Coach Jason Conner is looking to improve upon his team's strong 18-10 performance last season, building around a solid returning core with a strong recruiting class to back them up. This year's schedule is no cupcake.

DSU will once again open its season with an exhibition game with the Ole Miss Rebels. From there, eight of the Statesmen's 12 non-conference games are on the road. That includes trips to Eastern Division foes, West Alabama, West Georgia, North Alabama, and West Florida. In fact, the Statesmen's first game at Walter Sillers Coliseum will not come until after Thanksgiving, on November 26th against the West Georgia Wolves. Then it's back on the road until mid-December including a trip to Richmond, Virginia to face perennial Division II power Virginia Union University on their home court.

Coach Conner has assembled a team capable of handling such a challenging schedule...

Johnny Hodge returns for his senior season, looking to continue leading the Statesmen in scoring and rebounds. The 6-5 Forward from Monroe, Louisiana was named to the All-GSC Second Team and was recently selected as a pre-season All-Conference selection.

Chad Akins was named the 2007 GSC Western Division Freshman of the Year. He led the team in assists (74) and steals (42) last season.

Ray Selvage comes to Delta State after two years at Pearl River Community College. The 6-8 Wesson native averaged 16 points per game, 12 rebounds per-game and six blocks per game at center. Selvage was a two-time All-Conference selection as a forward.

Oliver Monsour joins Selvage at the post. The 6-7 Mt. Eliza, Australia native transferred to Delta State after two seasons at Beville State Community College. Mansour was named Second Team All-Conference his freshman season, averaging 12 points per game and eight rebounds per game.

Bradley Skipper will join the Statesmen after playing two seasons at Pensacola Junior College. The 6-7 forward started two seasons at PJC, who competes in the Panhandle Conference, arguably the best junior college league in the country. The Pace, Fla. native averaged eight points, six rebounds, and three assists per game.

Eric Spencer is a native of Marion, Arkansas. He is transferring to DSU from Arkansas Ft. Smith. The 6-4 shooting guard averaged six points, and four rebounds a game his freshman year. He was a Junior

College Academic All-American, boasting a 3.8 grade point average.

Justin Duke, a native of New Albany, played two seasons at Itawamba Community College under coach Marty Cooper. The 6-3 guard was the glue that kept the Indians battling for a spot at the top of all Mississippi junior college teams for the 2006-07 season. He averaged 11 points, four rebounds and three assists per game on a team that had eight sophomores, two D-I players and made it to the National Tournament in Kansas.

Earnesto Green played two seasons at East Central Community College under coach Maurice Bowie. Green earned All-Conference honors and was selected to play in the Mississippi North vs. South All Star Game. He was voted team captain of the 2006-07 Warriors by his peers. The 6-2 guard from Jackson led his team in scoring with 17.7 points and 4.8 assists per game.

Conner rounds out his 2007 signing class with the addition of two true freshmen guards. Ryan Stevens comes to Cleveland from Orlando, Fla. While at Orangewood Christian HS the 6-3 Ryan averaged 19 points, 5.5 rebounds and, 4.2 assists per game. He was a member of the First Team All-Orange County Team. Stevens led the team in scoring his junior and senior year.

Xavier Ruth lettered for three years at Shannon High School under Coach Tim Vaughn. In three seasons with the Red Raiders, Ruth earned All-District all three straight seasons and All-State his senior year. The 6-3 guard demonstrates his consistency in the stat sheet, Ruth averaged 24.4 points and six rebounds per game over 3 seasons.

The Statesmen received 33 points, good for a tie for third place, along with Ouachita Baptist in the GSC Coaches' Pre-Season Poll. Coach Jason Conner's squad even received two second place votes. This is a testament not only to the perceived strength of DSU's returning players and new additions, but also the continued strength, top-to-bottom, in the Western Division of the Gulf South Conference. It will be a difficult challenge, but a good one as far as Coach Conner is concerned, "the schedule is tough, but it will be a good test for our team. If we can take care of business we will be in good shape for regional tournament consideration."

ADMINISTRATION

Head Coach Jason Conner

Second Year • Lakeland, Fla. • Belhaven College, 1987

- Master's of Health, Physical Education and Recreation - Delta State University (1989)
- Bachelor of Science in History and Political Science - Belhaven College (1987)
- 18-10 Record at DSU after 1 season.
- 8-6 Record in the Gulf South Conference after 1 season.

