he Southeast Softball Complex will serve as the home of the Redhawks for the 18th year in 2017.

The complex contains three regulation softball fields, all of which have lights. The facility includes batting cages, an air-conditioned press box large enough to accomodate print and broadcast media, and bleacher seating for 600. In addition, there is a hill beyond the right field fence that provides fans with a unique view of the action.

Southeast played Northern lowa in its first game at this facility on Mar. 6, 1999. Prior to that, the Redhawks played their home games at Parker Field, located in the heart of the Southeast Missouri campus.

The Southeast Softball Complex was constructed as part

of Southeast Missouri's effort to improve its sports facilities. At the time, that project also included new tennis courts, a FieldTurf artificial playing surface for the football and soccer teams, the resurfacing of the Abe Stuber track and new locker rooms for the volleyball, baseball and men's and women's basketball programs.

Recent renovations to the Southeast Softball Complex include a fenced backstop with concrete base and netting, reconfiguration of batting cages (including new turf and netting) and concrete under the bleacher

A windscreen along the outfield wall, state-of-the-art scoreboard and protective fencing in front of both dugouts were other upgrades made to the Southeast Softball Complex in recent years.

he Holcomb Success
Center offers Southeast
Missouri student-athletes
a place to study and develop as
students and campus leaders.

It is located in the Student
Recreation Center, just south of
Houck Stadium. The Holcomb
Success Center has a computer
lab with 18 work terminals, study
areas and rooms for group
meetings. The facility houses the
Southeast Academic Services
staff and main weight room for
Redhawk student-athletes.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes.

Last year, the Redhawks combined for a 3.10 cumulative grade point average in the fall and spring semesters. Sixty percent of all student-athletes recorded a 3.0 or higher GPA. Nine of Southeast's 15 intercollegiate athletic teams recorded a team GPA over 3.0. Additionally, Southeast studentathletes logged over 4,000 hours of community service during the 2015-16 academic year.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress is monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic

preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor bi-weekly to discuss academic progress.

The Holcomb Success Center staff works to get athletes involved in campus and community projects, as well. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Holcomb Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

tudent-athletes and coaches at Southeast Missouri are dedicated to giving back to the community that so generously supports them.

Redhawk softball student-athletes have opportunities to participate in a variety of community service activities each year. Community involvement helps provide a support structure and greater opportunity for academic success.

We are proud of the level of commitment shown by our studentathletes and always encourage them to participate in community service projects here at Southeast.

Southeast student-athletes also have the opportunity to participate in the Redhawks BRIDGE Program. The mission of the Redhawks BRIDGE Program is to develop a

comprehensive student-athlete development program by Building Responsible Individuals and Delivering Gainful Experiences. This program provides studentathletes with both leadership and life skills experiences through interactive programming that will prepare them to be successful in life after athletics. The leadership programming will teach studentathletes about Southeast's culture and allow them to learn, develop, and apply leadership skills. The life skills programming provides educational programs designed to assist student-athletes in identifying and applying transferable skills and experiences to prepare them to succeed outside of the athletic arena

outheast Missouri's Strength and Conditioning program is committed to developing the total studentathlete through their experiences within a competitive training environment.

Southeast's weight room renovations at Student Recreation Center-South (located in the Holcomb Success Center) were completed in January, 2016.

Indoor turf, weights, equipment and lifting platforms were added

as part of the renovation, which cost \$500,000. The facility now has more space and equipment to handle Southeast's larger teams or multiple teams training at the same time. Branding and new lighting were also included in the overall project.

The newly-renovated weight room enhances training with the best equipment available and is able to accomodate larger teams or multiple teams training at the same time.

# Training Principles for **Southeast Athletes**

### 1. Reduce the risk of injuries

• If a student-athlete is injured, he/she will not be able to compete at practice or games.

# 2. Ensure the athletes are optimally prepared to compete

• It is our responsibility to best manage all stressors that are placed on the student-athletes body in order to achieve the best results on the playing field.

### 3. Maximize athletic ability

• We challenge each athlete, both physically and mentally, in order to achieve optimal results.

# Athletes are based on the **following Principles:**

### 1. Ground Based Movements

• Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

### 2. Three-Dimensional Movements

• Athletes must be able to stabalize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

# 3. Multi-Joint Movements

• Very rarely in sport do athletes isolate one single joint at a time. Athletes can train more muscle mass at the same time.

revention. Treatment.
Rehabilitation. Education.
Those are the four primary
phases of athletic training, and
the Southeast Missouri athletic
training staff strives to fulfill all
of those areas when working with
student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the athletic training staff. The Sports Medicine department includes five full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last studentathlete is through.

