OHIO VALLEY CO

 $\mathbf{W} = \mathbf{I}$ 

outheast Missouri Soccer captured its fifth Ohio Valley Conference Regular Season title in 2015. The Redhawks were Co-OVC Champions, sharing the title with SIUE after tying with an 8-2 mark in Conference play. Southeast won the right to host the OVC Tournament after defeating the Cougars in the regular season finale in Edwardsville, Illinois.

### MISSOURI NATIONAL GUARD FIELD

issouri National Guard Field at Houck Stadium serves as the home facility for the Southeast Missouri State University women's soccer program.

A dedication to officially recognize the field as "Missouri National Guard Field at Houck Stadium" was held on Sept. 22, 2012. The university and the Missouri National Guard formed a partnership through which naming rights to the field were awarded.

Prior to the 2011 season, Missouri National Guard Field at Houck Stadium received a huge makeover, as a new FieldTurf playing surface, state-of-the-art Daktronics video scoreboard and new lighting (which meets television standards) was installed. The facility was also repainted, giving the longtime home to the Redhawks a flashy look.

Houck Stadium was built in 1930 at a cost of \$150,000 and remains a beautiful and picturesque stadium today.

The dedication game pitted Southeast and Southern Illinois in a football contest on Oct. 3, 1930. That game attracted a crowd of over 6,000. The referee of the inaugural game was James T. Blair, who served as the Governor of Missouri from 1957-61.

Houck Stadium was constructed on the site of a former rock guarry and was purchased in 1925 for \$11,000 at the recommendation of then-Southeast Missouri State University President Joseph A. Serena.

Ten thousand bags of Portland Cement, 23,000 feet of Oregon Fir seat lumber and 150,000 feet of Yellow Pine Form lumber were used in the construction, according to an ad in the Houck Stadium dedication program. The original stadium included 5,240 seats on the south side of the field.

The field and stadium were named in honor of Louis Houck, who served 39 years as a Regent for the university and President of the Board for all but three of those years.

Seating on the north side of the stadium was added prior to the 1963 season. The press box was later constructed on the south side in 1979. Approximately 400 chairback seats were added to a center section on the south side of the stadium in 1992.

In 2000, the first FieldTurf playing field was installed and the exterior of the facility was resurfaced. Improvements were also made to the press box.

More upgrades took place in the fall of 2005. Those included a paved parking area adjacent to the east end zone and new parking and landscaping areas surrounding the outside of the stadium.

A state-of-the-art dormitory was built on the west end of the facility in 2009. The ground floor of that building houses a locker room and athletic training facility, which the soccer and football teams use on game days.

## **ACADEMIC EXCELLENCE**

he Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Coordinator Sandy Wiemers and Graduate Assistant Mackenzie Martin.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks

combined for a 3.15 cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged a record 4,100 hours of community service over the 2014-15 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic

success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center staff works

to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

### **REDHAWKS SUCCESS CENTER**

## COMPETITIVE SUCCESS

outheast Missouri's Strength and Conditioning program is committed to developing the total studentathlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

### **Training Principles for** Southeast Athletes

### 1. Reduce the risk of injuries

• If a student-athlete is injured, he/she will not be able to compete at practice or games.

### 2. Ensure the athletes are optimally prepared to compete

• It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

### 3. Maximize athletic ability

· We challenge each athlete, both physically and mentally, in order to achieve optimal results.

