Houck Stadium

A re-vamped Houck Stadium will serve as the home of the Southeast Missouri State University women's soccer team in 2011.

This offseason, Houck Stadium underwent a huge makeover, as a new FieldTurf playing surface, state-of-the-art Daktronics video scoreboard and new lighting were installed. The facility was also re-painted, giving the home to Redhawk Soccer a dazzling look.

This year marks Houck Stadium's 81st in existence. Southeast's women's soccer team celebrated the 80-year Anniversary of the facility with a 1-0 victory over Eastern Illinois on Oct. 3, 2010.

When soccer was first introduced at Southeast, the team played its home matches at the Intramural Fields on the north end of campus with hopes of eventually moving to Houck.

On Oct. 10, 1999, Southeast hosted its first home soccer game at Houck Stadium vs. Tennessee Tech. The match marked the beginning of a successful history at the current home of the Redhawks.

Houck Stadium was initially built in 1930 at a cost of \$150,000 and remains a beautiful and

picturesque stadium today.

The dedication game pitted Southeast and Southern Illinois University from nearby Carbondale, Ill., on Oct. 3, 1930. That game attracted a crowd of over 6,000, with SIU claiming a 12-6 victory. The referee of the inaugural game was James T. Blair, who served as the Governor of Missouri from 1957-61.

Houck Stadium was constructed on the site of an old rock quarry and was purchased in 1925 for \$11,000 at the recommendation of then-college President Joseph A. Serena.

Ten thousand bags of Portland Cement, 23,000 feet of Oregon Fir seat lumber and 150,000 feet of Yellow Pine Form lumber were used in the construction, according to an ad in the Houck Stadium dedication program. The original stadium included 5,240 seats on the south side of the field.

The field and stadium were named in honor of Louis Houck, who served 39 years as a Regent for the University and President of the Board for all but three of those years.

Seating on the north side of the stadium was added prior to the 1963 season. The press box was later constructed on the south side in 1979.

Approximately 400 chairback seats were added to a center section on the south side of the stadium in 1992.

In 2000, the initial FieldTurf playing field was added and the exterior of the facility was resurfaced. Improvements were also made to the press box.

More upgrades took place in the fall of 2005. Those included a paved parking area adjacent to the east end zone and new parking and landscaping areas surrounding the outside of the stadium.

A state-of-the-art dormitory was added to the west end of Houck Stadium within the last three years. The ground floor of that building houses a locker room and athletic training room which both the football and soccer programs use on gamedays.

Southeast has experienced great success in more than 10 seasons at Houck Stadium, posting a 50-15-4 record there. The stadium also played host to Southeast's shootout victory over Samford in 2007, which secured the Redhawks second-straight OVC Tournament crown and NCAA Women's Soccer Cup berth.

Sports Medicine

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri State University Athletic Training staff strives to fulfill all of those areas when working with the student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the Athletic Training staff. Head Athletic Trainer, Alfred Castillo, directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through. There are currently four athletic training facilities on campus. The staff treats out

of Rosengarten Athletic Complex, where the primary athletic training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast Athletic Training rooms are equipped with stationary bikes, hand weights, therapeutic modalities, and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and the two hospitals located within Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the

best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Professional Practice. Our high quality of athletic healthcare is provided in combination with the education of athletic training students.

The Southeast Athletic Training staff is under the direction of Alfred Castillo. Castillo and his staff serve student-athletes at a variety of facilities on campus.

REDHAWKS SOCCER

Strength and Conditioning

We are very proud of the tradition of excellence we are building here at Southeast Missouri State University and demand a lot from our student-athletes.

Honesty, integrity, unrelenting effort and attention to detail are the pillars of our training program. Simply put, our goal is to outwork every opponent we go up against, and learn to rely on one another to achieve a common goal. We may not be the fastest, strongest or most talented, but we certainly have the attitude that, together, we can take on the world.

In the weight room, we take a comprehensive approach to training. Programs are ground-based, founded on the Olympic Lifts (Clean, Jerk, etc.) and traditional strength training (Front/Back Squat, Dead Lift, Pressing and Pulling). The concept is simple. Find

something heavy and move it in a way that mimics the actions of your sport as fast as you can.

In the training arena, we strive to take the foundational strength and power we have developed and refine it into sport-specific movements and skills. We start by emphasizing correct motor skill and muscle recruitment patterns in order to maximize athletic potential and minimize the risk of injury. We drill tirelessly on proper movement patterns so that agility and change of direction are razor sharp.

We spend a great deal of time on both explosive movements and body control to develop first step quickness, acceleration/deceleration, balance and coordination. Lastly, we condition our minds and bodies in a way that mimics game simulation.

