The 2015-16 Southeast Missouri Track & Field Information Guide was written, edited and designed by Sports Information Assistant Dan Chesnut. Cover design by Dan Chesnut and additional graphic assistance provided by Tonya Wells, Krista Mayfield, Josh Russell, and Aaron Eisenhower. Photography by Marc Mahnke, Josh Russell, and Keith Hente. Editorial assistance by Sports Information Director Jeff Honza, Assistant Sports Information Director Sean Stevenson, Sports Information Assistant Kevin Scanlon and Sports Information Student Assistant Trent Kiefer.

Southeast Missouri State **REDHAWKS**

Credentials

Credentials are required for entrance to the track, field and pressbox (for photographers). To request season or single-match credentials, please contact the Southeast Missouri State Sports Information Office by phone at (573) 651-2937 or e-mail at dchesnut@semo.edu.

Press Row Decorum

Seating is assigned by the Sports Information office. Professional conduct is expected at all times. Cheering or outward expression is inappropriate. Credentials must be worn at all times. Failure to abide by these policies can result in credentials being revoked.

Photographers

Please observe NCAA regulations and shoot from the designated areas at the Abe Stuber Track & Field Complex and Rec Center.

Interview Requests

Please arrange all interviews of coaches and student-athletes through the sports information office. Requests can be made by calling Dan Chesnut at (573) 651-2937. Chesnut can also be reached via e-mail at dchesnut@semo.edu.

Track & Field E-Mail List

If you would like to be added to the Redhawk Track & Field e-mail list to receive breaking news about the team, please e-mail Dan Chesnut. The official website, GoSoutheast.com, is the best source for up-to-date information about the team.

Southeast Missouri State **REDHAWKS**

Abe Stuber Track Complex is the home location for meets held at Southeast Missouri during the outdoor season. Considered one of the finest track facilities in the Midwest, it has been the host of the Ohio Valley Conference Outdoor Track & Field Championships six times and three NCAA Division II Championships. The facility is also home to the Joey Haines Invitational which is held during the first weekend of April every year.

Dedicated in the spring of 1980 and named after the late Abe Stuber -- who coached the Southeast track squads from 1932-46 -- the facility includes a press box and spectator seating for up to 2,000

Recently, an \$800,000 update took place as all track and field runways were resurfaced, jumping areas were renovated and new fencing was added to the complex. Previous updates included a brand new hammer cage added in March, 2012 and an office/weight room adjacent to the track in 2002.

The 2,000-square foot building houses a weight room, coaches offices, restrooms and storage. The weight room is equipped with seven multi-power racks and lifting platforms, containing nearly 5,000 pounds of free weights, 3,000 pounds of dumbbells and numerous weight training machines.

The Abe Stuber Track Complex is located on the north edge of campus off Sprigg Street and within walking distance to the University.

**The Southeast Missouri
Department of Athletics
recorded a cumulative
3.15 GPA during the
2014-15 academic year.**

ACADEMIC EXCELLENCE

The Redhawk Success Center offers Southeast Missouri student-athletes a place to study and develop as students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Redhawk Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings.

The area is under the guidance of Director of Academic Services Sharon Burgard, Assistant Coordinator Sandy Wiemers and Graduate Assistant Mackenzie Martin.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.15

cumulative grade point average in the fall and spring semesters. Over 60 percent of all student-athletes recorded a 3.0 or higher GPA. Eleven of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged a record 4,100 hours of community service over the 2014-15 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and

academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Success Center staff

works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

#WillToDo

2014-15 Notables

- Eleven of Southeast's 15 athletic programs achieved a 3.13 or higher GPA. Women's cross country boasted a department best 3.79 GPA, followed by women's soccer (3.69), women's gymnastics (3.628), women's tennis (3.622), volleyball (3.45), softball (3.35), women's indoor/outdoor track & field (3.31), baseball (3.29), women's basketball (3.28) and men's cross country (3.13).
- In all, 195 individuals accumulated a 3.0 or higher GPA, accounting for 61 percent of the student-athlete population. A total of 140 student-athletes made Southeast's Dean's List -- students must have a 3.5 or higher GPA to earn that distinction.
- Seventy-one student-athletes received their degrees.
- Southeast's women's gymnastics team was among those who received public recognition awards for top academic performance from the NCAA.
- Seven Southeast programs, including women's cross country, women's tennis, volleyball, baseball, men's cross country and men's indoor/outdoor track & field ranked among the top three in the Ohio Valley Conference's single year APR.

Southeast student-athletes are challenged physically and mentally in order to achieve optimal results.

COMPETITIVE SUCCESS

Southeast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

The Southeast Missouri Strength and Conditioning program is under the direction of Ryan Johnson.

Redhawk student-athletes use various training facilities located inside the Student Recreation Center South.

Training Principles for Southeast Athletes

1. Reduce the risk of injuries

- If a student-athlete is injured, he/she will not be able to compete at practice or games.

2. Ensure the athletes are optimally prepared to compete

- It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

3. Maximize athletic ability

- We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises for Southeast Athletes are based on the following Principles:

1. Ground Based Movements

- Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

2. Three-Dimensional Movements

- Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

3. Multi-Joint Movements

- Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

SPORTS MEDICINE

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four

athletic training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from

these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Southeast student-athletes, coaches and staff logged a record 4,100 community service hours in 2014-15.

SOCIAL DEVELOPMENT

Student-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

SOCIAL DEVELOPMENT

REDHAWKS

**Dr. Carlos Vargas
became the 18th
president of Southeast
Missouri State
University on July 1, 2015.**

PRESIDENT VARGAS

Dr. Carlos Vargas became the 18th president of Southeast Missouri State University on July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

The appointment of Dr. Vargas by the Southeast Missouri State University Board of Regents culminated a comprehensive and wide-ranging search process that began in the fall of 2014.

