ouck Stadium serves as the home field for the Southeast
Missouri State University women's soccer program. In 17 years of
Southeast women's soccer, the Redhawks are 92-34-19 in Houck
Stadium.

Prior to the 2011 season, Houck Stadium received a huge makeover, as a new FieldTurf playing surface, state-of-the-art Daktronics video scoreboard and new lighting (which meets television standards) was installed. The facility was also repainted, giving the longtime home to the Redhawks a flashy look.

The first ever home Southeast Missouri women's soccer match was played at Houck Stadium on Oct. 3, 1999. The Redhawks defeated Morehead State 2-1 in the match in front of a crowd of 525, an attendance figure that still ranks among the largest in Southeast women's soccer history.

The largest home crowd in women's soccer history was 841. Southeast played the University of Evansville on Sept. 11, 2012. The Redhawks and Purple Aces played to a scoreless draw after two overtimes.

Houck Stadium was built in 1930 at a cost of \$150,000 and remains a beautiful and picturesque stadium today.

Houck Stadium was constructed on the site of a former rock quarry and was purchased in 1925 for \$11,000 at the recommendation of then-Southeast Missouri State University President Joseph A. Serena.

Ten thousand bags of Portland Cement, 23,000 feet of Oregon Fir seat lumber and 150,000 feet of Yellow Pine Form lumber were used in the construction, according to an ad in the Houck Stadium dedication program. The original stadium included 5,240 seats on the south side of the field.

The field and stadium were named in honor of Louis Houck, who served 39 years as a Regent for the university and President of the Board for all but three of those years.

Seating on the north side of the stadium was added prior to the 1963 season. The press box was later constructed on the south side in 1979. Approximately 400 chairback seats were added to a center section on the south side of the stadium in 1992.

In 2000, the first FieldTurf playing field was installed and the exterior of the facility was resurfaced. Improvements were also made to the press box

More upgrades took place in the fall of 2005. Those included a paved parking area adjacent to the east end zone and new parking and landscaping areas surrounding the outside of the stadium.

A state-of-the-art dormitory was built on the west end of the facility in 2009. The ground floor of that building houses a locker room and athletic training facility, which the soccer and football teams use on game days.

Southeast studentathletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive studentathlete development

program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply

leadership skills. The life skills programming provides educational programs designed to assist studentathletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January, 2016. Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

Exercises for Southeast Athletes are based on the following Principles:

Ground Based Movements

Student-athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

Three-Dimensional Movements

Student-athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

Multi-Joint Movements

Very rarely in sport do athletes isolate one single joint at a time. Student-athletes can train more muscle mass at the same time.

r. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

During his first year in the presidency, Dr. Vargas' priority has been to listen and learn by visiting with all the University's constituencies, whether on campus, in the community, region, state, or throughout

the United States and in foreign countries where Southeast alumni are located. Based on what he learned, President Vargas launched initiatives to marshal the resources, to leverage opportunities, and to address a variety of challenges and needs of Southeast Missouri State University.

President Vargas encouraged and supported the identification and development of innovative academic programs,

including a new Unmanned Aircraft Systems program, a Geographic Information Science program, and a proposed engineering program presented to the Missouri Coordinating Board for Higher Education. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouraging students on campus and abroad to explore

cultural interaction. He championed the work of the President's Task Force on Diversity Education, and continued emphasizing the expectations for enhancement of the teacher-scholar model. Under President Vargas' leadership, regional partnerships and collaborations were solidified, including several ioint initiatives with Three Rivers and Mineral Area Colleges.

Prior to assuming the

presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University. He served as the provost and vice president for academic and student affairs, and had been the school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the

program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment

researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

Southeast Missouri State University Athletics Mission Statement

The mission of Southeast Missouri State University Department of Athletics is to provide a first class, student-athlete centered collegiate experience emphasizing the core values of **academic excellence**, **social development**, and **competitive success**. The Department of Athletics strives to compete at the highest possible level in the Ohio Valley Conference and other conference affiliations. The principles of integrity, student welfare, sportsmanship, ethical conduct, rules compliance, equity and diversity, and the prudent management of resources are the foundation on which we operate.

ead omen's soccer coach
Heather Nelson and her
husband, Associate Head
Coach Paul Nelson, embark on their
18th season together at the helm of the
Southeast Missouri women's soccer
program in 2016.

