Credentials

Credentials are required for entrance to the Redhawk Invitational and Joey Haines Invitational. To request credentials, please contact Southeast Missouri Sports Information by phone at (573) 651-2933 or e-mail at nseeman@semo.edu or ctwaro@semo.edu.

Photographers

Photographers can shoot in designated photography areas. For further information on correct photography areas ask the sports information staff during home meets.

Postmeet Interviews

Anyone wishing to interview a Southeast student-athlete must notify Nick Seeman or Chad Twaro prior to the end of each meet. Student-athletes will be escorted to the media interview area. Media representatives are not allowed in the team areas.

Track and Field E-Mail List

If you would like to be added to the Redhawk track and field e-mail list to receive breaking news about the team, please e-mail Nick Seeman or Chad Twaro. The official website, GoSoutheast.com, is the best source for up-to-date information about the team.

Weekly Interviews

All Southeast Missouri track and field practices are open to the media. Interviews will be conducted before all practices. Please contact the Southeast Sports Information Office for verification on practice times and locations.

SOUTHEAST MISSOURI STATE UNIVERSITY

REDHAWKS TRACK & FIELD

Abe Stuber Track and Field Complex

The Southeast Missouri track and field teams train and compete at the Abe Stuber Track & Field Complex during the outdoor season. Considered one of the finest track facilities in the Midwest, it has been the host of the Ohio Valley Conference Outdoor Track & Field Championships five times, most recently following the 2008 season. The facility is also the home of the annual Joey Haines Invitational, held the first weekend of every April.

Dedicated in the spring of 1980 and named after the late Abe Stuber, who coached the Southeast track squads from 1932-46, the facility includes

a press box and spectator seating for up to 2,000 people. Designed strictly as a track and field complex, it has also served as the host site of three NCAA Division II National Track & Field Championships.

The track and runways were resurfaced in 2001 and a weight room and office building added adjacent to the track in 2002. The 2,000 square foot building houses a 1,500 square foot weight room, offices, bathrooms and storage.

The spacious weight room is equipped with seven multi-power racks and lifting platforms. It contains nearly 5,000 pounds of free weights,

3,000 pounds of dumbbells and numerous weight machines.

The completion of this \$300,000 project has given the team one of the best training facilities in the region. The complex allows the men's and women's track teams to practice at any time, in a safe and efficient manner.

The complex is located on the north edge of campus off Sprigg Street and within walking distance to the University.

REDHAWKS TRACK & FIELD

Strength and Conditioning

Southeast Missouri State University Strength and Conditioning is committed to developing the total student-athlete through their experiences within a competitive training environment.

This will be accomplished by focusing on reducing the risk of injury and maximizing athletic potential through individual evaluation and program design.

Training Principles:

1. Reduce the risk of injuries

- If a student-athlete is injured, he/she will not be able to compete at practice or games.

2. Maximize athletic ability

- We challenge each athlete, both physically and mentally, in order to achieve optimal results.

Exercises are based on the following Principles:

1. Ground Based Movements

- Athletes compete with their feet on the ground, and therefore, should train that way. The ability to produce force against the ground determines how fast athletes can run and how high they can jump.

2. Three-Dimensional Movements

- Athletes must be able to stabilize themselves in all planes of movement. A fancy way of saying we use free weights (barbells/dumbbells vs. machines).

3. Multi-Joint Movements

- Very rarely in sport do athletes isolate one single joint, thus there is not much need to train one joint at a time. Athletes can train more muscle mass at the same time.

SOUTHEAST MISSOURI STATE UNIVERSITY

REDHAWKS TRACK & FIELD

Success Center

The Redhawk Success Center offers Southeast Missouri State student-athletes a place to study and develop as students and campus leaders.

The Redhawk Success Center is located in the Student Recreation Center, just south of Houck Stadium. The facility offers a computer lab with 18 computer work terminals, study areas and rooms for group meetings.

The area is under the guidance of Interim Associate Director of Athletics Brady Barke, with assistance from Director of Academic Services Sharon Burgard, Assistant Natalie Williams and Graduate Assistants Kelly Benacka and Israel Kirk.

The beautiful facility has enhanced the outstanding work in the classroom already enjoyed by Southeast student-athletes. During the 2010 fall semester, the South-

east athletic programs combined for a 3.09 grade point average, its highest for a fall term. Eleven of the Redhawks 15 programs recorded a team GPA of 3.0 or better. In all, 186 student-athletes recorded at least a 3.0 GPA. Of that group, 23 finished the fall term with a perfect 4.0.

Tutors are available for all student-athletes as needed. In addition, both attendance and academic progress are monitored through regular checks with faculty.

A special course is required for all first time student-athletes at Southeast. The course, which offers three credit hours, is part of a comprehensive program developed to address study skills and life skills topics, and thus, enhance retention and academic success for student-athletes.

Entering student-athletes are evaluated

for academic preparedness and assigned to appropriate categories. Student-athletes can also receive individualized academic programs which include meeting with a mentor at least bi-weekly to discuss academic progress.

The Success Center staff also works to get athletes involved in campus and community projects. This is done to provide a support structure and greater opportunity for academic success. Through the NCAA's CHAMPS/Life Skills Program, the Success Center gives student-athletes personal and professional skills in order to facilitate successful and productive futures.

SOUTHEAST MISSOURI STATE UNIVERSITY

REDHAWKS TRACK & FIELD

Sports Medicine

Prevention. Treatment. Rehabilitation. Education. Those are the four primary phases of athletic training, and the Southeast Missouri State University Athletic Training staff strives to fulfill all of those areas when working with the student-athletes on a daily basis.

Southeast student-athletes are offered the best care possible by the Athletic Training staff. Head Athletic Trainer, Alfred Castillo, directs the Sports Medicine department which includes four full-time athletic trainers, six graduate assistants and several student assistants. The staff serves student-athletes around-the-clock at numerous facilities on campus.

