CSU Pueblo -- Last Time Out vs. Black Hills State (10/19/24)...

** - The Pack extended its RMAC win streak to 13 consecutive games two weeks ago with its 24-21 home win over Black Hills State in the ThunderBowl. The 13 game conference win streak is currently the second longest active streak in Division II football.

** - In the game against Black Hills State, the Pack's win was keyed by a single-game school record three blocked kicks, including two blocked field goals by **Cody Ramming** that led to touchdowns - a school-record 75-yard return by **Ben Wilson** for the game's first score and a 58-yard return by **Eli Pittman** to give the Pack a 14-7 lead in the second quarter, and a blocked punt by **Shallum Peter**. In addition, **Jacob Willig** won the game on his game-winning 40-yard field goal with seven seconds left in the game.

** - The Pack offense was held to a season-low 209 yards of offense as they rushed for 148 yards on 20 carries (7.4 yards per carry) and passed for a season-low 61 yards, which is the fewest passing yards in a game for the Pack since passing for 94 yards last season at home against Mines. The Pack also had a season low 10 first downs and held the ball for just 13:18.

** - **Howard Russell V** was the lone bright spot offensively for the Pack as he carried the ball 15 times for 102 yards and scored the Pack's lone offensive touchdown on an 18-yard run in the third quarter. It was Russell's fifth straight 100-plus yard rushing game this season.

** - **Roman Fuller** started at quarterback and was 4-for-11 passing for 30 yards, while **Devin Larsen** was 5-for-10 passing for 31 yards and added 31 yards rushing in the win.

** - On defense, the Pack allowed a season-high 509 yards of offense to the Yellow Jackets as they passed for 297 yards and rushed for 208 yards. BHSU also had 30 first downs and tallied a time of possession of 46:42. The Pack did record a sack and forced one turnover in the game.

** - **Thomas Webb, Jr.** and **Gary Seidenberger** led the Pack defense with 13 tackles each, while **Jon Nuschy** tallied 11 tackles and two-time All-American **Daniel Bone III** had 10 tackles.

CSU PUEBLO-WESTERN COLORADO NOTES

** - The Pack face the Mountaineers for the 31st times on Saturday as CSU Pueblo holds an 18-12 all-time lead in the series, but Western Colorado has won the last three matchups, including posting a 30-14 win last season in the ThunderBowl. The Pack are also just 7-7 in the series in Gunnison, including falling 14-7 in Gunnison in 2021.

** - Saturday's game will mark the fourth of five road games this season for the Pack as they are a perfect 3-0 on the road and have won seven straight road games since a 57-49 double overtime loss last season at Grand Valley State. The seven game road win streak is the second longest active streak in Division II football.

** - It marks the second consecutive season that both teams are nationally-ranked when they face each other.

** - Western Colorado is one of six remaining undefeated teams this season in Division II.

PRESEASON NOTES...

PACK PICKED THIRD IN RMAC PRESEASON POLL: CSU Pueblo was tabbed to finish third in the 2024 Rocky Mountain Athletic Conference football preseason that was released on July 31. In the poll, the Pack earned 66 points to sit 16 points in front of Colorado Mesa (50 points), who was tabbed fourth. Colorado Mines, who earned 79 points and seven first place votes, was tabbed the preseason favorite in the preseason poll, while Western Colorado was tabbed second with 74 points and three first place votes voted on by the league's head coaches and the coaches couldn't vote for their own teams.

HEAD COACH PHILIP VIGIL ENTERS SECOND SEASON IN 2024: Philip Vigil enters his second season as the Pack's head football coach. In his first season directing the Pack, Vigil led the program to an 8-3 overall record and a 7-2 mark in the RMAC. After opening the season by losing three of its first four games (all three losses came to teams that advanced to the NCAA Division II Playoffs), the Pack closed the 2023 campaign by winning its final seven games. The eight wins helped the Pack achieve its 14th consecutive winning season. Vigil, who was hired as the Pack's head coach in late December 2022 following the retirement of longtime Pack head coach **John Wristen**, is entering his fourth season as a collegiate head coach in 2024 and has compiled a 15-17 overall coaching record as he went 7-15 in two seasons (2021-22) at Western New Mexico prior to coming to CSU Pueblo. Since the Pack football program became a four-year athletic program in 1963, Vigil is just the fifth head coach in school history and just the second in the program's Division II era.