As season 18 is set to begin,
Nelson believes this team has the
opportunity to be special; but how
special depends on how the team
comes together and takes care of one
another and lives up to the program's
value system.

"We have an incredible amount of diversity and I always feel that's a blessing for a program. We also have a lot of athleticism and soccer-specific talent," Nelson said.

The 2016 roster features a trio of seniors who all carry strong, yet very different styles of leadership.

"Our three seniors are very passionate and dedicated to the vision of our program. I believe they are also very family oriented. The leadership we have from our oldest players as well as what our team has learned from the What Drives Winning program has ensured we are developing leadership among all classes of our team."

Nelson says one of the program's values is leadership and the team as a whole is built upon having "a team full of leaders rather than being led by one of two individuals."

SEMO returns 14 student-athletes from last season and Nelson says the core group of returners is one of the best the program has seen in years.

"The combination of stability and experience our returners bring along

with the athleticism and passion of the newcomers lends me to think this is going to be a very special season for us."

The Redhawks carry eight newcomers, all freshmen, on the roster. In Southeast's exhibition match at Vanderbilt, seven of the eight freshmen saw playing time.

"Our newcomers are a lot further ahead in their transition to collegiate play than I expected them to be at this point heading into the season because they are so determined to contribute and make a difference.

Each of them is desperate to impact this program as quickly as possible in everything we do.

"To be honest, we are playing at the highest level of intensity in preseason than I have seen in the 18 years we have been here at SEMO."

The 2015 season saw a program record of seven ties in the season. The coaching staff, which includes third-year assistant coach Adam Kleman, recognized it needed to recruit a lot of attacking talent, specifically in this recruiting class.

"About a year and a half ago, we identified that was an area we needed to store up talent. This class will do a great job of solving our problem of finding the back of the net and winning more matches."

Goalkeepers

In goal, the Redhawks return junior Kindra Lierz. In just two seasons, Lierz has recorded an 0.82 goals against average, picked up 144 saves, and has a career .828 save percentage while recording 15.3 shutouts. Last year, Lierz broke Southeast's single-season goalkeeper minutes played record, playing 1,940 total minutes in goal. She already ranks in all six of Southeast's career top-five categories for goalkeepers.

After finishing the season on a strong note in the OVC Tournament, Lierz dedicated her summer to staying fit and preparing for her junior campaign.

"Kindra worked very hard over the summer with our Fire and Ice program and I believe she is in a much better starting position coming into this preseason than she was in the previous two years."

Southeast will see a new face vying for time in goal in freshman Maddie Gleeson.

In Southeast's exhibition match at Vanderbilt, Gleeson stepped up when Lierz exited the first half early after a slight injury, finishing the half facing seven shots and picking up three saves.

Nelson hopes that the relationship between the veteran Lierz and the rookie Gleeson will be one of inspiration.

"I hope the two of them inspire each other and push each other to be the best that they can be, both as soccer players and as women.

"Our match at Vanderbilt showed why teams need depth in that position. It was very exciting to see Maddie jump into goal with next to no mental preparation for it and do everything we expected her to do. We didn't skip a beat when Kindra went out. That is my ideal situation and they demonstrated that perfectly

against a good Southeastern Conference program."

Forward

While employing an impressive group of forwards last season, the Redhawk offense struggled to find the back of the net, resulting in seven ties to complement its nine wins.

However, Nelson feels this season's offense features more depth in the forward position than she's seen in a long time.

"We have a lot more overall talent and depth in our three attacking positions than we have had in a while. Even in the short period we have been together this preseason, I have already seen much better understanding and complementing in their style of play. We have a lot more weapons in our arsenal up front this season."

