ouck Field House is the home of the Southeast Missouri volleyball and women's gymnastics teams.

The 40,000-square foot building features a fiveyear old sports court as its playing surface. Houck Field House also has the ability to fit two regulationsize volleyball courts.

After the Show Me Center was completed, Houck Field House was renovated in 1987 and 1995 to better accommodate women's volleyball and gymnastics competitions.

Locker rooms for baseball, volleyball, soccer and softball, an indoor walking track, athletic training room, and offices for baseball, soccer, softball, volleyball and tennis are also housed in the facility.

Today, Houck Field House seats approximately 1,000 fans for numerous athletic events throughout the year.

Southeast Missouri set a new Houck Field House attendance record of 1,206 in the Second Annual Houck "FILLED" House on September 21, 2014 against regional rival Southern Illinois.

HOUCK FIELD HOUSE

ACADEMIC EXCELLENCE

he Redhawk Success
Center offers Southeast
Missouri student-athletes
a place to study and develop as
students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Coordinator Sandy Wiemers and Graduate Assistant Mackenzie Martin.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 315

cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged a record 4,100 hours of community service over the 2014-15 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for studentathletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center staff

works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

REDHAWKS SUCCESS CENTER

2014-15 Notables

- Eleven of Southeast's 15 athletic programs achieved a 3.13 or higher GPA. Women's cross country boasted a department best 3.79 GPA, followed by women's soccer (3.69), women's gymnastics (3.628), women's tennis (3.622), volleyball (3.45), softball (3.35), women's indoor/outdoor track & field (3.31), baseball (3.29), women's basketball (3.28) and men's cross country (3.13).
- In all, 195 individuals accumulated a 3.0 or higher GPA, accounting for 61 percent of the student-athlete population. A total of 140 student-athletes made Southeast's Dean's List -students must have a 3.5 or higher GPA to earn that distinction.
- Seventy-one student-athletes received their degrees.
- Southeast's women's gymnastics team was among those who received public recognition awards for top academic performance from the NCAA.
- Seven Southeast programs, including women's cross country, women's tennis, volleyball, baseball, men's cross country and men's indoor/outdoor track & field ranked among the top three in the Ohio Valley Conference's single year APR.

COMPETITIVE SUCCESS

outheast Missouri's Strength and Conditioning program is committed to developing the total studentathlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

Training Principles for Southeast Athletes

1. Reduce the risk of injuries

• If a student-athlete is injured, he/she will not be able to compete at practice or games.

2. Ensure the athletes are optimally prepared to compete

• It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing

3. Maximize athletic ability

• We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the **following Principles:**

1. Ground Based Movements

 Athletes compete with their feet on the around. and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

2. Three-Dimensional Movements

· Athletes must be able to stabalize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

3. Multi-Joint Movements

• Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

SPORTS MEDICINE

revention. Treatment.
Rehabilitation.
Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with studentathletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last studentathlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

SOCIAL DEVELOPMENT

tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk football studentathletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

SOCIAL DEVELOPMENT

PRESIDENT VARGAS

r. Carlos Vargas became the 18th president of Southeast Missouri State University on July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

The appointment of Dr. Vargas by the Southeast Missouri State University Board of Regents culminated a comprehensive and wide-ranging search process that began in the fall of 2014.

When named as the University's 18th president, Dr. Vargas said, "Southeast Missouri State University is an outstanding university with a national reputation, and I am honored to have been selected as its next president." Vargas said that as he became more familiar with the university, he was impressed

with various aspects of

Southeast including its core mission, accreditation efforts, online programs, faculty and staff, and the quality and diversity of its students.

"When I visited the Southeast Missouri State University campus, I was impressed with the institution's long history of service to the region and its unique strengths," Vargas said. "I know Southeast is deeply committed to being accessible and affordable, and continuing to offer accredited academic programs where graduates can meet the needs of employers."

Dr. Vargas was named acting president of Kutztown University by the institution's Council of Trustees, July 1, 2014, following Kutztown University's succession plan for acting president. He served as the provost and vice president for academic and

student affairs, and had been the school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National

Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment was as a senior associate researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

BRADY BARKE

rady Barke, senior associate to the president at Southeast Missouri State University, was appointed to serve as Interim Director of Athletics.