Last Season:

- Finished 5th in the Gulf South Western Division.
- Qualified for the Gulf South Conference Tournament.

Jason Conner enters his second year at the helm of the Delta State Men's Basketball program. A strong recruiting class and the return of senior forward Johnny Hodge and the GSC west Co-Freshman of the Year, point guard Chad Akins should help advance his Statesmen team deeper into the post-season. Conner is looking to improve on the foundations his young team built last year.

In his first season he led his first Statesmen squad to an overall 18-11 record and an appearance in the 2007 Gulf South Conference Tournament, this after losing 97.2 percent of the offensive production from the 2006 Gulf South Champion team. He is looking to improve upon that success this season.

Before taking the head job Conner served seven seasons as the primary assistant coach under former head coach Steve Reeves.

Prior to joining the Statesmen program, Conner served the 1998-99 season as an assistant coach and recruiting coordinator at the University of South Alabama. The 1999 Jaguar recruiting class ranked in the Top 10 nationally.

Conner spent the 1997-98 season at the University of Houston as the recruiting coordinator and assistant coach on the Cougars staff. Before taking the position at the University

Lauren, Emma Grace, and Jason Conner

of Houston, Conner was the head men's basketball and golf coach at his alma mater Belhaven College. During his stint as head coach of the Blazers, Conner guided Belhaven to the GCAC Tournament and a solid post-season finish.

The Lakeland, Fla., native got his first collegiate coaching opportunity as a graduate assistant for the Statesmen from 1987-90. During that time Conner was able to learn the ins and outs of on-the-floor coaching and the high-stakes game of recruiting.

Conner would use his time at DSU to gain a spot on current Lady Statesmen head coach Sandra Rushing's University of Texas-El Paso staff. He would serve as an assistant coach and recruiting coordinator for the Lady Miners from 1990-93.

A 1987 Belhaven College graduate with a bachelor's degree in History and Political Science, Conner received a master's degree in Health, Physical Education, and Recreation from Delta State University in 1989.

Conner is married to the former Lauren Wilson of Jacksonville, Florida. Lauren is a teacher at Presbyterian Day School.

He is the son of Rev. Jerry and Norma Conner of Lakeland, Florida. They have a one-year-old daughter, Emma Grace.

Jason Conner enters his second season at the helm of the Statesmen

Prior to coming to DSU, Potts served as head coach of the junior varsity and as an assistant to David Bell at Tupelo High School.

While at THS, Potts led the junior varsity team to a record of 45-7 in three seasons as head coach. Prior to joining Bell's staff, Potts spent the 2002-03 season coaching at Greenville-Weston High School. The Hornets finished the year with a 20-9 mark.

The Indianola native first entered the coaching ranks as a Graduate Assistant from 2000-2002 at Delta State under the legendary Statesman coach Steve Rives.

Dr. John Hilpert • President

When Dr. and Mrs. John Hilpert were presented as the new president and first lady of Delta State University in the summer of 2003, he said to those present at the announcement, "You won our hearts." His words conveyed the message that the warmth of the Delta State community combines with its determination to make meaningful contributions to the Mississippi Delta in ways that are both unique and appealing. Since he

arrived and took office on September 1, 2003, his appreciation for the mission of the university has deepened. He has worked with the faculty and staff to set an agenda that will accomplish an ambitious and straightforward goal: Delta State University will be the best regional university in America.

Dr. Hilpert served as president of Northern State University in Aberdeen, South Dakota, from 1997 until he assumed the presidency of Delta State. During his tenure at NSU, the university strengthened its marketing efforts and completed a successful multi-million dollar campaign. Integrating technology into the university's academic programs was another major goal during the Hilpert years. Northern received legislative designation as the Center for Statewide E-learning in 2001, and today the university offers daily classes to more than one-third of the state's school districts from ten studios on the campus. Another of Northern's specialized programs is the Center of Excellence in International Business. Even as it provides academic offerings, this unique Center works with the Governor's Office of Economic Development to link South Dakota businesses with overseas opportunities and to bring foreign investments to the state. Like Delta State, Northern is known for its competitive athletic programs in Division II of the National Collegiate Athletic Association (NCAA).