Two of SEMO's three seniors can be found on the front line in Natasha Minor and Angie Mann. Minor saw limited action in her junior campaign due to a knee injury mid-season. Mann netted eight goals en route to All-Ohio Valley Conference Second Team and All-Newcomer Team honors. Sophomore Lauren Kaempfe also saw time up front last year but is expected to see more time in the midfield, all while still contributing to the Redhawk attack.

This season, the depth to the Redhawks' offense lies entirely in the freshmen class. Four freshmen in Jennifer Brien, Katie Lever, Cassidi Tomsu, and Esmeralda Gonzales will look to heavily contribute to the scoring this season as all four

20 | 2016 SOCCER GUIDE GOSOUTHEAST.COM | 21

bring impressive high school and club resumes with them. Most notably, Gonzales broke the National Federation of State High School Association's career goals scored record (for girls and boys) with an astonishing 316 career goals in her four-year high school career.

"I believe our future in attacking is very bright," Nelson said briefly.

Midfielders

Nelson calls the midfield the "engine room" of the team and feels very strongly in the importance of the position.

Senior Kaitlin Kuznacic is expected to reprise her role in the midfield along with junior Paige Blankenheim. Kuznacic made 18 starts last season (missing three starts due to an injury) while Blankenheim was only one of two players to start all 22 matches.

"We have a lot of experience in both Kaitlin and Paige but they are both very different players who provide different looks for us."

As mentioned before, Lauren Kaempfe is expected to see more time in the midfield during her sophomore season.

"The engine room has to be the players who are going to work the hardest. When we put players like Kaitlin, Paige, and Lauren into the lineup, they are going to run all day and they have the kind of mindsets that continue to reset and reload over and over with each opportunity."

Nelson has been impressed with the growth of junior Maggie Pike and how she has become determined to see time in the midfield.

"Maggie, as well as Kindra and Lauren, committed their summer to Fire and Ice and each of them have come back very different players. I hear our team using terms like 'beast' when referring to Maggie in training while Lauren has added a certain calmness and tactical mindset in addition to her speed and work ethic. Thanks to their year-round dedication to our program, they have added huge gains to our team."

To add to the depth of the midfield, Nelson and her staff will look to Gonzales, Lever, and Tomsu to fulfill roles in the midfield, particularly in the attacking mid position.

"Between those three, they are going to share the top offensive position in the midfield."

Nelson added that the staff is still looking at who will fill the position of defensive midfield specialist.

"That spot will most likely fall in the hands of Kaitlin, Paige, or even Siena Senatore."

Senatore, a sophomore, played in 18 matches last season, starting 10 of them, on the back line.

"Siena has been bothered by some nagging injuries but I'm hoping we can get her settled into the lineup on a regular basis."

Defenders

While the goalkeepers are the last line of defense, the defensive unit has a considerable amount of responsibility for the league-leading 11 shutouts from last season. The Redhawks lost a few players on the back line but have shuffled some players around positionally to fill

those holes in the defense.

"Through the spring, we transitioned three forwards into defenders including Brooke Merseal and Maddi Karstens as center backs and Jordan Nelson as a right back. Our mindset in the back of the field will play a huge role in creating opportunities in the front."

Of the returning players, defenders Shay Darga and Senatore saw a lot of action on the back line a season ago.

Nelson says that while the defensive line is very young, they are incredibly talented.

"We've added a very good mindset on the back line in that we have some very courageous players. Although we're young, they are sponges when it comes to tactics. I think as the season goes on, we will experience some growing pains, but I do believe that in a matter of time, they will be one of the most special defensive units we have had in the program's history."

With eight players competing for four starting defensive positions, Nelson knows they will push each other to be the best they can be every day.

2016 Schedule

The non-conference schedule features formidable foes in two Southeastern Conference teams (Tennessee, Kentucky), two Missouri Valley teams (Evansville, Missouri State), and Florida Atlantic out of Conference USA.

With the schedule full of strong competition, Nelson said it is a reflection of the student-athletes on the roster.