### **Exercises for Southeast** Athletes are based on the following Principles:

### 1. Ground Based Movements

· Athletes compete with their feet on the around. and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

### 2. Three-Dimensional Movements

· Athletes must be able to stabalize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

#### 3. Multi-Joint Movements

· Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

## **SPORTS MEDICINE**

revention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with studentathletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last studentathlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are three other satellite athletic training rooms, including one at Houck Field House, one at Houck Stadium, and one at the Show Me

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

## SOCIAL DEVELOPMENT

tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk football studentathletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

# Redhawks Soccer 2015 SEASON PREVIEW

### **Southeast Missouri State** REDHAWKS

s Head Women's Soccer Coach Heather Nelson and her husband. Associate Head Coach Paul Nelson, enter their 17th season at Southeast Missouri, they are both pleased and excited to coach the 2015 team they have assembled. Coming off an extremely successful 2014 Ohio Valley Conference Co-Championship season, the Nelsons have a great starting point from which to build on, and are confident the 2015 squad is going to be a lot of fun to coach. They also believe that fans will appreciate the 2015 team's attacking style of play, and an overall even higher level of play. "As a whole, our team is extremely technical, and with so many experienced returners we are also more tactical," said Heather Nelson.

Heather Nelson continued, "As

a team, we have more depth, more athleticism, and more complete players all over the field. Our defensive unit has the ability to start our attack, while our forwards have the speed, fitness and soccer I.Q. to significantly contribute to our overall 'team defense.' We increased our team fitness standards, and that is paying off at every position, but most notably in midfield. Our link players are the engine room. They set the offensive and defensive tempo and keep the game moving and flowing."

### **Goalkeepers**

Reigning OVC Defensive Player and Freshman of the Year Kindra Lierz returns in the net for her sophomore campaign. As a freshman, Lierz, in combination with her defensive unit, led the OVC in goals against average (0.70) and shutouts (8) and ranked second in save percentage (.850). This level of success paved the way to Leirz making OVC history when she became the first player to earn both Defensive Player and Freshman of the Year honors. The coaching staff is very pleased with Lierz's work in the Spring and Summer to build on her breakout freshman campaign.

"Kindra made a commitment to stay in Cape all summer and train with our strength and conditioning staff to come back fitter, stronger and more agile," Heather Nelson said.

A season ago, Lierz was the only goalkeeper on the Redhawks' roster. This season, newcomer Alvssa Sickler comes to Southeast to

strengthen the goalkeeping position.

"Competition for the starting position provides an external level of motivation for both keepers to improve on a daily basis," said Assistant Coach Adam Kleman. "Some of the things we have focused on at training have been commanding the goal area, expanding their range, and playing further off the goal line. We are also focusing on the goalkeepers' communication with the defensive unit, and the field players as a whole."

### **Defenders**

The 2015 back field brings with it a lot of veteran experience but also a good mix of newcomers who have the potential of stepping up and contributing early on. Three of the four seniors on the roster have significant experience, while junior

Christiana Rohde, Second Team All-OVC in 2014, and sophomore Shav **Darga** are also expected to positively impact the defensive unit.

"We have a higher level of tactical understanding with this group of returners, and our newcomers have come in and done a great job learning our system of play," said Paul Nelson. "All in all, we are very pleased with the ability to change and move players in the back and not see any significant drop off in play between starters and reserves.

"10 years ago, most back players would be looked at as pure defenders especially in the center back position, but with the evolution of the game, defenders have become more attackoriented. We feel we have very complete players all across the back field. Getting these players into the

attack is a point of emphasis for us."

Two-year captain and 2012 All-OVC performer, Paige Luehmann, leads the defensive unit in career minutes played. Paige has positively entered the Redhawks defense in one way or another since her freshman season. Valeria Jaramillo. who transferred to Southeast a season ago, earned All-Newcomer Team honors after her first season the with Redhawks.

Paul Nelson added, "Valeria is an absolute stalwart and is a player who has all the attributes of a central defender: works hard, tackles hard, gets into good positions, and is conscience of her position away from the ball. She is one of the players we can count on to make big plays in tight games."

Senior Ashley Brendel has contributed minutes at a variety of positions from forward, to central defender to outside back. With her experience as an attacker, she is very comfortable going forward and as such is expected to be an offensive threat from the wingback position.