There are currently four athletic

training facilities on campus. The staff treats out of the Rosengarten Athletic Complex, where the primary training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast athletic training rooms are equipped with stationary bikes, hand weights, therapeutic modalities and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and two hospitals in Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and

management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

# **Southeast Missouri State** REDHAWKS SEASON OUTLOOK

outheast Missouri head coach Mark Redburn enters the upcoming 2017 season with his largest roster.

Southeast returns five position starters and four pitchers from a team that went 16-33 overall and finished 10th in the Ohio Valley Conference with a 10-17 mark. The Redhawks welcome 11 newcomers, including a pair of Division I transfers, giving Redburn his deepest squad since he took over the Southeast helm.

"We have a lot of depth," said Redburn. "First and foremost, this is a fun group to be around. They are full of energy, enjoy playing this game, they're smart, intelligent and pick up on things very quickly. I'm really excited about the season."

Southeast lost 13 one-run games a year ago. Offensively, the 2016 Redhawks placed themselves among the top-10 teams in school history in doubles (6th, 69), stolen bases (3rd, 58),

walks (8th, 138), home runs (6th, 35) and slugging percentage (.412). Three of Southeast's top four hitters return for this season.

"I feel confident with the players returning and the people that can play behind them," said Redburn. "We want to play well and it's going to be a battle. Everybody is looking to improve and we want to be in a top-four finish in our conference. I believe we have the tools in place to do

Here is a breakdown of the 2017 Redhawks:

### Catcher

Juniors Riley Hayes (Jefferson City. Mo.) and Abby Tillotson (O'Fallon, Mo.) will share the bulk of the work behind the plate this

Hayes played in 37 games and made 33 starts, hitting .289 with eight runs scored, five doubles. two home runs and 12 RBIs a year ago. She missed the last 10 games of season with a concussion. Hayes did not play this past fall as a precautionary measure.

"We're looking forward to Riley being back there this year," commented Redburn. "She is ready to go."

In Hayes' absence, Tillotson was able to get a lot of reps.

One of two players to hit over .300, Tillotson saw action in 30 games and logged 23 starts. She hit .339 with five runs scored, four doubles and seven RBIs.

"Abby did a good job filling Riley's place and gained some valuable experience in the process," added Redburn.

Freshman Rachael Donald (Dupo, III.) completes the catchers.

Donald was a Second-Team All-Metro selection at Dupo High School. She hit .489 with two home runs and 41 RBIs as a senior, helping lead Dupo to the 2A championship game.

### Infield

Southeast lost two starters on the infield, but is in good shape with a strong blend of returnees and newcomers

Junior Darby Pruett (Corning, **Ark.)** takes over at third base after starting 31 of 41 games last season. Pruett hit .271 with 12 runs scored and ranked third on the team with four home runs. She should be the Redhawks every day starter at the hot corner.

"Darby will probably be a power hitter and has had a couple of years to get experience at third base," said Redburn. "

Pruett played behind Haylee Krack, who led the Redhawks with eight home runs as Southeast's starting third baseman last season

Back at shortstop is sophomore Sarah Messex (Sullivan, Mo.), who played that position for the first time in her rookie campaign a vear ago.

starts at short. She hit .200 and collected 23 hits, 15 runs scored, four doubles, a home run, 15 RBIs and seven stolen bases as a freshman.

"Sarah adapted well to playing a position she had never played before," said Redburn. "This year, I am hoping the offense comes around for her now that she has the defense down."

The right side of the infield features two new faces in sophomore Parker Bandy (Springfield, III.) and freshman Ashley Ellis (Arnold, Mo.).

Bandy, who will be at second base, comes to Southeast from a seasoned Illinois State softball

She appeared in 19 games and made three starts as a freshman for the Missouri Valley Conference Redbirds in 2016. Bandy was a part of three conference championship teams and earned All-State honors in multiple seasons as a prep at Glenwood High School.

"Parker brings a lot of experience after playing in a great program at Illinois State," quoted Redburn. "It will be nice to see how she develops at Southeast in the next couple years."

Meanwhile, Ellis prepares to make her debut as Southeast's starting first baseman.

Ellis was the Suburban West Conference Player of the Year at Fox High School. She started all four of her prep seasons and hit .453 with 16 home runs and 56 RBIs as a senior.

"Ashley has great hands at first base, moves really well and plays smart," said Redburn. "On top of that, she is strong at the plate. I think she will have a phenomenal career at Southeast."

