

**Note:** This roster includes the names of student-athletes who played league games for the varsity Thunderbirds. It is as complete and accurate as we have been able to make it. The material has been gathered from the Ubyyssey, Canada-west game participation list and athletic department records. UBC has participated in the NAIA as in independent, WCIAA, CWUAA, Canada-West, Pacific North-Western Intercollegiate Athletics and the Evergreen conference. The war years of 1943-44 and Covid'19, 2020 are excluded. Corrections will be made when proper documentation is provided. To date over 2,100 have dressed for league games, including and 110-varsity letterman who have completed all 5-years of eligibility.
