The complex, which was built in 2000, features eight courts, all of which are lighted. Courts were re-surfaced and new bathroom facilities were added within the last year. The Redhawks Tennis Complex is located on the north side of campus at the intersection of Bertling and North Sprigg.

SUCCESS CENTER

SOUTHEAST MISSOURI STATE REDHAWKS

he Redhawk
Success Center offers
Southeast Missouri
student-athletes a place
to study and develop as
students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Coordinator Sandy Wiemers and Graduate Assistants Karley Evans and Bethany Pfeiffer.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. Last year, the Redhawks combined for a 3.17 cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Thirteen of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged over 3,000 hours of community service over the 2013-14 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time studentathletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center

staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

ACADEMIC EXCELLENCE

2013-14 Notables

- Southeast Missouri finished third in the Ohio Valley Conference Commissioner's Cup for the second-straight year in 2013-14. The third-place finish matched the Redhawks highest in school history. Southeast accumulated a total of 107.5 points, a +3.25 increase in its point total from the previous year.
- Southeast Missouri's student-athletes finished the 2013-14 academic year with a 3.17 grade point average and had 13 teams maintain a 3.0 the entire year. In all, 197 individuals finished the year with a 3.0 or higher cumulative GPA accounting for 62.5 percent of the student-athlete population.
- A total of 60 student-athletes received their degrees, including 19 in the fall and 41 in the spring.
- For the fifth time in seven years, Southeast's women's gymnastics team posted the highest cumulative GPA among all NCAA programs as announced by the National Association of Collegiate Gymnastics Coaches/ Women (NACGC/W). The Redhawks 3.81 mark edged Western Michigan's 3.80 GPA.
- Southeast student-athletes logged over 3,000 community service hours in 2013-14. Redhawk student-athletes participated in a number of community service activities, including Feed My Starving Children, Pink Up Cape, Read to Succeed, Special Olympics, American Cancer Society benefit dinner and the SEMO Food Bank's Party for the Good.
- Southeast teams combined for five conference championships in 2013-14. The Redhawks won the OVC men's indoor track, men's and women's outdoor track titles, and baseball crown. Meanwhile, the women's gymnastics team won the Midwest Independent Conference championship.

SOUTHEAST MISSOURI

SOUTHEAST MISSOURI STATE REDHAWKS

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk tennis studentathletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

SOCIAL DEVELOPMENT

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

Training Principles for Southeast Athletes:

- 1. Reduce the risk of injuries
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
- 2. Ensure the athletes are optimally prepared to compete
 - It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.
- 3. Maximize athletic ability
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

- 1. Ground Based Movements
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.
- 2. Three-Dimensional Movements
 - Athletes must be able to stabalize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/ dumbbells vs. machines).
- 3. Multi-Joint Movements
 - Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

COMPETITIVE SUCCESS

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast studentathletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves studentathletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic
Training program prides and
commits itself to providing
the best comprehensive,
personalized and efficient
healthcare to its studentathletes. Delivery of
healthcare focuses on the
prevention and management
of athletic-related
injuries or illnesses, while
adhering to the National
Athletic Trainers' Board
of Certification Standards
of Professional Practice.

ATHLETIC PERFORMANCE

SOUTHEAST MISSOURI STATE REDHAWKS

r. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced including the establishment of the College of Science, Technology, and Agriculture and the Earl and Margie Holland School of Visual and Performing Arts which opened in fall 2007 on the new River

Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the 11th year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited": Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2014; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, Militaryfriendlyschools. com lists Southeast among the top schools that embrace veterans as students, and recent freshmen survey data indicate that new students applied only to Southeast at a rate three times the national average.

Enrollment has increased significantly since a 20-year-low in 1994 when approximately 7,900 students attended Southeast. In fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,900 in 2013. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of

new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving placebound students in and near those rural communities.

During Dr. Dobbins' presidency more than \$400 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$58 million River Campus were constructed. In 2005, the Douglas C. Greene Center for Innovation and Entrepreneurship was opened, followed by the dedication of the state-of-the-art David M. Barton Agriculture Research Center in 2009, and the University's Autism Center for Diagnosis and Treatment in 2010. Southeast is known throughout the Midwest

for its modern and studentfriendly residence halls. Vandiver Hall was completed in 2002; Merick Hall in 2009; and LaFerla Hall was dedicated in the fall of 2013. More than \$90 million in capital renovation projects were completed in 2013, including the renovation of the historic 108-year-old Academic Hall, and the remodeling and upgrades to the Magill and Rhodes sciences complex. Additionally, the University will open the River Campus Center, a new academic and residence hall center, at the River Campus in fall 2014.

