Capaha Field

Capaha Field is home to the Southeast Missouri State University Redhawks.

Located just two blocks west of the Southeast campus, Capaha Field is owned by the City of Cape Girardeau. In addition to the ball field, Capaha Park features a swimming pool, lake and picnic areas.

Many Southeast fans enjoy watching games from the hillsides along the first base side or beyond the left field wall.

Capaha Field has a natural grass surface and is considered to be one of the best playing fields in the Ohio Valley Conference.

Recent renovations include a state-of-the-art press box which was completed prior to the start of the 2006 season. The press box, which is equipped with wireless broadband internet access, television, a kitchen/lounge area and restroom, gives media members a great view behind home plate.

Capaha Field also serves as home to the Plaza Tire Capahas, the oldest amateur baseball team in America.

"Tiger" Joe Uhls Locker Room

Located inside Houck Field House on the Southeast Missouri State campus is the "Tiger" Joe Uhls Baseball Locker Room.

The newly renovated locker room provides Redhawks baseball players with the modern amenities commonly found in professional locker rooms. Most recently, hardwood floors were added in 2005.

The locker room features 35 professional-style lockers for players and coaches, restrooms, a shower area and ample storage space for equipment and uniforms. A state-of-the-art entertainment system also provides players the opportunity to view scouting and coaching video as well as watch television for leisure.

In addition, a study area with broad-band internet capabilities is available for Redhawks student-athletes. Surrounding the locker room is a mural honoring the all-time greatest players and moments in Southeast Missouri State baseball history.

The 2011 Redhawks will be geared up in Nike apparel this season. Players will be fitted from head-to-toe in Nike uniforms, hats, helmets and spikes. Four different jerseys will also be worn; red, white, black and grey.

Strength and Conditioning

We are very proud of the tradition of excellence we are building here at Southeast Missouri State University and demand a lot from our student-athletes.

Honesty, integrity, unrelenting effort and attention to detail are the pillars of our training program. Simply put, our goal is to outwork every opponent we go up against, and learn to rely on one another to achieve a common goal. We may not be the fastest, strongest or most talented, but we certainly have the attitude that, together, we can take on the world.

In the weight room, we take a comprehensive approach to training. Programs are ground-based, founded on the Olympic Lifts (Clean, Jerk, etc.) and traditional strength training (Front/Back Squat, Dead Lift, Pressing and Pulling). The concept is simple. Find something heavy and move it in a way that mimics the actions of your sport as fast as you can.

In the training arena, we strive to take the foundational strength and power we have developed and refine it into sport-specific movements and skills. We start
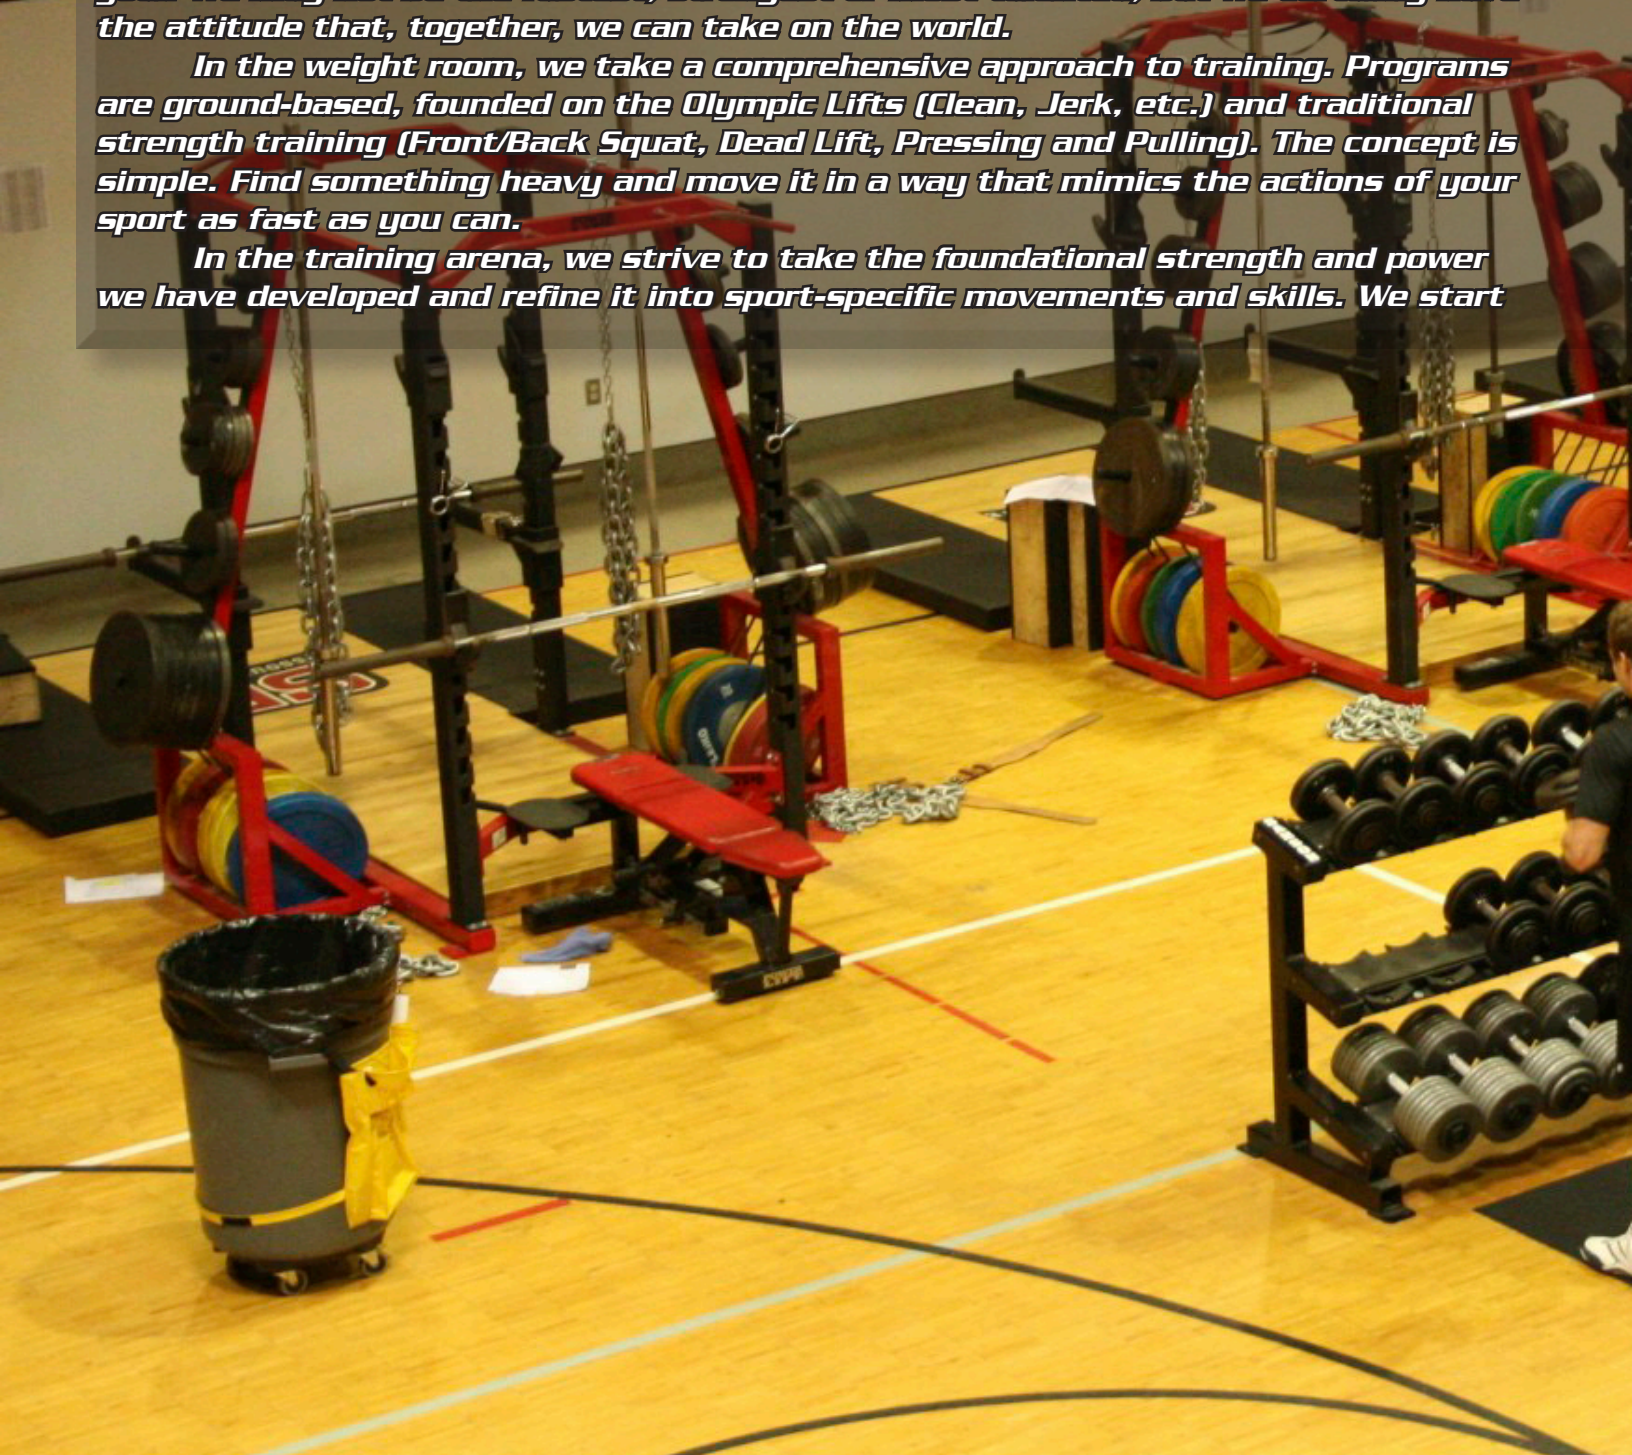