Freshman Siena Senatore is also expected to make an immediate impact on the back line for the Redhawks this season. Senatore comes to Southeast with a resume that includes playing for the U13, U15, and U17 Australian National Team Programs.

"It's clear to see that Siena has some great attributes, especially building out of the back," said Paul Nelson.

Other players that the coaching

### **2015 SEASON OUTLOOK**

staff looks forward to positively impacting the defensive lineup are freshmen, Lauren Kaempfe and Jordan Nelson, and sophomore transfer, Shelby Beussink. All three players are coachable, versatile, and explosive. They bring an added level of intensity to the defense, as well as an offensive threat to the back line.

### **Midfielders**

The Redhawks coaches are excited about the work rate, intensity and combination play they have seen early on with their group of midfielders. Notable returners include senior Jenna Collingridge, juniors Kaitlin Kuznacic and Abby Klintworth, and sophomore Paige Blankenheim. Sophomore transfer, *Maggie Pike* is also expected to make a significant contribution and add depth to the

## Southeast Missouri State REDHAWKS

midfield unit.

Paul Nelson began, "Our players in the midfield understand their role and are very responsible in their position. To excel as a midfielder at a minimum you need to be a possession player, with a high soccer I.Q. and an amazing work rate. You also need to be able to and anticipate where the ball is going to be played; be a ball-winner. Our midfielders help everyone on the defensive side and on the attacking side. We have an experienced group of players who clearly understand our tactical priorities. I am proud of our midfield because we've got tactically smart players with an excellent work ethic."

### **Forwards**

While the Redhawks can attribute much of their success in 2014 to their

defense, the coaching staff feels 2015 will bring added offense to the mix.

**Natasha Minor**, the Redhawks leading scorer from 2014 returns for her junior season. Minor netted eight goals and assisted on a team-high six goals for 22 points as a sophomore. The performance earned her First Team All-OVC accolades.

New additions to the front line and a mix of characteristics from each will make for an exciting offensive line-up.

"We have experimented with moving *Jennifer Antonacci* from her attacking center-mid role to a forward position. Antonacci has excelled in her new role. She is playing with confidence and really enjoying it," said Paul Nelson.

Angie Mann transferred to
Southeast from Central Michigan in
Spring 2015. "Angie spent the Spring
training with us and really needs to be
complimented on the positive strides
she has made in both technical skill
and tactical understanding. Angie
will be an exciting player to watch
this season" said Paul Nelson. "Her
work rate and strength coupled with
hardness and tackling ability makes
her a dominant force on the field."

Heather Nelson noted, "Our forwards are a unique mix and their strengths complement each other. Natasha is very technical, has great speed with the ball, is two-footed, and has a work rate that is second to none. Angie has pure closing speed, and an outstanding work ethic, and hardness that is in many ways similar to Natasha. And Jenny is extremely

gifted with the ball, is an outstanding play maker, can finish with either foot, and also has exceptional speed. The three of them combine well in the attack, are individually threats to score, and can open up spaces for each other by drawing defenders away. One of the things that make them exceptional as an offensive unit, is the fact that they are extremely capable and quick defenders who can all force turnovers. This adds an entirely new dimension to our forward line."

Heather Nelson went on to add, "We preach that defense starts with the forwards, and this class may be the best unit in the history of our program in terms of being complete players who have the ability to work on both sides of the ball. That mentality and ability is going to elevate our entire

### 2015 SEASON OUTLOOK

game."

Players that will contribute to the Redhawk attack include: sophomore Maddy Cornell, and true freshmen Lauren Kaempfe, Maddi Karstens, Brooke Merseal, and Jordan Nelson.

Heather Nelson noted, "These underclassmen are extremely fit, versatile, and quick. They could find themselves contributing in a variety of offensive and defensive positions as they become more dominant Division I athletes.

### 2015 Schedule

The 2015 schedule is one that will challenge the Redhawks and hopefully provide a degree of balance in which reserve players will also get the opportunity to see playing time.