Dr. Dobbins has served a two-year term as president of the Missouri Council on **Public Higher Education** (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities, and is the senior member of the organization. In 2007, he was selected to serve a threeyear term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 U.S. public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public fourvear institutions. He was elected Secretary-Treasurer of the organization in 2008, chaired the organization in 2010-2011, and again serves on the AASCU Board. Also, for the past ten years, he has served as one of four faculty members for the week-long AASCU New Presidents' Academy, and currently chairs the Finance Committee of the American Aca-

demic Leadership Institute. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcommittee. In addition, he is the vice president for membership on the executive board of the Greater St. Louis Council, Boy Scouts of America, and was elected by local council associates to serve on the National Council. Boy Scouts of America. In 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia) where he was awarded the 2001 Distinguished Alumni Award, and the Ph.D. in higher education administration in 1987 from Kent State, where in 2011, he was awarded the Alumni Leadership Award for the College of Education, Health and Human Services Annual Hall of Fame Awards. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and two grandsons, Lincoln Kenneth and Brady Larson Dobbins.

outheast Missouri's
Department of Athletics
is thriving under the
leadership of Mark Alnutt.
Southeast Athletics
operates on the three core
values of its mission -Academic Excellence, Social
Development and Competitive
Success. As a result, the
Redhawks are soaring in all of
those areas.

Academically, Southeast student-athletes have combined for over a 3.1 cumulative grade point average in the fall and spring semesters each year with Alnutt at the helm. The 2013-14 campaign saw a total of 197 individuals achieve a 3.0 or higher cumulative GPA accounting for 62.5 percent of the student-athlete population. That success led to the Department of Athletics securing a 3.17 GPA with 13 teams maintaining a 3.0 or better the entire year.

Prior to that, the Redhawks accumulated a 3.12 GPA with 192 student-athletes getting a 3.0 or higher mark in 2012-13.

In line with academics, Alnutt strongly encourages coaches, administrators and student-athletes to be visible in the community. That being said, student-athletes have logged over 4,000 hours of community service in Alnutt's term as Director of Athletics. Pink Up Cape, Feed My Starving Children, Project Homeless Connect, Cape Girardeau Adopt-A-Street, Read to Succeed and Special Olympics are among the many community service opportunities the Redhawks have actively participated in.

Another valuable piece of Southeast's growth in athletics has been Alnutt's Redhawks Road Trip. The Redhawks Road Trip features a series of outreach events to give fans, alumni, supporters and community members the chance to meet select coaches, student-athletes and administration from Southeast Athletics. Last year, the Redhawks made 11 different stops along the "I-55 Corridor," that stretch between St. Louis and Memphis which is so important from a branding, recruiting and fundraising standpoint.

Athletically, Southeast finished third in the Ohio Valley Conference Commissioner's Cup for the second-straight year in 2013-14. The Redhawks tallied 107.5 points, a +3.25 increase from the previous season. Those third-place finishes are the best in school history.

Southeast nearly had a clean sweep of the OVC track & field championships, winning the men's indoor and men's and women's outdoor crowns. The Redhawks also won the OVC baseball title and Midwest

Independent Conference women's gymnastics championship during the 2013-14 campaign. In all, Southeast teams have won six conference titles in Alnutt's first two years as Director of Athletics.

Alnutt was the driving force behind securing the firstever NCAA football game at Busch Stadium in St. Louis. Longstanding regional-rivals Southeast Missouri and Southern Illinois met in the College Classic on Sept. 21, 2013.

Alnutt has made some new coaching hires as well. He introduced Tom Matukewicz as the Redhawks head football coach on Dec. 18, 2013 and Mark Redburn as the school's next head softball coach on June 26, 2014.

Since Alnutt officially took over as Director of Athletics on April 19, 2012, total giving to athletics has increased by more than xx percent. As a result, the department raised over \$780,000 through various fundraising initiatives.

Prior to accepting his first job as Director of Athletics, Alnutt served as the Senior Associate Athletics Director at the University of Missouri.

Alnutt was the administrative liaison for football; supervised track and field, cross country, gymnastics and golf; spearheaded the department's project management team; served as the primary point person for the Athletic Department, overseeing all aspects of facility project master planning, development, management and implementation; and was involved with external department operations, including development, game operations, marketing, media relations, Mizzou Sports Properties and ticket operations.