When named as the University's 18th president, Dr. Vargas said, "Southeast Missouri State University is an outstanding university with a national reputation, and I am honored to have been selected as its next president." Vargas said that as he became more familiar with the university, he was impressed

with various
aspects of

Southeast including its core mission, accreditation efforts, online programs, faculty and staff, and the quality and diversity of its students.

"When I visited the Southeast Missouri State University campus, I was impressed with the institution's long history of service to the region and its unique strengths," Vargas said. "I know Southeast is deeply committed to being accessible and affordable, and continuing to offer accredited academic programs where graduates can meet the needs of employers."

Dr. Vargas was named acting president of Kutztown University by the institution's Council of Trustees, July 1, 2014, following Kutztown University's succession plan for acting president. He served as the provost and vice president for academic and

student affairs, and had been the school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in higher-education at the National

Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment was as a senior associate researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

Brady Barke was appointed to serve as Southeast's Interim Director of Athletics.

BRADY BARKE

Brady Barke, senior associate to the president at Southeast Missouri State University, was appointed to serve as Interim Director of Athletics.

The appointment came shortly after Mark Alnutt resigned as Southeast's Director of Athletics effective July 31, 2015.

Barke was selected as the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents, and has worked in that role since June 1, 2013.

Barke was closely involved with the hiring of head men's basketball coach Rick Ray and head football coach Tom Matukewicz. Ray was named Southeast's 20th head men's basketball coach on April 13, 2015 and Matukewicz was introduced as the Redhawks 13th head football coach on Dec. 18, 2013.

No stranger to athletics, Barke began at Southeast in 2008 as

Assistant Director of Athletics for Compliance & Eligibility. He was then promoted to Associate Director of Athletics for Compliance and Student Support Services in 2011.

Barke was responsible for administering the comprehensive National Collegiate Athletics Association (NCAA) compliance program, directing the baseball, track and field, and cross country programs, and directly supervising the athletics academic services, strength and conditioning and athletic training units. Barke managed the \$3 million athletics scholarship budget for the University's 15 NCAA sports. He directed the men's basketball and football programs in 2011-12, including football scheduling responsibilities. Additionally, Barke was in charge of converting all compliance paperwork to electronic format and assisted with solidifying

the College Classic football game at Busch Stadium.

Prior to Southeast, Barke served as a governance intern with the NCAA national headquarters in Indianapolis and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke was previously a member of the National Association of Athletics Compliance (NAAC) and NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and Olympic Sports Liaison Committee. In addition, he was chair of the NAAC Education Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law and a bachelor of science degree in biology from Webster University. While a student at Webster,

Barke was a member of both the basketball and golf teams. He earned all-conference honors and received the Student-Athlete of the Year Award as a senior.

Barke is a member of the Missouri Bar and earned his MBA from Southeast.

He and his wife, Halley, made a gift to establish The Brady and Halley Barke Endowed Scholarship in March 2014. The scholarship is awarded to a student enrolled at Southeast with first preference given to a freshman student-athlete with a minimum ACT score of 24 and 3.0 cumulative high school grade point average and financial need.

Brady and Halley reside in Cape Girardeau with their children, Mabrie and Jackson.

2015 Women's Cross Country Recap

The women's cross country team had another tremendous season in 2015. They placed third in the Ohio Valley Conference and Megan Parks earned Second Team All-Conference honors with a 12th place finish (18:01.9) at the OVC Championships (10/31). Newcomer Kaitlyn Shea was named Female Freshman of the Year and was the first female in program history to win the award and only second overall to win the award, joining Nate Shipley who won the award in 2008.

The women started off the year taking first place out of 11 teams at the

Gabby Reuveni Early Bird on Sept. 5. Shea led the way placing second with a time of 15:04. Southeast had six runners finish in the top 20. They followed this performance up with a 12th place finish out of 21 teams at the Commodore Classic (9/19), where they competed against other top ranked cross country programs throughout the country, including eight Power Five conference schools.

The Redhawks would go on to finish ninth at the renowned Chile Pepper Festival in Fayetteville, Arkansas on Oct. 3. Parks paced Southeast finish-

ing in 43rd place with a time of 17:34.77, while four other runners cracked the top 100. The women closed out the regular season with a 16th place finish out of 30 teams at the Bradley Classic.

Eight student-athletes would go on to run at the NCAA Midwest Regional in Lawrence, Kansas. Angie Sumner and Parks both finished in the top 100, placing in 91st (22:02.7) and 99th (22:08.1), respectively.

2015 Men's Cross Country Recap

The men's cross country team got off to a strong start in 2015. They finished first out of eight teams at the Gabby Reuveni Early Bird. Marc Maton won the race with a time of 19:48. Shane Brown (4th, 20:14), Dan Plunkett (6th, 20:25) and Jaime Zarate (7th, 20:27) all finished in the top 10 as well.

They went to the Commodore Classic from there and finished in 12th place. Maton paced the Redhawks with a 20th place finish in 25:21.4. He was the top OVC finisher in the race, which helped earn him OVC Male Runner of the Week.

Maton would continue to lead the way during the next two races to help the team to a 10th place finish at the Chile Pepper Festival and 17th at the Bradley Classic.

Brown capped his senior season with a 35th place finish in the OVC Championships to help the team to a seventh place finish in the conference. It was their lowest finish in the conference since 1999.

TRACK & FIELD

Southeast Missouri State **REDHAWKS**

Eric Crumpecker

Head Coach
Seventh Season
Missouri S&T

Eric Crumpecker is in his seventh year as head coach of the Southeast Missouri men's and women's track and field teams. In 2014, Crumpecker's teams thrived as he led the men's team to an Ohio Valley Conference Indoor Championship then followed it up with a sweep of the OVC Outdoor Championships by both the men and women. Crumpecker was awarded OVC Men's Coach of the Year following both the indoor and outdoor seasons. Crumpecker is in his 24th year at Southeast, having served 17 years as an assistant under legendary head coach Joey Haines.