"I believe it will be a wonderful test of our abilities. The caliber of teams we are playing will make us grounded in focusing on what we can do, what our mentality is, and what we can control. I really believe it will be a great way to springboard into conference play."

Nelson is expected to earn her 200th career victory this season as she has 196 right now. When asked what number 200 means to her, she said, "200 is a very special level to get to and it's going to mean a lot to me. To me, 200 is a reflection of the amazing people Paul and I have had in our lives. The student-athletes, coaches, and support staff has made our time here at SEMO a very rewarding experience."

2016 OVC Preseason Poll

Southeast was picked to finish second in the OVC Predicted Order of Finish, a prediction Nelson believes is fair based on last season's finish. While finishing the regular season in the middle of the league in sixth, Southeast made a tremendous run in the OVC Tournament, finishing as runners-up after falling to Murray State in the Championship match. It was the first time since 2007 that SEMO had reached the title match in soccer.

"I like being picked towards the top. It's an ideal place to be in striking distance of the top spot. Being picked as number one carries a certain burden that you have something to prove. Second would be my ideal pick in the preseason."

HEATHER NELSON Head Coach 18th Season Saskatchewan, 1992

eather Nelson is the only head coach that has guided the Southeast Missouri soccer program since its inception in 1999. In 17 years under her guidance, the Redhawks have posted 13 winning seasons and compiled a 165-107-40 record. Nelson has coached five Ohio Valley Conference regular season champion teams (2001, 2002, 2007, 2011, and 2014) and back-to-back OVC Tournament championship squads (2006-07) that earned berths in the NCAA Tournament.

Championship Culture

Since the inaugural 1999 season for Southeast Missouri women's soccer, no Ohio Valley Conference school has captured more than the five regular season championships Nelson's program has earned. After the inaugural season in 1999, Nelson guided Southeast to 10 wins the following year, a figure that was matched or surpassed in each of the next eight seasons and nine times total in the following 13 years. By year three, she helped guide Southeast to back-to-back OVC regular season championships (2001, 2002), which saw the Redhawks go undefeated in conference play during each of those years.

In 2001, Southeast stormed onto the scene with a 16-2 overall record and 5-0 mark in league play. The Redhawks posted an .889 winning percentage, which currently stands as the best in school history. That team, which claimed the program's first-ever OVC title, boasted the nation's lowest goals against average (0.44) and the country's top shutout percentage (0.72). The Redhawks allowed only eight goals and posted 13 shutouts in 18 matches. Southeast also ranked 10th in the nation in points per game (2.67). The Redhawks set conference records for wins in a season and goals allowed, posting shutouts in all OVC contests. Southeast repeated

as the league's regular-season champion in 2002, posting an overall record of 14-4-2 and 6-0 mark in conference play while leading the league in shots, goals allowed, goals against, and shutouts. Following the 2002 season, nine players earned All-OVC honors, including Valerie Henderson and Jenny Hamilton, who were named OVC Player and Defensive Player of the Year, respectively. Despite the dominant records and accolades, an OVC Tournament title eluded the Redhawks in each of those seasons. Eastern Illinois pulled off upsets in the tournament championship match of both campaigns.

The Redhawks finally broke through in postseason play during the 2006 OVC Tournament. After a fourth-place regular season finish, Southeast knocked off top-seeded Samford and blanked Morehead State in the OVC Tournament finals to secure its first NCAA Tournament berth in 2006. The Redhawks drew nationally-ranked Illinois in their first NCAA Tournament game and stifled the Fighting Illini offense for much of the first period before eventually falling by a score of 2-0. Southeast turned that momentum from the 2006 run into a memorable 2007 season that saw the Redhawks finish 12-2-4 in the regular season with an unbeaten 8-0-1 record in OVC play. Southeast won a second-consecutive OVC Tournament, blanking UT Martin in the semifinals and outlasting Samford in penalty kicks in front of a home crowd at Houck Stadium to earn a return berth to the NCAA Tournament. Southeast drew in-state rival Missouri and made history in the 43rd minute of that clash when Courtney Alexander scored the program's first NCAA Tournament goal. The contest went to penalty kicks, where Missouri prevailed despite a valiant effort from the Redhawks.