The appointment came shortly after Mark Alnutt resigned as Southeast's Director of Athletics effective July 31, 2015.

Barke was selected as the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents, and has worked in that role since June 1, 2013.

Barke was closely involved with the hiring of head men's basketball coach Rick Ray and head football coach Tom Matukewicz. Ray was named Southeast's 20th head men's basketball coach on April 13, 2015 and Matukewicz was introduced as the Redhawks 13th head football coach on Dec. 18, 2013.

No stranger to athletics, Barke began at Southeast in 2008 as

Assistant Director of Athletics for Compliance & Eligibility. He was then promoted to Associate Director of Athletics for Compliance and Student Support Services in 2011.

Barke was responsible for administering the comprehensive National Collegiate Athletics Association (NCAA) compliance program, directing the baseball, track and field, and cross country programs, and directly supervising the athletics academic services, strength and conditioning and athletic training units. Barke managed the \$3 million athletics scholarship budget for the University's 15 NCAA sports. He directed the men's basketball and football programs in 2011-12, including football scheduling responsibilities. Additionally, Barke was in charge of converting all compliance paperwork to electronic format and assisted with solidifying

the College Classic football game at Rusch Stadium

Prior to Southeast. Barke served as a governance intern with the NCAA national headquarters in Indianapolis and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke was previously a member of the National Association of Athletics Compliance (NAAC) and NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and Olympic Sports Liaison Committee. In addition, he was chair of the NAAC Education Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law and a bachelor of science degree in biology from Webster University. While a student at Webster,

Barke was a member of both the basketball and golf teams. He earned all-conference honors and received the Student-Athlete of the Year Award as a senior.

Barke is a member of the Missouri Bar and earned his MBA from Southeast.

He and his wife, Halley, made a gift to establish The Brady and Halley Barke Endowed Scholarship in March 2014. The scholarship is awarded to a student enrolled at Southeast with first preference given to a freshman student-athlete with a minimum ACT score of 24 and 3.0 cumulative high school grade point average and financial

Brady and Halley reside in Cape Girardeau with their children, Mabrie and Jackson.

Redhawks Volleyball
SEASON PREVIEW

Southeast Missouri State REDHAWKS

ith the 2015 season just around the corner, head coach Julie Yankus is very anxious to see how her young 2015 squad will answer the challenges ahead. Four seniors would finish the 2014 season and graduate. With this current year's senior class consisting of only two, the majority of the Redhawks roster is still young.

Yankus began, "We are short staffed as far as seniors go, but we really do have leaders throughout all the classes. The five of our upperclassmen that we do have all bring different aspects of leadership to the team. They all bring something unique and it will help our team chemistry for sure. The team this year is scrappy, the rallies are long, we are wiping the floor all of the time [of sweat] with the effort they are putting into it. We are smaller but we have a very good ball control team right now. Running things faster will be huge for us."

Along with adding new faces on the floor, the coaching staff has also seen changes. With assistant coach Nikki

> Buchholz and volunteer coach Mark Moore,

the Redhawks have added assistant coach Michael Runde. Runde previously was a graduate assistant coach at the University of South Dakota and helped lead the team to back-to-back 19-win seasons and mentoring several league recognized players in the process.

"Michael fits in perfectly with the coaching staff. He brings a different side of things and it's good to see what someone new who comes in can see and what they think. He has done a great job with the setters and preaching what things to work on. Our coaching staff is well-rounded right now with what our strengths and our weaknesses are so we are excited to see what this coaching staff can put together."

OUTSIDE HITTERS

Returning for her sophomore season, Krissa Gearing (Bolingbrook, Ill.) looks to build on a strong freshman beginning. Gearring played in 30 matches, recording 186 kills and a .109 hitting clip. She led the team in service aces with 25 and also helped on the defensive end accumulating 289 digs, which was third highest on the team.

