PRESEASON NOTES...

PACK TABBED CO-FAVORITES IN RMAC PRESEASON POLL: CSU Pueblo was tabbed as a co-favorite in the 2025 Rocky Mountain Athletic Conference Preseason Coaches' football poll that was released on July 31. In the preseason poll, the Pack were tied with Western Colorado for first place as they earned 76 points, including each team earning five first place votes, four votes for second and one vote for third. Colorado School of Mines was tabbed third with 66 points, while Colorado Mesa was tabbed fourth with 58 points. Last season, the Pack claimed the program's ninth all-time RMAC title in football as they finished the season with a 9-0 record in league play. The preseason poll was voted on by the league's head coaches and the coaches couldn't vote for their own teams.

PACK LEADS WAY WITH NINE PLAYERS NAMED TO PRESEASON ALL-RMAC TEAM: Along with releasing the coaches' preseason poll, the league also released its 2025 Preseason All-RMAC Team. The RMAC's preseason teams were determined by placing returning players in order of head coaches' votes from the league's 2024 All-RMAC Teams. The Pack led the way with nine players selected - 3 on offense, 4 on defense and 2 on special teams. The offensive players selected were senior receiver **Reggie Retzlaff**, junior offensive lineman **Tyler Ethridge** and senior offensive lineman **Domingo Prince II**. Meanwhile, on defense, junior linebacker **Gary Seidenberger**, junior safety **Kahden Rullo**, junior cornerback **Donovan English** and senior cornerback **Keith Mckaney** were selected, while on special teams, senior punt returner **Zack Rakowsky** and senior long snapper **Brayden Starmer** were Preseason All-RMAC selections.

HEAD COACH PHILIP VIGIL ENTERS THIRD SEASON IN 2025: **Philip Vigil** enters his third season as the Pack's head football coach. In his second season directing the Pack in 2024, Vigil led the program to a 10-2 overall record and a 9-0 mark in the RMAC. The Pack claimed its ninth all-time RMAC title and first outright title in 2013 and also earned the No. 1 seed in NCAA Division II Super Region 4 and hosted a second round home playoff game in the CSU Pueblo ThunderBowl. In 2024, the Pack closed the regular season winning its final eight games and its two losses came to schools that finished the 2024 season with a 22-6 overall record. In Vigil's first season in 2023, the Pack posted an 8-3 overall record and a 7-2 mark in the RMAC. After opening the season by losing three of its first four games (all three losses came to teams that advanced to the NCAA Division II Playoffs), the Pack closed the 2023 campaign by winning its final seven games. Vigil, who was hired as the Pack's head coach in late December 2022 following the retirement of longtime Pack head coach John Wristen, is entering his fifth season as a collegiate head coach in 2025 and has compiled a 28-21 overall coaching record as he went 7-15 in two seasons (2021-22) at Western New Mexico and enters Saturday's game sporting a 21-6 record at CSU Pueblo. Since the Pack football program became a four-year athletic program in 1963, Vigil is just the fifth head coach in school history and just the second in the program's Division II era.

ASSISTANT COACH CHANGES IN 2025: For the third consecutive season, Vigil has made some changes to his coaching staff for the 2025 season. The new assistant coaches are **Neal Davis**, who will serve as the co-offensive coordinator and work with the Pack offensive line, former Pack All-American receiver **Paul Browning** joins the staff as the receivers coach. In addition, **Trevor Hopkins** will serve as an offensive line assistant, while **Dennis Osagiede** will coach the defensive tackles and former player **Thomas Webb, Jr.**, moves into the coaching ranks as a cornerbacks coach after playing last season for the Pack. While there are five new coaches this season, Vigil also made some additional changes to his staff for the 2025 as **Jordan Dodge** will serve as the co-offensive coordinator, along with coaching the tight ends, while linebackers coach **Neema Behbahani** has also added the title of recruiting coordinator and defensive coordinator **Caid Faske** will also coach the defensive ends this season. The other assistants this season are - **Mac Alexander** (Associate Head Coach/Defensive Backs/Special Teams Coordinator), **Blake Moffett** (Running Backs), and **Rashad Harris** (Director of Sports Performance).