by emphasizing correct motor skill and muscle recruitment patterns in order to maximize athletic potential and minimize the risk of injury. We drill tirelessly on proper movement patterns so that agility and change of direction are razor sharp.

We spend a great deal of time on both explosive movements and body control to develop first step quickness, acceleration/deceleration, balance and coordination. Lastly, we condition our minds and bodies in a way that mimics game simulation.

It is our hope that through the countless lessons learned in sport and competition, we are helping to develop the leaders of tomorrow.

Sports Medicine

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri State University Athletic Training staff strives to fulfill all of those areas when working with the student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the Athletic Training staff. Head Athletic Trainer, Alfred Castillo, directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The Athletic Trainers begin treatments and rehabilitation starting as early as 6:00 a.m., and are available until the last student-athlete is through. There are currently four athletic training facilities on campus. The staff treats out of Rosengarten Athletic Complex, where the primary athletic training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast Athletic Training rooms are equipped with stationary bikes, hand weights, therapeutic modalities, and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and the two hospitals located within Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient health care to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

Success Center

The Redhawks Success Center offers Southeast Missouri State student-athletes a place to study and develop as students and campus leaders.

The Redhawks Success Center is located in Student Recreation Center, just south of Houck Stadium. The facility offers a computer lab with 18 computer work terminals, study areas and rooms for group meetings.

The area is under the guidance of Cindy Gannon, Associate Director of Athletics, with assistance from Director of Academic Services Sharon Burgard and Natalie Williams, and two graduate assistants - Geoff Wester and Israel Kirk.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. During the 2010 fall semester, the Southeast athletic programs combined for a 3.046 grade point average. 13 of the 15 programs recorded a team GPA of 3.0 or better. In all, 175 students earned a 3.0 or better, while 42 students had perfect a perfect 4.0.

The baseball team finished with a 3.276 GPA and 28 out of 35 players finish with a 3.0 or better. Cole Bieser, Jason Blum, Kody Campbell, Brennan Malham and Brett Russell all finished with unblemished averages in the classroom.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress are monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also recieve individualized academic programs which includes meeting with a mentor at least bi-weekly to discuss academic progress.

The Success Center staff also works to get athletes involved in campus and community projects. This is done to provide a support structure and greater opportunity for academic success for student-athletes. Through the NCAA's CHAMPS/Life Skills Program the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

2011 Preview

2011 Preview

If there is one word to describe the 2011 team, it would be experienced. Head Coach Mark Hogan returns 26 players from a squad that broke three individual and six team hitting records. The most explosive offensive team in the history of Southeast Missouri baseball returns nine of the ten positions.

The Redhawks were forced to flip the lineup upside-down after losing four starters for the season to injuries. That meant new players had to step in and fill the void.

When **Trenton Moses** had his season end because of an injury, **Casey Jones** turned in one of the best batting averages in the entire country, hitting .398. When **Nick Harris** hurt his arm warming up, **Blake Slattery** stepped in and hit .311 while earning a team-high 13 stolen bases. When **Taylor Heon** ended his season to an injury, **Tim Rupp** teamed-up with **Kenton Parmley** to turn 51 double plays, becoming one of the most stable middle infield tandems in the conference. Rupp hit .344 with 15 doubles, added eight stolen bases, and committed only nine errors in 218 chances for a fielding percentage of .959. When **Josh Syberg** was forced to miss the entire season before the season started, **Jordan Underwood** gave the Redhawks 72.1 solid innings on the mound, making 15 starts and compiling a 4.11 earned run average.

Coach Hogan, who begins his 17th season at the helm of the program, is confident to use several lineups come this spring. "I am not afraid to play anyone on any given day," said Hogan. "Job security is not a given because of our guys who stepped up last season. The best competition is the one from your own team."

Southeast Missouri is attempting to make the Ohio Valley Conference Tournament for the 17th consecutive season. The Redhawks are also attempting to become the third team in school history to win the OVC Tournament title, and just the second team to win the OVC regular season title.

"On paper, we stack up really well, but that has to translate onto the field," stated Hogan."

Breaking down the 2011 roster, the Redhawks have 15 pitchers, 14 infielders and six out fielders. Hogan added four pitchers, three infielders and one out fielder during the offseason.

Around the Horn

Pitching

During the offseason, Hogan hired former Redhawk and major leaguer Steve Bieser to the coaching staff. Bieser graduated from Southeast in 1989 and played two season in the major leagues. He will take over the pitching staff this spring.

After Kyle Guimeny graduated, the Redhawks will need to replace many victories. He was 8-1 and 5-0 in the OVC.

"As a group, we have a lot of quality starters," said Hogan. "Our biggest task will be early in the season when we put guys in game situations."

Jordan Underwood (Edmond, Okla./Seminole State JC) will move from the number two pitcher in 2010, to the ace of the staff this season. He started in 15 games in 2010, compiling a 4.11 earned run average and a 6-5 record in 72.1 innings of work. Underwood is one of the unique stories in all of baseball. After losing his left eye on a line drive up the middle in April of 2009, Underwood was back on the mound for Southeast in the fall of that same year. He threw all odds out the window and turned in a very impressive season for the Redhawks. He walked only 39 batters, while striking out 56.

Senior **Brad LaBruyere** (Cape Girardeau, Mo. /Cape Central) will be the number two starting pitcher. He pitched in only 14.1 innings last season, striking out 11 batters and compiling an. 11.30 ERA in 12 appearances. He had a very strong summer season for the Plaza Tire Capahas.

Jon Dicus (Rochelle, Ill. / Kankakee CC) is the number three starter. He appeared in 18 games last spring, throwing 30.0 innings and striking out 21 batters.

Logan Mahon (St. Elmo, Ill. / Kaskaskia CC) will round out the starting rotation. He threw in 60.0

Shae Simmons

innings, held opponents to a .283 batting average and struck out 57 batters in 14 starts. He compiled a 6.45 earned run average while posting a 2-3 record.

Kirk Boeller (Cape Girardeau, Mo. /Notre Dame) will be the first out of the bullpen for the Redhawks. He started strong for Southeast last season, earning a 4.15 ERA and striking out 12 batters in 17.2 innings of work.

Shae Simmons (Scott City, Mo. /Scott City) will close games for the second straight season. As a true freshman, he earned Ping!Baseball Freshman All-American 3rd Team honors, Louisville Slugger Freshman All-American Team and OVC Freshman of the Year honors. He had a 3.20 earned run average in 25 appearances, throwing 39.1 in-

nings. He struck out 43 batters and held opponents to a minimal .173 batting average.

The Redhawks have plenty of depth on the mound this season, as **Nick Thomas** (Plano, Texas / McLennan CC), **Trent Wise** (Bentonville, Ark. /Crowder CC), **Jacob Wente** (Steeleville, Ill. / Rend Lake CC), and **Corey Harness** (Spring, Texas /Klein Collins) all saw action last spring.

"We have a lot of experience on the mound this year that should keep us in the hunt in the OVC Championships," stated Hogan.