It is our hope that through the countless lessons learned in sport and competition, we are helping to develop the leaders of tomorrow.

REDHAWKS SOCCER

Success Center

The Redhawk Success Center offers Southeast Missouri State student-athletes a place to study and develop as students and campus leaders.

The Redhawk Success Center is located in the Student Recreation Center, just south of Houck Stadium. The facility offers a computer lab with 18 computer work terminals, study areas and rooms for group meetings.

The area is under the guidance of Interim Associate Director of Athletics Brady Barke, with assistance from Director of Academic Services Sharon Burgard, Assistant Natalie Williams and Graduate Assistants Kelly Benacka and Israel Kirk.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. During the 2010 fall semester, the Southeast athletic programs combined for a 3.09 grade point

average, its highest for a fall term. Eleven of the Redhawks 15 programs recorded a team GPA of 3.0 or better. In all, 186 student-athletes recorded at least a 3.0 GPA. Of that group, 23 finished the fall term with a perfect 4.0.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress are monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor at least

bi-weekly to discuss academic progress.

The Success Center staff also works to get athletes involved in campus and community projects. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

REDHAWKS SOCCER

Mission Statement

The Southeast Missouri State University Department of Athletics recognizes the University's responsibility for the advancement and transmission of knowledge and the preparation of leaders in all segments of society.

The Department of Athletics supports the educational objectives, academic progress and general welfare of student-athletes.

It offers assistance and encouragement for student-athletes to maintain appropriate academic progress and to achieve their individual educational goals.

It provides an atmosphere which supports equitable opportunity for all students and staff, including women and minorities. The Department of Athletics offers student-athletes opportunities to excel in their particular sport, while embracing the NCAA's principles of sportsmanship and ethical conduct.

SEASON PREVIEW**

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS SOCCER

SEASON OUTLOOK

In 2011, Southeast Missouri will have its biggest roster in 13 years under head coach Heather Nelson.

Southeast, which was ranked second in the Ohio Valley Conference Preseason Poll, has 24 players on this year's team. The Redhawks also return all but one starter from the 2010 squad, which advanced to the semifinals of the OVC Tournament.

The Redhawks have 18 returnees and six newcomers to form a team that Nelson believes will be tough to score against this season.

"We have a very mature defensive line and I think we will be a difficult team to score on," said Nelson. "There is a lot of talent and experience, and it will be interesting to see how this team comes together on a game-by-game basis."

Southeast returns three of its top four scorers from last season, including Courtney Luehmann,

Stephanie Palmer and Lauren Bozesky. Luehmann, Palmer and Bozesky combined for nine goals, eight assists and 28 points, accounting for nearly 40 percent of the Redhawks scoring output.

Ashton Aubuchon is also back in goal for Southeast. Aubuchon was named to the OVC All-Newcomer Team in her rookie campaign.

University of Missouri transfer Jessie Crabtree will be an added bonus for the Redhawks.

Crabtree, who was teammates with Palmer at Marion High School, enters her final year of eligibility after spending the last three seasons with the Tigers.

Here is a positional breakdown of the 2011 Southeast Missouri women's soccer team:

Goalkeeper

Sophomore **Ashton Aubuchon (Florissant, Mo.)** will look to resume her role as starting goal-

keeper this season.

Aubuchon, who started 15 games, led the Redhawks and ranked ninth in the OVC with 54 saves last season. In addition, she ranked third in the conference in shutouts (6) and fifth in goals against average (1.23).

Sophomore **Jessica Grindstaff (Lee's Summit, Mo.)** and freshman **Abby Jordan (Winfield, Mo.)** are the other goalkeepers.

Grindstaff started two of her three appearances in goal a year ago. She recorded 11 saves, including a season-high seven vs. Quincy (10/27).

Jordan joins the Redhawks from Winfield High School, where she was a First-Team All-State selection. She collected more than 1,000 saves in her prep career.

Defender

Seniors **Shona Goodwin (Calgary, Alberta)** and **Nikki Edwards (Calgary, Alberta)**, and juniors **Haley Abbott (Narooma, Australia)** and **Meg Herndon (Fenton, Mo.)** headline the defenders.

Goodwin, Edwards and Abbott are all back after starting every game for the Redhawks last season.

Goodwin ranked second on the team in minutes played, logging 90 or more minutes in 12 of her 18 starts.

Edwards was named to the honorable mention NSCAA Scholar-Athlete All-Region Team.

Abbott was a First-Team All-OVC selection for the second-straight year in 2010. She led the Redhawks with 1,672 minutes. Abbott also had eight shots, including two on goal.