Sophomore Mackenzie Long (Lee's Summit, Mo.) and freshmen Madison Harris (Imperial, Mo.) and Addison Barnouski (O'Fallon, III.) are

Long returns after seeing limited action in 2016. She started two games at second base and finished with two hits and two

runs scored in just 15 at-bats. Harris was a First-Team Class 3A All-State, All-Conference, All-Region and All-District pick at Windsor High School. She was a four-year starter who hit .510 with 42 runs scored, 10 doubles and seven home runs as a senior.

Barnouski, who is expected to pitch for the Redhawks as well, was a First-Team All-Metro honoree at O'Fallon Township High School. She ended her high school career with a .514 batting average, five home runs and 34 RBIs.

"Addison will likely play third base and be in the designated player role when not pitching," said Redburn.

### **Outfield**

Southeast's top hitter in junior Claire Wernig (Imperial, Mo.) shifts to left field this season.

Wernig started every game and played primarily in right field during the 2016 campaign.

She owned a .320 batting average, the highest of any starter. Wernig led the Redhawks in hits (54), runs (32) and ranked second in doubles (9) and stolen bases (13). She was the team's second-leading hitter in conference play with a .309 clip.

"We moved Claire to left field because we felt like it was a better fit for her," Redburn said. "It's been an adjustment, but she's still steady as always at the plate."

Newcomers Mykaela Arellanes (Foristell, Mo.) and Rachel Anderson (Edwardsville, III.) fill out the outfield.

Arellanes, who debuts in right field, played in 20 games and made two starts as a freshman at Mid-American Conference member Northern Illinois last season. She had one hit, scored three runs and posted one RBI

three-time All-Conference, All-Region, All-District and All-State honoree at Holt High School prior to enrolling at NIU.

"Mykaela adds some speed for us and hits from the left side of the plate," said Redburn. "She will likely be at the top of the lineup and has some pop in her bat."

Anderson is projected to be Southeast's starting center fielder.

She was named the St. Louis Post-Dispatch All-Metro Spring Softball Player of the Year at Edwardsville High School. Anderson hit .543 with a .922 slugging percentage and set new school records in runs scored (52) and triples (9) during her outstanding prep career.

"You would never know Rachel is a freshman based on how she plays out there and how aggressive she is," said Redburn. "She runs well and will probably hit in the No. 2 spot for us. Rachel. too, hits from the left side and is a great weapon to have at the top of the lineup."

Senior Nicole Deering (Nashville, Ill.), sophomore Brittany Stevens (St. Louis, Mo.) and freshmen Randi Dae Conway (Morganfield, Ky.), Claudia Gallo (Arnold, Mo.) and Brooke Rheinecker (St. Louis, Mo.) widen the outfield depth.

Deering participated in 40 games and made 11 starts in left field a year ago.

Stevens started 43 games as a freshman, hitting .235 with 15 runs scored, 28 hits, seven doubles, two triples, three home runs, 17 RBIs and seven stolen bases. She led the team in triples and tied for third in doubles.

Conway joins the Redhawks from Union County High School. She was part of multiple district championship teams and hit over .450 in her career as a four-year starter.

Gallo attended Fox High School, earning All-Conference,

A four-year starter at Lindbergh High School, Rheinecker hit .536 with 35 stolen bases en route to First-Team All-State and All-Region honors her senior season.

### Pitching

This year's pitching is extremely deep and will be led by the Redhawks top two returning

Junior Madeline Krumrey (Wildwood, Mo.) and sophomore Haley Thogmartin (St. Louis, **Mo.)** are back as Southeast's one-two punch inside the circle.

Krumrey led the Redhawks in appearances (30), starts (24), complete games (6), saves (2), innings pitched (138.1) and strikeouts (86) last season. She threw five of her complete games in league play. Krumrey enters her third year as the team's No. 1 starter.

"Madeline will again lead the staff," said Redburn. "She kind of had to go through the fire her first couple years. Now, she has some offense and a pretty strong steady defense behind her. I look for her to have a big year."

Thogmartin pitched in 25 games and started 18 as a freshman. She led the Redhawks with nine victories and ranked second on the team in complete

games (5), strikeouts (51), and innings (96.2).

"Haley has really come on as our No. 2 pitcher," quoted Redburn. "She will again give us a lot of quality innings."

Senior left-hander Mackenzie Hoelting (Winfield, Mo.) and fellow senior Aubrey Denno (North Newton, Kan.) also return.