Coach Bieser will work with four newcomers this spring, all left-handed throwers. **Michael Felling** (Kirkwood, Mo. /Kirkwood) and **Christian Hull** (O'Fallon, Mo. / Ft. Zumwalt West) begin their careers this spring. **Ryan Prickett** (Owasso, Okla. /Ft. Scott CC) joins the Redhawks after spending two seasons at Fort Scott CC.

Catching

Ky Burgess (Broken Arrow, Okla. /Seminole State JC), **Jesse Tierney** (St. Louis, Mo. /Vianney) and **Casey Jones** (St. Louis, Mo. / Forest Park CC) all battle for the starting spot this spring.

"All three are pushing each other for that role, and freshman Dalton Hewitt is a talented young player as well," said Hogan.

Tierney played in 21 games behind the plate, while Burgess played most of his games at first

base. Jones was the starting third baseman when Moses was hurt. Tierney hit .308 with 20 hits in 65 at-bats last season, while Burgess hit .295, with 26 hits in 88 at-bats. Tierney was solid defensively, not making an error in 85 chances.

First Base

"First base is another log-jam with Russell and Campbell," said Hogan.

Brett Russell (Mt. Morris, Ill. / Kankakee CC) played in 23 games at first base last spring, hitting .323 in 133 at-bats. He had six home runs, and drove in 29 runs and also hit two triples.

Kody Campbell (Oran, Mo. / Oran) started 33 games at first base for Southeast Missouri in 2010. He hit .295, with 31 hits in 105 at-bats. He drove in 19 runs and hit seven doubles, while making only seven errors in 239 chances.

Hogan said that Jones commands respect to play first as well. He played in four games at first last season.

Second Base

A great battle to start at second base will come down to the final week of pre-season, as **Tim Rupp** (Florissant, Mo. /Forest Park CC) and **Taylor Heon** (Pacifica, Calif./ Skyline CC) work to make the opening day line-up.

Heon had seven hits in 19 at-bats for a batting average of .368 before

2011 Preview

an injury ended his season just six games into 2010. Rupp came in a started the remaining 50 games, hitting .344 with 65 hits in 189 at-bats. He had 15 doubles, three home runs and drove in 36 runs, while batting eighth in the line-up.

Derek Gibson (Bonne Terre, Mo./North County joins the team after competing on the football team. He will add depth in the infield.

Third Base

Trenton Moses (Advance, Mo. / Advance) is completely recovered from his injury that ended his 2010 campaign just four games into the season. A local product, he played nearly every game since stepping onto the field as a freshman.

Casey Jones (St. Louis, Mo. / Forest Park CC) not only filled-in for the injured Moses last season, he turned in one of the best offensive seasons in the Ohio Valley Conference during 2010. Jones hit over .400 until the last week of the season, ending with a .398 batting average, ripping 82

Kenton Parmley

hits in 206 at-bats. He drove in a team-high 66 runs while hitting 15 doubles and 10 round trippers.

Shortstop

Kenton Parmley (Goreville, Ill./ Goreville) has been a staple at shortstop since day 1. In two seasons, Parmley has started in every game but one. Last season he hit .380, with 90 hits in 237 at-bats. He drove in 42 runs while putting 11 balls out of the park. He

Michael Adamson

was named 2nd Team All-OVC. He and Adamson tried one-upping each other, as the two battled for school records. Parmley and Adamson each hold the school record with 237 at-bats in a season, while Parmley broke the 13-year old school record for runs scored by scoring 67 runs. Parmley and Adamson both broke Kerry Robinson's 15-year old school record for hits in a season when Kenton had 90 hits and Adamson topped him with 92 hits.

"Parmley is everything you want in a shortstop," said Hogan. "He plays solid defense, has great instincts, and his offense just speaks for itself."

"Rupp is also a quality shortstop and I would not sell him short," continued Hogan.

Jason Blum (Ste. Genevieve, Mo. /Valle Catholic) and **Andy Lennington** (Franklin, Tenn./ Brentwood Academy) add depth at shortstop and can also play second base. Blum hit .561 as a senior and garnered first team All-State honors, repeating the honors after hitting .474 as a junior. Lennington was a part of three Tennessee State Championships during his prep years and hit over .340 during those three seasons. He also hit ten home runs in three years.

Left field

Michael Adamson (Freeburg, Ill./ John A. Logan CC) started 55 games in the two-hole last season, leading the Redhawks to one of

the best offensive seasons in school history. Adamson had a school record 92 hits in a school record 237 at-bats in 2010 for an average of .388. He hit 23 doubles, leading the Redhawks to a team record 134 doubles. He also had a team-high three triples and had six home runs. He scored 63 runs, which followed Parmley's school record 67 runs scored, but the two helped Southeast score a school record 452 runs as a team, breaking the previous record of 397 set in 2000.

"Michael is our most consistent hitter," stated Hogan of his 2nd Team All-OVC left fielder. "His senior leadership will help us win some games."

Center field

Blake Slattery (Cape Girardeau, Mo. /Cape Central) played in 53 games after Nick Harris became injured. Slattery burst onto the

Louie Haseltine

scene, hitting .311, with 61 hits in 196 at-bats. He had nine doubles, two triples, six home runs and drove in 41 runs. He stole a team-high 13 bases.

"Blake's performance was not a surprise to us," said Hogan.

"We expected that from him. He brings a lot of speed and some good power to the table."

Nick Harris (Alabaster, Ala. / Thompson) started in one game before injuring his arm in warm-ups. In three seasons, Harris has hit 24 home runs and has stolen 36 bases.

"Harris is a good candidate to play center," said Hogan.

Right field

Louie Haseltine (St. Louis, Mo./ De Smet) will anchor right field this coming spring. He had 51 hits in 212 at-bats for a batting average of .325. He led the team with 17 home runs and has put himself into the career top 10 list for home runs with 28 round trippers in just two seasons. He had 56 RBI and scored 51 runs during 2010. Haseltine was named 2nd Team All-OVC.

Brennan Malham (Auburn, Ill. /Lincoln Land CC) and **Cole Bieser** (Ste. Genevieve, Mo. /Valle Catholic) are both players that could see time in the corner outfield spot. **Jacob Ripp** (Wild-wood, Mo. /Lafayette) is another candidate for an outfield spot.

Designated Hitter

"This is a very interesting position for us," said Hogan. "Our prototype designated hitter would be either Jones or Campbell. It will be a game time decision. Bieser and Malham definitely factor into the decision making as well."

Burgess and Russell split the most time at the DH spot.

2011 Schedule

The Redhawks will open up the 2011 season at Louisiana-Lafayette on February 18.

"Our early trips are designated to get our guys acclimated to the competition," said Hogan.

"Louisiana-Lafayette is a very storied program and good test for our club."

The Redhawks travel to Southeastern Conference member Arkansas late in the season on May 3-4.

"Arkansas is a good fit for both teams because of how it prepares both teams for conference play," continued Hogan. "Not only do we see top notch competition, but a top notch venue."

After earning three first places votes, the Redhawks were predicted to finish second in the pre-season ballot, behind the Jacksonville State Gamecocks. The Redhawks host the Gamecocks April 22-23 in what has been tabbed as the "series of the year" in the Ohio Valley Conference. Southeast swept the 'cocks last season in Jacksonville.

Coaching Staff

MARK HOGAN

HEAD COACH
17TH SEASON
SOUTHEAST MISSOURI, 1977

Mark Hogan is the winningest coach in Southeast Missouri State University baseball history.

Hogan became the program's fourth head coach in 1995, and has since compiled a 469-398-1 record in 16 seasons as the Redhawks skipper.

A native of Cape Girardeau, Hogan enters his 17th year with a total of 864 wins between the NCAA Division I, NCAA Division II and NJCAA Division I ranks.

Southeast has become one of the elite teams in the Ohio Valley Conference under Hogan's watch. Not only have the Redhawks made the OVC Tournament 16-straight years, but they racked up 222 conference victories, one regular-season title (2002) and two OVC Tournament championships (1998, 2002) along the way. Southeast also played in the OVC Tournament title game seven times and made two NCAA Regional appearances. Hogan's clubs have earned 15 or more league wins in eight of his 16 seasons.

Hogan has achieved many milestones throughout his illustrious coaching career. He earned his 850th career victory with a win against Central Arkansas, 13-11, on April 28, 2010. He recorded his 800th victory with an 8-4 win at then-No. 16 Alabama on Feb. 22, 2009. In 2008, Hogan became the first head coach in Southeast baseball history to win 400 games. A year before that, he became the Redhawks all-time winningest coach, surpassing the legendary Joe Uhls. Hogan, who has 29 years of head coaching experience, also became the first in school history to win 30 games in a season, a feat he has accomplished on eight occasions.