Nelson earned her third OVC Coach of the Year honor in 2007, marking the most of any women's soccer coach in league history. Southeast swept the OVC postseason awards with Alexander claiming OVC Player of the Year, Lindsay Pickering earning OVC Defensive Player of the Year and Ashley Runion collecting the program's first OVC Freshman of the Year honor. Nelson's Redhawks won their fourth regular season title in 2011 with a 12-6-1 record and 8-1-0 finish in the OVC. The eight league wins tied the conference record, which was set by Southeast and Samford

in 2007. Nelson was named OVC Coach of the Year for a record fourth time. Jessie Crabtree earned OVC Offensive Player of the Year honors in her lone season at Southeast while Erin Shulman claimed OVC Freshman of the Year honors.

The 2012 season was one of adversity for the Southeast soccer program as the team overcame numerous hardships and a tragedy that impacted the entire university and Cape Girardeau community. Nelson was injured in an accident over the summer and spent time away from the sidelines recovering during the first month of the season. In early September, senior defender Meg Herndon was involved an accident that tragically cut her life short. Equal parts a captain, friend, sister and teammate, Herndon displayed tenacity as a driven defender on the field and was admired by the countless lives she touched in competition and her personal life. Herndon's No. 2 jersey was retired one year later during a celebration of her life prior to the annual alumnae match. During the event, Herndon's mother, Cindi Silvey, presented a check for the newly-formed Meghan Herndon Memorial Scholarship.

"It's amazing knowing that Meg's legacy is going to live on through her scholarship," Nelson said. "Her family has been so wonderful as we've honored her. It reminds me of my relationship with Meg and how pleasant it was to work with her."

The 2012 Redhawks overcame many obstacles to finish 7-10-4 overall and 5-3-2 in OVC play to place fourth in the conference. Southeast closed the season by going 4-0-1 and qualified for the OVC Tournament for the third consecutive year. The momentum continued during the tournament as the Redhawks defeated Belmont for the

program's first postseason victory since 2007. The memorable run ended in a 1-0 loss to UT Martin, the eventual OVC champions. Haley Abbott became the fifth player under Nelson to earn OVC Defensive Player of the Year.

2013 marked the 11th winning season in Nelson's career. Southeast went 8-7-3 overall and 6-2-2 in the OVC to finish third in the conference standings. The Redhawks earned a berth in the OVC Tournament for the fourth year in a row. Ashton Aubuchon was named OVC Defensive Player of the Year, marking the sixth time in Nelson's tenure that a Southeast player received the accolade and second time that Southeast has claimed the award in back-to-back seasons (Jenny Hamilton, 2001-02).

2014 saw the Redhawks claim their fifth and most recent OVC regular season championship. The Redhawks finished the season 11-6 overall and 8-2 in league play. Southeast defeated SIUE in the regular season finale to win a share of the OVC title with the Cougars. With that win, Southeast earned the right to host the postseason tournament and earn a bye as the No. 1 seed. Freshman Kindra Lierz made history as the first player in the OVC to be named OVC Defensive Player of the Year and Freshman of the Year. Lierz was also named First Team All-OVC and All-Newcomer Team. Aside form Lierz, the Redhawks had four others earn postseason honors following the 2014 campaign.