ASSISTANT COACH CHANGES IN 2024: One season after bringing in almost an entirely new coaching staff, Vigil has made some changes to his coaching staff for the 2024 season. The new assistant coaches are **Brian Natkin**, who will serve as the co-offensive coordinator and work with the Pack offensive line, while **Kevin Peterson** joins the coaching staff as the cornerbacks coach. While Natkin and Peterson are the two newcomers to the coaching staff, Vigil also made some additional changes to his staff for the 2024 season as **Brayle Brown** will serve as the offensive coordinator after being the co-offensive coordinator and quarterbacks coach in 2023, while **Neema Behbahani** moves over from coaching cornerbacks in 2023 to coaching the Pack linebackers this season and **Caid Faske** will just serve as the defensive coordinator this season after being both the Defensive Coordinator and linebackers coach last season. Two former players from last season's team have joined the 2024 coaching staff as **Chance Fuller**, who was the Pack's starting quarterback in 2023, will coach the quarterbacks this season, while **Kaden Shelton**, who played on the defensive line last season, will serve as a defensive assistant coach this season. The other assistants this season are - **Mac Alexander** (Associate Head Coach/Defensive Backs/Special Teams Coordinator), **Josh Atkinson** (Receivers/Recruiting Coordinator), **Jordan Dodge** (Tight Ends), **Blake Moffett** (Running Backs), **Rashad Harris** (Director of Sports Performance) and **Herman Smith** (Defensive Line).

BONE EARNS PRESEASON ALL-AMERICAN HONORS: In *Lindy's College Football Preview Magazine*, senior defensive back **Daniel Bone III** was named a First-Team All-American in the magazine's Division II preview section. Additionally, Bone was also named a First-Team D2Football.com Elite 100 Preseason Watch List selection, while senior receiver **Reggie Retzlaff** was named to the Offensive Squad on the D2Football.com Elite 100 Preseason Watch List.

1,000-YARD CLUB: There are 22 CSU Pueblo players that have rushed for 1,000 career yards since the program became a four-year program in 1963:

RMAC GAME TO OPEN 2024 SEASON: For the first time since the 2017 season, the Pack will open the 2024 season by playing a RMAC game against South Dakota Mines in Rapid City, S.D., on Thursday, Aug. 29. The early conference game came about after the NCAA allowed Division II football teams to play a Week Zero game (Aug. 29-31) on its schedule. The South Dakota Mines game was originally scheduled for Saturday, Oct. 28, but by moving the game to the first game of the season, the Pack will now have a bye week before its final stretch of three games against Western Colorado, Mines and Chadron State to close the regular season.

PACK WILL PLAY SIX HOME GAMES IN 2024: For the second consecutive season, the Pack will play six home games in the CSU ThunderBowl, including opening its home schedule by playing three straight games against UT-Permain Basin (Sept. 7), Grand Valley State (Sept. 14) and Colorado Mesa (Sept. 21). In addition to those three home games, the Pack will host New Mexico Highlands for Homecoming 2024 on Oct. 5 and host Black Hills State on Oct. 19 and closing its regular season home schedule on Nov. 12 against Colorado School of Mines, who is the two-time defending NCAA Division II National Runners-up.

