Credentials

Credentials are required for entrance to the Show Me Center. To request season or single-game credentials, please contact Southeast Missouri Assistant Sports Information Director Sean Stevenson by phone (573) 651-2294 or email at sstevenson@semo.edu. Credentials can be picked up at the NCAA pass gate inside the main entrance of the Show Me Center.

Press Row

Media will be issued assigned seats court-side on the north side of the Show Me Center. Press row is reserved for working media. Professional decorum is expected at all times. Cheering or outward expression is strictly prohibited.

Photographers

Photographers working the floor level at the Show Me Center are required to shoot from behind the dash lines along the baselines and must sit on the floor in those areas. The Sports Information Director may identify other positions off the court where photographers may work, provided the view is not blocking the view of fans. At no time may photographers work directly from behind the official scorers table and team benches or in front of any court-side signage. No tripods may be placed on or beside the court.

Postgame Interviews

All interview requests for Southeast Missouri student-athletes must be made to a member of the Southeast Sports Information staff prior to the end of each game. Student-athletes will be escorted to postgame press conferences in the front meeting rooms of the Show Me Center. Media representatives are not allowed in the dressing room areas. Redhawks head coach Rekha Patterson will address the media during press conferences after every game and the opposing head coach will be invited upon request. Patterson will join press conferences immediately following her postgame radio obligation with the Redhawks Radio Network.

Basketball Email List

If you would like to be added to the Southeast Missouri women's basketball email list to receive breaking news about the team, please email Sean Stevenson at sstevenson@semo.edu. The official athletics website, GoSoutheast.com, is the best source for up-to-date team information.

Weekday Interviews

All Southeast Missouri women's basketball practices are open to the media. Interviews will be conducted before all practices. Please contact the Sports Information office to verify practice times and locations.

Redhawks Radio Network

All Redhawk women's basketball games will be broadcast live on the radio at ESPN 1220 AM and online at GoSoutheast. com. Games can also be heard on KMAL 1470 AM, which is currently the only 100,000-watt station in the Ohio Valley Conference.

Erik Sean is in his 16th year as the "Voice of the Redhawks." Sean is the Director of Sports Operations for Mississippi River Radio's eight radio stations in Cape Girardeau. He is a 12-time winner of the Missouri Broadcasters Association's Play-by-Play Award and three-time winner of the MBA's Sports Award. Sean will be assisted by Todd Bonacki and Jess Bolen this season.

he newly-renovated 7,300-seat Show Me Center (SMC) is the home of the Southeast Missouri State University men's and women's basketball teams. Additionally, the Show Me Center is the entertainment, and meeting hub for the 250,000 residents of the tristate region.

The facility first opened its doors in the summer of 1987 and celebrated its 25th Anniversary during the 2012-13 season.

The Show Me Center has served Southeast Missouri State University, the City of Cape Girardeau, and the citizens of Southeast Missouri, Southern Illinois, and Western Kentucky by providing quality concerts, sporting events, top-notch family entertainment, and a first-rate banquet, convention, and meeting facility.

The facility is a joint-venture of Southeast Missouri State and the City of Cape Girardeau. The combined SMC and Student Recreation Center, which received a complete renovation and expansion in 1999, were originally built at a cost of \$18 million. During the summer of 2015, the Show Me Center underwent an \$8 million renovation that included the roof, seats, sound and lights, and a brand new video board.

The building houses the Redhawks men's and women's locker rooms. The basketball offices on the north side of the SMC were completed during the fall of 2003

The Student Recreation Center is adjoined to the Show Me Center, and it houses the Redhawks' practice facilities. The center has five full basketball courts (including two hardwood courts), a large weight room, six racquetball courts, an indoor track, two cardiovascular equipment areas, a climbing wall, two multipurpose rooms, and full locker rooms. The Student Aquatic Center, which opened in December 2007, features a four-lane lap pool, a recreational pool with a rock wall and zip line, hot tub and locker rooms.

ACADEMIC **EXCELLENCE**

he Holcomb Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.10 cumulative grade point average in the fall and spring semesters. Sixty percent of all student-athletes recorded a 3.0 or higher GPA. Nine of Southeast's 15

tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive studentathlete development program by Building

Responsible Individuals and Delivering Gainful

Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach studentathletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

outheast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger

teams or multiple teams training at the same time.

Training Principles for Southeast Athletes

Reduce the risk of injurie

If a student-athlete is injured, he/ she will not be able to compete at practice or games.