In 2002, Hogan led Southeast to a school-record 37 wins and was named the OVC's Coach-of-the-Year.

The Redhawks have enjoyed unprecedented success both on and off the field with Hogan as their coach.

In fact, 12 of his players have earned either OVC Rookie, Player or Pitcher-of-the-Year honors. Hogan has had 39 players be named to the All-OVC First Team, 31 All-OVC Second Team players and six players named to the All-Freshman Team under his tutelage. Hogan has also coached 13 All-Americans, with the most current being catcher Jim Klocke and relief pitcher Shae Simmons. Klocke became Southeast's first draft pick since 2003 when he was selected in the 31th round by the Philadelphia Phillies last June. Simmons was named to the 2010 Ping!Baseball Freshman All-American 3rd Team honors and Louisville Slugger Freshman All-American Team. He was also named Ohio Valley Conference Freshman of the Year and First Team All-OVC.

Academically, the Southeast baseball team recorded a 3.3 grade point average for the 2010 fall semester. In all, 24 players registered at least a 3.0 GPA and six earned a perfect 4.0 during that term. In addition, six Redhawks earned the OVC Medal of Honor, which goes to those student-athletes who achieve the highest GPA in a conference-sponsored sport.

Hogan has encouraged his players to get involved in the community, as well. After Hurricane Katrina hit in 2005, the baseball team organized a clothing drive to help benefit approximately 175 victims who relocated to Kennett, Mo. The Redhawks participated in the homecoming parade with pink bats and hats to promote "Pink Out Cape," to help

with the awareness of breast cancer.

As a player, Hogan transferred to Southeast Missouri State from Mineral Area College. He was a member of Southeast's 1976 baseball team which finished third at the NCAA Division II College World Series. The 1976 squad later became the first baseball team to be inducted into the Southeast Missouri State Athletics Hall of Fame in 2006.

He graduated with a Bachelor of Science degree from Southeast in 1977 and went on to serve as a graduate assistant at Mississippi State in 1978-79.

Hogan then accepted his first head coaching position at Lurleen B. Wallace College in 1982. He went 230-147 in eight seasons at Lurleen and led his 1988 squad to a 38-16 record, AJCAA title and NJCAA Region XXII Championship. In addition, Hogan was named Alabama Junior College Athletics Association Coach-of-the-Year.

In 1990, Hogan moved to the NCAA Division II level. In five years at West Alabama, he registered a 155-110-2 record, won two Gulf South Conference Championships (1992, 1994), one NCAA Division II South Central Region Championship (1992) and finished fifth at the 1992 NCAA Division II College World Series. His colleagues voted him Gulf South and South Central Region Coach-of-the-Year for his efforts.

Hogan resides in Cape Girardeau with his wife, Becky. They have three daughters: Julie, Christie and Betsy. Julie resides in Jackson, Miss., with her husband, Mitch Ogles, daughter, Caroline Mae and son, Chapman Lee Ogles. Chapman Lee is Mark and Becky's first grandchild. Christie and her husband, Billy Puckett, live in Cape Girardeau. Betsy is currently a student at Southeast.

CHRIS CAFALONE

ASSISTANT COACH
FIFTH SEASON
HARDIN-SIMMONS, 1992

Chris Cafalone is in his fifth season as the Redhawks hitting instructor and infield/catchers coach.

Cafalone was hired as an assistant coach at Southeast Missouri State on Aug. 29, 2006 after spending 11 years in various coaching roles.

Southeast set school records in fielding percentage during Cafalone's first two years as infield coach. The Redhawks finished the 2007 season with a .965 mark, before topping that with a .968 percentage in 2008. Southeast also ranked second (2008) and third (2007) in the Ohio Valley Conference in fielding percentage those years.

In 2010, the Redhawks were one of the top offensive teams in the entire nation, holding the seventh highest team batting average at .346. Southeast was 16th in Division I ranks in Slugging Percentage at .539. The Redhawks set new school records in team at-bats (1,973), Runs (452), Hits (683), Doubles (134), RBI's (429) and Total Bases (974). Since Cafalone took over as hitting coach, the Redhawks have improved their batting average by 43 points from .273 in 2007 to .316 in 2009 and even higher with a .346 clip last spring.

Prior to joining the Southeast staff, Cafalone spent five years as a head coach at Onondaga Community College in Syracuse, N.Y., where he led the Lazers to the postseason three times. He coached the Central baseball team in the Empire State Games and mentored two draft picks in Pat Corbin (Supplemental pick of Philadelphia in 2009) and Philip Pohl (46th-round pick of Tampa Bay). Pohl was the 2008 New York High School Player-of-the-Year. Cafalone also lettered as a catcher at Onondaga in 1990.

Before that, Cafalone worked in the same capacity for six years at Barry University, an NCAA Division II institution located in Miami Shores, Fla. He compiled an overall record of 179-144 en route to becoming the Buccaneers all-time winningest coach. Cafalone was named the Sunshine State Conference Coach-of-the-Year in 1998 and 2001, and led Barry to its first-ever NCAA Division II Tournament berth in 1998.

Cafalone was an assistant at Barry for two years before being promoted to head coach in 1995. As an assistant, he worked primarily with the catchers and infielders. Cafalone sculpted a defense which led the nation in double plays that year.

A native of Oswego, N.Y., Cafalone began his coaching career as a graduate assistant at Hardin-Simmons in 1992. He also spent time coaching in the NCAA-sanctioned summer wood bat Northeast Collegiate Baseball League.

Cafalone earned a bachelor's degree in communications from Hardin-Simmons in 1992 and an associate's degree from Onondaga CC in 1990.

He played college baseball at both Onondaga and Utica (N.Y.) College before transferring to Hardin-Simmons, where he played catcher and was a designated hitter. Cafalone was the recipient of the HSU Coaches Award in 1991.

Cafalone has one son, Anthony, who is 13.

STEVE BIESER

ASSISTANT COACH
FIRST SEASON
SOUTHEAST MISSOURI, 1989

Steve Bieser, a native of Ste. Genevieve, Missouri, arrives after a very successful coaching career at St. John Vianney High. In seven seasons at the St. Louis high school, he compiled a 137-51 record, along with two state championships in 2004 and 2006.

In 2009, he took over the Danville Dans of the Prospect League and coached his son Cole, and Jesse Tierney during the summer seasons.

Five of his players have been selected in the First Year Major League Player Draft (1st, 5th, 22st, 22nd, & 42nd rounds). Over 80-percent of his high school players have gone on to play collegiate baseball with 12 playing at the Division I level, four attaining freshmen All-American status and one, former Redhawk Jim Klocke, being named a two-time All-American.

As a player, Bieser graduated from Southeast Missouri State in 1989 and was drafted in the 32nd round of the 1989 June Draft by the Philadelphia Phillies.

On April 1, 1997, he made his Major League debut with the New York Mets. He appeared in 47 games as a utility player that year.

He signed with the Pittsburgh Pirates in 1998, appearing in 13 games. He ended his major league career with a .250 batting average, a .351 on-base percentage and a .300 slugging percentage in 80 major league at-bats.

In 2001 , he ended his professional career as a player for the Memphis Redbirds.

"I'm really excited and can't wait to get to work," said Bieser. "It's great to get back to the place where my baseball career started. This is something I've been considering for a long time and I look forward to this opportunity."

Bieser and his wife, Diahann, have a son (Cole) and three daughters, Whitley (15), Briley (12) and Carley (4).

2010 Season Review

2010 Season Recap

The 2010 team will be remembered as one of the top offensive teams to ever wear a Southeast Missouri State uniform. Head Coach Mark Hogan and his team had 683 hits in 1,973 at-bats for a batting average of .346. The Redhawks had another 30-win season and made it to the Ohio Valley Conference tournament for the 16th consecutive season. The way that the team overcame adversity may be the biggest accomplishment of all.

In game one, the Redhawks traveled to play the University of Auburn on February 19, 2010. Coach Hogan put together a lineup that over powered the Tigers 13-8. Michael Adamson, Jim Klocke and Kenton Parmley all had three hits, and Klocke and Louie Haseltine gave Southeast the first two home runs of a record breaking season.

On the next day, Southeast put up more of the same offensive numbers and battled back in the late innings to send the game into extra innings. Southeast scored three runs in the eighth inning and tied the game with one run in the ninth, but two runs in the top of the tenth inning were not enough to slow down the Tigers offense. Auburn won on a walk-off double in the bottom of the tenth frame.

