The Redhawks Tennis Complex serves as the home court for the Southeast Missouri women's tennis team.

The complex, which was built in 2000, features eight courts, all of which are lighted. Courts were re-surfaced and new bathroom facilities were added within the last year.

The Redhawks Tennis Complex is located on the north side of campus at the intersection of Bertling and North Sprigg.

ACADEMIC EXCELLENCE

The Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Coordinator Sandy Wiemers and Graduate Assistants Oge Oge and Luke Staudt.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.15 cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged a record 4,100 hours of community service over the 2014-15 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study

skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

2014-15 Notables

- Eleven of Southeast's 15 athletic programs achieved a 3.13 or higher GPA. Women's cross country boasted a department best 3.79 GPA, followed by women's soccer (3.69), women's Tennis (3.628), women's tennis (3.622), volleyball (3.45), softball (3.35), women's indoor/outdoor Tennis (3.31), baseball (3.29), women's basketball (3.28) and men's cross country (3.13).
- In all, 195 individuals accumulated a 3.0 or higher GPA, accounting for 61 percent of the student-athlete population. A total of 140 student-athletes made Southeast's Dean's List -- students must have a 3.5 or higher GPA to earn that distinction.
- Seventy-one student-athletes received their degrees.
- Southeast's women's Tennis team was among those who received public recognition awards for top academic performance from the NCAA.
- Seven Southeast programs, including women's cross country, women's tennis, volleyball, baseball, men's cross country and men's indoor/outdoor Tennis ranked among the top three in the Ohio Valley Conference's single year APR.

Southeast student-athletes are challenged physically and mentally in order to achieve optimal results.

COMPETITIVE SUCCESS

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

The Redhawks' weight room recently underwent a \$500,000 renovation. It includes indoor turf, 17 hammer strength elite racks, 17 Eleiko Olympic Bar Bells, Werksan custom plates, iron-grip dumbbells and extra Texas power bars.

Redhawk student-athletes will now use a newly-renovated training facility located inside the Student Recreation Center South.

Training Principles for Southeast Athletes

- 1. Reduce the risk of injuries**
 - If a student-athlete is injured, he/she will not be able to compete at practice or games.
- 2. Ensure the athletes are optimally prepared to compete**
 - It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.
- 3. Maximize athletic ability**
 - We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

- 1. Ground Based Movements**
 - Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.
- 2. Three-Dimensional Movements**
 - Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).
- 3. Multi-Joint Movements**
 - Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

SPORTS MEDICINE

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training

department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Southeast student-athletes, coaches and staff logged a record 4,100 community service hours in 2014-15.

SOCIAL DEVELOPMENT

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

**Dr. Carlos Vargas
became the 18th
president of Southeast
Missouri State
University on July 1, 2015.**

PRESIDENT VARGAS

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University on July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

The appointment of Dr. Vargas by the Southeast Missouri State University Board of Regents culminated a comprehensive and wide-ranging search process that began in the fall of 2014.

When named as the University's 18th president, Dr. Vargas said, "Southeast Missouri State University is an outstanding university with a national reputation, and I am honored to have been selected as its next president." Vargas said that as he became more familiar with the university, he was impressed with various aspects of Southeast including its core

mission, accreditation efforts, online programs, faculty and staff, and the quality and diversity of its students.

"When I visited the Southeast Missouri State University campus, I was impressed with the institution's long history of service to the region and its unique strengths," Vargas said. "I know Southeast is deeply committed to being accessible and affordable, and continuing to offer accredited academic programs where graduates can meet the needs of employers."

Dr. Vargas was named acting president of Kutztown University by the institution's Council of Trustees, July 1, 2014, following Kutztown University's succession plan for acting president. He served as the provost and vice president for academic and student affairs, and had been the

school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National Autonomous University of

Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment was as a senior associate researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

Brady Barke was appointed to serve as Southeast's Interim Director of Athletics.

BRADY BARKE

Brady Barke, senior associate to the president at Southeast Missouri State University, was appointed to serve as Interim Director of Athletics.

