win their first OVC Championship Tournament crown.

The 2013 roster features 14 players: nine returnees and five newcomers. The Redhawks return All-OVC honorees Emily Coon and Colleen Yarber as well as senior Julie Shives and Sophomore Taylor Masterson.

## Middle Blockers

Senior **Emily Coon** (Imperial, Mo.) is the top returnee in the middle for the Redhawks. The Preseason All-OVC selection led the conference in blocks in both 2012 and 2011. She also posted an

impressive hitting percentage of .258 last season. Coon recorded a league-best 12 blocks at Murray State on November 2.

"I am really excited to have Emily back this season as a senior after being an All-OVC performer all three years of her career. She has done an excellent job for us and has matured a lot both on and off the court. She is a great blocker and we look to expand her offensive options for us this season," said Yankus.

Sophomore **Taylor Masterson** (Chesterfield, Mo.) returns this season after a breakout year in

2012, which earned her OVC All-Newcomer Team honors. As a redshirt-freshman, Masterson recorded 122 blocks and posted 216 kills with a team-best .281 hitting percentage. She was named Adidas OVC Offensive Player of the Week September 17 after posting 39 kills and hitting .344 with 13 blocks that week.

"I am very excited that Taylor will only be a sophomore this season after doing a great job for us her freshman year. She got to know the system well and how we run things. I feel she will contribute even more this season and be more available as an offensive option for us."

Junior **Kelsey Keeve** (La Grange, Ill.) returns after a successful sophomore campaign. She recorded 218 kills, an impressive .250 hitting percentage and 96 total blocks.

"Kelsey will see a lot of action in both the middle blocker position as well as on the rightside. She really added a lot of blocking experience on the rightside last season as she shut down opposing players. And she will be a key offensive player for us, both on the rightside as well as in the middle. I look for Kelsey to add depth in both positions with her versatility on offense."

Redshirt-freshman **Halle Brown** (Charleston, S.C.) will see action this season after sitting out the 2012 season.

"Halle used last season to get used to the college level and

adjust to our speed of the game. With that year under her belt, she will push the middle blockers in front of her. She has grown a lot with her lateral movement and understanding of the game in general.”

### Outside Hitters

Preseason All-OVC selection **Colleen Yarber** (Smithton, Ill.) will look to lead the Redhawk offense again this year after posting 422 kills and 481 points last season. She ranked third in kills/set in OVC play with 3.62. She had a career-high 23 kills against Tennessee State on October 13.

“Going into her senior year, Colleen is one of our most consistent performers and was our

go-to hitter last season, especially under pressure situations. She has added more depth to her game, not just being a powerhouse but also becoming a smarter player. I fully expect her to have another great year for us.”

Junior **Andrea Baylin** (Dublin, Ohio) will make her return to the court after sitting out last season due to injury.

“We are extremely excited to have Andrea back after sitting out last season. Her rehab went very smooth and she came back faster than expected. She has used all spring and summer to get back to 100%. She is a very smart player who sees the court well and makes great shots. Her volleyball I.Q. is really going to help add depth and experience to the outside hitting position.”

Newcomer **Alexandria Rohlfing** (Waterloo, Ill.) will look to add experience to the outside hitters this season. Rohlfing, a junior, comes to Southeast from Augusta State in Augusta, Ga.

“We are very happy to have Alex with us this season after having two years of college experience under her belt. She can play all six rotations and can add a lot of depth to the position. She has a powerful swing and she will help round-out the outside hitting positions.”

### Rightside Hitters

Junior **Meredith Stranges**

(Dublin, Ohio) will look add depth on the rightside after seeing limited action the last two seasons. In 2012, she recorded seven kills and three blocks for the Redhawks.

“Meredith has a lot of experience and she is a very smart volleyball player. Because of her offensive ability and very high volleyball I.Q., she will be a top contender for a spot on the rightside.”

Freshman **Madalyn Werths** (Edwardsville, Ill.) will look to compete for the rightside position after leading Edwardsville High School to regional and sectional championships her senior season of high school.

“Madalyn is a great athlete and she will add height to the position.

# SOUTHEAST MISSOURI STATE UNIVERSITY

Being a lefty on the rightside will help add angles and shots that give her a lot of offensive weapons and options that will help her fight for playing time.”