Heather Nelson began, "Our nonconference schedule started off

strong in an exhibition game against a talented Memphis side. The Tigers had an experienced and quick defensive unit, and we were able to create some good goal scoring opportunities against them. Moving forward we are looking forward to playing regional rivals in Louisville and Evansville, and Northern Iowa. Out of region opponents include Florida Atlantic, Lynn University, Northern Colorado and Northern Iowa. Our non-conference schedule offers a variety of teams we've never played and that's always exciting."

The coaching staff is expecting the Ohio Valley Conference race to once again be tight in 2015. In the preseason predicted order of finish the Redhawks received seven first place votes and were picked to finish second, a mere three points behind SIUE. UT Martin was picked third while Jacksonville State came in fourth.

"The level of play in the OVC has elevated significantly over my coaching tenure. We have quality coaches that are recruiting better overall student-athletes each year. And the way the OVC Soccer Schedule is set up, you only get one opportunity against each team in the league so that makes the outcome of each match count even more. Historically, OVC play is a nail biting experience and determining the regular season champion comes down to the wire every year."

### 2015 OVC Preseason Poll

- 1) SIUE (10 first-place votes)
- 2) Southeast Missouri (seven)

### **Heather Nelson**

Head Coach

17th Season

Saskatchewan, 1992

eather Nelson is the only head coach that has guided the Southeast Missouri soccer program since its inception in 1999. In 16 years under her guidance, the Redhawks have posted 12 winning seasons and compiled a 156-101-33 record. Nelson has coached five Ohio Valley Conference regular season champion teams (2001, 2002, 2007, 2011, and 2014) and back-to-back OVC Tournament championship squads (2006-07) that earned berths in the NCAA Tournament.

### **Championship Culture**

Since the inaugural 1999 season for Southeast Missouri women's soccer, no Ohio Valley Conference school has captured more than the five regular season championships Nelson's program has earned. After the inaugural season in 1999, Nelson guided Southeast to 10 wins the following year, a figure that was matched or surpassed in each of the next eight seasons and nine times total in the following 13 years. By year three, she helped guide Southeast to back-to-back OVC regular season championships (2001, 2002), which saw the Redhawks go undefeated in conference play during each of those years.

In 2001, Southeast stormed onto the scene with a 16-2 overall record and 5-0 mark in league play. The Redhawks posted an .889 winning percentage, which currently stands as the best in school history. That team, which claimed the program's first-ever OVC title, boasted the nation's lowest goals against average (0.44) and the country's top shutout percentage (0.72). The Redhawks allowed only eight goals and posted 13 shutouts in 18 matches. Southeast also ranked 10th in the nation in points per game (2.67). The Redhawks set conference records for wins in a season and goals allowed, posting shutouts in all OVC contests. Southeast repeated as the league's regular-season champion in 2002, posting an overall record of 14-4-2 and 6-0 mark in conference play while leading the league in shots, goals allowed,

goals against, and shutouts. Following the 2002 season, nine players earned All-OVC honors, including Valerie Henderson and Jenny Hamilton, who were named OVC Player and Defensive Player of the Year, respectively. Despite the dominant records and accolades, an OVC Tournament title eluded the Redhawks in each of those seasons. Eastern Illinois pulled off upsets in the tournament championship match of both campaigns.

The Redhawks finally broke through in postseason play during the 2006 OVC Tournament. After a fourth-place regular season finish, Southeast knocked off top-seeded Samford and blanked Morehead State in the OVC Tournament finals to secure its first NCAA Tournament berth in 2006. The Redhawks drew nationally-ranked Illinois in their first NCAA Tournament game and stifled the Fighting Illini offense for much of the first period before eventually falling by a score of 2-0. Southeast turned that momentum from the 2006 run into a memorable 2007 season that saw the Redhawks finish 12-2-4 in the regular season with an unbeaten 8-0-1 record in OVC play. Southeast won a second-consecutive OVC Tournament, blanking UT Martin in the semifinals and outlasting Samford in penalty kicks in front of a home crowd at Houck Stadium to earn a return berth to the NCAA Tournament. Southeast drew in-state rival Missouri and made history in the 43rd minute of that clash when Courtney Alexander scored the program's first NCAA Tournament goal. The contest went to penalty kicks, where Missouri prevailed despite a valiant effort from the Redhawks.