Ensure the student-athletes are optimally prepared to compete

It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

Maximize athletic abilit

We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

Ground Based Movements

Student-athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

Three-Dimensional Movements

Student-athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

Multi-Joint Movements

Very rarely in sport do athletes isolate one single joint at a time. Student-athletes can train more muscle mass at the same time.

revention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves studentathletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the

Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care. but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and

efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athleticrelated injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

r. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

During his first year in the presidency, Dr. Vargas' priority has been to listen and learn by visiting with all the University's constituencies, whether on campus, in the community, region, state, or throughout the United States and in foreign countries where Southeast alumni are located. Based on what he learned, President Vargas launched

initiatives to marshal the resources, to leverage

opportunities, and to address a variety of challenges and needs of Southeast Missouri State University.

President Vargas encouraged and supported the identification and development of innovative academic programs, including a new Unmanned Aircraft Systems program, a Geographic Information Science program, and a proposed engineering program presented to the Missouri Coordinating Board for Higher Education. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouraging

students on campus and abroad to explore cultural interaction. He championed the work of the President's Task Force on Diversity Education, and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations were solidified. including several joint initiatives with Three Rivers and Mineral Area Colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University. He served as the provost and vice president for academic and

student affairs, and had been the school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment was as a senior associate researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

rady Barke, who had been serving as the Interim Director of Athletics since July, 2015, was named to the permanent position of Director of Athletics at Southeast Missouri State University on June 7, 2016.

Barke was among three finalists and more than 50 applicants for the position following a national search conducted by a search committee including representatives from the faculty, staff, students and the community.

Barke, senior associate to the president and secretary to the Board

of Regents at Southeast, officially began his new

role July 1.

"Brady brings with him a tremendous commitment to and knowledge of Southeast Missouri State University, along with the caliber of credentials to move our program forward and into the future," said Dr. Carlos Vargas, president of Southeast Missouri State University. "We believe his experience from the vantage point of both athletics and administration can help our athletics program move to the next level."

"I am extremely honored to have this opportunity to work alongside a great group of coaches and staff, talented student athletes, dedicated Athletics supporters, and a great

University community," Barke said. "I believe I bring some unique strengths to this position, and I look forward to working with the University community to promote our programs and build upon our

While serving as Interim Athletics Director over the past year, Barke has spearheaded the renovation of the athletic weight room and developed plans to upgrade its academic space. He also has worked with University and Cape Girardeau City officials on an agreement for the installation of turf and renovations to Capaha Field.

Barke served as Interim Associate

Southeast Missouri State REDHAWKS

Director of Athletics for Compliance & Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame earlier this year.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

Southeast Missouri State University Athletics Mission Statement

The mission of Southeast Missouri State University Department of Athletics is to provide a first class, student-athlete centered collegiate experience emphasizing the core values of **academic excellence**, **social development**, and **competitive success**. The Department of Athletics strives to compete at the highest possible level in the Ohio Valley Conference and other conference affiliations. The principles of integrity, student welfare, sportsmanship, ethical conduct, rules compliance, equity and diversity, and the prudent management of resources are the foundation on which we operate.

2016-17 SEASON PREVIEW

he 2016-17 season will be the second at the helm for head coach Rekha Patterson, In year one, the Redhawks debuted new attitude, effort, and energy en route to exceeding expectations and finishing tied for fifth in the 12-team Ohio Valley Conference.

When asked about the difference between year one and year two, Patterson's immediate response was about returners passing along the culture of the team to the newcomers; something the team as a whole had to learn from scratch a year ago.

"I think our returners have done a great job of making sure all the newcomers know what our culture is about in terms of what we bring to the practice floor every day: the attitude, effort, and energy we must display, how hard we have to work, what we have to retain, and what we're working toward. We're working on getting back to Nashville and playing our best basketball when we do."

As a team, Southeast returns nine student-athletes while welcoming in six newcomers. Of the starting five from last year, the Redhawks return all but two.

The Redhawks were picked to finish last in the preseason poll in Patterson's first year. Southeast ultimately finished tied for fifth with an 8-8 record in league play. This season, Patterson's squad was picked right where they finished: tied for fifth; however, when asked about the pick, Patterson says it doesn't mean

"If you're picked first, it doesn't mean you're going to finish first and if you're picked last, it obviously doesn't mean you'll finish last. It's about what that team can do when conference play starts in December

and what it can do throughout the course of conference play. There are a lot of talented teams and coaches and we have to work to be our best every single day.

"I do believe we gained respect following last year and all the credit goes to our players; they do the hard work. My coaching staff does a great job of having my back and they continue to push these ladies to be their best."