GRAND VALLEY STATE GAME MARKS ANNIVERSARY OF SCHOOL'S FIRST-EVER FOOTBALL GAME AS A FOUR-YEAR SCHOOL: The Pack's home game on Sept. 14 against Grand Valley State will mark the 38th anniversary of Pack football's first-ever football game as a four year school. On Sept. 14, 1963, CSU Pueblo (then Southern Colorado State University) played host to Emporia State at Dutch Clark Stadium in Pueblo in the school's first-ever football game as a four-year school. Prior to 1963, the school was called Pueblo Junior College and played two-year football. In that 1963 game, SCSU fell 21-20 to Emporia State and would finish that inaugural first four-year season playing football with a 3-5 overall

PACK TO HONOR 2014 NATIONAL CHAMPIONSHIP TEAM THIS SEASON: The Pack celebrate the 10th Anniversary of the school's 2014 NCAA Division II National Championship football team at the Pack's home game on Nov. 12 against Colorado School of Mines. The 2014 Pack team, which was coached by **John Wristen**, posted a 14-1 overall record and captured its fourth straight RMAC title and won the national title with a 13-0 win over Minnesota State-Mankato in the championship game, which was played in Kansas City, Mo.

NCAA TO ALLOW TABLETS ON FIELD THIS SEASON: One of the big rule changes this season from the NCAA is to allow the use of sideline and press box tablets through the league's replay system provided by SkyCoach. The NCAA Football Rules Committee recently approved using tablets on the sideline and in the press box for the coaches and players for the 2024 season and the Pack, along with the other nine RMAC schools, will be allowed to have five tablets available this season for the coaches to use per RMAC rules.

PACK TRACKS...

RMAC WIN STREAK REACHES 13 STRAIGHT: Thanks to its hard-fought 24-21 home win two weeks ago against Black Hills State, the Pack extended its win streak in RMAC play to 13 consecutive victories dating to last season. The 13-game conference win streak is currently the second longest active streak in Division II football and the longest streak among RMAC schools after Mines had its 24 game RMAC win streak snapped with its 14-13 loss at Colorado Mesa nearly a month ago. The 13 game conference win streak for the Pack is the longest since winning 14 straight league games from 2014-15. The current 13 game RMAC win streak began with a 43-10 win at home last season against Adams State on Homecoming 2023. The Pack closed the 2023 season by winning seven straight RMAC games and they have opened RMAC this season by its first six league games. During the current 13 game RMAC win streak,

Oct. 5. The 67 points scored were the fourth most points scored in a game in school history and just the sixth time the Pack has scored 65 or more points in a game. Along with scoring a season-high 67 points, the Pack also scored 39 points in the second quarter, which are the most points scored by the Pack in a quarter since scoring 40 points in the second quarter against Fort Lewis in 2021. The 95 combined points against New Mexico Highlands were the most ever in a homecoming game for the Pack and the 67 points scored were the second-most ever scored by the Pack in a homecoming game as they tallied 75 points in a 75-3 win over Fort Lewis on Homecoming 2022.

ROBINSON TAKES HOME RMAC SPECIAL TEAMS PLAYER OF THE WEEK HONOR:

Redshirt junior **Reece Robinson** became the fifth Pack football player this season to earn an RMAC Player of the Week honor on Monday, Oct. 7 and the first to earn Special Teams Player of the Week accolades. Robinson earns this week's RMAC Special Teams Player of the Week honor after returning his first career punt return 73 yards for a touchdown in the 67-28 Homecoming win this past Saturday over New Mexico Highlands. The 73-yard punt return for a touchdown was the longest offensive play of the season for the Pack, the longest punt return in the RMAC this season and the first for the Pack since **Andrew Cook** returned a punt 70 yards for a score last season against Western Colorado. Robinson's punt return gave the Pack a 36-0 lead with 7:30 left in the second quarter. In addition to his lone punt return touchdown, Robinson, who is the first Pack player to earn an RMAC Special Team Player of the Week accolade since sophomore running back **Moosah Alsaffar** was honored twice during the 2023 season, also caught two passes for 34 yards and had 107 all-purpose yards in the win.

PACK GAINS SEASON-HIGH 718 YARDS OF OFFENSE AT ADAMS STATE:

In the Pack's 66-10 win at Adams State, the Pack gained a season-high 718 yards of offense as they averaged 10.4 yards per play as they run 69 plays in the victory. Against the Grizzlies, the Pack rushed for a season-high 301 yards on 38 carries and averaged 7.9 yards per carry and passed for 417 yards, which is the second-highest passing yardage mark in school history behind the school-record 548 yards passing in the season opener at South Dakota Mines. Since the program reboot in 2008, the Pack have now recorded 10 games of 600 or more yards of total offense with four of those 10 games occurring since the beginning of the 2023 season.