Nelson earned her third OVC Coach of the Year honor in 2007, marking the most of any women's soccer coach in league history. Southeast swept the OVC postseason awards with Alexander claiming OVC Player of the Year, Lindsay Pickering earning OVC Defensive Player of the Year and Ashley Runion collecting the program's first OVC Freshman of the Year honor. Nelson's Redhawks won their fourth regular season title in 2011 with a 12-6-1 record and 8-1-0 finish in the OVC. The eight league wins tied the conference record, which was set by Southeast and Samford in 2007. Nelson was named OVC Coach of the Year for a record fourth time. Jessie Crabtree earned OVC Offensive Player of the Year honors in her lone season at Southeast while Erin Shulman claimed OVC Freshman of the Year honors.

The 2012 season was one of adversity for the Southeast soccer program as the team overcame numerous hardships and a tragedy that impacted the entire university and Cape Girardeau community. Nelson was injured in an accident over the summer and spent time away from the sidelines recovering during the first month of the season. In early September, senior defender Meg Herndon was involved an accident that tragically cut her life short. Equal parts a captain, friend, sister and teammate, Herndon displayed tenacity as a driven defender on the field and was admired by the countless lives she touched in competition and her personal life. Herndon's No. 2 jersey was retired one year later during a celebration of her life prior to the annual alumnae match. During the event, Herndon's mother, Cindi Silvey, presented a check for the newly-formed Meghan Herndon Memorial Scholarship.

"It's amazing knowing that Meg's legacy is going to live on through her scholarship," Nelson said. "Her family has been so wonderful as we've honored her. It reminds me of my relationship with Meg and how pleasant it was to work with her."

The 2012 Redhawks overcame many obstacles to finish 7-10-4 overall and 5-3-2 in OVC play to place fourth in the conference. Southeast closed the season by going 4-0-1 and qualified for the OVC Tournament for the third consecutive year. The momentum continued during

### COACHING STAFF

the tournament as the Redhawks defeated Belmont for the program's first postseason victory since 2007. The memorable run ended in a 1-0 loss to UT Martin, the eventual OVC champions. Haley Abbott became the fifth player under Nelson to earn OVC Defensive Player of the Year.

2013 marked the 11th winning season in Nelson's career. Southeast went 8-7-3 overall and 6-2-2 in the OVC to finish third in the conference standings. The Redhawks earned a berth in the OVC Tournament for the fourth year in a row. Ashton Aubuchon was named OVC Defensive Player of the Year, marking the sixth time in Nelson's tenure that a Southeast player received the accolade and second time that Southeast has claimed the award in back-to-back seasons (Jenny Hamilton, 2001-02).

2014 saw the Redhawks claim their fifth and most recent OVC regular season championship. The Redhawks finished the season 11-6 overall and 8-2 in league play. Southeast defeated SIUE in the regular season finale to win a share of the OVC title with the Cougars. With that win, Southeast earned the right to host the postseason tournament and earn a bye as the No. 1 seed. Freshman Kindra Lierz made history as the first player in the OVC to be named OVC Defensive Player of the Year and Freshman of the Year. Lierz was also named First Team All-OVC and All-Newcomer Team. Aside form Lierz, the Redhawks had four others earn postseason honors following the 2014 campaign.