PACK RANKED NO. 5 IN LINDY'S SPORTS PRESEASON DIVISION II TOP 10 POLL: The Pack is ranked No. 5 in the Lindy's Sports Preseason Division II Top 10 poll that was released in its annual college football yearbook that hit newsstands in late June. The Pack was one of two RMAC schools ranked in the Lindy's Sports Preseason Top 10 Division II poll as Western Colorado opens the 2025 season ranked No. 7 after advancing to the NCAA Division II Playoffs for the second consecutive season in 2024. In the Lindy's Sports Division II poll, the magazine says about CSU Pueblo in 2025, "Wide receiver Reggie Retzlaff and quarterback Roman Fuller are enough to win a ton of ballgames." Since 2011, the Pack has posted a 131-30-0 overall record and a 108-13 RMAC record. The Pack has won seven league titles and made 10 NCAA Playoff appearances, including capturing the Division II National Championship in 2014.

RMAC GAME TO OPEN 2025 CAMPAIGN FOR SECOND STRAIGHT SEASON: For the second consecutive season, the Pack will open the 2025 season by playing an RMAC home game against South Dakota Mines on Thursday, Aug. 28 in the CSU Pueblo ThunderBowl. It is the second straight season that the NCAA is allowing Division II football team to play a Week Zero game (Aug. 28-30) on its schedule. The Pack will once again have a bye week before its final stretch of three games against Western Colorado, Mines and Chadron State to close the 2025 regular season.

FIVE HOME GAMES IN 2025: After playing six home games the past three seasons, the Pack will play just five home games this season in the ThunderBowl, including opening the season with back-to-back Thursday night games against South Dakota Mines (Aug. 28) and Fort Hays State (Sept. 4). In addition to those two home games, the Pack will host Adams State on Sept. 27, welcome Fort Lewis for Homecoming 2025 on Oct. 11 and close out the regular season on Nov. 15 against Chadron State. The five home games this season are the fewest since 2021 when the Pack also played five home games.

The Northern Sun Intercollegiate Conference (NSIC) was formerly part of Super Region 4 and now moves to Super Region 3 with the GLIAC, GLVC, and GMAC.

NCAA PLAYOFFS EXPAND TO 32 TEAMS: In April, the NCAA approved expanding the NCAA Division II football playoff field to 32 teams. Each of the four super regional fields will now have eight teams, which eliminates the No. 1 seed in each super region receiving a bye. A team will have to win five straight games to claim the national title.

RYAN JENSEN, 2014 NATIONAL CHAMPIONSHIP TEAM INDUCTED INTO RMAC HALL OF FAME: On July 10, 2025, at the Colorado Springs Marriott, former Pack football player and longtime NFL center **Ryan Jensen** and the 2014 NCAA Division II National Championship football team were inducted into the RMAC Hall of Fame. Jensen, who was inducted into the CSU Pueblo Athletics Hall of Fame in 2024, was

a four-year starter (2009-12) for the Pack at offensive tackle and earned All-RMAC honors three times, including first-team honors in 2011 and 2012. Jensen was a two-time All-American and a finalist for the 2012 Gene Upshaw Division II Lineman of the Year Award. Following his Pack career, Jensen was drafted drafted in the sixth round of the 2013 NFL Draft by the Baltimore Ravens and played eight seasons in the NFL with both Baltimore and Tampa Bay. He was the starting center for Tampa Bay's Super Boel LIV team that had Tom Brady as quarterback. He retired from the NFL after the 2023 season after playing in 100 regular season games, including 90 starts at center. Meanwhile, the 2014 Pack team, which was coached by **John Wristen**, posted a 14-1 overall record and captured its fourth straight RMAC title and won the national title with a 13-0 win over Minnesota State-Mankato in the championship game, which was played in Kansas City, Mo. The Pack is the only RMAC school in Colorado and one of just three in the state of Colorado to have won a national title in football.