Herndon had four shots and one goal in 16 games and 12 starts in 2010.

Sophomores **Rachel Compton**

(Edwardsville, Ill.) and **Chelsea Ballard (Florissant, Mo.)** will challenge.

Ballard played in 12 games, while Compton saw action in eight contests.

Freshman **Ellie Hight (Bakersfield, Calif.)** adds depth to the defense.

Hight was a four-year starter at Liberty High School. She earned First-Team All-Conference honors during her prep campaign, as well.

Midfielder

Southeast led the OVC in assists per game (1.33) and tied for second in assists (24) a year ago.

Half of the Redhawks assists came from the midfielders.

Returning starters **Lauren Bozesky (St. Louis, Mo.)**, **Ali Bauer (St. Charles, Mo.)** and **Courtney Luehmann (Charleston, Mo.)** highlight the position.

Bozesky made the OVC All-Newcomer Team after ranking among the Top-10 league leaders in shots (t8th, 40), shots per game (t7th, 2.22), assists (t2nd, 6) and assists per game (3rd, 0.33) last season. She also added a team-high 10 shots on goal and was among Southeast's top leaders in minutes played.

Bauer scored three points on one goal and one assists over 16 starts. She ranked third on the team with eight shots on goal.

A First-Team All-OVC pick, Luehmann tied for second on the team in scoring with 10 points last season. Additionally, Luehmann led the Redhawks with three game-winning goals, tying for third in the OVC in that category.

Senior **Vanessa Hart (Dubbo, Australia)** also returns to give the Redhawks an even bigger lift.

Hart missed the entire 2010

ASHTON AUBUCHON

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS SOCCER

SEASON OUTLOOK

season with a knee injury. Hart tied for fourth on the team in scoring in 2009.

Taylor Byrd (Columbia, Ill.) also has starting experience.

Byrd tied for sixth on the team with 17 shots, and scored two points on two assists in 11 starts a year ago.

Senior **Taylor Thomas (Fenton, Mo.)**, junior **Sarah Uptmor (Cape Girardeau, Mo.)**, sophomore **Amy Ward (Florissant, Mo.)** and freshman **Torey Byrd (Columbia, Ill.)** are the rest of the midfielders.

Thomas played in 13 games last season. She had two shots and one assist.

Uptmor started in the spring season, while Ward scored two goals in 10 contests a year ago.

Byrd was a four-year starter who garnered First-Team All-Metro honors as a prep at Columbia High School. Torey is the younger sister of Taylor Byrd.

Forward

Sophomore **Stephanie Palmer (Marion, Ill.)** is the top scorer back at the forward spot this season.

An OVC All-Newcomer pick, Palmer tied for second on the team with 10 points in 18 games and 11 starts. She ranked third on the team in goals (4) and tied for third in assists (2). Palmer had 17 shots, including seven on goal.

Missouri transfer **Jessie Crabtree (Marion, Ill.)** will enhance the Redhawks frontline this season.

Crabtree spent the last three seasons with the Tigers. She played a total of 60 games and made 25 starts at Mizzou. Her most productive season was in 2009, where she scored five goals and had one assist for 11 points. In addition, Crabtree was part of the 2008 and 2009 Big 12 Champion-

ship squads.

Sophomore **Jacey Boyko (O'Fallon, Mo.)** and freshmen **Erin Shulman (Bloomington, Ill.)** and **Kasey Crowden (Jackson, Mo.)** round out the forwards.

Boyko played in all 18 games and made four starts last season. She took 14 shots, five of which came over her first two games of the season.

Shulman was a three-time *Bloomington Pantagraph* Intercity Player of the Year. She attended Normal Community High School, where she garnered All-State honors twice in her career. Shulman was a four-time Big 12 Conference selection, as well.

Crowden was a Second-Team Class 3 All-State pick at nearby Jackson High School.

2011 Schedule

Southeast will play an 18-game schedule in 2011.

The Redhawks open the year with eight of their first nine games on the road.

Southeast kicks off the 2011 campaign at Illinois State (Aug. 19) and then heads to Iowa (Aug. 21).

The Hawkeyes finished last in the Big Ten Conference with an overall 8-9-3 record and 1-7-2 league mark in 2010.

Other notable non-conference opponents include Iowa State (Oct. 16), Butler (Sept. 9) and Kentucky (Sept. 11).

Southeast plays seven home games this year, with its home-opener vs. Arkansas State scheduled for Aug. 28.

The Redhawks also host Eastern Illinois (Sept. 30), SIU Edwardsville (Oct. 2), Iowa State, UT Martin (Oct. 21), Jacksonville State (Oct. 28) and Tennessee Tech (Oct. 30) this season.