Earlier in 2015, Crumpecker led the Southeast men's program to its second consecutive OVC indoor title and earned his second OVC Men's Indoor Coach of the Year award. During the conference meet, 10 Redhawk athletes brought home gold medals. Following the victory, Reggie Miller and Blake Smith qualified for the NCAA Indoor Championships in the triple jump and 60-meter dash, respectively. Smith finished 10th in the nation at 6.66 seconds during the preliminary race at nationals, falling short of the NCAA's final group of eight by just 0.05 seconds.

In 2014, Southeast Missouri swept the outdoor championships for the first time since 2006. It was the first men's indoor championship since 1996. The 2014 indoor season featured Farley as Indoor Field Athlete of the Year, Indoor Freshman of the Year Chris Martin and Smith earning OVC Athlete of the Championship. The outdoor season featured Female Field Athlete of the Year Kayla Gutierrez.

In 2013, the Redhawks won their first team OVC title under Crumpecker. The women snagged the team crown at the OVC Indoor Championships, using a balanced effort that featured only one individual conference champion, but three runner-

up finishes and several strong supporting performances. Crumpecker was voted the OVC Women's Coach of the Year following the team title, marking the first time he has been voted the league's top coach. The Southeast men continued to knock on the door for a team title, finishing second at both the indoor and outdoor meets.

Crumpecker, who coaches the throwers, continued to have his group set the bar in the OVC. His competitors combined to win 10 individual OVC titles in 2014. Gutierrez brought home gold in the indoor weight throw and outdoor discus events. Farley won the indoor shot put and outdoor hammer throw. In his first season with the Redhawks, Shon Kyle won the shot put and discus events at the outdoor championship. Courtney Gapelu took gold in both the indoor and outdoor shot put.

Southeast has also experienced tremendous postseason success individually under Crumpecker's guidance. The Redhawks sent three competitors to the NCAA Outdoor Track and Field Championships in 2013, the most individuals from the program since 2006. Farley took seventh in the shot put, breaking the school record with a throw of 61' 11¾" to become the first Redhawk to earn first-team All-American honors since Miles Smith in 2008. Craig Robinson and Gapelu also qualified for the NCAA West Region prelims. Southeast also got second-team All-American performances from Blake Carter in both the indoor and outdoor long jump while Miller earned honorable mention All-American in the outdoor high jump for the second consecutive year.

The Redhawks totaled three second-place team finishes at the OVC Indoor and Outdoor Championships during the 2011-12 season. Both the men and women finished as runner-up during the outdoor meet while the men posted another second-place point total indoors. Crumpecker works closely with the throwers group that combined for three conference titles. Josh Uchtman, the 2012 Male Field Athlete of the Year during the indoor season, claimed the shot put indoors. Brian Grote and Robinson won gold in the javelin and shot put, respectively, at the outdoor meet. In total, the Redhawks won nine individual OVC titles in 2011-12.

In addition to the three individual conference champion throwers, Farley was named the OVC Male

COACHING STAFF

Freshman of the Year during the outdoor season.

During Crumpecker's tenure as head coach, the Redhawks have finished in the top three in all but one OVC indoor or outdoor meet (23 of 24). The men have finished second eight times while the women have been runner-up seven times.

Individually, he has mentored 78 individual OVC champions, 37 regional qualifiers and seven NCAA National Championships qualifiers. Redhawks student-athletes have won OVC Field Athlete of the Year 12 times, Track Athlete of the Year once, Athlete of the Year twice and Freshman of the Year seven times.

The Redhawks have also been stellar in the classroom under Crumpecker. Both the men's and women's track and field programs have earned All-Academic Team recognition from the US Track and Field and Cross Country Coaches Association (USTFCCCA) in five of his six years as head coach. Jill Schnurbusch and Farley were both placed on the USTFCCCA's All-Academic team in 2012-13. Additionally, Alex Zisser earned third-team Academic All-America honors from the College Sports Information Directors of America (CoSIDA) while Farley and Joel Krause joined Zisser on the Academic All-District team.

During his time as an assistant coach working primarily with the field events, Crumpecker was a part of 20 OVC team titles, coached 81 OVC individual champions, 131 All-OVC performers, six OVC Track Athletes of the Year, four NCAA national finalists, 12 NCAA provisional qualifiers, 26 NCAA regional qualifiers and five regional finalists. He guided Southeast student-athletes to 11 school records and three OVC marks.

A native of Union, Mo., Crumpecker is a USATF Level 1 certified coach. He earned a bachelor's degree in History from Missouri S&T and a master's in Higher Education Administration from Southeast. As a collegiate athlete, Crumpecker was a starting lineman for the Miners football team and earned All-MIAA honors in the shot put and discus for the track team.

Crumpecker and his wife, Amy, reside in nearby Jackson, Mo. They are parents of a daughter, Ella, and son, Jake.

Eric CRUMPECKER

Southeast Missouri State REDHAWKS

Ryan Lane

Assistant Coach
Cross Country Head Coach
Sixth Season
Southeast Missouri

Ryan Lane is in his sixth season at Southeast Missouri as the head cross country coach and assistant track coach for distance.

Over his first five seasons, the Redhawks' cross country team has posted five top-three finishes at the OVC Championships. The men took second in 2010 while both programs placed third at the 2011 conference meet. The programs have combined for 15 All-OVC performers, including five first-team runners.

During the 2015 cross country season, the women's team placed third in the Ohio Valley Conference. Megan Parks earned Second Team All-Conference honors with a 12th place finish at the OVC Championships. Newcomer Kaitlyn Shea was named Female Freshman of the Year and was the first female in program history to win the award.

The 2014 season saw the end of Rebekah Lawson's cross country career. Lane saw Lawson through her career for four seasons. Lawson is the only Redhawk in Division I history to earn First Team All-OVC honors all four years of their career. The women's team capped off a great 2014 season with a fourth-place finish at the OVC Championships. The men finished sixth at the event.