The athletic trainers begin treatments and rehabilitation starting as early as 6 a.m., and are available until the last student-athlete is through. There are currently

four athletic training facilities on campus. The staff treats out of Rosengarten Athletic Complex, where the primary athletic training room is located. There are two other satellite athletic training rooms, including one at Houck Field House and one at the Show Me Center.

The Southeast Athletic Training rooms are equipped with stationary bikes, hand weights, therapeutic modalities, and the latest physical therapy equipment. Each component is strategically designed to not only give the student-athlete the best care, but also to aid in returning to competition as quickly as possible.

Southeast Athletic Training has strong working relationships with local physicians and the two hospitals located within Cape Girardeau. It is from these hospitals that the Athletic Training department is assisted

by four orthopedic physicians.

The Southeast Athletic Training program prides and commits itself to providing the best comprehensive, personalized and efficient healthcare to its student-athletes. Delivery of healthcare focuses on the prevention and management of athletic-related injuries or illnesses, while adhering to the National Athletic Trainers' Board of Certification Standards of Profes-

The Southeast Athletic Training staff is under the direction of Alfred Castillo. Castillo and his staff serve student-athletes at a variety of facilities on campus.

Mission Statement

The Southeast Missouri State University Department of Intercollegiate Athletics is an integral part of the University community and accordingly adheres to Southeast Missouri State University's overall institutional mission, one of providing a quality education and college experience for the students and communities we serve. The mission of the Department of Athletics is to enhance the collegiate experience for all students through the development and operation of a sound intercollegiate athletics program. The Athletics Department is a NCAA Division I program, and therefore is committed to the highest standards of integrity in athletic and academic achievement. The athletic teams of the University are committed to compete at the highest possible level in the Ohio Valley Conference or other conference affiliations. The Department of Athletics is committed to the principles of equitable access, diversity, student welfare, sportsmanship, ethical conduct, rules compliance, and the prudent management of resources in all endeavors.

JESSICA BOLLINGER

JENNY GOVERO

The 2011 Redhawks women's cross country team featured some new faces that made a huge impact to the program in their first season. Southeast senior Jessica Bollinger brought consistent efforts week-in and week-out for the Redhawks to form a solid base for a team that lived up to expectations finishing third in the Ohio Valley Conference.

Southeast got the season started on the right foot with a second-place finish at the Washington University Early Bird Meet. Bollinger led the way with a fifth-place finish that set the stage for the Redhawks season.

The Redhawks took third at the OVC Championships with a pair of newcomers leading the way. Freshman Rebekah Lawson earned All-OVC honors with a sixth-place finish. Fellow freshman Jenny Govero finished 12th earning All-OVC Second team honors.

ALEX ZISSER

The Southeast Missouri men's cross country team lived up to league's expectations in 2011 as the Redhawks finished third at the Ohio Valley Conference Championships after being picked third in the OVC Pre-season Poll. The 2011 squad featured a mix of veterans and newcomers led by junior Nate Shipley, who earned five top-five finishes on the season. Sophomore Brent Collins also placed among the top-10 on three occasions.

The Redhawks had an impressive showing at the Greater Louisville Classic placing third out of 33 teams. Shipley led the way at Louisville with a fourth-place finish.

Southeast finished in third-place at the OVC Championships. Shipley earned All-OVC honors with a third-place finish. Collins finished in 10th place en route to All-OVC Second Team honors. The Redhawks finished the season with a 19th-place finish at the NCAA Regional. Another Redhawk to receive honors during the season was junior Max Wieser, who was named OVC Runner of the week on Sept. 27.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS
COACHES PROFILES

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

Coaches

Eric Crumpecker enters his fourth season as the head coach of the Southeast Missouri track and field program. Crumpecker is in his 21st season, serving 17 of those campaigns as an assistant under legendary head coach Joey Haines.

The Redhawks continued their success in the Ohio Valley Conference in 2010-11, posting their third-straight second-place finish in the OVC Championships. Southeast once again dominated the throwing events under Crumpecker, winning the shot put, javelin and hammer throw titles on both the men's and women's sides.

Southeast won a total 13 OVC titles during the Outdoor Championships. Crumpecker also coached the OVC Field Athletes of the Year in Brandon Colbert and Samantha Espiricueta. The Redhawks sent 11 runners to the NCAA West Preliminaries with Crumpecker.

During the indoor season, Southeast had four OVC Champions and swept the throwing events. Field Athletes of the Year with Colbert and Brianna Egbuka earning those crowns.

The Redhawks also excelled in the classroom in 2010-11 when they were named All-Academic by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA). The men sported a 3.12 GPA and the women boasted a 3.16 GPA. Egbuka was among nominees for the 2010-11 NCAA Women of the Year.

The men's and women's teams each placed second at the 2009-2010 the OVC Indoor Track & Field Championships. On the men's side, Brandon Colbert, was named Athlete of the Year, Josh Uchtman was named Field Athlete of the Year and Tyler Mullen was honored with Co-Freshman of the Year. Colbert broke the championship record in the weight throw, while Tyler Terry, Uchtman, Jason Lumpkin and Jerika Lewis all won OVC indoor titles.

During the outdoor season, both team's repeated as runner-ups at the OVC Championships. They combined for seven individual titles, four of which were in throwing events. Colbert was named Field Athlete of the Year, while Chris Gill took home Track Athlete of the Year laurels. On the women's side, Lewis was named Co-

Freshman of the Year.

In Crumpecker's first season at the helm, the teams combined to win eight individual titles at the league championships. Six of those titles came in the throwing events as the men and women each won the javelin, shot put and discus. That accomplishment marked the first time that an OVC team combined to win all six individual throwing titles in an outdoor championship.

The successful outdoor season culminated in two individual postseason honors with Colbert being named the OVC Outdoor Male Field Athlete of the Year and Ashley Brewer taking home the OVC Outdoor Female Field Athlete of the Year honor.