PACK SCORES SEASON HIGH 66 POINTS AT ADAMS STATE, 56 POINT MARGIN IS TIED FOR SEVENTH BEST IN SCHOOL HISTORY: Against Adams State on Sept. 28, the Pack scored 66 points, which is tied for the fifth most points scored in a game by the Pack in school history. It was just the seventh time in school

history that the Pack has scored 60 or more points in a game. Meanwhile, the 56 point margin of victory is tied for the seventh largest in school history and the highest for the Pack in a game since last year's school record 78 point win (85-7) at Fort Lewis.

DEFENSE HOLDS GRIZZLIES UNDER 200 YARDS:

While the Pack offense scored a season-high 66 points and gained a season-high 718 yards of offense against Adams State, the Pack defense also stepped up as they held the Grizzlies to 141 yards on 72 plays. The Grizzlies averaged 2.0 yards per play as they finished with 59 yards rushing on 41 carries and averaged 1.4 yards per rush and passed for 82 yards and averaged just 6.8 yards per completion.

CONFERENCE HOME OPENERS: Since the Pack returned to the gridiron in 2008, Saturday's RMAC home game with Colorado Mesa two weeks ago marked 16th season that the CSU Pueblo opened its RMAC home schedule. The Pack is now 12-4 in their RMAC home openers, but snapped a two-game losing skid in RMAC home openers with its win last Saturday over Colorado Mesa. It will marked the first time since rebooting the football program that Pack opened its home RMAC schedule against Colorado Mesa. The Pack have played Western Colorado the past two seasons in its first RMAC home game.

PACK IN HOME OPENERS: The Pack's home opener on Sept. 7 with then 21st-ranked UT Permian Basin marked the 38th home opener since 1963, including the 16th home opener since the program reboot in 2008. Since 1963, the Pack is 26-10-2 in home openers, including being 12-4 in home openers since 2008. The Pack have won just four of its last seven home openers and has now won two straight home openers.

THUNDERWOLVES STRONG IN THUNDERBOWL:

One of the biggest successes of the Pack program since restarting the program in 2008 is their ability to win home games in the CSU Pueblo ThunderBowl. Since 2008, the Pack have posted a 78-19 overall record in the ThunderBowl and have won at least five home games in a season nine times, including posting undefeated marks at home in 2014 (8-0), 2017 (5-0) and 2018 (5-0). Along with being 78-19 at the home, the Pack are 15-8 at home against non-conference foes, including being 10-4 in regular season non-conference home games after its 24-21 loss to then No. 3 ranked Grand Valley State this season. Four of those eight losses at home have come against Grand Valley State as they fell in the NCAA Playoffs to the Lakers in both 2013 (34-30) and 2015 (31-7) and in regular season contests in 2022 (35-10) and 2024 (24-21). 14 CONSECUTIVE WINNING SEASONS: With its win at Fort Lewis three weeks ago, the Pack assured themselves of its 14th consecutive winning season. The

streak began in 2009 and including that year, the Pack has posted a 138-34 overall record, including three undefeated regular seasons, 14 seasons with at least seven wins, nine seasons with at least nine wins and seven seasons with at least 10 wins, highlighted by the school-record 14-win NCAA Division II National Championship team in 2014. During this streak, the Pack has earned seven Rocky Mountain Athletic Conference championships and have advanced to the NCAA Division II Playoffs nine times, including winning the national title in 2014. Also a highlight of the past 13 years was a 33-game RMAC win streak that stretched from Oct. 23, 2010 to Oct. 11, 2014. CSU Pueblo came into the 2024 season as one of only two football programs in the state of Colorado (Colorado School Mines is the other) at any level to boast 13 consecutive winning seasons.