In 2011, both the men and women had one first-team and one second-team All-OVC finisher. Nate Shipley's third-place finish garnered him a spot on the all-conference first team while Brent Collins earned second team all-conference on the men's side. Rebekah Lawson took sixth as a freshman to earn the first team nod while fellow freshman Jenny Govero made second team All-OVC.

The Redhawks have also excelled in the classroom under Lane. In 2013, both the men's and women's programs earned All-Academic honors from the United

States Track & Field and Cross Country Coaches' Association (USTFCCCA). Southeast's women posted a 3.72 team GPA, the fifth-highest mark in the nation, while the men's 3.48 GPA was good for 11th. The achievement marks the fourth-straight year at least one of the cross country programs earned academic recognition under Lane.

Lane's success with the distance runners has carried over to the track as well. Lawson notched a runner-up finish in the 5000m indoors to earn second-team All-OVC honors in 2013. During the outdoor season, Charles Johnson garnered second-team All-OVC recognition for his runner-up finish in the steeplechase.

The 2012 season saw Jessica Bollinger win an OVC title outdoors in the 10,000m while Lawson finished runner-up in both the 5000m and 10,000m. On the men's side, Mohammed Souleiman won an OVC title in the 800m while Chris Loseman earned second-team All-OVC honors after finishing runner-up in the 10,000m. Lane's athletes have combined for 10 All-OVC selections and three OVC titles in his first three seasons.

Lane returned to the Southeast program in which he interned as coach in 2008-09. That season, the Redhawk cross country teams recorded top-three finishes at the Ohio Valley Conference Championships. During that time, he received his Master's in Higher Education, finishing with a 4.0 GPA.

Prior to his coaching internship at Southeast, Lane worked as an assistant coach for the Cape Central High School cross country and track programs.

He also served as an assistant coach at his alma mater, Francis Howell North High School (2006-07). In all, Lane coached 41 All-State performers at the prep level.

Lane competed as a member Southeast cross country and track teams from 2002-2003, before an injury cut his career short. He received his undergraduate degree from Southeast in 2006, graduating with a magna cum laude distinction in Education.

An accomplished marathon runner, Lane placed ninth at the St. Louis Marathon in 2008 and 147th at the Boston Marathon in 2009.

Ryan LANE

Southeast Missouri State REDHAWKS

Matt Koelling

Assistant Coach
Fifth Season
Emporia State

Matt Koelling is in his fifth season as the Southeast Missouri jumps coach. Koelling has transformed the Redhawks' jumps team into an elite squad in the Ohio Valley Conference.

During this time, Koelling has mentored 15 OVC Champions and his athletes have broken six school records.

In 2015, Koelling coached Reggie Miller to his second OVC Championship in the triple jump event. Blake Smith would join Miller in competing at the outdoor NCAA Division I Preliminary. Smith went on to earn a spot in the NCAA Outdoor Championships, placing 15th in the long jump.

The 2014 season was very successful for the jumps team. Three Redhawk men walked away with gold medals at the OVC indoor and outdoor championships. Miller won the indoor high jump while Smith took gold in the long jump. Freshman of the Year Chris Martin won the top-spot in the triple jump during the outdoor season. Smith and Miller each competed at the NCAA Championships; Smith for indoor and Miller for outdoor. Smith placed 14th in the long jump while Miller took 17th in the triple jump.

In 2013, Blake Carter broke the school's long jump record with a jump of 25-6. Koelling also coached Carter to a 13th Place finish in the long jump at the NCAA Indoor Championships, garnering second team All-America honors.

During the 2013 outdoor season, the Redhawks made another national appearance in the jumps. Carter placed 10th at the NCAA Outdoor Championships with a school-record long jump of 25-6 1/4, earning second team All-America honors. Miller took 17th in the high jump, earning him All-America honorable mention.

In 2012, Koelling mentored four OVC champions, three of whom were freshmen. Jacob Kent, the OVC Co-Freshman of the Year indoors, claimed the men's indoor high jump while fellow freshman Jessica Brown claimed the women's indoor long jump. Outdoors, freshman Miller took the men's high jump while Shemeika Brewer claimed the women's triple jump in her final collegiate season. The group also combined for six runner-up finishes at the OVC indoor and outdoor meets. Miller, Brewer and Carter extended their seasons further, qualifying for the NCAA West Region preliminary meet.

In his first season, Koelling led Southeast to an impressive showing in such events at the Ohio Valley Outdoor Championships in 2011. Southeast had two athletes win gold. Tyler Terry won the men's long jump and Brewer was victorious in triple jump. Koelling produced four All-OVC selections during the outdoor campaign and coached one NCAA West Preliminary qualifier in Brewer, who qualified in the triple jump.

During the indoor season, Koelling led five Redhawks to all-conference honors. Southeast placed amongst the top-three in both the high jump and long jump on the men's side. The Redhawks also had two pole vaulters and one triple jumper earn All-OVC honors on the women's side.

Before arriving at Southeast Missouri, Koelling was a standout jumper at Emporia State University. While at ESU, he finished 12th in the triple jump at the 2008 NCAA D2 Outdoor National Meet and ninth in the triple jump at the 2010 NCAA D2 Indoor National Meet.

Koelling is a Certified Strength & Conditioning Specialist (CSCS) through the National Strength and Conditioning Association (NSCA). He is also a Registered Coach through USA Track and Field and holds a USATF Level 1 Certification.

Matt KOELLING

Southeast Missouri State **REDHAWKS**

Miles Smith

Assistant Coach
Third Season
Southeast Missouri

Miles Smith returns as the Southeast Missouri sprints coach for a third season. Smith, who was a star for the Redhawks' track team, returned to Southeast to take over the sprint coach duties.

Smith, who competed at Southeast from 2004-08, brings his expertise to the Redhawks' sprints team. He spent the 2012-13 season as a volunteer assistant coach at Tennessee State.