Southeast will play a nine-game

OVC schedule this year since SIU Edwardsville is now eligible to compete for the league title.

The Redhawks open conference play at Austin Peay on Sept. 23.

2011 OVC Preseason Poll

Southeast was rated second in the 2011 OVC Preseason Poll on Aug. 4.

The Redhawks received one first-place vote and 134 points in the overall voting by the league's head coaches and sports information directors.

Southeast went 8-9-1 overall and 4-3-1 in the OVC to finish tied for second in the conference standings last season. The Redhawks made their 10th OVC Tournament appearance.

Morehead State was tabbed this year's favorite, followed by Southeast, Austin Peay, Murray State, UT Martin, Eastern Kentucky, Eastern Illinois, SIUE, Tennessee Tech and Jacksonville State.

» HEAD COACH » 13TH SEASON » SASKATCHEWAN, 1992

Heather Nelson is in her 13th season as head coach of the Southeast Missouri soccer program.

Since building the program from scratch in 1999, Nelson has reeled off nine winning seasons and has compiled a 118-72-25 record at Southeast.

She led the Redhawks to three Ohio Valley Conference regular-season championships (2001, 2002, 2007) and a pair of OVC

Tournament crowns (2006, 2007). Nelson also led Southeast to NCAA Women's Soccer Cup appearances in 2006 and 2007.

After the program's inaugural season in 1999, Nelson guided Southeast to 10 wins the next year.

She followed that up with back-to-back OVC regular-season championships (2001, 2002), which saw the Redhawks go undefeated in conference play during each of those years.

In 2001, Southeast stormed onto the scene when it went 16-2 overall and 5-0 in league play. The Redhawks posted a .889 winning percentage, which currently stands as the best in school history.

That team, which claimed the program's first-ever OVC title, led the nation in goals allowed average (0.44) and shutout percentage (0.72). The Redhawks allowed only eight goals in a total of 18 games. Not to mention, Southeast also ranked 10th in the nation with 2.67 points per game. The Redhawks set conference records for wins in a season and goals allowed (zero in OVC games only), as well.

Southeast repeated as the league's regular-season champion in 2002. The Redhawks posted an overall record of 14-5-1 and 6-0-0 in conference play, while leading the league in shots, goals allowed, goals against and shutouts.

Nine players earned All-OVC honors from the 2002 squad, including Valerie Henderson and Jenny Hamilton, who were named OVC Player and Defender of the Year, respectively.

Southeast knocked off top-seeded Samford and shutout Morehead State in the OVC Tournament finals to secure its first NCAA Tournament berth in 2006.

The Redhawks drew nationally-ranked Illinois in their first NCAA Tournament game and stifled the Illini offense for much of the first period, before falling by a score of 2-0.

Southeast returned to postseason play against in-state rival Missouri in 2007. The Redhawks made history in the 43rd minute when Courtney Alexander scored the program's first goal in an NCAA Tournament. Southeast would lose to the Tigers

in a shootout.

Nelson earned her third OVC Coach of the Year honor in 2007, marking the most of any women's soccer coach in league history. The Redhawks swept the OVC postseason awards that year.

In her 12 seasons at Southeast, Nelson has coached three OVC Players of the Year, four OVC Defensive Players of the Year and one OVC Freshman of the Year. Additionally, Nelson has coached 61 players which have earned either OVC First-Team, Second-Team, Third-Team, Honorable Mention or All-Newcomer accolades since 1999.

Nelson's teams have also performed extremely well in the classroom. Her student-athletes have earned CoSIDA/ESPN the Magazine Academic All-District VII honors on seven occasions. She has also coached 21 OVC Medal of Honor recipients. Nelson's 2010 team won the National Soccer Coaches Association of America (NSCAA) Academic Award with a 3.21 grade point average.

Prior to building the Redhawks soccer program, Nelson coached at Florida State from 1995-98, helping lay the foundation for the Seminoles in an extremely competitive Atlantic Coast Conference. Nelson's 1996 and 1997 FSU teams finished with the ACC's second-highest GPA.

Nelson coached the 1986 age group Missouri Olympic Development Program (ODP) team to the 2003 Midwest Region II Championship and represented Region II at the 2004 ODP National Championship.

A former member of Canada's national team pool, Nelson was a four-year starter at the University of Saskatchewan. After earning her Physical Education degree in 1992, Nelson went on to get her "B" license and coaching diploma at the National Coaching Institute at the University of Victoria in 1993. At the time, Nelson held the distinction of being one of only five Canadian female coaches qualified to coach at the national team level.

Nelson, and her husband, Paul, have four children, Jordan (14), Taylor (10), Justi (6) and Chase (3).