Of the 15 players listed on Southeast's roster, 11 are guards, including seven returnees. The Redhawks roster features a pair of seniors who are looking to pick up right where they left off a year ago.

Bri Mitchell earned Second Team All-OVC honors following her junior campaign. Mitchell played in 27 games, averaging 31.4 minutes per contest. Her 13.5 points per game was a team-high among active players. Mitchell turned in a team-best 20 double-digit point games, including five 20-point performances. Mitchell is the first Redhawk to earn All-OVC accolades since 2008-09.

Patterson says Mitchell has concentrated heavily on life off-thecourt and expects it will reflect well in her on-court performance this season.

"I would like Bri to continue in her development and maturity. I am really proud of where she is right now and where she is has nothing to do with her on-court performance. This young lady has matured so much and I am so proud of her. I am excited to see that carry over onto the floor. She's a young lady that is preparing for life after college and I'm excited to see her build off what she was able to do for us in conference play last year."

Joining Mitchell is senior Olivia Hackmann. Hackmann returns to play her redshirt-senior season in 2016-17. Hackmann led the team with 16.4 points per game through nine contests last year, recording doubledigits in all nine games. Hackmann missed the final 21 games of the season due to a foot injury.

Patterson's hope for Hackmann is that she picks up right where she left off last season.

"We're talking about a young lady who was probably the most confident she had been in a SEMO uniform. She wanted the ball and that moment. She wanted to be who the team could count on and hopefully we can keep her healthy and she can do what she's capable of doing come conference play."

Back for her sophomore season is point guard Adrianna Murphy. Murphy cracked Southeast's singleseason top-10 list in assists with 144 as a freshman. She played in all 30 games and started in 26 during her rookie campaign.

"I think Adrianna has a chance to have a wonderful sophomore year. She has put in a lot of work during the summer both in the weight room and on the court. She's done a really good job getting to know her teammates on and off the floor and being a good leader. She is someone who has great heart. She has the heart of someone who's 6-6 and not 5-3 and you can't teach that. She's got a lot of personal goals that are all about the team and how she can help her team in vear two."

Ashton Luttrull made three starts in 25 total appearances but her time

was limited due to nagging injuries, averaging 12.1 points per game. While Luttrull averaged 4.6 points per game, Patterson said it's her attitude and energy on the floor and the sideline that proved to be the difference maker in key games last

"She gave everything she had last year and we hope she can do the same this season. Her health is what it is and we can't control that. We will try and manage that as best we can

and put her in a position to help the team the way we know she's capable of doing. She was a spark plug for us last year and I hope she can do the same this season."

Junior Hannah Noe led the Redhawks with 41 3-pointers last season. Patterson said she's been able to get in the gym over the summer and put up lots of shots. Patterson expects Noe to use personal fire to drive a successful junior season.

"Hannah is such a strong young lady. Her leadership has been really good and she has gotten in the gym and been able to focus and use life to help fuel her fire to have a good junior year."

Kaley Leyhue saw limited action during her sophomore campaign. Leyhue made 11 starts in 2015-16, but ultimately averaged 11 minutes a game by the end of the season.

"Kaley battled an injury prior to last season and that injury somewhat derailed her hopes of having a great sophomore year. She's someone who gets in the gym all the time, puts up shots and does everything she can to get better. I truly believe that hard work pays off. She will be someone to help lead the team because of her knowledge of the game and how hard she works."

Hilma Mededovic also saw limited playing time during her rookie campaign appearing in only 14 games. She averaged 4.9 minutes per contest. Patterson says that Mededovic has grown physically from the start of last season and now her goal is to learn how to use her new height and length to her advantage.

"Hilma grew about three inches last year, so she has to figure out what to do with it and how she's supposed to play with a new body. She's put in a lot of work as well. She truly wants to help the team however she can. We have a lot of guards on our roster, but her mid-range capabilities are something that we can utilize."

Newcomer Lakyn Gulley is expected to make an immediate impact on the court. Gulley, a junior transfer from Owens Community College, was recruited simply because she can shoot the ball. She hit 104 three-pointers, shooting 33.3 percent from beyond the arc last season. Prior to Owens, Gulley signed with Cal State Fullerton, where she

played in nine before transferring mid-season.

"We brought her here to shoot the Adrianna and push her. She will ball and she's a pretty good passer as well. We struggled shooting 3-pointers last year, but I think Lakyn be the best player on the floor, and if will help us a lot. I'm expecting her to make some shots for us and provide experience because she did play at the Division I level and started as a freshman."

Freshmen Jessie Harshberger and Iyanna McCurdy are expected to be used as defenders this season. Patterson says both have great length and each play big, something the team will certainly use to its advantage.