During the 2014 and 2015 seasons, Smith mentored Blake Smith to school records in the 55m, 60m and 100m dash events. Blake went on to compete at both the indoor and outdoor NCAA Division I Track and Field championships.

In 2014 during the outdoor season, Smith coached newcomer Prenecia Ponds to Southeast top-ten performances in the 100m and 200m events. On the men's side, Blake Smith had a top-ten 100m performance while Chris Navarro and Mike Peters notched top-ten times in the 110m hurdles and 400m hurdles, respectively.

Smith also mentored Chris Navarro en route to Ohio Valley Conference individual championships in the indoor heptathlon and outdoor decathlon.

Two years ago, Smith was inducted into the Southeast Missouri Athletics Hall of Fame. Smith became the 23rd Southeast Missouri track & field athlete to be inducted into the Hall of Fame. Smith was inducted with fellow track athlete Kathleen Hudson (1979-1981, 1983).

An argument can be made for Smith being the greatest Division I athlete Southeast has produced in any sport. A native of St. Louis, Missouri, Smith was a three-time All-American in the 400m, earning the honors in 2005, 2006 and 2008. He was named the Ohio Valley Conference's Male Track Athlete of the Year four times (2005 indoors,

2006 indoors and outdoors and 2008 indoors) and still owns Southeast school records in the 200m (indoors), 400m (indoor and outdoors) and 4x400m relay (indoors and outdoors). Southeast enjoyed tremendous team success with Smith, winning OVC outdoor championships in 2005, 2006 and 2008. He won seven individual OVC championships in his collegiate career and was named the 2006 OVC Athlete of the Championship at the OVC Indoor Track and Field Championships.

Smith was also an elite competitor on the international stage. He ran for the US National Team in the 2005 IAAF World Championships in Helsinki, Finland, where he won a gold medal with the 4x400m relay team. He also qualified for the USA Olympic Trials in both 2008 and 2012.

Smith graduated from Southeast in 2008 with a Bachelor of Science in Mass Communications.

Miles SMITH

Southeast Missouri State **REDHAWKS**

Danielle Burbage

Assistant Coach
First Season
Louisville

Danielle Burbage joins the Southeast Missouri track and field staff as an assistant coach. Burbage will serve as the Redhawks multi-events coach.

Burbage spent the last year as director of operations at her alma mater, the University of Louisville. She was in charge of alumni relations, fundraising, organizing team travel and logistics, home meet operations and assisting with equipment orders and the program's budget among other duties. Prior to that, Burbage was a volunteer coach who assisted with jumps and multi-events for the Cardinals. She worked closely with NCAA long jump qualifier Brittany Owens and 100m hurdler Briana Brown in that role.

Burbage was an assistant coach at Wilmington College before returning to Louisville. There, she coached one NCAA Division III qualifier in the 400m hurdles. In addition, Burbage monitored classroom activities and efforts of student-athletes, while helping with the program's day-to-day operations.

A native of Paducah, Kentucky, Burbage earned a sports administration degree from Louisville in 2010. She competed in the 100m, 200m and both 4x100m and 4x400m relays as a member of the Cardinals track & field team.

She later received her master's degree in education from Louisiana-Monroe in 2012. Burbage trained student-athletes in sprints and relays, and helped with recruiting as a graduate assistant.

Southeast Missouri State **REDHAWKS**

HALL OF FAME

INAUGURAL CLASS OF 2002

LAURA BYRNE: TRACK AND CROSS COUNTRY (1986-89)

Byrne, a track and cross country athlete from 1986-1989, won four NCAA II individual titles during the 1988-89 school year when she won the cross country national championship and the indoor 1,500 and 3,000-meters and the outdoor 5,000-meters.

MARVIN ROSENGARTEN: TRACK COACH, DIRECTOR OF ATHLETICS

Rosengarten was a football player at Southeast who later served as an assistant football coach, track coach, athletics director and director of athletic development. The Marvin Rosengarten Athletic Complex on the Southeast campus is named in his honor.

ABE STUBER: TRACK COACH (1932-46)

Stuber was football and track coach at Southeast from 1932-1946 and also served as basketball coach from 1932-1935 and from 1943-1946. His track teams won seven MIAA championships and his football teams claimed three league titles including the 1937 team that was unbeaten and untied.

MIKE VANATTA: TRACK AND CROSS COUNTRY (1981-84)

Vanatta, track and cross country from 1981-1984, won four NCAA II individual national championships. He won the steeplechase title in 1982, 1983 and 1984 and claimed the cross country championship in 1984 while leading Southeast to the team title.

1984 MEN'S CROSS COUNTRY TEAM

The team won the NCAA Division II National Championship.

1985 MEN'S INDOOR TRACK TEAM

The team won the NCAA Division II National Championship.

CLASS OF 2003

RICK ATTIG: TRACK (1970-73)

Attig, a football and track standout, was honorable mention All-American and team captain for the football team, and an All-American in the javelin for the track team. He is the Southeast and MIAA record holder in the javelin. He is currently an assistant track coach at Nebraska after having served as an assistant at Kansas.

HERB MULKEY: TRACK (1939-42)

Herb Mulkey was a star in both basketball and track. He was a two-time all-MIAA selection and team captain in basketball and held school records in the low hurdles, high hurdles and high jump. At one time, Mulkey held 11 high jump records at tracks throughout the Midwest.

WALTER SMALLWOOD: TRACK (1965-68)

Walter Smallwood was a two-time all-MIAA football selection who still holds Southeast records for touchdowns in a game (5), season (16) and career (38) and held the career rushing record until 1994. Smallwood was the MIAA 60-meter champion.

CLARK WILLE: TRACK (1967-71)

Clark Wille was a five-time MIAA champion in the high hurdles. He claimed All-American honors in the hurdles in 1971. After graduation he coached Herculaneum High School to ten state championships in cross country and track. Wille coached over 160 collegiate All-Americans at Lindenwood and Missouri Baptist. He guided the Lindenwood women to the NAIA cross country championship and the Lindenwood men to the NAIA men's indoor track title.