» ASSOCIATE HEAD COACH » 13TH SEASON

Paul Nelson enters his 13th season with the Southeast Missouri soccer program and his fifth as the team's associate head coach.

Nelson has drawn on his extensive playing and coaching experience from every level -- juniors to professional -- providing plenty of valuable guidance along the way.

He helped lead the Redhawks to Ohio Valley Conference regular-season

championships in 2001, 2002 and 2007. Southeast also registered back-to-back OVC Tournament titles and NCAA Women's Soccer Cup appearances in 2006 and 2007.

Prior to Southeast, Nelson spent four seasons as an assistant coach at Florida State and two years at the Canadian western-based National Training Center. In addition, he was an assistant coach for Canada's Olympic team in 1994.

Nelson first entered the professional ranks in 1977 and enjoyed 13 competitive seasons at that level. He played in the once-heralded North American Soccer League (NASL) during both the indoor and outdoor seasons, and

competed in the Irish Premier Division. Nelson signed with the NASL's Vancouver Whitecaps at the age of 18, where he had the opportunity to play with and against some of the best players in the world, including Pele, Beckenbauer and Cryuff.

As a staff coach for British Columbia Soccer, Nelson boasted one of the best amateur soccer coaching records in Canada. His coaching successes have included two gold medals, the first in the 1991 Western Canadian Championships and the second in the 1993 Canada Games.

In 1999, Nelson served as coach of the American Soccer League's Vancouver 86ers reserve team.

» ASSISTANT COACH » FOURTH SEASON » SOUTHEAST MISSOURI, 2008

Lindsay Pickering sets to begin her fourth season as an assistant coach for the Southeast Missouri women's soccer team.

Pickering, who was a three-year starting goalkeeper at Southeast, works with that position. She also assists with several administrative responsibilities, including travel, recruiting and academic progress.

In 2009, Pickering led the Redhawk goalkeep-

ers to a 0.84 goals against average. That mark ranked second in the Ohio Valley Conference and 55th in the nation.

Pickering was a two-time OVC Defensive Player of the Year and First-Team All-Conference selection (2005, 2007). In addition, she earned Second-Team All-OVC honors in 2006.

She finished her playing career ranked first at Southeast in career shutouts (28), wins (34), goals against average (0.72), saves (228), games in goal (58) and time in goal (5236:05).

Pickering garnered additional coaching experience as the goalkeeping trainer for the Southeast

Missouri Soccer Club. Additionally, she worked as a student assistant with the Redhawks during the 2008 spring semester.

A native of St. Charles, Mo., Pickering was also a four-year starting center fielder for Southeast's softball team. She earned Second-Team All-OVC honors in 2006 and made the league's All-Tournament Team twice.

Pickering, a former Southeast Scholar-Athlete and OVC Commissioner's Honor Roll honoree, graduated from Southeast with a Bachelor of Science degree in Elementary Education and concentration in Physical Education in December, 2008.

THIS IS SOUTHEAST

SOUTHEAST MISSOURI

*The college experience of a lifetime. The job of your dreams.
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.

2009—InsideCollege.com experts single out our honors program as an effective way to make a large school seem smaller with a more personal approach to learning.

2010—Computer science receives prestigious national accreditation.

**Safest
Campus
in Missouri**

StateUniversity.com

2010—Consumer watchdog group GetEducated.com ranks Southeast #1 on its list of "Top 10 Ranked Best Values Online MBAs—AACSB Accredited."

2010—Southeast is named the safest campus in Missouri and among the safest in the nation by StateUniversity.com.

STATE UNIVERSITY

We have...

- ▶ Small classes with 98 percent of courses having fewer than 50 students
- ▶ Faculty with PhDs—not teaching assistants—who teach most classes
- ▶ More than 200 areas of study
- ▶ Wired (and wireless) classrooms and best-of-class technology
- ▶ Internships and real-world learning offered in 100 percent of programs
- ▶ Study abroad opportunities that take you almost anywhere

We are...

- ▶ NCAA Division I Athletics
- ▶ Listed among the Midwest's top universities
- ▶ One of the safest college campuses in the nation
- ▶ Conveniently located 115 miles south of St. Louis
- ▶ A medium-sized university with more than 11,000 students
- ▶ Comprised of ten colleges and schools

We provide...

- ▶ Choices in the University Studies (general education) classes
- ▶ Some of the newest residence halls in Missouri
- ▶ 150 organizations that keep you busy after class
- ▶ Each student with two advisors—academic and career
- ▶ Fraternities and sororities that are productive and fun
- ▶ One of a kind student aquatic center in one of our two recreation centers

2011—U.S. News & World Report names Southeast a "Best Midwest Regional University."