Crumpecker had five athletes compete in the NCAA Midwest Regional Track Championships in 2009 with Espiricueta placing second and qualifying for the NCAA Outdoor Track & Field Championships in the javelin. She became Southeast's first female to compete at the national meet since 2002.

During the 2009 season, both the men's and women's teams placed second at the OVC Indoor Track & Field Championships. The two teams combined for six OVC indoor titles and took home three of the OVC's six postseason awards, including Male Field Athlete of the Year, Male Freshman of the Year and Female Freshman of the Year.

Academically, the men's team was the lone OVC representative to garner USTFCCCA Academic honors during the 2008-09 season, compiling a 3.03 GPA.

Meanwhile, the women's team finished with a 3.30 GPA, marking third-straight season it has been honored.

During his years as a Southeast assistant, working primarily with the field events, Crumpecker was a part of 20 OVC team titles, coached 81 OVC individual championships, 131 OVC All-Conference performers, six OVC Track Athletes of the Year, four NCAA national finalists, 12 NCAA provisional qualifiers, 26 NCAA regional qualifiers and five regional finalists. He guided Southeast student-athletes to 11 school records and three OVC marks.

A native of Union, Mo., Crumpecker is a USATF Level 1 certified coach. He has a Bachelor of Arts degree in history from Missouri-Rolla and a Master of Science in Administration from Southeast Missouri. As a collegiate athlete, Crumpecker was a starting lineman for the UMR football team and earned All-MIAA honors in the shot and discus for the Miners' track team.

He and his wife, Amy, reside in Jackson, Mo., and have a two-year old daughter, Ella.

Coaches

Tara Myrick begins her fourth season as an assistant coach for the Redhawk track and field team. She oversees all training and coaches both the men's and women's sprinters and hurdlers.

Last season, Myrick led the Redhawk sprinters to three Ohio Valley Conference crowns as Southeast took gold in the women's 400 meter dash (Jerika Lewis) and the men's 100 meter dash (DeAndre Simmons). Southeast also won the women's 4x100 meter relay.

In all Myrick guided 10 All-OVC performers during the outdoor season. She also sent four runners to the NCAA West Preliminaries, including the 4x100 meter women's relay team that finished 17th.

During the 2010-11 indoor season, Myrick led a pair of Redhawks to All-OVC accolades as Simmons finished third in the 200 meter dash and Rachel Kahle finished third in the 60 meter dash. Kahle was also named OVC Track Athlete of the Week during the indoor season.

In 2009-10, Myrick also coached Lewis to an OVC indoor title in the 400 meter dash. Additionally, Lewis was named OVC Outdoor Co-Freshman of the Year. Chris Gill was voted the OVC's Outdoor Track Athlete of the Year.

Southeast men's and women's 4x400 relay teams placed second at both the OVC Indoor and Outdoor Championships.

All together, she has coached 25 All-OVC performers, including the 2009 women's indoor 4x400 meter relay championship team.

Prior to Southeast, Myrick coached the sprinters and hurdlers at the University of Arkansas-Little Rock. In 2008, she coached two student-athletes who qualified for the NCAA Outdoor Mideast Regional.

A native of New York City, Myrick began her coaching career in 2005 at Essex County College in Newark, New Jersey where she spent two seasons. She coached 16 national champions and 14 All-Americans. The 2007 ECC women's team won the NJCAA Division I national championship.

An NAIA, NJCAA and NCAA All-American and Honorable Mention All-American sprinter, Myrick was a member of the 1996 NAIA Outdoor Championship team at Central State University in Wilberforce, Ohio.

Myrick received her Bachelor of science degree in Business Administration in 1999 and her M.B.A. in Business Administration from Lincoln University in 2002.

Ryan Lane is in his second season as Southeast's head cross country coach and distance coach.

In his first season with the Redhawks, Lane led Southeast men's cross country team to a second place finish at the Ohio Valley Championships, behind perennial power Eastern Kentucky. The men produced one All-OVC performer in Jason Lumpkin and three All-OVC Second-Team selections. Southeast also represented well at the NCAA Regional with four runners finishing in the top 100.

Southeast's women's cross country team finished fifth at the OVC Championships, with their 10th consecutive top-five post season finish. The Redhawks had one All-OVC performer as Monica Noble earned second-team accolades.

During the track season, Lane guided two runners to All-OVC honors including one OVC champion in Jason Lumpkin. Lumpkin won the 10,000 meter run at the OVC outdoor Championships, he also placed among the top individuals in the 3,000 and 5,000 meter runs. On the women's side Jessica Bollinger garnered a second place finish in the 10,000 meter run.

Lane returned to the Southeast program in which he interned as coach in 2008-09. That season, the Redhawk cross country teams recorded top-three finishes at the Ohio Valley Conference Championships. During that time, he received his Master's in Higher Education, finishing with a 4.0 GPA.

Prior to his coaching internship at Southeast, Lane worked as an assistant coach for the Cape Central High School cross country and track programs.

He also served as an assistant coach at his alma mater, Francis Howell North High School (2006-07). In all, Lane coached 41 All-State performers at the prep level.

Lane competed as a member Southeast cross country and track teams from 2002-2003, before an injury cut his career short. He received his undergraduate degree from Southeast in 2006, graduating magna cum laude distinction in Education.

Lane is an accomplished Marathon runner. In 2008, he placed ninth at the St. Louis Marathon and. in 2009. he finished 147th at the Boston Marathon.

ASSISTANT COACH RYAN LANE

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

Coaches

Matt Koelling is in his second season coaching the Redhawk jumpers and assisting in recruiting.

Koelling led Southeast to an impressive showing in such events at the Ohio Valley Outdoor Championships in 2011. Southeast had two athletes win gold. Tyler Terry won the men's long jump and Shemika Brewer was victorious in triple jump.

Koelling produced four All-OVC selections during the outdoor campaign and coached one NCAA West Preliminary qualifier in Brewer, who qualified in the triple jump.