"Jessie is a really good athlete. I see her being able to defend with her length, athleticism, and size. She can sprint the floor while also having some scoring capabilities that will continue to flourish. She can do different things: shoot the three, score with her back to the basket, and attack with and without the ball.

"Iyanna will be more of a defensive stopper for us. She's super long despite being only 5-9. She has a long wingspan and plays like she's 5-10 or 5-11. When we talk about big guards in the conference that can score in different ways, she's someone who will help us defend them right away."

Lastly, the Redhawks added Missouri transfer Carrie Shephard to the team in the offseason. Shephard, a southeast Missouri native, played two seasons for the Tigers and was Miss Show Me Basketball in high school. She will sit out this upcoming season, but Patterson says her role

started two games as a freshman and will be important in helping this team get better every day.

> "She will compete against physically compete against Bri and make her better. She's competing to she can do that, it will make the rest of our team better."

While the Redhawks' roster included only four forwards, they are all expected to be forces under the basket in 2016-17.

Deja Jones returns following a stellar sophomore season, which saw her average 6.5 rebounds a game and shoot 67 percent from the floor.

"Statistically, Deja had a really good sophomore year. Her numbers

were impressive and hopefully she can continue to do that. Again, the game will be very simple for her: defend, which she is very capable of doing. She can defend on the perimeter and in the post because of her strength and size. She can run the floor and finish around the rim. Playing with good guards will make life very easy for Deja."

Dolapo Balogun saw limited time as a freshman, averaging 4.7 minutes in 18 appearances. Balogun has put in a lot of work in the gym with the strength and conditioning staff to get stronger in the offseason.

"Dolapo had a really good summer. She was in the weight room with our strength and conditioning coach. She has committed herself to finding any way to help this team. Her job will be very similar to Deja in terms of being able to defend, run the floor, and play with energy and effort. She may lead us in charges because she's such a smart basketball player and is willing to sacrifice her body."

Junior transfer Mandy Madden comes to Southeast from Hutchinson Community College in Kansas. Madden helped lead the Blue Dragons to a 62-6 record over the last two seasons, averaging 9.6 points and 5.3 rebounds per game a year ago.

"We needed experience in the post and Mandy comes from a program that was very successful and there's nothing like winning. She will bring that experience of playing with highlevel players and having experience playing at the junior college level to help our other post players.

"Mandy will bring a steadiness

to us; she won't get too high, won't get too low. She will be where she's supposed to be defensively. Her arms are long and she's a pretty good shot blocker too. She has also shown the ability to score 1-on-1 in the post."

Last and certainly not least is 6-4 freshman LaTrese Saine. Saine will bring a size to the SEMO roster that the Redhawks haven't had in awhile.

"At 6-4, LaTrese has a different look that this program hasn't seen the last few years. Defensively, she's going to help out initially. She's a young lady who can run, jump, and catch and that's a nice combination to have. I'm happy to see her development through year one."

SEMO tips off is 2016-17 season at home against Cincinnati.

COACHING STAFF

REKHA PATTERSON Head Coach Second Season // North Carolina A&T, 2001

ekha (ree-KUH) Patterson is in her second season at the helm of the Southeast Missouri State Women's Basketball program.

In her first season as head coach, Patterson guided the Redhawks to their first winning season in seven years, posting an even 15-15 overall record and an 8-8 Ohio Valley Conference record. The Redhawks, who were picked to finish last in the 12-team league, finished tied for fifth in Patterson's first season. In addition, Southeast punched its ticket to the OVC Tournament for the first time since 2009 under Patterson's tutelage.

In their first OVC Tournament appearance in seven vears, the sixth-seeded Redhawks took on No. 3 SIUE. Southeast ultimately fell to the Cougars, 80-76, but battled hard and took SIUE to overtime in the first round. The Redhawks had four players in double-digit points and shot 40 percent as a team, out-shooting the Cougars by four percentage points in the game.

Of the eight head coaches in the history of Southeast Missouri women's basketball, Patterson became the fourth to record a winning season in their first year at the helm of the program.

The 2015-16 campaign began with Southeast winning four of its first five games. In non-conference play, Southeast picked up victories over UMKC, Western

Illinois, and Missouri Valley powerhouse Wichita State. SEMO opened OVC play winning five of its first six league games. Southeast finished the season going 9-4 at the Show Me Center.

Following a successful junior campaign, Bri Mitchell was named Second Team All-OVC, becoming the first Redhawk since 2008-09 to earn All-OVC accolades. Mitchell's 13.5 points per game led the Redhawks as well as ranked 10th in the league. She put up a team-best 20 double-digit point performances in the 27 games she played in.