STRONG SCHEDULE FOR PACK IN 2024: Once again, the Pack will play one of the toughest schedules in Division II football this season as their 11 opponents combined for a record of 72-57 during the 2023 season, including both of the Pack's non-conference foes UT-Permian Basin (10-2) and Grand Valley State (11-2) each advancing to the NCAA Playoffs in 2023 and posting a 21-4 overall record. Overall, the Pack will play for NCAA Playoff teams from last season as RMAC foes Colorado School of Mines and Western Colorado also advanced to the playoffs. Last season, the Pack's three losses (Grand Valley State, Western Colorado and Colorado School of Mines) came against NCAA Playoff teams that finished with a 35-5 overall record.

THREE STRAIGHT 11-0 REGULAR SEASON SEASONS IN 2011, 2012 AND 2013: From 2011-13, the Pack posted three consecutive 11-0 undefeated regular season records and is one of just two teams in NCAA Division II history to accomplish the feat. In fact, the Pack won a total of 58 games and went 58-5 from 2011-15, including winning a school record 14 games in 2014 en route to claiming the 2014 Division II National Championship. During that stretch, the Pack won 42 straight regular season games from 2011 through the first five games of the 2014 season, which was the second-longest streak in Division II history behind only Grand Valley State, who posted 48 straight wins from 2004-09. That 42 game winning streak ended with a 23-22 road loss to Fort Lewis on Oct. 11, 2014.

NINE NCAA PLAYOFF APPEARANCES SINCE 2011: Since 2011, Pack Football has made nine trips to the NCAA Division II Playoffs and has posted a 9-8 all-time in the playoffs, including capturing the 2014 Division II National Championship. The Pack have qualified for the playoffs in 2011, 2012, 2013, 2014, 2015 (which were later vacated due to an NCAA violation), 2017, 2018, 2019 and 2022. The only seasons that the Pack haven't made the playoffs since restarting football in 2008 were 2008, 2009, 2010, 2016 and 2021.

61ST SEASON OF INTERCOLLEGIATE FOOTBALL IN 2024: CSU Pueblo is celebrating its 61st season of intercollegiate football in 2024 as the school began football as a junior college program in 1938 with **Dale Rea** as the coach. The first Pueblo Junior College team went 1-3-2 and would on to post an 81-92-11 overall record as a two-year program. The first four year season in football came in 1963 as Southern Colorado State, who was coached by **Joe C. Prater**, went 3-5-0. From 1963 to 1984, the program posted a 114-99-4 overall record and a 50-49-1 record in conference play.

RETZLAFF HAS SEASON FOR RECORD BOOKS IN 2023: Reggie Retzlaff has a

season for the record books in 2023 as the senior receiver caught a school record-tying 12 touchdown receptions. The 12 touchdown receptions tied the mark set in 2022 by redshirt senior receiver **Andrew Cook**. The prior record before Cook set the new mark in 2022 was 11, which was held by three players (Paul Browning, John Trahan and Casey Tolle). On the season, Retzlaff caught 48 passes for a team-high 805 yards and averaged a team-best 16.8 yards per reception and 73.2 receiving yards per game. He had three games with 100 or more receiving yards and caught at least two touchdown passes in four games, including three touchdown receptions on three catches at Fort Lewis. The 12 touchdown passes were tied most in the RMAC and eighth nationally in Division II.

STRONG OFFENSE IN 2023: The Pack offense was strong during the 2023 season as the Pack ranked in the Top 25 in NCAA Division II in scoring - (9th, 42.0 points per game), passing offense (7th, 289.7 passing yards per game), total offense (16th, 446.3 yards per game), red zone offense (15th, 87.8 percent) and completion percentage (17th, 64.4 percent). In addition, the Pack was also in the Top 5 in the RMAC in scoring offense, passing offense, total offense and was third in first downs (22.1 per game) and third down conversions (43.9 percent).

DEFENSE STRONG AS WELL IN 2023: While the Pack offense was strong in 2023, so too, was the Pack defense under first-year defensive coordinator **Caid Faske**. The Pack defense ranked in the Top 5 in the RMAC in passing defense (3rd, 189.1 yards per game), scoring defense (4th, 23.8 points per game), total defense (4th, 330.7 yards per game), rushing defense (5th, 141.6 yards per game) and led the league in sacks (3.27 sacks per game), was second in turnover margin (+12) and was third in both total interceptions (13) and red zone defense (77.8 percent).