For seven years prior to his arrival at Northern, Dr. Hilpert served the University of South Dakota as Vice President for University Relations, and for an interim term as Acting President. He has also held senior administrative posts at Thiel College in Pennsylvania and at Finlandia University (formerly Suomi College) in Michigan, during the 26 years of his career in higher education. External relations and fund raising have been among the focus areas throughout Dr. Hilpert's career. He has written proposals competing successfully for millions of dollars in grant funds and has surpassed the goal in each capital campaign he has led.

Dr. Hilpert earned his doctorate – Ph.D. in Higher Education Administration – from the Center for the Study of Higher Education at the University of Michigan. His research into factors leading to enrollment success was grant-sponsored. During his doctoral studies, he was honored with the prestigious Brubacher Award for scholarship by the faculty of the University of Michigan. He earned both a Master of Divinity degree from Concordia Seminary in St. Louis and a Bachelor of Arts degree from Concordia Senior College in Fort Wayne, Indiana. He also holds a two-year diploma from St. Paul's College in Missouri.

Throughout his career, Dr. Hilpert has served various organizations on boards, task forces, and committees. He was for seven years a member of the South Dakota Workforce Development Council, a state policy group appointed by the governor. As a member of the American Association of State Colleges and Universities, he has served as an appointee to both the Commission for the Rural/Regional Agenda

and the Task Force on Teacher Education, as well as being selected for the organization's Council of State Representatives for both South Dakota and Mississippi. Dr. Hilpert has served as a governing board member for two Chambers of Commerce, and has been co-chair of a hospital financing task force. He has testified before several state legislative committees and a select committee of the U.S. House of Representatives. Several of his articles have appeared in scholarly or other publications.

In recognition of his years of service to the state, Governor Michael Rounds designated July 3, 2003 as Dr. John Hilpert Day in South Dakota.

The Hilperts celebrate a winning entry at an alumni event

Dr. Hilpert and his wife, Pat, have been married for 32 years. Both grew up in Missouri, he in Cape Girardeau and she in St. Louis. They have three sons, Joshua, 26, Zachary, 23, and Adam, 22, as well as a two-year-old granddaughter, Julia. Pat spent 27 years as a Registered Nurse, serving in different settings as a nurse administrator and educator. She is also a published photographer who has exhibited her creative works in a variety of galleries and won several awards, including one co-sponsored by the Smithsonian Institution and the SD Department of Tourism. The Hilperts enjoy antique collecting and outdoor recreational activities.

Dr. John and Pat Hilpert

We Are Mississippi's Regional University

There is a vitality that draws you in, an energy that attracts you instantly. It's magnetic and it is felt by those who visit and those who linger on the Delta State University campus.

As Dr. John M. Hilpert, Delta State's seventh president, said at his 2003 inauguration ceremony, "Delta State University has won our hearts."

His words conveyed the message that the warmth of the DSU community, combined with its steadfast determination to make meaningful contributions to the Mississippi Delta, make this university a special and worthwhile place to learn, to live, to work and to play.

Originally proposed by a group of leading citizens who wished to see this area progress educationally, culturally and economically, the university was established by the state legislature as a regional teachers college in 1925.

Today, Delta State – located in Cleveland – still follows the same principles with a vision of commitment to students. Delta State University pledges that students will learn and grow in an environment that fosters discovery and creativity.

"Delta State is about the whole person," Hilpert maintains. "That is to say we think about educating students in multi-dimensional ways – classrooms, libraries, laboratories, technology centers, playing fields, offices, conference rooms, and social settings. Opportunities to learn are everywhere."

To that end, DSU pursues an agenda that works to accomplish an ambitious, yet laudable goal of becoming the best regional university in America, as it combines a heritage of academic strength with a robust commitment to serving people and communities, particularly in the Mississippi Delta.

Jeremy McClain

Director of Athletics • First Year • Houlka, Miss. • Delta State University, 1999

- Doctorate in Educational Leadership - Delta State University (Expected 2009)
- Master's of Business Administration - Delta State University (2002)
- Bachelor of Science in Business - Delta State University (1999)
- Proven fundraiser with years of experience in the corporate sector
- Former All-American pitcher for coach Bill Marchant and coach Mike Kinnison
- All-time leader in victories at Delta State and Gulf South Conference with 45
- Drafted by Boston Red Sox in May 1999

Jeremy McClain is set to begin his first year as Director of Athletics at Delta State University. McClain officially took the reigns of Delta State's Department of Athletics on July 1.