RMAC CHANGING TO PAY-PER-VIEW MODEL FOR STREAMING IN 2025-26: The Rocky Mountain Athletic Conference has announced that its RMAC Network, which is preparing for its fifth year of providing coverage of all RMAC athletics events, will move to a pay-per-view model beginning with the 2025-26 season. This season, all RMAC athletic events broadcast by its 15 full-member institutions and associate members will only be available for purchase via a single-game pass or a monthly or annual subscription. Revenue generated by the network will be redistributed to the league's membership to enhance their programs. RMAC fans can purchase monthly and annual subscriptions that will provide them access to all regular-season, championship, and archived broadcasts on the RMAC Network. A monthly subscription costs $25, and an annual subscription costs $130. Single-game passes are available for $10, which grants access to a single game for 24 hours.

Feigning Injuries: To combat the practice of feigning injuries, the rules committee passed a rule that if a player presents as injured after the ball is spotted by officials, that team will be charged a Team Timeout or a delay penalty if all timeouts have been used.

Timeouts in Extra Periods: Currently, each team is permitted a team timeout in each extra period. To keep the game moving, now each team shall be allowed one timeout for the first extra period and one timeout for the second extra period. After the first two overtime periods, each team will be allowed only one timeout from the beginning of the third extra period until the game has ended.

replaced by "Upheld" in the Referee announcement after the review process determines that the ruling on the field will not be overturned.

"T" Signal on Kicks: Any waving signal by any player of a return team is considered an invalid signal. The "T" signal given by a returner during any kick will now also be considered an invalid signal and there will be no return.

Team Pre-Snap Movement: Any defensive team player within one yard of the line of scrimmage (stationary or not) may not make quick and abrupt or exaggerated actions that simulate action at the snap and are not part of normal defensive player movement in an obvious attempt to make the offense foul.

Disconcerting Signals: No player shall use words or signals that disconcert opponents when they are preparing to put the ball in play. New for 2025, the terms "move" and "stem" are reserved for defensive cadence and may not be used by the offense. The offense may use a "clap" as a starting signal and this signal may not be used by the defense.

Substitution Fouls by the Defense after the Two-Minute Timeout: The defense may not have more than 11 players on the field when the ball is snapped. The infraction, a substitution foul, is treated as a live-ball foul and is a 5-yard penalty. If this action occurs after the two-minute timeout in either half, and 12 or more defenders are on the field and participate in the down, officials will penalize the defense for the foul and the offense will have the option to reset the game clock back to the time displayed at the snap. The game clock will then restart on the next snap.

Scrimmage Kick Formation: The definition of a scrimmage kick formation has been modernized to ensure teams cannot take advantage of player safety rules to gain advantages on fakes from the formation. By rule, to qualify as a scrimmage kick formation, there must be a potential kicker 10 or more yards behind the neutral zone (or a potential holder and potential kicker seven or more yards behind the neutral zone in position for a place kick) and it must be obvious that a kick will be attempted. Added for 2025, to qualify as a scrimmage kick formation, no player other than the potential kicker (or holder) may be aligned within the frame of the body of the snapper and no other player may be aligned in the clear path from the snapper to the potential kicker (or holder).

Defensive Linemen on Scrimmage Kick Plays: Currently, if the offense is in a scrimmage kick formation at the snap, any defender within one yard of the line of scrimmage must be aligned completely outside the frame of the body of the snapper and a defensive player may not initiate contact with the snapper until one second has elapsed after the snap. Added for 2025, if the snapper is on the end of the line and is an eligible receiver, he loses the protections outlined above on a scrimmage kick play.