Statistically, the Redhawks ranked 13th nationally in rebounds per game, averaging 43.4 board per game. That figure ranked second in the OVC. Southeast's 28 defensive rebounds per game ranked 24th nationally, third in the OVC.

In the classroom, Patterson's 2015-16 team posted eight players to the OVC Commissioner's Honor Roll for achieving at least a 3.25 grade point average. In addition, Ashton Luttrull was awarded the OVC Medal of Honor for earning a perfect 4.0 GPA.

Patterson was named the eighth head coach in Southeast Missouri women's basketball history during

a press conference at the Show Me Center on April 15,

Patterson is the first female head coach in the NCAA Division I era for Southeast and fourth female head coach in the 39-year history of the program.

"I am truly humbled to be the next women's basketball coach at Southeast Missouri State University," Patterson said following her announcement as head coach. "It has always been a dream of mine to be the head coach of a women's basketball program and I would like to thank Southeast for having the faith in me to lead these young women. This profession is truly a gift and I completely understand the role that we as coaches play in the lives of these players."

Patterson spent the previous two seasons (2013-15) as the associate head coach at Ball State. She previously worked on the staffs at Baylor (2002-04, 2009-13), Creighton (2007-08), Ball State (2006-07) and Eastern Illinois (2004-06).

During her coaching career, Patterson has been on the staff of programs that have advanced to postseason play in 12 of 14 seasons. She has worked with teams that have won a National Championship, reached two Final Fours, the Sweet 16 four times and has been a part of seven Big 12 championships.

Patterson has helped guide Ball State to the WNIT. In 2014-15, the Cardinals were 13-5 in Mid-American Conference (MAC) play. In her first season back at Ball State, the Cardinals advanced to the 2014 MAC Tournament championship game. Ball State became the first team to ever play five games in a single MAC Tournament. It was her second stint with the Cardinals after previously serving as an assistant coach in 2006-07.

In 2014, Patterson was a participant in the Achieving Coaching Excellence (ACE) program that is run by the NCAA.

Patterson has coached a National Player of the Year (Brittney Griner), two National Freshmen of the Year, four College All-Americans, an Ohio Valley Conference Freshman of the Year (Rachel Galligan) and numerous all-conference performers.

While at Baylor from 2009-13, Patterson was part of the first women's basketball team to ever win 40 games as the Lady Bears posted an unbeaten mark on the way to the national championship. She spent the 2012-13 season as the associate coach and recruiting coordinator after working the previous three years as the coordinator of basketball operations.

Patterson was an assistant coach at Creighton in 2007-08 when the Bluejays won 21 games, fell one win short of sharing the Missouri Valley Conference regular season title, and completed the 15th-best turnaround in the nation that season.

While she was an assistant coach at Eastern Illinois from 2004-06, Patterson was the post coach for Galligan as she earned the top freshman honor in the OVC.

From 2002-04, Patterson began her coaching career as a graduate assistant at Baylor. Prior to that, she spent a year working at the NCAA national headquarters, where she was an education services intern.

A native of Red Springs, North Carolina, Patterson was a four-year letterwinner and two-time captain in women's basketball at North Carolina A&T, where she earned a bachelor's degree in public relations in 2001. She received a master's degree in education with an emphasis in sport management from Baylor in 2004.

Her mother, Eva Patterson-Heath, is the head coach of the Fayetteville State (N.C.) women's basketball program and has taken her team to the NCAA Division II national tournament. She previously won over 500 games as the head coach at Red Springs (N.C.) High School.

Head Coaching Overall Record - 15-15 (Second Season) Record at Southeast Missouri - 15-15, 8-8 OVC (Second Season)

JAMES ARNOLD
Assistant Coach
Second Season // Glenville State, 2001

ames Arnold begins his second season with the Southeast Missouri Redhawks women's basketball team. Arnold serves as the recruiting coordinator as well as oversees game scheduling and is the staff liaison to various departments within athletics.

Arnold helped guide the Redhawks to their first OVC Tournament appearance in seven years in 2015-16, his first year on staff. Southeast finished the season 15-15 overall, recording an 8-8 record in league play. Southeast finished the season tied for fifth in the conference.

His post players ranked 13th nationally in rebounds per game, averaging 43.4 board per game. That figure ranked second in the OVC. Southeast's 28 defensive rebounds per game ranked 24th nationally, third in the OVC. In all, the Redhawks outrebounded their opponents a total of 19 times last season.