During the indoor season, Koelling led five Redhawks to All-Conference honors. Southeast placed amongst the top-three in both the high jump and long jump on the men's side. The Redhawks also had two pole vaulters and one triple jumper earn All-OVC honors on the women's side.

Koelling joins the staff after a standout competitive career at Emporia State. He was the team's top triple and long jumper, twice advancing to the finals of the NCAA Division II National Championships.

In 2008, he placed 12th in the triple jump at the Outdoor National Championships and, in 2010, finished ninth at the Indoor National Championships in the triple jump.

He is a five-time provisional qualifier for Nationals in the triple jump. His personal best in that event is 49'-1.75". His personal best of 23'-3.50" in the long jump provisionally qualified him for Nationals as well.

Prior to Emporia State he spent one year at Kansas where he was a member of the Jayhawk football team. He started his collegiate career at Barton County Community College in Great Bend, Kansas where he was a member of the track squad.

Koelling is a member of the National Strength and Conditioning Association and received his USA Track & Field Level 1 certification in the summer of 2010.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

The Southeast Missouri men's and women's track and field teams were named All-Academic by the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA) after their academic performance during the 2010-11 school year.

The men's team sported a team grade point average of 3.12 during the 2010-11 academic school year. The men's program was one of only three programs in the Ohio Valley Conference to earn the honor by the USTFCCCA. A total of 90 NCAA Division I men's programs earned the award this season.

The women's squad posted a 3.16 grade point average during the 2010-11 academic year. The women's program was one of five schools from the Ohio Valley to be named to the list by the USTFCCCA. A total of 164 NCAA Division I women's programs earned the award this season.

BOBBY FERGUSON (1985-1989)

Bobby Ferguson was part of the 1985 National Championship track & field team which is in the Southeast Hall of Fame. He was a five-time NCAA Division II All-American and eight-time MIAA indoor and outdoor conference champion in the pole vault. Ferguson was the 1987 NCAA Division II Outdoor Pole Vault Champion. He was a world championship team member for the 1987 Pan Am Games. In addition, Ferguson won a silver medal at the 1986 Commonwealth Games.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWKS
THIS IS THE OVC

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

Entering its 64th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which will begin competition in the 2012-13 academic year. The addition of Belmont will give the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. SIUE will begin regular season competition this season (2011-12) and be eligible for postseason the same year Belmont joins the league.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 63 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 20 outright or shared football crowns, including both the 2007 and 2008 championships, as they

compiled a 15-1 league record over that time period. Only one other Football Championship Subdivision school (UMass) has won more Conference titles than the Colonels. Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with nine, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns (including the 2009 title) while Jacksonville State, Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri (which captured its first crown in 2010), UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former all-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 19 FCS playoff appearances are the second for the most all-time (behind only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles (Bubber) Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech,

Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin Peay; 1979-1998 at Middle Tennessee). Current Eastern Illinois head coach Bob Spoo has compiled 90 wins, while his program has been a member of the OVC which ranks him fifth all-time in league history while his 67 Conference victories are fourth all-time; Spoo will retire following the conclusion of the 2011 season, his 25th with the program.

A sampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in four of the past five seasons.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 35 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

THIS IS THE OHIO VALLEY CONFERENCE

finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan

State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 14 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at Flyer Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three-hour drive from Morehead for the game. The Eagles season would come to three days later when they lost to No. 1 overall seed Louisville, despite playing the Cardinals close for a majority of the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championship. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament Championship, the No. 13 seeded Eagles were shipped to Denver to play its in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

The OVC has now won NCAA Tournament games in three-straight seasons, something that has happened in the league only twice previously (1960-62 and 1987-89). Over that time period (2009-11) the OVC is one of just 10 conferences nationally to win a NCAA Tournament game in each season and one of only four non-BCS leagues (joining the Atlantic 10, Horizon and WCC) to do so.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Through its 63 years, 12 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 22 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1), UT Martin (who won its first in 2008-09) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2011-12 season with 351 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09) and Morehead State's Kenneth Faried (2009-10, 2010-11).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (AIAW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 17 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 20 times in the past 30 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 13 of the last 18 OVC Tournamen-

ments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011. Austin Peay leads the group with seven crowns including four-straight from 2000-03 and back-to-back titles in 2009 and 2010, while Tennessee State, Eastern Kentucky, Murray State and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from USA Today in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Eastern Kentucky's Larry Joe Inman, who retired at the conclusion of the 2007-08 season and was inducted into the OVC Hall of Fame in 2009, won more than 100 games at both Middle Tennessee and ECU, and earned OVC Coach of the Year honors a record eight times - five times at ECU and three at MTSU. He finished his career with 480 career victories.

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilyn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy, Priscilla Blackford and Chynna Bozeman; Eastern Kentucky's Kim Mays; Southeast Missouri's Gray C. Harris; and Murray State's Ashley Hayes.

Bozeman finished her collegiate career in 2010-11 by winning her second consecutive OVC Player of the Year award. Her 2,170 points ranks her eighth all-time in OVC history, her 377 made career 3-pointers is first in OVC history and sixth in NCAA history and her 1,096 career 3-point attempts ranks first in OVC history and second in NCAA history.

Morehead State center Brittany Pittman set new school, league and NCAA standards for blocked shots in 2008-09. Pittman swatted 164 shots during the season, setting a new NCAA

single-season record (which has since been broken). During the campaign, only her second with the Eagles, she also set career block records for both Morehead State and the OVC (287).

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 63 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The OVC's first volleyball tournament was held in 1981, the same year Eastern Kentucky began a string of six straight tournament crowns. Former ECU skipper Dr. Geri Polvino compiled a 627-439 record in 32 seasons as head coach of the Colonels, earning OVC Coach of the Year honors eight times. More recently, former Austin Peay coach Cheryl Holt and former Southeast Missouri skipper Cindy Gannon also earned their peers' recognition multiple times with four awards each.

