**ABOUT THE RONNIE MAYERS AQUATICS CENTER**

Inside the Delta State Department of Health, Physical Education, and Recreation is one of Mississippi's finest collegiate swimming and diving facilities, the Ronnie Mayers Aquatics Center.

The center was designed by Singleton Architects, P.A. and built by Roy Collins Construction, Inc. Funding for the \$6.2 million project was provided by the Mississippi Legislature during its 1998 and 1999 sessions.

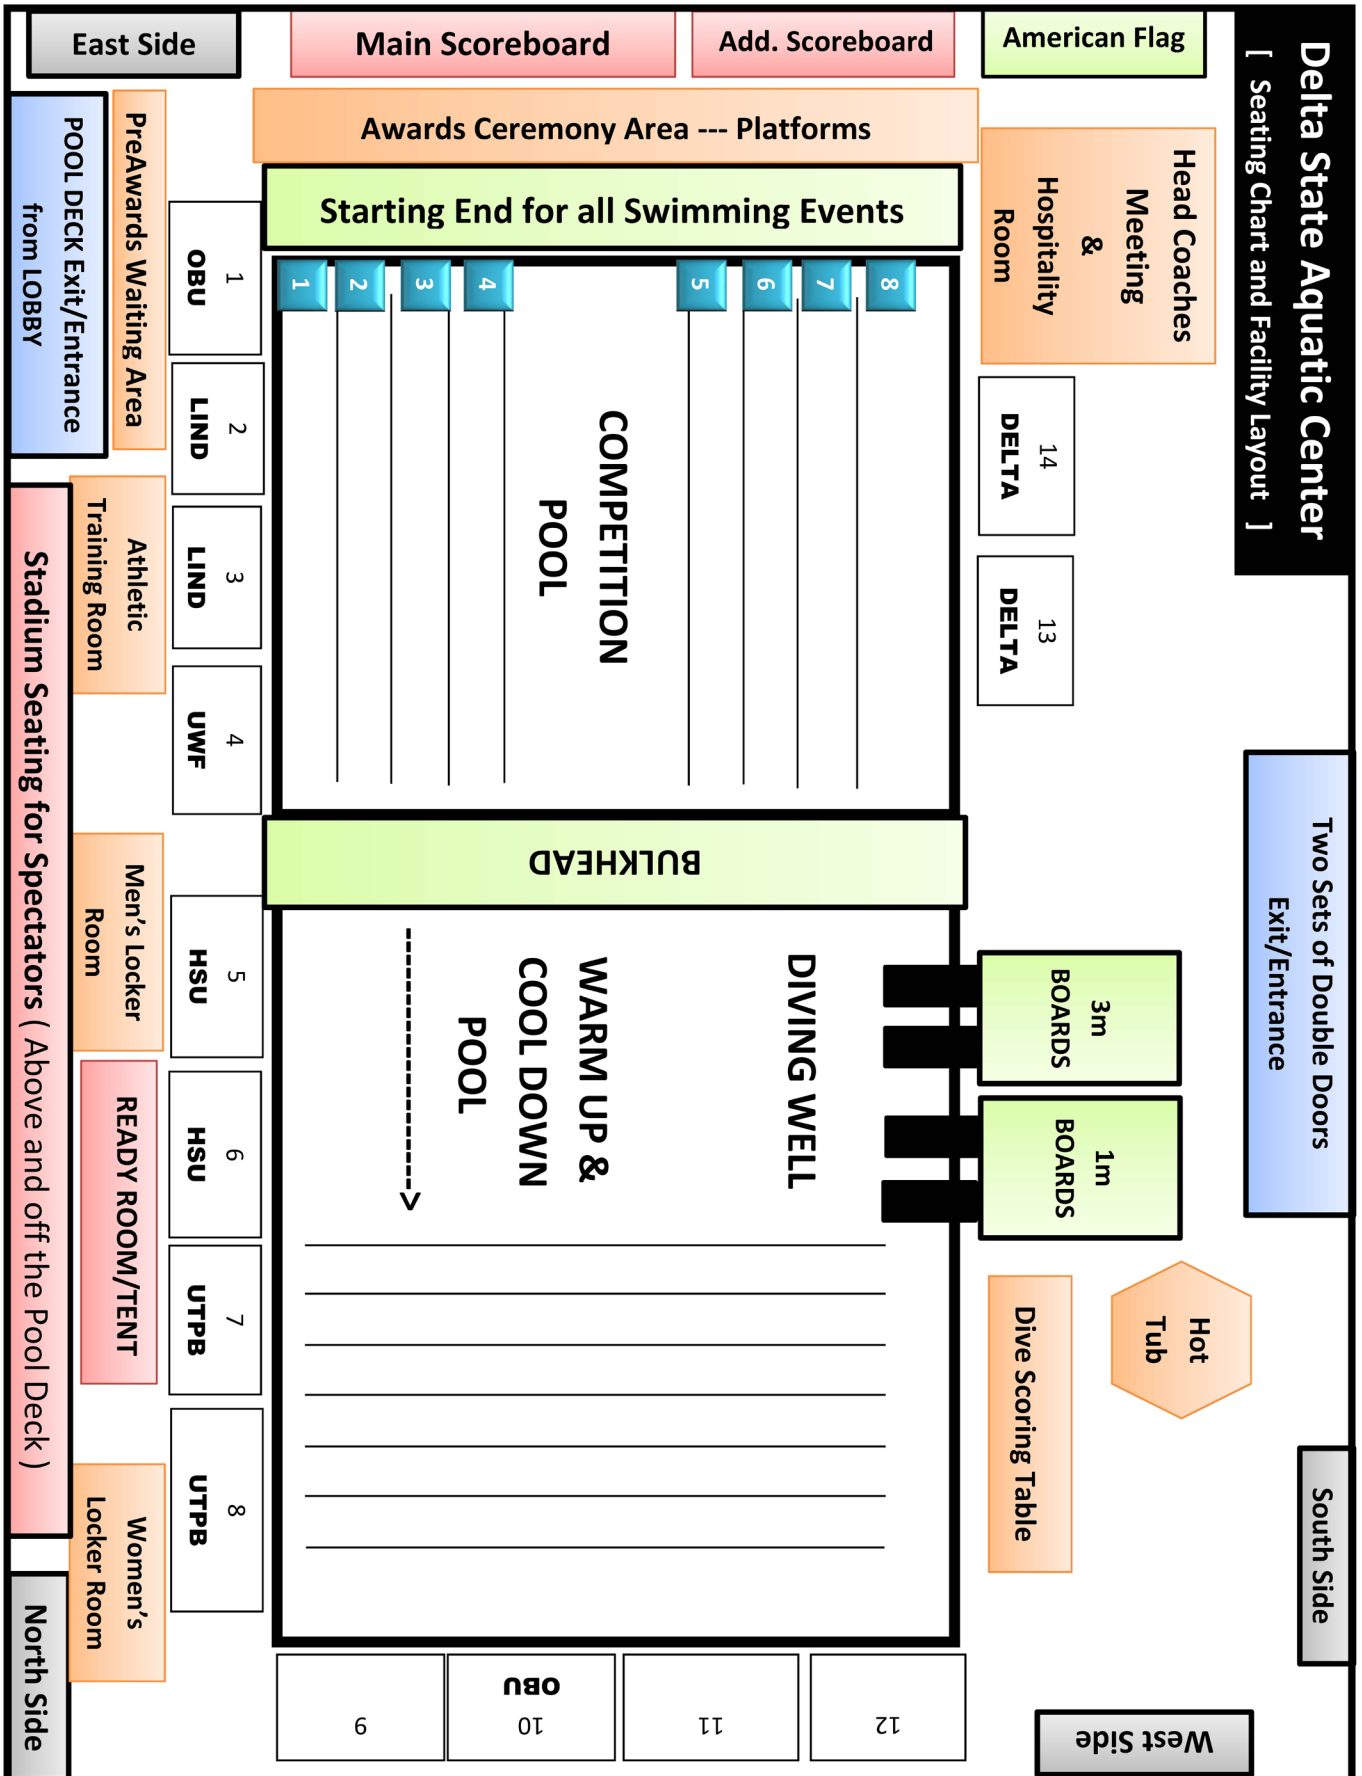

Construction on the facility was completed on Jan. 10, 2001. Former head coach, Delta State Athletic Director, and Director of Aquatics Ronnie Mayers oversaw the transformation and led the first official competition in the new facility on Jan. 20, 2001. In 2019, it was dedicated in his honor.

The Aquatics Center includes a 60-meter by 25-yard pool with moveable bulkheads, and a separate diving well. The facility has enough seating capacity to accommodate over 2,500 swimming enthusiasts, men's and women's dressing rooms, an athletic training area, and offices for the staff.