PACK WINS 2023 DIVISION II STATISTICAL TITLE FOR KICKOFF RETURN YARD-AGE: The Pack took home an NCAA Division II national statistical championship during the 2023 season as they led Division II football in kickoff return yardage per game. During the 2023 season, the Pack returned 20 kickoffs for 599 yards and averaged a Division II-best 30.0 yards per return. The Pack also returned three kickoffs for touchdowns, which was tied for tops in Division II with Northwood (Mich.). The three kickoff return touchdowns was also a single-season record.

ALSAFFAR TIED FOR D-II LEAD IN KICKOFF RETURN TOUCHDOWNS: Despite only returning three kickoffs during the 2023 season, redshirt freshman **Moosah Alsaffar** made quite an impression as he returned two of those three kickoffs for a touchdown, which tied for the most in Division II and tying a single-season school record. On the season, Alsaffar returned three kickoffs for 228 yards and averaged 76.0 yards per return as he returned a 96 yard kickoff for a touchdown against Colorado Mesa and added a 100-yard kickoff return for a touchdown against Black Hills State. The 100-yard kickoff return for a touchdown was one of 10 recorded during the 2023 season.

BONE HAS NOSE FOR FOOTBALL: Two-time All-American defensive back **Daniel Bone III** continues to have a nose for the football as he is now seven games into his senior campaign having collected eight interceptions in his Pack career and is just two interceptions shy of becoming the 12th player in school history to record 10 career interceptions. Last season, Bone recorded two interceptions and also tied for the team lead in tackles with 84. As a team, the Pack recorded 13 interceptions, which was third-best in the RMAC.

CROELL HAS RECORD SETTING PERFORMANCE IN 2022 SEASON OPENER AT MIDWESTERN STATE: Senior **Steven Croell** had his best game of his collegiate career in the 2022 season opener at Midwestern State. Against the Mustangs, Croell was 24-for-38 passing for a then single-game school record 396 yards and he had a career-high five touchdowns and one interception. The five touchdown passes were the most in a game since **Rex Dausin** tossed a school record six touchdown passes at Black Hills State in 2016. Along with passing for 396 yards, Croell also gained 29 yards rushing for a

single-game school record 425 yards of total offense. Croell played in seven games and made six starts at quarterback during the 2022 season. On the season, Croell was 75-for-124 passing for 849 yards and had seven touchdowns and three interceptions. He recorded an efficiency of 131.8 on the year and completed nearly 61 percent of his passes. Croell enters this season as one of three quarterbacks that competed for the starting quarterback job. The other competitors in preseason camp for the No. 1 quarterback were Western New Mexico transfer **Devin Larsen** and University of Tulsa transfer **Roman Fuller**, who is the cousin of last year's starting quarterback and current Pack quarterbacks coach **Chance Fuller**.

PACK STRONG AT TAKING CARE OF FOOTBALL IN 2023:

Another strength for the Pack in 2023 was their ability to take care of the football as they were second in the RMAC and were 16th in Division II in turnovers lost with 12. On the season, the Pack had eight interceptions and lost four fumbles. In addition, the Pack was second in league and 13th nationally in turnover margin (+12) as they collected 13 interceptions and forced 11 fumbles. The Pack won the turnover battle in seven of its 11 games last season, including a +5 margin in the season opener against Midwestern State. In that game, the Pack threw had one turnover (an interception) and the defense forced six turnovers (two interceptions and four fumbles).