"She played in almost every match last year so we are excited to see what she can do. She is more experienced than most sophomores are. She is more explosive than ever, her ball control is better, and she has more confidence now. She is a very smart player and will bring a great all-around skill set."

The Redhawks also added a transfer sophomore in Marie Less (Forsyth, III.). Less will be joining the team after playing her freshman season at Arkansas State. While there. Marie saw most time as a defensive specialist. In high school, Less holds records for kills in a season, career

kills, and career digs in the process of leading her team to two State Final Fours.

"Marie has a great presence on the floor and ability to communicate. The energy she brings to the team is contagious so it's great to have her out there. She is very level headed and plays very confidently. She doesn't dwell on mistakes which makes her a very good player. She has a wide variety of shots and hits very hard."

Along with adding Less, the team also added a true-freshman in Madeline Grimm (New Lenox, Ill.). Grimm was named to the 2014 Under Armour Watch List while helping leading her Joliet Catholic Academy to a second-place finish in the Illinois state tournament. Not only talented on the court, Grimm brings her academic prowess to the team being a multiple honor society student in high school.

"She came in definitely not looking like a freshman. She started competing for a spot right away, swinging aggressively and showing ball control as well. I am excited to see what these three can do.

SEASON OUTLOOK

they bring stuff from the front and back row which brings continuity to the floor."

RIGHTSIDE HITTER

Junior Madalyn Werths (Edwardsville. III.) will return as the sole rightside hitter for the 2015 season. Werths played in 23 matches last year, recording 137 kills and averaging 1.83 kills per set. She finished the season with 153.5 points averaging 2.05 points per set. She also tallied 31 blocks and 27 digs on the defensive side of the ball.

"She has had a great preseason and worked very hard to get where she is at right now. Being left handed on the right side gives her a variety of shots. We have really worked on expanding her shot selection and she does a great job. I know opponents are going to focus on her as much as they can but luckily she has got every shot in the book and it will really help her offensively."

MIDDLE BLOCKERS

Leading the returning middle blockers will be All-OVC Volleyball Team member Taylor Masterson (Chesterfield, Mo.). In

2014, Taylor was the only player to start all 31 matches. She finished second on the team in points (368), kills (248), kills per set (2.48) and led the OVC with a .351 kills percentage. Taylor also tallied 118 blocks and averaged the third-highest blocks per set in the OVC with 1.03.

"I believe that Taylor will make a great impact in the conference, as usual. She is one of the smartest offensive players I have ever seen because she has got such a wide variety of shots. She can really just throw the ball anywhere and find a way to score. She has always been one of the best blockers in the conference. Because of her high volleyball IQ, she reads the game well, really tries to soak in everything we are scouting and goes out there and puts it all out on the floor."

Joining Taylor will be returning sophomore standout Nzingha Clarke (O'Fallon, Ill.). Clarke played in 30 matches last season, earning OVC All-Newcomer Team honors. She finished the season with 136 kills and a .251 hitting clip. She also finished with 111 blocks and finishing second in the OVC with 1.11 blocks per set.

"Nzingha is ready to come out and ready to compete. We are very excited to see her in the middle this season. She is really showcasing her personality now on the floor. I think the success she has had last year has really helped her come out of her shell. Being recognized for the All-OVC Newcomer Team has really helped her confidence and reaffirmed to herself she has a great future here."

Also returning to the team is sophomore Jessica McElderry (Hoover, Ala.). She played in 11 matches last year; recording 18 kills and a .188 kill percentage. McElderry also tallied 11 blocks in her 23 sets. Jessica developed a strong competitive experience from early on, being a four-year starter and letter winner while in high school.

"She has really worked to improve over the spring season on connecting with setters and improving her shots. That type of connection is very important and will really help out."

Joining the squad this year will be freshman Korrine Croft (Edwardsville, Ill.). Croft, excelled on and off the court as a graduate from Edwardsville High School being an Academic All-Conference competitor.

"Korrine is another player who doesn't look like a freshmen. She is one of the best blockers I have ever seen coming in as a freshmen. She has great court awareness, a very high volleyball IQ, and she is very quick. She closes almost every block and does a great job getting touches. She should make quite a splash in her first year in the OVC."