CURTIS WILLIAMS: TRACK (1964-67)

Curtis Williams was the first African-American student-athlete at Southeast. He lettered four years in track and three years in basketball. He was the basketball MVP in 1967 and was MIAA champion in the high jump, triple jump and long jump.

Southeast Missouri State **REDHAWKS**

HALL OF FAME (Cont.)

CLASS OF 2004

LIZZ BARRINGER: TRACK (1986-89)

Lizz Barringer was a four-time Division II All-American in the heptathlon. She was the 1989 NCAA Division II heptathlon national champion and was an Olympic trials qualifier in the heptathlon.

BILL McLANE: TRACK (1934-37)

Bill McLane ranks as one of the all-time great track athletes at Southeast. When he graduated in 1937 he held 24 track and field records at Southeast.

RYLAND “DUTCH” MEYR: TRACK (1958-61)

Ryland “Dutch” Meyr was a four-year starter at tackle and was honored as a Little All-American in 1961. Three of the four teams he played on won MIAA championships. He served as an assistant coach from 1969-1977. He had a record of 25-7 as head coach at Cape Central High School.

REX MILLER: TRACK AND CROSS COUNTRY (1955-58)

Rex Miller was Southeast Missouri State’s first cross country All-American. He was 24th in the 1957 NCAA championships for all divisions held at Michigan State. He was undefeated for three years in the two-mile and was the MIAA mile and two-mile champion. Miller was also the high school coach of Southeast Hall of Famer Mike Vanatta.

ROB THOMAS: TRACK (1981-84)

Rob Thomas ranks as Southeast Missouri State’s only NCAA Division I national champion. He won the 1984 indoor 600-meters at the NCAA Division I championships. He was also a Division I All-American in 1982 and was a Division II All-American in 1982, 1983 and 1984. He was a U.S. Olympic trials qualifier in 1984 and a U.S. National Team member in 1985.

CLASS OF 2006

JOHN SCHWEPKER, TRACK (1984-88)

Schweper won two individual national championships at Southeast while earning seven All-America awards. He won the NCAA Division II indoor pole vault championship in 1985 and was the decathlon national champion in 1988. The Southeast record holder in the decathlon with 7,881 points, Schweper participated in the 1988 Olympic Trials.

ROYAL TIBE: TRACK (1919-23)

Tibi is believed to be the only athlete at Southeast to earn varsity letters in five sports. He lettered in football, basketball, baseball, track and tennis. An outstanding punter on the football team, he also served as captain of the track team and was described as an outstanding defensive player on the basketball team.

CLASS OF 2007

ED WHITE: TRACK AND CROSS COUNTRY (1973-77)

White is the only Southeast cross country runner to earn All-America honors for three straight years. He was honored in 1974, 1975 and 1976 with his highest national finish ninth in 1975. White is retired after coaching track and cross country at Fox High School in Arnold for over 30 years. His wife, the former Laura Byrne, is a member of the Southeast Athletic Hall of Fame inaugural class of 2002.

CLASS OF 2008

JOEY HAINES: TRACK AND CROSS COUNTRY COACH (1982-2008)

Ohio Valley Conference “Coach of the Year” 20 times during a career that saw his teams win one NCAA II National Indoor Title, one NCAA II National Cross Country Title and earn 18 NCAA II National Top Four Finishes. He was the NCAA II National Coach of the Year in 1985, the NCAA Division I Regional Coach of the Year in 1998, MIAA Coach of the Year six times and Missouri Track & Field Coaches Association Coach of the Year six times. He coached one NCAA Division I national champion, 23 NCAA II national champions, 10 NCAA I All-Americans and 145 NCAA II All-Americans.

RICK WADLINGTON: TRACK (1968-71)

An All-American in 1971 after placing second in the shot put at the NCAA II national finals, he established a Southeast outdoor shot put record with a throw of 59-0 1/2 while winning the MIAA championship. Helped lead the Southeast team to the MIAA title in 1971 by winning both the shot put and discus.

CLASS OF 2009

ANDREW PRESBERRY: TRACK AND FIELD (1978-82)

Presberry was a four-time All-American at Southeast, winning honors in the hurdles and on the mile relay team. He still holds the Southeast record in the 110-meter hurdles with a time of 13.84. The record, established in 1981, has stood for 28 years. Presberry also recorded the second fastest 400-meter hurdle time of 51.35.

CLASS OF 2010

TERRANCE BRANCH: TRACK AND FIELD (1982-2008)

Terrance Branch, of McCluer High School in St. Louis, Mo., tore through the record books during his career as a Southeast Missouri Student-Athlete. As a freshman, Branch ran the 400 meters in 47.74 at the indoor National Championships, earning All-American honors. In 1992, Southeast Missouri moved up to Division I, and Branch ran a 45.8 at nationals, but was disqualified for running out of the lane. He was given a medical redshirt in 1993, and came back to run a school record 45.52 400 meter dash, placing fourth at the NCAA National Championships. Branch earned a degree in Mass Communications, while placing himself in the record books in the 200 meters, 400 meters, 4x400 meter relay, and earning an OVC Outdoor Championship in the 400. Branch hung up his cleats as a four-time All-American.

CLASS OF 2011

BOB FERGUSON: TRACK AND FIELD (1983-86)

Ferguson was part of the 1985 National Championship track & field team which is in the Southeast Hall of Fame. He was a five-time NCAA Division II All-American and eight-time MIAA indoor and outdoor conference champion in the pole vault. Ferguson was the 1987 NCAA Division II Outdoor Pole Vault Champion. He was a world championship team member for the 1987 Pan Am Games. In addition, Ferguson won a silver medal at the 1986 Commonwealth Games.

Southeast Missouri State **REDHAWKS**

HALL OF FAME (Cont.)