## Setters

Preseason All-OVC selection **Julie Shives** (Grove City, Ohio) led the league in assists last season with 1,345. Shives was named to the Preseason All-OVC team and earned Adidas OVC Setter of the Week on September 3 after recording 103 assists, averaging 11.44 per frame, while also

recording 16 kills and a .484 hitting percentage that week.

“Julie is one of the most experienced players on the team and she knows how to be a leader and knows what the coaching staff wants. She is a great athlete whose quickness and agility allow her to deliver a good ball to our hitters.”

Freshman **Katarina Rotta** (Harvard, Ill.) will look to add depth to the setter position and hope to add playing time behind Shives.

“Katarina is a great setter and has a lot of experience working with high-level players in club and high school. She will add depth right away to the setter position. She is also a really smart player, which is a great asset to have in the setting position.”

## Liberos

Senior **Berkley Idel** (Wildwood, Mo.) returns as the veteran libero for Southeast. Idel recorded 625 digs last season, 309 of which came in conference play. Her 625 digs ranked fourth all-time in single season digs in Southeast’s record books. She recorded a career-high 29 digs against Belmont on November 16.

“Berkley has done a great job for us the last two years as our libero. She is a great passer with excellent ball control and I expect her leadership to be even stronger this year by letting her take charge of

the back-court.”

Freshman **Jade Mortimer** (Bloomington, Ill.) will look to add depth to the libero position and hope to earn playing time behind Idel.

“Jade is a great athlete who is really quick and great defensively. She is a strong contender for one of our defensive positions. Jade has an excellent high school and club background that will help her at the college level.”

**Haley Roberts** (Farmington, Mo.) comes to Southeast as a sophomore from Westminster College. The defensive specialist

## 2013 Season Preview

has collegiate experience and will look to compete for playing time.

"Haley has some experience at the college level after playing at Westminster last year. Her experience and good ball control will help her compete for one of our available positions."

### 2013 Schedule

A total of ten home games are featured on the 32-match schedule.

The season will begin with nine contests on the road before opening the home schedule against UMKC, September 18.

Southeast Missouri will compete in four tournaments beginning with Mississippi State. Other tournament hosts include Kansas State, Ohio State and Missouri.

"Our tournament schedule will be tough but it will be critical to prepare us for conference and help us realize the level of play we can attain by playing higher level teams."

OVC play will begin at home this season against Eastern Illinois on September 27.

"I am most excited about our conference schedule this year. We open at home for the first time since I have been here. It will be an excellent opportunity to kick off OVC play here at Houch."

# SOUTHEAST MISSOURI STATE UNIVERSITY

Once again, the Southeast Missouri State volleyball team joined forces with Saint Francis Medical Center and over 40 local businesses and 20 area schools to raise a record number of funds for the Dig For Life and Pink Up Cape campaigns in 2012.

The annual campaign runs during the month of October and coincides with National Breast Cancer Awareness Month. Members of the Southeast volleyball team secure pledges

per dig that are tallied through October home matches at Houck Field House. The money raised is then allocated to Saint Francis Medical Center for the campaign's purpose of educating women in the Southeast Missouri area about breast cancer awareness, providing early detection opportunities and improving prevention efforts. The Redhawks produced a record 487 digs in seven home matches this past October.

The Dig for Life campaign was started in 2000 by former volleyball head coach and current Senior Associate Director of Athletics and Senior Woman Administrator Cindy Gannon and sponsored by Saint Francis Medical Center to help educate women about breast

cancer. The campaign also raises money to provide mammograms for women.

In 2010, Dig for Life was able to provide mammograms to nearly 200 area women who could not receive this screening due to lack of adequate health insurance, high deductibles, unemployment or

Dig For Life

inability to pay. Since its inception in 2000, the program has funded over 2,000 free mammograms to area women.

The university's Athletics department continues to embrace the Dig for Life campaign as

other sports have joined the volleyball team's efforts during their respective seasons, including gymnastics, women's soccer, women's basketball, softball and baseball. Each season, these teams honor area breast cancer survivors

to raise awareness of breast cancer and support the Dig For Life campaign.

"I am so thankful to Saint Francis Medical Center and the Southeast volleyball team for all their efforts in the Dig for Life campaign," said Gannon. "This program began in memory of my mother and thanks to the hard work and generosity of so many people, her memory lives on and we are potentially saving the lives of many women. I feel very fortunate to be associated with such wonderful and caring individuals."

# SOUTHEAST MISSOURI STATE UNIVERSITY

Now in its 65th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which begins competition in the 2012-13 academic year. The addition of Belmont gives the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to

African-Americans.