Hoelting made 24 appearances and four starts inside the circle in her first year with the Redhawks in 2016.

"Mackenzie has a year under her belt and gives us a different look," added Redburn.

Denno worked 20 innings in 15 games and one start. She made all but one of her appearances in relief.

Alexis Estes (Lane, III.), the latest addition to Southeast's pitching staff, transferred from Lincoln Land Community College. A graduate of Clinton High School, Estes helped lead her team to back-to-back Central Illinois Conference titles.

Barnouski rounds out the pitchers. She fashioned a 17-3 record with 170 strikeouts in 134 innings as a senior at O'Fallon Township High School.

Southeast plays its first 29 games of the season outside of Cape Girardeau. The Redhawks open the year in Jackson, Mississippi on Feb. 11.

# **Southeast Missouri State** REDHAWKS HEAD COACH MARK REDBURN

**Mark Redburn** sets to begin his third season as Southeast Missouri's head coach in 2017. Redburn has over 200 career victories as a head coach.

Mark Redburn has the Southeast Missouri softball program moving in the right direction entering his third year at the helm.

Redburn coaches the 41st team in Southeast softball history in 2017.

The Redhawks are looking to improve on a 16-33 record and 10-17 mark in Ohio Vallev Conference play a year ago.

Redburn picked up his 200th career victory when Southeast beat Austin Peay, 7-4, on Apr. 30, 2016. His 2016 club ranked among the school's top-10 teams in doubles (6th, 69), stolen bases (3rd, 58), walks

(8th, 138), home runs (6th, 35) and slugging percentage (6th, .412). Additionally, Redburn coached one All-OVC pick (Savannah Carpenter) that year.

In his first season, Redburn led the Redhawks to an overall record of 19-27 and 12-12 in OVC play during the 2015 campaign. His 19 victories came after Southeast won no more than 15 games in each of the previous two seasons. Redburn's first club at Southeast also had 12 OVC wins, a +9 increase from the 2014 campaign. In addition, the Redhawks made the OVC Tournament, snapping a streak of three years where they missed the event.

Not only did Redburn earn his 100th career NCAA Division I win in his inaugural season with the Redhawks, but he coached three All-OVC selections and one National Fastpitch Coaches Association All-Region honoree.

Statistically, Southeast finished among the top-five OVC teams in batting average (3rd), slugging percentage (5th), onbase percentage (5th) and hits (5th). The 2015 Redhawks also broke two single-season records with Kayla Fortner establishing new marks in home runs and

walks. Southeast tied the OVC single-game mark and set a single-game school record with six home runs, as well. Academically, the Redhawks accumulated a 3.35 grade point average during the 2014-15 academic year as a total of nine players earned NFCA All-America Scholar-Athlete status for achieving a 3.5 or higher

The fourth head coach in Redhawk softball history, Redburn won 90 games in five years as head coach at the University of Evansville before accepting the job at Southeast on June 26, 2014.

In 2014, Redburn coached a UE team with five starters that were underclassmen, including four freshmen and one sophomore. The Purple Aces achieved their highest batting

average since 2007. Additionally, UE had a freshman lead the team in stolen bases and home

Despite a season that allowed 53 games, the 2013 team had its best season in Redburn's five years at UE. Entering the Missouri Valley Conference Tournament as the No. 7 seed, the Purple Aces beat the No. 6, No. 3 and No. 2 seeds to make their first MVC Championship appearance since 2003. UE finished second with three players garnering All-Tournament team honors.

The 2013 campaign resulted in the most overall wins in a season since 2008 and the best regular-season and conference tournament finish since Redburn's arrival. UE continued its aggressive baserunning with 89 stolen bases, ranking

# REDHAWKS **HEAD COACH MARK REDBURN**

second in the MVC. The pitching staff also rated fourth in the conference.

Redburn's 2012 club saw improvement as well, winning more games than it had the previous season. The Purple Aces stole 79 bases and had two all-conference and one National **Fastpitch Coaches Association** All-Region selection that year. In 2011, Redburn exposed a young and inexperienced team to some of the top programs in the nation as UE played one of its most difficult schedules. Tennessee, Georgia Tech, Missouri, Ohio State, Texas Tech, South Alabama and Chattanooga were among the stiff competition.

Redburn quickly started to transform the UE program during his first year in 2010. The Purple Aces secured a berth in the MVC Tournament after winning 10 conference games. UE led the MVC with 31 doubles and hit 36 home runs, while producing two all-conference picks.