2015 was the Redhawks' third consecutive winning season, a feat that hadn't been done since Southeast had eight straight winning campaigns between 2000 and 2007. Southeast finished the 2015 season going 9-6-7 overall and 3-2-5 in league play. Southeast's seven draws were a program record. Following a pair of road losses to Austin Peay and Murray State, the Redhawks went on to finish the regular season undefeated, going 2-0-4 in the final six matches. Carrying the No. 6 seed into the OVC Tournament, the Redhawks drew No. 3 Jacksonville State in the opening round. The Redhawks played the Gamecocks to a 1-1 draw in a double overtime thriller and it was Southeast who advanced in the to the semifinals following penalty kicks. Southeast took on No. 2 Tennessee Tech and the OVC Defensive Player of the Year in the semis in Murray, Kentucky. The Redhawks took down the Golden Eagles 2-0 to advance to the Championship round for the first time since 2007. The season came to an end following a 1-0 loss to top-seeded Murray State in the Championship match. The Redhawks and Racers played to a scoreless draw in regulation but Murray scored the winning goal with 53 seconds left in the first overtime to capture the OVC title.

Developing Standout Student-Athletes

In her 17 seasons at Southeast, Nelson has coached four OVC Players of the Year, seven OVC Defensive Players of the Year and three OVC Freshman of the Year honorees. Additionally, Nelson has coached 76 players who have earned either OVC first-team, second-team, third-team, honorable mention or all-newcomer accolades since 1999. The Redhawks also earned regional recognition in 2012 as defender Hayley Abbott earned third-team all-region honors from the National Soccer Coaches Association of America (NSCAA). For the second time in three seasons, a Southeast player received NSCAA recognition as defender Nikki Edwards earned honorable mention all-region honors in 2010. Nelson's teams have also performed extremely well in the classroom, posting a 3.3 point grade point average or higher in each of her 17 years leading the program. For the 2013-14 academic year, the Redhawks posted a 3.72 cumulative grade point average as a team, ranking second nationally out of 323 NCAA Division I soccer programs. It also marked the highest total in the 17-year program history. The Redhawks posted the third-highest Division I GPA the year prior. Nelson's student-athletes have earned CoSIDA Academic All-District VII honors on seven occasions. She has also coached 34 OVC Medal of Honor recipients. The Redhawks have earned the National Soccer Coaches Association of America (NSCAA) Team Academic Award in each of the last six seasons.

Before Southeast

Prior to building the Redhawks soccer program, Nelson coached at Florida State from 1995-98, helping lay the foundation for the Seminoles in an extremely competitive Atlantic Coast Conference. Nelson's 1996 and 1997 teams finished with the ACC's second-best GPA. Nelson coached the 1986 age group Missouri Olympic Development Program (ODP) team to the 2003 Midwest Region II Championship and represented Region II at the 2004 ODP National Championship.

A former member of Canada's national team pool, Nelson was a four-year starter at the University of Saskatchewan. After earning her Physical Education degree in 1992, Nelson went on to get her "B" license and coaching diploma at the National Coaching Institute at the University of Victoria in 1993. At the time, Nelson held the distinction of being one of only five Canadian female coaches qualified to coach at the national team level. Nelson and her husband, Paul, Associate Head Coach at Southeast, have four children, Jordan, Taylor, Justi and Chase. Their daughter Jordan is a sophomore at Southeast.

PAUL NELSONAssociate Head Coach
18th Season

aul Nelson enters his 18th season with the Southeast Missouri women's soccer program and his 10th year as the team's associate head coach. Paul and his wife Heather, head coach of the Southeast women's soccer team, has built the Redhawk women's soccer program from the ground up since its inception in 1999.

Nelson has drawn on his extensive playing and coaching experience from every level – juniors to professional – providing plenty of valuable guidance along the way.

Together with his wife, the Nelsons have built a program on the foundation of quality student-athletes. In 17 seasons, the Redhawks have compiled a .593 winning percentage going 165-107-40. Southeast's Ohio Valley Conference record is an even more impressive 76-38-23 (.648).

He helped lead the Redhawks to Ohio Valley Conference regular season championships in 2001, 2002, 2007, 2011, and 2014. Southeast also registered back-to-back OVC Tournament titles and NCAA Women's Soccer Cup appearances in 2006 and 2007.

Prior to Southeast, Nelson spent four seasons as an assistant coach at Florida State and two years at the Canadian western-based National Training Center. In addition, he was an assistant coach for Canada's Olympic team in 1994.