"Jeremy has shined consistently throughout this process. He has shown tremendous character, readiness and capability; and ultimately, he proved he was the right person for the job," Delta State University President, Dr. John M. Hilpert offered. "I am confident he will lead the Delta State athletic department with diligence and drive. We look forward to enjoying continued successes under Jeremy's leadership."

McClain served DSU as Director of Development with the Delta State Foundation until June 30. McClain has been associated with athletics nearly his entire life. A standout two-sport athlete at Houlka High School, McClain turned heads with his prowess on the baseball diamond and earned a full scholarship to attend Delta State University.

An ace for the Statesmen pitching staff from 1996-1999, McClain still holds many of Delta State's career pitching marks, including most appearances (69), most victories (45), most strikeouts (324) and most innings pitched (363.1). His perfect 15-0 season in 1999 earned the prolific hurler All-American, All-Region and All-Conference accolades, as well as team MVP honors.

The hard-throwing right-hander was drafted by the Boston Red Sox organization in May 1999 after he earned his bachelor's of business administration. McClain pursued his dreams of playing professional baseball for the next five years, completing stints with the Red Sox (1999 - 2000), Jackson Diamondkats (2000 - 2001), Nashua Pride (2001), San Angelo Colts (2001) and Jackson Senators (2002 - 2003).

Although focused on making it to the next level, McClain remained realistic of his chances and completed work on his master's degree in business administration at Delta State in 2002. Also during that time, he worked as an account executive with the Jackson Senators.

He contends, "If you can sell minor league baseball, you can sell anything. That experience was invaluable in so many ways, and I'm thankful for the opportunity."

From there, McClain hung up the spikes and became a marketing representative for Federated Insurance Company in Calhoun City, a firm he would stay with from Nov. 2003 - Nov. 2006. During his tenure, he operated the most profitable territory in a six-state region for two consecutive years, while also improving a two-year loss ratio from 20.4 percent to 3.3 percent.

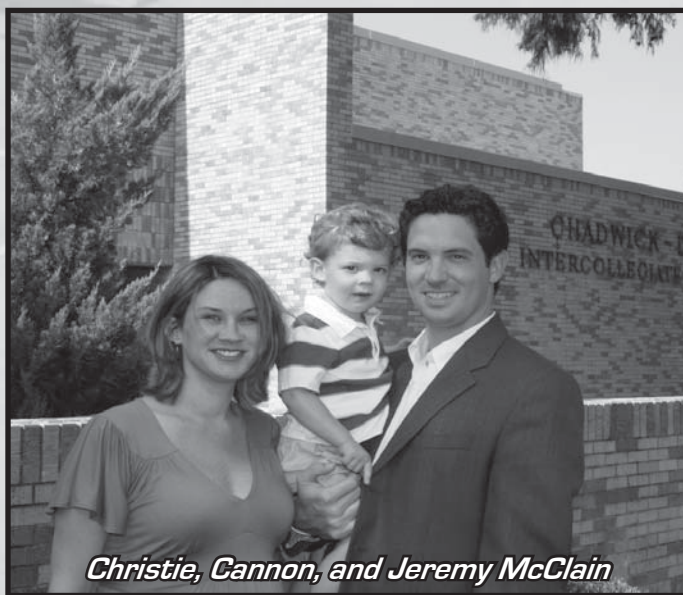

This past fall, the opportunity to return to Delta State presented itself and McClain did not hesitate, accepting the offer to become the director of development for Delta State's Foundation. In just under six months, he has raised a total of \$165,000 in cash gifts and over \$250,000 in pledges.

Of his newest position as director of athletics, McClain said, "I would like to thank Dr. Hilpert, Dr. Strahan and the search committee for their time and efforts during this process. Giving of their time to serve on this committee is a prime example of the important role athletics plays on the Delta State campus."

"This is a tremendous opportunity for me and my family," he continued. "A great foundation has been laid here at Delta State University, and it is my desire to continue to build upon that foundation. We will graduate student-athletes and prepare them for their futures. We will continue to be one of the most successful athletic programs in the nation, and we will continue to strive for growth. We will not slow down."