The appointment came shortly after Mark Alnutt resigned as Southeast's Director of Athletics effective July 31, 2015.

Barke was selected as the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents, and has worked in that role since June 1, 2013.

Barke was closely involved with the hiring of head men's basketball coach Rick Ray and head football coach Tom Matukewicz. Ray was named Southeast's 20th head men's basketball coach on April 13, 2015 and Matukewicz was introduced as the Redhawks 13th head football coach on Dec. 18, 2013.

No stranger to athletics, Barke began at Southeast in 2008 as

Assistant Director of Athletics for Compliance & Eligibility. He was then promoted to Associate Director of Athletics for Compliance and Student Support Services in 2011.

Barke was responsible for administering the comprehensive National Collegiate Athletics Association (NCAA) compliance program, directing the baseball, track and field, and cross country programs, and directly supervising the athletics academic services, strength and conditioning and athletic training units. Barke managed the \$3 million athletics scholarship budget for the University's 15 NCAA sports. He directed the men's basketball and football programs in 2011-12, including football scheduling responsibilities. Additionally, Barke was in charge of converting all compliance paperwork to electronic format and assisted with solidifying

the College Classic football game at Busch Stadium.

Prior to Southeast, Barke served as a governance intern with the NCAA national headquarters in Indianapolis and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke was previously a member of the National Association of Athletics Compliance (NAAC) and NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and Olympic Sports Liaison Committee. In addition, he was chair of the NAAC Education Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law and a bachelor of science degree in biology from Webster University. While a student at Webster,

Barke was a member of both the basketball and golf teams. He earned all-conference honors and received the Student-Athlete of the Year Award as a senior.

Barke is a member of the Missouri Bar and earned his MBA from Southeast.

He and his wife, Halley, made a gift to establish The Brady and Halley Barke Endowed Scholarship in March 2014. The scholarship is awarded to a student enrolled at Southeast with first preference given to a freshman student-athlete with a minimum ACT score of 24 and 3.0 cumulative high school grade point average and financial need.

Brady and Halley reside in Cape Girardeau with their children, Mabrie and Jackson.

2016 Season Outlook

Southeast Missouri heads into the 2015-16 season with a renewed sense of energy and determination. It was a tough season a year ago, but the Redhawks have been working hard in the offseason to right the ship.

Heading into her first season as Southeast's head coach, Mary Beth Gunn has set the bar high for her team, both on and off the court.

"We are focused on making it into the conference tournament," said Gunn. "They only take the top six teams, and we know that we will be engaged in a tough match every time we step on the court. As for our team's goal in the classroom, we want to get a 3.6 GPA or better."

This season, the team brings in four new faces in freshmen Ana Canahuate-Torres, Anais Emelie and Isabella Krupa, as well as junior transfer Mila Majtan. They will join junior Annisa Warasanti and sophomores Mariya Kostiuk, Emilia Montenegro and Viviana Ortiz, who combined for 28 singles wins in the 2014-15 season.

"I am very fortunate to come into this program and have a group of ladies who are very excited to be a part of it and who are passionate about tennis," Gunn added. "They have been very receptive since the first week of practice, and they are very determined to be successful."

Kostiuk headlines the returnees as she heads into her sophomore season. As a freshman, Kostiuk accumulated eight singles wins to go along with five in doubles. She dominated the fall season winning six of her seven total singles matches. Four of those wins came in hard-fought three-set matches.

"Maria returns with a lot of experience under her belt after playing the number-one position last season. She does a great job of challenging her teammates at practice and helping everyone become better players."

Montenegro tied Kostiuk with eight singles wins, while also picking up three wins in doubles. All eight of her singles victories came in straight sets. In wins against North Alabama and Tennessee State, Montenegro only surrendered one game, winning both 6-1, 6-0.

"Big things come in small packages. Emilia has good explosion and impressive shots."

Ortiz tallied three singles victories to go along with five in doubles. Four of her five doubles wins came with Kostiuk, including an 8-0 victory over Tennessee State to close out the season. The pair never lost more than three games in their victories.