DEFENSE CONTINUES TO BE STRENGTH FOR PACK: Since restarting the football program in 2008, Pack has made playing defense a staple of its program. Since 2011, the Pack have had one of the most stingiest and unforgiving defense in all of Division II as they have finished in the Top 20 nationally in scoring defense almost every season. The Pack led the country in 2011 and 2014. Additionally, the Pack has also ranked in the Top 25 in turnover ratio (or turnovers gained) in all but one season, including ranking 23rd in 2023 as they gained 24 turnovers. The Pack led the country in that category in both 2014 and 2018. In 2023, the Pack allowed 23.8 points per game, which was fourth-best in the RMAC and were fourth in the RMAC in total defense as they allowed 330.7 yards per game.

PACK STRONG IN RED ZONE IN 2023: The Pack offense was once again strong in the red zone last season as they converted on 36 of its 41 (87.8 percent) red zone scoring chances, which was third-best in the RMAC and 15th nationally in Division II. The Pack scored 32 touchdowns and made four field goals in the red zone last season. Since the beginning of the 2022 season, the Pack are 78-for-87 (89.6 percent) in the red zone as they finished the 2022 season 42-for-46 (91.3 percent) in the red zone and were 36-for-41 (87.8 percent) last season.

21 STARTERS, 65 LETTERMEN RETURNING: The Pack welcomes back 21 starters (8 on offense, 9 on defense and 4 on special teams) and 65 lettermen from last season's squad that posted an 8-3 overall record and was third in the RMAC with a 7-2 record.

Colorado State University Pueblo Head Football Coach Philip Vigil

Philip Vigil is eight games into his second season as the head coach of the Colorado State University Pueblo football program in 2024. Vigil was named just the

fifth football coach and the second since the program was restarted in 2008 in the history of the ThunderWolves' program in December 2022.

Vigil's appointment as the Pack's new football coach came following the retirement of longtime CSU Pueblo head coach **John Wristen**, who was hired by his alma mater to resurrect the ThunderWolves football program in 2007. Wristen spent 15 seasons (2008-22) as the head coach.

"I'd like to express my gratitude to President (Dr. Timothy) Mottet and Dr. (Paul) Plinske. My family and I are incredibly excited to return to Colorado," Vigil said about returning to his home state as CSU Pueblo's head coach. "I'm thankful for the time we had in Silver City and for the support of our friends and colleagues at Western New Mexico University. Melanie and I are looking forward to joining the Pack and becoming active members of the Pueblo community. Coach Wristen established a great program at CSU Pueblo. I'm honored to be named as the second coach in ThunderWolves' history and I'm eager to get to work."

In his first season with the Pack in 2023, Vigil led the program to an 8-3 overall record and a 7-2 mark in the Rocky Mountain Athletic Conference. His first Pack team ended the season by winning seven straight games. Vigil's team led NCAA Division II in kickoff return average as they averaged 29.95 yards per return.

Meanwhile, the Pack offense ranked in the Top 10 in NCAA Division II in passing offense (7th, 289.7 yards per game) and scoring offense (9th, 42.0 points per game) and fewest sacks allowed (10th, 0.91 per game), while the Pack defense was ranked 10th nationally in quarterback sacks as they averaged 3.27 per game.

Vigil, who is no stranger to the Rocky Mountain Athletic Conference as he played at Colorado Mesa from 2005-08 and also coached with the Mavericks from 2012-14 and spent one season coaching at Colorado School of Mines, arrived at CSU Pueblo after spending the last two seasons (2021-22) as the head football coach at Western New Mexico University, which is an NCAA Division II school in the Lone Star Conference that is located in Silver City, New Mexico.

Under Vigil's leadership, the Mustangs recorded the program's first winning season in the LSC since 1993 during the 2022 campaign. During Vigil's tenure, the Mustangs' football program earned 22 All-Conference awards from the LSC, including a program-best 17 selections in 2022. Those 17 selections were the most for the program in its LSC history.

Following a 30-year championship drought, Vigil led the Mustangs to the Chile Bowl Championship in 2022 as Western New Mexico defeated its rival, Eastern New Mexico, 38-24. The win over Eastern New Mexico culminated a 6-5 season in 2022. The six wins

were the most for the program since the 2005 Mustangs team posted a 5-5 overall record.

Prior to Vigil's arrival, the Mustangs football program had won a total five football games over a span of four seasons.

