THE HOME OF T

CAPAHA FIELD

The Southeast Missouri baseball team calls Capaha Field home. Located just two blocks west of the Southeast Missouri State campus, Capaha Field is owned and operated by the City of Cape Girardeau.

Capaha Field has recently undergone a \$1.8 million renovation that featured all-new synthetic turf. Other upgrades to the facility included a brand-new scoreboard equipped with a video board, a new outfield fence, new bullpens, as well as other cosmetic upgrades including new paint and fencing all around the field.

In addition to the ball field, Capaha Park features playgrounds, a pond, picnic areas, and a recently added frisbee golf course.

Redhawk fans enjoy watching the Southeast Missouri baseball team from the hillsides behind the first base dugout and

beyond the left field wall. Southeast consistently leads

the Ohio Valley Conference in attendance each season.

Capaha Field includes a state-of-the-art press box which was completed prior to the start of the 2006 season. The press box, which is fully equipped with wireless broadband internet access, televisions, a kitchen/lounge area and restroom, gives staff and media an excellent view behind home plate.

The dimensions of Capaha Field are 330 feet down the lines, 375 to the alleys, and 400 to straight-away center field. The fence running along the outfield is nine feet high.

Southeast Missouri baseball has called Capaha Field home since the program's inception in 1959.

Over the last decade, over 124 thousand fans have come to Capaha to watch Southeast Missouri baseball in 264 home games. In those contests, SEMO is 166-98. In each season over the last decade, over 10 thousand

- REDHAWKS

fans have flocked to Capaha Field.

Last season, the Redhawks drew over 21,000 fans to Capaha Field, averaging 900 a game. In the last three Ohio Valley Conference championship seasons, the Redhawks have drawn 46,000 fans (750 average) while going 47-16 (.746) at home.

Capaha Field also serves as the current home of the Burger King Capahas, the oldest amateur baseball team in America.

"TIGER" JOE UHLS LOCKER ROOM

Located inside Houck Field House on the Southeast Missouri State campus is the "Tiger" Joe Uhls Baseball Locker Room.

The locker room provides Redhawks baseball players with the modern amenities commonly found in professional locker rooms. Most recently,

hardwood floors were added in 2005.

The locker room features 35 professional-style lockers for players, rest rooms, a shower area and ample storage space for equipment and uniforms. An entertainment system also provides players the opportunity to view scouting and coaching video as well as watch television for leisure.

In addition, a study area with broadband internet capabilities is available for Redhawks student-athletes. Surrounding the locker room is a mural honoring the all-time greatest players and moments in Southeast Missouri State baseball history.

he Holcomb Success Center offers
Southeast Missouri student-athletes
a place to study and develop as
students and campus leaders.

It is located in the Student Recreation Center, just south of Houck Stadium. The Holcomb Success Center offers a computer lab with 18 work terminals, study areas and rooms for group meetings. The facility houses the Southeast Academic Services staff and main weight room for Redhawk studentathletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.10 cumulative grade point average in the fall and spring semesters. Sixty percent of all student-athletes recorded a 3.0 or higher GPA. Nine of Southeast's 15 intercollegiate

athletic teams recorded a team GPA over 3.0. Additionally, Southeast student-athletes logged over 4,000 hours of community service during the 2015-16 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

2015-16 Notables

Southeast Missouri's Department of Athletics recorded a cumulative 3.10 GPA during the 2015-16 academic year. Nine of Southeast's athletic teams achieved a GPA above 3.0. Those teams included baseball, women's basketball, women's cross country, gymnastics, soccer, softball, women's tennis, women's track & field and volleyball.

In all, 197 individuals accumulated a 3.0 or higher GPA during the 2015-16 academic year, accounting for 60 percent of the student-athlete population.

Fifty-eight student-athletes received their degrees.

Southeast's women's cross country, gymnastics and volleyball teams were recognized for their outstanding performance in the classroom. The three programs were among 1,000 Division I sports teams to earn NCAA Public Recognition Awards for posting APR scores in the top 10 percent of their sport.

Southeast finished fifth in the 2015-16 Ohio Valley Conference Commissioner's Cup, moving up two spots from a seventh-place finish the year before. The Redhawks won the OVC men's outdoor track & field title and both the league's regular-season and tournament crowns in baseball.

Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk student-athletes have opportunities to participate in a variety of community service activities each year.

Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our student-athletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a comprehensive student-athlete development program by Building Responsible Individuals

and Delivering Gainful Experiences. This program provides student-athletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach student-athletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena.

outheast Missouri's Strength and Conditioning program is committed to developing the total student-athlete through their experiences within a competitive training environment.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accommodate larger teams or multiple teams training at the same time.

Training Principles for Southeast Athletes

Reduce the risk of injuries

If a student-athlete is injured, he/ she will not be able to compete at practice or games.

Ensure the student-athletes are optimally prepared to compete

It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

Maximize athletic ability

We challenge each athlete, both physically and mentally, in order to achieve optimal results.

> **Exercises for Southeast** Athletes are based on the following Principles:

Ground Based Movements

Student-athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

Three-Dimensional Movements

Student-athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

Multi-Joint Movements

Very rarely in sport do athletes isolate one single joint at a time. Student-athletes can train more muscle mass at the same time.

revention. Treatment.
Rehabilitation. Education.
Those are the four primary phases of athletic training, and the Southeast Missouri athletic training staff strives to fulfill all of those areas when working with studentathletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through.