Alnutt also managed postseason travel arrangements for each of the University of Missouri's 20 intercollegiate sport programs. He oversaw Missouri's Nike contract, the Big Wheels and Flying Tiger programs and the department's relationship with Old Hawthorne Golf Club. In 2009, he managed a \$5 million video board project through the University of Missouri Sports Complex with the centerpiece being a new board at Faurot Field. He also oversaw the design and construction of the new Golden Girls/Gymnastics practice facility in the fall of 2011. Alnutt was actively involved in the solicitation and stewardship efforts of capital gift giving, as well.

Alnutt spent six years at the University of Missouri as director of football operations, adding an assistant athletic director title prior to the 2005-2006 season. In that role, his duties included coordinating the team's travel plans, overseeing the football budget, handling compliance issues, scheduling of facilities, assisting with recruiting operations and managing the day-to-day operations of the football program.

He coordinated public relations and community service events for football, and oversaw all organizational aspects for the University of Missouri's trips to the 2003 and 2005 Independence Bowl games played in Shreveport, La. He also represented the football program as part of the design team that planned the \$16 million expansion and renovation project which turned the Tom Taylor Building into the Missouri Athletics Training Complex.

Alnutt was a three-year letterman for the University of Missouri as a linebacker and tight end from 1993-1995 and was voted the team's champion of the year as a senior. He earned a degree in sociology in 1995 and went to work for Major Brands as a senior salesman in Kansas City from February 1996 to August 1997.

He returned to the University of Missouri to pursue a master's degree in public administration with an emphasis on sports psychology. He joined the Missouri football staff in 1998 as an administrative/video graduate assistant. Alnutt completed his master's degree in May 2000 and took over as director of football operations that August.

A native of Kansas City, Alnutt served as president of the board of directors for Big Brothers/Big Sisters of Boone County and was selected to participate in the 2002-2003 NCAA Leadership Institute for Ethnic Minority Males. In June 2005, he was recognized by Columbia Business Times as one of the Columbia's 40-Under-40 business leaders for his work in the community.

He has participated in the Division I-A Athletic Director's Institute, attended the NACDA Mentoring Institute and chaired the NCAA Women's Gymnastics committee. In 2010, he was the recipient of an Outstanding Chancellor's Staff recognition and the Barbara S. Uehling Award for Administrative Excellence at the University of Missouri.

Alnutt was selected to serve a four-year term on the NCAA Minority Opportunities and Interests Committee, effective Sept. 1, 2013.

The NCAA Minority
Opportunities and Interests
Committee (MOIC) was formed
by the Association in January
1990 to review issues related
to the interests of ethnic
minorities and women. These
issues focus on the education

and welfare of minority student-athletes, as well as the enhancement of opportunities for ethnic minorities and women in coaching, athletics, administration, officiating and the NCAA governance structure.

A year later, Alnutt was appointed to serve a four-year term on the NCAA Football Playing Rules Committee that will begin Sept. 1, 2014.

The mission of the NCAA
Football Rules Committee is
to govern the playing rules
of collegiate football by:
Acknowledging the traditions
of sport; Soliciting input from
various college constituencies;
Examining existing regulations
and making necessary
modifications to create
safe, practical, concise and
enforceable rules; and
influencing the long term
vision and direction of NCAA
football.

Alnutt and his wife, the former Kate Hankins, are the parents of four children, Jaren, Kinleigh, Mason and Aidan.

SEASON PREVIEW

Returnees Annisa Warasanti, Melissa Martin and Katy Brady combined for 31 singles victories last season. That accounted for nearly 40 percent of Southeast's wins in singles play.

Southeast Missouri had its share of successes a year ago and looks for even bigger things as it enters its 2014-15 season.

Southeast is in its second season under head coach Leah Killen, who led the Redhawks to nine victories last year, their most in a season since 2006-07.

"We are looking forward to competing this season," said Killen. "We have a young team with lots of desire to improve. I am proud of how these ladies have been working on the court and in the weight room. They are excited about our upcoming spring season."

Five of the eight players on the 2014-15 roster are freshmen. The Redhawks also bring back returnees Melissa Martin, Annisa Warasanti and Katy Brady, who combined for nearly 40 percent of the team's singles victories last season.