Nelson first entered the professional ranks in 1977 and enjoyed 13 competitive seasons at that level. He played in the once-heralded North American Soccer League (NASL) during both the indoor and outdoor seasons and competed in the Irish Premier Division. Nelson signed with

the NASL's Vancouver Whitecaps at the age of 18, where he had the opportunity to play with and against some of the best players in the world, including Pele, Beckenbauer and Cryuff.

In 2011, Nelson, his teammates and staff from the Whitecaps were inducted into the Soccer Hall of Fame and Museum as the 1979 Whitecaps earned the 2011 Team of Distinction Award. The Whitecaps went 20-10 that season and claimed the NASL's Soccer Bowl with a 2-1 win over the Tampa Bay Rowdies in front of 66,843 fans at Giants Stadium in East Rutherford, New Jersey.

As a staff coach for British Columbia Soccer, Nelson boasted one of the best amateur soccer coaching records in Canada. His coaching successes include gold medals from the 1991 Western Canadian Championships and the 1993 Canada Matches.

In 1999, Nelson served as coach of the American Soccer League's Vancouver 86ers reserve team.

He and his wife, Heather, have four children, Jordan, Taylor, Justi and Chase.

ADAM KLEMAN Assistant Coach Third Season Transylvania, 2008

dam Kleman enters his third season as an assistant coach with the Southeast Missouri women's soccer program. He joined the Redhawks in 2014 after spending the previous two seasons as a graduate assistant coach at Eastern Kentucky, a fellow member of the Ohio Valley Conference.

Kleman serves as the goalkeepers coach and handles administrative tasks, team travel, meals, compliance, and recruiting while assisting in overall player development.

Kleman's work with the goalkeepers lent to Southeast recording 11 shutouts in 2015, his second season with the program. The Redhawks finished the 2015 campaign with an 0.93 goals against average and an 80.7% save percentage. SEMO's 0.93 goals against average and 1.00 goals allowed per game each ranked third in the league while it's 11 shutouts ranked first; SIUE ranked second with eight.

In his first season in 2014, Kleman helped guide the Redhawks to their fifth OVC title. Kleman mentored freshman goalkeeper Kindra Lierz that season. Lierz went on to be the first player in league history to earn both OVC Defensive Player of the Year and Freshman of the Year honors. Lierz also earned First Team All-OVC and All-Newcomer accolades. The Redhawks led the OVC in goal allowed (0.71), goals against average (0.70), and shutouts (8).

During his tenure with EKU, Kleman was responsible for on-field coaching, off-campus recruiting, travel arrangements and video editing. In 2012, the Colonels enjoyed a recordbreaking season, setting program marks for wins (10), conference victories (6), goals (22),

assists (18), points (62) and shots (253). EKU posted an undefeated home record (8-0-1) for the first time in school history and had three players selected first-team All-Ohio Valley Conference, the most in program annals. The Colonels finished as the runner-up in the OVC Tournament, suffering defeat on penalty kicks.

In 2013, EKU also had three players earn All-OVC honors and earned the NSCAA Team Academic Award for the second consecutive season.

A native of Elida, Ohio, Kleman competed collegiately as a defender at Transylvania University (2004-07). The Pioneers posted a 56-10-13 record during his career, won four consecutive Heartland Conference titles and advanced to the NCAA Sweet 16 in 2007. Kleman scored four goals during his career.

Kleman earned a bachelor's degree in Business Administration from Transylvania in 2008 and a master's degree in Sports Administration from Eastern Kentucky in 2013.

He and his wife, Bo, reside in Cape Girardeau.

2016 OVC Soccer Tournament

Quarterfinals

Sunday, October 30, 2016

Game 1: #3 seed vs. #6 seed Game 2: #4 seed vs. #5 seed

Semifinals

Friday, November 4, 2015

Game 3: #2 seed vs. Winner of Game 1 Game 4: #1 seed vs. Winner of Game 2

Championship Sunday, November 6, 2015 Game 5: Semifinal Winners

The 2016 OVC Soccer Championship will mark the 18th tournament in Conference history. Once again the format includes the regular season ending on a Thursday with the first round of the championship (featuring the No. 3 through No. 6 seeds) being played on Sunday at campus sites (higher seeds in each matchup). The winners then advance to the campus of the No. 1 seed and play the semifinals and championship at that location. Prior to 2015 all six teams played on the campus of the No. 1 seed.