There are currently four athletic training

facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the

best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

r. Carlos Vargas became the 18th president of Southeast Missouri State University July 1, 2015, after having served as acting president at Kutztown University of Pennsylvania.

During his first year in the presidency, Dr. Vargas' priority has been to listen and learn by visiting with all the University's constituencies, whether on campus, in the community, region, state, or throughout the United States and in foreign countries where Southeast alumni are located. Based on what he learned, President Vargas launched initiatives to marshal the resources, to leverage opportunities, and to address a variety of challenges and needs of Southeast Missouri State University.

President Vargas encouraged and supported the identification and development of innovative academic programs, including a new Unmanned Aircraft Systems program, a Geographic Information Science program, and a proposed engineering program presented to the Missouri Coordinating Board for Higher Education. He has continued to support the globalization of the campus through expansion of study-abroad experiences, extensive engagement of international students, and encouraging students on campus and abroad to explore cultural interaction. He championed the work of the President's Task Force on Diversity Education, and continued emphasizing the expectations for enhancement of the teacherscholar model. Under President Vargas'

leadership, regional partnerships and collaborations were solidified, including several joint initiatives with Three Rivers and Mineral Area Colleges.

Prior to assuming the presidency at Southeast, Dr. Vargas served one year as acting president of Kutztown University. He served as the provost and vice president for academic and student affairs, and had been the school's chief academic officer since 2006.

Prior to his tenure at Kutztown, Dr. Vargas was at Central State University in Wilberforce, Ohio, where he served as provost and vice president for academic affairs. He previously served in several roles at Kent State University (Ohio) for a total of 18 years, including founding director of the program on electron beam technology. He was also Kent's associate

Southeast Missouri State REDHAWKS

dean for research, interim assistant dean for research, and he served as interim assistant dean for the School of Technology. He started his tenure at Kent State in 1985 as a professor, and continued to teach until his departure from the university.

Dr. Vargas began his career in highereducation at the National Autonomous University of Mexico (UNAM), from which he received a Bachelor of Science degree in physics. His initial appointment was as a senior associate researcher for the Institute of Geophysics, and he later held a similar position for the University's Institute of Physics.

He earned his Ph.D. in physics and aerospace science from the University of Michigan and he has Master of Science degrees from Michigan in both physics and aerospace science. He is married to Pam Vargas, who currently serves as director of Research and Grant Development at Southeast, and they have a son, a daughter, and one granddaughter.

DIRECTOR OF ATHLETICS BRADY BARKE

rady Barke, who had been serving as the Interim Director of Athletics since July, 2015, was named to the permanent position of Director of Athletics at Southeast Missouri State University on June 7, 2016.

Barke was among three finalists and more than 50 applicants for the position following a national search conducted by a search committee including representatives from the faculty, staff, students and the community.

Barke, senior associate to the president and secretary to the Board

of Regents at Southeast, officially began his new role July 1.

"Brady brings with him a tremendous commitment to and knowledge of Southeast Missouri State University, along with the caliber of credentials to move our program forward and into the future," said Dr. Carlos Vargas, president of Southeast Missouri State University. "We believe his experience from the vantage point of both athletics and administration can help our athletics program move to the next level."

"I am extremely honored to have this opportunity to work alongside a great group of coaches and staff, talented student athletes, dedicated Athletics supporters, and a great University community," Barke said. "I believe I bring some unique strengths to this position, and I look forward to working with the University community to promote our programs and build upon our success."

While serving as Interim Athletics Director over the past year, Barke has spearheaded the renovation of the athletic weight room and developed plans to upgrade its academic space. He also has worked with University and Cape Girardeau City officials on an agreement for the installation of turf and renovations to Capaha Field.

Barke served as Interim Associate Director of Athletics for Compliance

Southeast Missouri State REDHAWK

& Student Support Services before being named the Senior Associate to the President and Secretary to the Southeast Missouri State University Board of Regents in 2013.

He began his tenure at Southeast in 2008 as Assistant Director of Athletics for Compliance & Eligibility. Barke previously served as a governance intern with the NCAA national headquarters in Indianapolis, and as a law clerk with the Southern Illinois University-Carbondale Department of Athletics Compliance Office.

Barke has served as a member of the National Association of Athletics Compliance (NAAC), chaired the NAAC Education Committee, and was a member of the NAAC Board of Directors. He has facilitated the NCAA Regional Leadership Academy, and served on both the NCAA Sports Wagering Task Force and the Olympic Sports Liaison Committee.

Barke has a juris doctorate degree from Southern Illinois University School of Law, an MBA from Southeast Missouri State University, and a bachelor of science degree in biology from Webster University. While a student at Webster, Barke was a member of both the basketball and golf teams and was inducted into the Webster Athletic Hall of Fame earlier this year.

He and his wife, Halley, are parents of three children, Mabrie, Jackson, and Kolbe.

Southeast Missouri State

he 2017 season will usher in a new era of Southeast Missouri State baseball under the direction of first-year head coach Andy Sawyers and his coaching staff.

Southeast Missouri will begin the pursuit of its fourth-straight Ohio Valley Conference regular-season championship. The Redhawks are fresh off not only their third-straight title, but also their first trip to an NCAA Regional Tournament since 2002.

An entirely new coaching staff and 13 new players on the team aside, the makeup of the roster is very different yet has a familiarity. Four mainstays in the defensive alignment from a season ago return. The gaps left open on the field have opened the door for healthy competition to fight for starting time this upcoming season.