SETTERS

Junior Katarina Rotta (Walworth, Wisc.) returns this season in hopes to further improve on her passing and help the team. Last season she played in 31 matches, tallying 927 assists and averaging 7.99 assists per set. Rotta also was third most on the team with 17 aces, recorded 226 digs and 20 block assists.

"Kat has done a great job running the offense and trying to speed things up. She has been a great leader on and off the court both vocally and leading by example. She has that confidence we have been waiting to see come out of her and we are really seeing it now.

New to the squad this season will be Keegan Fornoff (Joliet, III.). Fornoff graduated from Joliet Catholic Academy, along side of Madeline Grimm. Fornoff

Southeast Missouri State REDHAWKS

was also named to the 2014 Under Armour Watch list as well as excelling on and off the court with membership to multiple honors societies.

"Keegan already improved greatly by learning how we want to run our offense. Her set location and choice has improved dramatically. I am excited to see what she will contribute."

LIBEROS

Jade Mortimer (Bloomington, III.) will be leading the libero position for the 2015 campaign. Last season, she played in 27 matches, accumulating 378 digs and finishing eighth in the OVC with 3.71 digs per set. Jade also finished fourth on the team in service aces (16) and recorded 41 assists.

"She really made some changes in the off-season to be more confident and consistent in her position as well as be more leader. She does a great job of getting the ball to our setters so they can run the offense."

> **DEFENSIVE SPECIALISTS**

Heading the defensive specialist returnees is senior Haley Roberts (Farmington, Mo). Last season, Roberts played in 15 matches tallying 71 assists, averaging 2.15 per set. She also recorded 53 digs and six aces.

"She has been a great vocal leader on the court. Defensively, she finds a way to get every ball up off the floor. Her defensive tenacity really pushes our hitters every single day."

Also returning as a defensive specialist is sophomore Jessica Lambert (Columbia, Mo.). While seeing limited action as a freshman, Lambert has a bright future on and off the court as a two-year letter winner in high school as well as excelling academically.

"We keep the mentality that defense is an attitude, and Haley and Jessica have both done a great job with that. They are always on the floor going for everything, really challenging our hitters, which forces them to get better. It really helps our hitters become more creative and unpredictable with how great of a job they are doing defensively."

Preseason Poll

"This conference is so competitive every year from top to bottom. There is really no telling what will happen. Every game is important, every set is important." We have really improved on a lot of things this year and I am excited to see what kind of product we put on the floor."

Julie Yankus

Head Coach Fifth Season Wisc.-Milwaukee

ulie Yankus is in her fifth season at the helm of the Southeast Missouri State women's volleyball program. Through four seasons as the head coach of the Redhawks, Yankus has compiled an overall record of 63-68 and an Ohio Valley Conference record of 39-29.

Yankus' teams have never had more than nine OVC losses in a season and have competed at the OVC Championship Tournament all four seasons under her instruction. Yankus has mentored five All-OVC Team selections, two OVC All-Newcomer Team selections, and two All-OVC Tournament Team honorees.

In 2012, her second season at the helm of the Redhawks, Yankus guided the Redhawks to an OVC West Division crown. The Redhawks finished 21-13 overall with a 12-4 record in conference play. 2012's record was the best record by Southeast since the 2007 season. Southeast Missouri was picked third in the preseason poll and finished the season first in the West Division and qualified for the OVC Tournament.

Yankus mentored former Redhawk Emily Coon for three of Coon's four years at Southeast. Coon was an All-OVC performer in each of her four seasons at Southeast Missouri. Coon, along with her teammate Colleen Yarber, eclipsed the 1,000 kill mark during their senior season. Fellow teammates Berkley Idel and Julie Shives also reached significant milestones their senior season. Idel, a libero, recorded over 1,500 career digs while Shives, a setter, reached 4,500 assists in her four-year career.