Throughout the last 28 years, 10 different teams have won an OVC regular-season or tournament volleyball crown. Since joining the league in 1991, Southeast Missouri has dominated the scene, winning seven of its eight regular-season titles during the 1990's, including five straight from 1993-97. The Redhawks

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

THIS IS THE OHIO VALLEY CONFERENCE

have also won five tournament crowns (1994, 1996, 1998, 1999 and 2000). Jacksonville State won back-to-back OVC Tournament Championships (2005, 2006) including going through the OVC undefeated (16-0) in 2006 and winning a NCAA Tournament match in 2010, the league's first NCAA victory since 2000.

Following the 2007 season, Jacksonville State's Abbey Breit was named the OVC Offensive Player of the Year for the third straight season, becoming the first player in OVC history to accomplish that feat. Four other individuals - Eastern Kentucky's Angela Boykins (1985-86), Morehead State's Dayle Hammontree (1988-89), Southeast Missouri's Tuba Meto (1996-97) and Morehead State's Amy Almond (2001-02) - were back-to-back winners of the award.

In 2007, Eastern Kentucky's Jacob Korir won his fourth straight Conference cross country title becoming just the third OVC student-athlete and 13th athlete nationally to accomplish that feat. Korir was a three-time All-American in cross country, earning two top-10 finishes at the NCAA Cross Country Championship. The Nairobi, Kenya, native was also named a track and field All-American twice during his career, was selected as the OVC Male Athlete of the Year in 2006-07 and received the NCAA post graduate scholarship in 2008.

In 2007 the Conference had two teams in the NCAA Women's Soccer Tournament for the first time in league history, as former OVC member Samford earned an at-large selection while Southeast Missouri was the Conference's automatic bid.

In 2009 it was OVC softball that accomplished several firsts as UT Martin (tournament champion) and Jacksonville State (at-large) were each selected for the NCAA Championship. Jacksonville State would take it a step farther by winning the Knoxville Regional (beating No. 13 national seed Tennessee along the way) to become the first OVC softball program to advance to a Super Regional. Jax State would fall to No. 4 Alabama in that Super Regional but finished the season 43-16 (19-2 OVC) and ranked 21st nationally in the ESPN.com/USA Softball poll and 24th nationally in the USA Today/NFCA poll.

The league's baseball presence has continued to evolve since its inception. The OVC baseball tournament moved to a neutral site for the first time in 2001 with Paducah, Ky. and Brooks Stadium hosting the tournament in front of raucous crowds. The success of the tournament led to Jackson, Tenn. and Pringles Park - the home of the Seattle Mariner's Class AA af-

filiate - hosting the event for the first time in 2010; Pringles Park is under contract to host the 2012 championship as well.

The OVC also has made a statement in the NCAA Baseball Championship in recent years, with its teams involved in several memorable contests in the last decade. Tennessee Tech surprised Wake Forest in the opening round of the 2001 tournament and Southeast Missouri stunned host Alabama in the opening round of the 2002 championship. Five years later, Austin Peay captured the collegiate baseball world's attention by taking Vanderbilt, the 2007 No. 1 overall seed, to extra innings. Eastern Illinois pushed host Nebraska to the limit in 2008 followed by Tennessee Tech's memorable contest against host Clemson in 2009.

After not making the OVC Tournament field in either 2009 or 2010, Austin Peay, who was picked to finish seventh in the preseason poll, won the regular season and tournament championships to garner its fourth NCAA Tournament appearance. In the first game of NCAA Regional play the Gobs knocked off host and No. 1 seed Georgia Tech 2-1.

A first in the OVC occurred in 2008, when the league had a first round draft pick in both the NFL (Tennessee State's Dominique Rodgers-Cromartie) and Major League Baseball (Eastern Kentucky's Christian Friedrich) Drafts in the same school year. A year later (2009) the league had a Major League Baseball First Round Compensation Round pick (Eastern Illinois' Tyler Kehler who was No. 48 overall) and NBA Second Round pick (UT Martin's Lester Hudson) in the same season.

In 2010 a record 13 OVC baseball players were selected in Major League Baseball's First-Year Player Draft.

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 202 student-athletes honored with the award, including 35 over the last three years (2008-09, 2009-10, 2010-11).

Through the early years of the league, administrators wrestled with fan behavior due to

the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin. Belmont University will become the league's 12th member on July 1, 2012.

THIS IS SOUTHEAST

SOUTHEAST MISSOURI

*The college experience of a lifetime. The job of your dreams.
A life that is amazing.*

That is what most students and parents want from a college education. At Southeast, we want the same for you. We want you to learn your profession, gain the experience or internship you need, and get that first paycheck!

The growing—and changing—student body has had an impact on everything and everyone. The physical changes of the campus are the most visible. Two new residence halls. The River Campus. The polytechnic building. An information commons in the library. And so on.

Students and faculty are experiencing change of a different kind. Classroom activity has reached a new level of productivity, as students are brighter and more prepared than ever. Enrollment is at an all-time high. The impact on the honors program has been dramatic with more students than ever choosing to participate in and complete the honors curriculum. The number participating tripled in five years!

All of this means that Southeast has become Missouri's most academically competitive regional university.

2009—InsideCollege.com experts single out our honors program as an effective way to make a large school seem smaller with a more personal approach to learning.

2010—Computer science receives prestigious national accreditation.

**Safest
Campus
in Missouri**

StateUniversity.com

2010—Consumer watchdog group GetEducated.com ranks Southeast #1 on its list of "Top 10 Ranked Best Values Online MBAs—AACSB Accredited."

2010—Southeast is named the safest campus in Missouri and among the safest in the nation by StateUniversity.com.

STATE UNIVERSITY

We have...

- ▶ Small classes with 98 percent of courses having fewer than 50 students
- ▶ Faculty with PhDs—not teaching assistants—who teach most classes
- ▶ More than 200 areas of study
- ▶ Wired (and wireless) classrooms and best-of-class technology
- ▶ Internships and real-world learning offered in 100 percent of programs
- ▶ Study abroad opportunities that take you almost anywhere

We are...