#### **Developing Standout Student-Athletes**

In her 16 seasons at Southeast, Nelson has coached four OVC Players of the Year, seven OVC Defensive Players of the Year and three OVC Freshman of the Year honorees. Additionally, Nelson has coached 74 players who have earned either OVC first-team, second-team, third-team, honorable mention or all-newcomer accolades since 1999. The Redhawks also earned regional recognition in 2012 as defender Hayley Abbott earned third-team all-region honors from the National Soccer Coaches Association of America (NSCAA). For the second time in three seasons, a Southeast player received NSCAA recognition as defender Nikki Edwards earned honorable mention all-region honors in 2010. Nelson's teams have also performed extremely well in the classroom, posting a 3.3 point grade point average or higher in each of her 16 years leading the program. For the 2013-14 academic year, the Redhawks posted a 3.72 cumulative grade point average as a team, ranking second nationally out of 323 NCAA Division I soccer programs. It also marked the highest total in the 16-year program history. The Redhawks posted the third-highest Division I GPA the year prior. Nelson's student-athletes have earned CoSIDA Academic All-District VII honors on seven occasions. She has also coached 30 OVC Medal of Honor recipients. The Redhawks have earned the National Soccer Coaches Association of America (NSCAA) Team Academic Award in each of the last five seasons.

#### **Before Southeast**

Prior to building the Redhawks soccer program, Nelson coached at Florida State from 1995-98, helping lay the foundation for the Seminoles in an extremely competitive Atlantic Coast Conference. Nelson's 1996 and 1997 teams finished with the ACC's second-best GPA. Nelson coached the 1986 age group Missouri Olympic Development Program (ODP) team to the 2003 Midwest Region II Championship and represented Region II at the 2004 ODP National Championship.

A former member of Canada's national team pool, Nelson was a four-year starter at the University of Saskatchewan. After earning her Physical Education degree in 1992, Nelson went on to get her "B" license and coaching diploma at the National Coaching Institute at the University of Victoria in 1993. At the time, Nelson held the distinction of being one of only five Canadian female coaches qualified to coach at the national team level. Nelson and her husband, Paul, associate head coach at Southeast, have four children, Jordan, Taylor, Justi and Chase. Jordan will play for her parents as a freshman in 2015.

### **Paul Nelson**

### Associate Head Coach 17<sup>th</sup> Season

aul Nelson enters his 17th season with the Southeast Missouri women's soccer program and his ninth year as the team's associate head coach. Paul and his wife Heather, head coach of the Southeast women's soccer team, has built the Redhawk women's soccer program from the ground up since its inception in 1999.

Nelson has drawn on his extensive playing and coaching experience from every level - juniors to professional - providing plenty of valuable guidance along the way.

He helped lead the Redhawks to Ohio Valley Conference regular season championships in 2001, 2002, 2007, 2011, and 2014. Southeast also registered back-to-back OVC Tournament titles and NCAA Women's Soccer Cup appearances in 2006 and 2007.

Prior to Southeast, Nelson spent four seasons as an assistant coach at Florida State and two years at the Canadian western-based National Training Center. In addition, he was an assistant coach for Canada's Olympic team in 1994.

Nelson first entered the professional ranks in 1977 and enjoyed 13 competitive seasons at that level. He played in the once-heralded North American Soccer League (NASL) during both the indoor and outdoor seasons and competed in the Irish Premier Division. Nelson signed with the NASL's Vancouver Whitecaps at the age of 18, where he had the opportunity to play with and against some of the best players in the world, including Pele, Beckenbauer and Cryuff.

In 2011, Nelson, his teammates and staff from the Whitecaps were inducted into the Soccer Hall of Fame and Museum as the 1979 Whitecaps earned the 2011 Team of Distinction Award.

The Whitecaps went 20-10 that season and claimed the NASL's Soccer Bowl with a 2-1 win over the Tampa Bay Rowdies in front of 66,843 fans at Giants Stadium in East Rutherford, New Jersey.

As a staff coach for British Columbia Soccer, Nelson boasted one of the best amateur soccer coaching records in Canada. His coaching successes include gold medals from the 1991 Western Canadian Championships and the 1993 Canada Matches.