When asked what excited him most about the 2017 team, Sawyers said, "we have a lot of competitors and performers on this team. I don't see any top-5 round draft picks but what I do see is guys who like to compete and play the game of baseball. These guys didn't get here by virtue of a 95-mph fastball and the label of potential; they got here because they have performed their whole life. Those are the kinds of players I like to coach and be around. As a coach, it makes for a fun environment to come to work in every day."

While Sawyers knows a fourth-straight conference title will be hard, he is confident his team will compete to the best of their abilities and knows the Redhawks will be at least competing for the title down the stretch.

"With this being my first year in the league, it's hard for me to say if we're going to win a fourth-straight title but what I do know is that I really like our team. The team has given us great effort and buy-in in terms of working with a new coaching staff. We have approached them with the mentality of 'we know you guys are winners and good competitors' and they've proved that with their track record. I think we're going to be good and I think we will be very competitive and I'm confident we will be top third of the league and competing for a conference championship the last couple weeks of the season."

Starting Pitchers

Arguably, the largest missing piece from 2016 is back-to-back OVC Pitcher of the Year Joey Lucchesi. The lefty finished his career as the all-time strikeouts leader, an accomplishment he notched in just two seasons; however, remaining is a trio of seniors Sawyers hopes will be the strength of the team in 2017.

Returning to the starting rotation is Preseason All-OVC picks Clay Chandler and Robert Beltran. The pair never missed a start as SEMO's number two and three starters in 2016. Chandler started the season hot out of the gate but finished with a 4-5 record in 15 starts and 16 appearances. He recorded 96 strikeouts with a 3.90 ERA in 97 innings of work. He finished the season being named Second Team All-OVC.

Beltran was a First Team All-OVC selection and secured the No. 3 spot in Southeast's weekend rotation during his first season with the Redhawks. The lefty went unbeaten (8-0) in his final 15 starts following a loss in his first start of the season at Lamar including going unbeaten in OVC play at 5-0.

Joining Chandler and Beltran, assuming the No. 3 role in the weekend rotation will

be Justin Murphy. The senior righty went 4-2 with five saves and a 2.97 ERA in 27 appearances out of the pen. He pitched a total of 36 and a third innings as the Redhawks' closer last season.

Sawyers said, "What I hope to be the strength of our team is going to be experience and depth on the mound. Joey Lucchesi might have been the best pitcher in the history of the OVC in what he accomplished in his two years but we don't have him anymore; what we do have are three senior starters who all threw significant innings last year. To have three seniors who are all very good who have all played significant innings makes me feel very lucky and blessed to have their experience. It's a comfort blanket for me to have guys like that when they toe the rubber. There's not too many coaches in the country who can say they have three veteran starters that have been there before. Winning starts on the mound and to have those guys is a huge benefit for our program."

Following the weekend rotation is the role of the "midweek" or "number four" starter. During the preseason, a pair of arms, both lefties, have risen above the rest to fill the role. The first is sophomore Daniel Bergtholdt. He missed the majority of last season due to injury but has bounced back and is ready for the 2017 season. Bergtholdt worked only six innings as a freshman but came out with a 1-0 record in five appearances. The other is junior transfer Nate Green who comes to SEMO by way of Ventura College in California.

"Both are very different guys but are also both left-handed. Bergtholdt is an upper-80's guy and Green is an upper-70's guy so they each give you a different look. I think we'll see some difference in that role depending on the matchups and the particular opponent."

The bullpen in 2017 brings a touch of experience but also a lot of new faces. Righthander Matthew Wade returns for his junior season. Wade made 15 appearances out of the pen a season ago filling in as a setup man for Murphy in late innings. Wade has made appearances in late-inning situations

throughout his career but has also battled the injury bug. Another experienced Redhawk in the pen is lefty Adam Pennington. Pennington made 19 appearances in his first season with the Redhawks but also started a pair of games, a role he excelled in both times; however, Sawyers believes Pennington's role in the pen will be one similar to Murphy's last year in that his talent to control the game will be most valuable late in the game.

"Pennington is good enough to be a starting guy but, kind of like Murphy last season, we're better off having someone in the bullpen with that kind of ability to throw strikes and throw off-speed on command. I foresee Pennington staying in the pen and with the addition of Carlos Vega to that group, I feel we have three very significant contributors out of the bullpen."

Returning this season behind the plate is Brian Lees. The senior made 51 starts behind the dish in his first season as a Redhawk. While an exceptional defender all last season, Lees came on strong offensively in the final stretch. Sawyers hopes that depth at the catching position will allow Lees a break from

starting every game and focus on producing more on the offensive end throughout the season.

Backing up Lees will be newcomer Aiden McMahan from Rend Lake College. Sawyers and the rest of the staff have been very impressed with McMahan and are confident he will be a formidable alternate for Lees this season.

"Aiden is a gifted thrower and he also has power potential with his bat and has shown a professional approach as a catcher. We feel good about those two sharing time behind the plate."

First Base

Newcomer Tristen Gagan will get the nod at first base this season. He mainly played third at Northeastern Oklahoma A&M but has made the move to first for the Redhawks this preseason. Gagan hit .448 while blasting 15 home runs, 13 doubles, and driving in 79 runs, ranking 19th in NJCAA last season. He slugged .765 and recorded a .507 on base percentage. He was named NJCAA Division I All-Region Team both seasons at NEO.

