# UNIVERSITY OF BRITISH COLUMBIA

## UBC | PROUD HOST

Only 15 minutes from the heart of downtown Vancouver, the University of British Columbia holds an international reputation for excellence in advanced research and learning, as well as high performance varsity athletics. More than 60 undergraduate and masters programs are offered to UBC's 48,000 students, a group that includes 4,000 international students from 120 countries.

The spectacular UBC campus is a 'must-see' for any visitor to the city - where snow-capped mountains meet ocean, and breathtaking vistas greet you around every corner. The university boasts some of the city's best attractions and recreation facilities, including the Doug Mitchell Thunderbird Arena - a 2010 Olympic venue-, picturesque Thunderbird Stadium,

and historic War Memorial Gym, not to mention endless opportunities to explore forested trails in the adjoining 763-hectare Pacific Spirit Regional Park.

As Canada's global university, the University of British Columbia measures its success against the best universities worldwide. Ranked 40th in 2013, UBC has ranked in the top 40 of the world's best universities for 10 years in the Shanghai Jiao Tong University Institute of Higher Education rankings, a survey recognized by the Economist as being "the most widely used annual ranking of world universities."