The top of the singles lineup will feature an entirely new look with freshmen Viviana Ortiz (Guayaquil, Ecuador), Mariya Kostyuk (Kiev, Ukraine) and Kateryna Stoianova (Kiev, Ukraine).

Ortiz saw action in five singles matches and six doubles bouts this past fall. Her six doubles matches were second-most on the team. Ortiz recorded her first win in tournament

Season Outlook

play with a 6-3, 6-4, straight-set victory over Missouri State's Ekaterina Donetckova.

"Viviana has aggressive ground strokes," said Killen. "She is a mart player who fights hard to win every point."

Kostyuk made her Southeast debut with a 6-1 singles record last fall. Her only loss came against Middle Tennessee's Sarah Sediri. Kostyuk finished the fall season on a three-match winning streak, as four of her wins were decided in three sets.

"Mariya is great anywhere on the court," commented Killen. "She has a variety of shots and is very accurate.*

Stoianova tied for third on the team with four singles wins and competed in a team-high seven doubles matches in the fall. She was victorious in three of her first five doubles bouts to start the year.

"Kateryna knows how to apply pressure to her opponents and loves to compete," said Killen."

Anna Makhneva (Zarechniy, Russia), Annisa Warasanti (Bandung, Indonesia), Melissa Martin (Wolverhampton, England), Katy Brady (Farmington, Mo.) and Maria Montenegro (Guayaquil, Ecuador) form the rest of the lineup.

A freshman, Makhneva competed in seven singles matches last fall. She won the first singles match she played with a straight-set, 6-1, 6-1, victory over North Alabama's Sydney Childers. Makhneva also saw action in doubles play with partner Montenegro, winning her first match over UT Martin's Tamara Klimek and Maria Sadusky, 8-7.

"Anna is feisty and aggressive," quoted Killen. "She has been an excellent leader and wants to be a strong competitor."

Warasanti tied a team-high 15 singles victories as a freshman last season. Six of her wins came at the No. 5 position. She notched three wins in Ohio Valley Conference play and played all of her doubles matches at the No. 3 spot. Warasanti began her rookie campaign with a five-match singles winning streak.

"Annisa can hit aggressive shots from both sides," said Killen. "She is looking to step up and help lead the team."

Martin, the lone senior on this year's roster, fashioned a 14-6 singles record. Her 14 wins tied for second-most on the team last season. She led the Redhawks with a 7-2 record in OVC play. Martin primarily competed at No. 6, where she earned all but three of her victories.

"Melissa is ready for her senior year," said Killen. "She is looking to be a steady player and finish her career with a great record."

Brady competed in a total of four matches at the No. 6 singles position a year ago. She registered a dual record of 2-2 and played in six doubles contests. Brady did not allow a point in three of her first four sets of the 2013-14 season.

"Katy has been an excellent leader and keeps the team motivated," said Killen. "She is very competitive."

Montenegro rounds out this year's squad. She played in 10 singles matches, recording four victories during the fall. Montenegro tied for third on the team in singles wins. She picked up an additional two victories in doubles play.

Maria is a solid player with hard shots," said Killen. "She has a willingness to fight for every ball."

PROFILES

Southeast's 2014-15 roster is dominated by six underclassmen, including five freshmen. The Redhawks also return three players from a year ago.

eah Killen is in her second year as Southeast Missouri's women's tennis coach.

Director of Athletics Mark Alnutt introduced Killen as the eighth head coach in the program's history on Sept. 5, 2013.

In her first year at the helm, Killen guided Southeast to a 9-13 overall record. The Redhawks nine victories marked the most in a season since 2006-07. In addition, Southeast saw a +5 increase in the win column after going 4-11 in 2012-13.

Under Killen's direction, Southeast won a season-long five-straight matches from Mar. 9-22 during her first year.

Killen previously worked as an assistant coach for both the men's and women's tennis programs at the University of Dayton in 2012-13.

Prior to Dayton, Killen coached both nationally and sectionally ranked juniors for eight years at the Weymouth Club in Weymouth, Mass. and also at the Sportsmen's Tennis Club in Dorchester. During her time at Weymouth, she led a USTA Junior Team to the National Championship. In 2008, Killen coached a Varsity girl's tennis team at Fontbonne Academy in Milton, Mass., where she improved its record from 1-18 to 9-10.

On the collegiate level, Killen coached at Wellesley College, a Division III top-20 team during the 2011 and 2012 seasons.

Killen earned her Bachelor's Degree in Business Administration from Texas A&M where she was also a member of the tennis team for four years.