Sawyers says Gagan's role will be simple: play first base, bat cleanup, and drive in runs.

"Some guys are really good with men on base and can really lock in and that's Tristen. If you give him four at bats and two of them have runners on base, I guarantee his best at bats will be with men on. Since he has the ability to stay in the middle of the field and hammer the breaking ball, that spells a lot of RBI. His physicality will not only allow him to hit 10-plus home runs, he's going to drive runs in first and foremost."

Second Base

Expecting to reprise his role as the everyday starting second baseman for the Redhawks is junior Trevor Ezell. In just two years, Ezell has started every game of his 118-game career. Ezell was a Second Team All-OVC selection last season after scoring 70 runs, hitting .326 with a .458 on base percentage, scattering 79 hits, drawing 53 walks, and swiping 23 bases.

Ezell will also reprise his role as SEMO's leadoff hitter this season and Sawyers believes that while Ezell may not produce the

power numbers the OVC demands, he has the potential to be a the top player in the league this season.

"Our lineup starts with Trevor. Trevor is a conference player of the year-type of guy; he may not get it because he doesn't have many home runs and this is a power league, but I think Trevor might be the most dynamic player in the conference. He is an absolute presence in the leadoff spot and is very gifted with getting on base and setting innings up. He can hit with power too; you just see more doubles and triples than home runs."

Chris Caffrey is a player who made 31 starts last season, splitting 14 at first, 12 as the designated hitter, and only four at third despite coming to Southeast as a third baseman, a spot he has excelled at during the preseason.

"Chris is another one of those guys who maybe didn't play every day last year but brings some experience with him. He played great in his first fall and after scuffling a little last spring, he has come on nicely this preseason. He's played an above average third base, has been productive at the plate,

Southeast Missouri State

not trying to over do it offensively."

Aside from Lucchesi, one of the largest voids left open on the field following last season was shortstop. The spot was left open due to the departure of Branden Boggetto, a perennial four-year starter for the Redhawks in the six-hole.

With Boggetto's departure, Sawyers says a pair of newcomers have joined the team and both excelled at filling the role. The first is freshman Connor Basler. The Rawlings High School All-American hails from nearby Ste. Genevieve, Missouri. Sawyers mentioned Basler played well in the fall but fellow newcomer Kyle Bottger has been challenging Basler for the starting nod. Bottger is a native of Oklahoma City and played the previous two seasons at North Central Texas College. Bottger has come back from winter break ready to compete with Basler for a starting role.

"In the fall, Connor played a sparkling defensive shortstop. Then this spring, Kyle came out of the shoots hot and ready to play. They have both earned playing time but as of right now, there isn't a clear-cut starter. While

Connor has been more defensive and Kyle has shown a stronger presence at the plate, neither has shown lack of ability in either aspect."

Outfield

Much like the starting rotation, the Redhawks return a veteran trio of seniors in the outfield in Clayton Evans, Dan Holst, and Chris Osborne.

Evans missed last season due to injury but returns for his redshirt-senior campaign. Evans is a .311 career hitter in three seasons at Southeast and his 132 games played is the most of any player on the roster. He was a freshman all-American in 2013 during his rookie campaign.

All Holst did a season ago was get on base for the Redhawks. He sported a team-high .475 on base percentage and drew 55 total walks. He also recorded the third-most hits on the team at 61, hit 12 doubles, eight home runs, and drove in 42 runs while scoring 61. He was second to Ezell with 22 stolen bags.

Osborne enters the 2017 season already with Preseason All-America accolades from the National College Baseball Writers Association as well as Preseason All-OVC honors. Osborne emerged as the national slugging percentage champion with a .741 slugging clip in 2016. He was named First Team All-OVC and was an OVC All-Tournament team selection. The Edmonds, Washington native blasted a team-leading 15 home runs and led the squad with a .367 batting average. He started in 40 games including 36 starts in right field. He finished third on the team with 44 runs batted in.

Another face fans should expect to see in the outfield this season will be freshman Danny Wright. The rookie came to Southeast as a infielder but has since transitioned to the outfield and flourished not only defensively but also at the plate.

"Danny is a guy who was a high school infielder who came in and was a little overwhelmed on the dirt but has really slowed himself down after a move to the outfield this spring. He's been able to clear the mechanism not having to worry about the intricacies of the infield and he has really swung the bat well. We'll be seeing him early this spring;

he has really proved himself and has earned the playing time. He's also a switch hitter and is a great athlete, which makes him highly versatile."

Designated Hitter

Senior Kylar Robertson filled the DH role early on in the 2016 season and had a solid start but eventually struggled at the plate. He finished the season making 14 starts as the DH, hitting .238 and driving in 12 runs.

Sawyers says Robertson has been seeing the ball well and has a lot of potential heading into the season, he just needs time to settle into the DH role.

"Kylar didn't play a lot in 2016 but he has a world of potential right now. He has settled into the everyday DH role throughout the preseason and he is really swinging the bat well. He needs some confidence and continuity and 15-20 starts with an everyday at-bat will help establish his bat in the lineup. Our goal is to eventually write Kylar in and forget about him and let him do his thing."

Southeast Missouri was picked as cofavorites in the 2017 Ohio Valley Conference race. 2017 is the third-straight year the Redhawks have been picked to win the league in the preseason voting. It's the first time in league history that a team has been tabbed first in the preseason poll three consecutive times. Southeast set a program record for wins a season ago, finishing 39-21 with a 22-8 conference record.