- ▶ NCAA Division I Athletics
- ▶ Listed among the Midwest's top universities
- ▶ One of the safest college campuses in the nation
- ▶ Conveniently located 115 miles south of St. Louis
- ▶ A medium-sized university with more than 11,000 students
- ▶ Comprised of ten colleges and schools

We provide...

- ▶ Choices in the University Studies (general education) classes
- ▶ Some of the newest residence halls in Missouri
- ▶ 150 organizations that keep you busy after class
- ▶ Each student with two advisors—academic and career
- ▶ Fraternities and sororities that are productive and fun
- ▶ One of a kind student aquatic center in one of our two recreation centers

2011—U.S. News & World Report names Southeast a "Best Midwest Regional University."

2011—For seven consecutive years, Princeton Review includes Harrison College of Business on its list of "Best Business Schools."

2011—Princeton Review again names Southeast as one of the "Best in the Midwest," representing only about 25 percent of the nation's four-year colleges.

2012—U.S. News & World Report lists both nursing and communication disorders on its list of top graduate programs in health.

SOUTHEAST MISSOURI

Donald L. Harrison College of Business

Our increasingly popular business programs have made us one of the major colleges of business in the Midwest. The Donald L. Harrison College of Business is accredited by AACSB International—the gold standard of business school accreditation—an honor held by only 5 percent of institutions offering business degrees worldwide.

- ▶ Employers and students value our techno-savvy environment. In a recent survey of 98 nationally known business programs, Southeast ranked in the top 7 percent in learning to use and manage technology.
- ▶ Our entrepreneurial studies program is Missouri's most comprehensive, offering options for both BSBA and MBA degrees. The Douglas C. Greene Center for Innovation and Entrepreneurship is one of the most comprehensive entrepreneurship-focused university centers in the Midwest.
- ▶ Southeast students have access to more than 30 international exchange and study abroad opportunities in London, Paris, Spain, Portugal and North Africa.
- ▶ One hundred percent of our students have the opportunity to participate in internship programs with companies nationwide.
- ▶ Doctoral level professors make learning interactive with classrooms that have Internet, cable TV, direct satellite feed and electronic presentation capability.
- ▶ St. Louis employers rate the "St. Louis Interview Days" as the best recruiting event in which they participate in the Midwest.
- ▶ Our accounting curriculum prepares students for the Certified Public Accountant (CPA) and Certified Internal Auditor (CIA) designations. Students may go to work directly into an accounting field or go on to complete the 150 hours required by Missouri, and other states, to sit for the CPA examination. Our first-time pass rates on the CPA exam continue to be well above the national average.
- ▶ Business programs are housed in Dempster Hall, a wireless Internet environment featuring an electronic presentation lab and more than 400 networked computers with the latest software.

College of Education

If you are considering teaching as a profession, you are looking at the right university. For more than a century, Southeast has been preparing and sustaining some of the nation's brightest and best teachers. Moreover, we have a record of accomplishment to prove it.

- ▶ Most importantly, our education program is fully accredited by the National Council of Teacher Education (NCATE), which sets the highest standards for teacher education programs nationwide.
- ▶ In the 2010 reaccreditation process, 12 of the 13 specialty professional association reports submitted by the College of Education received national recognition, and four are being used as examples of best practices in education nationwide.
- ▶ Because you begin assisting and observing in area classrooms starting in your first year, you accumulate more teaching practice and knowledge than graduates from other universities.
- ▶ The American Association of State Colleges and Universities (AASCU) featured Southeast as one of 20 national model programs.
- ▶ The American Association of Colleges for Teacher Education (AACTE) presented the college with the "Best Practice Award for Global and International Teacher Education."
- ▶ Southeast is one of only 33 institutions nationwide selected to be part of the White House Conference on Education, an honor no other Missouri institution has received.
- ▶ Our program was accepted into the prestigious Renaissance Group of Institutions.

STATE UNIVERSITY

College of Health and Human Services

Although there are diverse academic offerings in the College of Health and Human Services, all programs potentially lead to a career that significantly and positively impact the lives of individuals and families.

- ▶ Students in our nationally accredited nursing program consistently have a high pass rate on the state licensing exam and routinely enjoy a 100 percent placement rate after graduation.
- ▶ The recreation program is accredited by the Council on Accreditation for Recreation, Park Resources and Leisure Services.
- ▶ Our sport management program is one of 53 nationwide approved by the Sport Management Review Council and one of only a few in the Midwest.
- ▶ Students can participate in one of three state licensed centers—one for senior adults, a child enrichment center and our center for disabled adults.
- ▶ Air Force ROTC juniors and seniors can join the Professional Officer Corps, which allows you to assume commanding positions over members of the General Military Cadets.
- ▶ Our nationally accredited social work program requires students to complete 448 hours of field education under the supervision of experienced social workers.
- ▶ Southeast has a strong connection with the Law Enforcement Academy and has more than 30 years of partnerships in all branches of criminal justice at the federal, state and local levels. Our students intern with the U.S. Marshals Service; the ATF; the U.S. Secret Service; Federal Probation; Missouri Division of Probation and Parole; Missouri Youth Services and other law enforcement agencies.
- ▶ The dietetics program is accredited by the Commission on Accreditation for Dietetics Education and the American Dietetic Association. Our graduates have a success rate of nearly 100 percent on the national exam to become a registered dietitian.

College of Liberal Arts

An education in the liberal arts gives you broad-based training for careers in business, the arts, media, education and the legal profession.