Prior to getting his first head football coach position at Western New Mexico, Vigil spent 12 seasons as an assistant football coach at the collegiate level.

Vigil came to Western New Mexico in 2021 after serving as the running backs coach and recruiting coordinator for Head Coach Colby Carthel at NCAA Division I Stephen F. Austin in 2019 and 2020.

During his time with the Lumberjacks, Vigil played a pivotal role in Stephen F. Austin in recruiting back-to-back Top 5 recruiting classes and back-to-back No. 1 recruiting class in the Southland Conference.

On the coaching front at Stephen F. Austin, Vigil coached freshman running back Ja'quarion Turner to First-Team All-Conference honors in 2020. The 2020 SFA team captured its first winning season in over a decade by posting a 6-4 record. The only four losses that season came against Football Bowl Subdivision (FBS) programs.

Prior to coaching at Stephen F. Austin, Vigil coached four years at (2015-18) as Fort Hays State University in Hays, Kan., as the program's Pass Game Coordinator and Recruiting Coordinator.

During his time at Fort Hays State, the Tigers posted a 36-12 overall record and qualified for the postseason all four years and won back-to-back Mid-America Intercollegiate Athletic Association (MIAA) in 2017 and 2018.

In both 2015 and 2018, under Vigil's leadership, two different Tiger quarterbacks (Treveon Albert in 2015 and Jacob Mezera

in 2018) would break school records for both total yards and total touchdowns. Those two quarterbacks would also go on to earn both All-Conference and All-American honors.

Before arriving at Fort Hays State in 2014, Vigil was the Associate Offensive Coordinator and Quarterbacks Coach for three seasons (2012-14) as his alma mater, Colorado Mesa University. During his time coaching at Colorado Mesa, the Mavericks won a total 15 games over three seasons and also won 13 conference games during that same time period.

From 2010-11, Vigil spent two seasons coaching running backs at NCAA Division II powerhouse Northwest Missouri State University. During his tenure with the Bearcats, two of his running backs earned All-Conference and All-American honors.

As a team, the Bearcats posted a 22-5 record over Vigil's two seasons in Maryville, Mo., and he was part of the coaching staff when the Bearcats won 46 consecutive games in MIAA play. In 2010, Northwest Missouri State finished ranked No. 3 in the final AFCA Division II Top 25 poll and advanced to the National Semifinals, while a season later, he helped the Bearcat offense lead Division II in scoring as they averaged 48.6 points per game.

2024 NFFCG PLAYERS OF THE WEEK

SEPTEMBER 3, 2024

DEVIN LARSEN, COLORADO STATE PUEBLO

Senior | QB | 6-4 | 230 | Gilbert, Ariz. | Queen Creek HS | Western New Mexico

In his Pack debut as the starting quarterback, Larsen had a record setting night in the Pack's 35-6 season opening win at South Dakota Mines. He completed 66.7 percent of his passes as he was 30-for-45 passing for a single-game school record 508 yards and tossed five touchdown passes and did not throw an interception. The 30 pass completions were also a single game school record. The 508 yard passing game marked the first-ever 400-plus yard passing game in school history and is the eighth-highest total in the state of Colorado history. The 508 yards is also the top passing performance so far in all of NCAA football (FBS, FCS and Division II). His five touchdown passes was one shy of the single game record of six. In addition, he also finished the game with a school record total offensive yardage mark of 495 yards, which bettered the previous mark of 425.

Honorable Mention: Grant Uyl (Air Force), Travis Hunter (Colorado), Liban Shongolo (Colorado Mesa), Justin Marshall (Colorado State), Stone Walker (Fort Lewis)

SEPTEMBER 10, 2024

The 70-yard touchdown reception is the longest offensive play of the season for the Pack and second longest on the team. Retzlaff helped the Pack to a 40-23 win over the Falcons to move to 2-0 on the season and extend its winning streak to nine straight games, which is the second longest active streak in Division II football. On the season, Retzlaff has caught 18 passes for 405 yards and is averaging 22.5 yards per reception and 202.5 receiving yards per game.