Academically, Redburn's teams consistently enjoyed success. In fact, each of his last four UE teams accumulated a 3.1 or higher grade point average. He had several student-athletes obtain over a 3.5 GPA and earn academic recognition along the

Prior to UE. Redburn spent three years as an assistant coach at the University of Missouri working primarily with the pitchers and catchers, and serving as recruiting coordinator.

He was part of a coaching staff that compiled an overall record of 137-53. The Tigers registered a school record for victories (50), won the Big 12 Conference Tournament, won their Regional and defeated host UCLA in the Super Regional to advance to the College World Series in 2009. Overall, Redburn coached four all-conference pitchers, including USA National Team Pitcher Chelsea Thomas at Missouri.

Redburn began his collegiate coaching career as head coach at St. Charles (Mo.) Community College from 2001-04. He led the 2003 team to its first Region 16 championship and a seventh-place finish at the National Junior College Athletic Association Division I National Tournament, His 2004 squad set a school record with 33 victories.

Following his stay at St. Charles CC, Redburn spent two seasons as head coach of the new softball program at Jefferson College. In the program's first year of competition, 2006, he led Jefferson to a 49-16 record. Region 16 championship and ninth-place finish at the NJCAA Division I National Tournament. Redburn was honored as the Midwest Community College Athletic Conference Coach of the Year following that season. A native of St. Charles, Missouri, Redburn graduated from the University of Missouri-St. Louis in 1993 and received his master's degree in Athletics/ Activities Administration from William Woods University.

## **Southeast Missouri State** REDHAWKS OVCHISTORY

Ohio Valley Conference the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference

expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 16 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged February 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State. Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed

in 1972, women's athletics began

a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer

Through the past 68 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns, which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed seven football crowns and Jacksonville State has five, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri, UT Martin and

former member Youngstown State have one title apiece

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975. OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS

football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame, EKU's now 21 FCS playoff appearances are the second for the most all-time (behind only Montana's 24 berths).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade

(1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired after 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012. In 2016 former Murray State head coach Frank Beamer (1981-86) was inducted into the OVC Hall of Fame; he introduced his wide tackle six defense to the OVC and compiled a 43-23-2 record with the Racers before leaving for his alma mater Virginia Tech where he won 280 games of 29 seasons.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky). Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo and Jimmy Garoppolo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought

### new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 90 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 41 NCAA-licensed events which includes the College

Football Playoff) In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the

In 2012 Eastern Illinois became just the fourth football team in OVC history to go from worst-to-first in winning the OVC Championship. The Panthers were led by head coach Dino Babers who became just the fourth first-year head coach to win an OVC Championship (joining Boots Donnelly in 1977, Jason Simpson in 2006 and Dean Hood in 2008 - Jacksonville State head coach John Grass would become the fifth coach to achieve that feat in 2014). During the year Eastern Illinois junior wide receiver Erik Lora shattered the FCS single-season receptions record, hauling in 136 passes in 12 games; that mark was 13 more than the previous NCAA record and 44 more than the previous OVC mark.

In 2013 Eastern Illinois repeated as OVC Champions behind Walter Payton Award winner Jimmy Garoppolo. The quarterback became just the second OVC player to earn the National Player of the Year Award, joining former EIU signal caller Tony Romo (2002). Garoppolo passed for 5,050 yards (second most in NCAA singleseason history) and 53 touchdowns (fourth in NCAA history) in leading the Panthers to a 12-2 record and berth to the quarterfinals of the FCS Playoffs. Garoppolo was drafted by the New England Patriots in the second round of the 2014 NFL Draft, becoming just the fifth OVC player selected in that round and just the fifth OVC quarterback ever selected (and first since 1998).

The 2013 season saw the OVC snap a 19-game playoff losing streak dating back to the 2000 season. Tennessee State shutout Butler (marking the first OVC road playoff victory since 1986) to snap the streak while later that day Jacksonville State smashed Samford in the first round. A week later Eastern Illinois beat Tennessee State while Jacksonville State won at McNeese State to each advance to the quarterfinals; that marked the first time the OVC put two teams in the quarterfinals in the same season

since 1991. Overall the four total playoff wins in the same season established a new OVC record.