Yankus recruited Missouri native Taylor Masterson to Southeast Missouri after Masterson spent a redshirt season at the University of Alabama. Masterson picked up OVC All-Newcomer Team accolades after a breakout rookie season in 2012. Masterson, a middle blocker,

earned All-OVC honors as a junior in 2014. Masterson helped mentor rookie

middle blocker Nzingha Clarke in 2014. Clarke followed in Masterson's footsteps en route to OVC All-Newcomer Team honors after leading the league in blocking as a freshman.

Academically, Yankus' teams have garnered American Volleyball Coaches Association (AVCA) Academic Honors each season. During the 2013-14 academic year, the Redhawks volleyball team boasted a 3.39 team cumulative GPA. Most notably, former Redhawk Paige Dossey garnered Third Team Capital One Academic All-America status in 2011.

The Redhawks have won a few tournaments under Yankus including tournaments at Iowa and Butler in 2012 and Mississippi State in 2013. In 2012, Southeast defeated Iowa for the first victory over a Big 10 team since 2002 as well as a win over South Florida, the first time Southeast defeated a Big East team since 1998. Southeast also knocked off SEC opponent Mississippi State in 2013. The Redhawks nearly defeated Mississippi State again in 2014 but fell in the final points in the fifth set at the Indiana University Tournament.

Yankus guided the Redhawks to their first OVC Tournament berth since 2008 in the 2011 season, her first year at Southeast.

Yankus came to Southeast after serving as associate head coach for five seasons at Southern Illinois University in Carbondale, Illinois.

Yankus began her time at Southern Illinois in 2006. She served as recruiting coordinator for the Salukis during her time at Southern Illinois. Yankus also served as the coordinator of the team's defense, as well as coach of the outside and rightside hitters where she coached four-time All-Missouri Valley Conference player Jennifer Berwanger.

Yankus was also in charge of scouting, equipment, team travel, and video breakdown and analysis. She also served as manager of home match management at SIU.

Prior to SIU, Yankus spent two seasons at Georgia State in Atlanta serving as the top assistant coach for the Panthers. At Georgia State, Yankus coached the outside hitters and handled team travel, tape exchange and equipment. Yankus also assisted in the recruiting, scouting and practice planning. While at Georgia State, Yankus earned her master's degree in Sports Administration.

Yankus is a 2002 graduate of the University of Wisconsin-Milwaukee where she earned her bachelor's degree in Business Administration with a focus in Finance and Human Resource Management.

During her time at the University of Wisconsin-Milwaukee Yankus was a steady performer for the Panthers volleyball team from 1998-2001. During Yankus' time she was part of the most winning class in school history going 93-23 in her four seasons with the Panthers. Yankus also excelled in the classroom being named to the Horizon League All-Academic Team in 1999 and 2001.

Yankus is a native of Waukesha, Wisconsin. She attended Catholic Memorial High School and was a standout volleyball player leading her team to a WISAA State Championship her senior season. Yankus was also part of the Milwaukee Sting Club Volleyball Club from 1996-1998.

Southeast Missouri State REDHAWKS

Nikki Buchholz

Assistant Coach Sixth Season Franklin Pierce

ikki Buchholz is in her sixth season as an assistant coach with Southeast Missouri volleyball. Buchholz coaches the middle blockers and rightside hitters. Aside from daily coaching responsibilities on the court, Buchholz also serves as recruiting coordinator as well as oversees all camps and game-day operations.

Buchholz is also heavily involved in the coordination of Redhawks volleyball camps and clinics. Redhawks clinics are designed to bring young players to Houck Field House during their off seasons and get them excited about playing the game of volleyball. Clinics are very low commitment but feature a great turnout each week. Redhawks Camps are designed to be more intensive as players work on all volleyball skills as well as teamwork, confidence building, and volleyball I.Q.

For the second year in a row, Southeast Missouri led the Ohio Valley Conference in team blocks with 2.22 blocks per set; 0.28 blocks per set more than second-place Tennessee Tech (1.94). Individually, Buchholz coached two of the top-three blockers in the league in Nzingha Clarke (1.10 blocks per set) and Taylor Masterson (1.03). Each earned post-season OVC honors.