Individually, Erin Bollmann ranked 10th in the OVC in rebounding, pulling down 6.7 rebounds per game. Additionally, Deja Jones ranked 12th in the league with 6.5 rebounds per game.

Imani Johnson became the first Redhawk in 20 years to earn OVC Freshman of the Week honors twice in a single season in 2015-16. Johnson finished her freshman campaign with 9.0 points and 4.9 rebounds per game.

Arnold spent the previous four seasons at the helm of the Central Methodist women's basketball program in Fayette, Missouri. In his four years as head coach, Arnold posted a 79-45 overall record and a 42-30 record in the Heart of America Athletic Conference (HAAC). The Eagles finished third in the HAAC his first three seasons and recorded back-to-back 20-plus win seasons in 2012-13 and 2013-14.

The 2014-15 squad posted their second-straight season ranked 20th in the Women's Basketball Coaches Association NAIA Top 25 Honor Roll. Arnold saw 19 of his players earn Daktronics NAIA Scholar-Athlete honors during his four-year tenure.

His 2013-14 team spent much of the season ranked in the NAIA Division I Top 25 poll and finished with a 22-9 overall record. That season, CMU had four All-HAAC performers including the HAAC Newcomer of the Year.

In his second season at CMU in 2012-13, Arnold's team posted the best start in school history with a 16-1 record to begin the season. The team picked up victories over three top 25 teams and NCAA Division I opponent Chicago State. That season saw two eight-game winning streaks en route to a 25-8 record, the second highest season winning percentage in school history.

The team spent four straight weeks in the top 25 poll, ranking as high as No. 17. The Eagles reached the HAAC Championship game for the first time in 13 years that season and also earned their first ever bid to the NAIA Division I National Championship.

Arnold inherited an Eagle team in 2011-12 who just a year earlier had five wins on the season. Arnold and his staff increased CMU's win total by 12 to finish 17-13, marking the second greatest turnaround in NAIA Division I women's basketball regular season history. The Eagles received votes in three straight weeks in the NAIA DI poll for the first time in school history. Picked to finish ninth in the HAAC, CMU finished third in the standings and just two games out of first place. For his

efforts in his first year at CMU, Arnold earned HAAC Co-Coach of the Year honors.

Arnold also served as Assistant Athletics Director at CMU.

Prior to CMU, Arnold spent four seasons at Highland Community College in Highland, Kansas. In his four years with the Scottie women's basketball program, Arnold's teams more than doubled their conference and overall wins from the four years prior.

Before taking over at Highland, Arnold spent five years at North Central Missouri College in Trenton, Missouri, including four years as the head women's basketball coach and assistant director of residence life. During those four seasons, the Lady Pirates won 91 games, two NJCAA Region 16 Championships, one NJCAA District F Championship, and the 2007 B.J. Graber Sportsmanship Award at the NJCAA Division II National Tournament.

In 2007, Arnold led NCMC to school records of 26 regular-season wins, four playoff wins, and the first 30-win season in school history. NCMC also finished sixth in the NJCAA Division II National Tournament. For their record-breaking season, Arnold and his team were inducted into the North Central Missouri College Athletic Hall of Fame in February of 2008.

Arnold played collegiately at Glenville State College (West Virginia) where he received his bachelor's degree. After his playing career, Arnold spent one season as a student assistant with the Pioneers before moving to head boy's coach at Mt. View Academy in Winchester, Virginia for one season. Arnold earned his Executive Masters of Business Administration degree from Benedictine College in Atchison, Kansas.

Arnold is a native of Paw Paw, West Virginia. James and his wife, Lesley, have one daughter, Audrey, 9.

hanté Crutchfield is in her second season as an assistant coach with the Southeast Missouri women's basketball program. Crutchfield assists with recruiting, camps, scouting and player development, and serves as Southeast's academic coordinator.

In her first season at Southeast, Crutchfield helped lead the Redhawks to a 15-15 finish on the season and an 8-8 record in OVC play, finishing tied for fifth in the 12-team league.

Crutchfield helped mentor guard Bri Mitchell in 2015-16. Mitchell was named Second Team All-OVC, becoming the first Redhawk since 2008-09 to earn All-OVC accolades. Mitchell's 13.5 points per game led the Redhawks as well as ranked 10th in the league. She put up a team-best 20 double-digit point performances in the 27 games she played in.

In OVC-only games, SEMO ranked sixth in the league in scoring offense with 71.8 points per game, also ranking sixth with a +1.5 scoring margin. Assist-wise, the Redhawks ranked fourth, dishing out 14.8 assists per game.