In the seventh game of the season on March 2 against Saint Louis, the Redhawks had to revamp the lineup. "Our opening day lineup was completely changed by the seventh game of the season

Opening Day Lineup

because we lost four starters to injuries," said coach Hogan. Trenton Moses, Nick Harris, Taylor Heon and Josh Syberg were all done for the season by the time the Redhawks had reached March.

Southeast lost a tough extra inning battle to Southeastern Conference opponent Mississippi State on March 5. The Redhawks and Bulldogs battled back and forth in front of 2,400 fans for 10 innings, but were unable to come out on top. Casey Jones went 3-for-4 in the game and picked up his first career triple.

Freshman Shae Simmons had his coming out party, striking out six Bulldogs in five innings of work, while allowing only two hits and zero earned runs.

The Redhawks shattered records against Morehead State on March 27-28. Southeast hit eight home runs on the 28th to beat the Eagles 15-7. Kenton Parmley, Jim Klocke and Brett Russell each had two home runs in the game and Casey Jones and Michael Adamson added round trippers as well. The day before, Southeast had 23 hits and 21 runs batted in, the highest

single game total of the season.

Against Eastern Kentucky on April 2, Casey Jones was intentionally walked to load the bases with the Redhawks down 4-3 in the bottom of the ninth inning. Junior centerfielder Blake Slattery took the first pitch over the leftfield wall for a walk-off grand slam, giving Southeast a 7-4 win. It was Slattery's first hit in the game.

From March 20-April 11, Southeast hit a home run in 13 consecutive games. The offense had 181 hits in 477 at-bats, hit 38 home runs, 37 doubles and had a slugging percentage of .709. The team averaged almost three doubles and three home runs per game during this stretch, went 10-3, and won seven out of nine conference games.

"We had a lot of guys step up in the clutch for us," stated Hogan about the impressive stat increase. "Rupp, Jones, Tierney, Slattery, Campbell, they all played well when they were given the opportunity."

Head Coach Mark Hogan picked up his 850th career win on April 28, 2010 against Central Arkansas. The Redhawks won the game 13-11.

Southeast qualified for the Ohio Valley Conference Tournament for the 16th consecutive season under Hogan. The Redhawks went into Jackson, Tenn. with a 30-23

record, and a fourth seed in the tournament.

"It is a very gratifying feeling to know that every player I have coached has the opportunity to play for a conference title," said Hogan. "There is no wondering about what-if's, the guys can settle it on the field, and I am most proud of that."

Jordan Underwood got the start on the mound against Eastern Illinois, and went 6.1 strong innings. He gave up three runs on six hits, while striking out four. Southeast led 5-1 after six innings, but four runs in the seventh by the Panthers sent the game into extra innings. Eastern Illinois scored five runs in the top of the tenth inning to send the Redhawks to the losers bracket.

The Redhawks faced off against Murray State in the elimination game and fell 13-9 in another extra inning battle. After facing a 6-0 deficit after only a half inning of play, the Redhawks chipped away at the Murray State lead. Southeast took a 9-8 lead in the bottom of the sixth inning on a RBI single by Slattery. Two home runs in the top of the tenth inning ended the Redhawks season at 30-25.

On the mound, the Redhawks had at least six strikeouts in 38 of the 55 games in 2010. Logan Mahon and Jordan Underwood led the team with 57 and 56 strikeouts, respectively.

Casey Jones took First Team All-OVC honors as a utility player

after hitting over .400 until the last week of the season. He finished as one of the nations top hitters in multiple categories.

Shae Simmons garnered Ping!Baseball Freshman All-American 3rd Team honors and was named to the Louisville Slugger Freshman All-American Team. He was voted Ohio Valley Conference Freshman of the Year, and 1st Team All-OVC after compiling a 3.20 ERA, with 5 saves in 39.1 innings.

Catcher Jim Klocke ended his career with numerous national honors. He was named to the ABCA All-South Region 2nd Team, was one of five players named to the Lowe's Senior CLASS Award All-American First Team, and Ping!Baseball All-American 3rd Team.

Klocke and pitcher Kyle Guimeny are the two key graduates from the 2010 team. Guimeny finished the season with a 8-1 record and a 5.50 earned run average. He threw 75.1 innings and struck out 48, keeping hitters below a .300 average.

Former Redhawks Still In Action

Justin Christian

Christian signed a free agent contract with the Baltimore Orioles in 2008 and appearing in 24 games with the New York Yankees in 2007. In 24 games with the big club, he had six RBI's, three doubles and a .250 batting average. He also stole seven bases for the Yankees. Christian played in AAA for the Yankees and Orioles from 2008-20010 and ended last season with the Scranton/Wilke-Barre Yankees.

Asif Shah

Shah signed with the Normal (Ill.) Cornbelters of the Frontier League in 2010 and hit .316 in 89 games. Shah was a First Team All-OVC utility player in 2007. He led the Redhawks with 50 RBI's while hitting .312. He also had a team-high seven victories on the mound and had six complete games.

Hall of Fame

2002 Inductee

Joe Uhls served as the baseball coach at Southeast from 1960-1984. He totaled a 373-257-5 record. He also served as an assistant basketball coach in the 1960's. The baseball locker room at Houck Field House is named in Uhls honor.

2004 Inductee

Steve Williams played both football as a punter and baseball as a catcher. He led the football team in punting in 1981 and 1983. Williams was an All-America baseball catcher in 1982 and 1983 and played professionally in the Philadelphia Phillies organization. He still holds the All-Time career home run record wth 52 long balls.

2006 Inductees

The 1976 baseball team won the MIAA conference title, the NCAA Midwest Regional title and advanced to the College World Series in Springfield, Ill., finishing third in the nation.

The College World Series team roster included Allan Alberter, Mark Amick, Lawrence Basta, Don Buechting, Bill Criscione, James Dambach, Mark Doerr, Clarence Eisenbach, James Hastings, Mark Hogan, Jeffry Hunt, David Jorn, Vincent Korando, Ralph Kuehn, Bruce Morgan, Bryan Parker, Thomas Smiley, Timothy Smith, Dan Wieser, Mike Wieser and Rick Wieser. The team was coached by the late Joe Uhls who was one of the inaugural inductees into the Southeast Athletic Hall of Fame.

Royal Tibi (1919-23) is believed to be the only athlete at Southeast to earn varsity letters in five sports. He lettered in football, basketball, baseball, track and tennis. An outstanding punter on the football team, he also served as captain of the track team and was described as an outstanding defensive player on the basketball team.

2008 Inductee

Kerry Robinson set many school records while playing in the outfield from 1993-95. He holds the school record with 35 straight games with a hit. After being drafted in the 34th round of the Major League draft Robinson played five seasons in the minor leagues before making his major league debut with the Tampa Bay Rays on September 22, 1998. Robinson played seven seasons in the majors, with three of the seasons as a starter for the St. Louis Cardinals. He ended his career playing in 463 games and compiling 196 hits in 735 at-bats. Robinson committed just four errors in 379 chances in his big league career.

2010 Inductees

Dale Meier established numerous pitching records over his four-year career. He registered a total of 16 wins and three saves and was involved in 51 percent of Southeast's wins during that time. In 1964, Meier had nine victories and one save, and pitched Southeast's first no-hitter of the modern era. A two-time Most Valuable Player (1963, 1964), Meier went on to play professionally for five years in the St. Louis Cardinals organization.

Clarence Bergman, who is deceased, lettered four years in four sports, including football, basketball, baseball and track. He scored the first touchdown in the dedication game at Houck Stadium on Oct. 3, 1930. Bergman was a captain of three teams.

