HOUCK FIELD**#20 WEST FLORIDA
SEPTEMBER 26****Phase One Complete**

- Phase One of the new Houck Field officially opened for the start of Southeast Missouri's 2023 football season.
- The Southeast Missouri State University Board of Governors took bold action to begin the first phase of construction for a new Houck Field on Sept. 24, 2021.
- Phase One included demolition of the original south grandstand structure and construction of a new south sideline, construction and replacement of the south sideline and grandstand of Houck Field as well as new seating, turf replacement, concession stands, restrooms, ADA access and associated HVAC, mechanical and other systems work.
- The original structure of Houck Field stood for 91 years before demolition following the 2021 season.
- Ground was broken for Phase One of the project on Sept. 6, 2022 with construction work done by Fager-McGee Commercial Construction.

- Houck Field is the doorstep to downtown Cape Girardeau and the front porch of the Southeast Missouri campus.
- Once complete, a reimagined Houck Field will be a statement of a stronger, healthier

university and be a shining jewel to anchor the downtown area.

- A new Houck Field will bring more visitors to the Southeast Missouri community and kindle new opportunities for local businesses.

Phase Two

- Because the initial design was cost-prohibitive, SEMO's Board of Governors chose not to award a contract and instead pivoted to a design-build approach.
- The university has partnered with a design criteria consultant, OSPORTS, to optimize the layout and fit envisioned for the original multi-level press box and facility building.

More than a Stadium

- With its prominent location on Broadway Street, Houck Field welcomes everyone who visits SEMO and its historic riverfront district.

Tom Matukewicz's Southeast Missouri football program is highly visible in the community and often engages in random acts of kindness.

Matukewicz simply uses goodwill to teach his players valuable life lessons.

- SEMO teamed up with the Cape Girardeau Police Department to raise money for the Minority Police Academy Scholarship Fund on Oct. 10, 2020. The event raised \$13,000, which helped fund two scholarships.
- In 2015, SEMO partnered with Saint Francis Medical Center to announce a new collaboration, taking the Redhawks' Pink Up efforts to a new level. As part of a Pink Up Jersey Auction, the football team raised over \$75,000 for breast cancer awareness over a four-year period. The Redhawks donned special pink jerseys, each personalized with a name in honor or memory of a survivor or loved one during this special initiative.
- Before its 2016 season- opener at Memphis, SEMO visited St. Jude Children's Research Hospital. Redhawk players, coaches and support staff toured the amazing facility that leads the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. SEMO donated teddy bears and other items along with a check for over \$500 to St. Jude Children's Research Hospital.
- On July 21, 2016, Matukewicz organized a Cops and Hawks flag football game which brought a whole community together in light of shootings in the United States. Redhawk players and local law enforcement officials were teammates in the event which raised \$4,500 for BackStoppers, a non-profit organization that provides needed financial assistance and support to the spouses and dependent children of fallen and injured service members in the line of duty.
- During SEMO's 2014 season- opener against Missouri Baptist, the Redhawk captains took a No. 14 jersey to midfield for the coin toss to honor the memory of Kaden Robert. Robert was a Kelly High School football player who died in an accidental shooting on June, 2014.
- A week later, Michael Douglas, a 16-year old from Kansas, accompanied the Redhawks on the sideline for their game against the Jayhawks on Sept. 6, 2014. Douglas was diagnosed with an interstitial lung disease when he was a year old and has to use an oxygen tank. The teenager initially contacted wide receiver Mike Cyliak for an autograph the summer before the 2014 campaign. Once Matukewicz heard the story, he wrote Douglas a letter and invited him to the game.
- SEMO's football program generously donated to the Nolan Weber Believers 5K & Fun Run/ Walk in nearby Jackson. Weber was a soccer player at Jackson High School who fought brain cancer for almost three years (doubling the life expectancy of what his illness normally came with) before he passed away. The contribution went to the Believing Beyond Nolan Weber Foundation that provides financial and/or spiritual/ emotional support to children and their families battling cancer and other catastrophic illnesses.
- In 2022-23, Matukewicz organized two L.E.A.D Revival professional development workshops that focus on leadership within any type of organization or team. The event affords participants the opportunity to learn the art of leadership and building/maintaining a championship culture.