"Viviana strives for perfection on the court. She is an aggressive player with good hands at the net. I see her as being an asset in doubles."

Warasanti comes into her junior season with a pretty good resume. She collected 15 singles wins as a freshman, and last year, she led the team with nine singles wins. She also tallied three doubles victories. Six of her wins came in straight sets.

"Annisa has shown great leadership skills on and off the court. She is a very steady player and will be tough to beat."

Headlining the newcomers is junior transfer Mila Majtan. She comes to Southeast from Coastal Carolina, where she accumulated 15 wins in singles and six in doubles in her career. During this past fall with the Redhawks, Majtan picked up eight total victories, including a tie for the team lead with five singles wins.

"It is Mila's first season here, and she has fit right in. She has a very positive attitude on the court, and it keeps everyone going. Mila is a hard worker who fights to the end."

2016 SEASON OUTLOOK

The three freshmen, Canahuate Torres, Emelie and Krupa, round out the rest of the roster. In the fall, Canahuate-Torres picked up four total victories, including three singles wins over Quincy, Austin Peay and Alabama-Huntsville. She paired with fellow freshman Anais Emelie for their lone doubles victory over Harding University.

“Ana shows a lot of potential as a freshman. She is a very strong and determined player. Ana has a high work ethic and a strong will to win.”

Emelie, like Canahuate-Torres, also collected four total victories in the fall season. She picked up singles wins against Quincy, Missouri-St. Louis and Alabama-Huntsville. Emelie beat Harding in doubles with Canahuate-Torres.

“She is a very athletic tennis player, and she shows impressive speed on the court. She will definitely be an asset to the team this season.”

Krupa closes out the roster as the final of three freshman. She led the freshman class with five total victories this past fall. Krupa nabbed her two singles wins against UMSL and Harding. She paired with Kostiuik to beat UMSL 6-0 for her first doubles victory. Krupa’s last two doubles win came with Majtan as they beat Austin Peay 8-7 and Harding 8-5.

“Isabella comes in as a very strong freshman. She does a great job at using her lefty advantage on the court. She is a true team player when it comes to supporting her teammates during practice and match play.

Mary Beth Gunn

Head Coach

UT Martin, 2008

First Season

Southeast Missouri hired Mary Beth Gunn as its women's tennis coach on November 10, 2015.

Gunn coached at Western Illinois, Limestone College and fellow Ohio Valley Conference member UT Martin prior to Southeast.

"I am very pleased to have Mary Beth Gunn serve as the next women's tennis coach at Southeast Missouri State," said Southeast Senior Associate Director of Athletics and Senior Woman Administrator Cindy Gannon. "Coach Gunn has a vast amount of experience within the OVC and her previous coaching experience makes her an excellent fit for this position. I am excited for the future of our tennis program under Mary Beth's leadership and welcome her to the Redhawks family."

Gunn was the head women's tennis coach for the last four months at WIU and was an assistant men's and women's coach at Limestone College (2014-15), and assistant women's coach at UTM (2009-13) before that.

Gunn was on coaching staffs for two conference championship teams. She helped lead UTM to the OVC Women's Tennis Championship in 2010-11 and Limestone College to a Conference Carolinas women's tennis title in 2014-15.

She was named the Intercollegiate Tennis Association Assistant Coach of the Year in 2015.

Gunn helped with recruiting, administrative duties, fundraising, organizing tournaments and other duties as assigned during her stints as an assistant coach.

While at UTM, Gunn also served as the Director of the Skyhawk Tennis Camp from 2009-15 and was an Academic Counselor in the Department of Athletics from 2011-13.

She earned her bachelor's degree in English & History at UTM in 2008, and master's degree in Education there in 2011.

Gunn is the ninth head coach in Southeast's women's tennis history.

From 2004-08, she played for the UTM tennis team in her career. Gunn helped UTM to back-to-back OVC Championships in the 2005 and 2006 seasons. and earned all-conference honors in 2007.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+

student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.