The balanced voting saw five different teams pick up first-place votes with Jacksonville State picking up the most with seven, one more than Southeast Missouri; each team finished with 174 total points in balloting. Austin Peay was picked third and received five first-place votes (163 points), while Tennessee Tech had a pair of first-place votes and was picked fourth (151). Morehead State was tabbed fifth (131), Belmont was sixth (117) and Murray State picked up the final two first-place votes to finish seventh (110). The poll was rounded out by Eastern Kentucky (74), UT Martin (46), SIUE (39) and Eastern Illinois (31).

2017 Schedule

The 52-game 2017 schedule is set to open on Feb. 17, 2017 in Nacogdoches, Texas. The Redhawks will play four games opening weekend including a doubleheader on opening day against UT Arlington and Stephen F. Austin. SEMO will face UTA again on Saturday before playing SFA on Sunday.

SEMO will open the 25-game home schedule in weeks two and three when the Redhawks host Western Illinois and Purdue in six-straight home games. Southeast will begin the defense of its Ohio Valley Conference championship when league play opens the weekend of Mar. 10 at Morehead State.

Weekend home conference series include UT Martin (Mar. 17-19), Austin Peay (Mar. 31-Apr. 2), Jacksonville State (Apr. 13-15), Tennessee Tech (Apr. 28-30), and Eastern Kentucky (May 18-20).

In-state rival Missouri State will make its first trip to Capaha Park since 2014 this season. The Redhawks and Bears will face off in Cape on Mar. 15.

Southeast will renew its home-and-home series with Arkansas State, Saint Louis, and Southern Illinois this season. Home dates of said series include Apr. 4 (Arkansas State), Apr. 18, (Saint Louis), and Apr. 25 (Southern Illinois).

Other notable midweek series include road games at Central Arkansas (Mar. 21) and instate foe Mizzou (Mar. 28).

The Redhawks will play their conference bye-week on the road at Mid-American Conference opponent Western Michigan (May 5-7).

Sawyers concluded, "Our schedule sets up well. There might not be a premiere series on the schedule like going to an SEC stadium for three games; however, there are games that stick out to me including the home stand against Purdue. Midweek games including going to Mizzou and having Missouri State come to Capaha are also very exciting for our

"Of course, no matter what league you're in, a conference schedule is always competitive because it's hard to win conference games. The OVC rivalries are something I'm looking forward to learning."

ndy Sawyers was appointed the sixth head baseball coach of Southeast Missouri baseball on July 29, 2016. The 2017 season will be Sawyers' first as head coach of an NCAA Division I program.

Sawyers brings 18 years of collegiate coaching experience with him to Southeast Missouri. Sawyers most recently served two seasons as the Associate Head Coach/Offensive Coordinator at Kansas State out of the Big 12 Conference. He oversaw the hitters and catchers defensively as well as helped coordinate recruiting at K-State.

"I am very excited to welcome Andy and his family to the Southeast Missouri State community," Director of Athletics Brady Barke said. "Throughout the search process there were three main things I was looking for in our next head coach: great character, ability to recruit the region, and a talent to develop quality student-athletes. Andy excels in each of these areas. His postseason experience proves he knows how to win and compete on the national level."

"I would like to thank Brady and President Vargas for the opportunity to become the head baseball coach at Southeast Missouri," Sawyers said. "This is an incredible honor and I am appreciative of this wonderful opportunity.

"SEMO is a program on the rise. The conference championships, regional appearance, and facility enhancements speak volumes about the administration's commitment to baseball. Coach Bieser and his staff did a marvelous job and I am looking forward to contributing to the progress that is already happening in our program."

In his 18 years of coaching, Sawyers has been to two College World

Series, three NCAA Super Regionals, and 10 Regional Tournaments. He has mentored 39 Major League Baseball draft picks including two first-round picks and eight top-10 round picks.

The Wildcats ranked fourth in the Big 12 offensively with a .284 team batting average in 2016. The Wildcat offense registered a .400 slugging percentage, .372 on base clip, scored 335 runs, scattered 550 hits, knocked 100 doubles, 17 triples, and 30 home runs while driving in 300 runs.

Sawyers mentored freshman Josh Rolette to earning Louisville Slugger Freshman All-American honors in 2016. He also helped guide Jake Scudder to the title of Big 12 Newcomer of the Year. In all, the Wildcats posted three student-athletes to All-Big 12 Teams last season.

The 2015 and 2016 seasons were Sawyers' second stint at Kansas State, serving as an assistant coach for the Wildcats in 2009 and 2010. K-State went 80-30-1 over those two seasons and made consecutive NCAA Regional appearances, the first two in school history.

The 2009 campaign was a year of power for the Wildcats under Sawyers. The team hit 22 triples and 58 home runs, the most in both categories since 1997. The offense shined when it came to stolen bases as the 149 steals were the second-most in the nation and two shy of breaking the Big 12 record. Overall, the team finished among the Big 12 leaders in on-base percentage (second, .399), runs scored (second, 458), hits (second, 675), RBI (second, 420), doubles (third, 123), and fewest strikeouts (fourth, 393).

Six Wildcats earned All-Big 12 honors in 2009, including outfielder Nick Martini, who also garnered Louisville Slugger Freshman All-American honors, and Justin Bloxom and Carter Jurica, who finished fourth and eighth, respectively, in the Big 12 in batting average.