In 2013, the Redhawks middle blockers proved to be impenetrable walls on the net. The Redhawks were the top-blockers in the league as they averaged 2.39 blocks per set. In all, Southeast posted 316 total blocks; 72.5 more than the second-most team, Eastern Illinois. The Redhawks' 2.39 blocks/set mark was up from 2012 in which they averaged 2.21, which ranked second in the league. Both years are up dramatically from 2010 (her first season) when they averaged 1.66.

Since joining the Southeast coaching staff, Buchholz has mentored four-time All-OVC performer Emily Coon (2010-13). Coon garnered

All-Newcomer honors as a freshman and was named to the All-OVC team all three seasons after. Coon was a top blocker in the league throughout her career. Buchholz also helped guide Masterson to All-Newcomer honors during Masterson's first season in 2012 and All-OVC honors in 2014.

Prior to Southeast, Buchholz served as a graduate assistant coach at East Stroudsburg University in Pennsylvania. During her graduate assistantship, Buchholz assisted with recruiting, match and practice video breakdown, while also training middles and blocking for ESU. She earned her Master's Degree in Sports Management in 2011 from ESU.

Buchholz graduated from Franklin Pierce University, a Division II school in New Hampshire, where she was a four-time All-Northeast 10 Conference player.

During her junior year, she was named to the All-Region Second Team in 2007. She was the first player to ever be named to an All-Region Team in Franklin Pierce's 20-year program history. Her 159 total blocks led the Northeast-10 Conference, as did her 1.26 blocks per game. She was also named team MVP that season.

At the completion of her four-year career at Franklin Pierce, Buchholz guided the Ravens to four consecutive Northeast-10 Conference Championship appearances. She was also named conference player of the week five times and set the school career record for kills (1,271) and blocks (493).

Buchholz also excelled in the classroom, as she graduated cum Laude with a Bachelor of Arts in Mass Communications with a minor in Creative Writing. She was a three-time First-Team Academic All-Conference selection.

Buchholz is currently working towards her doctorate degree in Educational Leadership in Policy Analysis from the University of Missouri.

Southeast Missouri State REDHAWKS

ichael Runde joins the Southeast Missouri volleyball staff as an assistant coach for the 2015 season. Runde will coach setters, assist with recruiting, coordinate travel, scout opponents, and assist with video analysis and breakdown.

Runde most recently spent two years at the University of South Dakota as a graduate assistant coach. Runde helped guide the Coyotes to back-to-back 19-win seasons. The Coyotes went 9-5 in the Summit League in 2013 then posted a 12-4 conference record a season ago. Runde mentored Kendall Kritenbrink, the 2013 Summit League Player of the Year, in his first season with the Coyotes. In total, seven Coyote players earned All-Summit League honors during his tenure.

Runde earned his graduate degree in Sport Management while at South Dakota.

A native of Dubuque, Iowa, Runde was the head coach for the Iowa Rockets Volleyball Club based in Iowa City from 2009 to 2012. He led the club to three USA Volleyball National Championship appearances. Along with coaching the Rockets, he spent the 2011 and 2012 seasons as a manager for the Iowa Hawkeyes.

Runde graduated from Iowa in 2013 with a degree in Sports and Recreation Business.

Southeast Missouri State REDHAWKS

Mark Moore

Volunteer Assistant Third Season Illinois

ark Moore begins his third season as the Redhawks' Volunteer Assistant Coach. Aside from coaching the Redhawks on the court, Moore is the head men's volleyball coach at Notre Dame Regional High School in Cape Girardeau. In his second season at Notre Dame, he led the Bulldogs to a 25-9 record and a second-place finish in state.

Moore brings with him a plethora of collegiate coaching experience. Most recently, he was the head women's volleyball coach at Robert Morris University in Springfield, Illinois from 2007 to 2011. At Robert Morris, Moore was responsible for all aspects of the program including recruiting, academic progress, budgeting, scheduling, as well as player development. Moore guided the Eagles to the United States Collegiate Athletic Association (USCAA) National Championship Tournament in 2008 and 2009.

Moore also has head coaching experience at Springfield College - Illinois as well as MacMurray College in Jacksonville, Illinois.