THIS IS THE OVC

Entering its 63rd year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. For only the second time in a decade, the Conference expanded by adding Southern Illinois University Edwardsville as the league's 11th member in 2008. The move expanded the OVC's geographical footprint to the St. Louis market and marked the first change in membership since expanding to the state of Alabama (Jacksonville State, Samford) in 2003.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 62 years, 14 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 20 outright or shared football crowns, including both the 2007 and 2008 championships, as they compiled a 15-1 league record over that time period. Only one other Football Championship Subdivision school (UMass) has won more Conference titles than the Colonels. Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with nine, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns (including the 2009 title) while Jacksonville State, Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, UT Martin (which captured its first crown in 2006) and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former all-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU, a one-school tenure unmatched in all of Division I. Upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 19 FCS playoff appearances are the second for the most all-time (behind only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles (Bubber) Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Current Eastern Illinois head coach Bob Spoo has compiled 88 wins while his program has been a member of the OVC; that currently ranks fifth all-time in league history.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in each of the past four seasons.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-

MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 14 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at Flyer Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three hour drive from Morehead for the game. The Eagles season would come to three days later when they lost to No. 1 overall seed Louisville, despite playing the Cardinals close for a majority of the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championship. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight loses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

Through its 62 years, 12 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 21 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (who won its first in 2008-09) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2010-11 season with 331 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94) and UT Martin's Lester Hudson (2007-08, 2008-09).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft. Hudson became the first draft pick for the league since 2004 and only the third pick of the last decade for the OVC.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 16 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 19 times in the past 29 years. Although Tennessee Tech remains the standard-bearer, four other teams have won 13 of the last 17 OVC Tournaments. Murray State became the latest program to add its name to the list, capturing its first OVC Tournament title in 2008. Austin Peay leads the quartet with seven crowns including four straight from 2000-03 and back-to-back titles in 2009 and 2010, while Tennessee State, Eastern Kentucky and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Eastern Kentucky's Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and EKU, and earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. He finished his career with 480 career victories

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Ger-

Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy and Priscilla Blackford; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; and most recently Murray State's Ashley Hayes who was the OVC Player of the Year in 2007-08 and 2008-09.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 62 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former EKU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC

Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 27 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State was won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) – were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career and was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super

Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Ky. and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tenn. and Pringles Park – the home of the Seattle Mariner's Class AA affiliate – which hosted the event for the first time in 2010 and is under contract to host the 2011 and 2012 championship as well.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehrer who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 192 student-athletes honored with the award, including 25 over the last two years (2008-09, 2009-10).

Through the early years of the league,

administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.
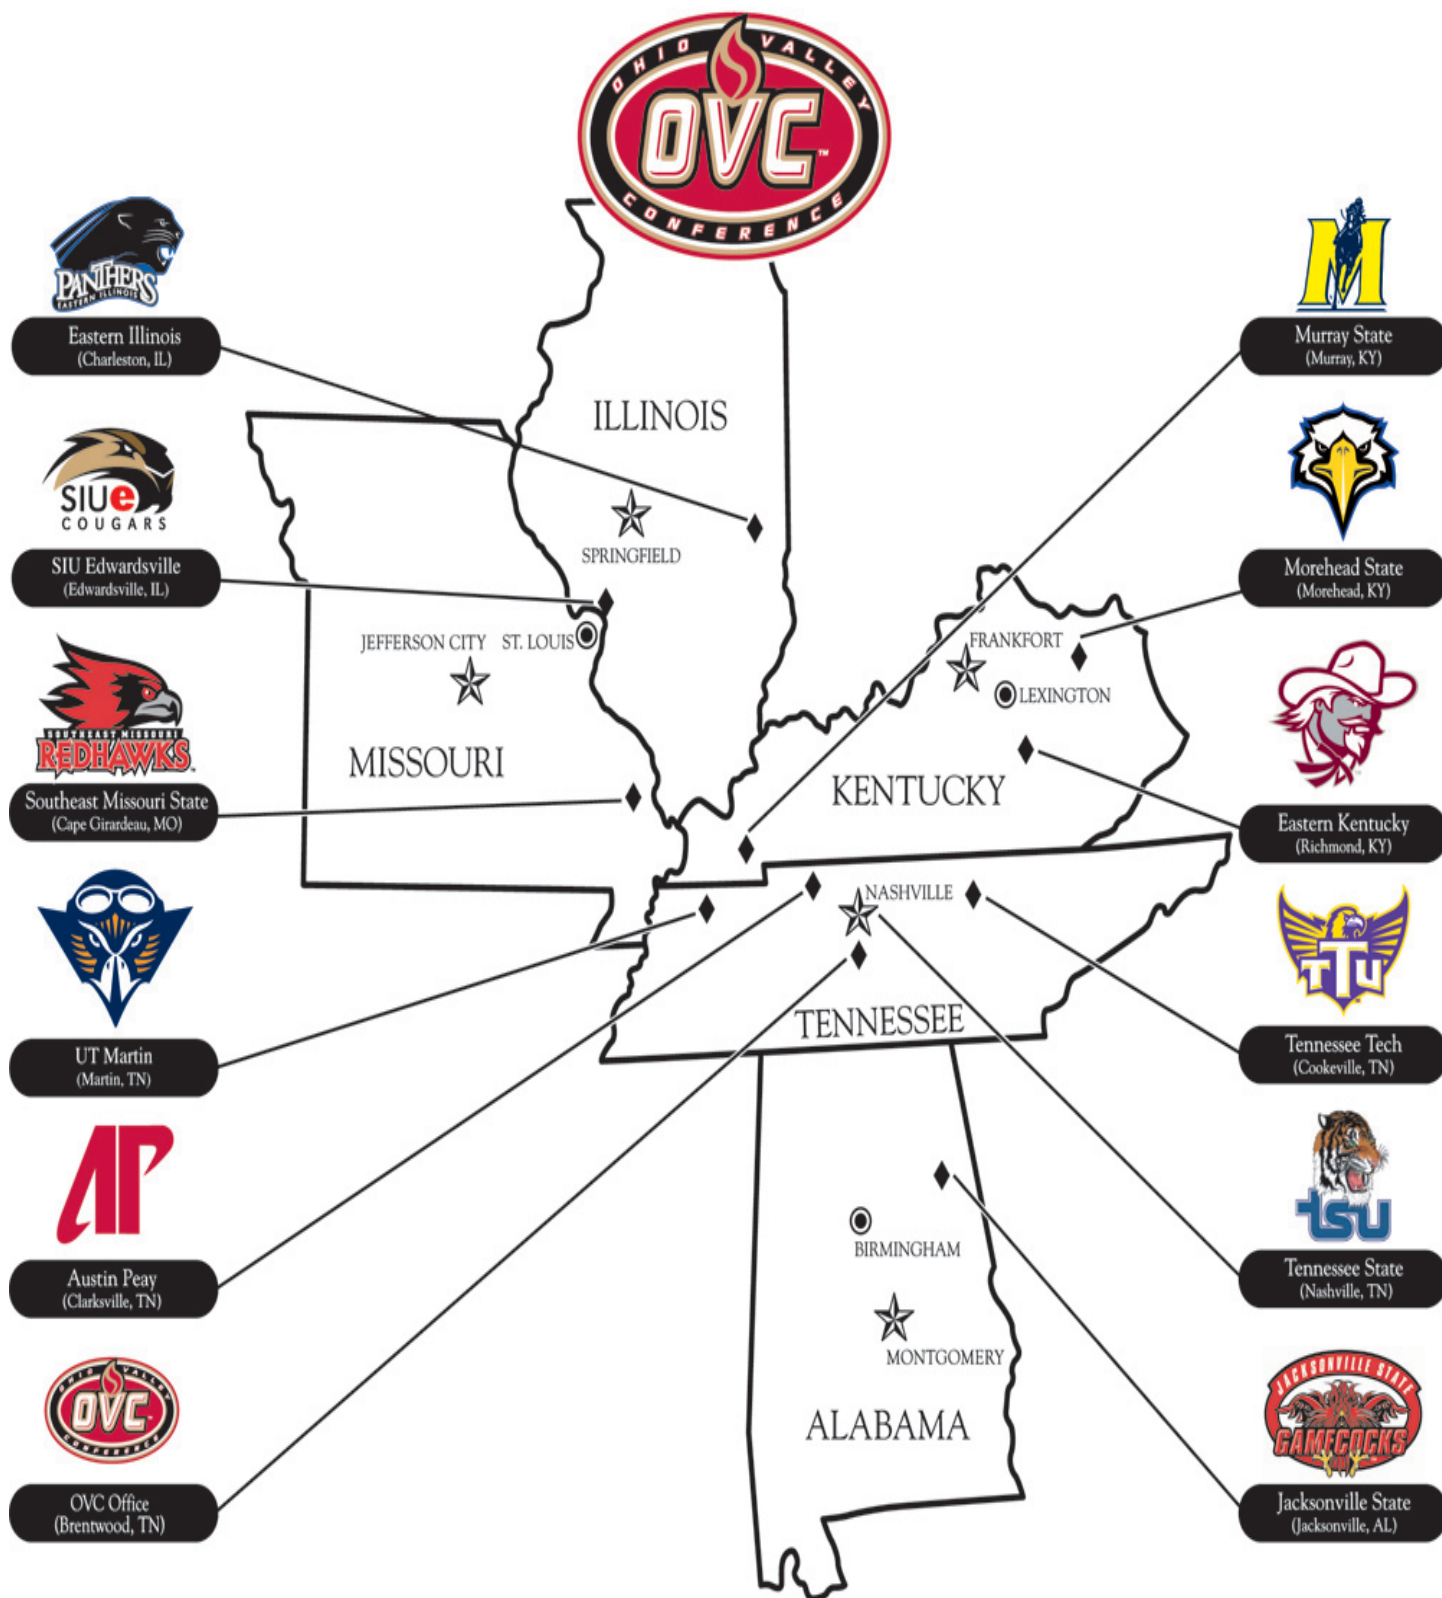

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

President Dr. Kenneth W. Dobbins

D r. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999, after serving in several positions in higher education administration both at Kent State University in Ohio and at Southeast.