2011—For seven consecutive years, Princeton Review includes Harrison College of Business on its list of "Best Business Schools."

2011—Princeton Review again names Southeast as one of the "Best in the Midwest," representing only about 25 percent of the nation's four-year colleges.

2012—U.S. News & World Report lists both nursing and communication disorders on its list of top graduate programs in health.

SOUTHEAST MISSOURI

Donald L. Harrison College of Business

Our increasingly popular business programs have made us one of the major colleges of business in the Midwest. The Donald L. Harrison College of Business is accredited by AACSB International—the gold standard of business school accreditation—an honor held by only 5 percent of institutions offering business degrees worldwide.

- ▶ Employers and students value our techno-savvy environment. In a recent survey of 98 nationally known business programs, Southeast ranked in the top 7 percent in learning to use and manage technology.
- ▶ Our entrepreneurial studies program is Missouri's most comprehensive, offering options for both BSBA and MBA degrees. The Douglas C. Greene Center for Innovation and Entrepreneurship is one of the most comprehensive entrepreneurship-focused university centers in the Midwest.
- ▶ Southeast students have access to more than 30 international exchange and study abroad opportunities in London, Paris, Spain, Portugal and North Africa.
- ▶ One hundred percent of our students have the opportunity to participate in internship programs with companies nationwide.
- ▶ Doctoral level professors make learning interactive with classrooms that have Internet, cable TV, direct satellite feed and electronic presentation capability.
- ▶ St. Louis employers rate the "St. Louis Interview Days" as the best recruiting event in which they participate in the Midwest.
- ▶ Our accounting curriculum prepares students for the Certified Public Accountant (CPA) and Certified Internal Auditor (CIA) designations. Students may go to work directly into an accounting field or go on to complete the 150 hours required by Missouri, and other states, to sit for the CPA examination. Our first-time pass rates on the CPA exam continue to be well above the national average.
- ▶ Business programs are housed in Dempster Hall, a wireless Internet environment featuring an electronic presentation lab and more than 400 networked computers with the latest software.

College of Education

If you are considering teaching as a profession, you are looking at the right university. For more than a century, Southeast has been preparing and sustaining some of the nation's brightest and best teachers. Moreover, we have a record of accomplishment to prove it.

- ▶ Most importantly, our education program is fully accredited by the National Council of Teacher Education (NCATE), which sets the highest standards for teacher education programs nationwide.
- ▶ In the 2010 reaccreditation process, 12 of the 13 specialty professional association reports submitted by the College of Education received national recognition, and four are being used as examples of best practices in education nationwide.
- ▶ Because you begin assisting and observing in area classrooms starting in your first year, you accumulate more teaching practice and knowledge than graduates from other universities.
- ▶ The American Association of State Colleges and Universities (AASCU) featured Southeast as one of 20 national model programs.
- ▶ The American Association of Colleges for Teacher Education (AACTE) presented the college with the "Best Practice Award for Global and International Teacher Education."
- ▶ Southeast is one of only 33 institutions nationwide selected to be part of the White House Conference on Education, an honor no other Missouri institution has received.
- ▶ Our program was accepted into the prestigious Renaissance Group of Institutions.

STATE UNIVERSITY

College of Health and Human Services

Although there are diverse academic offerings in the College of Health and Human Services, all programs potentially lead to a career that significantly and positively impact the lives of individuals and families.

- ▶ Students in our nationally accredited nursing program consistently have a high pass rate on the state licensing exam and routinely enjoy a 100 percent placement rate after graduation.
- ▶ The recreation program is accredited by the Council on Accreditation for Recreation, Park Resources and Leisure Services.
- ▶ Our sport management program is one of 53 nationwide approved by the Sport Management Review Council and one of only a few in the Midwest.
- ▶ Students can participate in one of three state licensed centers—one for senior adults, a child enrichment center and our center for disabled adults.
- ▶ Air Force ROTC Juniors and seniors can join the Professional Officer Corps, which allows you to assume commanding positions over members of the General Military Cadets.
- ▶ Our nationally accredited social work program requires students to complete 448 hours of field education under the supervision of experienced social workers.
- ▶ Southeast has a strong connection with the Law Enforcement Academy and has more than 30 years of partnerships in all branches of criminal justice at the federal, state and local levels. Our students intern with the U.S. Marshals Service; the ATF; the U.S. Secret Service; Federal Probation; Missouri Division of Probation and Parole; Missouri Youth Services and other law enforcement agencies.
- ▶ The dietetics program is accredited by the Commission on Accreditation for Dietetics Education and the American Dietetic Association. Our graduates have a success rate of nearly 100 percent on the national exam to become a registered dietitian.