- ▶ Southeast's mass communication program is accredited by the Accrediting Council on Education in Journalism and Mass Communications (ACEJMC). Only one other institution in Missouri has this elite accreditation. Our public relations program is one of only 28 institutions—none in Missouri—that holds certification by the Public Relations Society of America (PRSA). Only 12 other institutions in the world have recognition from both ACEJMC and PRSA for their mass communication program.
- ▶ Students can work at two campus radio stations (NPR affiliate KRCU 90.9 FM and KDMC 103.7), the *Arrow* student newspaper and "U2" cable television station.
- ▶ Our certified historic preservation program is one of a few U.S. programs that offer a four-year degree and is among a small number to have full membership in the National Council for Preservation of Education.
- ▶ During the last five years, Southeast's pre-law students have exceeded the national LSAT average score, and their placement rate in law school approaches 100 percent.
- ▶ Students majoring in philosophy have a 100 percent acceptance rate to graduate and law school.
- ▶ Our students make politics come alive by working on political campaigns and by serving as interns. Each year approximately 30 students from a variety of majors around the University travel to Washington, D.C. to conference with some of the nation's top scholars at the Center for Strategic and International Studies.

SOUTHEAST MISSOURI

College of

Science and Mathematics

The foundation of success in Southeast's College of Science and Mathematics is a faculty of teacher-scholars supported by well equipped laboratories and the latest technology, which offer our students personalized study and research opportunities during their undergraduate studies.

- ▶ Our popular computer science bachelor's program is nationally accredited by the Computing Accreditation Commission of the Accreditation Board of Engineering Technology.
- ▶ Our popular marine biology program is one of the only inland programs in the U. S., creating an opportunity for students to combine a traditional college experience with the study of marine life because of our collaboration with the Gulf Coast Research Laboratory in Ocean Springs, Miss.
- ▶ Southeast's pre-med curriculum prepares students for the MCAT (Medical College Admission Test). Our students are accepted to medical school at a rate that is well above the national average.
- ▶ Our chemistry graduates consistently score at or above the 70th percentile on the Major Field Achievement Test in Chemistry.
- ▶ Our engineering physics program is nationally accredited by the Accrediting Board of Engineering and Technology (ABET), the sole accrediting body of engineering programs. Southeast is one of only 20 similarly named engineering programs nationwide with this accreditation.

Graduates in
science and mathematics
enjoy a nearly
100%
placement rate.

School of

Polytechnic Studies

Today's industrial and agricultural environment is dynamic and highly dependent on technology. The Otto and Della Seabaugh Polytechnic Building features modern classrooms and laboratory space, teleconferencing and interactive television capabilities, fully networked computer labs, and an industrial space for training and research.

- ▶ All of the bachelor of science programs in the Department of Industrial and Engineering Technology are nationally accredited.
- ▶ Southeast is a designated Center of Excellence in Advanced Manufacturing Technology.
- ▶ In addition to a 252-acre David M. Barton Agriculture Research Center, there is a 110-acre rice research station, a new irrigated turf plot facility, and a modern soil fertility laboratory.
- ▶ The School of Polytechnic Studies operates the 11,000-square-foot, climate-controlled Charles L. Hutson Horticulture Greenhouse.
- ▶ Our new cybersecurity program is the only one of its kind in Missouri. The U.S. Department of Labor estimates there will be 135,000 new jobs in this field by 2018—a 21 percent increase in Missouri alone.
- ▶ The innovative sustainable energy systems management major responds to world needs to address global warming, air pollution and ecosystem destruction.

STATE UNIVERSITY

Earl and Margie Holland School of Visual and Performing Arts

Classic beauty and modern technology converge at Southeast's River Campus—Missouri's only campus dedicated exclusively to art, dance, music and theatre. Overlooking the Mississippi River, a Cultural Arts Center and transformed Seminary Building are now home to the Earl and Margie Holland School of Visual and Performing Arts. With the coming of this magnificent facility, the number of new students planning to major in the visual and performing arts doubled in one year.

- ▶ Art students have five interconnected art studios for painting, drawing, printmaking, fibers and design plus two computerized looms, as well as two presses in the printmaking studio and a computer design lab with the latest hardware and software available.
- ▶ Students find internships and professional experience at the Berkshire Theatre Festival, the Lucille Lortel Theatre in New York, the McLeod Summer Theatre or the University of Connecticut Summer Theatre and more.
- ▶ In 2008, the Golden Eagles Marching Band performed at the Edinburgh Military Tattoo in Scotland becoming only the second American university marching band to perform there twice.
- ▶ In addition to performances throughout the season, featuring world famous guest artists, the Southeast Missouri Symphony Orchestra exchanged music as well as culture in China when they performed concerts in Shanghai and Beijing in 2009.
- ▶ The River Campus gives students the opportunity to show their work in a variety of first-class venues: the 950-seat Donald C. Bedell Performance Hall is a proscenium theatre with spacious stage and backstage areas. The 200-seat Wendy Kurka Rust Flexible Theatre can be configured in unlimited ways for "black box" productions. The 200-seat Robert F. and Gertrude L. Shuck Music Recital Hall features nearly perfect acoustics. A student/faculty art gallery features technology that allows for the display of 3-D animation, as well as painting, prints, ceramics and sculpture. The Rosemary Berkel and Harry L. Crisp II Museum has an interactive educational theatre, art gallery for changing exhibitions and a permanent display featuring southeast Missouri.

Living on Campus

Southeast offers students 11 residence halls from which to choose. Each room has Internet access and cable TV. Nine dining areas are available with a variety of options. And, with more than 150 diverse organizations, students find plenty of opportunities to get involved.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

Dr. Kenneth W. Dobbins became the seventeenth president of Southeast Missouri State University on July 1, 1999 after serving as the University's Vice President of Finance and Administration from 1991 to 1993, and Executive Vice President from 1993 until his appointment as president. He previously held several positions in higher education administration at Kent State University in Ohio.