During his tenure at Southeast, academic programs have been enhanced, including establishment of a School of Polytechnic Studies and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new $50 million River Campus. The Donald L. Harrison College of Business has been recognized for the last five years by a Princeton Review publication as one of the best business schools in the nation and GetEducated. com, a consumer watchdog group

that reviews and ranks online universities for cost, quality, and credibility has ranked Southeast Missouri State University #1 in the nation for affordability overall for its online MBA. The Department of Industrial and Engineering Technology recently received its initial ABET accreditation.

Enrollment has increased significantly since 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 10,900 in 2009. Record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

An innovation center and business incubator to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; a University Technology Village is being planned on the 400-acre former University farm on Interstate-55 and the Department of Agriculture has relocated the farm to a new site; a comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions; and capital construction projects totaling over $200 million have been completed to expand and modernize the University's physical plant.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities. In 2007, he was selected to serve a three-year term on the American Association of State Colleges

and Universities (AASCU) Board of Directors. In 2008, he was elected Secretary-Treasurer of the organization, and currently serves as chair-elect of AASCU. For the past five years, he has served as one of five faculty members for the AASCU New Presidents' Academy. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcommittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy Scouts of America.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in

higher education administration in 1987 from Kent State. He is also a Certified Public Accountant in Ohio.

From 1981 until 1991, Dr. Dobbins held several positions at Kent State. He came to Southeast in 1991 as Vice President for Finance and Administration, and served as Executive Vice President from July 1993 until his appointment as President six years later.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a new grandson, Lincoln Kenneth Dobbins.

All it takes is five minutes to see how determined John Shafer is to build on the success of the Southeast Missouri State University Athletic Department.

Shafer has been at Southeast a little over a year and a lot of exciting things have happened since he first took over as Director of Athletics on February 1, 2009.

Academics, administration, community service and competition are Shafer's main points of emphasis, and Redhawk athletic programs excel in those areas.

Academically, the Department's grade point average continues to improve. Currently, 55 percent of Southeast's student-athletes have a 3.0 or better grade point average. A total of 21 carry a perfect 4.0 GPA out of 331 student-athletes/spirit groups. Additionally, the Redhawk gymnastics team won its third-consecutive National Academic Team Championship in 2009.

Administratively, Shafer made his first big hire when he announced Dickey Nutt as the Redhawks head men's basketball coach on March 12, 2009. Nutt revitalized the program in his first year at the helm.

Shafer also moved his administrative staff to a new location. The Director of Athletics, ticket, business, compliance, sports information, development and event management offices are now centrally located. These departments were housed in two areas prior to the move.

More importantly, Shafer continues to address the need to control costs, find new ways to generate revenue and re-organize/modernize the Department of Athletics in order to be consistent with the best practices around the Ohio Valley Conference and across the country.

Compliance and facilities are also at the top of Shafer's list.

Shafer is providing more support in the compliance area which has enabled his staff to monitor and help coaches as it relates to following NCAA guidelines. In addition, he is constantly reviewing and monitoring facility upgrades. For instance, a new sound system was recently installed at Houck Stadium.

Shafer's tireless efforts have spread throughout the community, where his athletic teams are always visible.

The volleyball program raised over $12,000 in this year's Dig For Life campaign which assists in the early detection and treatment of breast cancer. The Department of Athletics also helped raise money for the American Red Cross Haiti Relief and Development Fund. In addition, Shafer helped raise over $10,000 for the Southeast Athletics Scholarship Fund at the 2010 Walk for Women's Athletics.

Shafer, 64, has worn many different hats throughout his career in college athletics.

He last served as a Director of Athletics at Eastern Kentucky University in 2003-04. In just one year, Shafer helped EKU establish a new academic record when 188 student-athletes were named Colonel Scholars. EKU also finished second for the Ohio Valley Conference Academic Award, as its men's programs nabbed the league's All-Sports Trophy and its women's teams garnered a share of that award. The Colonels, who won their first All-Sports Trophy since the mid-1990s, won conference titles in women's cross country and softball during that year.

Prior to his tenure at EKU, Shafer held a number of different positions in the Southeastern Conference. He was the Director of Athletics at Mississippi from 1998-02, Senior Associate Athletic Director at the University of Georgia from 1982-98, Assistant Athletic Director for Business at Vanderbilt from 1981-82 and Assistant Business Manager, Football Administrative Assistant and Assistant Baseball Coach at Auburn.

While Shafer was at Ole Miss, the Rebels became the only Division I school in the nation to go to a football bowl game, men's basketball "Sweet Sixteen" and NCAA Baseball Regional in 2001. Shafer began a capital campaign that raised more than $6 million for expansion and renovations to the school's athletic facilities.

At Georgia, Shafer worked under Director of Athletics and legendary football coach Vince Dooley. He coordinated and oversaw all men's and women's conference and NCAA events which the Bulldogs hosted. Shafer also served as the liaison between the Atlanta Olympic Committee and the University of Georgia for the 1996 Summer Olympics. Responsibilities for that position included scheduling, supervising ticket operations, preparing a budget of more than $23 million and managing its entire insurance program.

A native of Alexandria, Va., Shafer earned both his bachelor's degree in health, physical education and recreation, and master's degree in physical education from Auburn. After earning All-SEC honors as a shortstop, Shafer went on to play professional baseball in the Kansas City Royals organization from 1969-70.

Shafer and his wife, Dianne, celebrated their 40th Wedding Anniversary last December. They have a son, Michael, daughter-in-law, Erin, and two granddaughters, Sophie (6) and Sumner (4). Michael, a 1994 graduate and former basketball player at William and Mary, is currently the head women's basketball coach at the University of Richmond.

Across the curriculum, technology enhances learning— in language labs, in the management of stock portfolios, in practicing the latest nursing techniques, in chemistry, in graphic design, in education, in sophisticated science labs and at the new River Campus.

You may chose from more than 200 areas of study and many programs that have additional, prestigious accreditations from national and international organizations. This is important because it means you can study a variety of subjects, choose from numerous majors, and meet people who are pursuing a range of interesting careers. Unlike a liberal arts institution or an engineering school whose mission is very specific, you can stay at Southeast and change your mind about your major or enhance your career potential by adding a double or even a triple major.

With an enrollment of nearly 11,000, our academic programs blend the advantages of a large institution with an emphasis on small class sizes that makes learning interactive and fun. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. ACT scores are up. In addition, the number of students who qualify for (and receive) a Southeast merit scholarship has grown by 44 percent (340 to 490) in the last five years.

The impact on the Honors Program has been dramatic with more students than ever choosing to participate in and to complete the honors curriculum. All of this means that Southeast has become Missouri's most academically competitive public regional university!

U.S.News & WORLD REPORT

U.S. News & World Report (2009 edition) named Southeast as one of the "Best Master's-Granting Colleges" among only 21 other public Midwest universities.

Students say the most important reason they attend college is to get a better job. To prepare you for your career, all Southeast students have two advisors: academic and career.

Building on that combination, we take career preparation to a new level. With proficiency checks in place, we ensure you graduate with the knowledge and skills to land your dream job.

Here's how it works. You first complete a FOCUS assessment to match your interests with your skills and talents. Afterward, you sit down with one of a half-dozen career counselors to discuss your goals and options.

You learn to prepare a resume and cover letter, as well as how to find employers and conduct effective interviews. Later in your program, our team of professionals, including a full-time campus internship coordinator and a career specialist located in St. Louis, helps you identify internships and career opportunities.

Before you know it, you will graduate and earn that first paycheck!

The Bottom Line. Our proactive approach works and has attracted the attention of others in our state and around the country. Our students graduate with confidence and with the tools to start their careers.

Donald L. Harrison College of
Business

Our increasingly popular business programs have made us one of the major colleges of business in the Midwest. The Donald L. Harrison College of Business is accredited by AACSB International—the gold standard of business school accreditation—an honor held by only 10 percent of institutions offering business degrees worldwide.

Unlike many universities, our controlled class size lets you learn from faculty who provide personal attention to make your college career productive. Few universities our size—10,800 students overall—offer you a business program with only 21 students per professor in business classes. You get a virtually private education at a public university price.