The 2010 squad matched the success of 2009 by also reaching the NCAA postseason, but the offense topped the previous season's totals in batting average (.323 in 2010; .317 in 2009), runs per game (7.6 vs. 7.4) and OBP (.426 vs. .399).

Prior to his most recent stop at Kansas State, Sawyers spent four seasons as the Associate Head Coach at Texas A&M (2011-14). Those four seasons at Texas A&M represented the conclusion of Sawyers' five total campaigns with the Aggies after he spent 2008 as a volunteer assistant coach.

In each of those five seasons, Sawyers helped Texas A&M reach an NCAA Regional while also winning two Big 12 championships. In addition, he coached standouts Tyler Naguin - 2011 Big 12 Player of the Year, All-American and a first round pick by the Cleveland Indians in 2012 - and Krey Bratson, a 2011 Freshman All-American.

Prior to his appointment at Texas A&M in 2008, Sawyers worked with current Aggie head coach Rob Childress as an assistant coach and the recruiting coordinator at Nebraska from 2003-07. While in Lincoln, he helped the Huskers earn four trips to the NCAA Tournament, including an appearance at the 2005 College World Series. Sawyers, who lettered two years at Nebraska, worked with 12 Huskers who were selected in the MLB Draft, including Alex Gordon, a two-time Big 12 Player of the Year. In 2005, Gordon won five national player of the year awards before being taken as the second overall pick by the Kansas City Royals.

Sawyers took on all hitting coach responsibilities at Nebraska beginning with the 2006 season, when the team batted .310 - its best mark in four years - and ranked in the top three of the Big 12 in home runs, stolen bases, OBP and slugging.

Also during his time in Lincoln, Sawyers served as the academic coordinator and worked with the catchers. Additionally, Sawyers helped the Huskers recruit their then-highest-rated class in school history, as the 2004 recruiting class was ranked 16th nationally by Collegiate Baseball.

"Andy Sawyers played an integral part in the development of our baseball program during some of the most successful seasons in our history. He was instrumental in our NCAA Tournament runs in 2009 and 2010, and his recruiting efforts were critical to our Big 12 Championship and Regional Championship season in 2013. I am excited for Andy to get the opportunity to fulfill his career-long goal of being a head coach, and I know he will do a terrific job leading the Redhawk program."

ALEX GORDON

DAVE JORN

"Andy is a really good baseball coach, and probably an even better person. He's a good family man and does things the right way. In our profession, winning is paramount, but it's really about the kids in the long run. I feel very confident that with Andy, the kids come first and the winning will take care of itself. He'll run the program the right way with integrity. I couldn't be happier for him, and I think SEMO is getting the right guy to carry on the winning tradition."

DAVE VAN HORN

"Andy played catcher for me my first year at Nebraska and then served as my volunteer assistant for a year. I knew right away he had a great feel for the game. Southeast is getting a polished coach with a great demeanor. He's a great leader of young men on and off the field, and he is ready for this job. I'm excited for Andy and his family, and I look forward to watching the program at SEMO under Andy's leadership."

Joe Uhls served as the baseball coach at Southeast from 1960-1984. He totaled a 373-257-5 record. He also served as an assistant basketball coach in the 1960's. The baseball locker room at Houck Field House is named in Uhls honor.

Class of 2004

Steve Williams played both football as a punter and baseball as a catcher. He led the football team in punting in 1981 and 1983. Williams was an All-America baseball catcher in 1982 and 1983 and played professionally in the Philadelphia Phillies organization. He still holds the All-Time career home run record wth 52 long balls.

Class of 2006

The 1976 baseball team won the MIAA conference title, the NCAA Midwest Regional title and advanced to the College World Series in Springfield, Ill., finishing third in the nation.

The College World Series team roster included Allan Alberter, Mark Amick, Lawrence Basta, Don Buechting, Bill Criscione, James Dambach, Mark Doerr, Clarence Eisenbach, James Hastings, Mark Hogan, Jeffry Hunt, David Jorn, Vincent Korando, Ralph Kuehn, Bruce Morgan, Bryan Parker, Thomas Smiley, Timothy Smith, Dan Wieser, Mike Wieser and Rick Wieser. The team was coached by the late Joe Uhls who was one of the inaugural inductees into the Southeast Athletic Hall of Fame.

Royal Tibi (1919-23) is believed to be the only athlete at Southeast to earn varsity letters in five sports. He lettered in football, basketball, baseball, track and tennis. An outstanding punter on the football team, he also served as captain of the track team and was described as an outstanding defensive player on the basketball team.

Class of 2008

Kerry Robinson set many school records while playing in the outfield from 1993-95. He holds the school record with 35 straight games with a hit. After being drafted in the 34th round of the Major League draft Robinson played five seasons in the minor leagues before making his major league debut with the Tampa Bay Rays on September 22, 1998. Robinson played seven seasons in the majors, with three of the seasons as a starter for the St. Louis Cardinals. He ended his career playing in 463 games and compiling 196 hits in 735 at-bats. Robinson committed just four errors in 379 chances in his big league career.

Class of 2010

Dale Meier established numerous pitching records over his four-year career. He registered a total of 16 wins and three saves and was involved in 51 percent of Southeast's wins during that time. In 1964, Meier had nine victories and one save, and pitched Southeast's first no-hitter of the modern era. A two-time Most Valuable Player (1963, 1964), Meier went on to play professionally for five years in the St. Louis Cardinals organization.