During his tenure at Southeast, academic programs have been enhanced, including establishment of a School of Polytechnic Studies and the Earl and Margie Holland School of Visual and Performing Arts which opened in Fall 2007 on the new River Campus. A comprehensive review of all academic and non-academic programs has been accomplished to maintain quality and minimize student fee increases in the face of significant state appropriation reductions. Southeast continues to be recognized nationally for many of its outstanding

accredited academic programs. For the seventh year in a row, Princeton Review recognized the Master of Business Administration program on its list of "Best Business Schools." GetEducated.com listed Southeast #1 on the list of "Top 10 Ranked Best Values Online MBAs-AACSB-Accredited"; Southeast is recognized in the top tier of the Midwest best regional universities in U.S. News Best Colleges for 2011; and Southeast was again named among the "Best in the Midwest" by Princeton Review. Additionally, StateUniversity.com ranked Southeast the safest college campus in Missouri.

Enrollment has increased significantly since a 20-year-low in 1994 when some 7,900 students attended Southeast. In Fall 2005, enrollment topped 10,000 for the first time, and stood at more than 11,200 in 2010. Additionally, record enrollments in higher education have occurred in the University's 25-county service region during his tenure due to the establishment of new regional campuses in Sikeston and Kennett and a higher education center at Perryville serving place-bound students in and near those rural communities.

During Dr. Dobbins' presidency, more than \$250 million in capital construction and building improvement projects have enhanced the University. The Seabaugh Polytechnic Building and the \$50 million River Campus were constructed. An innovation center and business incubator to promote entrepreneurship and enhance the region's economy opened on the campus in 2005; Southeast dedicated its new, state-of-the-art David M. Barton Agriculture Research Center in 2009; two new 300-bed residence halls were constructed in 2002 and 2009; and the University currently is in the midst of \$58 million in capital renovation, maintenance and repair projects including the renovation of the historic 105-year-old Academic Hall.

Dr. Dobbins has served a two-year term as president of the Missouri Council on Public Higher Education (COPHE), the organization for presidents

and chancellors of Missouri's public colleges and universities. In 2007, he was selected to serve a three-year term on the American Association of State Colleges and Universities (AASCU) Board of Directors, an organization which represents over 420 public college and university members and more than 3.7 million students or 56 percent of the enrollment at all public four-year institutions. He was elected Secretary-Treasurer of the organization in 2008, and currently serves as chair of the AASCU Board. Also, for the past seven years, he has served as one of five faculty members for the AASCU New Presidents' Academy. He previously served three years as president of the Ohio Valley Conference and is currently a member of the Conference finance subcommittee. In addition, he is a vice president of the executive board of the Greater St. Louis Council, Boy

Scouts of America, and in 2010, he was awarded the Silver Beaver Award, the highest honor bestowed upon a Boy Scout volunteer by a council.

He earned his B.S. degree in accounting from the University of Akron (Ohio) in 1971 and served as a commissioned officer and civilian executive in the U.S. Air Force for almost 10 years. He received the M.B.A. degree in 1979 from Old Dominion University (Virginia), and the Ph.D. in higher education administration in 1987 from Kent State. He is also a Certified Public Accountant in Ohio.

Dr. Dobbins and his wife, Jeanine Larson Dobbins, Founder and Director Emeritus of the Missouri Statewide Early Literacy Intervention Program based at Southeast, have a son, Paul, and a daughter-in-law, Stacey, who are both Southeast graduates, and a grandson, Lincoln Kenneth Dobbins.

SOUTHEAST MISSOURI STATE UNIVERSITY REDHAWK TRACK & FIELD

Cindy Gannon has been part of Southeast Missouri State University Athletics for more than 20 years.

In 2011-12, Gannon will serve as interim Director of Athletics in addition to continuing her role as Senior Woman Administrator. Gannon was named to the position for the second time in her career after John Shafer announced his retirement following three years of service.

Gannon officially began her duties as interim Director of Athletics on July 1 after completing her sixth year as Associate Director of Athletics and Senior Woman Administrator.

As Southeast's Associate Director of Athletics and Senior Woman Administrator, Gannon was in charge of event management, sports supervision, personnel recruitment and monitoring the department's compliance with gender equity, while serving as an institutional representative to the Ohio Valley Conference.

Gannon also led the efforts for the department's NCAA third-cycle recertification. This certification process evaluates the Athletic Department's commitment to three operating principles outlined by the NCAA, including governance and commitment to rules; academic integrity; and gender/diversity issues and student-athlete

well-being. Southeast delivered a report on its progress to the NCAA in April.

Gannon has been the driving force behind other major events such as the Women's Walk and Dig for Life which continue to grow each year.

The Fourth Annual Women's Walk reached record numbers and raised \$30,000 for the Redhawk Athletics Scholarship Fund in 2011.

Meanwhile, Dig for Life, which is a month-long campaign during the Redhawks volleyball season, brought in a record \$22,000 a year ago. Gannon started this special foundation in 2000 after losing her mother to breast cancer. The campaign raises money to fund 200 local women for mammogram screening, who otherwise could not afford it.

In addition, Gannon recently finished her fourth year as a member of the National NCAA Division I Volleyball Committee.

A native of De Soto, Mo., Gannon started working at Southeast as a graduate assistant with the volleyball team. Three years later, she took over as head coach.

Gannon was at the helm of the volleyball program from 1989-2004, where she compiled a 366-211 record and led Southeast to eight OVC Championships and four NCAA Tournament Appearances. Gannon was also named OVC Coach of the Year four times.

Following her coaching career, Gannon remained at Southeast to work in athletic administration. She was last appointed interim Director of Athletics in October, 2008.

Recognized by not only her peers for her exceptional coaching, Gannon was a recipient of the Southeast Missouri State University College of Education

Young Alumni Merit Award in 1998. She was recognized by her junior college alma mater when Mineral Area College selected her as an "Outstanding Alum." Gannon was also inducted into the De Soto High School Athletics Hall of Fame in 2009.

Gannon is a former member of the American Volleyball Coaches Association (AVCA) and National Association of Collegiate Women

Athletics Administrators (NAC-WAA). In 2000, she chaired Southeast's Midwest Region and was a member of the AVCA Division I Top-25 Selection and All-America Committees.

Gannon received her undergraduate degree in physical education (1985) and master's in higher education (1987) from Southeast. She resides in Cape Girardeau.