CLASS OF 2012

CHRISTINE (RIDENOUR) VANATTA: TRACK AND CROSS COUNTRY (1982-84)

Highlighted her athletic career at Southeast by winning the 1984 NCAA Division II Women's Cross Country Championship, leading her team to a third-place finish. She was a three-time NCAA Division II All-American in cross country and a two-time NCAA Division II national qualifier in track & field. By the time she left Southeast, Ridenour had set school records in the 1500m, mile run, 3000m, 2-mile run and 5000m events. She is married to Southeast Hall of Famer Michael Vanatta.

BEVERLY SLAUGHTER: TRACK AND FIELD (1981)

She was one of the first great female athletes at Southeast. She held the long jump record at 20-5 for a period of 17 years. Slaughter was an All-American in 1981 and won numerous MIAA titles. She currently ranks third on the school's all-time long jump list. Two-time national high jump champion who won both the NCAA II indoor and outdoor championships in 1985. He won the indoor title with a jump of 6-11 in Fargo, North Dakota to lead Southeast to the national team title. He won the outdoor title with a jump of 7-1 in Los Angeles, California. A three-time All-American, he still holds the Southeast high jump record at 7-1 1/2.

CLASS OF 2013

KATHLEEN HUDSON: TRACK AND FIELD (1979-1981, 1983)

Hudson began her career at Southeast in 1978-79 and helped lay the foundation for the women's track and field program that has remained strong and extremely competitive for the past 35 years. During her time at Southeast, Hudson became an Association of Intercollegiate Athletics for Women two-time All-American in 1981. In the national championships that year, she finished sixth in the finals after going into the meet with the second-best time in the nation at 55.8, a time that remains outstanding even today. She followed that performance by anchoring the 1600m relay that achieved All-American status by also finishing sixth. While Hudson was an outstanding individual competitor in the 400m dash and long jump, she was versatile and indispensable as a member of all the relay teams. She ran on, and almost always anchored teams that broke 13 school records (nine in the mile relay, three in the 880 yard/800m medley relay, and one in the 400m dash).

MILES SMITH: TRACK AND FIELD (2004-2008)

Smith might very well be the greatest Division I athlete Southeast Missouri State University has produced in any sport. A native of St. Louis, Smith was a five-time All-American in the 400m, earning the prestigious honors in 2005, 2006 and 2008. He was named the Ohio Valley Conference Male Track Athlete of the Year four times (2005 indoors, 2006 indoors & outdoors and 2008 indoors) and still owns Southeast school records in the 200m (indoors), 400m (indoors and outdoors) and 4x400m relay (indoors and outdoors). Southeast enjoyed tremendous team success with Smith, winning OVC Outdoor Championships in 2005, 2006 and 2008. He won seven individual OVC Championships in his collegiate career and was named the 2006 OVC Athlete of the Championship at the OVC Indoor Track & Field Championships. Smith was also an elite competitor on the international stage. He ran for the US National Team in the 2005 IAAF World Championships in Helsinki, Finland, where he won a gold medal with the 4x400m relay team. He also qualified for the USA Olympic Trials in both 2008 and 2012. Smith returned to his alma mater as a sprinters coach in 2013-14. Prior to that, he spent the 2012-13 season as a volunteer assistant coach at Tennessee State.

THIS IS THE OVC

TRACK & FIELD

Southeast Missouri State **REDHAWKS**

Now in its 68th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 15 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX
legislation passed in

1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 67 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has four, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were

invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skipped the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 23 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return

to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go

from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 – Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956

tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included

Southeast Missouri State **REDHAWKS**

many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second

round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history. Those teams combined to win eight total games, the most ever by the OVC in one postseason. Entering 2015-16 OVC men's basketball teams have at least one national postseason tournament victory in seven-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and

1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Through its 67 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Belmont (2 – including winning the titles in each of its first two years in the league), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during

THIS IS THE OVC

his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2015-16 season with 391 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 33 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 15 of the last 22 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles.

Several coaches have made their mark in the history of OVC women's basketball.

Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilyn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per

game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 67 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil

Southeast Missouri State **REDHAWKS**

Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former ECU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 32 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third-straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles

compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The ECU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first ECU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the ECU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 ECU qualified for its fourth-straight NCAA Championship and finished 23rd overall.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts two current PGA Tour professionals in Scott Stallings (Tennessee Tech) and Josh Teater (Morehead State).

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010.

The OVC also has made a statement in

THIS IS THE OVC

the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 – a mark that was later eclipsed during the College World Series).

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12

selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). The 12 selections were once again just one off the record of 13 selections in 2010; overall the OVC has had 65 players selected over the past six years (2010-15).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrner who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 243 student-athletes honored with the award, including 51 over the last five years (2010-15).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award,