The combination of expert faculty, the latest technology and our spacious business building combine to give you the best college experience. Teaching and learning extend beyond desktop computers to anytime, anyplace, anywhere via iPods, laptops and other wireless devices. Class materials are accessed through podcasting/vodcasting in MP3, MP4, RSS or Atom formats, with new technologies developing rapidly. Dempster Hall is a wireless Internet environment.

One hundred percent of our students have the opportunity to participate in internship programs with companies nationwide and are an important part of our curriculum. Active learning occurs throughout your time here. Students work on team projects with local and regional companies, manage a real-life financial portfolio, and visit the New York Stock Exchange or the Chicago Board of Trade, as well as participate in the International Business Study Tour.

College of
Education

For more than a century, Southeast has been preparing and sustaining some of the nation's brightest and best teachers. Moreover, we have a record of accomplishment to prove it. Consider these accolades received over the years:

Our education program is fully accredited by the National Council of Teacher Education (NCATE), which sets the highest standards for teacher education programs nationwide.

The American Association of State Colleges and Universities (AASCU) featured Southeast as one of 20 national model programs.

Our program was accepted into the prestigious Renaissance Group of Institutions.

The American Association of Colleges for Teacher Education (AACTE) presented the college with the "Best Practice Award for Global and International Teacher Education."

Southeast is one of only 33 institutions nationwide selected to be part of the White House Conference on Education, an honor no other Missouri institution has received.

Because you begin assisting and observing in area classrooms starting in your first year, you accumulate more teaching practice and knowledge than graduates from other universities. This approach gives you a distinct advantage in the job market. It also gives you confidence as you step into the classroom for your first job.

You experience a variety of teaching settings culminating with a full semester of student teaching during your senior year—not the traditional 8 or 9 weeks, but 16 full weeks of actual on-the-job training. This experience can be in one of more than 50 countries in Asia, Latin America, Africa, Europe, the South Pacific and the Middle East, or in a Native American school in the United States. Of course, you can request to student teach in your hometown or somewhere nearby.

College of Health and Human Services

College of Liberal Arts

A strength of the College of Health and Human Services is the fact that, although there are diverse academic offerings, all programs potentially lead to a career that significantly and positively impact the lives of individuals and families. The college is comprised of the following academic program areas:

Aerospace Studies is one of three such programs in Missouri. The Southeast Air Force ROTC has received the Air Force Outstanding Unit Award as one of the best ROTC units in the nation.

Communication Disorders provides students with a broad-based theoretical foundation in communication disorders. The graduate program in speech-language pathology is accredited by the Council of Academic Accreditation of the American Speech-Language-Hearing Association.

Criminal Justice and Sociology has an internship program for criminal justice majors which provides students with an opportunity to observe professionals in their fields and with practical job experience. The Sociology Program offers both the bachelor of arts and bachelor of science degrees, as well as minors in sociology and criminology.

Health, Human Performance and Recreation offers a variety of programs that prepare professionals to make an impact on health throughout the lifespan.

Human Environmental Studies offers diverse programs to improve the quality of life of children, individuals and families.

Nursing offers students internships and clinical opportunities that give hands-on experience beginning their junior year. Our program is nationally accredited by the Commission on Collegiate Nursing Education. Social Work prepares students for beginning generalist social work practice. The final semester is spent in field practicum actually working with clients. The Social Work program at Southeast Missouri State University is fully accredited by the Council of Social Work Education.

An education in the liberal arts gives you broad-based training for careers in business, the arts, media, education and the legal profession.

Southeast joined 112 other institutions worldwide in securing prestigious mass communication program accreditation by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC). Only one other institution in Missouri, the University of Missouri-Columbia, has this elite accreditation.

In addition, our public relations program is one of only 20 institutions—none in Missouri—that holds certification by the Public Relations Society of America (PRSA). Only nine other institutions in the world have recognition from both ACEJMC and PRSA for their mass communication program.

Our certified historic preservation program is one of a few U.S. programs that offer a four-year degree. Foreign Languages is recognized by the Association of Departments of Foreign Languages as one of the nation's 30 model programs for foreign language education.

Our pre-law program provides a comprehensive foundation to study law. During the last five years, Southeast's pre-law students have exceeded the national LSAT average score, and their placement rate in law school approaches 100 percent.

If you are a budding author or simply love English, you will be surrounded by a world of writing and publishing when you become part of a campus community of writer-publishers. Anthropology majors explore what it means to be a human in cultures past and present. Philosophy majors contemplate theories of past and present as they build a foundation for non-technical careers or for law school. Surveys indicate oral and communication skills are a high priority for employers in today's workplace. Gain these skills in communication studies and corporate communications through courses in debate, public speaking and interpersonal communication, as well as leadership and team building.

College of
Science and Mathematics

Many of the jobs of tomorrow are yet to be discovered! Faculty and students are at the forefront of new technology, research and solutions to many of the world's health and wealth issues. Astronauts, biologists, chemists, computer scientists, engineers and health care professionals have a bright career outlook.

Personalized study and research are a feature of the biology curriculum. Pre-med is one of our most popular programs. Our curriculum is designed to prepare you for the MCAT (Medical College Admission Test). The results are definitive—our students are accepted to medical school at a rate that is well above the national average.

If you major in chemistry, you benefit from a degree program certified by the American Chemical Society. Southeast students consistently score at or above the 70th percentile on the Major Field Achievement Test in Chemistry.

Computer science and database management are among the most rapidly growing fields of the future, and our graduates enjoyed a 100 percent placement rate over the past five years.

The Department of Mathematics at Southeast, in addition to preparing students for careers in pure and applied mathematics, also offers strong preparation for math-related careers in business, government and teaching.

Our environmental science program is interdisciplinary with areas of emphasis in biology, business, chemistry, environmental health, geoprocessing and soils, and policy and communication.

Our engineering physics program is nationally accredited by the Accrediting Board of Engineering and Technology (ABET), which greatly improves your employment opportunities. ABET is the sole accrediting body of engineering programs

School of
Polytechnic Studies

Earl and Margie Holland School of
Visual and Performing Arts

Southeast's School of Polytechnic Studies offers industrial and agricultural study. The Otto and Della Seabaugh Polytechnic Building features more than 80,000 square feet of classroom and laboratory space, an auditorium with teleconferencing and interactive television capabilities, fully networked computer labs, and an industrial space that serves training and research needs. You will learn with the latest high-tech equipment in 14 laboratories and in classrooms with multimedia instructional technology. A Technology Resource Center promotes interaction with area industries.

Agriculture students have labs such as the beautiful 252-acre David M. Barton Agriculture Research Center, utilizing the latest in row crop research and beef production technology. The 11,000-square-foot climate-controlled Charles L. Hutson Horticulture Greenhouse, a 110-acre rice research station, a new irrigated turf plots facility, a sustainable garden and a modern soil fertility laboratory also help students with hands-on learning.

Southeast's River Campus is Missouri's only separate campus dedicated exclusively to art, dance, music and theatre. Overlooking the Mississippi River, a Cultural Arts Center and transformed Seminary Building are now home to the Earl and Margie Holland School of Visual and Performing Arts.

Five interconnected art studios, two computerized looms and projected digital photography, as well as two presses in the printmaking studio give artists all that's needed for their creativity.

Performing in the Donald C. Bedell Performance Hall matches the standards of great theatres in New York and Chicago. Adjacent scene and costume shops, as well as dressing rooms, allow theatre and dance students to experience the broad world of theatre.

Music students enjoy 11 soundproof music studios and the Robert F. and Gertrude L. Shuck Music Recital Hall, a striking room with world-class acoustics.

Living on Campus

Living on campus is an integral part of the college experience. Students who live in one of Southeast's 13 residence halls eat their meals in one of nine dining areas, study in the lounges or computer labs, and sleep—when there's time!

Southeast's residence halls come in many different styles including community-style, suite-style, group living and apartments. Generally, students share a double room with a roommate. This arrangement gives new students opportunities to meet other students and to get to know the campus. Each floor or wing is staffed with a community advisor who is available to connect you to University resources.

You have many choices about where you will live including suite-style living with a private bath, walk-in closet and laundry facilities on each floor. Your residence has the necessary furniture, but the makeover begins when you make it your own with plants, posters, pictures, etc. Each room has access to long-distance telephone service, voicemail and 24-hour Internet access.

Dining on campus isn't just grabbing fast food and running—it can be a culinary experience! Students living in the residence halls can choose from dining areas open from early morning to midnight. There's always someplace to pick up a bagel, salad or pizza, or it can be an opportunity to enjoy a meal with friends and have a lively discussion about today's psychology lecture.

The University Center, Southeast's campus union, provides space for meetings, food service, a bookstore, computer labs and much, much more.
