**SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS
SEASON PREVIEW**

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS TENNIS

SEASON OUTLOOK

The Southeast Missouri women's tennis team enters its sixth year under the direction of head coach Mark Elliott in 2012.

Southeast finished at 2-14 overall and 1-7 in the Ohio Valley Conference last season, but returns a pair of All-Conference performers in Nikole Novikova and Elizabeth Nyenwe.

Novikova and Nyenwe, along with fellow returnees Laura Garcia and Lauren Schaper, will look to lead the Redhawks this season.

"We have improved a lot during the offseason and look for bigger things this year," said Elliott. "I am confident our lineup will make us a strong contender in the OVC."

Singles

Junior **Nikole Novikova** (*Bellevue, Wash.*) and sophomore **Elizabeth Nyenwe** (*London, England*) again give Southeast a patented one-two punch at the top singles positions.

Both earned First-Team All-OVC honors in 2011, with Nyenwe becoming the school's first-ever player to win the league's coveted Freshman of the Year award.

Novikova went 8-8 in No. 1 singles, while Nyenwe led the Redhawks with a 9-7 overall mark at the No. 2 spot. Nyenwe also went 7-1 in OVC play and won seven of her final 10 matches of the season. The two accounted for 17 of the team's 27 singles wins.

"Nikole and Elizabeth did an excellent job for us last year," commented Elliott. "They are

great competitors who give us a chance to win at the front of our singles lineup."

Nyenwe and Novikova were ranked among the OVC's Top-10 players prior to the 2012 season. Nyenwe was rated fourth, while Novikova was ranked 10th.

Newcomers **Jessica Courtneil** (*Newcastle, England*), **Melissa Martin** (*Wolverhampton, England*) and **Heather Robinson** (*Witton Gilbert, England*) will look to fill the next three spots.

Courtneil recorded four singles wins and went 9-8 in doubles play at South Alabama a year ago. She is expected to occupy the No. 3 spot.

Martin, a freshman, represented her state on two occasions in the under 14s Road to Wimbledon Tournament. She has experience playing the No. 1 and No. 2 positions, but will likely take over the No. 4 spot. Robinson went 10-11 in singles action, with her 10 victories tying for fourth on the team at Campbell University last season.

"These three players will help us immediately," said Elliott.

Laura Garcia (*Bogota, Colombia*) will look to take over the No. 6 position.

Garcia played mainly at No. 4 last season, earning two wins. She also competed in three matches at No. 3.

"Laura is in her third year with the program and gives us more experience," commented Elliott.

Sophomore **Lauren Schaper** (*Wildwood, Mo.*) rounds out this year's team.

Schaper won three matches

in No. 5 singles and posted her first OVC victory against Tennessee State as a true freshman a year ago.

Doubles

Nikole Novikova and **Elizabeth Nyenwe** will again be Southeast's top doubles tandem in 2012.

Novikova and Nyenwe picked up five of Southeast's 11 doubles wins last season. They also earned two of their victories against league opponents.

The No. 2 and No. 3 combinations are yet to be determined.

Jessica Courtneil and Melissa Martin could be an option at No. 2, while Laura Garcia and Heather Robinson could man the No. 3 spot.

Courtneil, Martin and Robinson will make their doubles debuts at Southeast, while Garcia is back after garnering two wins in No. 2 doubles last year.

Redhawks Seventh in OVC Preseason Poll

Southeast was picked seventh in the 2012 Ohio Valley Conference Preseason Poll.

UT Martin was picked this year's favorite, while Austin Peay, Eastern Kentucky, Jacksonville State, Murray State and Morehead State were also picked ahead of the Redhawks.

SIU Edwardsville, Eastern Illinois and Tennessee State rounded out the predicted order of finish.

Southeast tallied 28 points in the overall voting.

*The college experience of a lifetime. The job of your dreams.
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.

2009—InsideCollege.com experts single out our honors program as an effective way to make a large school seem smaller with a more personal approach to learning.

PRESIDENT DR. KEN DOBBINS

Dr. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced, including establishment of a School of Polytechnic Studies and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation

reductions. Southeast continues to be recognized nationally for many of its outstanding accredited academic programs. For the seventh year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2011; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest college campus in Missouri.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,200 in 2010. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$250 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$50 million River Campus were constructed. An innovation center and business incubator to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University currently is in the midst of \$58 million in capital renovation, maintenance and repair projects including the renovation of the historic 105-year-old Academic Hall.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents and chancellors of Missouri's public colleges and universities. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, and currently serves as chair of the AASCU Board. Also, for the past seven years, he has served as one of five faculty members for the AASCU New Presidents' Academy. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcommittee. In addition, he is a vice

president of the executive board of the Greater St. Louis Council, Boy Scouts of America, and in 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a grandson, Lincoln Kenneth Dobbins.

INTERIM AD CINDY GANNON

Cindy Gannon has been part of Southeast Missouri State University Athletics for more than 20 years.

In 2011-12, Gannon will serve as interim Director of Athletics in addition to continuing her role as Senior Woman Administrator. Gannon was named to the position for the second time in her career after John Shafer announced his retirement following three years of service.

Gannon officially began her duties as interim Director of Athletics on July 1 after completing her sixth year as Associate Director of Athletics and Senior Woman Administrator.

As Southeast's Associate Director of Athletics and Senior Woman Administrator, Gannon was in charge of event management, sports supervision, personnel recruitment and monitoring the department's compliance with gender equity, while serving as an institutional representative to the Ohio Valley Conference.

Gannon also led the efforts for the department's NCAA third-cycle recertification. This certification process evaluates the Athletic Department's commitment to three operating principles outlined by the NCAA, including governance and commitment to rules; academic integrity; and gender/diversity issues and student-athlete

well-being. Southeast delivered a report on its progress to the NCAA in April.

Gannon has been the driving force behind other major events such as the Women's Walk and Dig for Life which continue to grow each year.

The Fourth Annual Women's Walk reached record numbers and raised \$30,000 for the Redhawk Athletics Scholarship Fund in 2011.

Meanwhile, Dig for Life, which is a month-long campaign during the Redhawks volleyball season, brought in a record \$22,000 a year ago. Gannon started this special foundation in 2000 after losing her mother to breast cancer. The campaign raises money to fund 200 local women for mammogram screening, who otherwise could not afford it.

In addition, Gannon recently finished her fourth year as a member of the National NCAA Division I Volleyball Committee.

A native of De Soto, Mo., Gannon started working at Southeast as a graduate assistant with the volleyball team. Three years later, she took over as head coach.

Gannon was at the helm of the volleyball program from 1989-2004, where she compiled a 366-211 record and led Southeast to eight OVC Championships and four NCAA Tournament Appearances. Gannon was also named OVC Coach of the Year four times.

Following her coaching career, Gannon remained at Southeast to work in athletic administration. She was last appointed interim Director of Athletics in October, 2008.

Recognized by not only her peers for her exceptional coach-

ing, Gannon was a recipient of the Southeast Missouri State University College of Education Young Alumni Merit Award in 1998. She was recognized by her junior college alma mater when Mineral Area College selected her as an "Outstanding Alum." Gannon was also inducted into the De Soto High School Athletics Hall of Fame in 2009.

Gannon is a former member of the American Volleyball Coaches

Association (AVCA) and National Association of Collegiate Women Athletics Administrators (NAC-WAA). In 2000, she chaired Southeast's Midwest Region and was a member of the AVCA Division I Top-25 Selection and All-America Committees.

Gannon received her undergraduate degree in physical education (1985) and master's in higher education (1987) from Southeast.