Clarence Bergman, who is deceased, lettered four years in four sports, including football, basketball, baseball and track. He scored the first touchdown in the dedication game at Houck Stadium on Oct. 3, 1930. Bergman was a captain of three teams.

Class of 2011

Jeremy Johnson was the 2000 Ohio Valley Conference Player of the Year. A two-time First-Team All-OVC outfielder (1999, 2000) and OVC All-Tournament Team pick (1998, 2000), Johnson is currently Southeast's all-time career leader in hits (287), games played (216), runs scored (214) and total bases (521). He was named OVC Tournament MVP after leading Southeast to its first NCAA Regional appearance in 1998.

Class of 2012

Galen McSpadden began achieving success at a high level with Southeast as a left-handed pitcher and four-year letterman in the baseball program. He remains the only pitcher in school history to lead Southeast in ERA, innings pitched, strikeouts and wins in back-to-back seasons (1973, 1974). Today, McSpadden still ranks in nine of the school's single-season and career statistical categories. His 12.14 strikeouts per nine innings led the nation in 1973 and is presently a school record, while his 1.47 ERA in that season ranks fourth. As a senior, McSpadden boasted a 1.53 ERA, marking the fifth-best in school history. He posted 18 victories in his career, which is phenomenal considering that the baseball program played only 91 games during the years McSpadden was at Southeast. That being said, he tallied the win in 20 percent of Southeast's victories from 1971-74. McSpadden was a sixth-round draft pick (121st overall) who played parts of five seasons in the San Diego Padres organization and made two stints with the Padres during big-league spring training. He is currently the head baseball coach and athletic director at Seward County Community College.

Class of 2014

Don Metz was a four-year letterwinner in baseball at Southeast. He was also the leading scorer as a freshman on the basketball team. Metz was named captain and Most Valuable Player of the 1970 baseball team and finished his career with a .330 batting average. He was named to the Topps NCAA Small College Baseball and District 5 All-Star Teams. He hit .415 as the Semi-Pro Baseball Player-of-the-Year in the Summer Victory League. Metz was inducted into the Southeast Missouri Amateur Baseball Hall of Fame in 2004 and officiated Final Four Missouri State Basketball Tournaments in 1982, 1988, 1993, 1998 and 2003. He was a member of the Athletic booster board in 2002.

Class of 2015

Trae Hastings was a dominating left-handed pitcher who still holds Southeast Missouri's all-time career records in shutouts (5), strikeouts (239) and complete games (24). He boasted a staggering 2.30 ERA in his career, currently the second-best mark in school history. Hastings earned All-MIAA honors in three-straight seasons (1975, 1976, 1977) and was part of Southeast's 1976 NCAA Division II College World Series team that finished third. He also ranks among the school's all-time career leaders in wins (t3rd, 22), starts (t7th, 33), innings pitched (7th, 234.1) and strikeouts per nine innings (7th, 9.18). Hastings started all but three of his career appearances as one of the most feared pitchers in Southeast baseball history.

Mark Hogan, the all-time winningest coach in Southeast Missouri baseball history, retired after 18 seasons at the helm. He compiled a 526-456-1 (.536) record with one Ohio Valley Conference regular-season title (2002), two OVC Tournament crowns (1998, 2002) and the program's only two NCAA Tournament appearances (1998, 2002). Southeast became one of the elite teams in the OVC under Hogan's leadership. Not only did the Redhawks make the league's postseason tournament 18-straight years, but they racked up 248 conference victories along the way. Southeast also played in the OVC Tournament title game seven times and posted 15 or more league wins in eight seasons. A native of Cape Girardeau, Hogan achieved many milestones throughout his illustrious 31-year coaching career which culminated with an overall record of 911-713-3 between the NCAA Division I, NCAA Division II and NJCAA Division I ranks. Hogan picked up his 900th career win when the Redhawks beat Arkansas State on Apr. 17, 2012 and notched his 500th victory at Southeast when the Redhawks defeated Eastern Illinois on May 20, 2011. In 2007, Hogan surpassed the legendary Joe Uhls for the most wins in school history. He was also the first to win 30 games in a season that year, a feat he accomplished on nine occasions. Hogan led Southeast to a school record 37 wins and was named the OVC Coach of the Year, as the Redhawks won both the league's regular-season and tournament titles in 2002. Southeast later advanced to the NCAA Tuscaloosa Regional where it beat host Alabama, giving Hogan his first postseason win. Hogan coached a total of 80 All-OVC honorees (40 first-team selections; 30 second-team picks; 10 All-Freshman Team selections). Thirteen of his players earned either the OVC Rookie, Player or Pitcher of the Year award. He also coached 13 All-Americans, two Hall of Famers and 15 Major League Draft picks during his time at Southeast. Among that group was Trenton Moses, who became only the third player in league history to win the coveted OVC Player of the Year honor in multiple seasons (2011, 2012). In his final to seasons as head coach, Hogan had four student-athletes win the OVC Medal of Honor and 29 make the OVC Commissioner's Honor Roll. Additionally, the Redhawks earned a Team Academic Achievement Award in 2011 for having the most student-athletes with a 3.25 or better grade point average.