Through the past 64 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns (including sharing the title in 2011), which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns and Jacksonville State has three, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri (which captured its first crown in 2010), UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked

sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 20 FCS playoff appearances are the second for the most all-time (behind only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired following 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in four of the past six seasons.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as

This is the OVC

I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 35 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at Flyer Arena in Dayton, Ohio. The game was played

in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three-hour drive from Morehead for the game. The Eagles season would come to an end three days later when they lost to No. 1 overall seed Louisville, despite playing the Cardinals close for a majority of the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-

ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

The OVC has now won NCAA Tournament games in four-straight seasons, something that has never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC is one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Through its 64 years, 12 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 23 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (who won its first in 2008-09) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories

and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2012-13 season with 363 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniel (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09) and Morehead State's Kenneth Faried (2009-10, 2010-11).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009

and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 17 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 21 times in the past 31 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 13 of the last 19 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and repeating as champions in 2012. Austin Peay leads the group with seven crowns including four-straight from 2000-03 and back-to-back titles in 2009 and 2010, while Tennessee State, Eastern Kentucky, Murray State and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007;

This is the OVC

he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. Inman came out of retirement to take the Tennessee State job and will be in his first year with the TSU program in 2012-13.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilyn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; and Murray State's Ashley Hayes.

Bozeman finished her collegiate career in 2010-11 by winning her second consecutive OVC Player of the Year award. Her 2,170 points ranks her eighth all-time in OVC history, her 377 made career 3-pointers is first in OVC history and sixth in NCAA history and her 1,096 career 3-point attempts ranks first in OVC history and second in NCAA history.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 64 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former ECU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 29 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006)

including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The ECU men would win its record 20th OVC Championship and later qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi finished 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first ECU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

# SOUTHEAST MISSOURI STATE UNIVERSITY

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Ky. and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tenn. and Pringles Park – the home of the Seattle Mariner's Class AA affiliate – hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Gobs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Gobs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon

in the regional final. In marked the first-time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Overall OVC teams have won at least one game in the NCAA regional round in four of the last six years.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehler who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

In 2010 a record 13 OVC baseball players were selected in Major League Baseball's First-Year Player Draft.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 211 student-athletes honored with the award, including 32 over the last three years (2009-10, 2010-11, 2011-12).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered

the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

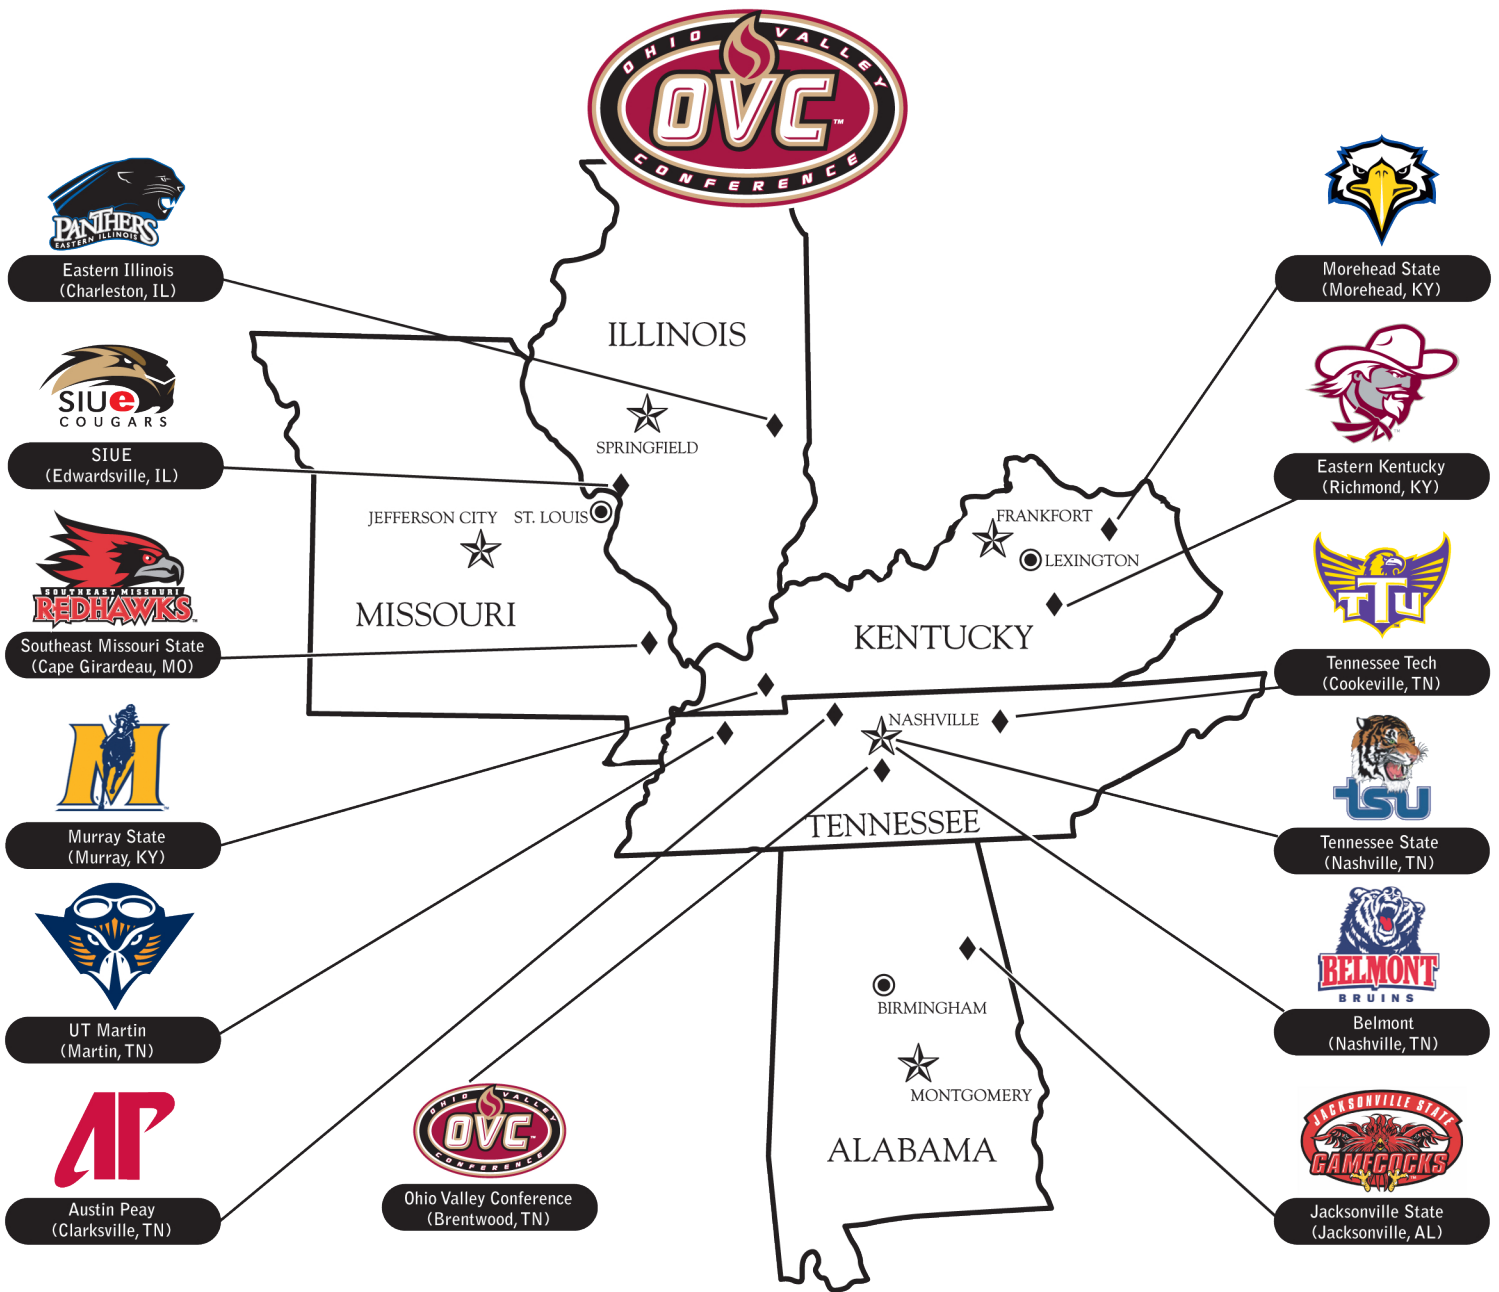

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

*The college experience of a lifetime. The job of your dreams.  
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.