He is a 1999 graduate of Delta State University with a bachelor's degree in business. In 2002, McClain completed his master's degree in business administration, and is currently pursuing a doctorate degree in educational leadership from Delta State University.

McClain is married to the former Christie Cannon of Calhoun City. The couple has one son, Cannon (2) and are expecting a baby girl this summer.

Jordan was hired in the summer of 2003 as the Assistant Athletic Trainer under Hunter Moore. Jordan, alongside former trainer Tim Colbert, Dr. Duke Barnes, Hunter Moore and the College of Education began formulating a plan to introduce Athletic Training as a major at DSU in 2003-04. STATESMEN TRADITION

The deck seemed stacked against Jason Conner in his first season as head coach at Delta State. Little remained from the 2006 Gulf South Conference Champion team that won 30 games and finished the season ranked number one in the nation. The team's leading scorers, Jasper Johnson and Jeremy Richardson, who accounted for a full 97 percent of DSU's offensive production, had moved on to pursue professional careers. Coach Conner, himself, had not been in the first spot on the bench in over a decade, and following such success as that amassed by his predecessor, Steve Rives, only added to the pressure.

With all the expectations placed upon his team to measure up to the tradition of excellence that basketball fans in the Delta have come to expect, Conner had no choice but to meet them. Thankfully, the cupboard was not completely bare. Two starters, senior guards Marlon McCoy and Trumaine Rice, were more than ready to step into leadership roles. McCoy averaged 14.1 points per game, and a total of 105 rebounds and 73 assists. Rice averaged 16.8 points per game, 106 rebounds and 36 steals. Fellow returning seniors Josh Williams and Derrick White provided added experience on the floor. Williams handled the ball well and grabbed 112 rebounds. White scored 229 points on the season. Conner and his staff went out and recruited a strong class of transfers and true-freshmen to fill out the remainder of his roster. Freshman point guard Chad Akins showed amazing poise and control, leading the team in assists (74) and steals (42). Junior forward Johnny Hodge surpassed all other newcomers, scoring 457 points on the season, an average of 16.9 points per game, both team-leading stats. He also managed to pull down 158 rebounds (5.9 per-game) to lead the team in that category as well.

The Conner-Era at Delta State officially began with an impressive 66-49 win over Clark-Atlanta in their first game in the 10th Annual State Farm Classic at Walter Sillers Coliseum. The second game of the Classic saw the Statesmen fall in a nail biting 60-61 contest to Miles College, a game that the Bears later had to forfeit. The Statesmen continued to roll, winning 13 of their next 14 games, including a thrilling 75-68 overtime win in Livingston over West Alabama, and conference wins against Ouachita Baptist, Arkansas-Monticello, Harding and Southern Arkansas. This early success garnered Delta State its first national ranking since the end of 2006. They broke in at the 22nd spot after the conference opener against OBU. They continued to climb, getting as high as 17th before the win streak, then at 12 games, came to an end against 20th-ranked Christian Brothers in Memphis on January 20th.

The ranking was the highest of the season for the Statesmen, but the loss of national recognition did not prevent Conner's team from continuing to play high-octane, thrilling basketball down the stretch of the conference schedule. The Statesmen closed out the regular season on a disappointing 4-8 run. It was particularly hard to deal with when considering that, excluding an overtime loss at OBU and the final regular season game at regular season champion Henderson State, the Statesmen lost those 8 games by an average of only four points a game. The wins were equally close. The games against Harding and Monticello were won by a combined seven points in the closing minutes of each game.

As hard as a finish like that is, the team still managed to pull together and qualify for the final spot at the Gulf South Conference Tournament in Southaven, with a 74-69 win over the Wonder Boys of Arkansas Tech. Before the tournament, Conner was asked how he felt having the chance to defend the 2006 title.

"It doesn't feel like tournament time should be here, but our guys are excited about the chance to play in the GSC Tournament," said Conner. "This year's tournament is loaded with talented teams and to defend our title will be a great challenge." Conner concluded, "I think our guys are up to it."