College of Liberal Arts

An education in the liberal arts gives you broad-based training for careers in business, the arts, media, education and the legal profession.

- ▶ Southeast's mass communication program is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC). Only one other institution in Missouri has this elite accreditation. Our public relations program is one of only 28 institutions—none in Missouri—that holds certification by the Public Relations Society of America (PRSA). Only 12 other institutions in the world have recognition from both ACEJMC and PRSA for their mass communication program.
- ▶ Students can work at two campus radio stations (NPR affiliate KRCU 90.9 FM and KDMC 103.7), the *Arrow* student newspaper and "U2" cable television station.
- ▶ Our certified historic preservation program is one of a few U.S. programs that offer a four-year degree and is among a small number to have full membership in the National Council for Preservation of Education.
- ▶ During the last five years, Southeast's pre-law students have exceeded the national LSAT average score, and their placement rate in law school approaches 100 percent.
- ▶ Students majoring in philosophy have a 100 percent acceptance rate to graduate and law school.
- ▶ Our students make politics come alive by working on political campaigns and by serving as interns. Each year approximately 30 students from a variety of majors around the University travel to Washington, D.C. to conference with some of the nation's top scholars at the Center for Strategic and International Studies.

SOUTHEAST MISSOURI

College of

Science and Mathematics

The foundation of success in Southeast's College of Science and Mathematics is a faculty of teacher-scholars supported by well equipped laboratories and the latest technology, which offer our students personalized study and research opportunities during their undergraduate studies.

- ▶ Our popular computer science bachelor's program is nationally accredited by the Computing Accreditation Commission of the Accreditation Board of Engineering Technology.
- ▶ Our popular marine biology program is one of the only inland programs in the U. S., creating an opportunity for students to combine a traditional college experience with the study of marine life because of our collaboration with the Gulf Coast Research Laboratory in Ocean Springs, Miss.
- ▶ Southeast's pre-med curriculum prepares students for the MCAT (Medical College Admission Test). Our students are accepted to medical school at a rate that is well above the national average.
- ▶ Our chemistry graduates consistently score at or above the 70th percentile on the Major Field Achievement Test in Chemistry.
- ▶ Our engineering physics program is nationally accredited by the Accrediting Board of Engineering and Technology (ABET), the sole accrediting body of engineering programs. Southeast is one of only 20 similarly named engineering programs nationwide with this accreditation.

Graduates in
science and mathematics
enjoy a nearly
100%
placement rate.

School of

Polytechnic Studies

Today's industrial and agricultural environment is dynamic and highly dependent on technology. The Otto and Della Seabaugh Polytechnic Building features modern classrooms and laboratory space, teleconferencing and interactive television capabilities, fully networked computer labs, and an industrial space for training and research.

- ▶ All of the bachelor of science programs in the Department of Industrial and Engineering Technology are nationally accredited.
- ▶ Southeast is a designated Center of Excellence in Advanced Manufacturing Technology.
- ▶ In addition to a 252-acre David M. Barton Agriculture Research Center, there is a 110-acre rice research station, a new irrigated turf plot facility, and a modern soil fertility laboratory.
- ▶ The School of Polytechnic Studies operates the 11,000-square-foot, climate-controlled Charles L. Hutson Horticulture Greenhouse.
- ▶ Our new cybersecurity program is the only one of its kind in Missouri. The U.S. Department of Labor estimates there will be 135,000 new jobs in this field by 2018—a 21 percent increase in Missouri alone.
- ▶ The innovative sustainable energy systems management major responds to world needs to address global warming, air pollution and ecosystem destruction.

STATE UNIVERSITY

Earl and Margie Holland School of Visual and Performing Arts

Classic beauty and modern technology converge at Southeast's River Campus—Missouri's only campus dedicated exclusively to art, dance, music and theatre. Overlooking the Mississippi River, a Cultural Arts Center and transformed Seminary Building are now home to the Earl and Margie Holland School of Visual and Performing Arts. With the coming of this magnificent facility, the number of new students planning to major in the visual and performing arts doubled in one year.