In 1999, Nelson served as coach of the American Soccer League's Vancouver 86ers reserve team.

In his first season in 2014, Kleman helped guide the Redhawks to their fifth OVC title. Kleman mentored freshman goalkeeper Kindra Lierz that season. # Redhawks Soccer 2014 SEASON REVIEW

lhe 2014 Southeast Missouri Women's Soccer team experienced the most success it's had since 2011 as the Redhawks claimed a share of the Ohio Valley Conference title.

While the Redhawks didn't net the most amount of goals in the league, it was their ability to defend their goal that paved the way to their fifth OVC Championship in the 16 years of the program. As a team, the Redhawks led the OVC in goals allowed (0.71 goals per game), goals against average (0.70), and shutouts (8).

The Redhawks finished the season with an 11-6 overall record and posted an 8-2 record in OVC play. The Redhawks began the season without allowing a single goal in two games with 2-0 victories over Missouri-St. Louis and UC Davis. Southeast went

> on to be shutout in its next three matches

before bouncing back and recording a 3-0 shutout of regional rival Arkansas State, wrapping up the nonconference portion of the schedule. Senior forward Breana Beine recorded a hat trick in the win over the Red Wolves.

The Redhawks kicked off OVC play with a 4-0 victory over Eastern Illinois; Southeast's largest margin of victory in 2014. Southeast would drop a 2-1 decision to conference powerhouse UT Martin before splitting two matches with Murray State (win, 2-1) and Austin Peay (loss, 0-1, OT). The win over Murray State was Head Coach Heather Nelson's 150th win at Southeast Missouri.

After the loss to the Lady Govs, the Redhawks went on an impressive six-match winning streak to close the regular season. The Redhawks' sixmatch winning streak was the longest unbeaten streak in the OVC in 2014. During the streak, Southeast posted four of their eight shutouts of the season.

The streak began with a road victory over Belmont, 1-0. Southeast then returned to Houck Stadium to host Eastern Kentucky and Morehead State to close the home portion of the regular season. Southeast downed EKU, 1-0, and followed it up with a 2-1 win over Morehead State two days later. The Redhawks went on to blank both Tennessee Tech (2-0) and Jacksonville State (3-0) on the road. The win over Jacksonville State put the Redhawks in line to play SIUE for the OVC title in the regular season finale.

The Redhawks and Cougars faced

off in Edwardsville, Illinois on October 31. The Redhawks needed a win to ensure a share of the OVC title and the right to host the OVC Tournament. Natasha Minor gave Southeast a 1-0 lead in the 25th minute, a lead that would hold until SIUE netted the tying goal late in the match in the 75th minute. Senior Torey Byrd scored the go-ahead goal in the 85th minute off of a rebound following a free kick by Christina Rohde. SIUE goalkeeper Jennifer Pelley deflected the initial shot by Rohde but the ball then rolled towards the goal and Byrd beat Pelley to the ball to put it in the net for the game-winner.

With the win. Southeast earned a share of the OVC Championship with SIUE after both finishing league play 8-2. It was Southeast's fifth conference title in its 16-year history. The Redhawks also secured the No. 1 seed and the right to host the OVC

# Kindra Lierz

Tournament.

With the No. 1 seed in the OVC Tournament, the Redhawks received a bye to the semifinal round where they faced No. 5 Jacksonville State on Nov. 7. The Gamecocks played to a 1-1 draw in the opening round against No. 4 UT Martin and advanced on a shootout to face the top-seeded Redhawks.

JSU's Kelsey Bright scored the lone goal of the match in the 66th minute to upset the Redhawks, 1-0, ending their six-game winning streak and the 2014 season.