Optional Equipment – Eye Shields: Eye shields must be clear, not tinted, and made from molded or rigid material. New for 2025, both Oakley and Nike have submitted a nearly clear eye shield that has been approved.

Defenseless Players: A player attempting to recover a loose ball is added to the list of defenseless players.

Automatic Unsportsmanlike Conduct Fouls: All forms of gun violence are not permitted in college football and simulating the firing of a weapon is an automatic unsportsmanlike foul. Added to the rule in 2025, if a player brandishes a weapon, it is considered an unsportsmanlike act.

Colorado State University Pueblo Head Football Coach Philip Vigil

Philip Vigil is four games into his third season as the head coach of the Colorado State University Pueblo football program in 2025. Vigil was named just the fifth football coach and the second since the program was restarted in 2008 in the history of the ThunderWolves' program in December 2022.

Vigil's appointment as the Pack's new football coach came following the retirement of longtime CSU Pueblo head coach **John Wristen**, who was hired by his alma mater to resurrect the ThunderWolves football program in 2007. Wristen spent 15 seasons (2008-22) as the head coach.

"I'd like to express my gratitude to President (Dr. Timothy) Mottet and Dr. (Paul Plinske). My family and I are incredibly excited to return to Colorado," Vigil said about returning to his home state as CSU Pueblo's head coach. "I'm thankful for the time we had in Silver City and for the support of our friends and colleagues at Western New Mexico University. Melanie and I are looking forward to joining the Pack and becoming active members of the Pueblo community. Coach Wristen established a great program at CSU Pueblo. I'm honored to be named as the second coach in ThunderWolves' history and I'm eager to get to work."

Vigil's second Pack team in 2024 posted a 10-2 overall record and went undefeated in Rocky Mountain Athletic Conference play with a 9-0 record. The Pack earned the program's ninth all-time RMAC title and first outright league title since 2013. The team earned the No. 1 seed in Super Region IV and hosted a second round NCAA Playoff game against Minnesota State. The Pack finished the season ranked No. 8 and No. 11 in the final AFCA Division II Coaches and D2Football.com polls.

The Pack offense finished the 2024 season ranked in the Top 10 in Division II in passing (6th, a school record 308.5 yards per game), scoring offense (7th, a school record 40.2 points per game), total offense (9th, a school record 462.3 yards per game) and passing completion percentage (10th, a school record .656 percent). In addition, the Pack was 11th in Division II in team passing efficiency at 163.5.

Meanwhile, on the defense, the Pack was sixth in sacks as they averaged 3.33 per game and 16th in interceptions as they picked off 15 passes and was eighth in Division II in blocked kicks with seven, including a school-record tying three blocked kicks.

In his first season in 2023, Vigil led the program to an 8-3 overall record and a 7-2 mark in the RMAC. His first Pack team ended the season by winning seven straight games. Vigil's team led NCAA Division II in kickoff return average as they averaged 29.95 yards per return.

Meanwhile, the Pack offense ranked in the Top 10 in NCAA Division II in passing offense (7th, 289.7 yards per game) and scoring offense (9th, 42.0 points per game) and fewest sacks allowed (10th, 0.91 per game), while the Pack defense was ranked 10th nationally in quarterback sacks as they averaged 3.27 per game.

Vigil, who is no stranger to the Rocky Mountain Athletic Conference as he played at Colorado Mesa from 2005-08 and also coached with the Mavericks from 2012-14 and spent one season coaching at Colorado School of Mines, arrived at CSU Pueblo after spending two seasons (2021-22) as the head football coach at Western New Mexico University, which is a member of the Lone Star Conference and is located in Silver City, New Mexico.

Under Vigil's leadership, the Mustangs recorded the program's first winning season in the LSC since 1993 during the 2022 campaign. During Vigil's tenure, the Mustangs' football program earned 22 All-Conference awards from the LSC, including a program-best 17 selections in 2022. Those 17 selections were the most for the program in its LSC history.