Prior to Southeast, Crutchfield was head coach at Crowley High School in 2014-15, leading her team to an overall record of 23-8 and 11-3 in district play. She guided her team to its first District Championship in seven seasons and first playoff win in 10 years.

A native of Waco, Texas, Crutchfield has seven years of head girls basketball coaching experience at the high school level. She also worked at other Texas prep schools, including Brenham, William B. Travis, and University.

At Brenham, Crutchfield compiled an overall record of 55-15. She guided the program to its first District Championship in nine years and back-to-back District titles for the first time in 12 seasons. Those teams produced two District Most Valuable Players, one Offensive MVP, two Defensive MVPs, one Newcomer of the Year, one Most Improved Player, 14 All-District selections, nine Academic All-District honorees, four All-Brazos Valley, three All-State and three All-Region picks, and one District 18-4A Coach of the Year accolade.

Crutchfield had the pleasure of coaching center Teaira McCowan at Brenham. The highly-recruited McCowan played for the USA U18 National Team that went on to win gold. McCowan currently plays at Mississippi State out of the Southeastern Conference. Last season, she was an SEC All-Freshman Team selection after averaging 6.6 points, 5.6 rebounds, and 1.3 blocks.

She started her head coaching career at William B. Travis High School, helping the Rebels to an overall 62-54 record, three consecutive playoff appearances and their first 20-win season in 15 years.

In 2007, Crutchfield served as the Director of Operations for the Houston Comets out of the WNBA.

Crutchfield was a graduate assistant coach for Kim Mulkey at Baylor from 2000-02 and worked as a basketball operations coordinator for the Houston Comets of the WNBA from 2002-05.

She received her bachelor's degree in business administration-finance from Texas-Arlington in 2000 and earned her master's in sports management at Baylor in 2002.

auwan Scaife is in his second season with the Redhawks women's basketball program and serves as the team's facilities, social media and video/technology coordinator in addition to assisting with recruiting, camps, scouting, player development and other tasks as assigned.

Assistant Coach

Second Season // Ball State, 2013

In his first season with the Redhawks, Scaife helped guide Southeast to a fifth-place finish in the OVC with an 8-8 record. SEMO finished the season with an even 15-15 overall record.

Scaife works closely with the guards including Bri Mitchell, Southeast's first All-OVC performer since 2008-09. Mitchell's 13.5 points per game led the Redhawks as well as ranked 10th in the league. She put up a team-best 20 double-digit point performances in the 27 games she played in.

He also helped mentor freshman point guard Adrianna Murphy. Murphy cracked Southeast's single-season top-10 list in assists with 144 during her rookie campaign.

In OVC-only games, SEMO ranked sixth in the league in scoring offense with 71.8 points per game, also ranking sixth with a +1.5 scoring margin. Assist-wise, the Redhawks ranked fourth, dishing out 14.8 assists per game.

Prior to Southeast, he spent the last two years as a graduate assistant/video coordinator with the Ball State men's basketball team.

Scaife played four years as a guard at Ball State from 2009-13. He was named Second-Team All-Mid-American Conference in 2012-13 and earned MAC All-Freshman Team honors in 2009-10. Scaife finished his career ranked 14th in program history with 1,326 points, becoming the 26th 1,000-point scorer for the Cardinals. He broke BSU's career records in three-pointers made (203) and attempted (579), as well.

A native of Muncie, Indiana, Scaife was a three-year letterman at Muncie Central High School. He averaged 17.3 points, four rebounds and three assists per game in his senior season. Scaife secured First-Team All-Conference and All-City honors, and Second-Team All-State accolades during his standout prep career.

Scaife graduated in three years at Ball State with a degree in Sport Administration. He remained at BSU to get his master's in physical education/coaching.

rooke Hengst returns for her second season as the women's basketball Director of Operations. She assists with program budget, coordinate travel, alumni affairs, and community service as well as assist the coaching staff with on-campus recruiting.

History Notes:

Southeast moved to Division I prior to the 1991-92 season.

^ = One win came via opponent forfeit. Southeast picked up the win as a team, but Ed Arnzen's coaching record was 11-17 that season.

* = All wins in the 2004-05 and 2005-06 seasons were vacated due to NCAA sanctions. Southeast vacated OVC Tournament title and NCAA Tournament appearance in the 2005-06 season.

Records unavailable prior to 1975-76 season.

[&]= Assistant coach Heather Ezell was credited with the 66-38 victory over Alabama A&M on Nov. 14, 2014 while serving as acting head coach.