Aside from collegiate coaching, Moore has extensive high school coaching experience prior to his current tenure at Notre Dame. High school programs include Riverton High School (Riverton, Illinois), two stints at Lutheran High School (Springfield, Illinois), Waverly High School (Waverly, Illinois), and Southeast High School (Springfield, Illinois). Moore also coached the Spike Force Volleyball Club from 1997 to 2004.

Moore graduated from the University of Illinois in 1989. He is married to Colleen Moore. Together, they have a son, Stuart (6) and a daughter, Elan (4). The family resides in Cape Girardeau.

16 Years of Coaching Excellence

indy Gannon has been a part of the Southeast Missouri athletics staff for over 25 years, transitioning from a successful coaching career to Southeast's Senior Associate Athletic Director/Senior Woman's Administrator.

Before becoming Senior Associate Athletic Director, Gannon coached the Redhawks' volleyball program for 16 seasons, winning a program-record 366 matches, eight Ohio Valley Conference regular season titles, and five OVC Tournament Championships. Gannon garnered OVC Coach of the Year four times throughout her career (1993, '95, '96, '99). Gannon mentored five OVC Players of the Year and one Freshman of the Year. In all, 51 of Gannon's players earned All-OVC honors during her 16-year tenure.

Academically, Southeast Missouri earned seven American Volleyball Coaches Association (AVCA) Academic Honors under Gannon. Individually, Southeast featured two CoSIDA Academic All-Americans and three Academic All-District honorees.

Gannon moved to Southeast's administration in 2005 and has served as the Redhawks Director of Athletics on an interim basis in 2007-08 and 2011-12. Today, Gannon serves as the sport administrator for the Southeast volleyball, soccer, softball, tennis, track, and gymnastics programs. She also oversees event management and sports information and is responsible for the athletic department's equity and diversity programs and departmental policies and procedures.

During her time at Southeast, Gannon founded and serves as director for the Annual Walk for Women's Athletics, an event that provides scholarship funds for the Redhawks Legacy program.

Southeast Missouri Hall of Fame

Tuba Meto, 1994-97

The starting setter for Southeast from 1995-1997, Meto led the Redhawks to a record of 105-43 during the span including a 62-6 record in OVC play. Southeast won the OVC title in each of her four seasons and made two NCAA Tournament appearances. She was the OVC Player of the Year in 1996 and 1997 and continues to play professionally in Turkey. She holds a spot in seven different Top-10 categories, including assists, and digs. She holds the All-Time assists record in a match with 82.

Krista Haukap, 1997-2000

Krista Haukap was inducted into the Southeast Missouri State Hall of Fame in 2010 after a dominate career in the late 90's. She recorded 36 kills against North Carolina in the NCAA Tournament, which is a Redhawk record. She owns the top spot in kills and total attempts in a career with 2,070 and 4,921, respectively. Uncoincedentally, the Redhawks went undefeated in the OVC in 2000, and had the winningest season in school history during her tenure.

1996 Volleyball Team

The 1996 volleyball team was the first to go undefeated in conference play in the program's history. The team went 28-8 overall and a perfect 18-0 en route to its fourthstraight OVC championship. Southeast head coach Cindy Gannon was named OVC Coach of the Year and setter Tuba Meto was the league's Player of the Year. Four others, including Leanne Huffman, Theresa Sebacher, Erin Willrich and Angie Ashoff earned All-OVC honors. Southeast hosted Valparaiso in the NCAA play-in game and secured its first NCAA Tournament berth with a 3-1 win. Southeast later ended its season with a 3-0 loss at USC in the first round of the tournament. Southeast set seven team records which still stand today. Susie Thompson, Huffman and Sebacher all finished their careers with over 1,000 kills, marking the first time in NCAA history that had been done.