Following a 30-year championship drought, Vigil led the Mustangs to the Chile Bowl Championship in 2022 as Western New Mexico defeated its rival, Eastern New Mexico, 38-24. The win over Eastern New Mexico culminated a 6-5 season in 2022. The six wins were the most for the program since the 2005 Mustangs team posted a 5-5 overall record.

Prior to Vigil's arrival, the Mustangs football program had won a total five football games over a span of four seasons.

Prior to getting his first head football coach position at Western New Mexico, Vigil spent 12 seasons as an assistant football coach at the collegiate level.

Vigil came to Western New Mexico in 2021 after serving as the running backs coach and recruiting coordinator for Head Coach Colby Carthel at NCAA Division I Stephen F. Austin in 2019 and 2020.

During his time with the Lumberjacks, Vigil played a pivotal role in Stephen F. Austin in recruiting back-to-back Top 5 recruiting classes and back-to-back No. 1 recruiting class in the Southland Conference.

On the coaching front at Stephen F. Austin, Vigil coached freshman running back Ja'quarion Turner to First-Team All-Conference honors in 2020. The 2020 SFA team captured its first winning season in over a decade by posting a 6-4 record. The only four lossses that season came against Football Bowl Subdivision (FBS) programs.

Prior to coaching at Stephen F. Austin, Vigil coached four years at (2015-18) as Fort Hays State University in Hays, Kan., as the program's Pass Game Coordinator and Re-

cruiting Coodinator.

During his time at Fort Hays State, the Tigers posted a 36-12 overall record and qualified for the postseason all four years and won back-to-back Mid-America Intercollegiate Athletic Association (MIAA) in 2017 and 2018.

In both 2015 and 2018, under Vigil's leadership, two different Tiger quarterbacks (Treveon Albert in 2015 and Jacob Mezera in 2018) would break school records for both total yards and total touchdowns. Those two quarterbacks would also go on to earn both All-Conference and All-American honors.

Before arriving at Fort Hays State in 2014, Vigil was the Associate Offensive Coodinator and Quarterbacks Coach for three seasons (2012-14) as his alma mater, Colorado Mesa University. During his time coaching at Colorado Mesa, the Mavericks won a total 15 games over three seasons and also won 13 conference games during that same time period.

From 2010-11, Vigil spent two seasons coaching running backs at NCAA Division II powerhouse Northwest Missouri State University. During his tenure with the Bearcats, two of his running backs earned All-Conference and All-American honors.

As a team, the Bearcats posted a 22-5 record over Vigil's two seasons in Maryville, Mo., and he was part of the coaching staff when the Bearcats won 46 consecutive games in MIAA play. In 2010, Northwest Missouri State finished ranked No. 3 in the final AFCA Division II Top 25 poll and advanced to the National Semifinals, while a season later, he helped the Bearcat offense lead Division II in scoring as they averaged 48.6 points per game.

Vigil started his collegiate coaching career in 2009 as a defensive backs coach at Colorado School of Mines.

A former quarterback at Colorado Mesa from 2005-08, Vigil was a two-year starter under center for the Mavericks. In 2007, he led Mesa to a 10-2 record and an NCAA Division II Playoff appearance. The 2007 Colorado Mesa team ended the season ranked 19th in the final AFCA Top 25 Poll.

He finished his playing career at Colorado Mesa as a two-time All-RMAC selection and was ranked all-time in school history in career passing yards (4,583) and second and third in single season passing yards (2,032 and 1,960). In the classroom, he was named an RMAC All-Academic honoree four times.

Vigil, who is a native of Arvada, Colo., and graduated from Faith Christian High School, earned his bachelor's degree in Sports Management from Colorado Mesa in 2008 and his Master's degree in Education from Northwest Missouri State in 2011.

He and his wife, Melanie, live in Pueblo West have three children - son, Peyton and daughters, Ava and Olivia.