THIS IS THE OVC

ow in its 69th year, the Ohio /alley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade,

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

seeing only one member institution

depart over the past 16 years.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-

> traditionally black midsouthern institutions to

accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide

MASSIBULITA ESTERALEMENTE 969R F97RB

increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 68 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky,

winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has five, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri,

UT Martin and former member Youngstown State have one title

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA.

The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma

mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 24 berths).

In addition to Kidd, other coaching

legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourthmost in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame: he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games of 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the

fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the College Football Playoff).

In 2010 Southeast Missouri State. picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach

Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as **OVC Champions behind Walter Payton** Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback

Southeast Missouri State REDHAMKS

ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks – FBS or FCS - to achieve those numbers during the year).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and

Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle
Tennessee State won a first round

game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals

last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2016-17 OVC men's basketball teams

have at least one national postseason tournament victory in eight-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was

drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports. com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games.

Through its 68 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conferencerecord 24 outright or shared basketball

crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (3), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2016-17 season with 409 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

> The OVC also has the honor of being

the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regularseason titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 34 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 16 of the last 23 OVC Tournaments. UT Martin added its name to the list capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of

Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Entering the 2015-16 season he has 535

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80thstraight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865

points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of soldout crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 68 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes

former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 33 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regularseason titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history

to accomplish that feat. Five other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97), Morehead State's Amy Almond (2001-02) and Murray State's Scottie Ingram (2014-15) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as iunior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at

the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other); currently the Colonels are one of only 10 teams in the country to qualify for the national championships each of the last five years (2011-15).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national

> championship in 2013 (finishing 116th

overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama. Large crowds filled the stands to see Jacksonville State win its fifth OVC crown.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt"

by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationallyranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying the alltime record established in 2010; overall the OVC has had 78 players selected over the past seven years (2010-16).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same

The playing field is not the only place where OVC athletes are working hard.

The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the **College Sports Information Directors** of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 250 student-athletes honored with the award, including 58 over the last six years (2010-16).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a firstof-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the

OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University. Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

2017 OVC Women's Basketball Championship

The Ohio Valley Conference Men's and Women's Basketball Tournaments will return to the Nashville Municipal Auditorium on March 1-4, 2017.

The combined men's and women's championship have been held at Municipal Auditorium 11 times: 1994, 1995, 1996, 2004, 2008, 2011, 2012, 2013, 2014, 2015 and 2016). The men also held its championship at the venue in 1989. Prior to the tournament being at the end of the season, the 1967 men's tournament was also held at Municipal Auditorium in December of that year.

The move to Municipal Auditorium keeps the championships in Nashville, a place it will have been held 23 times in the last 24 years. The only year the tournament have not been held in Nashville during that stretch was 2002.

Future OVC Basketball Tournament dates include February 28 -March 3, 2018, March 6-9, 2019 and March 4-7, 2020.

2017 OVC Championship Schedule

Game 5: Winner of Game 1 vs. Winner of Game 2, 12:00 p.m. Game 6: #3 Winners of Game 3 vs. Winner of Game 4, 2:00 p.m.

Championship: Saturday, March 4, 2017

Game 7: Semifinal Winners, 12:00 p.m.

THIS IS SOUTHEAST

SOUTHEAST BOASTS 20+ NATIONALLY AND INTERNATIONALLY ACCREDITED PROGRAMS, INCLUDING:

/ ATHLETIC TRAINING

/ BUSINESS

/ CHEMISTRY

/ COMPUTER SCIENCE

/ DIETETICS

/ EDUCATION

/ ENGINEERING PHYSICS

/ INTERIOR DESIGN

/ MASS COMMUNICATION

/ MUSIC

/ NURSING

/ SOCIAL WORK

/ THEATRE

GETTING INTO MEDICAL SCHOOL ISN'T EASY — WE JUST MAKE IT LOOK THAT WAY. SOUTHEAST'S PRE-MED STUDENTS ARE ACCEPTED TO

medical school well above the national average. Like our students, Southeast faculty members come from around the country, hailing from leading institutions such as:

/ Boston Conservatory of Music

/ Carnegie Mellon University

/ Harvard University

/ Pennsylvania State University

/ Purdue University

/ Texas A&M University

/ Tulane University

/ University of Florida

/ University of Michigan

/ Vanderbilt University

/ Yale University

THE DONALD L. HARRISON COLLEGE OF BUSINESS CONSISTENTLY MAKES THE PRINCETON REVIEW'S LIST OF top business schools.

And go anywhere as a teacher.

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21 faculty-student ratio

Full-time faculty

lead most classes, not teaching assistants starting with freshman year.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

18()+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.

And do it on a campus