- ▶ Art students have five interconnected art studios for painting, drawing, printmaking, fibers and design plus two computerized looms, as well as two presses in the printmaking studio and a computer design lab with the latest hardware and software available.
- ▶ Students find internships and professional experience at the Berkshire Theatre Festival, the Lucille Lortel Theatre in New York, the McLeod Summer Theatre or the University of Connecticut Summer Theatre and more.
- ▶ In 2008, the Golden Eagles Marching Band performed at the Edinburgh Military Tattoo in Scotland becoming only the second American university marching band to perform there twice.
- ▶ In addition to performances throughout the season, featuring world famous guest artists, the Southeast Missouri Symphony Orchestra exchanged music as well as culture in China when they performed concerts in Shanghai and Beijing in 2009.
- ▶ The River Campus gives students the opportunity to show their work in a variety of first-class venues: the 950-seat Donald C. Bedell Performance Hall is a proscenium theatre with spacious stage and backstage areas. The 200-seat Wendy Kurka Rust Flexible Theatre can be configured in unlimited ways for "black box" productions. The 200-seat Robert F. and Gertrude L. Shuck Music Recital Hall features nearly perfect acoustics. A student/faculty art gallery features technology that allows for the display of 3-D animation, as well as painting, prints, ceramics and sculpture. The Rosemary Berkel and Harry L. Crisp II Museum has an interactive educational theatre, art gallery for changing exhibitions and a permanent display featuring southeast Missouri.

Living on Campus

Southeast offers students 11 residence halls from which to choose. Each room has Internet access and cable TV. Nine dining areas are available with a variety of options. And, with more than 150 diverse organizations, students find plenty of opportunities to get involved.

PRESIDENT KEN DOBBINS

Dr. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced, including establishment of a School of Polytechnic Studies and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation

reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the seventh year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2011; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest college campus in Missouri.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,200 in 2010. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$250 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$50 million River Campus were constructed. An innovation center and business incubator to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University currently is in the midst of \$58 million in capital renovation, maintenance and repair projects including the renovation of the historic 105-year-old Academic

Hall.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, and currently serves as chair of the AASCU Board. Also, for the past seven years, he has served as one of five faculty members for the AASCU New Presidents' Academy. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcom-

mittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy Scouts of America, and in 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a grandson, Lincoln Kenneth Dobbins.

INTERIM DIRECTOR OF ATHLETICS CINDY GANNON

Cindy Gannon has been part of Southeast Missouri State University Athletics for more than 20 years.

In 2011-12, Gannon will serve as interim Director of Athletics in addition to continuing her role as Senior Woman Administrator. Gannon was named to the position for the second time in her career after John Shafer announced his retirement following three years of service.

Gannon officially began her duties as interim Director of Athletics on July 1 after completing her sixth year as Associate Director of Athletics and Senior Woman Administrator.

As Southeast's Associate Director of Athletics and Senior Woman Administrator, Gannon was in charge of event management, sports supervision, personnel recruitment and monitoring the department's compliance with gender equity, while serving as an institutional representative to the Ohio Valley Conference.

Gannon also led the efforts for the department's NCAA third-cycle recertification. This certification process evaluates the Athletic Department's commitment to three operating principles outlined by the NCAA, including governance and commitment to rules; academic integrity; and gender/diversity issues and student-athlete

well-being. Southeast delivered a report on its progress to the NCAA in April.

Gannon has been the driving force behind other major events such as the Women's Walk and Dig for Life which continue to grow each year.

The Fourth Annual Women's Walk reached record numbers and raised \$30,000 for the Redhawk Athletics Scholarship Fund in 2011.

Meanwhile, Dig for Life, which is a month-long campaign during the Redhawks volleyball season, brought in a record \$22,000 a year ago. Gannon started this special foundation in 2000 after losing her mother to breast cancer. The campaign raises money to fund 200 local women for mammogram screening, who otherwise could not afford it.

In addition, Gannon recently finished her fourth year as a member of the National NCAA Division I Volleyball Committee.

A native of De Soto, Mo., Gannon started working at Southeast as a graduate assistant with the volleyball team. Three years later, she took over as head coach.

Gannon was at the helm of the volleyball program from 1989-2004, where she compiled a 366-211 record and led Southeast to eight OVC Championships and four NCAA Tournament Appearances. Gannon was also named OVC Coach of the Year four times.

Following her coaching career, Gannon remained at Southeast to work in athletic administration. She was last appointed interim Director of Athletics in October, 2008.

Recognized by not only her peers for her exceptional coach-

ing, Gannon was a recipient of the Southeast Missouri State University College of Education Young Alumni Merit Award in 1998. She was recognized by her junior college alma mater when Mineral Area College selected her as an "Outstanding Alum." Gannon was also inducted into the De Soto High School Athletics Hall of Fame in 2009.

Gannon is a former member of the American Volleyball Coaches

Association (AVCA) and National Association of Collegiate Women Athletics Administrators (NACWAA). In 2000, she chaired Southeast's Midwest Region and was a member of the AVCA Division I Top-25 Selection and All-America Committees.

Gannon received her undergraduate degree in physical education (1985) and master's in higher education (1987) from Southeast.