In 2015 Jacksonville State

ascended to No. 1 in both major Top 25 polls, becoming the first OVC team to be ranked No. 1 since the 1999 season. The Gamecocks would go on to complete its second-straight 8-0 Conference mark and won three playoff games to become the first OVC team to advance to the Division I National Championship Game since 1982 (Eastern Kentucky). JSU lost to North Dakota State in the title game but finished the year 13-2 overall and ranked No. 2 in the final Top 25 polls. Head coach John Grass became the first OVC coach honored as the AFCA National Coach of the Year while guarterback Eli Jenkins was named the FCS ADA National Quarterback of the Year. finishing the year with 2,788 passing and 1,161 rushing yards (one of just three Division I quarterbacks - FBS or FCS - to achieve those numbers during the year).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987,

when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to

Clarksville two months later. Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346 and included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round, the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98: in addition the top 10 ranking was the first for an OVC team since

the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (threegame winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In 2013-14 Murray State won five games to claim the CollegeInsider. com Postseason Tournament (CIT) and in the process became the first OVC men's basketball team to ever play games in the month of April.

The 2014-15 season saw five OVC men's basketball teams earn postseason bids, the most in league history, and a year later (2015-16) that number was eclipsed with six teams making national postseason tournaments. Entering 2016-17 OVC men's basketball teams have at least one national postseason tournament victory in eight-straight postseasons, an all-time league record.

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in

2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

During the 2010-11 year Faried,

the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points. Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012). He was drafted by the Houston Rockets with the 34th overall pick (No. 2 pick of the second round) of the 2013 NBA

In 2014-15 Murray State became just the fifth OVC men's team to complete a perfect Conference season (16-0). The Racers were led by sophomore Cameron Payne who was named OVC Men's Basketball Player of the Year, OVC Male Athlete of the Year and earned

third-team All-American honors from CBSSports.com. Following the season Payne declared for the NBA Draft, becoming the first sophomore in OVC history to do so and one of just four OVC players alltime to enter and stay in the draft with eligibility remaining. Payne was selected in the lottery by the Oklahoma City Thunder (pick No. 14 overall), making him just the ninth First Round NBA Draft pick in OVC

Austin Peay made history in winning the 2016 OVC Men's Basketball Tournament as the Governors became the first No. 8 seed to claim the championship. APSU had to win its two regular season games just to qualify for the event and then won four games in four days to capture its fifth tournament crown. Along the way the Govs topped a No. 5 seed, No. 4 seed, No. 1 seed and No. 2 seed and were paced by MVP Chris Horton who averaged 22.5 points, 14.0 rebounds and 3.5 assists/ game during the event including a 37-point, 21-rebound and 30-point, 16-rebounds performance during

In 2016, former Belmont All-American and 2012-13 OVC Co-Player of the Year Ian Clark became the first former OVC player to advance to the NBA Finals since former Tennessee State star Anthony Mason played for the New York Knicks in 1994, Clark was part of a Golden State Warriors team that won a NBA record 73 regular season games

Through its 68 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 24 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Belmont (3), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri

State (1), UT Martin (1) and former member Akron (1)

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2016-17 season with 409 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71). Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12. 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher

(8.8 apg)

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 34 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 16 of the last 23 OVC Tournaments. UT Martin added its name to the list capturing its first OVC Tournament title in 2011 and also winning championships in 2012, 2013 and 2014. The Skyhawks became just the fourth team in OVC history (and first since Austin Peay from 2000-03) to win four-straight tournament titles. In 2016 Belmont won its first-ever OVC Tournament Championship

Several coaches have made their mark in the history of OVC women's basketball, Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regularseason titles and eight NCAA Tournament appearances, including five straight from 1989-93. Larry Joe Inman who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and Eastern Kentucky, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. In 2012-13 Inman

came out of retirement to take the Tennessee State job: in 2014-15 he led the Lady Tigers to its first OVC Tournament Championship since 1995. Entering the 2015-16 season he has 535 victories.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

In 2012-13 the UT Martin duo of Jasmine Newsome and Heather Butler finished fifth and sixth nationally among NCAA scoring leaders. Newsome, the 2012 and 2013 OVC Player of the Year. averaged 22.6 points per game on the way to All-American honors while Butler averaged 22.4 points per contest. Butler set a NCAA record during the season by connecting on a 3-pointer in her 80th-straight game.