GSC-West Co-Freshman of the Year
Chad Akins

True to form, the final score of the Statesmen's opening round game with Alabama-Huntsville was razor thin. DSU went in seven points down at the half, then came out of the locker room and outscored the Chargers 13 to three to start the second half. In the end, however, Huntsville sent the Statesmen home in the first round for the first time since the 1984 GSC tournament, ending the Statesmen's hopes of a title defense with a 74-69 victory.

Several Statesmen garnered conference recognition at the end of the year for their performances over the season. Turmaine Rice was named to the All-GSC First Team based on his impressive offensive statistics. He hit 69 three-pointers to lead the team, shooting 43.9-percent from behind the arc. Marlon McCoy and Johnny Hodge were each named to the All-GSC Second Team. The three members of the post-season teams gave Delta State more representatives than any other school in the GSC West Division. For his effort, Chad Akins earned Delta State its first Freshman of the Year award since the 1996-97 season, when Chris Sykes took the honor. It marked only the fifth time in school history that a Statesmen freshman received the award. Johnny, Marlon and Turmaine were also named the Gulf South Conference West Division Player of the Week at various times throughout the season.

"Turmaine, Marlon, Johnny and Chad have worked hard to get this team to where it is today," said DSU head coach Conner. "They bought into our system from day one."

When everything on paper said that 2006-2007 would be a "rebuilding year" for the Delta State Statesmen, Conner and his team rose to the pressure and posted an 18-10 overall record and received recognition in national polls as well as post-season accolades. The Conner Era started strong, with a continuation of the expectation of excellence that continues to make Delta State Basketball one of the most respected programs in all of NCAA Division II. A foundation they look to build upon this season.

OPPONENT INFORMATION

2007-2008 STATESMEN MEDIA GUIDE

THE GULF SOUTH CONFERENCE

The GULF SOUTH CONFERENCE (GSC) enters its 35th year of excellence, continuing a tradition of growth and success that has brought it distinction as one of the elite NCAA Division II conferences. With 15 universities in six southeastern states, the GSC is the largest playing Conference in Division II.

GSC members feature comprehensive athletic programs that compete for 13 official conference championships: football, men's and women's cross country, men's and women's soccer, women's volleyball, men's and women's basketball, baseball, softball, men's and women's tennis and men's golf. In 2003, the GSC conducted a provisional championship in women's golf, which will continue in 2004.

We take pride in our 37 National Team Championships in 10 sports and the emphasis on academic success by our coaches and student-athletes. Christian Brothers University joined the list of GSC National Champions in 2002, capturing the Women's Soccer Championship, the league's first in soccer. This last year, West Florida won their first men's tennis championship while Delta State captured their first baseball championship.

Originally known as the Mid-South Conference, the GSC was formed by six universities in the summer of 1970: Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin and Troy State. Due to scheduling problems during the 1970-71 academic year, the only league sport was football. Jacksonville State won the league's first championship.

In 1971, the league changed its name to the GULF SOUTH CONFERENCE, added Southeastern Louisiana (SELA) and Nicholls State (increasing the membership to eight), and opened an office in Hammond, LA. The following year, Mississippi College and Northwestern Louisiana (NWLA, now Northwestern State) were admitted. NELA withdrew to go Division I two years later, followed by SELA and Nicholls State in 1979.

The conference continued with seven teams until 1981, when the presidents admitted Valdosta State. West Georgia joined in 1983. Eight years of stability ended in 1991 when Tennessee-Martin and Troy State went Division I, briefly dropping the GSC back to seven members, before the beginning of an expansion resulting in ten new members: Lincoln Memorial (1992-93); Alabama-Huntsville, Henderson State, Central Arkansas and Mississippi University for Women (1993-94); West Florida (1994-95); and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas (1995-96). Jacksonville State went Division I at the end of 1992-93. Mississippi College dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the Conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA conference at any level with 18 schools. The Conference membership decreased to 17 when MUW dropped its athletics program at the end of the 2002-03 season.

Former Commissioner Jim McCullough moved the GSC office to its present Birmingham location. The current Commissioner, Nathan (Nate) N. Salant, has been in office since October 1992. He is assisted by Sports Information Director Michael Anderson, Assistant Sports Information Director Tim Andrzejewski, Assistant Sports Information Director Michael Banks and Office Manager Andrea Nguyen. The Supervisors of Officials are Billy Johnson (Football), John Caldwell (Basketball-West) and Mike Murphy (Basketball-East).