Last season Murray State claimed the regular season crown and right to host the Championship at Cutchin Field. The Racers then topped Morehead State and Southeast Missouri to claim its second OVC Tournament Championship and first since 2009.

Southeast Hall of Fame

Class of 2015

Lindsay Pickering (Soccer, 2005-2007 / Softball, 2004-2007) was a twosport athlete at Southeast Missouri, excelling as a member of the women's soccer and softball teams.

In soccer, Pickering was a two-time OVC Defensive Player of the Year, winning the coveted honor in 2005 and 2007. She earned First-Team All-OVC accolades each of those seasons and was a second-team pick in 2006. A three-year starting goalkeeper, Pickering rated as Southeast's career leader in shutouts (28), wins (34) and minutes played (5,233). In softball, she was a four-year starting outfielder from 2004-07. Pickering was named Second-Team All-OVC in 2006 and landed a spot on the All-OVC Tournament Team in both 2004 and 2005. She is the first soccer player and 18th multiple sport athlete to be inducted into the Hall of Fame.

Paul and Heather Nelson pose with Southeast Missouri Hall of Fame member Lindsay Pickering, the first soccer player inducted into the Hall of Fame.

Lindsay Pickering was inducted into the Southeast Missouri Hall of Fame on February 20, 2016 at the Show Me Center.

ow in its 69th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 16 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later.

In 1961 Murphy earned all-conference recognition as a halfback in football.

With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the

INSPIRING EXCELLENCE

Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 68 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has five, while Morehead State, Tennessee

State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA"

lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over

Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 24 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-

1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games of 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XI III

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories

(chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the College Football Playoff).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 – Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks - FBS or FCS - to achieve those numbers during the year).

Football wasn't the only sport in which the OVC was quickly gaining respect. In

1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14thranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship

> game every year in the 1990's. The Racers' 15 OVC Tournament

Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the instate foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57

In 2011-12 Murray State put together one of the greatest seasons in OVC history,

beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationallyranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (threegame winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2016-17 OVC men's basketball teams have at least one national postseason tournament victory in eight-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester
Hudson became the first men's Division
I player to record a quadruple-double in
a game, when he registered 25 points, 12
rebounds, 10 assists and 10 steals in a victory
over Central Baptist College. Hudson, who
ranked fourth in scoring nationally as a junior,
returned for his senior season in 2008-09
and was second nationally in scoring (behind

Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA

Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games.

Through its 68 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (3), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos

enters the 2016-17 season with 409 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 34 years. Although Tennessee Tech remains the standard-bearer. five other teams have won 16 of the last 23 OVC Tournaments. UT Martin added its name to the list capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today

in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Entering the 2015-16 season he has 535 victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points

> per game on the way to All-American honors while Butler averaged

22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of soldout crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 68 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list

includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 33 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. Five other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97), Morehead State's Amy Almond (2001-02) and Murray State's Scottie Ingram (2014-15) – were back-to-back

winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight

NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other); currently the Colonels are one of only 10 teams in the country to qualify for the national championships each of the last five years (2011-15).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under

par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama. Large crowds filled the stands to see Jacksonville State win its fifth OVC crown.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) – hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the firsttime in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds. setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). > tying the all-time record established in 2010: overall the OVC has had

78 players selected over the past seven years (2010-16).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conferencesponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 250 studentathletes honored with the award, including 58 over the last six years (2010-16).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director. to a junior or senior student-athlete with

significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our studentrun idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies** (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions

Some of them, quite literally. For years, students have been making the trek up Cardiac Hill (a tradition in its own right) to add their chewing gum to our infamous Gum Tree.