in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

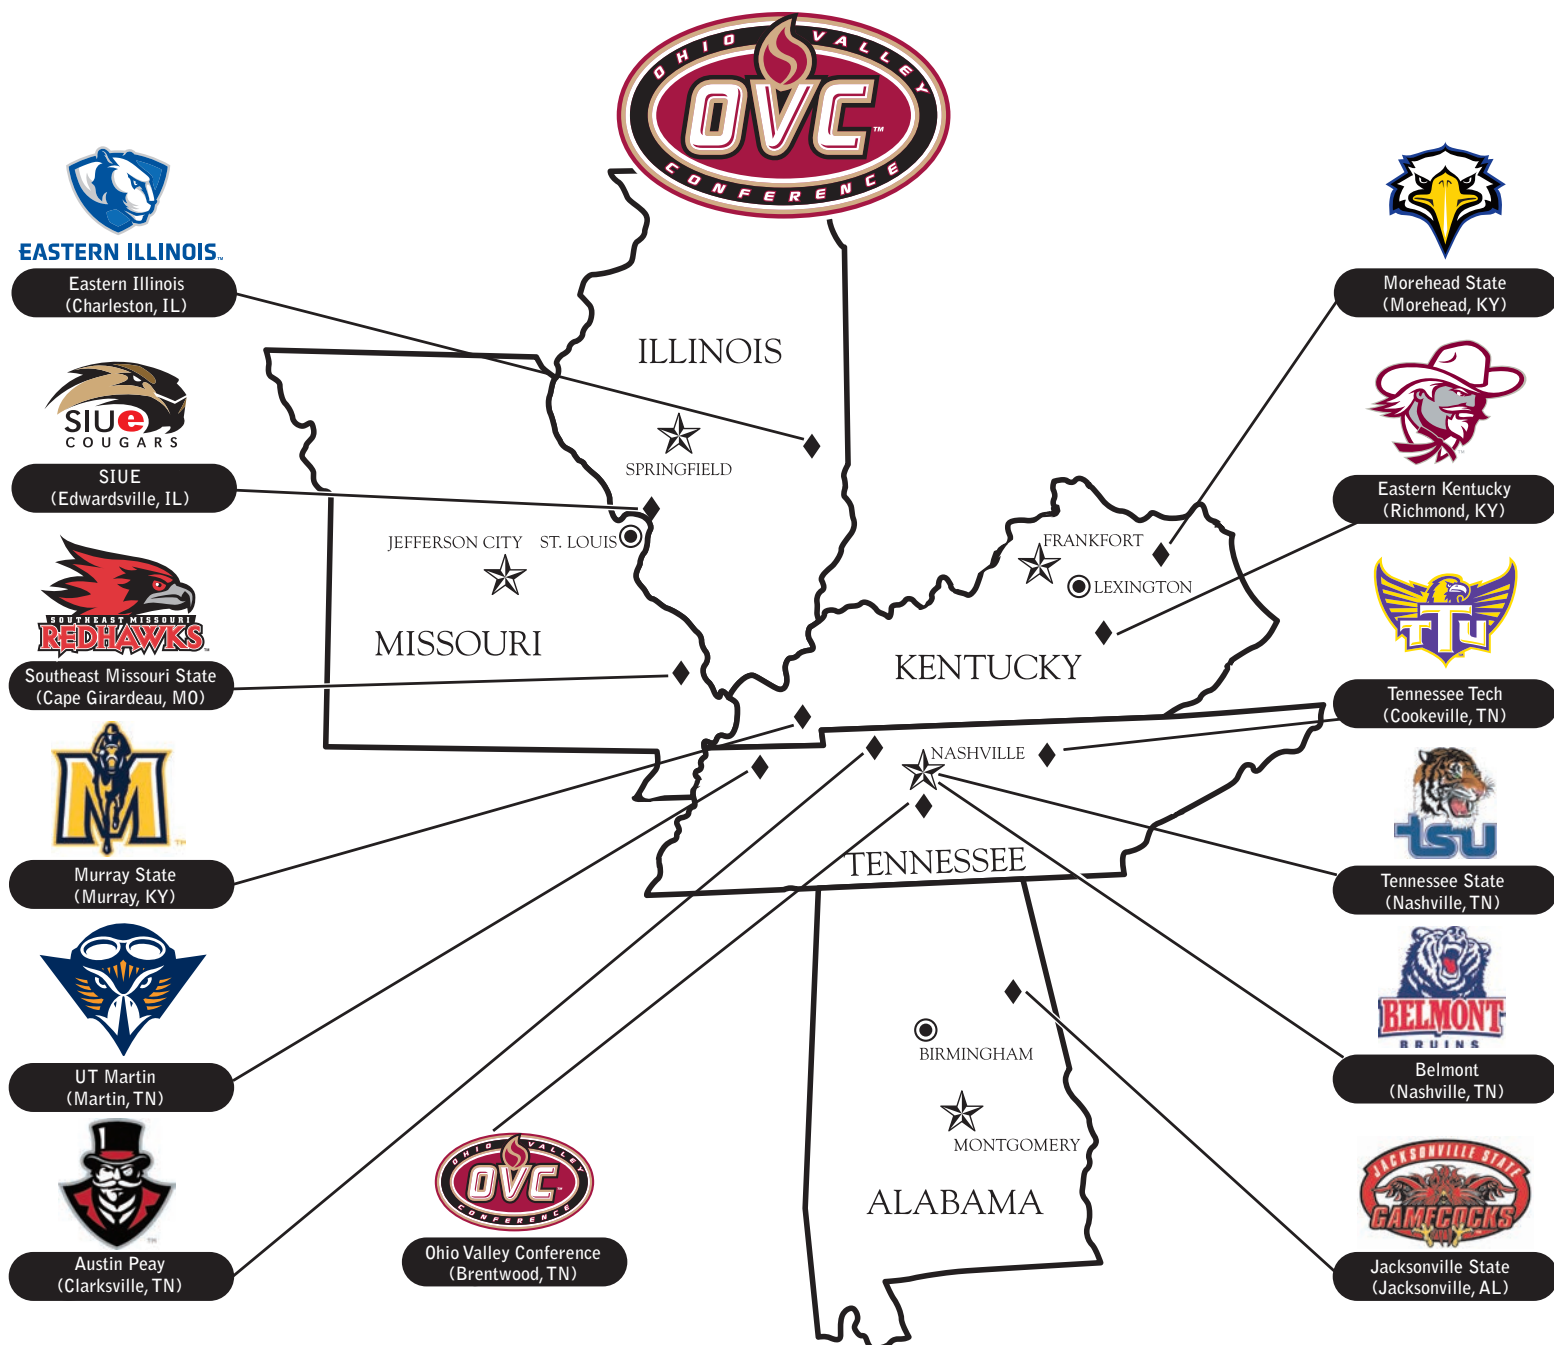

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at **Catapult Creative House**, our student-run idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the **Center for Strategic and International Studies (CSIS) in Washington, D.C.**, for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT—NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

21

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing gum to our infamous **Gum Tree**.