In 2013-14 Butler and Newsome capped their brilliant careers by ranking first and second in scoring in OVC history. Butler, the 2013-14 OVC Female Athlete of the Year. finished her career with 2.865 points, which ranked first in OVC and 16th in NCAA history. She also finished her career with 392 career 3-pointers (which was tied for the most in NCAA history following

her career but now ranks second) and scored in double figures in all 129 career games which ranks fifth in NCAA history. Following the season Butler was signed by the WNBA's San Antonio Stars where she became the first OVC player to make an active WNBA roster. Newsome capped her career with 2.566 points, second only to Butler in OVC history.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC served as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event was held April 6 & 8 at Bridgestone Arena in downtown Nashville and was played in front of sold-out crowds for both the semifinals and championship as UConn topped Notre Dame in a battle of undefeated teams to win its ninth national title

Over its 68 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. Former Morehead State football and Eastern Kentucky track and field athlete Dallas Robinson competed with the U.S. bobsled team during the 2014 Sochi Winter Olympics. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport

star Steve Hamilton (Morehead State) to present-day standouts like basketball player Kenneth Faried (Morehead State), football players Tony Romo (Eastern Illinois) and Jimmy Garoppolo (Eastern Illinois) and baseball players A.J. Ellis (Austin Peay) and Shawn Kelley (Austin Peav). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards

Throughout the last 33 years, 11 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the thirdstraight season, becoming the first player in OVC history to accomplish that feat. Five other individuals -Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle

Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) , Morehead State's Amy Almond (2001-02) and Murray State's Scottie Ingram (2014-15) - were back-to-back winners of the award.

Morehead State won its fourthstraight OVC regular season championship in 2013. Over that four-year period (2010-13) the Eagles compiled an impressive 67-3 league record.

In 2007, Eastern Kentucky's Jacob Korir won his fourth-straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2011 the Eastern Kentucky men's cross country earned a national ranking in the USTFCCCA poll, climbing to as high as No. 17; the ranking was the highest for an OVC team since the polls began in the early 1980s. The EKU men would qualify for the NCAA Championship, becoming the first OVC team to reach the national championship meet since 1980. Eastern Kentucky finished 26th overall at the event as junior Soufiane Bouchikhi was 47th in a field of 252 runners. On the women's side Eastern Kentucky senior Lydia Kosgei became the first EKU woman to ever qualify for the NCAA Championship and went on to finish 37th at the national meet. marking the second-highest finish for a female in OVC history, and also earning All-American honors.

A year later (2012) the EKU men's cross country team was ranked as high as No. 11 nationally and finished 24th at the NCAA Championship. Wade Meddles led the team with a 38th place finish at the event while Bouchikhi was 40th. In 2013 Eastern Kentucky placed 15th at the NCAA Championship, the highest national finish for an OVC team since 1980. Soufiane Bouchikhi capped his career by winning his fourth-straight OVC Championship and earning National Runner of the Week honors during the season. Bouchikhi finished 26th at the NCAA Championship in 2013. earning All-American honors for the second-straight season. In 2014 EKU qualified for its fourth-straight NCAA Championship and finished 23rd overall and in 2015 earned its fifth-straight bid and finished 17th overall. EKU is only the second OVC team to ever qualify for five-straight NCAA Championships (ETSU being the other); currently the Colonels are one of only 10 teams in the country to qualify for the national championships each of the last five vears (2011-15)

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

Former Austin Peay standout and 2012 OVC Soccer Player of the Year Tatiana Ariza represented her native country of Colombia in both the 2012 Summer Olympics in London (earning a start against the United States) as well as the 2015 FIFA Women's World Cup. In the 2015 event she assisted on the first World Cup goal in her country's history and in the following match helped her team to a 2-0 victory over France, giving Colombia its first-ever win at the event.

current format. OVC men's golfers qualified for the NCAA National Championship in back-to-back years in 2013 and 2014. Austin Peay's Dustin Korte advanced from the regional to the national championship in 2013 (finishing 116th overall) while APSU's Marco Iten won the Auburn Regional in 2014 to qualify for the National Championship (finishing 55th). In

For the first time under the

2015 OVC three individual men's golfers competed in the NCAA Regionals (one automatic berth and two at-large berths) in addition to the Eastern Kentucky team; the three individuals were the most from the OVC to qualify in one year under the current format. The OVC also boasts three current PGA Tour professionals in Scott Stallings (Tennessee Tech), Josh Teater (Morehead State) and Danny Willett (Jacksonville State).

In April 2016 Willett won The Masters Championship in Augusta, Georgia. The former JSU standout, who was the 2006 OVC Freshman of the Year and the 2007 OVC Championship Medalist, entered the final round tied for fifth, three shots behind 2015 champion Jordan Spieth after rounds of 70-74-72. In the final round Willett fired a 5-under par round of 67 to finish at 283 (-5) and top the field by three shots. He became just the eighth player in Masters history to win the event in his first or second start and just the second Englishman to win

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/ NFCA poll

In 2016 the OVC Softball Championship was held at a neutral site for the first time, as it was played at Choccolocco Park in Oxford, Alabama. Large crowds filled the stands to see Jacksonville State win its fifth OVC crown.

