SOUTHEAST TRACK & FIELD FACILITIES

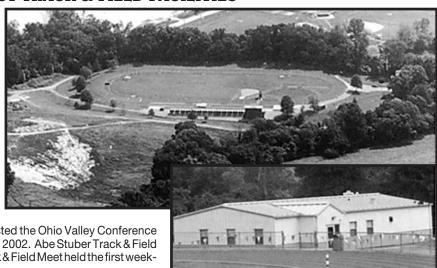

Abe Stuber Track & Field Complex

The Abe Stuber Track & Field Complex is one of the finest track facilities in the Midwest. It was dedicated in the spring of 1980 and was named after the late Abe Stuber who coached the Southeast track squads from 1932-46.

The Abe Stuber Track & Field Complex is on the north edge of campus in a scenic outdoor setting. The facility was designed strictly as a track and field complex and has served as the site of three NCAAII National Championships. It has a modern press box and seating for over 2,000 spectators.

The track and runways were completely resurfaced in 2001 and a new weight room and office complex was

completed adjacent to the track in 2002. Southeast hosted the Ohio Valley Conference Outdoor Track & Field Championships in 1993, 1995 and 2002. Abe Stuber Track & Field Complex plays host to the annual Gatorade Classic Track & Field Meet held the first weekend of every April in Cape Girardeau.

SOUTHEAST TRACK & FIELD TRAINING CENTER

The Southeast Track & Field Training Center was completed in the Spring of 2002. The 2,000 square foot complex which is located adjacent to the track, houses a 1,500 square foot weight room, track & field offices and storage. The Training Center is devoted solely to the Southeast Track & Field / Cross Country squads.

The completion of this \$300,000 project has given the Southeast Track & Field teams one of the best training situations found anywhere. The complex allows the men's and women's track teams to practice at any time, in a safe and efficient manner. This multipurpose building also provides a place for study halls, meetings and team functions.

The spacious weight room is equipped with seven multi-power racks and lifting platforms. It contains nearly 5,000 pounds of free weights, 3,000 pounds of dumbbells and numerous weight machines. Much of this equipment was bought with the generous support of the community and Southeast Track & Field Alumni.

REC CENTER RECORDS

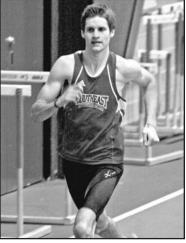

SOUTHEAST STUDENT RECREATION CENTER

The indoortrack & field facility is located in the Student Recreation Center. The four lane 185m track has a lightning fast Mondo surface and is complete with jumping and vaulting pits, as well as throwing areas. Complete weight training facilities are also located in the building just adjacent to the track.

The facility, which opened in 1986, provides the Southeast track teams with a track suitable for indoor workouts and conditioning. The Student Recreation Centeralso plays host to the Southeast Indoor Invitational which attracts several schools from the Midwest and is held annually every February.

Stymill Conley finished second in this year's 200 meter dash at the Redhawks Invitational.

Paul Stemmerman won the 1,000 meter and established a new school record in that event at this year's Redhawks Invitational.