The Redhawks had a number of postseason awards and accolades to be very proud of. Freshman goalkeeper Kindra Lierz made OVC history when she became the first player to earn OVC Defensive Player of the Year and Freshman of the Year honors. Lierz also earned spots on First Team All-OVC and All-Newcomer Team. Lierz led the conference

in goals against average (0.70), shutouts (8), and was second in save percentage (.850). Lierz picked up OVC Goalkeeper of the Week honors three times during her freshman campaign.

Minor, a forward, also picked up First Team All-OVC honors. Minor ranked seventh in goals (8), sixth in goals per game (0.50), tied for fifth in assists (6), fourth in assists per game (0.38), and sixth in shots per game (2.75). Minor was named OVC Offensive Player of the Week on Sept. 30.

Southeast had two Second Team selections in Rohde and Beine. Valeria Jaramillo ioined Lierz on the All-Newcomer Team.

Southeast's Kasey Crowden and Paige Luehmann were each named to the OVC All-Tournament Team following the conclusion of the tournament.

### **2014 SEASON REVIEW**

At the Redhawks' end-of-year banquet, Minor was honored at the Howard's Team MVP while Luehmann was the recipient of the Meghan Herndon Award.

Off the field, the Redhawks were just as successful in the classroom. Southeast Missouri soccer posted a cumulative GPA of 3.69 to put themselves in line to receive National Soccer Coaches Association of America (NSCAA) Academic Accolades once again. Seven Redhawks (Ashley Brendel, Torey Byrd, Kasey Crowden, Shay Darga, Kaitlin Kuznacic, Natasha Minor, Bridget Sankey) all earned the OVC Medal of Honor for posting perfect 4.0 GPAs last year. Additionally, 23 soccer student-athletes were named to the OVC Commissioner's Honor Roll, the most of any team at Southeast.

1, 6, 8 OVC Championship

The 2015 OVC Soccer Championship will be played for the 17th time in 2015 with an updated schedule of venues. Starting this season, the regular season will now end on a Thursday with the first round of the championship (featuring the No. 3 through No. 6 seeds) being played on Sunday at campus sites.

The winners will then advanced to the campus of the No. 1 seed and play the semifinals and championship at that location. Previously, all six teams played on the campus of the No. 1 seed.

Last year No. 2 seed SIUE, who tied for the regular season championship, topped Morehead State in overtime in the semifinals and then topped Jacksonville State in overtime in the finale to claim its first OVC Soccer Championship.

# Redhawks Soccer THIS IS THE OVC

Now in its 68th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 15 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972,

women's athletics began a rebirth on the national

scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 67 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has four, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern

Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season

#### THIS IS THE OVC

the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth

first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky

and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14thranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round

of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-

After the Murray State win in 2011-12, the league had won NCAA Tournament games in

four-straight seasons, something that had never happened in league history (threegame winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history. Those teams combined to win eight total games, the most ever by the OVC in one postseason. Entering 2015-16 OVC men's basketball teams have at least one national postseason tournament victory in seven-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-

team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010). OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Through its 67 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Belmont (2 - including winning the titles in each of its first two years in the league), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles: John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach

#### THIS IS THE OVC

of the Year honors at two league schools -Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2015-16 season with 391 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 33 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 15 of the last 22 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peav from 2000-03) to win four-straight tournament titles.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same

institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20vear career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009. won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80thstraight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 67 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basket

ball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 32 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the thirdstraight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

> In 2007, Eastern Kentucky's Jacob Korir

won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012

OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its firstever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts two current PGA Tour professionals in Scott Stallings (Tennessee Tech) and Josh Teater (Morehead State).

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson. Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010.

The OVC also has made a statement in

#### THIS IS THE OVC

the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the firsttime in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2014, for the third-straight year, 12 OVC players were selected in the Major League

Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). The 12 selections were once again just one off the record of 13 selections in 2010; overall the OVC has had 65 players selected over the past six years (2010-15).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conferencesponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 243 studentathletes honored with the award, including 51 over the last five years (2010-15).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995. the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.