The league's baseball presence has continued to evolve since

its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Kentucky and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tennessee and The Ballpark at Jackson (the home of the Seattle Mariner's Class AA affiliate) - hosting the event for the first time in 2010.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010. Austin Peav. who was picked to finish seventh in the 2011 preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Govs knocked off host and No. 1 seed Georgia Tech 2-1.

In 2012 Austin Peay completed a "repeat squared" (back-to-back regular season and tournament championships) for the first-time in OVC history. The Govs would go on to top Indiana State and Cal State Fullerton at the Eugene Regional, before falling to host Oregon in the regional final. It marked the first time since the 2000 season (Middle Tennessee) that an OVC team had won multiple NCAA Tournaments games in the same season.

Austin Peay completed a "3-Peayt" by winning its thirdstraight OVC Tournament crown

in 2013. Along the way the Govs garnered the first nationallyranking by an OVC team since 2009 (climbing to as high as 21st nationally) and tied the OVC singleseason record with 47 victories. The Govs earned the No. 2 seed in the NCAA Bloomington Regional, becoming the first OVC team in the current regional format (since 1999) to earn anything other than a No. 4 seed. The squad topped Florida and Valparaiso to advance to the regional final for the secondstraight season before losing to host Indiana. Govs senior closer Tyler Rogers was a big part of his team's success during the year, setting the NCAA single-season record for saves (23 – a mark that was later eclipsed during the College World Series).

In 2016 six OVC teams reached the 30-win plateau for the first time in league history; the previous single-season high had been four

In 2014, for the third-straight year, 12 OVC players were selected in the Major League Baseball First-Year Player Draft. Of those 12 selections five came in the first 10 rounds, setting a new record for most OVC players picked in the first 10 rounds (eclipsing the old mark of three set several times). In 2016 13 OVC players were selected in the draft, tying the all-time record established in 2010; overall the OVC has had 78 players selected over the past seven years (2010-16).

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes

are working hard. The league also recognizes excellence in the classroom, Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll, Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 250 studentathletes honored with the award, including 58 over the last six years (2010-16).

league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Through the early years of the

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their

peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin

## **ROLL UP YOUR SLEEVES AND GET DOWN TO BUSINESS.**

Or education, public policy, communications or journalism - whatever your major, expect to learn a lot in class and even more in practice. And here, that practice happens on the latest technology and in real-world settings. You'll experiment and collaborate in just about all of your coursework. And you'll put new knowledge into action right from the start.

YOUR NEXT BIG IDEA could happen anywhere. But you'll give it legs and watch it run at Catapult Creative House, our studentrun idea incubator and launchpad for innovation. Get to work in our creative labs, 3D modeling and printing gallery, and impact studio. It's where you'll turn your concepts into prototypes, your prototypes into products, and your products into sales.

THE BEST PLACE TO LEARN ABOUT U.S. POLICY is where it's actually being shaped. So you'll go to the Center for Strategic and International Studies (CSIS) in Washington, D.C., for part of our University Studies course. For four exhilarating days, you'll work directly with researchers and consultants who advise national leaders. And if you're really on top of your game, you may end up influencing the strategies you've come

## INTERNSHIPS

## **RÉSUMÉS ARE BUILT**— **NOT WRITTEN.**

The workforce is just that: a force. And it's one you'll meet head on at Southeast Missouri State. We'll help you find internships (that's plural on purpose) and coach you through any challenges or questions that come your way.

## **SET OUT** AND JOIN IN.

Earn your wings early. Chew your way into campus history. Share your musical gift. Meet your new brothers or sisters. Whatever you do — whether it's joining a club or carrying on a tradition - just know that you won't do it alone (except the chewing part).

#### SOCIAL FRATERNITIES AND SORORITIES

#### Representing the IFC, Panhellenic and NPHC Councils. Many of them call Greek Hill home.

And in Fall 2016, a new Greek Village will open on campus, providing an expanded Greek community where thousands of students will make new memories of brotherhood and sisterhood.

## 180+ student groups

With organizations on campus from A (Adult Recess improv group) to Z (Zeta Phi Beta Sorority). there's something to meet every professional, social, recreational or religious interest. And if you can't find what you're looking for, form your own group.

### We honor our heritage by sticking to our traditions

Some of them, quite literally. For years, students have been making the trek up Cardiac Hill (a tradition in its own right) to add their chewing gum to our infamous Gum Tree.