Class of 2016

Jim Klocke (2007-2010) had a phenomenal baseball career as a four-year starting catcher at Southeast Missouri. Klocke earned All-OVC honors all four seasons, winning the league's coveted Freshman of the Year Award in 2007 and first-team accolades each of the next three years. He was a three-time All-American, earning that recognition in 2007, 2009 and 2010. Klocke was named the 2009-10 OVC Male Athlete of the Year, becoming just the third baseball player in conference history to win the award. He also finished among 10 finalists for the Lowe's SENIOR Class Award and won the CoSIDA/ESPN The Magazine Baseball Academic All-America of the Year Award as a senior in 2010. Klocke was drafted by the Philadelphia Phillies in the 31st round of the 2010 Major League Baseball Draft. He holds Southeast's all-time career record in RBI (190) and ranks among the school's top-five career leaders in several other categories, including games started (t3rd, 213), at-bats (782, 4th), runs (t2nd, 206), hits (3rd, 283), doubles (t4th, 59), walks (2nd, 121) and total bases (3rd, 442). Klocke was also credited with eight career saves as a relief pitcher, tying for fourth all-time in that category.

Southeast Missouri State REDHAMS

ow in its 69th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 16 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the

league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength

INSPIRING EXCELLENCE

of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

Through the past 68 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has five, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two

apiece. Austin Peay, Southeast Missouri, UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football

Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was

in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 24 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob

Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games of 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I

experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the College Football Playoff).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA single-season history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while quarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year, finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks - FBS or FCS - to achieve those numbers during the year).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an

automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14thranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the instate foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked

since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (threegame winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider.com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2016-17 OVC men's basketball teams have at least one national postseason tournament victory in eight-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and

2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA Draft.

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players all-time to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC history.

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed

to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during the run.

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994. Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games.

Through its 68 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (3), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2016-17 season with 409 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 34 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 16 of the last 23 OVC Tournaments. UT Martin added its name to the list capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship.

Several coaches have made their mark in the history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped

a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman came out of retirement to take the Tennessee State job; in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Entering the 2015-16 season he has 535 victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; Murray State's Ashley Hayes; and UT Martin's Heather Butler and Jasmine Newsome.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year, averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and

second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year, finished her career with 2,865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2,566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of soldout crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title.

Over its 68 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day

standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peay). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 33 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the thirdstraight season, becoming the first player in OVC history to accomplish that feat. Five other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97), Morehead State's Amy Almond (2001-02) and Murray State's Scottie Ingram (2014-15) – were back-to-back winners of the award.

Morehead State won its fourth-straight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league

record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet, marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013, earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for fivestraight NCAA Championships (ETSU being

the other); currently the Colonels are one of only 10 teams in the country to qualify for the national championships each of the last five years (2011-15).

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

For the first time under the current format, OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In 2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win the event.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama. Large crowds filled the stands to see Jacksonville State win its fifth OVC crown.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) – hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the

first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its third-straight OVC Tournament crown in 2013. Along the way the Govs garnered the first nationally-ranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC single-season record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the second-straight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 - a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four teams.

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying the all-time record established in 2010; overall the OVC has had 78 players selected over the past seven years (2010-16).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year.

A year later (2009) the league had a Major
League Baseball First Round Compensation
Round pick (Eastern Illinois' Tyler Kehrer who
was No. 48 overall) and NBA Second Round
pick (UT Martin's Lester Hudson) in the same
season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conferencesponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 250 studentathletes honored with the award, including 58 over the last six years (2010-16).

Through the early years of the league. administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted

by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

2017 OVC Baseball Championship

The 2017 OVC Baseball Championship will be held May 23-28 at Choccolocco Park in Oxford, Alabama. The event is also contracted to be held at the venue in 2018.

This year marks the first of an expansion from six to eight teams.

Oxford is the third neutral site location to host the Championship since the event moved from the campus of the regular season champions in 2001. The event has also been held in Paducah, Kentucky (2001-09) and most recently Jackson, Tennessee (2010-16).

Last season No. 1 seed Southeast Missouri topped Jacksonville State twice in the Championship Round to claim its third overall Tournament Championship and first since 2002.

COME HERE AS A STUDENT.

And go anywhere as a teacher.

Southeast education graduates work as faculty members in school districts across the nation, and in more than 35 countries around the world.

1:21 faculty-student ratio

Full-time faculty

lead most classes, not teaching assistants starting with freshman year.

ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.

Or education, public policy, communications or journalism — whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our studentrun idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come to study.

INTERNSHIPS

RÉSUMÉS ARE BUILT— NOT WRITTEN.

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

SET OUT AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition — just know that you won't do it alone (except the chewing part).

SOCIAL FRATERNITIES AND SORORITIES

Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority), there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

We honor our heritage by sticking to our traditions.

Some of them, quite literally. For years, students have been making the trek up **Cardiac Hill** (a tradition in its own right) to add their chewing qum to our infamous **Gum Tree**.

MAKE ART THAT INSPIRES.

And do it on a campus that's equally inspiring.

Inside this living-learning center, you can make a masterpiece, make dinner and make your bed without ever leaving the **River Campus.**

In addition to a residence hall, dining facilities and contemporary classrooms, the **Cultural Arts Center** offers professional-level theatres, costume and scene shops, music rehearsal and gallery space, and dance and art studios — each equipped to inspire ovation-worthy works of art.

Southeast makes it affordable to do what you dream of doing, and we're recognized as one of the country's institutions with the least indebted students.