2000 Volleyball Team

After going undefeated (16-0) in Ohio Valley Conference play, the 2000 Volleyball Team won the OVC Tournament Championship to earn a berth in the NCAA Tournament. The 2000 team is the only team in Southeast volleyball history to advance to the second round of the NCAA Tournament. Southeast defeated North Carolina in five sets in the first round, but fell at Florida in the second round. That season, Southeast earned multiple conference honors, including Player-of-the-Year (Krista Haukap), Rookie-of-the-Year (Emily Scannell), OVC Tournament MVP (Lea Beckmeyer), three All-Tournament Team selections, two First-Team All-OVC picks, one Second-Team All-OVC honoree and one All-Freshman/Newcomer team accolade. On Nov. 30, 2000 against North Carolina in the first round of the NCAA Tournament, Haukap had 36 kills in the match, a record that still stands today. She holds the record for career kills (2,070) and total attempts (4,921), while Beckmeyer is sixth in career kills (1,405) and total attacks (3,452).

DIG FOR LIFE

nce again, the Southeast Missouri State volleyball team joined forces with Saint Francis Medical Center and over 40 local businesses and 20 area schools to raise a record number of funds for the Dig For Life and Pink Up Cape campaigns in 2013.

The annual campaign runs during the month of October and coincides with National Breast Cancer Awareness Month. Members of the Southeast volleyball team secure pledges per dig that are tallied through October home matches at Houck Field House. The money raised is then allocated to Saint Francis Medical Center for the campaign's purpose of educating women in the Southeast Missouri area about breast cancer awareness, providing early detection opportunities and improving prevention efforts. The Redhawks produced 266 digs in four home matches in October 2013. In 2012, they had a record 487 digs in seven October home matches that season.

The Dig for Life campaign was started in 2000 by former volleyball

head coach and current Senior Associate Director of Athletics and Senior Woman Administrator Cindv Gannon and sponsored by Saint Francis Medical Center to help educate women about breast cancer. The campaign also raises money to provide mammograms for women.

Dig for Life has been able to provide mammograms to area women who could not receive this screening due to lack of adequate health insurance, high deductibles, unemployment or inability to pay. Since its inception in 2000, the program has funded over 2,000 free mammograms to area women.

The university's Athletics department continues to embrace the Dig for Life campaign as other sports have joined the volleyball team's efforts during their respective seasons, including gymnastics, women's soccer, women's basketball. softball and baseball. Each season. these teams honor area breast cancer survivors to raise awareness of breast cancer and support the Dig For Life campaign.

"I am so thankful to Saint Francis Medical Center and the Southeast volleyball team for all their efforts in the Dig for Life campaign," said Gannon. "This program began in memory of my mother and thanks to the hard work and generosity of so many people, her memory lives on and we are potentially saving the lives of many women. I feel very fortunate to be associated with such wonderful and caring individuals."

THIS IS THE OVC

Now in its 68th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 15 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in

1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 67 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has four, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were

invited to the playoffs, and two of them -Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return

THIS IS THE OVC

to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go

from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the guarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14thranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included

many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the instate foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationallyranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The

> Racers would top Colorado State 58-41 in the second

round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (threegame winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history. Those teams combined to win eight total games, the most ever by the OVC in one postseason. Entering 2015-16 OVC men's basketball teams have at least one national postseason tournament victory in seven-straight postseasons, an alltime league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and

1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a firstteam All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Through its 67 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Belmont (2 - including winning the titles in each of its first two years in the league), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during

THIS IS THE OVC

his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2015-16 season with 391 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 33 years. Although Tennessee Tech remains the standard-bearer. five other teams have won 15 of the last 22 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win fourstraight tournament titles.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80thstraight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year. finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of soldout crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 67 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil

Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 32 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the thirdstraight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013.

> Over that four-year period (2010-13) the Eagles

compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its firstever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts two current PGA Tour professionals in Scott Stallings (Tennessee Tech) and Josh Teater (Morehead State).

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson. Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010.

The OVC also has made a statement in

THIS IS THE OVC

the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the firsttime in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12

selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). The 12 selections were once again just one off the record of 13 selections in 2010; overall the OVC has had 65 players selected over the past six years (2010-15).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conferencesponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 243 studentathletes honored with the award, including 51 over the last five years (2010-15).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995. the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our studentrun idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

Dobbins River Campus Center

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus**.

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
